And you could, and should, do a bit of home-work by practising to see how really charmingly you can say some greeting, somewhat like this: 'I wish I could tell you how happy I am to come to meet you! Your Bob has told me such wonderful things about you." A little while later you might say, "You were both so kind to invite me to come to see you . . I realize how busy you must be these days, planning to sail so soon." Tread lightly too as to what you say about Bob . . . say delightful things, endearing things . . . but don't make the mistake of being possessive, or giving them the impression that you know Bob so much better and more understandingly than they do. (These are social errors so many girls make in the first rosy days of their engagement, when they meet the fiance's parents.) Use the word "Happy" happily . . . the word "proud" proudly . . . the word "love" lovingly. These words are important to all of you!

Son Wants To Give Gold-Lettered Anniversary Invitations

Dear Mrs. Beeckman:

My parents are to celebrate their Golden Wedding anniversary in October, and my sister, brother, and I (their children) are planning the large reception to be given in their home. We would like to send out formal invitations, and would like to have them printed in gold ink, with the dates (1903-1953) at the top of the large cards.

(1) Would this be correct, or must black or very dark-gray ink be used? (2) And would it be correct for me to offer to give these invitations as one of the "gold" presents?

Ken

(1) It's not only proper, but quite customary to use gold lettering (symbolic of the "golden" anniversary) on these formal cards of invitation. And please do use the two so-significant dates at the top of the cards. (2) Yes, a proper and very generous plan for you to give these cards as one of the gold-color presents.

Ties With Dinner Jackets

Dear Mrs. Beeckman:

We are to be married in church in the evening of the last Saturday in August. The groom and his attendants are going to wear white dinner jackets and black tuxedo trousers. We have been told that it would be proper for the groom to wear a white bow tie with his white dinner jacket, and for the best man, ushers, and the two fathers to wear maroon bow ties. Is this correct?

Katherine S.

No! The correct tie to wear with a dinner jacket . . . a black or white dinner jacket . . . is the black bow tie. A white bow tie is correct only with formal evening attire, "tails." It's correct for the groom and his attendants to wear black bow ties . . they should be dressed like gentlemen in the wedding party . . . not like bandleaders, with fancy maroon ties!

WHOLE FAMILY BURIED

PAU, France (CP) — French paratroopers Sunday dug out the bodies of six persons smothered when a torrent of mud swept through the Pyrenean village of Ancizan in the Aure valley. A whole family was buried and suffocated in its home when the small river Mizon, swollen by torrential rain, burst its banks and poured into the village Saturday night.

Beauty

How Are Your Staying Powers?

A constant round of entertainment can be a wearing job.

Parties that go on until nearly dawn seem to be the rule these days—not only with gay young girls and blades, but with their elders as well. It is sometimes a question as to which generation will get home first.

The prolonged evening party is a test of appearance and good looks. Some women looked wilted early, some depart with the same freshness that marked them upon arrival.

Clad in her glad rags, her coiffure a delight to the eye, her complexion laid on with a discreet hand, the party-goer regards herself with satisfaction when she fares forth for the merry evening. But if she has had a busy day, been tearing around like crazy, she may not feel topnotch.

When she comes dragging home the formal is just as gorgeous, the hairdo just as pretty, but her face is shadowed and drawn and she is tired enough to lie down and die. If a woman is going to keep late hours hours she should have a period of rest the afternoon before. She may be as strong as an ox but she can't be over active all day, dance all night and still look like a young gazelle. There is a limit to physical endurance. She will be courting wrinkles and shadows under her eyes. And when her next birthday comes around she will look every year of it—and more!

Having fun all the time can be wearing job. Many women make an occupation of social activities. They never turn down an invitation, keep right on going until they can scarcely drag themselves around. There are others who find delight in going to bed at a reasonable hour and reading a fascinating book—easier on the nervous system and the constitution.

The wise woman spaces her party-going. She realizes that the lights and music and good food are appealing but that one's vitality will stand just so much merrymaking and no more. Even young people can't get away with late hours when long continued. How then can the "forty girls" expect to remain attractive if they crowd the social calendar to the limit?

NEW WAY TO RELIEVE PAIN

of sore muscles, backache, arthritis, rheumatism, fibrositis, neuralgia, sciatica, lumbago.

You've never used anything like InfraRUB because *there's never been a product like it* in Canada!

InfraRUB gets right to the seat of pain because it is an entirely new formula! One of the ingredients is a "penetrant". It penetrates the skin in seconds—takes the soothing medication right down into sore muscles and joints.

InfraRUB goes right to work at the source of pain. Blood vessels are expanded to let fresh blood flood through the affected area . . . actually *bathe away the pain!* InfraRUB soothes sore tissues, brings comfort fast.

This is *not* a "counter-irritant"—the kind of medication that sets up a *new* irritation to hide the original pain. InfraRUB has no harsh action . . . it *soothes* pain away! Greaseless, it *vanishes* when you apply it

. . . can't stain clothes. No offensive odor. In fact, you'll like the pleasant fragrance. No painful rubbing.

Let InfraRUB give you soothing, relaxing comfort from aches and pains of muscle strains and sprains, arthritis, rheumatism, lumbago, neuralgia, sciatica, fibrositis *today!* Get InfraRUB at your drugstore.

Over a million tubes prescribed in England last year for the relief of pain.

ranian General alls on Officers o Fight for Shah

TEHRAN, Iran (AP)—Premier ohammed Mossadegh's trium- ant government continued a ndup today of suspects in Sun- y's attempted coup. From a hill bout the fugitive shah's appoin- e, Maj.-Gen. Fazollah Zahedi, de- ntly called on army officers to y down their lives for the mon- chy.

(Shah Mohommed Reza Pahlevi d Empress Soraya, meanwhile, t Iraq by plane today for Eur- e. Earlier, in Baghdad, the ah was quoted as telling Iraq rliamentary leaders he hoped to urn to his throne and that Mos- degh had violated the law).

Unofficial reports said police d pro-Mossadegh troops had ar- sted 30 alleged ringleaders of e palace attempt to oust the aged emier. Foreign Minister Hussein temi admitted 14 were army ficers.

Zahedi's declaration was handed porters by a courier in Tehran troops scoured the countryside r him. Addressed to Iranian my officers, it said:

"Be ready for sacrifice and the ss of your lives for the mainten- ce of independence and the mon- rchy of Iran and the preserva- on of the principles of the holy ligion of Islam, which now is ing attacked by infidel Commun- ts."

But Mossadegh's government ap- ared firmly in power following e abortive coup launched after ah Mohammed Reza Pahlevi gned a decree to depose the remier.

The monarch named Zahedi to e post but pro-Mossadegh forces uted a display of force by the perial guard. The 34-year-old ah fled with his wife, Empress oraya, by plane to neighboring aq.

atch For Zahedi

The government ordered a spe- al frontier watch to prevent Zah- di from slipping across to join the ah in Baghdad. There was specu- tion the monarch may plan to t up a government in exile.

Foreign Minister Fatemi warned aq in a note Monday night that aying host to the shah might use trouble between the two untries.

Zahedi's declaration said the shah d gone temporarily to Iraq at hedi's request for fear that "ad- nturous traitors" planned to kill e monarch.

Unconfirmed reports said that the ah's half-brother, Prince Abdor eza Pahlevi, is in the Iranian rovince of Azerbaijan, near the ussian-Turkish-Iraqi borders. The ountainous province is known to ave many supporters of the mon- rchy.

In Tehran, meanwhile, there was me indication that uneasy bonds ding Mossadegh's supporters and e Communists in a loose coali- on were wearing thin.

Police broke up a Communist ttempt to topple a giant bronze atue of the shah's father, Reza hah, but turned a blind eye as rongly pro-Mossadegh pan-iranist arty gangs finally brought the age down.

orkers Electrocuted

DETROIT (AP—Two workers ere electrocuted Monday as the rane they were working on hit a 0,000-volt high tension wire at the ite of the burned-out General otors plant in suburban Livonia.

The men, part of a crew clearing ebris from the area, were guiding bundle of sheet metal as the rane set it down.

Killed were Walter E. Smith, bout 40, and George Trombley, 53.

The plant was virtually wiped ut in a $50,000,000 fire last Wed- esday.

300,000 Horses Threatened With Sleeping Sickness

REGINA (CP)—Saskatchewan's horses—all 300,000 of them—are threatened by an outbreak of sleeping sickness at a time when preventative vaccine supplies are almost nil. It is the most serious epidemic in 12 years.

Suppliers of vaccine in Regina and Saskatoon have been swamped with orders. There is little hope of immediate supp iel tsmoeet the demand.

Sleeping sickness, officially termed equine encephalomylitis, was first noted among horses in Manitoba and North Dakota about a month ago, and gradually spread to the southeast corner of Saskatchewan about two weeks ago.

No official figures are available on the number of deaths or cases. While the disease has spread rapidly throughout the province, most cases have been reported from the southern sector

Overwhelmed With Orders

The vetinerary department of the University of Saskatchewan, only manufacturers of the vaccine in Canada since the decline of the Prairie horse population, has been overwhelmed with orders from Manitoba and Saskatchewan points.

A Regina supplier had 500 orders for vaccine on hand Monday and was unable to fill them until new supplies arrived.

Dr. J. S. Fulton, head of the University of Saskatchewan virus laboratory, says a shortage of fertilized eggs is hampering production of the vaccine. It is produced from chick embryo after about 10 days' incubation.

Humans are susceptible to sleeping sickness that strikes horses. Dr. Fulton said the disease may cause some human deaths before it subsides. No reports of persons being stricken have yet been received, but Dr. Fulton warned that extreme care should be exercised in handling sick horses.

The worst epidemic of sleeping sickness in Saskatchewan was in 1938 when 15,000 horses died. There were other outbreaks in 1935, 1937 and 1941.

Two new cases were reported in Manitoba during the week-end, boosting the total to 59, including 18 deaths.

Nine Persons Seriously Hurt In Car Collision

LONDON, Ont. (CP)—Nine St. Thomas and London persons were hurt, some severely, in a head-on collision Monday night of two cars on No. 2 highway near Delaware.

In one car were a St. Thomas couple and their four small children, including a small baby. All were admitted to hospital.

William Mathers, 46, of St. Thomas, suffered multiple fractures, including pelvis and leg; his wife, Katherine, a scalp laceration; their 17-month-old baby, Margaret, a broken leg; sons Richard, 7, and Donald, 5, scalp lacerations, and David, 10, broken arm.

Occupants of the other car, John Matrer, 20, and Joseph Kazmiarczak, 28, both of London, suffered possible broken pelvis and arm, and undetermined injuries.

UNSEPARATED BY DEATH

WESTON HILLS, Eng. (CP)—Farmhand Martin Butterworth, 80, and his wife, Ann, 78, never were parted for even a day in 5 years of married life. They never had a vacation, never saw a movie, never got as far as London, 100 miles away, and Martin never quit work. Ann died Monday. Broken-hearted Martin died today.

Member Wants Central Place For Hangings

TORONTO (CP)—Ontario should have three central points where convicted murderers can be hanged, Don Morrow (PC—Carleton) urged Monday at a meeting of the legislature's select committee on reform institutions.

Reforms Minister Foote, who attended the discussion, said he doubts if any Ontario municipality will welcome such an institution. Since W. J. Grummett, CCF leader had first made the suggestion of a central hanging point, Mr. Foote said, he should have first chance to have it in his riding of Cochrane South.

Mr. Gummett said: "We have lots of muskeg up in my riding and we could easily bury this place in it."

Mr. Morrow said that by not having more than three places, the local deterring effect on hangings on the public would still be effective.

Mr. Grummett said women resent a hanging in their area no matter how vicious the crime and by announcing the date and time "we are brutalizing our people."

He added: "If we have to hang persons, let us do it as quietly as possible."

A sub-committee report urged an organization to take care of parole, probation and rehabilitation of prisoners. Mr. Foote said he approves the report in principle and will pass it on to the government.

Mr. Grummett criticized sussentences, which he said are faulty and should be abolished.

"A boy on suspended sentence thinks he is free," he said. "We should be able to impress on him that he is convicted and he should get some kind of punishment."

Dr. C.S. Walters Retires Aug. 24 On 75th Birthday

TORONTO (CP)—Dr. Chester S. Walters will step down from the position of deputy provincial treasurer Aug. 24 when he reaches his 75th birthday, Premier Frost announced Monday night.

Dr. Walters, who has held the post 18 years, will continue as finance controller but Hugh E. Brown will take over the executive duties of deputy minister.

Dr. Walters, appointed by the late Liberal premier, Mitchell Hepburn, held the office 18 years, longer than any deputy treasurer since Confederation. He served under six premiers and three provincial treasurers.

His successor and former assistant, Dr. Brown, was born at Niagara-on-the-lake 52 years ago and has lived in Toronto almost all his life.

While announcing the new appointment, Premier Frost was celebrating his own anniversary as provincial treasurer. He said Ontario's financial problems now are as large as those of all Canada before the First World War.

MARK DERRY DAY

BARRIE (CP)—Derry Day was celebrated Saturday with one of the largest parades ever seen in this town. It was held in conjunction with the 50th anniversary of the Allandale Royal Black preceptory, No. 601. Approximately 2,000 marchers took part in the parade. Lodges of Royal Black Preceptories and ladies of the Crystal chapters came from as far away as Sudbury and Hamilton, with a number of lodges from Toronto, Guelph and other Western Ontario points.

Eighth Series Of Savings Bonds To be Offered

OTTAWA (CP)—The eighth series of Canada Savings Bonds will go on sale to the public Oct. 19, the Bank of Canada announced Monday.

Bonds offered in the eighth series will be dated Nov. 1, 1953, and will mature Nov. 1965. They will pay 3¾-per-cent interest rate each year to maturity and will carry 12 annual interest coupons.

The 3¾-per-cent interest is a record for such bonds. Previous high was the 3½-per-cent for the seventh series but these bonds had to be held for at least 28 months to earn this rate.

Sale of seventh series bonds will be discontinued Aug. 31 although applications for these bonds made prior to that date and arrangements for deferred payment will not be affected.

All Denominations

The new series may be purchased in denominations of $50, $100, $500 and $1,000 and $5,000. and must be registered in an individual's name whether adult or minor. The registration gives protection against bonds being lost, stolen or destroyed.

The eighth series bonds will remain on sale until Nov. 16, 1953, at a price of 100 per cent.

The Bank of Canada also announced that bonds will be available for the first time in fully-registered form in denominations of $500, $1,000 and $5,000. Purchasers of fully-registered bonds will receive their interest payments annually by cheque.

Communist Fly Twin-Jet Fighter Bombers in Korea

By JIM BECKER

FREEDOM VILLAGE (AP) — The Communists now fly new twin-jet fighter-bombers in North Korea's skies where they never dared appear in wartime, returning prisoners said Monday.

Several American repatriates also told of seeing a new-type jet fighter smaller than the MiG, mainstay of the Red Air Force.

At least one twin-jet fighter-bomber was spotted on an air base near the North Korean capital of Pyongyang only two days ago. No bomber was safe at any base in North Korea during the war.

Presumably this is the Russian IL-28 which flies close to the speed of sound and can carry the atom bomb. It was sighted in Korea before.

It is known the Communists flew swarms of planes into North Korea the night the armistic became effective. Some flew in after the armistice deadline. If they remained based in the north this was a violation of a truce ban against military reinforcements.

U.S. 5th air force radar picked up the flights of Red planes from Manchurian bases to North Korea but at that late stage at night Allied planes were helpless to stop them. Furthermore, Allied night planes had been called to base early lest they violate the truce.

Cpl. Charles W. Jewell of Wilmington, Del., said he saw nine of the jet bombers fly in formation as he passed through Pyongyang and thought the Reds were "showing the people what they had."

The twin-jet undoubtedly is the Russian IL-28, which a reputable source told Associated Press correspondent William C. Barnard last January could fly up to 650 miles an hour. It carries four cannon.

Kitchener Man Committed To Mental Hospital

LOS ANGELES (AP)—An accountant who told police he had killed his father-in-law in Milwaukee, Wis., or in Guelph, Ont., was committed Monday to a state mental hospital.

Gordon Emerson Weber, 40, born in Kitchener, Ont., had been in custody here since July 30. He volunteered stories that his father-in-law, Rudolph Maier, 69, Los Angeles, was slain four years ago.

First Weber said it occurred during an argument and scuffle in a Milwaukee railroad station in 1949 and that later he burned the body at a dump at Hartland, Wis.

Later Weber changed his story and said the killing occurred, under similar circumstances, in a Guelph hotel. The family said Maier disappeared in 1949.

But Weber's wife, Muriel, insisted all along that her husband made up the stories.

Police of Wisconsin and Guelph reported they were unable to substantiate the tales.

Finally Los Angeles sheriff's Capt. Floyd Rosenberg petitioned for committal of Weber to a mental institution. Superior Judge William Houghton signed the order Monday.

Foster Mother Wins Claim To Child

NEW YORK (AP)—A wife, who accepted and cared for the child born to her husband's mistress, was told yesterday she could keep the little girl — despite the real mother's belated claims.

This was the child's choice, too.

The story, in which the girl, now 12, learned only recently from her real mother the circumstances of her birth, was unfolded in a decision by State Supreme Court Justice Maximilian Moss.

The record, substituting Jane Doe for the name of the unmarried mother and using Richard and Catherine Roe for the married couple, gave this account:

Twelve years ago, in an affair with Roe, Miss Doe became pregnant. When his wife, Catherine, learned of the situation, she agreed to bring Miss Doe into their home, where she remained until the birth of the child.

It was agreed the child would be raised as the couple's own. For 12 years, the child thought Richard and Catherine Roe were her parents. Miss Doe visited the couple's home regularly, as the child's godmother.

"Now, after the lapse of those long years, Jane Doe has informed the child that she is her mother," Moss related. "She did not act as a real mother should have acted."

The child, he said, "strongly feels that she should be allowed to remain in her father's household, and deeply resents the suggestion that she live with her natural mother."

To stay where she is, the judge ruled, is in "the child's best interest."

The court, giving the participants fictitious names, ordered papers in the case sealed.

STOWAWAY HELD

SOUTHAMPTON, Eng. (CP)—A 24-year-old American who stowed away aboard the 81,000-ton liner Queen Mary to get to Britain and swim the English channel was refused permission to land here Monday night by immigration officials. Wallace Warran Smith was found in a toilet by a master-at-arms 24-hours after the liner sailed from New York.

Broda Awaiting Word on Ottawa Coaching Job

MONTREAL (CP)—Turk Broda, former starry netminder with Toronto Maple Leafs, said Monday night he will probably be confirmed "within the next two or three days" as coach of Ottawa Senators of the Quebec Senior Hockey League.

"There's nothing absolutely definite on it yet, but you might say it's on the fire," Broda said in an interview.

"I expect confirmation from Tommy Gorman within the next two or three days."

Gorman is owner of the Senators.

Kingsville Boy Prisoner of War For Two Years

KINGSVILLE (CP) —Vance Drennan, whose son was among 75 United States prisoners of war released by the Communists in Korea, said Monday night news of the release was "sure good."

The son, Pte. Richard D. Drennan, 21, was a prisoner more than two years. Born and educated here, he moved to the U.S. to work a few months before enlisting in the U.S. Army. He was a member of the 23rd regiment, U.S. 2nd division.

Mr. Drennan said he and his wife were notified May 18, 1951, that their son had been reported missing in action. They received word Oct. 17, 1951, that he was a prisoner of war.

A U.S. prisoner of war released in the exchange last April got word to them that Pte. Drennan was in good shape mentally and physically.

They have been receiving letters from their son every six or eight weeks.

Mexico Expects 100 Million Barrels of Oil

By LAURANCE F. STUNTZ

MEXICO CITY (AP) — Mexico expects to produce next year for the first time more than 100,000,000 barrels of oil.

The government hopes to increase the possible output even more in later years. One of the prime goals of the administration is greater oil production and establishment of a heavy chemicals industry, partly based on oil.

Figures on production were given recently at Antonio J. Bermudez, head of Pemex, the government oil company. Plans for the future were outlined by Gilberto Loyo, minister of national economy, to the Association of Foreign Correspondents.

Loyo said the administration of President Adolfo Ruiz Cortines has three main aims in the economic field:

1. Increase the output of electric power and minerals;
2. Increase Mexico's production of iron and steel;
3. Increase oil production and chemicals.

Few Details Given

He gave few details of the chemicals Mexico hopes to produce at home. But he did say the eventual products might be paints, insecticides and disinfectants, and fertilizers. Mexico now has a big government-built ammonium sulphate plant which has reduced the size of the possible market for Chile's natural fertilizers.

The chemical industry could also look to increasing the production of sulphuric acid, the basis of many industries. Most of the present production of some 50,000 tons of sulphur a year comes as a by-product from the refining of oil.

Some two years ago, when the world sulphur market was tight, foreign companies began exploration for sulphur domes in the Tehuantepec isthmus. Their production is due to reach the market next year. Meanwhile the sulphur supply situation has eased. Much of the increased production should be available for Mexico's industry.

Stewardess Loses Arm and Leg In Boat Accident

LAKE ARROWHEAD, Cal. (AP) A young airline stewardess was in a critical condition today after being mangled by the propellor in a fall from a speedboat owned by hotel owner Conrad Hilton.

The stewardess, Miss Boni Buehler, 25, of Hollywood, was pulled from Lake Arrowhead Sunday by Geary Steffen, ex-husband of actress Jane Powell. Steffen was water skiing behind the boat.

At hospital, doctors said her left arm was cut off at the shoulder in the accident. Her left leg was amputated Sunday night.

Beauty Parlor Operator Likes 'Chute Jumping

MONTREAL (CP)—Monique Lapierre operates a beauty parlor to make a living and jumps out of airplanes in her spare time.

The attractive 20-year-old girl from Coaticook, 100 miles southeast of Montreal has made a dozen parachute jumps in the last two years.

Monique admits that jumping out scares her. The sight of the ground so far below and the sensation of dropping give her stomach convulsions, she says.

"I never open my eyes until the parachute opens and sometimes not even then."

To make certain that the parachute does open, Monique packs it herself but even then she feels nervous until it finally blooms out above her.

One Injury

The only time she was injured was when she jumped into Lake Magog last year. In jumping into water the parachutist drops out of his harness 10 feet above the water so that the chute may drift away and not entangle him.

Monique misjudged her height and plunged 75 feet instead of 10, breaking a few ribs.

Over water, where there are no familiar objects to observe, it is hard to judge height and distance, she said.

She picked up her strange hobby two years ago to impress a boy friend.

He was an aspiring pilot but could not get his licence until he had made a parachute jump. When he showed timidity about the idea of jumping, Monique offered to show him how easy the whole thing was by doing it herself.

She did—becoming Quebec's first woman parachutist—and has been at it ever since.

The boy friend never did go through with his jump.

VISIT O.A.C.

GUELPH (CP)—More than 800 Associated Country Women of the World visited the Ontario Agricultural College, Ontario Veterinary College, and MacDonald Institute Sunday. The delegates attended a non-denominational church service in the OAC war memorial hall and enjoyed refreshments in the college's Creelman Hall.

Giuseppe Pella Heads New Italian Govt.

ROME (AP)—A new cabinet of Christian Democrats led by Giuseppe Pella was sworn in Monday, giving Italy a breather from political crisis.

President Luigi Einaudi administered the oath of office to the 51-year-old premier, a financial expert, in the presidential office.

Other cabinet members were sworn in in the neighboring Hall of the Madonna. All are Christian Democrats.

Missing from the lineup was eight-time premier Alcide de Gasperi. Anxious for a rest and also to avoid controversy, he turned down the foreign minister's portfolio in a government which is committed to make only an administrative housecleaning and push no major policy measures.

The new cabinet will go before the Chamber of Deputies Wednesday. It seems certain to win a vote of confidence.

Wild Typhoon Rips Across China Mainland

TAIPEH, Formosa (AP)—A wild typhoon ripped across the China mainland today after sideswiping the big U. S. base at Okinawa and the Chinese Nationalist island of Formosa.

The Japanese weather bureau in Tokyo said the big storm, which changed course and did not hit Okinawa or Formosa with its full force, struck the China coast about 150 miles south of Shanghai, and was churning northward.

Okinawa escaped with minor damage, mostly to power lines, but northern Formosa was lashed with heavy rains and winds up to 69 miles an hour.

PAYROLL MISSING

TORONTO (CP)—A $1,900 payroll belonging to the A. D. Gorrie Company in downtown Toronto was discovered missing Saturday a few hours before 29 employees were due to collect their week's pay. A padlock on the main floor locker was cut open, police said.

Political Leaders Likely to Remain For Many Years

By CLYDE BLACKBURN
Canadian Press Staff Writer

OTTAWA (CP —Leaders of the four main national political parties are expected to remain at their posts indefinitely although there are rumors of changes in the offing.

Party leaderships are matters for the executives and delegates at party conventions to decide unless an incumbent decides on his own initiative to resign.

As far as could be discovered here the results of last Monday's general election, which brought the the fifth consecutive victory to the Liberal party, will not bring any immediate change in party heads.

Prime Minister St. Laurent, 71, has no intention of returning to law but is far from being on the shelf. The general presumption, borne out by his own statements and those of his associates, is that he will remain at the head of affairs for a number of years now that he has a fresh mandate from the people.

George Drew, Progressive Conservative leader, is expected to occupy his place in the House when Parliament meets and as far as could be learned here there is no immediate idea in his mind or in the minds of his associates for a change of leadership.

Though Mr. Drew, 59, in two unsuccessful campaigns has failed significantly to increase the numerical strength of his party in the House of Commons, there are many who believe he has given good leadership under trying circumstances.

Should Mr. Drew decide to retire in the near future, it would seem that the party might turn to John Diefenbaker, 57, who just won an impressive victory in Prince Albert after redistribution eliminated his old riding, Lake centre.

Make New Attempt

But information here was that Mr. Drew is prepared to make an attempt to build and solidify the party.

M. J. Coldwell, 64, CCF leader, talked about retiring during the campaign just ended, and whi
brought his group back to Parl
ment with increased represen
tion. But he said he would be co
tent to retire only if he was a
sured the government would bri
in a satisfactory national hea
plan—a prime objective of h
group.

This is also a Liberal party o
jective but only when it is co
sidered the country can comfor
ably stand the cost.

Solon Low, the present Hou
leader of the Social Credit part
is only 53 years old and as far a
has appeared on the surface the
is no reason to believe he will b
replaced.

Swanky Yankees, Artful Dodgers Sit Pretty And Aim For New Record

CHIPS OFF THE SPORTS BLOCK

By GEO. H. CARVER, Sports Editor

NAL BEFORE VACATION

We are the proud possessor of two alarm clocks. One must sacrificed to the gods of vacation. Tomorrow morning when at ear-splitting burp resounds in the living room of a lakeside ottage in Wellington, a hand will reach out, wind up and throw hard straight one straight down the alley into the placid waters Lake Ontario.

For the next two weeks we are going to indulge in a lot of de- cious "black-snaking. Jest sittin'. Not thinkin'. Jest fishin'. ot worrying. We'll get one of Police Chief Earl Marvin's boats, rk Peter amidships and take off for MacDonald's Island where e bass are not blueblooded. They don't have to be introduced to rtake of your hospitality.

And the first guy that mentions sport had better be wearing steel helmet. We might stretch a point when we go gabbin' up ound "Muscles" Mowatt's restaurant. You'd have to listen to nny anyway. But as far as the pencil and notebook, the mill" etc. are concerned, we're just a kibitzer.

And if any of "youse guys are around the lake"—drop in. (the ottage, that is).

• • •

IDGETS HERE

Before we take off we would like to remind you that those alin "sparrows" will be in Memorial Arena this Friday night. up, Eenie, Meenie, Miney and Mo, those half-pints of the squared ircle will be here with their hilarious ring antics. The miniatures an wrestle, don't forget that and if you want a half hour of solid elly-laughs don't miss 'em. And lest we forget, the Beauty and he Beast of Pachydermia will feacha the main bout. None other han popular Timmy Geohagen and that hardrock from down under eroshus Freddie Atkins the 'Orrible H'austrylian.

Jist a wurrd, Timmy me buck. Jist clinch one "Sleeper" on hat spalpeen for George, wullya? We don't care if he never comes o.

• • •

OFTBALL

Tonight the Ole Clucker can wrap up that OASA elimination eries with the Bobcats at the Alemite Field. They lead the series -2 but the Cats state there will be a seventh game. It should be dilly of a battle.

And listen fellas, don't forget to toss in your two-bits for the l. Young benefit game being played at the CNR Thursday night. he Northern Electric team will play a team of selects and it hould be worth twenty-five. In any event, you won't miss the hange and you'll be helping a grand guy and his family. How's bout it?

• • •

ASEBALL

Tonight the Peterborough Lifiocs smarting under that 9-4 de- eat handed them by the Belleville upstarts will be here to avenge he setback The game is slated for the CNR Park starting at 6.15.

The Petes protested the first game on the grounds that Johnny Mowatt was over age. His birth certificate has been forwarded to he OBA moguls but the righthander has been suspended pending nvestigation, it says here. Anyway Bryson Reid's kids believe in laying it on the field so Coach "Red" Carson will toss either Billy Strahan or Wellington's Billy Greer at the Lifiocs this evening. Should be a tidy tussle.

• • •

NERVE SPECIALIST!

Bill Dickey, great catcher for the Yankees for more than a decade, tells one of the best stories of the extremes to which an autograph pest will go in order to obtain a signature.

It happened in St. Louis in a game between the Yankees and Browns. With Lee Moss of the Browns at bat, Charley Silvera, Yankee catcher, crouched too close to the plate, and Moss, in taking a cut at the ball, connected solidly with the back of Silvera's skull.

Players carried Silvera into the clubhouse and trainers of both teams began administering to him.

Just then, a well dressed stranger walked in and asked whether there was anything he could do to help. Taking for granted the stranger was a doctor, the two trainers invited him to assist them.

When Silvera finally was revived, the two trainers asked the stranger what hospital he was attached to.

"Hospital?" he answered in surprise. "Why should I be connected with a hospital? I'm no doctor."

"Then what are you doing here?" demanded one of the trainers.

"Why, I just came in to get Silvera's autograph," explained the stranger.

Champs Take Pair From Phils; Both Teams Fatten Margins; Dodgers Blast Bucs in 11th

By BEN PHLEGAR
Associated Press Sports Writer

Now that New York Yankees and Brooklyn Dodgers virtually have run off and hidden from the rest of the clubs, they're working on a little intramural competition to hold their interest.

Their new goal is 100 victories each, well within range but still a mark that will keep them hustling.

The Dodgers, with 39 games left, need to win 22 to hit the century mark—a figure reached by only two other Brooklyn clubs in history. The Yankees will have to win 21 of their last 38. Yankee teams in the past have reached 100 or more eight times, but not in the last 11 years.

If both clubs make it, this would be the first season since 1942 to produce a pair of 100-game champions. In that year the Yankees won 103 and St. Louis Cardinals took 106 and the series.

Both the Yankees and Dodgers fattened their margins over their nearest rivals Monday night. The New Yorkers won a pair of one-sided games from Philadelphia 10-3 and 9-0 and moved nine games in front of the idle Chicago White Sox.

Brooklyn came from behind on Duke Snider's two-run homer in the ninth and then beat Pittsburgh on Gil Hodges' three-run blast in the 11th, 5-2. The Dodgers gained half a game on the unscheduled Milwaukee Braves and lead by 8½ games.

Giants Split

In the only other activity New York Giants and Philadelphia Phillies split a pair at the Polo Grounds. Only 2,885 cash customers watched the Phils win the first game 5-2 and bow in the second 6-0. The doubleheader was the third in three days between the two clubs. The Giants won the series, four games to two.

The Phils clinched the first game with four runs in the eighth inning off Dave Koslo who started his first game since June 23. The Giants took the nightcap from Andy Hansen, making his first start in three years.

Johnny Lindell tamed the Dodgers on three hits until Bobby Morgan opened the ninth with a single and Snider followed with his 28th homer. In the 11th Lindell got into trouble by walking Snider and Jackie Robinson and running the count to 3 and 1 on Hodges. The big first baseman then hit his 26th home run. Snider got three of the Dodgers' seven hits.

Yogi Berra hit his 21st home run in the Yankees' first game romp. Whitey Ford picked up his 15th victory, but needed help from Tom Gorman in the seventh. In the second game the Yankees opened with five runs, more than enough for Bob Kuzava who scattered 11 hits effectively enough to score a shutout. Joe Collins homered twice, Bill Martin once.

Although they weren't scheduled St. Louis Browns were eliminated mathematically from the pennant chase. Even if they won their remaining 36 games the Browns would finish two games behind the Yankees' present mark.

St. Kitts, Petes Meet In Lacrosse Final

By THE CANADIAN PRESS

St. Catharines Athletics and Peterborough Trailermen are the finalists for the Eastern Canada senior lacrosse championship honors

In the best-of-seven Senior Ontario Lacrosse Association semifinal series, Peterborough defeated Orillia Terriers 27-7 Monday night to win the series 4-0. St. Catharines also won its series 4-0 by downing Fergus Thistles 11-7.

The best-of-seven series which will decide the east's representative in the Canadian championship Mann Cup final on the west coast next month will open in Peterborough Friday.

Peterborough were never behind in their game with the Terriers. They led 6-2 at the end of the first, 12-5 at the half and 20-7 at the end of the third.

Star for the Trailermen was Rusty Slater, who scored six goals. Roger Smith got four goals and four assists for Peterborough while three goals were scored by Ross Powless and Harry Wipper. Two-goal men were Fitzgerald, O'Hearn Hildebrande and Mason.

Don McPhail and Stu Scott scored two apiece for Orillia, with singles going to Jack Kapasky, Tony Damico and Jim McNulty.

Athletics had an easy time all the way, leading 2-0 at the end of the first, 5-0 at half time, and 7-4 at the end of the third quarter.

Leading the St. Catharines attack were Al Frick with three goals and Derry Davies, Jim McMahon and Skip Teal with two goals each. Doug Smith and John Dewar notched singles.

Scorers for Fergus were Don Gear with three goals, and Harry Kazarian, Bob Dobbie, J. J. Hill and Elmer Harris with one each.

English Soccer Opens Season

LONDON (Reuters) — England's professional soccer teams, carrying with them the get-rich-quick dreams of one adult in every three, open their 65th season Wednesday.

Television is keeping fans at home and high government taxes are seriously affecting the game—attendances were down by nearly 2,000,000 last season—but soccer still reigns as the biggest sports attraction in the country.

About 1,000,000 English, Scots and Welsh fans who love the game for itself will turn out each Saturday for the next 38 weeks to see their favorite team clash for league honors.

Away from the stadiums, 10,000,000 Britons will fervently study the day's results to see whether their average 50-cent weekly stake on the country's soccer pool gamble has won a top prize of $210,000.

All you have to do is complete a coupon forecasting the outcome of certain games, usually the most difficult, by marking "1" for a home win, "2" for an away win and "x" for a draw. It sounds easy but the experts say the "investor" can expect to win $210,000 once in 400,000 years.

During the season, 92 eleven-man combinations meet in England and Wales in three top leagues—division I, II, and III. In November, any team, professional or amateur, bush-league or top division, can enter a knockout competition for the Football Association Cup, most coveted honor of the game. A top division team always wins.

Scotland, which likes to boast it taught the English how to play the game, has 32 teams organized in divisions "A" and "B" and runs its separate cup competition. Northern Ireland also has its own soccer organization.

'Sandy' Repeats Amateur Victory

MONTREAL (CP) — C. Ross (Sandy) Somerville did it again—21 years after he defeated Johnny Goodman of Omaha in the final of the United States amateur golf championship.

The "re-enactment" of that famous final in 1932 at Baltimore, when Sandy won 2 and 1 and became the only Canadian ever to take the U.S. amateur crown, was played over the Montreal Summerlea course. It was one of the preliminary special events to the $25,000 open starting Thursday.

This time Somerville won with a medal score of 74 against Goodman's 81 over 18 holes. Summerlea's par is 36-34—70, and Somerville went 35-39 for the nines. John took 41-40.

Gordon B. Taylor of Montreal, who won the Canadian Amateur the same year that Somerville took the U.S. title, was a third member of the special threesome and equalled Somerville's score.

Remember When

By THE CANADIAN PRESS

Sam Snead almost lost the Canadian open golf championship and the $1,000 first prize at Toronto 13 years ago today when a 15-foot putt stopped six inches short of the cup. The extra putt left Snead tied with Jug McSpaden, defending champion from Winchester, Pa. But Snead won the playoff by 71 strokes to 72.

Ball Player Beats Golfer, Archer In Open Golf Championship Feature

By JACK SULLIVAN
Canadian Press Staff Writer

MONTREAL (CP)—Can a ball player and an archer beat a golfer at his own game? Who is the Masked Marvel? Are Lach and Richard better than Kennedy and Broda?

Those were the questions posed Monday by the sponsors of the $25,000 open golf championship to start off a few days of hoop-de-la before the hot-shot pros get down to business.

The whole shebang started off with a bang—in reverse. The crowds stayed away like mad. Provincial police and Lachine city police swarmed around the highway they were protecting the Bank of Canada. They were out there to direct traffic—but the motorists kept on going.

The mayors of Montreal and Lachine gave speeches at the first tee. The Lachine mayor, using a gold-plated driver, hit a gold-plated ball to give this fourth-richest golf tournament in the world a send-off.

He hit it 10 yards.

Answering those questions:

The ball player (Goody Rosen, formerly of New York Giants) beat the golfer (Jules Huot of the Royal Quebec Golf and Country Club, Boischatel, Que.) and archer (Orla Larsen of Kingston, Ont.).

Rosen used a couple of fungo bats and a regulation baseball. The hole for him was supposed to be a five-foot circle around the cup but the golfer and the archer conceded that this was too tough and just let the guy hit the green.

The archer, using bow and arrow, holed out on his approach shots by smacking a target (a blown-up tire) and Huot went at it the right way—a bag full of clubs, a few balls and a caddy.

The scores: Rosen 36, Huot 38, Larsen 40.

Who is the Masked Marvel? Well, the guy was third behind Sam Snead in the Ilesmere, Que., tournament a couple of years ago. The best guess is Kas Zabowski of Halifax.

And the Maurice Richard-Elmer Lach-Teeder Kennedy-Turk Broda "National Hockey League championship."

The thing went into overtime with the Montreal Canadiens combination of Lach and Richard winning on the 20th hole over the Maple Leafs' Kennedy and Broda.

Blue Bombers Apply 24-0 Whitewash To Highly-Touted Toronto Argos

By THE CANADIAN PRESS

Is that a new football champion looming on the Prairies?

It's a long way to Grey Cup time, but the manner in which Winnipeg's bristling Blue Bombers wiped the floor of their new $500,000 stadium with the Canadian champions has given fans and Toronto Argonauts plenty to think about.

The Blue Bombers even bested the Argos when they used Canadians.

Winnipeg trampled Argos 24-0 Monday night in one of four East-West exhibition games—the first time they've ever blanked an Argo team. To really rub it in, coach George Trafton threw a completely Canadian team into the last five minutes of the fray. In seven plays it roared through the Grey Cup holders for a touchdown.

In other games Montreal Alouettes beat Calgary Stampeders 17-12, Hamilton Tiger-Cats downed Saskatchewan Roughriders 21-12 and Edmonton Eskimos won over Ottawa Rough Riders 17-12.

But it was Winnipeg's victory—third straight over the Scullers in pre-season tests—that set fans' tongues wagging. The Bombers' show of power, coming after an 18-11 victory over Ottawa Saturday, evoked the natural question—is this Winnipeg's year?

The power-studded Bombers threw four quarterbacks at Toronto—Joe Zaleski, Jack Jacobs, Tommy Thompson and then Geoff Crain, a young graduate of McGill University

Crain, sent on in the last five minutes with his all-Canuck squad marched the team downfield from his own 39 on seven plays, then pitched a 32-yard touchdown pass to Bill Larochelle, former Ottawa end.

The wide-open game saw Ralph McAllister, Ray Dillon and Bud Grant ram home the other Bomber majors. Bud Korchak converting all four.

The Alouettes displayed alert form in downing Calgary at Montreal. In a game marked by sharp passing by both sides, the Als took an edge in the first half and then kept the Stamps busy in their own end for the balance of the game.

Touchdown-makers for Montreal were Jim Staton, John O'Quinn, and Nub Smith. Calgary scorers were Bob Shaw and John Henry Johnson.

In Edmonton, the Eskimos and Ottawa ranged hard-fighting linemen in a contest remarkable in that it was the first meeting ever between the two teams.

Eskimos made the most of their opportunities. One spectacular touchdown came from Negro scatback Rollie Miles, who weaved through the Ottawa team from the Riders' 33. Mike King counted another on a fumble by Ottawa behind their own goal line.

The Hamilton-Saskatchewan tilt was livened by a last-ditch stand by Negro half Bernie Custis when Regina was leading 12-7 in the fourth quarter. He caught fire when the 10,000 Hamilton fans were ready to give the game up for lost by leaping high into the air, snaring a pass and running 10 yards for a major.

Then he came right back to set up another when Tommy Koller blazed over the goal-line after taking a pass from Custis who was halted a yard out.

Rangers Acquire Another Player

NEW YORK (CP)—New York Rangers, still trying to improve their National Hockey League prospects through trades, Monday acquired their seventh defenceman, Ivan Irwin, in a deal with Montreal Canadiens.

The Rangers sent two veteran forwards, Ed Slowinski and Pete Babando, to Montreal for Irwin, who played last season with the Canadiens' Victoria farm in the Western Hockey League.

Irwin, 26, has had four years of professional experience, the first three with the Cincinnati American Hockey League club.

British Cricket

LONDON (Reuters)—Worcestershire and Derbyshire built up impressive leads Monday in county cricket matches. Worcestershire rolled up a score of 399 for nine declared against Middlesex while Derbyshire declared at 290 for nine against Leicestershire.

Final scores Monday:

Australia 275. England 235 for seven. Fifth Test match.

Middlesex 155 and 33 for two, Worcestershire 399 for nine declared.

Derbyshire 290 for nine declared, Leicestershire 125 for six.

Nottinghamshire 233 and 127, Essex 178 and 58 for four.

Warwickshire 204 and 85 for four, Hampshire 163.

Somerset 139 and 150, Kent 231 and 79 for two. Kent won by eight wickets.

Yorkshire 323 for four vs Surrey (to bat). Rain curtailed play.

Glamorgan 229, Sussex 144 for three.

Canadian Tennis Singles Matches Played Wed.

OTTAWA (CP)—A marathon program of singles matches today had brought the two major competitions of the Canadian junior tennis championships — men's and women's singles—to their decisive stages after four days of play.

But the singles matches will have to await the sixth day of play Wednesday. Today was given over largely to second- and third-round doubles matches.

Several third-round matches were played off Monday in the women's singles division. On the men's side, four players got through the fourth round to the quarter-finals: D. Arnaud of Hempstead, N.Y., Jacques Paquette of Ottawa, J. McLean of Buffalo, N.Y., and Kalman Hettleman of Baltimore.

The play gave no indication that there is anyone capable of stopping Hettleman, top-seeded foreign player, in a march toward the vacant title. In the two matches which put him into the fourth round, he lost only three games. He then easily disposed of Dale Jackson of Moose Jaw, Sask., 6-0, 6-1 to move into the quarter-finals. Jackson was sixth-seeded among the Canadians.

Pierre Lambert of Victoriaville, Que., first-seeded Canadian, advanced to the fourth round with a 6-0, 6-1 win over Bill White of Calgary.

Hettleman meets Paquette, third seeded Canadian player, in a quarter-final match.

In all three women's singles classes—junior women, girls and juvenile girls—the name of 13-year-old Ann Barclay of Vancouver crept forward across the score sheets.

But the western miss, with perky face and the assurance of a duchess, still has to meet tough opposition in Phyllis Saganski of Hamtramck, Mich., holder of the juvenile girls' title, and 17-year-old Mariette Laframboise of Montreal. defending junior women's champion.

Miss Laframboise won two singles Monday and teamed with Eleanor Dodge, also of Montreal, for a doubles victory.

Miss Saganski, defending champion in the juvenile girls' singles, moved into the semi-final of that event when she crushed Dian Dodwell of Oshawa, Ont., 6-0, 6-0.

Marlene, Barbara Renew Rivalry

NEW YORK (CP) — Marlene Stewart and Barbara Romack renew their rivalry next week in the 53rd United States women's amateur golf championship at West Barrington, R.I.

Thus Miss Stewart, 19-year-old Fonthill, Ont., shotmaker who took the British Women's Open, again meets the girl who beat her Saturday in the Canadian Women's Open final at London, Ont.

The big field will include eight players (counting Marlene) who have accounted for 13 assorted national titles.

The United States Golf Association Monday listed 159 entries for the all-match play tournament at the Rhode Island Country Club, Aug. 24-29.

Since last year's tournament of upsets at Portland, Ore., the surprise winner, Mrs. Jackie Pung of Hawaii, has turned professional.

Britons Select Ryder Team

LONDON (AP)—Britain's Ryder Cup selectors mixed youth with golfing experience Monday in the 17-man team they picked to battle the Americans at Wentworth, just outside London, on Oct. 2 and 3.

Heading the experienced group is veteran Henry Cotton, grand old man of British golf and hero of many a hard-fought Ryder Cup battle

On the side of youth are Bernard Hunt and Peter Alliss who have been playing scintillating golf lately.

Hunt, 23 years old and six feet, four inches tall, last week won the Spalding stroke play tournament. To do it, he turned in one blistering nine in only 28 strokes to equal the record for British tournaments.

Alliss, 22, is the son of that old stylist Percy Alliss, who was on Britain's Ryder Cup team in 1933—the last time the trophy came this side of the Atlantic.

The others picked include: John Adams; Eric Brown, the new Irish champion; Harry Bradshaw; Fred Daly; Max Faulkner; Tom Haliburton; J. Hargraves; Sam King; Arthur Lees; John Panton; Dai Rees; Norman Sutton, C. H. Ward and Harry Weetman.

New Canadian Open Champ Says Marlene "Headed for Greatness"

Although she lost a heartbreaking final to California's Barbara Romack, the new Canadian Ladies' Open queen, Little Marlene Stewart, showed herself to be a champion in defeat as well as victory. At left, "Little Ben" graciously congratulates the American sharpshooter, who defeated Marlene for the crown, 2 and 1, in the 36-hole final at London, Ont. Although she trailed all the way, the Fonthill fighter gamely tried to stage her third comeback of the tournament. However, it was the beginning of the end on the 27th hole when, tied with Miss Romack, Marlene just missed her putt (as shown above), while the Californian dropped her long putt. Both girls showed the effects of the six-day grind — it was a nine-day one for Marlene, as she had to defend her Closed crown the previous week — and shot five over par 82's. Miss Romack, older and more experienced than the 19-year-old Canadian, had high praise for Marlene, who, she said, is "headed for greatness." — Central Press Canadian Photos.

Will Try Again To Break Record

VANCOUVER (CP) — Roderick Thurgood of Brantford, undaunted by a 400-foot plunge down a mountain gorge, said Monday he plans to make another attempt to break the small car record for the run between Ottawa and Vancouver.

A cross-country dash by Thurgood and Peter Haddon of Toronto ended abruptly last week when their small Morris car swerved off the Big Bend highway 60 miles north of Hope, B.C., and rolled down a steep mountain gorge. Thurgood suffered a broken jaw and facial lacerations. His companion escaped with a shaking up and slight scratches.

Thurgood, driving at the time of the mishap, said the accident was caused by fatigue. "The failure was a human one. There was nothing the matter with the car."

The 24-year-old chartered surveyor, a member of the Toronto Sports-Car Club, said he will try the trip again, probably next year.

RIDES FIVE WINNERS

EDMONTON (CP)—Bud Giacomelli, Vancouver jockey, booted home five winners in the seven races Monday in Edmonton's fall track meet. Giacomelli won in the first, third, fifth, sixth and seventh races. His mounts and prices were: Rilla Glaxton, $11.90; Hi Laude, $4.50; Marshall F., $2.90; Showman's Pet, $23.30; and Bar Hobby $6.10.

American Hockey League Opens Sat. Oct. 10

HERSHEY, Pa. (AP)—American Hockey League 1953-54 action will begin Saturday, Oct. 10 at Pittsburgh, Syracuse and Hershey.

The league's board of governors Monday adopted a 70-game schedule calling for each member to play the other 14 times, seven at home and seven away. The playoffs will follow final games on March 21, 1954.

With St. Louis dropping out for the coming season, the AHL will operate with six entries—Cleveland Pittsburgh, Buffalo, Syracuse, Hershey and Providence.

The opening night schedule has Cleveland at Pittsburgh, Buffalo at Syracuse and Providence at Hershey.

FIGHTS LAST NIGHT

By THE ASSOCIATED PRESS

..Brooklyn—Billy Peacock, 117½, Los Angeles, outpointed Henry (Pappy) Gault, 118, Spartanburg, S. C., 12 (for North American bantamweight championship).

..Salt Lake City—Nack Nelson, 184, Tooele, Utah, drew with Chuck Woodworth, 184, Provo, Utah, 10.

..South Gate, Calif.—Phil Kim, 143¼, Honolulu, stopped Baby Ike, 145, South Gate, 5.

Three Persons Escape Death

GALETTA, Ont., (CP) — Three persons escaped death near here Sunday when their car went out of control and plunged into the Mississippi river.

Occupants of the car were Gordon May, 21, of Ottawa, and Cecile Bond, 19, and her sister, Palma Bond, 21, both of Arnprior. None was injured. Galetta is 30 miles west of Ottawa.

The car landed about 25 feet from shore in five feet of water, with only the upper part of the two back windows above the surface.

Miss Palma Bond opened one of the rear windows of the car and climbed onto the roof. She assisted May, who is unable to swim, and her sister to follow her.

Harold Rathburn, 41, stripped off his pants and dived into the river to assist May.

When he put his pants back on he found his wallet, containing $22, had been stolen.

Panthers, Tigers Stage Close Race In Intercounty

By THE CANADIAN PRESS

Kitchener Panthers and Waterloo Tigers are still only half a game apart in the close race for the Senior Intercounty Baseball League lead, with the Panthers on top.

Kitchener nipped Oshawa Merchants 1-0 Monday night while Waterloo Tigers drubbed Galt Terriers 17-7. Guelph Maple Leafs, trailing 6-3 in the ninth inning, came from behind to hand Brantford Red Sox a 7-6 defeat.

The Kitchener game was a mound battle between lefthander Bill Allen and Oshawa's righthander Bill Hanrahan. Each hurled a three-hitter. Allen struck out six and Hanrahan five.

Hanrahan, however, hit two batsmen and that cost him the game. Allen was in trouble only once. Oshawa loaded the bases in the seventh when Fran Dyson doubled for the only extra base hit of the game and Allen walked Hanrahan and Jones to fill the sacks with two away. But he slipped over a third strike on Herman Mason to end the threat.

The visiting Waterloo team got five runs off two local hurlers and seven off Earl Hannell. Galt scored five homers, including one by Gerry Cline, who marked up his 12th of the season and ran the Galt side's season total to 56.

The Tigers slammed the three pitchers for 21 hits. In the fourth Bobby Fisher poled a three-run homer off Tex Sysmanski and Hank Biasatti hit for the circuit.

A two-run home run by Guelph's Eddie Napier tied the score with Brantford in the ninth. Three Sox errors allowed the Leafs to score a run in the 10th without a hit.

Johnny Clarke of Guelph, coming in to relieve Lew Fauth in the fourth, was the winner, while Frank Parker replaced George Copeland in the same inning and was the loser.

OLLYWOOD (AP) — Youthful watchers will be happy to know the Cisco Kid will be back he saddle by next month.

uncan Renaldo, who plays o, reported today he is making amazing recovery from the en neck which almost crippled for life. With a degree of timent, he attributes part of his ress to the prayers of thou- ds of his young fans.

enaldo was injured June 4 n a prop boulder rolled down ill and struck him. Two verte- in his neck were dislocated and ctured, the disc crushed and the al cord distended. "the doctor if the cord had been displaced millimetres more, it would e been disastrous," he re- ked.

s Neck Brace

he actor now is getting around a neck brace, and he said he be able to resume shooting Western Series by the middle next month.

"The doctor is amazed," he said. first he said I would be in tion six weeks and a brace eight months. I was in traction only three weeks and he pre- ts I will have recovered in three ths.

"It is the kids who have helped I have received over 17,000 rds from them, and nearly all ed with 'I will be praying for ' Many of them sent me crosses -Jewish mezuzahs. Ever since ot out of traction. I have been ing to answer every letter per- ally."

enaldo takes his temporary set- k philosophically. He is alter- tely amazed and happy at the w fame that TV has brought him. "I have been in Hollywood since 26," he remarked, "and I have d my ups and downs. In 1931, s tore the clothes off my back Washington when I was touring th 'Trader Horn.' Six months er, nobody cared if I was alive."

rprising Reaction

"I have had success three or ur times, but never have I own the amazing reaction that V has brought. It is something tirely new in the entertainment siness. When you enter people's uses every week, you become part of the family."

enaldo recognizes his obligation his young audience. At his re- est, the Cisco Kid series has ed down the violence in its

Forest Fire Rages

Women and children were moved out of danger along a specially-protected road while husbands and fathers remained behind to fight forest fires near the little northshore communities of Forestville and Ste. Therese de Colombier, 200 miles east of Quebec City. The blazing fire, fanned by a 25-mile-an-hour wind, has swept across 75 square miles of rich timberland since it began Aug. 7. This is an aerial view of the fire with the village of Forestville and airport in the background. — (CP Photo.)

CENTENARY

CENTENARY — Mr. and Mrs. Gilbert Sills and Master Stephen Steinberg spent Sunday at the cottage of Mr. and Mrs. Eldon Bonter, Crowe River.

Mr. and Mrs. R. S. Hart and Miss Grace Wright have returned from a motor trip to New Liskeard and Englehart in Northern Ontario.

Mrs. W. Slavin and Elizabeth have returned home after a pleasant three-week holiday with her parents in Saskatoon. Mr. Slavin and family motored to Malton Airport on Tuesday to meet them.

Mr. and Mrs. Ralph Sills, Halloway, called on Mr. and Mrs. Keith Sills, on Sunday.

Miss Dawn Woods spent the past week with her grandmother, Mrs. A. B. Woods, Belleville.

family and Mrs. Mac Nobes and Marilyn attended the Way reunion at Wellington Park on Wednesday.

Mr. and Mrs. A. Christopher and family spent the week-end with friends at Crysler, Ont.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS

Batting—Duke Snider, Brooklyn Dodgers, collected three of Brooklyn's seven hits in the Dodgers' 5-2, 11-inning victory over Pittsburgh, including a ninth-inning homer that tied the score.

Pitching—Bob Kuzava, New York Yankees, gave up 11 hits but scattered them so well he pitched shutout over Philadelphia A's 9-0.

Autumn Planting

Autumn-planting woody plants has been studied for two decades at the Experimental Station, Morden, Manitoba. Successes have been varied, says Superintendent W. R. Leslie, but soil and weather conditions along with the date of planting are vital factors.

In all cases of summer and autumn planting it is essential that the soil be moist to a depth of at least a foot. Under dry conditions generous watering must be employed after planting. A common error is to delay unduly the transplanting. The aim is to move the plants in sufficient time to permit a goodly growth of new roots before cool soil causes cessation of root development. Thus transplanting fruit bushes, lilacs, roses and other deciduous woody material is immensely more efficient the second week of September than when postponed until mid-October. The earlier moving allows new roots to anchor the plants before winter. Strip off any leaves adhering to the twigs.

It is helpful to study group habits. Many subjects have a lull in their summer growth. That is the appointed time to do the transplanting. With coniferous evergreens, the pause in growth comes in mid-August. Soon thereafter a very extensive meshwork of new roots grows. August is also the time to move Oriental poppies.

The tops of some plants dry off in summer. When the leaves brown and the bulbs and roots harden, transplanting is in order. Among such plants are tulips, grape hyacinths, scillas, bloodroot and ixiolirion. The tulip bulbs may be dug, slowly dried in flats, placed in a shaded shed, then replanted in September. September is also the favored time for planting grape hyacinths, squills, fritillarias and lilies. Lily-of-the-Valley are planted as clump divisions in early September.

Peonies are planted shortly after mid-September. The root divisions carry 3 to 5 eyes and are placed in mellow deep soil at a depth which gives two inches of earth cover over the tip of the crown bud.

Some suggested depths for setting lily bulbs are:—Candidum 2 inches: Pumilum, or tenuifolium, 4; Martagon 6; Superbum 6; Tigrinum 6 to 8; Amabile 6 to 8; Stenographer lilies (Grace Marshall, Muriel Conde, Brenda Watts, Coronation, etc.) 8; Centifolium 8; and Regal 8 to 12 inches.

Irvin, Vernon Lead Major League Hitters

NEW YORK (AP)—Ted Kluszewski, Cincinnati first baseman, is making 1953 his best year in six major league campaigns, with a good chance of winning the National League's batting and home run titles.

Kluszewski collected 13 hits in 34 trips last week and picked up four points to move into third place with a .331 average. He also drove out two homers and now trails Eddie Mathews, the leader, by only one, 37-36.

Monte Irvin of New York Giants continues to head the National League hitters with a .339 mark. Carl Furillo, Brooklyn outfielder, moved into the runner-up slot at .336, with a 10-for-22 performance last week. Roy Campanella of Brooklyn Dodgers has driven in most runs—111.

In the American League, Mickey Vernon maintains his No. 1 position with .331. But Minnie Minoso of Chicago White Sox has climbed to within two points of the Washington first sacker. Minoso gained seven points to .329, on 12 hits in 21 at bats. Records include Sunday's games.

Behind Vernon and Minoso in the American League comes Al Rosen, Cleveland, .320. Rosen leads in runs batted in with 101 and is tied with Philadelphia's Gus Zernial for the most home runs, 29 each.

Southpaw Eddie Lopat is the American League's top pitcher with 12 victories and only two setbacks and Milwaukee's Lew Burdette, has the National League's best won-lost record, 11-2.

FORMER MLA DIES

MONTREAL (CP)—Romeo Fortin, 68, former Liberal member of the Quebec legislative assembly for Chateauguay-Laprairie, died in hospital here during the week-end. Born at St. Remi de Napierville, Dr. Fortin was an MLA from 1940 to 1945.

Sport in Brief

BROOKLYN (AP)—Billy Peacock, 20-year-old former amateur, won the North American bantamweight boxing title Monday night by a 12-round split decision over Henry (Pappy) Gault of Spartanburg, S. C., at the Eastern Parkway Arena. Peacock weighed 117½ and Gault 118.

The slim, broad-shouldered Negro from Los Angeles, built up an early lead with his stiff right-hand punches to the body. Then he held off a closing surge by Gault, defending his championship for the fifth time.

There were no knockdowns although Gault slipped momentarily in the third round.

Referee Petey Scalzo, former featherweight champion, scored the fight for Peacock 7-4-1 and judge Art Aidala also found for Peacock 7-5. Judge Charley Shortell's ballot was for Gault 6-5-1.

Gault won the crown from Fernand Gagnon at Quebec Oct. 27, 1952.

FORT WAYNE, Ind. (AP)—Art Wall Jr., of Pocono Manor, Pa., chipped and putted a four-stroke lead over Dr. Cary Middlecoff of Memphis and held on for a 72-70 victory Monday in a playoff for the Fort Wayne golf open's top money. Wall's cheque for $2,400 was the first winner's prize he had picked up in two years on the pro circuit.

THEATRE FEATURE TIMES

AT THE BELLE—Walt Disney's "Peter Pan" — in Technicolor — 2.45; 7.45; 9.55.

Your Individual Horoscope

By FRANCES DRAKE

FOR WEDNESDAY, AUGUST 19, 1953.

March 21 to April 20 (Aries) — Find yourself working against time now? For goodness' sake don't become excited or disgruntled. If your day isn't rushed, don't become lax, which is also harmful. That old happy medium is best.

April 21 to May 20 (Taurus) — We suffer many inconveniences for sake of appearances, but often balk at other hardships we should endure for various wise purposes and eventualities. A perusal of habits and methods is in order.

May 21 to June 21 (Gemini) — You can often do more in shorter time than many, but it isn't always wise for it strains health, nerves, and even causes strain on associates and homefolk. Logic is urged today.

June 22 to July 23 (Cancer) — General advice is to be direct, accurate and not strained or distressed (whether you believe you have cause for the latter or not). Thoroughly honest endeavor will pay big dividends.

July 24 to August 22 (Leo) — Repeating and forgetting little details are the likely tempters to guard against now. Use your wit and wits to good purpose; smile that infectious smile, and pray as you go. You can do wonders.

August 23 to September 23 (Virgo)—There are a few meanies about, but look at them squarely and know them for the trouble-makers they are.

September 24 to October 23 (Libra)—Prepare for changes in Libra's logical way. Libra is a Zodiacal Sign that both foresees changes and understands them. Many Libran's have leaders in progress. Keep good humor in tact.

October 24 to November 22 (Scorpio)—Do the things you rightly must at "must" time; also arrange your day to include an interesting hobby upon which Scorpio often depends for incentive, reanimated ambition. Don't over-do.

November 23 to December 22 (Sagittarius)—The advances are not always radical, neither is the old always antiquated. We must determine carefully wherein there are most true benefits, worthwhile advantages. Be the wise judge.

December 23 to January 21 (Capricorn)—A well-rounded human being doesn't merely follow the crowd or emulate the majority. But he does maintain a sense of humor through hardships and he appreciates life's little gifts.

January 22 to February 20 (Aquarius)—A better day than you think, and better things await you for the faith you will have in your capable self. Be sure to evaluate properly and eliminate deadwood. Be sensible about diet.

February 21 to March 20 (Pisces)—Sort of day wherein a little persistence, modestly expressed of course, will get considerable credit in right places. New viewpoints can give a lift if you know what to do with those that are appropriate.

YOU BORN TODAY are vibrant, full of fun, ready for a good time anytime. You have wit, love to laugh with friends. This good-cheer-toward-life attitude can carry you far in the right direction. Add consistency in work, stick-to-itiveness and the will not to be upset at obstacles and you will attain wonderful goals. Don't permit pique or overindulgence in pleasures to undermine a disposition to sturdy effort. Pray often. Birthdate: Bernard Baruch, statesman; Orville Wright, pioneer in aviation.

Prisoners of War Exchange Enters Its Third Week

By WILLIAM J. WAUGH

PANMUNJOM (AP) — Seventy-five more Americans streamed back to freedom today as the Korean war prisoner exchange entered its third week.

Besides the Americans, the Reds turned back 75 British and 300 South Koreans, 50 more than the 400 daily the Reds originally promised.

Among the United States prisoners released today was Pte. Richard D. Drennan, whose mother, Lillian Drennan, lives in Kingsville, Ont.

Drennan, 21, was born and educated in Kingsville and moved to the U.S. to work shortly before enlisting in the U.S. Army. A member of the 23rd regiment, U.S. 2nd division, he had been a prisoner of the Reds more than two years.

As a member of the U.S. Army, Drennan would not be included among 14 Canadians the Communists have said they held. Three of the 14 were released prior to today's exchange.

Step Up Exchange

Again Wednesday, the Communists planned the step up deliveries. They said they would return 456 Allied captives—75 Americans, 75 British and 316 South Korean. It will be the largest single group returned.

In 14 days, the Reds have returned 1,105 of the 3,313 Americans they claim they held, and 570 of 921 Britons.

Two days of bad weather, the UN command reported, prevented shipment of Red prisoners from Koje Island to Panmunjom and will cut deliveries to 600 North Koreans Wednesday and none Thursday. The daily average had been about 2,400. The UN command said it hoped to resume regular schedule Friday or Saturday.

Today's liberated Americans and Britons came back smiling, but their gaunt bodies showed the effects of many months in North Korean stockades.

One repatriate, a prisoner for more than 25 months, wryly described the food.

Ate Like Pigs

"We ate like pigs," said Pte. Earl C. Barnard of Martinez, Calif. "I cringe when I think of it."

"They brought the food in wooden troughs. It was soupy sorghum and rice. Of course you had meat in your sorghum—worms in the sorghum, that is.

"At times there was enough for all of us. At times there wasn't."

Other liberated Americans again told of fellow prisoners being taken away by the Reds at about the time they were scheduled for repatriation.

BLAST AT TOBRUK

BENGASI, Libya (AP)—Reports from the Second World War stronghold of Tobruk said today that 50 people were killed there in an ammunition explosion. The blast occurred as workers were salvaging old ammunition stores.

Shah and Wife Fly to Rome From Baghdad

ROME. (AP)— The Shah and Queen of Iran flew here from Baghdad today, joining Italy's growing colony of exiled royalty.

The shah and his wife fled to Baghdad Sunday after Premier Mohammed Mossadegh's government thwarted a royal-backed attempt to unseat the aged Iran cabinet chief.

The departure of the ruler and his wife for Europe came as a surprise in Baghdad. They had been quoted as telling Iraq parliamentary leaders who visited them Monday that they would leave today for a two-day visit to Moslem holy shrines at Kerbal and Najaf in central Iraq.

On their unexpected arrival Sunday, the government had installed the couple in an official guest house and King Faisal had called on them.

Warning Given

The warm welcome extended the fugitive rulers brought a quick implied warning from neighboring Iran. Mossadegh's government in a note to Iraq said: "The Iraqui government is expected to take sufficient care to avoid any kind of unexpected political incident between two friendly and neighboring countries."

Though the shah has not abdicated, top Mossadegh supporters in Tehran have demanded that a regency be set up.

Iranian embassy officials coldshouldered the royal couple during their brief stay in Baghdad and refused the shah's request that they call on him.

Congress Hands One More Blow To Communists

OTTAWA (CP)—The Trades and Labor Congress Saturday handed one more blow to the dwindling minority of communists in Canadian union ranks.

The congress, concluding its annual convention, decided to launch a strong campaign to expose the activities of Reds in the labor movement and ensure that none will be allowed to attain influential jobs.

For the 580,000 member TLC, once riddled by communists, it was about the final wallop the Congress could administer. It started a house-cleaning of Reds a few years back, and there now is only a minor scattering left in office among Congress affiliates. None has been admitted as delegates to recent TLC conventions.

Motion Carried

The Congress convention move, voted by some 600 delegates, was to set up an educational drive to "expose the disruptive, subversive" activities of Reds in the labor movement. It was carried against a few no's.

The same resolution also called on the federal government to tighten precautions against sabotage by subversive elements in Canadian defence plants.

In another resolution touching on politics, the Congress Saturday reaffirmed its support of a strong United Nations organization.

Most of the other congress resolutions adopted on the last day of its six-day convention were restatements, brought up to date, of previous TLC policy.

Wants Universal Pensions

Dealing with social security, the congress called for universal pensions at 65 for men and at 60 for women, with payments of $65 a month. It also asked for a national health insurance plan and increased payments on mothers' allowances.

Increased federal aid to education was sought, particularly for primary and secondary schools.

The congress decided to press for legislation for a 30-hour week, and it also sought a minimum wage of 85 cents an hour across the country. On housing, it directed its executive to press for the encouragement of construction of multiple-tenant projects under the National Housing Act with the co-operation of municipalities.

NEW BUFFALO TV OUTLET

BUFFALO, N.Y. (AP)—WBUF-TV went on the air Monday night to become Buffalo's second operating television station. The ultra-high frequency station telecast its first successful test pattern earlier in the day, and then went on the air for two hours. WBUF-TV telecasts on UHF channel 17.

OPERATE ON SENATOR

EDMONTON (CP)—Senator W.A. Buchanan, publisher of the Lethbridge Herald, underwent an operation in University Hospital here Monday and physicians later termed his condition as "satisfactory." He entered hospital last week for observation and treatment of an undisclosed ailment.

Dairy Production In New Zealand Again a Record

AUCKLAND, N.Z. (CP) — New Zealand's dairy production for the season just ended was again a record.

Total butterfat processed by dairy factories was 471,256,000 pounds, an increase of 6½ per cent over the record set last season, and 16 per cent above the avreage for the last five seasons.

Production now has shown an unbroken increase for seven years, and total butterfat output each year now is about 100,000,000 pounds above that of the pre-war years.

The season just ended was favored with unusually good weather, but an important part of the increase is officially attributed to improved feeding and management techniques. Farmers are giving close attention to great advances in grassland research and animal husbandry achieved by farm scientists here.

Results of this work at the country's animal research institutes are attracting world-wide attention and visiting specialists say that in many branches of dairying technique New Zealand has established a lead.

Detailed results for the last season show there was a further increase in the average butterfat content of milk. Production per cow "at the pail" averaged 276 pounds of butterfat, an increase of 13 pounds or 5 per cent above the previous season's average.

B.C. Government News to be Put Out in Bulletin

VICTORIA (CP)—The provincial government will start publishing a news bulletin entitled "the B.C. government news," Premier W. A. C. Bennett said Monday.

The bulletin will be sent free of charge to any organization or individual who wishes to be placed on the mailing list. The first edition will be published later this month.

The usual system of handling press releases through the legislative press gallery will not be changed.

The premier said the bulleti will be a consolidation of seve departmental bulletins now circ lated and will include department hitherto without news bulletins o their own.

Is There A Difference In The Cost Of Insurance?

An agent who knows the Insurance business can often save you money by proper underwriting of the protection you want. For example, Liability Insurance on a motor boat of a certain size is already covered if you as insured have a Comprehensive Personal and Residence Liability policy but a separate Liability Policy could be purchased on the Motor unnecessarily.

RAWDON

t. Pleasant-Rawdon W.M.S. olds Interesting Auxiliary Meet

awdon — On Wednesday the ular meeting of Mount Pleas- -Rawdon Missionary Auxiliary s held at the church with seven mbers and eight girls in at- dance.

he president, Mrs. Burton rpe, opened the meeting and a poem on sharing entitled t Always Alone."

rs. Ross Hoard played quiet ic and all sang "Lord Speak Me."

he worship service, based on ntrodden Ways," was read m the July Missionary Month-

Meditation written by Horace pp on the theme, "To All Who plore New Paths," was read. s closed with the thought that ond the last campfire, man has th for friend, and beyond all dance the courage of God for de.

rs. Percy MacMullen told of work of one missionary for yer, Miss Henrietta Camp- l, who is stationed at Manning lage in Peace River Presby- y, Alberta.

y Villages

anning Village has new ets and new homes. Oil equip- t passes through every day to oil survey crews up north truck loads of grain go south the elevators at Grimshaw. s makes folks realize the po- ntialities of this northern ntry.

n winter the thermometer reg- ers 30 degrees below zero, so s Campbell remains in her y room in the nurses' residence ring the morning and prepares r work for the various services d school religious instruction. She travels 30 miles south to a sbyterian congregation at onyville, and helps with their vices. The three ministers of two protestant denominations Manning and at North Star and s Campbell have formed a nisterial association which ets monthly. They discuss rious topics and plan several mmunity services throughout the year.

The president read the report of the treasurer, Mrs. Ross Jeffs, and $67 was remitted to Presbyterial in June.

Templeton Mission

The community friendship calls were recorded. A letter from Presbyterial President Mrs. C. D. McMullen was read re "The Templeton Mission," which opens in Belleville September 27, and lasts 15 days. An article re this mission held last year in Winnipeg was read from "The United Church Observer." Instead of joining prayer groups, a motion was presented that each one offer a silent prayer at 2 p.m. every afternoon from now until October for the success of this venture.

The September meeting will be held at the home of Mrs. Frank Jeffs with Mrs. Ross Jeffs to prepare program and the Study Book on "Africa" will be completed.

Miss Ina Scott contributed a piano solo. Mrs. Ross Hoard, in her paper, said, "Stewardship is a matter of rightly dividing our income with God."

Mrs. Will Potts synopsized "The African Church." In spite of limited funds the church has grown rapidly and a church council has been set up which has general oversight of the life and work throughout the mission. The church is self-supporting and the training of leaders is one of the essentials of the missionary program. Such men as John T. Tucker, of Currie Institute; Ralph Collins, who served 20 years in general church work in Angola, have contributed a great amount of special help in the way of leadership.

Ordination Service

A special ordination service for Pastor Adolfo was described, also a school of training for deaconesses. Several interesting stories were given of the pastors' wives who help the natives glean a better understanding of the Bible.

The young people gather in Christian Education groups. A new church is being built at Chissamba Mission Station and the day the first sod was turned over 4,000 people attended the ceremony. There is great satisfaction for the missionaries to serve in a new and growing African community.

Mrs. Frank Jeffs read a poem on "Prayer" at the conclusion of the program.

Soldier Returns With Jap Bride

Second Canadian soldier to return to Quebec province with a Japanese war bride is Cpl. Joe Labrecque, Army Medical Corpsman, who returned to his home town of Ville Lasalle with his wife, Mikayo, and son, Donald. Cpl. Labrecque met his bride at Kure, Japan, where both were attached to a military hospital. On hand to greet him was his mother, Mrs. Clifford Labrecque, left.—Central Press Canadian.

JOHNSTOWN

JOHNSTOWN — Congratulations to Mr. and Mrs. Maitland Harder on the birth of a son, (Donald Dexter), on August 11.

Canada Is Seeking To Win India Seat At Korean Parley

Russia Wants Five Neutrals Seated at Conference Table

By H. L. Jones
Canadian Press Staff Writer

UNITED NATIONS, N.Y. (CP) Canada is playing a behind-the-scenes role in the current United Nations meeting which is struggling for agreement on the makeup of a political conference to decide the future of Korea.

The role is one Canada has played before; that of attempting to reconcile differences between Britain and the United States. The issue this time is India's participation in any political settlement in Korea.

Britain wants India, as a major Asian power that undoubtedly has lines into the Communist camp, to take part in the parley that must be held by late October, 90 days after the signing of the Korean armistice.

The U.S., on the other hand, wants the conference confined to those countries which bore arms in Korea. India had a medical unit but no armed forces on the war-devastated peninsula.

Seek To Alter U.S. Views

Highly - placed informants disclosed today that Canada has been pressing the U.S. to forego her opposition to Indian participation. The Canadian delegation, headed by Health Minister Paul Martin, has been arguing, with the backing of Britain and other Commonwealth nations, that India has a part to play in such a vital meeting, one that could pave the way perhaps for future discussions of other Far Eastern problems such as Indo-China.

So far the U.S. has not budged from its position and one informant said it was unlikely it would. The U.S., as chief delegate Henry Cabot Lodge, Jr., told the UN political committee Tuesday, feels that if non-combatant India were allowed to attend, other non-combatants could rightfully demand a place and the line would be difficult to draw.

The Indians themselves have been non-committal about whether they would go to the conference if the majority of the UN voted their participation but the U.S. voted against them or abstained.

Martin To Speak

Martin is scheduled to speak for Canada today in the political committee and observers expect him to put a strong case for India's attendance.

Andrei Vishinsky, the chief Russian delegate, also is expected to take the floor today. He is expected to deal with resolutions before the committee calling for conference participation by Russia and India and for U.S. "power of attorney" to act on behalf of UN in setting up the conference once its participants have been decided.

The Russian delegate also probably will deal with a resolution of his own which he added to the committee agenda Tuesday. It calls for conference participation by the U.S., Britain, France, Red China, North Korea and South Korea, the Soviet Union, India, Poland, Sweden and Burma. The last five did not fight in Korea.

Try To Exclude RoK

The Russian resolution also proposes that decisions of the political conference be considered adopted "if they have the consent of the parties which have signed the armistice agreement."

This is seen by Western delegates as a move to shut South Korea off from any major voice in the political settlement, since the South Koreans did not sign the armistice.

The Soviet move is expected to be met by stiff Western opposition.

THE WEATHER

TORONTO, (CP) — Synopsis: Continuing pleasant sunny weather is forecast for Ontario. A high pressure area is slowly drifting eastward across the province. Cool nights are prevailing with temperatures lowering to the low 50s in southern regions and near 40 in the north country. Frost was reported at White River with the temperature dropping to 32 early Wednesday morning. Afternoon temperatures will range from 75 to across the province.

Churchill Able To Attend Meet British Cabinet

LONDON (Reuters)—Sir Winston Churchill, jaws clamped on his usual cigar, left London today for his country home in Kent after a foreign affairs conference with his cabinet here.

The prime minister, accompanied by Lady Churchill, smilingly acknowledged the cheers of a crowd gathered in front of 10 Downing street. He looked pale and leaned on a stick, but jauntily doffed his hat.

He came to Downing street Tuesday to preside at the unexpected two-hour cabinet meeting.

It was the first time he had attended a cabinet meeting since late June, when doctors ordered him to rest from overwork.

As his car drove off, Churchill could be seen petting his chocolate-colored poodle, Rufus, who occupied his usual place beside the prime minister.

Cpl. Pelletier Given Surprise Welcome Home

CHATHAM, Ont. (CP)—Corporal James Pelletier arrived home Tuesday to be given a surprise welcome by his family and by the city and legionaires from both branches 431 and 28. His mother and father, Mr. and Mrs. Eugene Pelletier, in-laws and friends were all on hand to grab the soldier by the shoulders and welcome him back home.

He was escorted through the city in a bright yellow convertible car with Aldermen Stan Thompson and Joseph Day.

Crowds applauded the return of Cpl Pelletier, one of the first Canadian prisoners of war freed under terms of the Korean truce.

His wife, two daughters, two sisters and a brother, met him earlier in the day in Toronto and drove to Chatham with him.

Burnt-Over Forest Depressing Sight Newsman Writes From Que. Town

By BERNARD DUFRESNE
Canadian Press Staff Writer

FORESTVILLE, Que. (CP)—A burnt-over forest, still showing signs of smouldering, is a grim sight. Depressing too.

I saw only about three miles of the devastation caused by a forest fire which has engulfed 165 square miles of timberland north of here.

The section was the northeastern point of the blaze, six miles from Forestville. A crew of 100 men was trying to build a firebreak around the wedge.

The thick smoke overhead Tuesday night had an eerie, grayish-pink color in the setting sun—almost obscured.

There were no flames to be seen, but at a dozen odd places on the looming mountainsides, white smoke rose slowly. Wherever smoke was thick, men poured water, pumped from nearby Lac Fournier and small streams in the area.

Naked and dark tree trunks were everywhere. Some trees still bore the three or four green branches which somehow escaped destruction by the fire, now in its fifth day.

Everywhere, too, were fallen, petrified tree trunks. Trees had fallen across the road, but offered no resistance to the wheels of our half-ton truck.

Along the road and creeks, small bushes, untouched by the blaze, stood as if in promise that some day trees will grow again in the area.

But that will be many years from now. The top-soil has been destroyed and is almost lifeless. Huge rocks show dreary, gray and black surfaces.

My companion, Maurice Vezina, assistant-manager of the Laurentian Protective Association, said: "It will take perhaps 50 to 60 years before trees can grow here again."

Vezina said the firefighter's hardest job has not yet started despite 11 days of determined efforts to bring the fire under control.

"Once its stopped, it will be our job to have a constant surveillance over the area to watch for and extinguish any sign of fire that might start anew in the burnt-over timberland.

"Crews equipped with radio sets will be stationed around the circumference of the burnt area, watching for signs of new smoke reported to them by daily aerial inspections.

"That will be our job until the snow comes."

All along the road cutting through the timberland were dozens of signs warning against carelessness on the part of forest travellers and workers who smoke—the cause of most forest fires.

UN GIVES LIE TO RED CHARGES OF BRUTALITY

Condition of Captives Proves Charges False

By WILLIAM J. WAUGH

PANMUNJOM (AP)—The UN command today bluntly denied Communist charges that prisoners have been brutally treated. It told the Reds the physical condition of repatriated PoW proved the accusation was a "distortion of the truth."

The denial was made at a meeting of the PoW repatriation commission and answered Communist charges levelled last Friday.

Another 75 Americans were liberated here Wednesday while two ships prepared to sail for home with men freed earlier by the Reds.

UN members of the commission were reported planning to hand the Reds a strong note again demanding return of all Allied prisoners, but Col. L. C. Friedersdorff, chief Allied delegate, made no mention of it in talking with reporters after the session. There were strong indications the UN command did not deliver the note, which authoritative spokesmen said earlier would be "hot."

Charged Atrocities

Friedersdorff said the Red accusations of brutality were "intended to discredit the UN command." The Reds had charged the Allies with a multitude of inhumane acts—from using toxic gas to food poisoning.

Friedersdorff also took a slap at Communist Red Cross workers, who allegedly have been acting as propaganda agents for the Reds.

In Seoul, RoK President Syngman Rhee urged South Korean repatriates to "join us all when we drive north in later days."

Large Group Returns

The largest group of Allied soldiers yet turned back in one day —456—rode into Panmunjom today in open trucks.

And 130 Americans liberated earlier anxiously awaited the journey home aboard the hospital ship Haven, scheduled to leave Inchon harbor for Japan Thursday. Only sick and wounded are aboard.

(Continued on Page 14.)

HEADS LABOR BOARD

OTTAWA (CP)—C. Rhodes Smith 57, chairman of the restrictive trades practices commission, has been appointed chairman of the Canada labor relations board, the labor department announced Monday. Mr. Smith, a former Manitoba minister of labor, succeeds Chief Justice G. B. O'Connor of Alberta.

U.S. Reserves Right to Say How Chiang Uses Arms Aid

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The U.S. is supplying substantial modern military equipment to Chinese Nationalist forces on Formosa, but has reserved for itself a powerful voice over any possible major operations by them against Red China.

Officials who reported this said the U.S. government is especially concerned about the possibility of attacks on the Communist mainland which could be expected to provoke Red retaliation and thereby involve the U.S. 7th Fleet.

Information available here indicated that an agreement with the government of Chiang Kai-shek to assure the U.S. a voice in major strategic decisions did not affect the kind of harassing operations which Chiang's forces have long been carrying on against Communist units on islands near the mainland.

Could Veto Operations

Under some conditions, it was clear that the U.S. right to share in decisions on operations could give this country a virtual veto. Such a veto presumably would be exercised on projected Nationalist military operations which would involve American forces to a degree inconsistent with American interests.

Officials declined, however, to say that a right of veto was provided in the agreement.

The arrangement between Taipeh and Washington apparently grows out of President Eisenhower's action last Feb. 2 in revoking an order to the 7th fleet to prevent Chinese Nationalist attacks on the mainland.

Subsequently, officials said Tuesday night, the U.S. stepped up its program of military aid to the Nationalists on Formosa.

Planes Probably Included

The equipment which they have been receiving is increasing not only their defensive strength but also their ability to strike at the Chinese Communists. It presumably includes aircraft capable of bombing mainland military installations.

Chiang Kai-shek has a substantial force on the island measured in terms of manpower, but his navy is small, and his air force is limited.

When the stepped-up equipment program was undertaken several months ago, the U.S. faced the possibility that it might raise Chiang's strength to the point where he would be able to launch an invasion of the Red mainland or strong air strikes against Red cities.

Ties Up Forces

Putting the Communists on the defensive and possibly causing them to tie up forces in the area opposite Formosa fitted in with American plans.

However, as the Nationalist forces became stronger, they might undertake a big operation which would involve the U.S. fleet in military action with Chinese Communist forces. That, in turn, could have an incalculable effect on the whole international situation.

As result of such considerations, informants said, the United States got an agreement with the Nationalist government that it would be informed and consulted well in advance of any such operation and that it would have a voice in the decision.

Laniel's Regime May Fall As French Strike Still On

PARIS (AP)—France's most serious postwar strike entered its second week today with 1,000,000 workers still out, railroads and communications still paralyzed and Premier Joseph Laniel's government tottering.

Negotiations between the government and non-Communist unions broke down Monday; there was no prospect of a resumption in sight.

Socialist party leader Guy Mollet told Laniel that any savings he might realize through his touted government financial reforms—which touched off the walkouts—already have been surpassed by the huge losses to the French economy from the strike.

Nobody contradicted Mollet.

Laniel May Be Ousted

Parliament probably will be called to a special session next week. Laniel may be thrown out of office.

These still were the main strike areas:

1. The railroads—only a handful of trains operating, industry and trade hard hit, and hundreds of thousands of Frenchmen unable to travel.

2. Post offices and telephone exchanges—millions of letters piled up, many businesses slowed to a standstill, Frenchmen reduced to putting personal notices in newspapers to communicate with their stranded families.

3. Coal mines, building and textile trades, some metal working factories, the Paris subway and bus system, and street cleaning services.

Garbage Piles Up

Garbage continued to pile up in many cities.

Frenchmen were taking the situation calmly.

They clambered resignedly into army trucks to get around Paris in the absence of buses and subway trains. On the Riviera, vacationists packed up and went into Italy. In southwest France, they crossed into Spain.

Margaret Aitken New PC Member For York Humber

TORONTO (CP)—Margaret Aitken, Toronto newspaper columnist running as a Progressive Conservative, was elected to the House of Commons for York Humber, returning officer Charles Ring announced after the official count Tuesday.

Mr. Ring said the count gave Miss Aitken 11,175 votes against 11,097 for Liberal Ken Thompson who was reported to have taken the riding by a close margin after the Aug. 10 general election.

There was no immediate indication that a recount will be asked. Mr. Thompson is vacationing in the Timiskaming area.

Miss Aitken's election gives the Conservatives 51 seats in the 265-seat house. The Liberals have 170 seats, CCF 23, Social Credit 15 and independents six.

Miss Aitken is the fourth woman elected to the Commons in the election. The others are Ellen Fairclough, PC for Hamilton West, Ann Shipley, a Liberal, for Timiskaming and Sybil Bennett, PC, for Halton.

The unofficial count on election night gave Mr. Thompson a 36-vote margin over Miss Aitken. Mrs. Jane Prosser, the CCF candidate, lost by a big margin.

SEAL MONEY, BURN IT

MILES CITY, Mont. (AP)—Two boys admitted stealing $1,000 in bills from a Canadian couple, then burning the money because they were afraid to spend it. Sheriff Charles Allen said Tuesday the boys, 12 and 13, told him they took a purse containing $100 bills from a Canadian car.

The money belonged to Mr. and Mrs. A. H. Prest of Winnipeg.

Conklin's Midway.

QUEBEC FIRE REPORTED SET FOR REVENGE

Report Arrest Likely In Forestville Blaze

FORESTVILLE, Que. (CP)—Arrest of a man who "deliberately" set a forest fire near Ste. Therese du Colombier to get personal revenge under cover of one of Quebec's biggest forest fires may be made today.

Provincial police investigators were scheduled to arrive later today in this lumbering town 200 miles east of Quebec, battling a fire that has already destroyed 175 square miles of forest.

Little information was available but P. W. MacKay, manager of the Laurentian Forest Protective Association in Quebec, said:

"We have pretty good evidence in this case."

He confirmed that provincial police are going to Forestville to investigate. He declined to elaborate.

Residents of nearby villages breathed easier today as the uncontrolled fire slowed its sweeping advance across mountainous timberlands.

The two villages, Ste. Therese du Colombier and Canton Latour, are directly in the path of the arrow-shaped blaze moving in a south-easterly direction toward this lumber region, about 200 miles east of Quebec City.

During the welcomed lull, scores of firefighters hacked and bulldozed fire-breaks in the path of the blaze in case an increase or change in direction in the wind should produce a new threat to surrounding communities.

The fringes of the fire now are about six miles north of here and 10 miles west of Ste. Therese.

Minor Fires Contained

Two minor fires were spotted near Ste. Therese Monday night and burned over about one square mile of land before being contained in that area. An increase in wind velocity could have sent the fire rushing into the village.

Carelessness Blamed

The main fire which started 48 miles north of here has been blamed on "carelessness on the part of blueberry pickers."

(Continued on Page 14.)

Hunter Kills Four Bears With Five Shots

BEARDMORE, Ont. (CP)—Dave Gordon killed four bears with five shots early Tuesday.

The 40-year-old paper company worker was awakened by something banging his garbage can.

On his front lawn, he saw four bears—a 250-pound mother bear and her three cubs. He ran for his gun and fired five times. The bears rolled over dead.

Then, in case anyone in this town 125 miles northeast of Port Arthur doubted his story, Gordon arranged the bodies of the bears in a row in his front yard.

Policeman Finds His Itchy Scalp Caused by Snake in His Helmet

PORTHLEVEN, Eng. (Reuters) Police constable Frank Sandercock took off his helmet—one of those typically-English coal scuttle types —and laid it on a roadside hedge as he pumped up a punctured bicycle tire near here Tuesday.

He put it back on his head when he finished fixing the flat, remounted his bike and started a 2½-mile ride to this little Cornish fishing village. As he rode, he became aware of an irritation on top of his head.

When he entered the village 15 minutes later, the irritation had developed into an itch. So he lifted his helmet and scratched his head.

That didn't help and the itch became itchier as he directed traffic in Porthleven's cobbled main street.

Annoyed, Sandercock took off his helmet again, determined to find the bee or whatever it was in his bonnet.

What he found was a 15-inch adder, England's only poisonous snake, cosily coiled up in the crown of the hat.

The cop hastily dumped the reptile into the road and a passer-by killed it.

"It sure is lucky I've got a good crop of hair," said Sandercock as he mopped his brow.

An adder bite seldom proves fatal to an adult but can bring painful illness.

Pitched Battles Flare in Streets Of Iran's Capital

Aged Premier Makes Escape As Army and Police Revolt

TEHRAN, Iran, (AP) — A royalist uprising in Premier Mohammed Mossadegh's army and police flared in Tehran today with pitched battles in the centre of the city. The first determined efforts of police and troops loyal to Shah Mohammed Reza Pahlevi to capture the central police headquarters was beaten off by a hail of shots.

Tehran radio broadcasts received in London said the shah's supporters had overthrown Mossadegh and sent him fleeing for his life and that mobs had "torn to pieces" his foreign minister, Houssein Fatemi. The broadcast called upon the shah, who is in Rome, to return.

(The Tehran broadcast was at 12:28 p. m. (8:28 a. m. EDT). This dispatch from Tehran was filed at 1:10 p. m. Tehran time (6:10 a. m. EDT).)

Hundreds of shots were fired over the heads of demonstrating mobs in Sepah square.

Pro-shah mobs burned at least eight buildings in the centre of the city before the demonstrations crystallized into armed attacks by loyalist police and troops on key positions, such as the foreign ministry.

Fled On Sunday

Iran's handsome ruler, Shah Mohammed Reza Pahlevi, fled from the country with his beautiful queen, Soraya, last Sunday when Mossadegh's forces crushed an attempt to oust the old premier and install the shah's choice—a pro-Western general, Fazollah Zahedi. The shah and queen arrived in Rome Tuesday.

The report from Tehran today said Zahedi had been installed as premier.

Mossadegh rode to power in April 1951 on his strong nationalist demands for government seizure of the vast 30,000,000-ton-a-year oil industry from Britain, which had controlled the country's life blood for half a century. His refusal to compromise in his program for nationalizing the $1,500,000,000 Anglo-Iranian Oil Company shut off the flow of oil to the West and caused a bitter break in diplomatic relations between Iran and Britain.

The man who read the invitation for the shah to return home said over the Tehran radio:

"At this time the people have been able to capture the capital. We are eagerly waiting for your return."

Shouting Heard

Before this, the first announcement of the royalist overthrow of Mossadegh followed much confused shouting in the radio station, according to monitors in London. Apparently the dispute was about who would have the honor of reading the announcement.

Mossadegh has kept a vice-like grip on Iran for more than two years. He has repeatedly crushed opposition to his regime, whether it has come from parliamentary rivals, religious leaders or the palace.

Only once did he give up the premiership. That was when Ahmed Qavam took over the government. But Qavam lasted only three days before rioting supporters of Mossadegh swept him out of office.

The latest revolutionary bid may yet turn out to be shortlived because the nationalist-minded Mossadegh still commands tremendous support in the bazaars and in the slums of Iran's sprawling, teeming cities.

Royalists Seize Offices

The first radio report heard in London said royalists controlled the radio station and all government offices.

The radio announcer said, according to monitors here, that the insurrection has been carried out with the aid of the armed forces.

Iran's young ruler, Shah Mohammed Reza Pahlevi, fled the country with his queen last Sunday after a coup by imperial guards of his palace failed—for the moment at least—to unseat the wily 76-year-old premier. The shah and Queen Soraya arrived Tuesday in Rome, where the young ruler said he hoped soon to return to Iran as king.

Earlier reports from Tehran said there were violent demonstrations in the streets of the capital. But the reports indicated at the time that the demonstrators were Mossadegh's own supporters, backed by Communists.

Battled For Months

The reported insurrection came after months-long battling for power between the aged Mossadegh and the palace.

The shah told reporters in Rome today he had fled his homeland because "I wanted to avoid bloodshed. I did not want the people to suffer for me."

The shah claimed "99 per cent of the Iranian population is behind me . . . anyone not a Communist is faithful to me and the monarchy."

As the shah left Iran, an army strong man, Gen. Fazollah Zahedi, issued a statement from a mountain hideout that the monarch had named him premier in place of Mossadegh.

Mossadegh's bitter quarrel with the shah reached a climax last week when the young monarch was reported to have refused to dissolve the Majlis (parliament) after Mossadegh conducted a national plebiscite to win popular authority for dissolution.

London monitors said the insurrection announcement followed confusion in the radio station, with shouts and yells clearly audible over the microphone.

Then a man introducing himself as Colonel Pahlavon read this communique:

"The government of Mossadegh has been defeated.

"I am one of the soldiers and one of the devotees of this country. A number of traitors like Fatemi (foreign minister) want to sell out the country to the foreigners.

"The Iranian royalists have defeated the demagogue government through which Hussein Fatemi was ruling.

"The Persian nation's officers, army and the police have taken the situation in their hands. Premier Zahedi will assume his post. There is no place for anxiety. Keep calm."

COMING EVENTS

TRAVEL THIS WINTER THE INEXPENSIVE way. Watch for Kiwanis Club announcement, this paper, Tuesday, August 25th. A19-5t

ALL MEMBERS OF THE A.N. & A.F. Veterans in Canada, Unit 201, Belleville, Ont., are requested to attend the annual Decoration Day Service to be held on Sunday, August 23rd, at the Cemetery. 2.30 p.m. Parade will leave the Armouries at 2.00 p.m. Public is cordially invited. Anyone wishing to donate flowers please phone 1814. A17-6t

YOU ARE INVITED TO A HOUSEwarming at Barrett's. Stop in and see our 1953 selections of Duo-Therm Oil Home Heaters. They're Canada's most popular. The F. M. Barrett Co., 101 Cannifton Rd. Phone 4855. A15-tf

SOCIAL EVENING EVERY WEDNESday, Orange Hall, Church Street, 8.30 p.m. Sponsored by Juvenile Orange Lodge. Large prizes. Jackpot. Admission 25c. Everyone welcome. J6-stu-w-tf

WOMEN OF THE MOOSE SOCIAL evening tonight at the Moose Hall, Victoria Ave., 8.30 p.m. Usual prizes. Admission 25c. Proceeds for charity. J14-ew-tf

City and District News

CUSHIONS OF PARKED CAR CATCH FIRE

The city fire department's truck stationed at the fair grounds had its first run Tuesday night when the cushions of a parked car were found ablaze. A cigarette butt was blamed for the fire, which was put out promptly.

Firemen also had a run to Ashley Street where wiring underneath the floor short circuited. No damage was reported.

VIC MORRIS SHOWS ANGLERS HOW TO CATCH MUSKIES

Hopeful fishermen angling in the Moira River near O'Brien's bridge are occasionally rewarded by hooking a big muskie, but there is one local angler who has more than ordinary luck in catching the big ones.

He is Vic Morris of Station street who has been catching muskies in the Moira for more years than he cares to admit. Already this year Vic has hooked three lunge in his favorite fishing grounds. Two of the muskies weighed in the neighborhood of 15 pounds, while one caught a few nights ago tipped the scales at 23 pounds.

TOMMY PEDDER WILL ENTER C.N.E. SWIM

Tommy Pedder, well known young Belleville swimmer, will be a local entrant in the CNE swim this year and for the past several weeks has been training faithfully for the long grind.

Each evening sees the young swimmer hard at work over a special course upstream from the dam at Cannifton and on Sunday will attempt to swim from the government dock at Belleville to Trenton and return. Rumor has it that Tommy has aspirations toward an attempt to swim the English Channel next year.

Obituary

CATHERINE H. C. FOX

After several months of failing health the death occurred on Wednesday, August 12, of Miss Catherine H. C. Fox, at the home of her sister, Mrs. Claude Wannamaker, R. 1 Prince Edward county.

She was the eldest daughter of the late Mr. and Mrs. Charles Fox, formerly of Frontenac county.

She was a graduate of Queen's University and also of Toronto Bible College and was a member of the United Church.

The funeral was held from the home of her nephew, Douglas Wannamaker, with Rev. E. Cook as the officiating minister, with interment at Carrying Place Cemetery.

Left to mourn are two brothers, Rev. C. A. Fox, North Chili, N.Y., and Walton M. Fox, Swift Current, Saskatchewan, and a sister, Mrs. Claude Wannamaker, with whom she resided.

TOURIST TRADE

YORKTON, Sask. (CP) — Indian children are making money off the red Prairie lily, Saskatchewan's flower emblem. They stand along the roadsides and sell the flowers for a few pennies to passing tourists."

LEAVES NO DOUBT

REGINA (CP)—Saskatchewan's grain elevators have white painted arrows to indicate the slope of rails for moving freight cars. At Belle Plain between here and Moose Jaw someone went farther by painting under the arrows the word: "Thataway."

Alfred Gooding of Hilton, Mrs. D. Petty of Warkworth Winners of Junior Program

Junior Farmers from four counties in the Bay of Quinte district took over at Belleville Fair Tuesday as 77 girls and close to 60 boys took part in a special junior day program.

Homemaking club girls and Junior Institute members demonstrated projects and displayed club exhibits, while the boys engaged in a livestock judging competition and took part in an agricultural quiz and educational exhibition tour and quiz.

It was a full day for the Juniors with registration getting underway at 8:30 in the morning to allow ample time for the day's activities. The Juniors attended a complimentary banquet at Holloway St. United Church in the evening and later were guests of the fair board for the evening grandstand performance.

Douglas Harry Top Scorer

Top point getter in the boys' section was Douglas Harry of Trenton, winner of two years ago. Doug. scored a total of 906 points and was closely followed by Alfred Gooding of Hilton with 903 points. As a repeat winner Doug. was not eligible for the Northern Electric mantel radio given as a special prize and this went to Gooding.

Mrs. Dorothy Petty, Warkworth, in Northumberland county, received the Northern Electric special as the girl club member with the outstanding record of achievement.

The Bank of Montreal special, a silver tray, went to Alfred Gannon of Picton for the highest score in the livestock judging competition for boys. Competing in the Junior section Alfred made a total of 210 out of 250 points.

Winners received their awards during the evening performance in front of the grandstand.

Final on Thursday

Other Junior Farmer attractions at the fair included a square dancing competition entered into by two teams from Thurlow township, one from Hungerford and a Peterborough county team. The final is scheduled fr Thursday night between Peterborough and Thurlow.

Junior exhibits at the fair included a 4-H club hay exhibit and posters on mastitis control. A tractor driving contest was also scheduled for Thursday night bement day show for the Belleville Calf Club.

Girls' events at the fair were in charge of Miss Jean Noble, home economics instructor for Northumberland county, while boys' events were staged under A. O. Dalrymple, Hastings county agricultural representative, assisted by district representatives.

Standings

Standing in the senior boys' events were Douglas Harry, Trenton 7, 906; Alfred Gooding, Hilton, 903; Jack Dorland, Hilton, 864; and George Beer, Belleville 6, 790.

Junior —winners were Robert Burkitt, Frankford, 863; Alfred Gannon, Picton, 859; Garry Guernsey, Picton, 826; Leslie Jones, Demorestville, 823; Hugh Fox, Wooler 822; John Barber, Belleville 7, 818; William Leeming, Belleville 6, 817; Ross Foster, Boomfield, 800; Robert Williams, Picton, 798; William Pettingill, Hillier, 796; Ken Wright, Hillier, 789; Robert Bush, Glen Miller and Lyal Leavens, Corbyville, tie 776; Allan Vanclief, Ameliasburg, 768.

Tony Beauchamp, Grafton, 755; John Barry, Colbourne, 752; Edgar Brown, Hastings, 748; Carroll Mallory, Cobourg, 747; Laverne Moore, Springbrook, 745; Joan Shepherd, Colbourne, 744; Robert Mallory, Trenton, 739; Bill Dunk, Brighton, 730; Lillian Maracle, Shannonville, 729; William Campbell, 725; and Jack Vermilyea, Belleville, 725.

Awards Made

The Chapman and Wallbridge clubs in Hastings along with the Seymour West Club in Northumberland, were in the first prize group for inter-club girls' home garden exhibits. In the second prize group were Bloomfield, Cooper-Remington, Grafton and Yarker-Colebrook club. The Stirling club came in for a third group award.

The Mountain View club of Prince Edward County won the first group award for inter-club exhibits; second group awards were won by the Chapman and Stirling clubs from Hastings; Seymour West in Northumberland, and the Bloomfield club in Prince Edward. Third group awards were won by the Cooper-Remington club and Wallbridge, Plainfield and Seymour West.

First group awards for inter-club demonstrations were won by Chapman and Bloomfield; second group award by Plainfield, and third group awards by Wallbridge, Seymour East and Wicklow-Vernonville.

Individual first group awards for girls attaining 80 per cent who attended 75 per cent of club meetings and completed four homemaking club units were won by the following:

Hastings County: Barbara Blakely, Tweed; Lois Cooke, Stirling; Donna Carlisle, Stirling; Jean Frost, Belleville; Helen Jenkins, Halloway; Frances Kerr, Plainfield; Marilyn Parks, Cooper; Constance Sills, Halloway; Mona Swan, Corbyville; Frances Tucker, Belleville; Mardelle Wheeler, Tweed; Mrs. Irene Wellman, Halloway and Eleanor Wright, Halloway.

Northumberland County: Lauraine Bright, Campbellford; Mary Dorlan, Hilton; Ann Hunan, Grafton; Lois McCullock, Campbellford; Mrs. Dorothy Petty, Warkworth; Rosemary Prentice, Grafton, and Marilyn Rutherford, Campbellford.

Prince Edward County—

Marilyn Barber, Belleville 2; Mary Lou Black, Picton; Carley Cleave, Bloomfield, Margaret Corfield, Belleville, 1; Joyce Dick, Bloomfield; Nancy Gorsline of Demorestville; Mrs. Pearl McGeown, Belleville, 7; Barbara Redner, Carrying Place, Joan Rosborough, and Truda Rosborough, Demorestville and Joan Wood, Ameliasburg.

Prince Edward County—

Molly Howell, Demorestville; Fay Leavitt, Bloomfield, and Joan Longwell, Demorestville.

Turnstiles Click Merry Tune As Fair Attendance Soars

Attendance figures at Belleville Fair soared upwards Tuesday as the turnstiles clicked a merry tune throughout the afternoon and evening.

The evening grandstand show was particularly well attended with the new 2,500 seat grandstand being almost completely filled for the Gus Sun Television Stars of 1953 show featured afternoon and evening.

Tuesday was Junior Farmers Day at the fair with close to 150 boys and girls taking part in judging competitions and other junior events. Competition winners were presented with special prizes on the grandstand as a prelude to the grandstand show.

Tuesday night also saw the second round of the semi-finals in the Junior Farmer square dance competition. In last night's competition a second group of dancers from Thurlow township won a close but unanimous decision over the Hungerford township team. Last night's winners will compete with Peterboro county dancers in the final to be staged Thursday night. Peterborough won their semi-final round against No. 1 Thurlow township group Monday night.

McAuley Family Recalls History At Reunion

TRENTON. (Special.)—It was over 100 years ago that Patrick Lawrence McAuley came out from Ireland to settle on a farm near here in Brighton township.

Since then the family has increased and branched out into many parts of Canada and the United States. The old homestead however is still in the family name and stands as a monument to three generations of people who have found strength in unity and harmony.

Last week-end 21 members of the McAuley family gathered at the residence of Mrs. Mary McAuley, Dundas Street, Trenton, for a family reunion which lasted two days. They enjoyed themselves talking about the early days.

On Sunday evening they sat down to a grand spread of turkey with all the trimmings. After the meal Monsignor McAuley of Lindsay, recalled the history of the family punctuating his remarks with words about humorous happenings in the days when he was a boy. The occasion marked the first time in seven years that the family had convened to renew acquaintances. Fred Young of Young's Point, proposed the toast at the banquet.

Members of the McAuley family present for the reunion were —Msgr. McAuley, of Lindsay; Mrs. A. L. Sweeney, Toronto; Miss Katherine McAuley and Mr. and Mrs. Clelland, of Rochester; Mrs. Frank McAuley, of Las Vegas, Nevada; Mr. and Mrs. Charles Young and Mr. Fred Young, Young's Point; Dr. and Mrs. H. S. Allan and Mr. and Mrs. Percy Moran, of Brockville; Mr. Frank Moran, Brighton; Mrs. Mabel McAuley and daughter, Pauline of Belleville, and Mrs. Mary McAuley and Mary Kay McAuley, of Trenton.

Council Requests Police Officers For Traffic Duty

TRENTON — At a meeting of the council Monday night a recommendation was tabled calling for a motorcycle police officer to cope with the growing traffic problem. The report came from the committee searching for some solution to the serious situation. However there is no provision in the budget for an addition to the local law enforcement staff.

It was suggested that council, through Mayor R. E. Whitley, recommend to the Police Commission, that an attempt be made to speed up traffic through town by placing an officer or officers on the street to direct traffic during the rush hours without the use of traffic lights, and if the irregular pedestrian traffic is an obstacle to enforcing traffic a program to educate and compel pedestrians to cross at properly designated sections of the streets be initiated.

Council requested the Public Utilities Commission to install new type street lights and standards starting on Dundas street at Gilmour's hill to the C.N.R. tracks on the west side of the river.

Will Visit Cities

A recommendation by clerk-treasurer O. W. Larry that tax collector Alan Weaver visit Hamilton and Oshawa to study methods of collecting tax arrears was adopted.

Trenton tax arrears as of Dec. 31, 1952 amounted to $4.55 per capita. Out of 61 communities with over 10,000 population Trenton stands 35th in collecting arrears which is not serious but only fair. Belleville for instance shows $6.68 per capita in the same report, higher than Trenton by almost 50 per cent.

Hamilton and Oshawa systems of collections were selected for study because the former shows 88c per capita and the latter topping the list shows 58c per capita the lowest average in the province.

Said Mr. Larry: "Now is the opportune time to cut down on arrears and if anything can be learned to put it into practice."

A by-law was read authorizing construction of sidewalks on Dickson Drive east of Sidney street and on the north side of Dickson Drive east of Byron street.

Hanging Hilde Says 'Fascists' Behind Bars

BERLIN (Reuters)—The East German justice minister, Mrs. Hilde Benjamin, has stated publicly that "most of the organizers of the Fascist putsch are now behind bars," Neues Deutschland, official East German Communist party newspaper, reported today.

Mrs. Benjamin—known as "Hanging Hilde" because of her severe sentences on anti-Communists—said this at a public meeting in Weissensee, East Berlin, on Monday, according to the paper.

Women's Section Panorama Of Exquisite Handicrafts

Fine sewing, gossamer-like tatting, exquisite embroidery, lacey crochet, attractive knitting and skilful handicraft were at their best in this year's showing in the women's section.

Among the dresses were those in colorful prints, waists, and knitted jackets, house coats, lovely nylon slips, aprons of all kinds, some in prints, and chambray and others in organdy in colors of green, white with appliqued rose sprays, and others in yellow with frills outlined by black satin ribbon run through white insertion.

Exquisite Embroidery

Small articles included crocheted lace-edged handkerchiefs, embroidered luncheon cloths, cutwork pillow slips with roses in pink with green leaves, bridge cloths in red outlined with black lace edging, lovely white tea cloths with Irish fillet crochet, tatted centrepieces fine as gossamer, bath towels with crocheted pockets for the matching wash cloth, and hot plate pads like red roses. Larger articles included crocheted table cloths, one in Queen Anne design, one all in fillet crochet with rose design and sheets exquisitely embroidered.

Children's dresses elaborate with delightful smocking designs were shown in both prints and finer materials.

Rugs were colorful and included the block pattern in shades of grey, beige, green, fawn, blue, orange and dark green, rainbow rug —in circular form, and braided rugs oblong, and oval, and one depicting an old fashioned flower garden, in hooked style.

Bedspreads

Bedspreads included both the satin in rose color, crocheted, and knit medium. Afghans were lovely, one in tones of gold and brown, another was of a plain grey ground edged with motifs in color and fringed. Still another a most lovely creation, was done in panel effect like tapestry, the colored panels of red, green, white and black, the white panel having a black scroll design, while the colored had rose designs.

Cushions glowed like flowers with their shades of color, there were braided cushions of satin, sunray cushions in orange in circular form, multi-colored satin tuffted, in shades of rose, blue, and mauve, and others embroidered.

Works of Art

The quilts shown were works of art, and the quilting in each beyond comment. A lovely quilt was the rainbow-hued star design; another was in patch work squares, and of many colors. The morning glory quilt and the pink dogwood flower quilt and green tree quilt were altogether lovely.

In the men's and boys' wear section, there were well fashioned plaid work shirts; knit sweaters; plain and fancy mitts; flannelette pyjamas; and knit socks in several designs and plain; while the miscellaneous section showed tufted bed spreads, and tatted doilies, and many other articles, all nicely executed.

Elementary School

The elementary school section showed several fine exhibits among which was the mural of the Nativity showing the arrival of the magi and the shepherds, and bearing the inscription, "O come, let us adore Him, Christ, the Lord." Another mural showed the various coats of arms of the provinces of Canada.

There were special creative expressions, one done on a large tray showed an early settlement with flat roofed hut of stones, a few sparse trees and a tiny, mirror lake; while another depicted that of the first people of Canada, an Indian settlement with tepee, Indians and animals.

A Dutch scene depicted the canal, the windmills and Dutch settlers in native costume.

Dressed Dolls

The collection of dressed dolls was colorful and most interesting, showing native costumes of several countries.

There was also plasticene molding; scrap books; handicraft showing boats, including schooners, sail boats and freighters; fretwork showed bookends; a utility bracket in the form of an Aeolian harp, splendidly done. A bird house was unique, made from the bulging knot or growth from an elm tree. This was nicely varnished and having a bored-out portion with opening for tiny wren.

Samples of writing, printing and map drawing of the Dominion of Canada and England, were especially well done. Other exhibits included posters showing fire safety in the woods, camping, and forest protection.

Play Grounds

Belleville play grounds booth was interesting, showing the various types of handicraft taught. Here was shown a playground in miniature, as well as articles made from paper, including a doll, plaques in plasticene, umbrellas made from tissue paper in shades of blue, pink and green, and nicely cut out silhouettes in frames, and a multitude of other articles made by tiny fingers.

The art section was rather a disappointment this year as few new entries were shown; with several 'repeaters', but, was nevertheless, interesting with its various exhibits which included water colors, oils, pen and ink drawings and charcoal. Some nice hand-painted china was shown and a few dressed dolls, and other handicraft.

Art Exhibits

Among the art there was a fine pen and ink drawing of a church, showing splendid perspective; an interesting character sketch of a jolly faced man sitting on steps; colorful flowers of orange and red petunias backgrounded by snow-etched windows; another delicate coloring depicted golden hearted white roses in sheaf form; a woodland stream, and a Dutch windmill scene.

In the china exhibit was a lovely rose bowl, and fruit bowl, while other articles included slippers with floral vamps; crocheted flower holder, wall plaques, rag doll, two paintings, one of a snow scene with long, purple shadows cast by the setting sun through tall evergreens, and one of an autumn scene with evergreens and touches of scarlet and yellow, showed a love of nature in its different aspects, and also appreciation of color, deserve mention.

Delightful Homecooking

The homecooking booth was outstanding in the delightful exhibit of fine confections, of white layer cakes, frosted and sprinkled with shredded cocoanut, rich, chocolate cakes, some plain, and some dotted with minced nut meats, while others were decorated with whole nut meats. Luscious looking pies of lemon, pumpkin, apple, raisin, berry and cherry; tarts of fruit, and lemon; homemade bread, tea buns, rolls, and biscuits; cocoanut macaroons; Chinese chews and muffins, both fruited and plain.

A few candies were also shown included cocoa drops; divinity fudge; stuffed dates, and peanut brittle.

The canned goods were attractive. These included canned peaches, pears, berries, gages, and plums, as well as vegetables, jams, jellies and relishes.

The school lunch boxes showed attractive, and balanced lunches with their tasty sandwiches, fruit and milk.

A nice selection of eggs was also observed, completing a fine exhibit.

BIRTHS

LATCHFORD. — Mr. and Mrs. Ca Latchford, Thomasburg, are happ to announce the arrival of a so (8 lbs., 5½ oz.), John Ross, at th Belleville General Hospital, Augus 11th, 1953. A brother for Wayne. A1

McLUSKIE. — Bob and Truia McLuskie, 183 Dundas Street Eas wish to announce the birth of daughter, at the Belleville General Hospital, on August 17th, 1953. A1

IN MEMORIAM

BROWNING. — In loving memory of Robert Browning, who passed away August 19th, 1951.

August comes with deep regret.
The month we never shall forget.
'Till memory clings and life departs
He will linger forever in our hearts.

—Ever remembered by wife, daughters and son. A1

CARDS OF THANKS

I wish to thank those who sent flowers and gifts from far and near. also Dr. Kennedy and attending nurses for their kindness during my stay in the Belleville General Hospital.

I long have visited the rooms
Where friends were ill —
Sweet with the fragrance of the blooms
On shelf and sill.
And I have said the cheering word
And wished them well,
And watched them smiling as they heard
The tales I'd tell,
And then it came my turn to be
The patient there,
And learn how rich such rooms can be
With tender care.
There, toils devotion at its best
To master pain
And soothe the throbbing pulse to rest
And health again.

—Catherine Davis, Quinte Rest Home, R. R. 2 Trenton. A1

PRODUCE MARKET

TORONTO (CP) — Churning cream and butter print prices were unchanged here today.

Quotations for graded eggs, fibre cases, were: A large 68-69; A medium 60-61; A small 39; B 47-48; C 37. Wholesale to retail: A large 73-74; A medium 65-66; A small 44; B 52-53; C 42.

Butter solids: 1st grade tenderable 58; non-tenderable 57½; Western 58-58¼.

TORONTO STOCKS

TORONTO (CP)—Lower prices and expanding volume marked forenoon trading today.

Turnover for the first hour reached 557,000 shtares—about 100,000 ahead of Tuesday.

Industrials showed a fairly wide list of minor losses.

Bathurst area stocks were the one bright spot, as Anacon, Brunswick and New Larder — posted gains to 25 cents. Gunnar slipped 25 cents and New Mylamaque and Chimo showed losses.

In industrials Canadian Car, Burns A, Trans Mountain and CIL, were down between half and three-quarters of a point. Utilities were bolstered by the $1 gain of B. C. Electric 4 per cent preferred. narrowly lower.

Noranda was the hardest hit in base metals, slipping $1 to $67.

Losses outnumbered gains 5 to 1 in Western oils.

TORONTO LIVESTOCK

TORONTO (CP) — Trade was slow at the Ontario stockyards today. The few offers of good cattle sold at steady prices but plain cattle saw very little action. Receipts: cattle 325; calves 160; hogs 190; sheep and lambs 180; holdover from Tuesday 2,150 cattle.

Good to choice weighty steers, $19.50-21; medium downward to $17; good to choice light steers $19.50-20.50; medium downward to $17; common light downward to $9.50; medium to good heifers $17-19; common downward to $12; good cows $12-13; common to medium $10-11.50; canners and cutters downward to $6; good bulls $12-13; plain light downward to $10; fed yearlings were active at $21-25 for good to choice; medium to good stockers $16-17.50; common downward to $13.

Calves were strong at $21-25 for good choice vealers; common to medium downward to $12.

Hogs were steady at $36.50 with some at $37 for grade A hogs; dressed sows $23.

Lambs were steady at $26 for good ewes and wethers; bucks at their usual $1 discount; common lambs $15-18; good sheep $8-10; common downward to $5.

Soldier Indentified

WAINWRIGHT, Alta. (CP)—Army authorities Tuesday identified Pte. Hugh Donald MacKinnon of Mount Hope, Ont., as the soldier killed Sunday when a truck overturned at Wainwright military camp, 135 miles southwest of Edmonton.

Two others were injured when the truck overturned in a ditch after striking a soft shoulder. Their names are being withheld pending notification of next-of-kin.

Pte. MacKinnon was a member of the Royal Canadian Electrical and Mechanical Engineers. The body will be sent to Eureka, N.S., for burial.

Northern Electric Defeats Bobcats By 10-2 Count

By PETER UPPER

Northern Electric declawed the Bobcats 10-4 at Alemite field last night and will now represent the city in the Intermediate AA playdowns.

Jack Holmes went the route for the winners getting four on strikes, walking one and giving up but three hits along the way.

Frank Baldwin started for the Bobcats but was relieved in the second by Reid. In one complete inning of play, Baldwin neither struck out nor walked any. Reid went the rest of the route, electrocuting two on strikes and passing three.

Northern took a two-run lead in the first and won it in the second when they pushed across Halsey. They insured it in the third with three more in the third, added another in the fifth and turned it into a farce in the sixth with another pair. They got their tenth run in the eighth and that was how they got their runs.

The Bobcats were held scoreless until the bottom of the ninth when they broke Holmes' shutout with a deuce.

Bone, Cousins and Halsey shared the batting honors with three hits apiece. Locke and DeRushie each bingled twice and Holmes put the wood to the ball for a singleton.

Young, Burley and Callaghan each singled for the losers.

Score by innings:		R	H	E
Northern	213 012 010—	10	14	2
Bobcats	000 000 002—	2	3	2

Scorer: Jerry Mahoney.

Sports Calendar

Can you guys spare a quarter? That's all it costs to see the benefit game for Al Young. The Northern squad is the regular line-up while the Northern Electric All-Stars are just what the name implies. It should be quite a tussle with Jack Holmes and Fred Fisher pitted against each other on the mound. Doug Bone is in the screen for the Electrics while Ron Belnap will catch for the All Stars. "Snuff" Locke will play first, Brian Mulvihill is on second, Harry Wardhaugh at third, Earl Cousins is at shortstop with the outfield being Chick James, Harry DeRushie and Bob Bunton. For the All Stars Pete Jones will be at first, John Batchelor at second, "Mike" Carr at the hot corner with Jackie Wardhaugh at short. The outfield reads thusly: "Turk" Barclay, Doug Soule and Carl Wood. See you all up at the C.N.R. Recreation Field Thursday night.

The Regents took the second game of their best-of-five series with the Peterborough Liftlocks 8-4 up at the CNR Recreation field Thursday night. Bill Strahan did the mound chore for Regents. The Liftlockers used three pitchers but in all fairness, they only had 10 men on the bench.

The Regents looked good on the field, especially when they wound the game up with a double play.

According to Don Lee, Northern Electric will go down to Roddenville on Friday to take on the Alcans in the first round of the Intermediate AA Playdowns.

The game is slated for Victoria Park at 6.00 p.m. The return game is here on Tuesday. The field has not been decided on as yet.

Point Anne hits the road tonight as guests of the T.P.T.'s in Peterborough. If they get past the Transporters they will probably take on Ottawa because Kingston has forfeited the series.

From reports the Peterborough squad is very good but the Ox Pointers are not going to be easy prey either. The game gets under way in the Liftlock City at 8.30 under lights.

Industrial Bldg. Mecca for Crowds Visiting Fair

The city and district industry representatives played hosts to large crowds throughout the first two days of the Belleville Fair, according to exhibitors. Television held the limelight in the industrial building.

The Stewart-Warner Corporation is showing 13 television sets ranging in screen size from 17" to 21". This company's feature was the S. W. Thunderbolt T. V. set with unitized chassis. A number of outstanding features on this new machine consist of the plug-in phono-Jack; picture window, easily removable for washing or cleaning, and tone controls.

Stewart-Warner is also displaying several 5-6 tube, A. C. and D. C. mantel radios in various colors and shades.

Davids Electric has an interesting variety of Ranges by Westinghouse. Washers were by Beatty-Serves, Westinghouse and Whirlpool. Westinghouse, Deepfreeze and Philco are brand names of refrigerators in David's booth. There are several laundromat dryers and heaters on display, along with Coleman heaters and vacuum cleaners by Lewt-Esks. Davids have a selection of Westinghouse, Philips and Visionaire television sets.

Divided in Two Sections

The Wills Hardware display is divided into two sections; marine and hardware divisions. In the seafaring portion Brydon Brass boat accessories are available including cushions, life belts and deck chairs. Cris-Craft boat kits can be seen as well as Scott-Atwater motors, five and 7 1-2 hp.

General and builders hardware is on display in the hardware section along with Delta Homecraft power tools. Everything for the home workshop is on display here.

Vandusen Brothers Ltd. are exhibiting Crosley TV's ranging in screen sizes from 17" to 27". The feature of this booth is the new Princess Royal television set with 21 inch screen. It embodies such features as a long distance booster switch and a no-glare picture window.

Also on display are six Crosley mantel clock radios; a Findlay push-button electric range; an 11 cubic foot Servel Icemaker refrigerator; Crosley refrigerators and freezers and a Thor washing machine.

The Ontario Department of Lands and Forests exhibition attracts a crowd around their poster photos of Canada's open spaces. The Unemployment Insurance Display of a Growing Canada is of great interest to veterans and others.

Arthur A. Sills and Son, builders' supplies, featured aluminum doors; Pre-Fit Zel-Doors; floor coverings, and Panelyte counter topping.

Two Perfection Tuxedo Top ranges, available in black porcelain or enamel top and in either gas or electricity are major displays at the John Lewis Co. Ltd. booth. Another highlight at this booth is the Inglis Royal Pair, automatic washer and drier and the Inglis Tapan 30" electric range, which boasts the largest cooking oven for the stove's size in the country.

Gurney and McClary kitchen tested ranges are also features of the John Lewis display.

A handsome showing of two sizes of Electrolux refrigerators, vacuum cleaners, floor polishers, attachments and supplies are on exhibition at the Electrolux (Canada) Ltd. booth. The latest in household aids are available on this display.

The Houston Co. Ltd. booth is under the direction of the Johns Manville and International Fibre Board and Insulation Companies. Arborite counter toppings, wallboards, plywoods and fibre boards may be seen on display at this booth. Exterior and interior doors, plus roofing and sidings are also available. Special features include weather proofed window frames by Lloyd and Son and Ready Hung doors.

The Juno Floor Conditioner is being demonstrated at the Juno booth. The combination unit, embodying many convenient features, can wax, polish, buff, scour and sand floors.

The Acme Construction Company of Stirling is featuring Perma-Stone original molded stone wall facing.

Luggage Displayed

Leslie Shoe Store, this year is displaying as their feature, Comet aircraft luggage manufactured by McBrine. The McBrine luggage, specially constructed for those who fly, and named after B.O.A.C.'s latest jet passenger aircraft, is available in many colors. The company is also displaying a scale model of the Comet airliner.

Other features are Naturalizer shoes for women and women's Logroller shoes. Shoes for men and children are also on display.

Walker Hardware features Frigidaire automatic washers, the Frigidaire electric drier, the Frigidaire water heater; Connor washer, Frigidaire food freezer refrigerator, Frigidaire home freezer.

Percival's Furniture is featuring Kroehler cushionized living room furniture, Cooey chrome kitchen sets; Philco refrigerators and Beatty ranges. There is also a handsome display of drapery materials on exhibition at this booth.

Poultry Exhibit Best in Years Says Noted Judge

"I have never seen a finer poultry exhibit than that displayed at the Belleville fair this year," said R. J. Messervey, judge of poultry, after completing his duties late on Tuesday evening. "Every coop is full and the calibre of the stock far exceeds anything that has been shown in this city for years."

Mr. Jack Holley, who has been chairman of the poultry division of the fair for many years, has arranged a most interesting exhibit and all day the place was thronged with visitors. Every breed of poultry, ducks and geese is exhibited.

Mr. Messervey, well known judge in this district and high class breeder of white orpingtons had twelve birds on show and these were judged by John Holley. The pens made a clean sweep in their respective classes. Mr. Messervey intends taking these birds to Ottawa exhibition next week and the following week they will be shown at the CNE.

For years Mr. Messervey has come out of the CNE with high awards and one year had the best bird in show, which is a signal honor. As well as showing Mr. Messervey will act as a judge both at Ottawa and Toronto. Poultry raising and breeding is a hobby with Mr. Messervey and there is no doubt his birds will stand high in the lists, when the results are announced.

15 Polio Deaths

WINNIPEG (CP)—The number of poliomyelitis cases in Manitoba so far this year now has passed the total 1952 figure.

Fifteen persons have died of the disease.

Provincial health authorities said Tuesday the 36 new cases reported Monday boosted the 1953 total to 872, 31 higher than for all of last year. There were 1,011 cases in the peak year of 1941. Deaths totalled 30 last year and 20 in 1941.

Gamma globulin inoculation of all persons in close contact with polio started Monday at King George Hospital here.

Officials Say Biggest Horse Show in History

"The biggest horse show in the history of the fair" was the way officials described this year's exhibit as judging of horses got under way in front of the grandstand.

William Reid, for many years chairman of the horse committee, said Tuesday that he had never seen as many light horses as were showing at the fair this year.

"We have light horses from Guelph and other Western Ontario centres that have never shown in Belleville before," he said.

And a journey around the horse barns seemed to bear out the statement that this year's show was "tops."

Every available stall in the main horse barn was filled and the overflow carried well up into the sheep and swine sections as carriage and racing horse owners were forced to accept whatever accommodation was available.

Twelve big Clydes owned by O'Keefe's Brewery, drew a lot of admiration both in the show ring and in the stalls in the horse barn. After a year's absence Alex Moynes of Codrington is back again with six Percherons. George Robinson of Cavan was also on hand with six Percherons in the heavy horse class.

Judging in the heavy horse classes got under way Tuesday and Tuesday evening before the grandstand show saw the winners parade on the track. Today light horses and carriage horses will go before the judges, while the four and six horse teams will also strut their stuff.

Twelve Breeders Show Guernseys At Local Fair

Featured by the fourth annual Guernsey show which attracted approximately 60 head of cattle from the Bay of Quinte district, judging of cattle got under way at the Belleville fair on Tuesday. It was the biggest showing of Guernseys since the breeders' club inaugurated their annual show at the fair four years ago. Judge for the classes was Norman McConkey of Peterborough.

Twelve breeders from the district showed Guernseys at the fair. Included were Guy Bentley, Thomas Leach, and Miss Olive Ray of Bancroft; Archie and Earl Polmateer of Belleville; Mrs. R. S. Robertson of Renwood Farms, Cobourg; Thomas Robinson, Picton; Doug. A. Sager, Odessa; Ralph Sills, Halloway; Robert S. Thompson of Picton and Hugh Wilson of Kingston.

In addition to the Guernsey show there was a big showing of Jersey cattle with five district breeders showing their herds. Biggest entry was that of Lorne Jarrell of Cannifton with 19 head; Garnet Kerr of Campbellford was on hand with 13 head; E. E. Bennett of Elginburg had 12 head; Bill Matthews of Cannifton had eight head and Mac McMullen of Springbrook, about the same number.

Two Holstein Herds

Two breeders showed Holsteins. They were J. R. Ackerman and son of Napanee, present with nine head, and Lyle Leavens of Thurlow Township.

Elmer Wood of Ivanhoe had possibly the biggest showing of all breeders and as the only exhibitor in the Ayrshire classes had a total of 24 head on hand.

The sheep and swine exhibits were about the same as last year. Boyd Ayre of Hampton was on hand with several pens of Cheviots and Suffolk sheep; Harold Skinner of Tyrone was showing pens of Oxford and Shropshire sheep as well as Berkshire hogs.

Also showing Berkshires was Don Heath of Stirling; Arthur Chambers of Napanee had Yorkshire hogs, as did Leslie Jones of Demprestville; Omar Diggins of Crofton and Wesley Finch of Campbellford. L. A. McGee of Hastings showed Tamworths as did W. Matthews and Sons of Cannifton.

Pilot Saved By Parachute

ST. HUBERT, Que. (CP)—An RAF F-86 Sabre jet today nosedived into a farmer's field near Mount Bruno, 12 miles south of Montreal, shortly after its pilot parachuted to safety.

RCAF officials here said Flt. Lt. Robert Clarke of St. Mathias, Que., was on a routine flight. Clarke bailed out at nearby Beloeil.

The crash was one week after a C-100 jet crashed in flames at Ville Jacques-Cartier, plowing into two homes and killing nine persons including the two crew members.

The jet was one of several scheduled to be ferried soon to the United Kingdom.

Group Capt. H. M. Kennedy, officer commanding St. Hubert RCAF station, said Clarke had used the plane's ejection seat at 30,000 feet to bail out.

No reason was immediately known as to why Clarke was forced to abandon the plane.

Members Against Lengthy Terms In Reformatory

TORONTO (CP) — A convicted person can spend as much as 10 years in reformatory under a section of the Criminal Code dating back to pre-Confederation days, CCF leader W. J. Grummett said Tuesday at a meeting of the legislature's select committee studying reform institutions.

He urged establishment of a provincial institution solely for punishment and not reformation. A prisoner, he said, can be given several reformatory terms to serve consecutively when actually he should be sent to the penitentiary.

Clifford Magone, deputy attorney general, said the reformatory term as distinguished from a sentence in the penitentiary was laid out in the Criminal Code before Confederation when all prisons were a provincial matter.

No Change Made

"When the British North America Act was passed, penitentiaries became a federal responsibility, but no change was made in the Criminal Code," he said.

Mr. Grummet said the answer may be a provincial type of penitentiary for those who are not reformable.

Mr. Grummett and Don Morrow (PC—Carleton) reported on a visit they made to the Brampton reform school, which is operated on the honor system.

The school has not walls and newcomers are greeted by prisoners. It is a new experiment in reform institutions in Ontario. Prisoners themselves administer the school to a limited extent through an organization similar to students' councils.

Mr. Grummett and Mr. Morrow said it is a place "which shows you reform being carried out."

YOUNGSTER'S PRIZE

WATERTON, Alta. (CP)—Eleven year-old Bobbie Mitchell of Calgary hooked and landed an 11-pound, 28-inch rainbow trout at Cameron lake in Waterton Lakes National Park. Officials said it was a park record for the species.

Refuses to Tell McCarthy If He Is Red Spy

By ED CREAGH

WASHINGTON (AP) — Sen. Joseph McCarthy (Rep.-W called on an official of the U. government printing office to to explain why the agency kep its payroll for years a bookbi who won't say whether he been a Communist spy.

McCarthy, chairman of state's investigations sub-comm tee, summoned the office's pers nel director S. Preston Hip to a public hearing in the cas bookbinder Edward Rothschild.

The printing office suspen Rothschild without pay Tue minutes after he refused to McCarthy, sitting as a one-m sub-committee, whether he is Communist party member whether he engaged in espion as recently as 10 days ago.

Wife To Testify

Rothschild's wife, Esther, was scheduled to testify today, was E. C. Mellor, secretary o loyalty board which, McCar said, recommended only last mo against further dismissal proc ings against Rothschild.

The Wisconsin lawmaker told porters the sub-committee will later at least one printing of proofreader "who is accused being a Communist," together w the witnesses against him. He not name the man.

"It is rather difficult at time to say how many other G employees may be called," Carthy said. "We are checking least half a dozen more to se the facts justify calling them."

McCarthy said previous te mony demonstrates a Commu cell was formed in the huge g ernment printing plant as early 1938. There also is evidence, said, that secret documents h been stolen from the plant.

Rothschild, told by McCa Tuesday there is testimony he s a code book and other secret d refused to admit or deny it on grounds of possible self-incrim ation.

Madoc Meteors Wins Title From Marmora

MARMORA — By the sco 17-16, Madoc Meteors playing home to Marmora on Monday ning won the Central Hastings ball League championship by ing the fifth game in a four ou seven series. A good crowd was hand to witness a game close exciting throughout. Madoc sta with Lessard on the mound lasted one inning. Pigden took over to be later replaced Hengle.

Hatch completed the battery catcher.

For the losers, pitching was trusted to Trumble and McIn and Killian was in his usual posi of catcher.

Retired Bishop Dies

PORTSMOUTH, O. (AP)—Fr cis J. McConnell, retired Metho bishop, writer and educatio died Tuesday at his home on 82nd birthday.

Bishop McConnell served as bishop in New York and Pi burgh and for years did religi work in India. He was a form president of the Federal Cou of Churches of Christ. That ganization now is known as National Council of the Church of Christ in the United States.

BELLEVILLE CHILDREN LUCKY

We wonder whether Belleville's younger generaton lize just what lucky boys and girls they are.

Here we have a fair running four full days and they enjoy every minute of it.

Many communities hold their annual fairs during fall months, when school is in session. It is true, of rse, that generally the educational authorities declare oliday for one day and the children thus get an oppority to visit the fair and enjoy its many features.

But who will maintain that one day at the fair is as d as four, even if that one day is an additional holiday n school?

How much better to have the whole four days free, h no other problems than devising methods of extract the necessary admission prices from the adults of the nily or, failing that, of finding ways of scrambling over under or through the fence without payment of any law coins of the realm.

Incidentally, many parents will be pleased to know t their offspring are attending the fair. These pars are well aware that, although the midway rides and ws may be the major attraction, there is still a good nce of the youngsters benefiting by the educational portunities such an exhibition offers, without, of course, lizing that they are actually spending part of their cious summer holidays attending "school."

CHURCHILL NOT "MR. ENGLAND"

"Retirement for 'Mr. England'?" queries a headline in contemporary.

Of course, the story under that headline dealt with possibility of Sir Winston Churchill retiring as Prime nister of Great Britain.

Nobody but Churchill could be considered as "Mr. gland" and yet "Mr. England" does not fit Churchill.

There is nothing typical, nothing of the "common n" about Britain's Prime Minister. He possesses many the British virtues, but not in that moderation which is itself typically British. In addition, some of has attrites are customarily regarded by the British as vices, ough in Churchill's case they are prepared not merely to cept but even to applaud them.

Nobody, for example, ever accused Churchill of a habit under-statement, but under-statement is a typical British device. The typical Briton, though certainly not thout courage, is not inclined to flaunt it, yet he gloried Churchill's taunts in the face of an apparently victor Hitler.

Through all his years, in defeat as well as in triumph, ere has been something of the showman about Church He has never been as others are, though frequently others would like to be. In that sense, perhaps, he can considered "Mr. England" but it is a sense in which the rm is used rather to denote an ideal than a type.

A LOT OF HORSES

Announcement in Regina that Saskatchewan's 300,0 horses are threatened by an outbreak of sleeping sick arouses our interest.

The horse, although not yet a curiosity on Ontario rms, is nevertheless finding the tractor and the truck lively competitors.

The prairies, where farmers are primarily concerned th wheat growing, have reached a much more advanced ge in the trend towards the mechanization of the agriltural industry than have the mixed farming areas of e east.

Yet we learn from Regina that Saskatchewan's equine pulation numbers 300,000. Can this be an error? A sty check of statistics reveals that it is not. In fact, this figure is correct, the horse has hit hard times in skatchewan during the past five years. In 1946, says e Canada Year Book, there were 463,000 horses in Sastchewan. And three years earlier their number was uch higher, 783,000. Thus the equine population has en more than cut in half in less than a decade.

Saskatchewan appears to have been very rich in orse-flesh in the early forties. The Canada Year Book ates that in 1939 there were 800,000 horses on Saskathewan farms, while the 1941 census figures show that 84,244 males and 3,172 females were employed in agriculure. There were thus better than four horses for every arm worker.

If that seems a high proportion, what about the situaon in 1930, when Saskatchewan's horses were over a illion strong?

HANGING CONTROVERSY

When any reform is advocated by men of such widely iffering political affiliations as W. J. Grummett, C.C.F. ouse leader, and Don Morrow, Progressive-Conservative .L.A., for Carleton, it is obvious that party politics are ot being played.

Mr. Grummett and Mr. Morrow are in agreement that central points should be established where convicted murderers can be hanged. Mr. Grummett, we gather, suggests one such location; Mr. Morrow favors three, obviously to avoid transporting convicted men long distances.

The case for such a reform is easy to make. But we hink that Hon. J. W. Foote, minister of Reform Institutions, made a strong case, too, when he suggested that Mr. Grummett should have the first chance to have a central hanging point located in his riding of Cochrane South. If one community wishes to avoid the possibility of a hanging being held in its county goal, it is doubly true that no other community is likely to be willing to be selected as the hanging station for the entire province or even, as Mr. Morrow suggests, for a third of the province.

Unless, of course, somebody can persuade Toronto that here is a distinction it has been overlooking.

JUST FOLKS

By EDGAR A. GUEST

(Copyright, 1953, Edgar A. Guest)

CHAMPIONS

The champion is the one who
  wins
O'er rivals all,
Reaches the topmost rung and
  grins.
Later to fall.

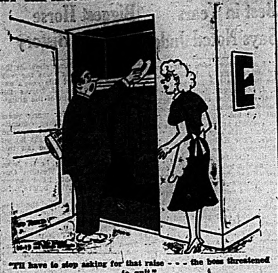
ime has a way of dimming sight
And lessening skill.
ll champions lose the final fight,
And always will.

Into the record books they go,
And then appears
The test that lesser mortals know
Througout the years.

Have they the courage grief to
  bear,
To take and give,
And meeting all life brings of
  care?
As champions live?

OFF THE RECORD

By Ed Reed



"I'll have to stop asking for that raise - - - the boss threatened to quit."

LOOKING BACKWARDS

GLEANINGS FROM OUR FYLES OF BYGONE DAYS

20 YEARS AGO

August 19., 1933.

Mr. and Mrs. Allan Schryver have returned home after spending ten days in Western Ontario.

Miss Stella M. Ford and Miss Kathryn Gallagher of this city are spending a vacation at Crowe Lake.

Mr. and Mrs. A. R. Scott, George Street, are visiting friends in Huntsville.

Mr. Walter Baker has returned home from Papineau Lake, where he spent his vacation.

Postmaster J. V. C. Truaisch is spending his vacation on a fishing trip in the northern part of the county.

Mr. George J. Forhan is spending a few days in Toronto.

Miss Mae Potts has returned home after spending her vacation at Papineau Lake.

30 YEARS AGO

August 19., 1923.

Miss Mary Clement has returned to Rochester, N.Y., after visiting her mother here.

Messrs. Hudson Leavens and Charles Kerr have returned to the city after working for a week in the harvest fields on the farm of Reeve Haggerty at West Huntingdon.

Mr. G. N. Beatty purchased recently a valuable horse called "Babby Kay" from John Chambers of Eldorado.

Mr. and Mrs. Roy Aselstine and children of Ottawa are visiting Mr. and Mrs. W. J. Embury, Grier street.

Mr. and Mrs. C. A. W. Thompson and daughter, Hope, are visiting friends in Cobourg.

40 YEARS AGO

August 19., 1913.

Mr. Charles Eames of Chicago, Ill., is visiting relatives here.

Mrs. T. Pereman of Oshawa is visiting her sister, Mrs. F. Herity, Lewis street.

Mr. and Mrs. A. B. Saylor and son of Bloomfield, and Mrs. Dickens and daughter of Stirling, are visiting Mrs. Denyes, Catherine street.

Mrs. Reuben Garrett and children of Vancouver, B.C., formerly of Belleville, are visiting relatives and friends here and in the vicinity.

Mrs. Robert Anderson, Mr. F. Anderson, Mrs. Howard Anderson and daughter, May, have returned home after an extended trip to Western Canada.

Dr. and Mrs. Mather of this city and Mr. and Mrs. John Clarke of Rochester, N.Y., have returned to the city after spending two weeks at Weslemkoon Lake.

50 YEARS AGO

August 19., 1903.

Mr. and Mrs. Miles Legatt of London, Ontario, are visiting friends here.

Mr. and Mrs. Oscar Lawson of Trenton were visitors in town today.

Mr. and Mrs. Thomas Kelso of Wichita, Kansas, are visiting relatives here. Mr. Kelso is an old Belleville boy.

Miss Cora Drehmen and Miss Carrie Drehmen of Rochester, N.Y., are the guests of Mr. and Mrs. Charles Frost.

Mrs. James Malyea and young daughter are visiting friends in Kingsford.

Miss Jennie Plunkett of Keene, and Miss Daisy Jackson of Peterborough, are guests at the home of Mr. George Thompson, Catherine street.

Mr. Arnold S. Doxsee and wife of St. Louis, Mo., and Mr. Horace E. A. Doxsee, wife and family of Syracuse, N.Y., are visiting the Rev. A. Doxsee, North Front street.

THE PACKSACK

By GREGORY CLARK

Heart diseases seem to entertain the attention of the medical profession and perhaps rightly so, because of the annual loss of so many specially valuable lives in the business and professional world. In recent medical conventions, a new angle has been discussed. If a man neglects all the rest of his bodily muscles, how can we expect his heart muscles to keep in trim?

The only exercise the heart muscles get is in response to the demands made upon them by the exercise of other muscles. The man for whom the heart was designed was a working man. He walked. He toiled with his legs and arms. From the time he was old enough to do chores, the original man was subjected to muscular exercise all day long. The heart muscles we all possess today are inherited from countless generations of men and women who made constant use of their other, or companion, muscles.

But all of a sudden, within very recent years, we have come upon an age in which science in every branch is striving to free us from muscular efforts. Take the simplest instances. When we wanted a light, even forty years ago, we had to go to a lot of small work, involving movement, action and musular activity. We had to get the lamp. If it wasn't filled with oil, we had to go the back kitchen, take the lamp apart, unscrew the oil can, lift and pour the oil, reassemble the lamp, carry it back into the room, take off the chimney, scratch a match and light it. Put the chimney back, and trim it. A whole process of action, trivial though it may have been. Today, we reach out and flick a switch.

Multiply this instance by the hundreds of others that you can think of, in our daily lives, and it is to be seen that we are engaging in only a fraction of the bodily activity that our hearts expect of us. The clincher is the well-known fact that women suffer far less from heart ailments than men. That is because, despite a hundred labor saving devices around the home, the women continue to be endlessly on the move in the process of housekeeping, while their husbands, moving only by means of motor car or bus, sit in offices or a machine benches using their fingers and little else. The head has no muscles inside it.

Trying To Lose An Alp of Fat

(Montreal Gazette)

It is estimated that between 30 and 40 million Americans are trying to rid themselves of excess weight. The figure for Canada is about one-tenth of that, three to four million. These estimates are believed enough. Suggested diets appear in newspapers and magazines all the time, and books on the subject have a wide sale. More and more foods are being offered with low caloric counts.

Taken in total, the spectacle is rather awesome. Forty million people, all over this continent, are believed to be overweight some 16 pounds each — an Alp, an Everest of quivering avoirdupois weighing 640 million pounds.

It's very discouraging to think about. What difference, after all, will one more chocolate sundae make to a whole mountain range of overweight like that?

August Not So Bad

(New York Times)

Not many good things are said about August—especially by those who took their vacations in June or July—for it is a rather dreary month. August bears somewhat the same relation to summer as does January to Winter; it is a dull stretch, a time of waiting. The world will begin to spin again, come September, but in August it lies somnolently under the hot sun, waiting for threads to be picked up, for the first breath of fall to start plans churning, for club presidents to begin announcements of meetings, for the tumble of the first leaf.

But this much can be said for August: it is the last month for many a moon that the head of the house will be able to arrive at the end of the week with some change jingling in his pockets. This is, in fact, a good time at which to look back with gratitude upon July and enjoy August. Each month in the year has its peculiar financial problems, but certain demands are, happily, absent in summer and they do not recur until September comes. With a couple of quarters and a few nickels and dimes rattling in one's pockets on an August Saturday night one can be thankful, for example, that for many weeks it has not been necessary to make provision for the cost of school lunches.

It is good, surely, that children are able to have nutritious lunches at school (nutritious is not always the word children use to describe them, but one must make allowances), yet it is surprising what a difference it makes in the weekly budget when school lunches do not have to be bought. The August pocket is richer by reason of no school lunches. It is richer also by the amount that, next month, will have to be set aside for the weekly music lessons, suspended (with thinly disguised expressions of regret) during the summer. It is richer by the absence of a dozen little demands which, taken one at a time, are very small potatoes but which when totaled spell the difference between having a dollar or two to squander— on golf balls, fishing tackle, books or on an occasional dinner in some pleasant cafe— and having none.

When August has gone, and even When August has gone, and even before school begins the budget will begin to feel a pressure from which it is now most delightfully free. Next month is the time when young persons who have been living in as few clothes as possible will discover that they require new garments of every description and price, that last year's shoes are too small, are worn beyond repair or have vanished. Young persons who have refused to wear hats all summer, even during what little rain there has been, will assert solemnly that they have need of assorted hats, lots of them. In August one thinks of these things, and jingles those quarters, nickels appreciatively.

Those coins, and possibly nonrattling currency of larger denominations, will not be there once next month is well along. Schools are a mainstay of democracy in more ways than one. They surely provide employment to thousands of pencil makers, paper manufacturers, makers of erasers and fabricators of notebooks. For no matter how large the quantities of these articles provided by the school system, the pupil will need more, a nickel for this, a dime for that and a quarter for the other; one cannot be churlish about expenditures for education.

Nor, as autumn progresses, can one be anything but cheerful about the other several little demands that will appear in due time—for club dues, basketball and football tickets, student publications, costumes, class photographs, trips to museums and other points of interest, more clothes, more pencils, more paper and more notebooks. Here in August — wonderfully calm and torpid August—all these small but persistent consumers of income do not exist. Perhaps it would be well to purchase now — immediately — those golf balls, that fishing tackle or that book and to reserve a table at that cafe. When August has gone it will, obviously, be too late.

How To Select A Ripe Melon

(Stratford Beacon-Herald)

How to tell a ripe watermelon can be mighty important this time of year, soliloquizes an Eastern Ontario contemporary. It is doubly important here, because Canadians don't often have a chance to learn by the personal experience of growing their own. Watermelons—good ones, too—can be raised here, but it's a little difficult, and not too many people attempt it.

Here's how to pick a dandy, according to a plant pathologist of the University of Mississippi Agricultural Experimental Station, a place where watermelons are an important crop. It requires the use of all the human faculties, though, and the tests work better with practice.

The first step is to thump the melon. If ripe, it gives a "good solid" tone. The second is to take the melon in both hands and squeeze. If it crackles, it's ripe. Merchants, unfortunately, are rather inclined to discourage these tests—not because they don't want customers to get good ripe melons, but because they question the accumulated effects of a series of bumps and squeezes on their stock in trade.

But anyone can examine the spot left where the melon rests on the ground. It should be just slightly yellowish. Ripe melons have a shiny sheen. Unripe ones are grayish.

The final and allegedly certain test is to observe the stem where the melon was detached from the vine. If this is green and firm, the melon is unripe. If it is dried up, buy the melon. You and the family will have plenty of good juicy eating, according to the unnamed public benefactor from the University of Mississippi.

Weddings Humdrum

(Brockville Recorder and Times)

While we probably haven't written up any more weddings than usual at this time of year, from the number that have passed through our typewriter it would seem as if there were hardly a single couple left in Brockville or vicinity.

It isn't that we're against the state of matrimony—but when all wedding accounts fit the same pattern even to the dresses worn by the bride and her attendants and to the honeymoon destinations of the contracting couples—we begin to wonder if there are any other possible phrasings for these all-important occasions.

Just as a change recently we were quite pleased to receive an account that told in detail what the bridegroom was wearing. Probably bridegroom don't go to quite the trouble or, expense as that entailed by the bride and her family, but the occasion is of equal importance and significance to him—and in all probability the ceremony would hardly be complete without his presence.

Last year we had one interesting account that mentioned the destination of the bridal couple as a camping trip. We commented on it at the time, hoping more brides and bridegrooms would take the hint and spend their first holiday together in more or less comfort rather than combat the heat of a city hotel.

At the moment we would like to open up a filled-in wedding form and note where the bride was attired in a pair of blue jeans and T-shirt for a ceremony taking place on the water's edge, after which they could roar up the river in an outboard motorboat, rather than don their best duds for a trip to the city.

But all this is wishful thinking—according to tradition "marriage is an honorable estate which must not be entered into unadvisedly, lightly or wantonly, but reverently, discreetly, advisedly, soberly and in the fear of God"—and young couples starting out in life today probably have enough to worry about without breaking the established bonds of custom.

Explanations For Weather

(Winnipeg Tribune)

There must be some special reason for the wet, humid, damp, muggy, soggy, drippy, rainy, putrid weather we have been having this summer.

So much rain has fallen that water has stopped running off ducks' backs in these parts and is now lying around in pools.

Who's to blame?

The Minneapolis Star, doubtless worried by the gills that are beginning to appear on citizens in the Twin Cities, recently conducted a curbside survey to find out what the public thinks is the cause of it all. Here are some of the results of the poll.

Say the science fictioneers: "Martians. Our experiments with rocket ships have disturbed them." Suggest the cloak-and-dagger boys: "The Russians. They're using flying saucers to make rain all over the Middle West to ruin our crops and our tempers." Charge the McCarthyites: "Communists have infiltrated the U.S. weather bureau." Reply the militant liberals: "Senator McCarthy!"

Canadians probably have another theory. Because of the general election campaign such vast quantities of hot air have been liberated that normal air currents have gone all screwgee.

In fact, it is rather surprising that the politicians have not taken credit for the weather. After all, they have taken credit for everything else.

Personal Health Talks

By DR. WM. BRADY

COCOA, CHOCOLATE OR MILK?

Dr. Brady

Is cocoa or chocolate in any form a desirable food for growing children? My 12-year-old boy has for years refused milk but likes chocolate milk with all his meals. Since chocolate interferes with absorption of calcium, I would like to know what I should use as a substitute beverage with his meals. (Mrs. M. S. F.)

Two good substitutes for chocolate milk are caramel milk and vanilla milkshake. Adelle Davis tells you how to make these in her famous book, Let's Cook it Right, published by Harcourt Brace, New York, or available at your public library.

In reference to the effect of chocolate on nutrition this recognized authority says:

Compared with animals given the identical diet except for plain milk, animals fed chocolate milk absorbed less calcium and phosphorus; their growth was retarded, and their bones were much smaller and more fragile. The fact that chocolate seriously interferes with the absorption of calcium is more important than the fact that chocolate or cocoa contains theobromine, a cerebro-spinal, heart and kidney stimulant similar to caffeine. "Since calcium deficiencies are already widespread and tooth decay is rampant, mothers are indeed unwise to entire their children to drink milk by making it into cocoa. Neither small children nor adolescent youngsters, whose calcium requirement has skyrocketed because of rapid growth, should be served chocolate.

Adelle Davis is not quite so insistent about this as a certain (blank-blank—fill in whatever name you call the old meany, kids, even though he pretends to be your friend in regard to going in swimming, wearing or leaving off whatever you like, getting your feet wet, brushing your teeth or taking castor oil) teacher of hygiene, for she adds that

"If chocolate and cocoa are used in spite of their detrimental effect, extra powdered milk should be added to all products containing them in order to supply additional calcium."

Other recognized authorities find that cocoa or chocolate (beverages) give a feeling or sense of fullness of the stomach or satisfaction with insufficient real food, and for this reason growing children and adolescents with athletic aspiration should indulge in these beverages rarely if at all.

Just plain milk is best beverage for growing children and teen-age youngsters. Whole milk, certified milk, pasteurized milk, grade A raw milk from tuberculin-tested cows, any available fresh milk scalded (brought to a boil for a second to kill any disease germs there may be in it), skim milk, separator milk, buttermilk, Bulgarian milk, sour milk, Acidophilus milk, evaporated milk or dry powdered milk or milk reconstructed from either of these by the addition of water.

TODAY'S TALK

By GEORGE MATTHEW ADAMS

A MEETING OF MINDS

Never do I go into my library without feeling that I enter a room of silent minds. Many have said their say and left to posterity the best that was in them, represented by a poem, an essay, a great novel, a bit of history or scientific discovery, but from each there is a sample of themselves. These are the undying parts of everything between the covers of a book.

In so many of these books I find a meeting of my mind with that of the author. A carefully selected library affords any of us a room of rich treasures. It's as though each book brought to life again the one who wrote it. How often I have thought that I would so greatly like to have met the writer of a book, and to have spent an entire evening of contact with him—but the book alone has to fill the bill.

Books that live, and keep enlarging their influence, never die, nor does the author. It often takes years, however, for just appreciation to come about as a reward, unfortunately, sometimes too late for the author to know about it. I read hundreds of reviews of books, but not all are kind to the author. Many a great book is passed by reviewers as unimportant that later proves its greatness by finally coming into the light.

To my notion, one of the greatest books written in the last fifty years, was that one by Arnold Bennett, "Old Wive's Tales." But it took a long time for the public to discover the fact. There were so few first editions sold that to find one these days is a real discovery. It is a story that you return to again and again. Many years ago R.H. (Bob) Davis and Bennett were lunching in New York, and one mentioned that Samuel Butler's book, "The Way of All Flesh" was one of the great books of the century, whereupon each stood up and shook hands! What a meeting of minds!

Strength for the Day

DR. EARL DOUGLASS

OUR AMUSING DEFENSES

A national broadcaster recently asked his hearers to drop a post card to their local station, naming the three commercials scattered through the newcast. Because of my admiration for this commentator, I wanted to assist him, but discovered that I could not remember whether or not any spot commercials had been given. In other words, within a period of fifteen minutes my ears had taken in three minutes of speaking and not a single word of a commercial was retained in my memory.

This would be a most humiliating confession were it not for the fact that I think a great many radio and television listeners have had the same experience. We hear some things so often that when they start again, some sort of shield goes up in our minds and keeps the meaning of the words from registering. We have all sorts of unconscious defenses by which we protect ourselves against things to which we are either indifferent or hostile.

We go to church, hear the Bible read, listen to the sermon, and come away—as St. Paul said—like a person who looks at his face in the mirror and, turning about, straightway forgets. In one ear and out both!

Best doz ears flint Corn—Harry Gorsline.

Best peck Alfalfa—Harry Gorsline.

Best bus Oats to field crop competitors—J. F. Treverton.

BCIVS Upper School Departmental Results Exceed 90% Pass Mark

Editor's Note: Mr. G. E. Currie, principal of BCIVS, has forwarded a commentary on the results of the Upper School Departmental Examinations to the Ontario Intelligencer for publication.

The results of the Upper School Departmental Examinations for the Belleville Collegiate and Vocational School have again shown over 90% pass in all papers written. For the past four years the results have been over the 90% mark as shown by the following table taken from the records of the school:

Year	Number of Papers Written	Percentage Pass
1950	374	90.6
1951	359	92.8
1952	601	92.6
1953	522	90.4

Further observations show that a higher percentage of the candidates obtained first class honors this year. Last year 21.5% of the papers written achieved first class honor proficiency. This year 25.3% achieved this proficiency. Sixteen candidates obtained first class honors in four or more papers. Eight of these obtained six or more firsts. In Modern History there has not been a single failure for the past three years. This year thirty-five candidates wrote history and they all passed. Last year forty-seven candidates wrote and all passed. There was only one failure this year in each of the following subjects: Trigonometry and statics, Zoology, Latin authors, Latin composition and French authors.

Thirty-nine candidates have passed in eight or more papers this year and have qualified for the Honor Graduation Diploma with only the one year in the Upper School. One additional student who graduated last year has improved his standing and is eligible for a new diploma. Five additional students who have qualified this year have taken two years to complete the course. In all forty-five candidates will be receiving Honor Graduation Diplomas at the Autumn commencement exercises.

Outstanding Record

Donna Clara McNish, 17 year old daughter of Mr. and Mrs. N. D. McNish, 213 George street, stood highest in the Belleville Collegiate in the recent Upper School Departmental results. Donna took 10 papers and achieved first class honors in nine and second class honors in the remaining one. She entered this school in September, 1948, and has consistently stood first each year throughout her high school career despite the fact that she has been very active in the extra-curricular life of the school. A summary of her participation over the past three years reveals the following: 1950-51—Girls Hi-Y, Tumbling Club, basketball school conducted by Department of Education, leaders' group, Elevator staff, library and club. She was also a senior badminton tournament winner. 1951-52—Girls' Hi-Y, athletic leaders' group, editor-in-chief of the school magazine, the Elevator. 1952-53—girls' Hi-Y, senior basketball and volleyball, leaders' group, Kampas Kapers performance, advertising manager for the Elevator.

Jarka Marie Novak, daughter of Mr. and Mrs. Prosko Novak, Batawa, was a close contender for second place. Out of the nine papers written she achieved eight firsts and one second. Jarka has been very active in the Glee Club, Dramatic Club and the Keyette Club.

Marilyn Rhea Spencer, daughter of Mr. and Mrs. George N. Spencer, Frankford stood third with seven firsts and two seconds.

Eva Elizabeth Hrachovec, daughter of Mr. and Mrs. Grant Hrachovec, 181 MacDonald Ave., stood fourth with seven firsts, one second and one third.

Charlotte Caroline Weston, daughter of Mr. and Mrs. C. S. Weston, 217 Charles street, stood fifth with six firsts and three seconds.

Carolyn Thomson, daughter of Mrs. O. R. Thomson, 104 Dundas street W., stood sixth with six firsts, two seconds and two credits.

Robert Langlois, son of Mr. and Mrs. W. L. Langlois, 201 MacDonald Ave., came seventh with six firsts, two seconds and one third.

John McComb, son of Mr. and Mrs. A. B. McComb, R.R. 5, came eighth with six firsts, one second and two thirds.

Although standing in eight papers is required for the Honor Graduation Diploma and for entrance to the first class teaching certificate course at Teachers' College, entrance to most university courses demand standing in nine papers. It is interesting to note that three candidates at B.C.I.V.S., all girls, took ten papers and were successful in all of them. These are Donna McNish, Carolyn Thomson and Alberta Fox. Alberta achieved four firsts, four seconds, one third and one credit, although she stood thirteenth.

FAST ACTION

LUNENBURG, N.S. (CP)—Touring Nova Scotia, Arthur S. Lukach needed to get in touch with his office in New York on urgent business. A passing motorist, Ben Klein of Westwood, N.J., was a radio amateur with a transmitter in his car. He picked up another New Jersey operator and Lukach got his message through in a couple of minutes.

Five Missing Aboard Private American Plane

VANCOUVER (CP)—An international air search is under way over mountainous British Columbia wilds for five persons missing aboard a private American plane.

The twin-engined plane, owned and piloted by Ellis Hall, wealthy Albuquerque, N.M., oil man, disappeared Monday night on a 700-mile flight from Ketchikan, Alaska, to Bellingham, Wash. With Hall were his wife and two daughters, Joan, 20, and Elizabeth, 21, and 15-year-old Patrick Hibben, a friend of the family.

Four RCAF aircraft combed the B.C. section of the missing plane's route Tuesday despite poor weather conditions over the mountainous, heavily-timbered interior flight path the Hall plane is believed to have been following.

Two RCAF Lancasters flew to Annette Island airport, near Ketchikan, covering the missing aircraft's intended route. They will operate out of the Alaskan airfield during the search.

OVERHAUL SEWER SYSTEM

WINDSOR, Ont. (CP) — A. E. Berry, director of sanitary engineering for Ontario, will be called in to help solve the emergency Windsor now faces as a result of a heavily overtaxed sewer system, Mayor Arthur J. Reaume announced Tuesday. Berry is expected to issue a mandatory order compelling the city to take certain steps to safeguard the health of residents following serious flooding of basements in some areas during recent heavy storms.

Bancroft Girls Enjoy Trip Through States

NIAGARA FALLS, Ont. (CP)—Twenty-six high school girls from Bancroft, Ont., are making a 2,000-mile tour by bus and stopped here to see the Horseshoe Falls.

The two-week tour costs the girls $25 each, which includes everything but their personal expenses. They will visit Binghamton, N.Y., New York, Montreal, Ottawa, Smiths Falls and Kingston.

They cook their own meals out of doors except in the larger centres and sleep outside at most night stops.

Kiwanis Club Loses Money On Wishing Well

TORONTO (CP)—The Kingsway Kiwanis Club is wishing at its own wishing well for a stop to penny thievery.

The club built the well two years ago in West Toronto and it was raising $10 a day for underprivileged children. The idea was to drop a penny in and make a wish. But thieves regularly cleaned out the well, so the club fitted an underwater grill.

The latest thief ripped up the grill, took the money and left $140 worth of damage behind him.

Rub it in
RUB ODOR OUT!

When the green color vanishes
ALL ODOR IS GONE!

Weddings

SLATER—FOX

Victoria Avenue Baptist Church, Belleville, was the setting on Saturday, August 15, at 3:00 p.m., for a pretty wedding, when Jessie Grace Fox, of Belleville, daughter of Mr. and Mrs. Alfred G. Fox, became the bride of the Reverend Harold James Slater, of Dundas, Ontario, son of Mrs. Lorne Slater, of Arnprior, and the late Mr. Slater. The Reverend Alfred Kitchen, of London, Ontario, officiated before a lovely background of pink and white gladioli and ferns.

Mrs. R. H. Templer, of Guelph, sister of the bride, was guest soloist, singing before the ceremony "The Lord's Prayer", and during the signing of the register, "I'll Walk Beside You".

Given in marriage by her father, the bride was charming in her patio-length imported French lace, net and satin bridal gown. She wore a matching lace headdress with tulle illusion veil and carried a shower bouquet of Johanna Hill roses and blue cornflowers.

Mrs. J. H. Ireland, sister of the bride, was matron of honor, attired in green net over taffeta, with headdress of gladioli petals and yellow roses. She carried a hand bouquet of yellow roses and gladioli petals.

Mr. Donald Slater, of Arnprior, Ontario, brother of the bridegroom, was groomsman, while Mr. Jack Ireland, of Toronto, and Mr. Elwood McRae, of Arnprior, were ushers.

The reception was held at the home of the bride's parents, where the bride's mother, attired in rosewood French lace over net and taffeta with matching accessories received, assisted by the bridegroom's mother, who wore figured grey nylon with white accessories.

For the wedding trip to Florida and the southern United States, the bride chose a pink linen dress and jacket with black accessories and corsage of cream roses and cornflowers. Upon their return the Reverend and Mrs. Slater will reside in Dundas, Ontario, where he is pastor of Dundas Baptist Church.

FANJOY—BASHALL

The wedding of Miss Edna Catherine Bashall, daughter of Mr. and Mrs. Edward Bashall, Belleville, to Ronald Thomas Fanjoy, son of Mr. and Mrs. Ray Fanjoy, Minto, N.B., was solemnized at the Church of St. Michael the Archangel, on July 1, with Reverend Father Michael Simson officiating.

Reverend Sister Mary Wilhelmena was organist and accompanied the soloist, Mr. Bob Burke. The altar boys were Teddy Finnegan and David Masterson, cousins of the bride.

The bride, given in marriage by her father, was attired in a full-length gown of white Chantilly lace and net over white satin. She wore an illusion veil of fingertip length and carried a bouquet of red roses.

Miss Alice Bashall was bridesmaid, wearing a mauve gown of matching lace and net over taffeta and a mauve headdress. She carried a nosegay of mauve and yellow 'mums.

Little Miss Karen Malloy was flowergirl, frocked in pale green nylon over taffeta. Her headdress was a cluster of flowers and she carried a basket of pink and white sweetpeas.

Mr. Joseph Hawkins was groomsman. The ushers were Mr. Pat Gallery and Mr. Tom Callery.

During the reception at the Knights of Columbus Hall, Miss Leafa Drew and Mr. Bob Burke favored the guests with solos.

For the trip to New Brunswick, the bride wore a blue nylon dress with white accessories and a corsage of pink Sweetheart roses. The couple will reside in Kingston.

Out-of-town guests were from Kingston, Gananoque, Campbellford, Moscow and Toronto.

COURNEYA—THOMPSON

The rectory of St. Carthagh's Church, Tweed, was the scene of a pretty wedding on Saturday, July 18, at 2 p.m., when Ada Marie Bernice Thompson, daughter of Mr. Marshal Thompson, Arden, and the late Mrs. Thompson, became the bride of Sgt. Lawrence James Courneya, son of Mr. and Mrs. Dennis E. Courneya, Tweed.

Rev. Dean Shannon performed the double-ring ceremony.

For her wedding the bride chose a ballerina length gown of white Chantilly lace and nylon net over satin, the lace extending into the skirt in an imitation peplum. The fitted lace jacket featured a Peter Pan collar and lily pointed sleeves. Her double-tiered three-quarter length veil of tulle illusion, with a hand-painted border of lily-of-the-valley was held in place by a coronet of seed pearls. She carried a semi-cascade bouquet of stephanotis, white cornflowers and feather carnations, centred with an orchid.

Her only attendant, Miss Marie LaVallee, wore a ballerina length gown of pastel mauve net and lace over taffeta with matching mittens. A nosegay and floral headdress of pale yellow daisy pom poms completed her ensemble.

The groom was assisted by Thomas Feeney, of Oakville.

Following the ceremony, luncheon was served on the lawn at the home of Mr. and Mrs. William Baker. The bride's table was decorated with pink and white streamers and rose bowls of summer flowers. It was centred with a three-tier wedding cake topped with rosebuds. Mrs. Baker received wearing a gown of gold shantung, with brown accessories, and corsage of bronze roses. The groom's mother, assisting, wore navy and white nylon sheer with black accessories and corsage of pink roses.

The luncheon was served by the Misses Theresa Cassidy, Marilyn Countryman, Shirley Lynn and Lorna Meraw, friends of the bride.

For a wedding trip to the United States and Western Ontario, the bride donned a pale chartreuse shantung dress with pink and white accessories and an orchid corsage.

On their return the bride will remain in Tweed for a short time after which she will take up residence in Ft. Devens, Massachusetts, where the groom will be stationed with the United States Army.

Excellent Floral Display Lures Many Enthusiasts, Garden Fans

As the nectar in the cup of the flower attracts the honey bee, so the Horticulture building at the Belleville Fair attracted the lovers of the beautiful with its splendid exhibit of lovely flowers, homecooking, art, school work, vegetables and displays of farm produce.

The flowers this year are most praiseworthy in their nice arrangements, selectivity, and loveliness of color. Among the many shown, gladioli held the spotlight with their gorgeous rainbow hues merging from the snow-white through red, orange, yellow, bluish violet, violet, to almost black. Off shades shown were in rich hennas, white with sulphur-yellow throats and some with orchid, with many of the blooms measuring from four to six inches across.

Gorgeous Basket

A gorgeous basket of blooms displayed colors of orchid, pure white, yellow, scarlet, white-edged with carmine, intermingled with sprays of fragrant ambrosia and cedar. Another basket was of mixed flowers including yellow-hearted pink-edged gladioli; lovely curly-centred pink asters; white and pink phlox; deep purple delphiniums and orchid shaded with fern leaves and sprays of ambrosia.

Some interesting seeding sprays of gladioli, over four feet in length and having blooms of five inches across in shades of pure white with stripe of pink and white, others with lemon throats. Other blooms included the Trivoli, Spic and Span and Leading Lady.

A nice collection of dahlia blooms of giant proportions was displayed in colors of yellow, dark wine, mauve and white and white striped. Marigolds with rich balls of yellow included the African and French; begonias were plentiful and showed many varieties, curly-edged leaf; pink flowering; angel wing; silver leaf and many others.

Other Flowers

Other flowers displayed were zinnias in shades of yellow, pink, deep red, mauve, henna and white with a sprinkling of the button size; the spider plant with its delicate white and pink blooms, and seed pods suspended on slender, thread-like stems. The scarlet, glowing salvia was also there as were the fragile salapeglosis, with its bell-shaped flowers; asters in purple, white and pink; crimson stocks; colorful straw flowers; sweetpeas; verbenas and the purple veronica with its spire-like blooms. Garden phlox, mauve and pink and white; poppies with their silken leaves and tissue petals; rambler roses, red and pink; tiger lilies on tall stems; larkspurs with fern-like leaves and lavender-tinted monkshood; sunset-colored nasturtiums, pansies, lacey-edged petunias in scarlet, pink, white and rosy morn.

Sprays, Centrepieces

A table included sprays of gladioli spikes in shades of mauve, pale pink and white; corsages of sweetpeas, roses, pinks in shades of pink and white and one or two red dahlias; centrepieces of polyanthus roses and ramblers, and talisman. Blue spruce formed an attractive edging of roses and scarlet cockscomb, and another was pretty with red rambler roses and white baby's breath. Wreaths were composed of white gladioli florets and golden glow, also red and white gladioli florets.

Among the potted plants were the silver edged Sultana, gloxinias, geraniums, African violets, amarylis lilies, sansavaria, ferns, both sword and compactor varieties; asparagus and the trailing fern.

Fine Cacti Display

A fine exhibit of cacti was seen on entering the building, each plant displaying the workmanship of nature in all her many moods. Here were seen the long barrel cactus, the golden barrel, the tall white torch looking something like a Cleopatra's needle with its downy top; the aeroplane plant, or the Crassula Falcata; the Victoria Regina, with its tiny tips and white-lined leaves; the flat, padded Opuntias, and others including the old hen and chickens, a variety of Echeverias.

Window boxes were attractive with their treatment of begonias, foliages and petunias, geraniums, ferns, trailing Jew.

Fruits

The fruit display, though not in abundance, due to the earliness of the season, was nicely arranged, and showed collections of fall apples, greenings, red Astrachans; winter apples, Richardson delicious, golden russets and Wolf River; dessert apples, Duchess, flavorable Melba, and Scarlet pippins.

Pears included the Bartlett; the Flemish Beauty, and Clapps Favorite. Plums, the Lombard, Damson, Shiro, Red Burbank and the honey-sweet Rene Claude.

A booth was displayed showing bees in the process of making honey, and a miniature plant for the extracting of the same. The finished products in comb and jar were displayed also.

Vegetables

There was a fine showing of vegetables also: potatoes, Irish Cobbler; parsnips, carrots, beets, sweet peppers, ripe cucumbers, red peppers, table cucumbers, heavy, meaty tomatoes; firm-headed cabbages, both yellow Denver onions and the silver skinned variety; a few pie pumpkins; and Hubbard squashes, both green and yellow, as well as those of the individual type; turnips, celery, ground cherries, or the husk tomatoes, so nice for canning, or preserving, and corn.

In the farm produce bags of selective grains, wheat, oats, corn, barley, peas and beans, were backgrounded with sheaves of oats, wheat, Timothy hay, and barley. Tall stooks of ensilage corn over six feet in height testified to the fertility of Hastings county.

Other Booths

Other booths were those of the Ontario Cream Producers Marketing Board with its showing of pound prints of creamery butter in different brands. A questionnaire was held here which proved interesting to the housewives.

The Foothill nurseries displayed several varieties of evergreen shrubs and trees including the barberry with its tangy elongated fruits; the Chinese elm; the red cedar; the dark green yew tree, as well as the Irish junipers and the globass. Leaflets were also available on the care and control of injurious insects which destroy so many of Canada's lovely foliage trees.

Not to be omitted was the booth for the Sea Cadets, with their sailboat complete with binnacle, which contains compass, signalling lamps and small boat compass.

Young People Feted With Fine Gifts

Monday evening, a happy time was spent at the Y.M.C.A., when about 60 friends and adherents of the Christian and Missionary Alliance Tabernacle, assembled to honor one of their number, Miss Marion Sills, church organist, and Mr. Beverley Foster, on the occasion of their approaching marriage.

The evening was spent in a social get-together, the singing of old favorite gospel choruses, under the leadership of Mr. Paul Delaney with Mrs. Delaney at the piano. Following the singing, the Reverend Eric Strain, pastor of the Tabernacle, gave an impromptu address, wishing the young couple much happiness in the days that lie ahead, stressing the fact that life's pathway was not always a bed of roses, but that the rough-going spots rather tended to bind tighter those who had chosen to walk side by side.

At the psychological moment, a beautiful rose and tulip decorated miniature baby grand piano filled with gaily wrapped gifts was carried in by Mrs. Helen Masse and Miss Eleanor Baragar and placed in front of the bride and groom-to-be, who were soon engaged in the delightful task of unwrapping and reading the pretty cards of good wishes which accompanied the lovely and useful gifts.

After all had been duly viewed and admired by the assembled friends, appreciative thanks were voiced by both Beverley and his bride-to-be.

An informal luncheon brought the evening to a close.

DESIGNED SAIL BOAT

NEW ROCHELLE, N.Y. (AP)—William A. Crosby, 62, internationally-known designer of the Snipe class sailboat, died Monday after a short illness. Crosby served for 21 years as executive secretary of the Snipe class International Racing Association, which has members in 25 countries.

Queen Supervising Wardrobe For Commonwealth Tour

By MURIEL PENN

LONDON (Reuters)—The Queen, on holiday at Balmoral Castle, already is busy supervising the preparation of her wardrobe for the Commonwealth tour she will start Nov. 23.

Orders for coats, suits and dresses have been placed with her two principal dressmakers, Norman Hartnell and Hardy Amies, it was announced Monday. Three firms are to get orders for her hats, one for her shoes.

Hartnell and Amies soon will go to Balmoral for first fittings. For the Queen this will be a tiring business, for the wardrobe she needs is so extensive that there will be long hours of standing still while fitters pin and tuck.

Designs for these models were submitted well before the Coronation last June. Fittings for some began last May.

Favorite Designers

Between them Hartnell and Amies designed and made most of the clothes for her tour of Canada, which she made as Princess Elizabeth at the end of 1951, and the Australasian tour which had to be abandoned on the death of King George VI in February, 1952.

Hartnell also made her elaborately-embroidered Coronation dress. His specialty is richly embroidered evening gowns, and it was he who launched the full-skirted crinoline which has been so popular with the Royal Family for formal occasions.

Amies designed some of the most popular day ensembles and suits which the Queen, then Princess Elizabeth, wore in Canada in 1951.

The announcement from Buckingham Palace Monday said the Queen's hats will be by Claude St. Cyr of Hartnell's, Aage Thaarup and Kate Day, and her shoes by H. and M. Rayne.

Miss St. Cyr has only recently been working with Hartnell in London. But she has made many of the hats which the Queen has worn since her accession, including important occasions during the Coronation season like the Royal Ascot races.

Veteran Hat Designer

Thaarup has long made hats, not only for the Queen, but also for Queen Mother Elizabeth, Princess Margaret and other members of the family.

Presumably the models ordered for the forthcoming tour will conform to the usual custom and be off the face. Neither the Queen nor other members of the Royal Family wear hats which conceal their faces from the public when they are performing public engagements.

The Rayne firm, royal shoemakers, work in close collaboration with Hartnell and Amies to match the Queen's shoes to her dresses.

NOTHING BUT TROUBLE

NEW HAMBURG (CP)—Police chief George Thomas, who has been having trouble here with a "monster" believed to be an alligator, clashed with a skunk the other night. It got into a house and the family dog tangled with it. The residents called the chief who killed the skunk. He promptly changed uniforms, although the skunk did not score a direct hit.

ADVICE to the LOVELORN

By BEATRICE FAIRFAX

He's 23, and Too Shy to Make Friends

So many men and women, girls and boys, write to tell me about the tortures they suffer because they feel shy, self-conscious and "inferior" to others, that I often wonder how there can be enough people left who are so sure of themselves as to make all these others so uncomfortable.

Scarely a day goes by that a few such letters don't turn up in my mail, begging for suggestions on how to overcome shyness and develop the kind of easy naturalness that attracts friends.

One such comes from a young man 23 years old, who is so frustrated by self-consciousness that the only girl friend he has is a teen-ager of 15. And he's worried about that, because his mother has told him it's "childish" of him to have dates with one so young.

He writes:

"Do you think it is wrong for a fellow 23 to go out with girls in their teens? I have always been shy, and do not meet people well or carry on a good conversation with them; when I do meet them I don't know what to talk about. Because of this, I don't really know many girls.

"Recently though I met a girl who is 15, and we seem to get along fine. The trouble is that my mother keeps nagging me about having dates with her, telling me it is childish of me to take a teenager out. I can't see anything wrong in it so long as this girl and I really enjoy ourselves, and I would like to know what you think about it."

Not Appropriate

Now while I certainly wouldn't say that there was anything "wrong" about a young man having dates with a teen-age girl, I don't think it's really very appropriate. It's much better for a chap of 23 to make his friends among those closer to his own age.

At the same time, it's very understandable why this particular young man may feel more at home with the younger girl. This often happens when men are shy and self-conscious, since younger girls feel flattered when noticed by older men, and are inclined to make heroes of them, which naturally makes the man forget his self-consciousness and acquire confidence. When a man feels confident of being able to interest girls of his own age as this one has apparently interested his 15-year-old, he soon loses his shyness.

One way of overcoming the handicap of shyness is to build up lots of interests by allying oneself with various groups having active programs in which one can take part. This not only gives a person practice in meeting people, and talking with them so that he gradually becomes more comfortable with them, but it also gives him more things to talk about with others. It's much easier to talk companionably with those whom we share common interests, and in doing that it has become easier to talk with others, too.

Another aid to conversation is to ask new acquaintances about their own interests, and encourage them to tell you about them. Everybody enjoys telling someone else about their enthusiasms, and when they find one who seems, on his side, to enjoy hearing about them, it's usually the beginning of a beautiful friendship. Moreover, many a person who is content to be just a "good listener," and who cultivates the lovely art of drawing out people on their special hobbies or interests, is often surprised to find that he is considered a "good talker" too!

Still another good thing for this chap to remember is that it's perfectly possible some new acquaintance may be just as shy as he is, and having just as hard a time making conversation and appearing to be at ease. If he will try to form the habit of being easy and natural himself, with the idea of making that other person feel just that way with him, he can't help being popular.

Here, then is a practical program for him. Given a sincere try, it will work out, which will mean that he will begin to find himself comfortable and happy with young people of his own age including girls! — enjoying himself far more than he does now with the 15-year-old.

RUSSIANS AID GREEKS

LONDON (AP)—Moscow radio said tonight the Russian Red Cross has contributed 250,000 rubles for earthquake victims in Greece's Ionian islands. (The ruble is valued at approximately 25 cents).

IT MAY BE YOUR LIVER

If life's not worth living it may be your liver!

It's a fact! It takes up to two pints of liver bile a day to keep your digestive tract in top shape! If your liver bile is not flowing freely your food may not digest . . . gas bloats up your stomach . . . you feel constipated and all the fun and sparkle go out of life. That's when you need mild gentle Carter's Little Liver Pills. These famous vegetable pills help stimulate the flow of liver bile. Soon your digestion starts functioning properly and you feel that happy days are here again! Don't stay sunk. Always keep Carter's Little Liver Pills on hand.

Special-Purpose Menu

By Mary Moore

Boston Baked Beans and Bacon
Maine Coleslaw
Peach Upsidedown Cake
Pouring Cream
Coffee

This is a simple, economical and filling supper and was inspired by a letter from Mrs. John H. (see below).

There is an art to baking beans. They must be parboiled until they are split and tender before they are mixed with the ingredients that give this dish its character. They are then baked a long time so that beans can absorb the sweetness of the molasses and the fat of the pork, so that none of the fat is in evidence. Dried peas and beans are ideal for they are of such consistency the fat of pork that is cooked with them in thick pea soup or in baked beans is completely absorbed. Don't hurry your baked beans. Follow the recipe.

Boston Baked Beans With Bacon

Two cups dried white beans, 1-4 cup cubed salt pork (use 1-2 cup if bacon is not used on top), 1-4 cup light molasses, 1-4 teaspoon mustard, 1-8 teaspoon pepper, 1 tablespoon butter (omit butter when bacon is used); 4 or 8 slices rind-on side bacon. Rinse beans in a colander with cold water. Cover with cold water and soak 12 hours. Drain. simmer slow for 1 1-2 hrs. Drain simmer slow for 1 1-2 hrs. Drain. Put in greased bean pot or baking dish with the salt pork scattered through. (If desired a small peeled onion may be buried in the bottom.) Mix molasses, mustard, pepper, and 2 cups hot water. Pour this over the beans. Dot with butter. (Lay strips of bacon on top when used.) Cover and bake at 325 deg. Fahr. for about 3 hours or until beans are soft and have absorbed most of the liquid. Uncover during last 30 minutes to dry off and brown the top.

To Coleslaw, very finely shredded add 1 teaspoon celery seed and 1 tablespoon finely chopped chives or peppercress. Use Boiled dressing.

Peach Upsidedown Cake

In a baking dish or cake pan melt 3 tablespoons butter and add 3-4 cup brown sugar and place in warm oven until sugar melts and mixture spreads over bottom. Arrange a thick layer of sliced peaches in this. To make it attractive when turned out you may add some halved maraschino cherries. Pour over peaches this Cottage Pudding Batter: Cream 1-4 cup butter and gradually beat in 2-3 cup sugar and 1 egg. Sift together 1 3-4 cups sifted flour, 3 teaspoons baking powder and 1-2 teaspoon salt. Stir this into the creamed mixture alternately with 1-2 cup milk, until batter is smooth. Pour over fruit in pan and baked at 375 deg. Fahr. for about 35 minutes. Invert for serving. Garnish with whipped cream.

Question:

I am one of two conveners for a Home Cooked Bean Feed. . . we had a successful one years ago but no standard recipe and some were overcooked and mushy. . . .they were tasty but not perfect. . . . would you please send recipe and amounts needed for 200.—Mrs. John H.

Answer:

Baked Beans (for 70)

Make up this recipe three times to serve 200.

Four quarts navy beans, 6 tablespoons salt, 1-4 cup soda, 1 cup light molasses, 1-2 cup sugar, 2 teaspoons mustard, 2 teaspoons paprika, 1 lb. chopped salt pork. Soak beans in cold water to cover 10 or 12 hours. Drain. Cover with water. Add the salt and simmer until almost tender. Drain. Add other ingredients and 2 1-2 quarts hot water. Divide into shallow, greased pans and bake at 350 deg. Fahr. about 1 1-2 hours or until tender and most of liquid is absorbed. This type is usually served with best quality tomato catsup. As I said above in small recipe onion may be used if desired, or tomato, but that is not the genuine recipe.

Fashion Flashes

The preferred line—for early fall, at least—seems to remain the straight and narrow. It is smartly used in a dress of black needlepoint silk, the slim waist cinched by a pleated cummerbund of red silk, the skirt having soft trouser pleats. Neckline has a very wide, shallow V fore and aft and the shoulder draping is edged with narrow silk fringe.

Easy to wear and get into is a slim street dress of Black Watch plaided cotton. It buttons to well below the waist from a velvet club collar and there are stiffened pockets to relieve the slim skirt line. May be worn straight or belted. Good either way.

Nice things have been worked in Persian lamb, giving that fur a new vitality, a youthful glow. The fur is used for a column coat, straight up and down at front and back with a hint of ease at the sides. Small Peter Pan collar, tapered cuffs and side pockets are other touches. The coat fastens with eight small braid-covered ball buttons.

Still riding high atop the smartest heads is the small shell hat—with seasonable changes, of course. Multicolored large velour leaves in autumn tones are appliqued on a net shape to make a handsome profile shell finished with a nose-length veil of heavy mesh.

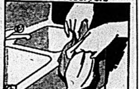
Firmly settled in the good suit picture is the model in wool jersey, a fabric that gives cosy warmth without weight. A new suit, offered in several colors is of wool jersey, the jacket belted, the skirt accordion-pleated from the hip line, which is where the jacket ends. Small collar and narrow turn-back cuffs of velvet. Ideal under winter coats later.

Delightfully different is a group of shawl and skirt theater costumes done in casual fabrics with glamour touches. A typical example is one in red, beige and black plaid wool tweed, with braid and jet embroidery embroidered and worked over the plaid. Full circle skirt and fringed shawl.

MILLION HOMELESS

MADRAS, India (AP)—Unofficial reports today said at least 1,000,000 people have been made homeless by flood waters of the sacred Godavari river, in central India. Damage was estimated at more than $100,000,000. No figures were available on the number of persons drowned in the floods.

Wife Preservers



Washing nylon stockings (even if you wash only one pair) in a cheesecloth bag prevents snags. After washing, wrap in bath towel to remove excess moisture, then hang stockings over a bath towel to dry. Never pin nylons to a line.

GOOD MANNERS

By Mrs. BEECKMAN

Adapting Wedding Procedure To Local Customs

Dear Mrs. Beeckman:

My sister, who works in a distant city, is to be married here in several months, and since it won't be possible for her to come home before the wedding, she has asked Mother and me to make the plans for the wedding. Our town is very small (250 people), and middle class, but we would like to have as nice a wedding as we possibly can. We will have to invite practically everyone in town, as this is rather the custom here. My sister, and we too, would like to follow proper wedding procedure, and yet conform to the ways of our small town. (If we try to do things too different, everyone will think we're putting on the dog," as they say here!) My sister's fiance and his mother and father live in the city where she now lives and works.

1. The bride is planning to wear a white wedding gown with a train, and the groom is to wear a dark suit. (The wedding is to be around 7. p.m., in our small Protestant church. The reception to follow immediately.) Is this a proper plan?

2. I am to be matron of honor. My sister and sisters-in-law are to be bridesmaids. We would like to know the proper order of the processional and recessional. (Our minister has never presided over a wedding as big as this.)

3. Usually at any wedding here the wedding presents are taken to the Grange hall to the reception, opened by the bride and groom, assisted by the members of the wedding party, in front of the assembled guests, the names on the gift cards being read out loud. We know this isn't the correct thing to do, but what do you advise that we do about this?

Sister of the bride

My salutations to you and your mother . . . I'm sure you will plan a lovely and memorable wedding, and that your sister will be happy.

1. These plans will, I am sure, be appropriate to your small town and its customs. My only suggestion is that, since the groom is to wear a dark suit (and it should be a dark-blue suit), the bride's gown should not have a train, or at least not more than a short sweep.

2. How many ushers? You didn't tell me. The Processional: first, ushers, two by two, the shortest leading; next, the bridesmaids, two by two, the shortest leading; next, you, the matron of honor, alone; and last, the bride and her father, or whoever is to escort her up the aisle. The Recessional: first, the bride and groom; next you, matron of honor, either alone or (more customary today) with the best man; next, the bridesmaids two by two (as in the Processional), followed by the ushers, two by two (as in the Processional) or the bridesmaids and ushers may be "paired off."

3. My advice is that you should give your sister the privilege of deciding this very personal question: if she decides against following the local custom, this can be graciously explained to relatives and friends there. But if she prefers to abide by your decision, I advise you to follow the local custom . . then no disappointment.

Concerning Signature To Cards

Dear Mrs. Beeckman:

I'm devoted to my little niece and nephew, my only sister's children, and I've always sent them presents at Christmas-time and on their birthdays. The cards I've enclosed with these presents I've always signed "Aunt Emily." But recently I was married, and although my husband hasn't met these children many times, he's very fond of them and they of him, and I'm wondering if I should include his name on the cards enclosed with presents? If so, should I sign only our first names, or should I sign his name as "Uncle George, which they call him?

Emily

You should now sign the cards: "Uncle George and Aunt Emily." (Since you will be the one signing the cards, you courteously sign your name last.) You should definitely not sign just the first name.

Beauty

By HELEN JAMESON

What Care Will Do For The Hair

Slap The Blisters On Your Scalp

Do not be discouraged if your hair moults now and hen or has a sick-abed look. It has its good periods which may depend somewhat upon general health, especially where nutrition is concerned. The shafts are doing a continual hail and farewell act, old ones falling, little silky understudies taking their place. If the new growth appears there is no need of worrying. But to maintain this normal state of affairs it is necessary to give your hair the most fastidious care.

The condition of the scalp is an important factor in promoting luxuriant growth and maintaining the lustre of your tresses. It is the garden from which your hirsute foliage grows and on which it thrives. The first and most important need is cleanliness. If the hair is oily it should be shampooed every week or ten days; if dry, the periods between shampoos should not exceed a fortnight.

Careless shampooing can do harm. The cleansing agent must be mild and high grade. Harsh soaps can cause the shafts to break.

Cosmetic chemists now offer special formulas for oily and dry hair, so read the labels when buying.

Do not fancy that you can do a good renovating job by simply soaping your head and then rinsing it in the wash bowl. The shampoo should begin with a thorough rinsing to remove surface dust and this should be done with a bath spray and a strong current of fairly hot water.

Apply liquid soap or cream and, fingers wide apart, distribute it thoroughly, rubbing the scalp briskly. Lift the flesh and pinch it to stimulate circulation.

Use the bath spray, put on a second application which should foam up like egg white. Unless it does, your hair will not be clean and shining bright. Don't stint on the final rinsing. If you have had a permanent turn on the hot water and give your locks a brief steaming. Moist heat accents the coil quality that forms your ringlet

Brush your hair every night your life. Slap the bristles on yo scalp, wield the brush with rolli motion. Now and then give yours a hot oil treatment. That helps, t

ritish Welfare rogram Is Said eeding Shirkers

LONDON (Reuters)—J. Gibson rvie, one of Britain's top finanrs, said Tuesday that the coun's welfare program and consent heavy taxation policies are stroying British business and inridual ambition.

Jarvie, chairman of the $12,000,- United Dominions Trust, adessed an annual meeting of his aking company which provides edit funds for commercial enterises throughout the Commonealth.

The government's refusal for the ird time to permit his company increase its capital stung him to one of the most forthright atcks yet from financial quarters taxation and social welfare easures.

anders Too Lazy

"The welfare program, he deared, "is pandering to the shirker d the lazy . . . no one who is pable of feeding himself should fed or subsidized at the exnse of the state."

Declaring that government regations are throttling free enterise, he said: "No man can build s fortune out of wages or salary. here is no longer real ambition ecause there is no longer any ssibility of satisfying it.

"The rich are disappearing, but o civilization can exist without hem."

Jarvie said taxation burdens ave deprived business firms of the eeded reserves with which to exand, while the government "squandered" the money on social ervices.

"Businesses should be free to nction on business lines without he restrictions and regulations imosed by planners who know nothg of business," he said.

Immigration Shows Decline

OTTAWA (CP)—Immigration to Canada fell 20 per cent during the first six months of this year compared with the corresponding period in 1952, the immigration department reports.

While immigration increased from the United Kingdom and the United States, it dropped from nearly all other countries. The overall decrease was to 78,336 from 98,057.

OBJECTIVE REACHED

TORONTO (CP)—The Ontario boys' work board of the Ontario council of Christian education Monday announced it achieved its recent fund-raising objective of $16,000. As a result, it will be able to carry on its program at the 37 inter-denominational camps it sponsors. The camps are attended by a total of about 1,500 boys and 300 group leaders.

Resigns as Head of Ontario CCF

E. B. Jolliffe has resigned as leader of the Ontario CCF party after 12 years. Mr. Jolliffe, in resigning, said he wished to devote more time to his law practice in Toronto and urged the party executive to select a new leader immediately. — Central Press Canadian.

Canada Air Freights Relief to Greece

At Malton, Ont., an RCAF transport plane is loaded with food supplies to be flown to the destitute victims of earthquakes in Greece. The cargo includes two tons of sugar, a half-ton of soup, 150 sheets, 100 pillow cases and 40 cots. The plane, piloted by Squadron Leader C. V. Hare of Edmonton, is flying the 5,500 miles with stops at the Azores, Gibraltar and Malta. — Central Press Canadian.

Archeologist Digs for Medieval Treasure Seen in Hypnotic Trance

By KENBOTWRIGHT

PENKRIDGE, Eng. (Reuters)—Archeologist H. Russell Kennedy today started digging here for medieval treasure which his four assistants saw in a hypnotic trance.

He hopes to find a metal-bound casket filled with silver coins which was buried near this midlands village by refugee monks during the Reformation about 400 years ago.

The site of the treasure, the burial of the casket and the benedictine monks in their flowing robes were all seen by Kennedy's assistants when he put them into a deep hypnotic trance.

"It seems fantastic and incredible, but by putting my assistants into a form of hypnotic trance on historic sites I have been able to send their minds back into the past," he explained.

"They have even been able to make sketches of things which happened during the Norman conquest of Britain about 1,000 years ago."

To prepare for the dig, Kennedy hypnotized his assistants at the ruins of an ancient hunting lodge here which is supposedly haunted by ghosts.

He said they were able to describe the lodge as it was in the 16th century. They told of a slab in the garden set beneath a sun dial. Today only a pear tree grows there.

Kennedy went to the tree and began digging around it He found the slab two feet under the ground. Beneath it was a subterranean passage leading to another ruined manor house nearby.

A second hypnotic session produced details of the foundations of a building which was later unearthed. It was near this building that the monks were seen burying the treasure-filled casket by the hypnotized quartet.

"There is no mental telepathy in this," said Kennedy. "I leave my assistants to gather their impressions from the past and then I apply them to my own knowledge of these historic sites. In this way I know exactly where to excavate."

If he uncovers the casket of treasure, the archeologist believes he will have proved indisputably that his new technique is more efficient than any existing methods of locating historic sites.

FLIES TO MECCA

CAIRO (AP)—President Mohammed Naguib put on the traditional white robes of a Moslem pilgrim today. Then he took a modern airplane for the holy city of Mecca and important political conferences in Saudi Arabia. After completing the pilgrimage to Mecca, holiest of the Moslem shrines, the Egyptian soldier-chief of state will meet Saudi Arabia's King Ibn Saud at Taif, near Mecca, on Saturday.

PROTESTANT ATTACKED

TOLUCA, Mexico (AP)—Officials reported today that an angry mob attacked a Protestant missionary in nearby San Francisco Tepexuxuca and fired on a Protestant church in which he took refuge for four hours. The missionary was identified as Felipe Vazquez Aguirre. Police finally drove off his assailants. Officials said they did not know what touched off the attack.

Sanders Says 'Mental Pressures' Worst Ordeal During Imprisonment

VIENNA (AP)—Edgar Sanders, released Tuesday after spending nearly four years in Red Hungary's jails after his conviction as a spy, told of his experiences.

Sanders said he was subjected to severe "mental pressures" but was not physically tortured before his trial in 1950.

Sanders was calm and confident as he faced a press conference.

Asked whether he was prepared to repudiate the "confessions" the Communists alleged he made in his trial, Sanders replied, "What confessions?" Then he went on:

"Put yourself in my place if you can. Immediately after my arrest I was interrogated for two or three hours late at night.

"I was arrested in November 1949. By January, 1950, they had speeded up my interrogation to a point where I once was interrogated for 34 hours without stop.

"They shoot questions at you in such a way that you get giddy and you are turning mental somersaults. Before you know where you are you find yourself signing statements."

Sanders was asked if he had any recollection of his testimony in his trial.

"Well, I had to learn it by heart," he replied.

Before his trial, he said, he was dumped into a cell with a wooden mattress and a stool pigeon as well. The only air coming in, he said, was from a hole above the door where a brick had been knocked out of the wall.

"There was no heating, and on top of that it was very cold and I am not accustomed to running around without my socks. My socks and shoelaces were taken away."

Sanders grinned and described his prison as a "hotel."

Proud 'Crofters' of Scotland Highlands May Get New Deal

FORT WILLIAM, Scotland (CP)—United States funds may provide a new way of life for the poor, proud "crofters" of Scotland's highlands and rocky islands—at a cost of $2 a head.

For centuries, the crofters—owners of small farms ranging from five to 30 acres—have managed to eke a precarious living from marginal land handed down through generations. And for centuries they have kept much to themselves, resenting interference and distrusting outsiders.

But progress is catching up with Scotland's 25,000 crofters.

Thousands of young men and women have been quitting the highlands for the cities. Rising living costs have forced more and more crofters to augment their meagre incomes by fishing, working for periods as hired hands or on hydro-electric projects.

They usually can feed themselves from their land, but their hand-weaving and kindred crafts no longer can provide them with enough ready cash.

Scottish authorities want the crofters to stay where they are, especially with every acre of land needed to produce food.

This week, the British government announced that $50,000 in counterpart funds has been allocated for a project to teach the crofters modern agricultural methods.

They will be invited to leave their homes—often single-roomed buildings with peat fires—for modern study courses in the nearest cities. The courses will be specially designed to adapt modern methods to the small farms. Scholarships may be awarded to young crofters for further study in agricultural colleges.

Scottish officials believe the crofters will welcome the project. The highlanders and islanders are expected to be willing to do anything which will allow them to live with dignity as they always have done.

Weed of the Week

Ragweed Scourge To Humanity

Ragweed is a fighting word not only to the eight or ten per cent of the population who suffer from hay fever, but also to the southern Ontario farmers whose fields are being overrun by this pest.

July and August are months that are dreaded by a great number of people, for it is at this time of year that ragweed is in bloom, scattering pollen far and wide, and causing a great chorus of sneezes to be heard throughout the land. Though very few of these people may recognize the plant itself, they always know when it is about.

Ragweed is late in maturing, is found in abundance in pastures, meadows and cultivated crops, as along roadsides and in waste areas, and causes considerable damage during the growing and harvesting periods. When eaten by cows, as it sometimes is, it doesn't give them hay fever but it does taint the milk they produce.

5,000 seeds per plant

The weed is an annual, growing about two feet tall and producing up to 5,000 seeds per plant during the late summer when its pale yellow flowers are in bloom. It has a quantity of branching stems covered with deeply indented, ragged looking leaves of two shades of green, the under side being lighter than the upper.

The prolific seed production makes the control of ragweed difficult. Efforts should be made to destroy it before the seed is ripe and in fact before the pollen is set free. Ragweed is one weed that should be controlled by community effort and whole areas should be cleaned up at one time to make the program effective.

The Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture says that mowing, to be effective, must be very close to the ground as many seeds are formed just above the soil surface. 2,4-D used in June at the rate of 6 to 8 ounces of actual acid per acre, or 1 ounce per 6,000 square feet, will provide cheap, effective control. Several treatments may be necessary however, due to the germination of further lots of seed. Care must be exercised to keep the spray from coming in contact with plants, shrubs and flowers susceptible to 2,4-D.

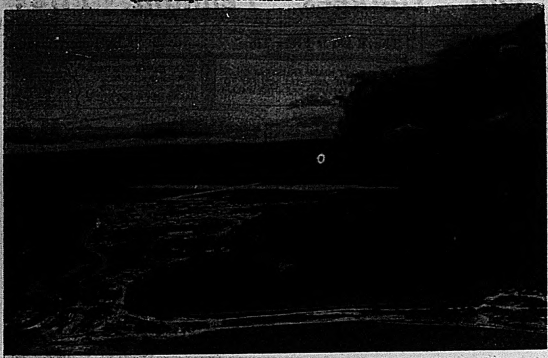
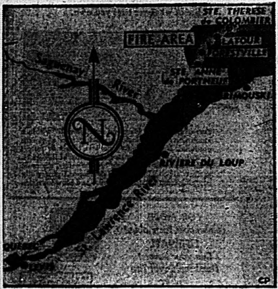
Quebec Villages Face Obliteration as Forest Fires Close In



Forest fires which expert firefighters admit are too vast for man to control threaten several villages along the north shore of the St. Lawrence. Forestville, shown here, is under a pall of smoke as the flames are fanned by stiff winds. Other centres such as Ste. Anne de Portneuf, Ste. Therese de Colombier, face almost certain obliteration if rain or a shift in the winds does not occur. Villagers credit their prayers with a temporary lull in the 26-mile-an-hour wind which spared the town of Ste. Therese from destruction.

While men of St. Therese were pitting their strength against the advance of the fires, many women and children gathered in the school house ready to flee if the flames came nearer. The fire is believed to have been caused by careless berry pickers. — Central Press Canadian.

Forest Fire Threatens



Forest fires are raging out of control near the villages of Forestville, Ste. Anne Portneuf, Canton Latour and Ste. Therese du Colombier, 200 miles east of Quebec City. Additional men have been rushed from Rimouski to help the more than 600 fighting the blaze which threatens Ste. Therese from two sides. Periphery of the fire—which broke out Aug. 7—is estimated at 165 miles. The fire is blamed by officials on "criminal negligence on the part of blueberry pickers." — (CP Photo.)

PAINTERS PICKET PLANT

ST. CATHARINES (CP)—Striking painters Tuesday night threw picket lines around the plant of the English Electric Company and some workers refused to cross the line. A spokesman for the painters said the company gave a painting contract to a non-union company at wages ranging from 95 cents to $1.05 an hour while union wages are from $1.50 to $1.85.

THREE SONS AT ONCE

MATTAWA (CP)—Triplets were born Monday to Mrs. W. H. Mitchell of adjacent Cameron township. Her husband is LAC. W. H. Mitchell of RCAF station North Bay, 40 miles west of here.

Mother and her three sons were doing well in hospital here Tuesday. Hospital officials said it was the first set of triplets born here in 60 years.

BOY KILLED BY CAR

COMBER, Ont. (CP) — Brian Lampier, five-year-old son of Mr. and Mrs. Leo Lampier, was fatally injured Tuesday when hit by a car as he was playing in the street near his home. The driver of the auto tried in vain to avoid striking the child by veering into a nearby ditch. Comber is 25 miles east of Windsor.

CRUSHED UNDER TRUCK

CHATHAM Ont. (CP) — Horst Rotschenk, 16-year-old son of German immigrants, was killed Tuesday when he tumbled off a load of straw and was crushed beneath the wheels of the truck he had been riding in a Raleigh township farm field. The youth came to Canada five years ago with his parents, Mr. and Mrs. Luise Rotschenk, 8th concession, Raleigh township.

Sent to Trial

NEW CARLISLE, Que. (CP)—Tracy Boudreau, 17-year-old laborer, Tuesday was committed for trial on a charge of murder in the bludgeon-slaying July 23 of Edgar Audet, 45.

Boudreau was remanded to jail pending the jury trial set for the autumn assizes of the Court of Queen's Bench in this Gaspe peninsula town.

At the preliminary hearing the victim's 11-year-old son, Francois, identified Boudreau as the man who entered a co-operative store, slugged his father and then forced him to hand over $30 from a cash box.

OUTBREAK CHECKED

EDMONTON (CP) — The rabies outbreak in Alberta has been brought almost under control during the last two months, the central rabies control committee said Monday. A double trapline stretching throughout northern and west-central Alberta has claimed the lives of thousands of wild animals since the rabies control program started last year.

Orders Libel Case Defendants To Answer Questions

VANCOUVER (CP)—Mr. Justice N. W. Whittaker Monday ordered the publishers of Maclean's magazine and Blair Fraser, its Ottawa editor, to answer a number of questions put to them in connection with a libel action brought by Gordon S. Wismer, former attorney-general of B. C.

Mr. Wismer is claiming unstated damages from the magazine and Mr. Fraser for an article which appeared in the Feb. 15, 1952, issue of Maclean's entitled "B. C. Coalition Commits Suicide."

At a recent examination for discovery held in Toronto, Mr. Fraser declined to answer a number of questions on the advice of his counsel. He had been asked to disclose the names of persons from whom he received the information contained in the article.

Mr. Justice Whittaker ordered that sources of information for the article be disclosed. He said the information would tend to show "what inquiries the defendants made to check the truth of the statements complained of before publishing them."

Mr. Fraser was also ordered to say what he meant by certain words contained in the alleged libel and whether the words used were a reflection on the plaintiff, attorney general in the coalition government, in his public office.

The court also designated 18 questions which the defendants need not answer.

Clarification Expected

MONTREAL (CP)—Clarification of air force policy at the scenes of future aircraft crashes is expected as a result of the findings of a board of inquiry into the Ville Jacques Cartier jet crash, an RCAF spokesman said Tuesday night.

An RCAF CF-100 jet crashed last week, setting fire to two homes and taking nine lives, including the two crew members.

At the opening of the board of inquiry Tuesday reports were heard of alleged mishandling of newspaper men by RCAF guards at the scene. The board is expected to wind up investigation today.

PRESENT FOR SHELLEY

BANFF, Alta. (CP)—Movie star Shelley Winters was presented with a military birthday present here Sunday. She was made honorary commanding officer for the day of 406 City of Saskatoon auxiliary squadron. The honor was bestowed by Wing Cmdr. A. A. Meters of Saskatoon.

'Mr. Banff' Is Journalist, Buffalo Trader and Doctor

BANFF, Alta. (CP) — Norman Luxton—Mr. Banff to his friends—has wrapped his life within the folds of Western Canada's colorful history.

Lean and erect, his dark eyes smiling from behind a high-bridged nose, Luxton, now 60, has watched the sprawling foothills blossom into an international playground.

Son of a newspaper publisher and a former newspaper man himself, he has lived a life of adventure. A friend of the Indian since his youth, he is one of the most popular and respected white men to be adopted into the Stony tribe.

Sure-Fire-Cure

He once cured the influenza-ravaged tribe by dosing them with whisky and aspirin tablets after they had given up hope.

He travelled the sea wastes from Victoria to the South Sea islands, edited a gossip newspaper at Vancouver, traded in buffalo herds and spent his holidays chasing wild horses through Rocky mountain passes.

Luxton came to Calgary in 1895 when it was just a village. He later moved to Banff and took an active part in its development. He helped organize the Banff advisory council, the Banff winter carnival and the Banff Indian days, a three-day show staged each year by Indians.

Born Into Journalism

He was born in a room of the building which housed the Manitoba Free Press, founded by his father, the late W. F. Luxton. He spent after-school hours sweeping floors there and learning to set type.

At 16 he moved into northwestern Ontario to apprentice as a clerk with an Indian agent at Rat Portage, now Kenora. Travelling in an eight-man canoe on treaty-paying trips, Luxton's job was to sit in the centre with the big iron cash box tied about his neck.

In Calgary, he worked as a printer-reporter and bill collector. He worked as agent for an eastern haberdashery firm after coming to Banff and later bought a small weekly newspaper, the Crag and Canyon.

The type was housed in cigar boxes and coffee tins when he took over the paper in 1902 and the little press hadn't been used for some time. Luxton sold out two years ago.

An Indian trading post he started still does a flourishing business and is one of the finest Indian museums on the continent. His summer and winter hotel was the first built in Banff.

TO HONOR BLIND MAN

TORONTO (CP)—S. R. Hussey of Halifax, a blind man who has worked for 60 years educating the blind, will be honored this week as the first person to receive the Canadian Council of the Blind's award of merit. Mr. Hussey, 80, expected here today or Wednesda for the presentation ceremony the council's annual dinner.

Will Losing A 'Sure' Win Put Out Yankees' Pennant Fire?

Stengel's Men Lose to Senators After Manager Thought He Had Game in the Locker

By BEN PHLEGAR
Associated Press Sports Writer

If winning a game already given p for lost was the spark that igited the New York Yankees' penant drive, will losing a game that ooked like a sure victory be nough to put out the fire?

It's tough to pick one game as he starting point of a surge toward the flag. But you can make pretty good case for the Yankees' uly 25 encounter in Detroit when hey fought back from a 10-1 deficit o win from the Tigers 15-1 with our runs in the 12th inning.

They went on to capture 17 of heir next 23 games.

Then came Tuesday night. Chicago White Sox took a couple of queakers from St. Louis Browns -3 and 2-1. The Yankees, using ookie Bill Miller, toyed with Washington and led 8-1 after six innings.

Reynolds Knocked Out

Clyde Vollmer and Mickey Vernon homered in the eighth and when Ed Fitzgerald opened the Washington ninth with a single, Casey Stengel figured it was time o bring on Allie Reynolds. Then he settled back to watch the big chef polish off the Senators.

But Reynolds quickly gave up four tallies to put the tieing run on third base. Stengel frantically waved in Tom Gorman who gave up a walk and a single to Vollmer that tied the score.

Then Stengel switched to Johnny Sain. Jim Busby greeted him with a triple good for two more runs. Sain eventually retired the side, but the damage totalled seven runs. The final score was 10-8 for Washington.

Night Of Close Games

It was a night of close games with six of the nine major league contests decided by a single run. In other American League action Boston Red Sox defeated Philadelphia Athletics 2-1 and Detroit the National Brooklyn Dodgers outedged Cleveland Indians 3-2. In lasted New York Giants 4-3 in 13 innings, Philadelphia Phillies nipped Pittsburgh Pirates 1-0, St. Louis Cardinals thumped Chicago Cubs 5-1 and Milwaukee Braves ran up the biggest margin of the evening in whipping Cincinnati Redlegs 8-2.

Brilliant Relief Hurling

The Dodger riumph featured brilliant relief pitching by both clubs, Jim Hughes and Clem Labine holding the Giants hitless over the last eight innings. Labine worked five of those innings, Hughes three. Larry Jansen struck out 11 men in eight innings of relief for the Giants.

Robin Roberts came on in relief to save Steve Ridzik's shutout over Pittsburgh after Ridzik twisted his ankle in the seventh inning.

Eddie Mathews his his 38th home run in Milwaukee's triumph to tie Wally Berger's all-time Braves' record for homers set in 1930.

Gerry Staley gave up a home run to Chicago's Eddie Miksis and five other harmless hits in [illegible] Harves Haddix as a 15-game winner for the Cardinals.

High For Season

In the White Sox' first victory over the Browns, Virgil Trucks struck out 12 men, high for the season in the American League for a nine-inning game. Bob Boyd hit a two-run homer.

Steve Gromek beat the Indians for Detroit on six hits and drove in the winning run.

At Boston Maury McDermott posted his 13th victory at the expense of Harry Byrd and the Athleics.

ROYALS SOCCER CHAMPS

MONTREAL (CP)—New Westminster Royals Tuesday night won the coveted Football Association of Canada Challenge Trophy by virtue of a 1-1 tie in the third and deciding game of a best-of-three series at Delormier Stadium here.

The Royals played Montreal Hakoah to a scoreless tie Saturday and then defeaed the Montrealers 2-0 Sunday night. Tuesday night's win gave them the best-of-three series.

Rochester Wings Threaten to Take Over Leadership

By THE CANADIAN PRESS

The hepped-up Rochester Red Wings are threatening to take over the International League leadership from Buffalo Bisons as the pennant race moves into the home stretch.

The soaring Wings handed the Herd a 12-5 shellacking Tuesday night at Rochester for their sixth straight victory. The contenders pasted four Bison hurlers for 15 hits for the second night in a row and vaulted to within 1½ games of the leaders.

While Rochester climbed, Montreal Royals skidded. The Royals, last year's pennant winners, suffered a double loss to Baltimore Orioles, 6-5 in 11 innings and 9-2. This left Montreal four games behind Buffalo and only two games in front of Baltimore.

Increase Win Streak

Springfield Cubs increased their winning streak to five straight by downing Ottawa Athletics 6-3 and Toronto Maple Leafs swept a twin affair from Syracuse Chiefs. 4-0 and 11-4, led by steady pitching in one game and powerful hitting in the second.

Pookie outfielder Tom Burgess drove in four runs for Rochester on a pair of doubles. Buddy Hicks and Bill Tuttle homered for Buffalo.

Baltimore fans saw Ron Mrozinski limit the Royals to three hits in the nightcap. Jack Sanford and Ken Heintzelman gave up 11 Montreal safeties in the extra-inning first game, the latter gaining the victory.

Big Scoring Innings

The Cubs came through with two big scoring innings in their triumph over the A's. They smashed five hits for four runs in the second and added two more in the eighth Gene Tarabilda who started for Springfield, drove in the first two Cub tallies but Ottawa pecked away at him and he finally had to leave in the sixth with none out.

Righthander Don Johnson got the opening shutout win for the Leafs at Toronto—his 12th victory for this campaign. Lew Morton hit his 14th homer for the winners.

The nightcap saw Vic Lombardi collect his ninth victory, although relieved in the seventh. Ed Stevens sent home four runs for the Leafs with a double and a three-run homer—his 14th—and Mike Golliat belted a two-run round-tripper—his 13th.

Mythical 'Ashes' May Return To Great Britain

LONDON (Reuters)—The mythical "Ashes" of English cricket are about to return home from Australia for the first time in 20 years, barring some unforeseen disaster.

England, with nine wickets in hand, needs 94 runs to beat Australia at the oval here today and so win the current test series between the two countries.

The Ashes date from the "funeral" of English cricket in 1882, when Australia defeated England at Test cricket for the first time. An obituary notice appeared in a famous English newspaper marking the "cremation" of English cricket. The two countries have been fighting for the Ashes ever since.

Cricket fever swept the country Tuesday as England took its first inning total to 306, a lead of 31 runs over the Australians.

Results

The English spin bowlers Jim Laker and Tony Lock rapidly brought about the collapse of Australia's second innings for 162 runs.

By close-of-play Tuesday night, England stood at 38 runs for the loss of captain Len Hutton and looked certain of hitting 94 runs needed to clinch the game.

County cricket results:

Nottinghamshire 233 and 127, Essex 178 and 145. Nottinghamshire won by 37 runs.

Middlesex 155 and 271, Worcestershire 399 for nine declared and 37 for no wicket. Worcestershire won by 10 wickets.

Glamorgan 229 and 63 for three, Sussex 255. Match drawn.

Yorkshire 323 for four declared, Surrey 258 for seven. Match drawn, no decision.

Derbyshire 290 for nine declared and four for no wicket, Leicestershire 132 and 161. Derbyshire won by 10 wickets.

Warwickshire 204 and 239 for eight declared, Hampshire 163 and 151. Warwickshire won by 29 runs.

London Pitcher Displays Skill

LONDON, Ont. (CP)—Southpaw Marv Liley, London pitcher, displayed the skill which sent him through the regular season in undefeated fashion as he set the Brantford UAW-CIO Juniors down 4-2 in the opening game of their best-of-five series for the junior intercounty title, here Tuesday night.

The youthful flinger allowed but six hits, walked three and fanned 14. He was in trouble only in the seventh and ninth innings but the only Brantford tallies crossed the plate in the seventh when Don Rowe drew a pass and rode home on Kent McDowell's homer into deep right centre.

334-YD. HOLE IN ONE

OSSETT, England (Reuters) — Harry Haley of Leeds Monday night scored a hole in one on the 334-yard 18th hole of the golf course here. This —is six yards short of the longest hole in one ever recorded in Britain. The longest recorded in the world are 425 and 435 yards in the United States.

Argonauts' Frank Clair Has His Hopes Held High But Keeps Fingers Crossed

By WILF GRUSON
Canadian Press Staff Writer

TORONTO (CP) — Frank Clair, on his record the most successful of the American coaches who have invaded Canadian football, leads his Toronto Argonauts into the 1953 Big Four season with his hopes high and his fingers crossed.

The studious, efficient former coach of the University of Buffalo is aiming at another Grey Cup title with the club that without argument has become the glamor team of football because of its outstanding success competitively and financially.

It already is assured of another highly successful season financially with a record pre-season ticket sale of around 15,000 for each of its seven home games in the 27,500-seat Varsity Stadium. Clair helped achieve that in his new and other role this season as the club's general manager but the toughest part of his job lies ahead.

Chances "Pretty Good"

It involves guiding the Scullers to their third Grey Cup since he became coach four years ago. He did it in the 1950-52 seasons and Clair—not one to make rash statements—summarizes his chances of doing it again as "pretty good" with one string attached.

"The other three clubs in the Big Four are all improved," he says. "But we are also and if we can get by with a minimum of injuries, our chances are pretty good."

The Argos, who won the Big Four title last season by defeating Hamilton Tiger-Cats in a three-game playoff and then whipped Edmonton Eskimos for the Grey Cup, have lost only one key player from last year's championship squad—defensive halfback Ed Soergel, now in the United States army.

Better Defensively

However, Clair believes he has strengthened his defensive team considerably with the addition of two imports chosen on the all-American defensive team last year. They are halfback Bobby Moor head from Georgia Tech and Don Moomaw, a towering, 220-pound, six-foot-four-inch linebacker from the University of California.

They will be two of the 11 imports Argos will carry until Oct. 1, with only eight playing each game. On that date the import limit must be cut to eight for the remainder of the season. Unless he changes his mind, Moomaw, who is studying for the ministry, plans to play only one month and then return to college.

Clair's selection of his 11 imports probably won't be made until a few days before the club opens the season against Montreal Alouettes Aug. 26 in a twi-light game here. On present indications, he'll probably go along with six of last year's imports for the full season in addition to Moorhead and Moomaw if the big linebacker should decide to stick around for the full schedule.

Last Year's Imports

The six imports with the club last year and their last American teams are: Quarterback Nobby Wirkowski, Miami University (Oxford, Ohio); offensive halfback Ulysses Curtis, Florida A and M; offensive end Al Bruno, Philadelphia Eagles; offensive end Zeke O'Connor, New York Yankees; defensive tackle Jack Carpenter, Buffalo Bills; and defensive centre Red Ettinger, New York Giants.

The other imports Clair can choose from are quarterback Don Panciera, Chicago Cardinals; offensive end Al Pfeifer, Fordham University; offensive guard Joe Soboleski, Dallas Texans; defensive centre or guard Jim Slowey, Georgetown University; offensive full backs Clarence Johnson, Northwestern University, and Tom McKeever, University of Cincinnati; and Johnny Pont, a fast, tricky running halfback who starred with Toronto Balmy Beach of the Ontario Rugby Football Union last season.

Besides all these Americans there is veteran defensive half Billy Bass, now classified as a non-import.

The Argos are again well-stocked with Canadians. Among them are halfbacks Rod Smylie, Royal Copeland, Ted Toogood, Don Smylie, Steve Karrys, Johnny Fedosoff, Jack Grey; tackles Pete Bennett, Lorne Parkin, George Arnett; guards Marshall Hames, Don (Shanty) McKenzie, Les Ascott, Bob Marshall, Jack Roberts; centre John Shore, ends Art Scullion, Bud Fowler; and second-string quarterback Joe Krol, who again will be the club's first-string kicker.

The most promising rookies are guard Merve Collins and end Ron Whatton, both up from Argos' Balmy Beach farm club.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS

Pitching—Clem Labine, Brooklyn Dodgers, pitched five hitless innings in relief and won his fourth game in seven days as the Dodgers edged New York Giants 4-3 in 13 innings.

Batting—Clyde Vollmer, Washington Senators, hit two home runs and drove in the tieing run with a single as the Senators whipped New York Yankees 10-8.

Ohio State Law Student Takes Target Title

VANDALIA, O. (CP)—Fred D. Waldock Jr., 23-year-old Ohio State law student from Sandusky, O., Tuesday outshot 705 of the finest gun pointers in the United States and Canada to win the North American clay target championship.

Waldock tied at 200 straight with Maynard B. Henry, 38-year-old Los Angeles lawyer, and then defeated the westerner 50-49 in a shoot-off for the day's big prize at the 54th Grand American Trapshoot.

George Genereux of Saskatoon led the Canadians by cracking 198 out of 200 targets. Other Canadian scores included: John J. McHale, Jr., of London, Ont., 192; G. A. McAteen of St. Thomas, Ont., 190.

Iva Pembridge, 27-year-old teacher from Philipsburg, Kan., won the women's North American championship. She broke 195 of 200 targets from 16 yards.

Wrenched Knee Of Vic Seixas Standing Up

BROOKLINE, Mass. (AP)—Vic Seixas' wrenched right knee, which threatened to blight the U.S. Davis Cup team's doubles hopes, stood up remarkably well as he and Tony Trabert of Cincinnati, romped through their postponed opening tennis match Tuesday at Longwood.

Seixas came here from Newport Casino, where he suffered his injury while dropping Sunday's final singles match to partner Trabert. He was provided with a flexible knee supporter.

Trabert and Seixas whipped Chancey D. Steele and Bob Stewart of Cambridge, Mass., 6-1, 6-1, 6-4.

Wimbledon team champions Lewis Hoad and Ken Rosewall, top-seeded Australian threats, had easy second-round assignments ousting San Francisco's Ed Chandler and Gerald Stratford 6-4, 6-1, 6-2. The Aussies' second-ranking pair, Mervyn Rose and Rex Hartwig, brushed aside Longwoodites Arthur Hills and Bob Joslin 6-1, 6-3, 6-1.

Lorne Main of Vancouver and Paul Willey of Montreal moved into the third round by defeating Jules Cohen of Providence, R.I., and Jerry Slobin, West Hartford, Conn., 9-7, 7-9, 6-1.

Sports Roundup

By GAYLE TALBOT
(Associated Press Sports Writer)

GROSSINGER, N. Y. (AP)—Driven by a determinaton to become recognized as a great heavyweight champion before he is through, Rocky Marciano is drilling perhaps even harder for his coming defence against Roland LaStarza than he did when he was a challenger.

The axiom that a fighter will let down to some extent once he has the golden bauble in his grasp is positively not for him, says the Brockton, Mass., belter.

"What I want to do now is not just beat La Starza," he says seriously. "I want to beat the next eight men and establish myself as the best so everybody will know it. The last knockout over Joe Walcott wasn't satisfactory as far as I was concerned. I suppose you could say I have pride in my fighting ability. There's no danger that I'll suffer a let down in this one."

Rocky has a great deal of respect for LaStarza and he expects the boy from the Bronx to give him a hard fight on the night of Sept. 24, but he is deeply confident that he still will be the champion when it ends, either by a knockout or a decision.

"I remember from our other fight that he's hard to hit," he conceded readily. "I can't remember that I ever caught him real solidly, even though I had him down. He doesn't have too much foot-work, but he moves around a lot from the waist up. However, I think I've learned a lot about how to hit a man in the 3½ years since we fought.

"I see that Roland thought he had me hurt toward the end of our other fight. Maybe he did think so, but I honestly can't recall that I felt any of his punches much. In fact, that's been my main recollection. It was close, sure, but after all they gave me the verdict.

"I had no preference at all whether I should fight him or Ezzard Charles. Al, (manager Al Weill) never asked me what I thought. Whichever figured to draw the most money suited me, and that was in Al's department. I'll be happy to give Charles the next chance if that's the way it works out."

Supremus Wins First Two Heats Of Fast Pace

Supremus, owned by Harry Inglis of Brighton, and fresh from a couple of wins at Thorncliffe Raceway, was an easy winner of the first two heats of the fast pace at the Belleville Fair as the racing season was opened in this district on Wednesday. Miss Chipso, who was knocking at the door the first two heats, had enough left to beat the speedster in the final heat of the 2.17 pace.

In the 2.28 class for green pacers, a full field of eight faced the starter at the gate and three heat winners were the result. Before the racing started the horsemen approached the committee to have the races reduced to two heats as dashes but the committee felt that the advertising stated three heats to a race and every heat a race and this would have to stand. It is probable by next year that only dash races will be held as the horsemen have a number of engagements and do not like to race their horses all the afternoon.

Harry Inglis took Supremus away from the gate flying in the first heat of the fast pace and was never headed although Ruth Harvester gave him a tussle through the lane. In the second heat Inglis was away again and Miss Chipso nearly nipped him at the wire. In the third heat, Supremus ran out of gas and Miss Chipso came home an easy winner.

Lucky Rhumba Grattan, a local owned horse from Cannifton was the best of the 2.28 pacers but could not stand prosperity and Billy Elgin was the heat winner. In the third and final heat, Serenity, the only trotter in the field, came home on top as four horses battled from the head of the stretch for the honors. In the first heat Miss Port Hope fell but no damage was done only to the sulky.

The starting gate was used and every start was nearly perfect. The gate was handled by Roy Mitchell of Brighton with Cameron Bunnett making the announcements on the races as they progressed. The new grandstand is a decided improvement with respect to witnessing the races. The crowd enjoyed the afternoon's sport.

2.17 Class

Supremus, — H. Inglis Brighton	1	1	2

Louise Suggs, Partner Win Over Marlene

TORONTO (CP)—Louise Suggs, leading money winner among United States professional women golfers, and amateur Phil Farley fired sub-par golf Tuesday to defeat Marlene Stewart, British amateur champion, and professional Bob Gray by three points in a low ball and aggregate exhibition.

Miss Suggs, from Atlanta, Ga., put a one-under-men's-par 70 together with Farley's three-under 68 to win over Canadian close champion Miss Stewart of Fonthill, and Gray, who fired 73 and 68 respectively.

The match, with one point for low ball and another for low aggregate on each hole, went to the 17th before the result was apparent. On the 17th, Farley, veteran amateur from the Toronto Scarboro club where the match was played, dropped a 35-foot putt for a birdie and two points.

Gray, Scarboro pro, and Miss Stewart couldn't catch up.

SUPERTEST Power-thrust

St. Louis Flyers Sell 5 Players

ST. LOUIS (AP)—St. Louis Flyers Tuesday began breaking up their American Hockey League club with the sale of five players.

The Flyers have suspended their franchise for this season and must dispose of all professional players they own. The club can retain amateurs on the reserve list.

Goalie Red Almas of Saskatoon and wingers Harry Taylor of St. James, Man., Ken Hayden of Montreal and Bert Hirschfeld of Halifax were sold to Buffalo Bisons. Defenceman Brent McNab of Watson, Ont., was bought by Syracuse Warriors.

WAS INSURANCE EXAMINER

TORONTO (CP)—Archibald D. Jamieson, 65, chief insurance examiner with the federal government, died today. Born in Morrisburg, Ont., he came here in 1910.

Boxer Dies After Being Hit Under Heart

MIAMI BEACH, Fla. (AP)—Robert L. Lee, a sergeant at the Miami U.S. marine base, died Tuesday night a few minutes after he was hit under the heart in the first round of a four-round preliminary fight at the Miami Beach Auditorium.

Lee, an obscure middleweight fighting under the name of Bobby Leonard, was pronounced dead by Dr. S. Joseph Pearlman when he was carried to his dressing room. Pearlman said he appeared to have suffered a brain haemorrhage.

Lee was matched with Kenny Yates, Miami.

Yates was booked on a charge of involuntary manslaughter and released in custody of promoter Chris Dundee.

Shannonville Wins Opener 6-5 From Cannifton

Shannonville drew first blood in the finals of the South Hastings Baseball League by defeating Cannifton 6-5 on the Cannifton diamond, Monday evening.

Shannonville took an early lead when Lorne Maracle drew a walk in the first inning. He stole second and came the rest of the way around on Sero's single. They added another in the second when Pat Maracle scored on a single by Les Reid.

Cannifton squared things in their half of the second, when they got two on a double, two singles and a walk.

In the third, Shannonville got three on a walk, a pair of singles and a homer by Pat Maracle. They got the game winner in the fourth when Reid scored on a single by Stewart.

Cannifton added another in the fourth and two in the sixth but they couldn't quite catch the Shannonville squad.

Les Reid started on the hill for Shannonville. He struck out and walked two. He was relieved in the last inning by Green. The last inning was not completed because of darkness.

Bradden went all the way on the hill for the losers, striking out four and giving away three free passes.

Pat Maracle led the winners in the wood department with a four bagger and a double, while Stewart, Sero, Green and Bennett each collected singles.

Petrie led the losers at the plate with a brace of doubles while Cole rode the ball for a triple, Sheffield shared the spotlight with a duo of singles. Mathews, Marner and Philips each connected for singles.

Score by Innings:		R.	H.	E.
Shannonville	113 100 00—6		6	3
Cannifton	020 102 00—5		8	3

Scorer—Art Hall.

B.C., Manitoba To Play Off For Title

TORONTO (CP)—The semi series of the Canadian junio crosse championships between ish Columbia and Manitoba c pions will open in Winnipeg 8, the Ontario Lacrosse As tion said Tuesday.

Chuck Rowan, OLA secre said it will be a best-of-three ies. The second game will b Winnipeg Sept. 10. A third, if n sary, will be played Sept. 1

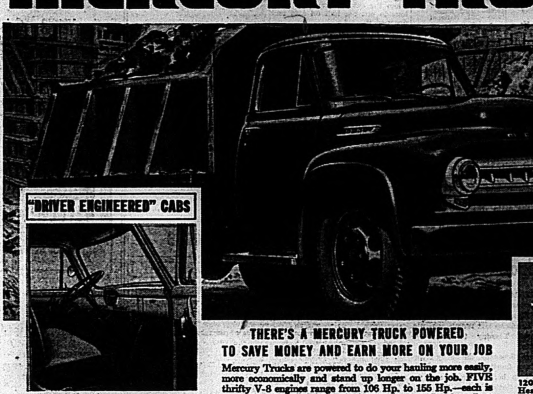
The western champions will Ontario for the Canadian title the Minto Cup in a best-of series starting Sept. 14. There be games Sept. 16 and 18. The ciding game, if needed, will Sept. 19. The association has decided where the finals wil staged.

Greatest power range in Mercury Truck history!

5 GREAT V-8 ENGINES 106 Hp. to 155 Hp.

Completely NEW

MERCURY TRUCKS



MAKE DRIVERS' JOBS EASIER

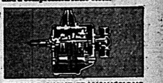
Mercury "Driver-engineered" Cabs are "built-around-the-driver". There's roominess, new comfort and new visibility. New cab suspension cushions bumps to prolong cab life. New instrument panel has "cockpit" cluster of big instruments—all controls are positioned for passenger car handling ease and safety. 18 new features make the driver's job easier, safer, more efficient. New one-piece curved windshield—full width rear window—new extra deep side windows—allow extra visibility and safety. New exterior design—smart new interiors.

THERE'S A MERCURY TRUCK POWERED TO SAVE MONEY AND EARN MORE ON YOUR JOB

Mercury Trucks are powered to do your hauling more easily, more economically and stand up longer on the job. FIVE thrifty V-8 engines range from 106 Hp. to 155 Hp.—each is teamed with proven Loadomatic Economy. Synchro-silent transmissions are "standard", provide smooth easy operation year after year. New stronger axles have built-in durability—there's new axle ratios to "tailor" truck to your job. The greatest power range in Mercury Truck history makes it easy to choose the Mercury Truck built with the "just right" power combination for your business.

Mercury Trucks offer completely new truck design, and feature—new shorter turning radius for easy, fast handling—new chassis for strength—new springs for added truck life—new brakes for safety—and many more dollar-saving features. Here's the greatest line of Mercury Trucks ever built—8 series—17 wheelbases—over 100 new models from 4,000 to 27,000 lbs. G.V.W. and up to 55,000 lbs. G.C.W. Ask your Mercury Dealer about the Mercury Truck that's built and powered to save money and earn more on your jobs.

120 HP. V-8 ENGINE—Canada's Heavy-Duty "Champ"—has big power reserves that handle tough truck assignments while saving gas. Has a piston displacement of 255 cubic inches and a compression ratio 6.8:1.



SYNCHRO-SILENT TRANSMISSIONS ON ALL MODELS—at no extra cost—Steering column gearshift is "standard" with all three-speed transmissions. Automatic Transmission or Overdrive available on Series M-100 at extra cost.

HORSE SENSE BRIDGE

By SAM GORDON

The Kibitzer

Master bridge players find the competition pretty keen among their own kind. Each crowds the opposing pair to extreme capacity. The weaker side is often willing to overbid.

The results are most often practical, however. One side makes no bones about taking a defeat that will be less than the other side could make. And, when possible, this side tries to gum up the works.

Take the deal shown here:

NORTH
♠ K 6
♥ J 9 8 5
♦ 3 2
♣ K Q 10 8 5

WEST
♠ Q 9 8 7 3 2
♥ —
♦ J 10 5
♣ 9 4 3 2

EAST
♠ J 5 4
♥ 10 7
♦ A K Q 9 8 7 6 4
♣ —

SOUTH
♠ A 10
♥ A K Q 6 4 3 2
♦ —
♣ A J 7 6

With masters bucking each other, suppose south opens with a bid of two hearts. East and west are likely to defend high with diamonds and spades. South and north would not buy it without a struggle.

When it gets around to east he might hop right to five diamonds or six. This is because east knows his opponents have a slam after the first exchange of bids by that pair.

However, customary bidding would probably go like this:

2 H	Pass	3 C	3 D
3 H	3 S	4 H	5 D
5 NT	6 D	6 H	6 S
7 H	Pass	Pass	Dbl

The opening bid of two hearts is forcing to game. The immediate response of anything other than two no-trump promises a sure trick of some kind. This indicates a slam is worth investigating.

Five no-trump is the convention signal for showing two kings. This prompted south to believe in seven.

All this bidding is interesting. But the main feature will be found in the double by east. More space is needed to tell you about it. You will find it worth hearing.

Sport in Brief

DEL MAR, Calif. (AP) — Canadian-owned Royal Serenade, winner of Hollywood Park's $50,000 American Handicap last month, was discovered Tuesday to have leg trouble.

Royal Serenade, the heavy favorite, ran fourth in the San Diego Handicap here Saturday and the crowd indicated by boos that many blamed jockey Johnny Longden.

Max Bell of Calgary, partner in Alberta Ranches, Ltd., owner of the horse, said an examination disclosed he had "suspensory ligament trouble and a suspicion of osselets" in the left front ankle. Osselets is a bony growth that can cripple a horse.

Bell said Royal Serenade would be laid up, probably until next winter.

SARATOGA SPRINGS, N. Y (AP)—The "race of the century" between Native Dancer and Tom Fool was a step closer Tuesday with the announcement that both horses have been nominated for the $50,000-added Sysonby Mile at Belmont Park Sept. 26. Alex Robb, Belmont secretary-treasurer, said there are approximately 30 other nominations for the race.

Remember When

By THE CANADIAN PRESS

Don Bradman and W. H. Ponsford set an all-time partnership record for any wicket in test cricket 19 years ago today at the Oval in London. The Australian pair rolled up 449 runs—Bradman scoring 244 and Ponsford 205 not out. Ponsford went out next for 266.

AT THE McCARTHY — Loretta Young and John Forsythe are co-starred in Universal - International's new heartwarming comedy, "It Happens Every Thursday," closes tonight at the Odeon McCarthy Theatre. 2nd feature stars John Wayne, Marlene Dietrich and Randolph Scott in "Pittsburgh."

Regent Juniors Take Second Game From Liftlocs by 8-4

By PETER UPPER

Bryson Reid's Regent Juniors took the second game of their best-of-five series 8-4 from the Peterborough Liftlocs. The third game is up in the Canal City Friday evening.

The Regents ran true to form taking an early lead and holding it for the rest of the game. They started off in the second when Gilmour walked. He stole second, went to third on a passed ball and came home when Pammett dropped another. They added a pair in the third when Stephens started the rally with a single. He went to third on an error to the left fielder and scored on an error to the catcher. Dougie Hull walked, stole second and third and came in on a fielder's choice.

They went all out in the fourth with a four run splurge. Strahan started it off with a single. Ash bounced one off Hall's chest and Strahan went to second. Casey banged the ball to the infield and while the fielder made up his mind where to throw it everybody was safe. Stephens then proceeded to drive in two runs.

Doug Hull grounded out and Goyer poled a triple and scored when the catcher was over anxious to put the ball on him and dropped it.

The Liftlocers tried to come back in the fifth when they tallied twice but after the two runs came across, they went down in a row and the threat was cut off.

The Regents got their last in the sixth when Stephens walked, went to second on a passed ball and came around on Goyer's single.

Again the boys from the Liftlock City threatened in the ninth but after they pushed across two more they went down in order and the game was over.

Strahan Goes Route

Strahan went all the way on the hill for the winners getting nine on strikes and walking four.

The Liftlocs used three pitchers but to no avail as indicated by the score. Ash started on the mound for the losers but was relieved in the fourth by Foley, who in turn was relieved in the sixth by Frizzelle. Ash struck out one and walked two in three and one-third innings. Foley worked for one and one-third innings and struck out one and walked two. Frizzelle went the rest of the route striking out four and not issuing a free ticket.

Goyer led the Regents at the plate with a triple and a single. Gilmour, Strahan and Stephens got the other hits, each a single.

Byrne and Frizzelle shared the spotlight for the losers at the plate. They both connected on Strahan's curves for doubles. Foley, Sullivan, Pammett and McGrath each touched the ball for a single.

Goyer drove in five of the eight runs for the Regents with Stephens coming across three times.

The only twin killing of the game came in the ninth when McGrath was on first. Ferguson grounded to Hull who fired to Goyer at second. Goyer relayed the toss to Meade at first and the double kill was completed to end the game.

Lineups:

Liftlocs: Byrne 3b; Frizzelle rf, p in 6th; Foley 1b, p in the fourth, 1b in sixth; Sullivan cf; Pammett c; Snape lf; McGrath 2b; Ferguson ss; Ash p, 1b in 4th, rf in 6th.

Regents: Hull 3b; Goyer 2b; Carr cf; Gilmour ss; Batchelor rf; Strahan p; Hall c; Casey lf; Greer lf in 8th; Stephens 1b; Meade 1b in 8th.

Score by innings		R.	H.	E.
Liftlocs	000 020 002—	4	6	2
Regents	012 401 00x—	8	5	2

Umpires: plate Calladine; bases Pointer and Dolan. Scorer P. Upper. Time 1.50.

Golf Course Scheduled For Clobbering by Experts

By JACK SULLIVAN

Canadian Press Staff Writer

MONTREAL (CP)—This 6,515-yard par-70 course is due for a terrific clobbering.

That was the consensus of experts around this northwest Montreal layout today as the vanguard of the 142 shotsmiths from Canada and the United States went out for final practice rounds before the $25,000 72-hole four-day tournament starts Thursday. The flat course appears made to measure for the guys who make a living from golf.

An indication of things to come was shown Tuesday when the pros and amateurs made their initial appearance for the tournament. Sight unseen, they kicked around par figures as if they were lifelong members of the club.

First to report a sub-par round was Wally Ulrich of Austin, Minn., a late arrival who casually toured the layout in 66. Included in his round were a flock of "gimmes"—four- and five-inch putts that he didn't even bother to shoot for.

Record Will be Broken

In chips-down competition it might be a different story, but for anybody who smacks a ball down the middle—and who can't do that amongst the pros who make this game their bread and butter?—the course record of 66 conceivably could be broken.

The guess around the clubhouse is that anybody who can turn in a 268—12 strokes under par—could pick up the $5,000 first prize. Comparisons are no yardsticks, but in 1935 Gene Kunes made it in even-par 280 when he won the Canadian Open here 18 years ago.

Along with Ulrich, some of the travelling pros made a monkey out of par figures for the course. Julius Boros of Mid Pines, N.C., 1952 United States Open titleholder, and Fred Wampler of Indianapolis each scored a 68. Tommy (Thunder) Bolt of Maplewood, N.J., was four under par 32 on the front nine.

FIGHTS LAST NIGHT

By THE ASSOCIATED PRESS

Syracuse, N. Y. — Pat Manzi, 146½, Syracuse, stopped Joe Miceli, 146½, New York, 6.

Miami Beach, Fla. — Harold (Baby Face) Jones, 138, Detroit, and Glen Flanagan, 136¾, St. Paul, drew, 10.

Brooklyn — Viennie d'Andrea, 155½, New York, knocked out Phil Rizzo, 155½, Brooklyn, 1.

Allentown, Pa. — Frankie Alotta, 163, Allentown, stopped Charlie Bright, 1, Philadelphia, 7.

Los Angeles — Cosco Andrade, 135, Los Angeles, outpointed Freddie Herman, 136, Los Angeles, 10.

AT THE CAPITOL—Death Struggle. Rock Hudson and Maxwell Reed are rival smugglers who work at cross purposes to aid a woman of mystery, played by Yvonne De Carlo in "Sea Devils," Technicolor adventure romance directed by Raoul Walsh and opening Thursday at the Capitol Theatre. On the same program "Rebel City" starring Wild Bill Elliott. Both hits are first Belleville showings.

Football Training Notes

By THE CANADIAN PRESS

Argo coach Frank Clair said he was expecting import Bobby Moorhead, defensive backfielder from Georgia Tech, in today and three or four more boys soon after.

As a cure for Argos' humiliating 24-3 defeat by Winnipeg Blue Bombers at Winnipeg Monday—following a 28-16 whipping at Edmonton Friday—Clair prescribed work—hard, often and long. He expects the Scullers in better form Aug. 26 for his home opener against Montreal Alouettes.

At Montreal, Alouette coach Doug (Peahead) Walker gave the boys a rest as reward for their 17-12 victory over Calgary Stampeders Monday. The win gave them a split in exhibitions—they lost 16-6 to Saskatchewan Roughriders Friday.

Walker had news of another import ace, Dewitt (Tex) Coulter, former Army tackle and during the last few years a star lineman with New York Giants of the United States National League. He's expected to show up in Montreal shortly, Walker said.

AT THE BELLE—Donald O'Connor and Debbie Reynolds sing, dance and romance, in M.G.M.'s lilting new Technicolor musical, "I Love Melvin," co-starring Una Merkel, Richard Anderson and Allyn Joslyn, starting today at the air conditioned Belle Theatre at regular prices. Tom & Jerry's latest cartoon "That's My Pup" is an added attraction.

Sonny Forbes Gets Decision Over Madalin

TORONTO (CP)—Sonny Forbes of Toronto Tuesday night decisioned Eddie Nadalin of Guelph in the main match of a seven-bout amateur boxing card at East York Arena. Their 147-pound go was a five-rounder.

Other results:

140 pounds—Joe Hogan, Hamilton, decisioned Johnny Lapadula, Toronto. (five rounds).

135 pounds—Dave Mancuso, Toronto, decisioned Paul Kenny, Barrie. (five rounds)

Your Individual Horoscope

By FRANCES DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR THURSDAY, AUGUST 20, 1953.

March 21 to April 20 (Aries)—No sporting others' adverse points this day. And no complacency, either—thinking you have all the answers. A better day if you make it so.

April 21 to May 20 (Taurus)—Can be favorable for routine and everyday problems if common sense rules are applied. The new may take more thinking. Add to your resources by taking advantage of new methods.

May 21 to June 21 (Gemini) — Plenty of openings, good possibilities in business and personal affairs. Be smartly aware of what's going on around you. Observe trends, be willing to sacrifice some to achieve.

July 22 to July 23 (Cancer) — Unusual and surprise lifts from friends may carry you to new gains if you are worthy and alert. Merchandise matters, public needs, yield better returns for better effort.

July 24 to August 23 (Leo) — Freshly beneficent rays for financial transactions, advertising, promotion, agriculture, vacation and student activities. Curb overenthusiasm and don't be tempted to go too far.

August 23 to September 23 (Virgo)—Stay away from the proverbial outer limb in personal desires, and forget those things that should be dismissed or forgotten. You've got what it takes. Don't spoil anything by sentimentality.

September 24 to October 23 (Libra)—You must have foundation and resources back of whatever you have in mind today. Dare to try the new but have sane goal and methods. Worthwhile ideas plus fortitude will give you a fine chance.

October 24 to November 22 (Sagittarius)—The old "everything comes to him who waits" may be applied today, with reservations. Don't dally when you should act but the slower pace does yield more in the long run.

December 23 to January 21 (Capricorn)—Moderation where it is vitally needed in this mostly auspicious period will bring more than good results. Tackle the hard jobs first, then routine tasks will naturally fall in easy line.

January 22 to February 20 (Aquarius)—Some daring, in properly studied form, can yield considerable gains. There may be surprise and, possibly, unforeseen changes. Be ready to act quickly albeit quietly for your own good.

February 21 to March 20 (Pisces)—Mixed vibrations. Some excellent openings for the unusual, for money, property deals. Then again you may have to reverse, pull up shortly and review before acting. In all events, think!

YOU BORN TODAY: Your planet, the Sun, indicates power, an active mind, good nature and generosity. You make friends readily, and can keep them—a fine characteristic! You are ambitious, independent, sometimes too determined. You have little trouble making your points in life and rightly educated, (which you can do at any age!) can go far in the business or professional world. A stage career or other work in which you have contact with the public is suited to your personality. Keep even balance, avoid impulsiveness.

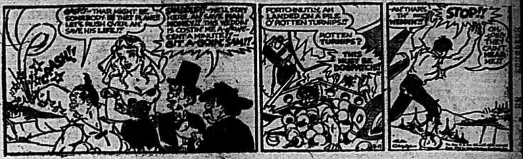
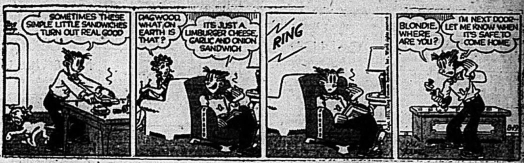
L'IL ABNER — By Al Capp



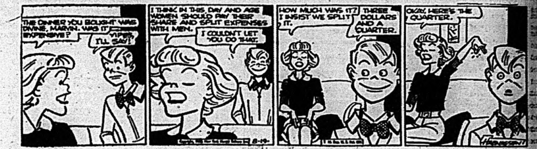
GASP!!—THAR MIGHT BE SOMEBODY IN THET PLANE!! LET'S RUSH OVER AN' SAVE HIS LIFE!!
SHADDUP!!—WE'LL STAY HERE AN' SAVE MAH MONEY!! THIS WEDDIN' IS COSTIN' ME A-A-TWO-CENT A MINUTE!!—GIT A-GOIN', SAM!!
CRASH!!
FORTCHNUTLY, AH LANDED ON A PILE O' ROTTEN TURNIPS!!
ROTTEN TURNIPS?
THIS MUST BE DOGPATCH!!
—AN' THAR'S TH' WEDDIN'!!
STOP!!
OH, —SOB— THEY CAIN'T HEAR ME!!

BLONDIE — By Chic Young



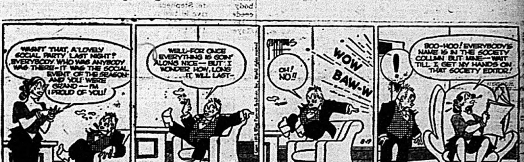
SOMETIMES THESE SIMPLE LITTLE SANDWICHES TURN OUT REAL GOOD
DAGWOOD, WHAT ON EARTH IS THAT?
IT'S JUST A LIMBURGER CHEESE, GARLIC AND ONION SANDWICH
RING
BLONDIE, WHERE ARE YOU?
I'M NEXT DOOR— LET ME KNOW WHEN IT'S SAFE TO COME HOME
8-19

PENNY — By Harry Haenigsen



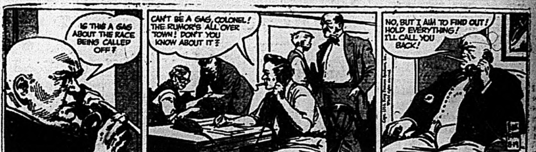
THE DINNER YOU BOUGHT WAS DIVINE, MARVIN. WAS IT EXPENSIVE?
YIPES, I'LL SAY!
I THINK IN THIS DAY AND AGE WOMEN SHOULD PAY THEIR SHARE AND SPLIT EXPENSES WITH MEN.
I COULDN'T LET YOU DO THAT.
8-19
HOW MUCH WAS IT? I INSIST WE SPLIT IT.
THREE DOLLARS AND A QUARTER.
OKAY, HERE'S THE QUARTER.
HAENIGSEN

BRINGING UP FATHER — By George McManus



WASN'T THAT A LOVELY SOCIAL PARTY LAST NIGHT? EVERYBODY WHO WAS ANYBODY WAS THERE—IT WAS THE SOCIAL EVENT OF THE SEASON— AND YOU WERE GRAND— I'M PROUD OF YOU!
WELL—FOR ONCE EVERYTHING IS GOIN' ALONG NICE— BUT I WONDER HOW LONG IT WILL LAST—
OH! NO!!
WOW
BAW-W
8-19
!
BOO-HOO! EVERYBODY'S NAME IS IN THE SOCIETY COLUMN BUT MINE— WAIT TILL I GET MY HANDS ON THAT SOCIETY EDITOR!

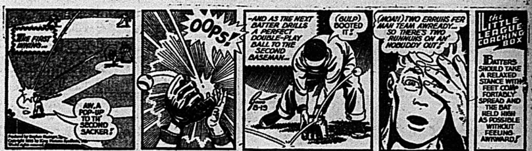
RUSTY RILEY — By Frank Godwin



IS THIS A GAG ABOUT THE RACE BEING CALLED OFF?
CAN'T BE A GAG, COLONEL! THE RUMOR'S ALL OVER TOWN! DON'T YOU KNOW ABOUT IT?
NO, BUT I AIM TO FIND OUT! HOLD EVERYTHING! I'LL CALL YOU BACK!
8-19

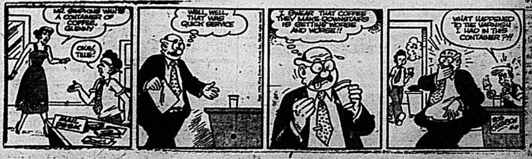
OZARK IKE — By Ray Gotto

Wanted! Newspaper Carriers. — Apply Ontario Intelligencer Office.



THE FIRST INNING...
AW, A POP-UP TO TH' SECOND SACKER!
OOPS!
—AND AS THE NEXT BATTER DRILLS A PERFECT DOUBLE-PLAY BALL TO THE SECOND BASEMAN...
(GULP) BOOTED IT!
8-19
(MOAN!) TWO ERRUHS FER MAH TEAM AWREADY... SO THERE'S TWO RUNNUHS ON AN' NOBUDDY OUT!
THE LITTLE LEAGUE COACHING BOX
BATTERS SHOULD TAKE A RELAXED STANCE WITH FEET COMFORTABLY SPREAD AND THE BAT HELD HIGH AS POSSIBLE WITHOUT FEELING AWKWARD!

TILLIE THE TOILER—By Bob Gustafson



MR. SIMPKINS WANTS A CONTAINER OF COFFEE, GLENNY
OKAY, TILLIE!
MAIL DESK
WELL, WELL, THAT WAS QUICK SERVICE
I SWEAR THAT COFFEE THEY MAKE DOWNSTAIRS IS GETTING WORSE AND WORSE!!
WHAT HAPPENED TO THE VARNISH I HAD IN THIS CONTAINER ?!!
BOB GUSTAFSON 8-19

British Military Policeman Back In West Berlin

BERLIN (Reuters)—Soviet authorities Tuesday released a British military policeman detained Monday night after an incident on the West Berlin-Soviet zone border, a British Army spokesman said.

The soldier, L. Cpl. Thomas Reeves, 23, reported to his unit in West Berlin with his jeep, which the Russians had also been holding.

Soviet guards opened fire on the jeep when it inadvertently crossed the border. Reeves' companion escaped under a fusillade of bullets.

Earlier in the day East Berlin police shot at a group of about 10 men and women running from the Soviet to the French sector. They killed one man.

A statement by the East Berlin police, published by the official East German news agency ADN, said the dead man was Theodor Schulz, 51, "a wanted criminal".

FOREST FIRE

(Continued from Page 1.)

Indians from nearby Bersimis reservation joined special volunteer lumbermen flown from the St. Lawrence river south shore to combat the major blaze which has already consumed more than 165 square miles of Quebec forest lands.

Aided by bulldozers, axes, pumps, and other fire-fighting equipment, some 600 men are clearing 200-yard firebreaks six miles north of here to stop the flames.

These defences have not yet been tested, but one official said today: "It will take an act of God to stop the fire."

Travel Banned

All forest travel has been banned by the Quebec government along the St. Lawrence river north shore from Montreal to Sept Iles, a distance of about 600 miles.

Col. Edward Reynolds, of Toronto, national director of the Red Cross' disaster service, arrived in the fire-stricken area by plane Tuesday to aid in planning mass evacuations—if they become necessary.

"Potentially this fire holds a pretty dangerous threat for the people down here," Col. Reynolds said.

UN GIVES

(Continued from Page 1.)

Another 400 able-bodied American repatriates start the voyag home Saturday on the troopshi Marine Adder.

450 Coming Thursday

The Communists said 450 Allie prisoners would be repatriate from North Korea Thursday.

The group will include 60 Amer cans, 90 British and 300 South K reans.

This is the largest group of Bri ish returned on a single day sinc the prisoner exchange began Au 5.

In addition to the 75 America freed today, there were 75 Britis and 306 South Koreans, raising t total in 15 days to 6,083 of t 12,763 Allied soldiers the Reds sa they held.

Moving back to life under Co munist rule were 602 shouting fla waving North Koreans, the sma est group of Reds yet deliver by the UN command.

Transfer of Reds from pris camps off South Korea to the ma land has been hampered by phoon weather and UN comma said it would be unable to retu more prisoners until Saturd when it will hand over the u 2,400.

Inspection Starts

While the flow of prisoners c tinued without incident, neutral spection teams started operati at ports of entry in South Ko

After a week of ironing out ministrative problems, the 11- teams from four neutral count began inspecting UN military sonnel and supplies pouring in out of five South Korean port

And Peiping radio said the C munists have set up offices a five North Korean ports of e to maintain liaison with inspec teams which arrived Monday.

Romania Down to Monotonous Level by Russian Rule

(Editor's Note: For the first time in five years four American correspondents have been permitted by Communist Romania to visit that forbidden Balkan country. This is the first of several articles by the Associated Press chief of bureau in Vienna, who was among them).

By RICHARD O'REGAN

BUCHAREST (AP) — Communization of Romania has made the faces of 16,000,000 Balkan people like identical masks—but it has not yet destroyed their souls.

Outside of Russia, probably no Soviet satellite has gone so far in bringing down to one monotonous, miserable level the thoughts and actions of a racially - mixed people.

Bordering on Russia, Romania's rich oil supplies are vital for the Soviet Union. Every sign points to more and more Sovietization for Romania and perhaps its eventual incorporation into the Soviet Union as a 17th republic.

Many Substitutions

But deeply hidden, there is national restlessness and even a little organized resistance.

As feudal princes and Fascists before them, the Communists have substituted murder for life and dictatorship for liberty. If there ever was real happiness or gaiety in a land of hungry peasants and wealthy landowners, westerners who know the past say there is less today.

"Nowadays, when we want to celebrate and be happy, we have a party when a friend comes out of jail," said a former middle-class woman.

Life has been communized to the smallest detail of existence. Individuality, which despite oppression always marked the national groups of Germans, Hungarians, Greeks and Romanians, seems to have disappeared.

Men wear the same shirts and shabby trousers and women identical cotton prints from the machines of the Gheorghiu-Dej ready-made clothes factory. The necktie has been abolished (except for the new Communist aristocracy) and costume jewelry is a rare, luxury item.

To remain unshaved is the mark of the "new man." "Tovaras" is the new greeting.

Recreation Out

Recreation has been mass-organized to the extent where even a Communist worker said: "I have to get away for a few hours on my bicycle to escape the street radio." But he can't go far without police checks.

Hour after hour, insistent, nerve-shattering and deafening loudspeakers on the streets mix propaganda with Russian music. Radiofication—as it is called—pipes controlled programs into loudspeakers which cannot be adjusted in thousands of town and village homes, factories and farms.

No time is allowed for individual thought or action. If not attending political lectures or "cultural" events, the Romanian today is rushed in buses to take part in parades.

"Only the party big-shots can see the parades," explained a Western diplomat. "The public is forced to march in them."

With its own peculiar morality, communism cut out completely Bucharest's once-gay night life. Golf courses have been made into military training grounds, gambling casinos into lecture halls.

Enterprise has been almost 100 per cent socialized. Only a few private artisans, like tailors and shoemakers who cannot get cloth or leather, remain. And a few beggars.

Latent Unrest

There is the latent unrest of the city masses. In the mountains, diplomats say, there have been sporadic indications of organized bands. Peasant villages in the foothills are frequently searched by police for weapons. An apparent underground ground group blew up a textile store in Bucharest recently.

All live in the hope that, with the new trend of east-west relations, Romania may shake off the Russian yoke.

"When the time comes and I hope it will be soon," said a streetcar conductor, "fully 85 per cent of us will rise up against communism."

Wet Weather Causing Some Wheat to Sprout

TORONTO (CP)—Wet weather has caused wheat in some parts of the province to sprout in the head, the Ontario department of agriculture said Tuesday in its weekly farm report.

The condition was particularly prevalent in Simcoe South and Prince Edward counties. In some other sections grain was reported badly lodged but the grain crops generally were reported good.

In contrast, weather in Northern Ontario has been dry and potatoes have suffered in Cochrane North. The grain harvest has begun in the north and ranges in quality from good to excellent. In Kenora, the hay crop is so heavy that much will not be saved.

Heavy rains scattered through eastern Ontario have caused some damage. Most crops in Carleton have been flattened and grain is not too well filled. There is rust on much late grain.

Yields of wheat in Dundas county vary considerably, with some farmers reporting more than 75 bushels to the acre. Harvesting in some sections has been delayed.

Can Convert New Bus For Ambulance Use

HALIFAX (CP)—A new type Callow-chair coach is to leave here today for Ottawa and Toronto. It's a coach that can be converted in minutes to a civil defence emergency ambulance.

The new bus is another product of the fertile brain of Walter Callow, 58-year-old blind, paralyzed and legless Halifax war veteran. Ordinarily it will carry 12 wheelchair patients to sports events, fairs and outings in the country. In an emergency it can carry 18 to 20 stretcher cases and 10 walking patients.

Other convertible Callow coaches are planned and the two previously built will be made convertible for ambulance use.

In Ottawa the coach will be exhibited next week at the Central Ontario Exhibition. It will appear later in Toronto at the Canadian National Exhibition.

Buyers' Market In Steel Is Near

NEW YORK (AP)—A buyers' market in steel is just around the corner, Iron Age, national metalworking weekly, says today.

"With two-fifths of the market declining, and the balance blowing hot and cold, steel demand has to come down from its pentup pinnacle," the trade magazine says.

Steel producers have been expecting this easier market since May, Iron Age says. The shift was gaining momentum the last two weeks, before the fire in General Motors' transmission plant gave it an extra push.

"The pendulum will swing faster now," the weekly predicts, emphasizing, however, that a fourth quarter decline already was expected.

Despite the addition of 2,000,000 to 3,000,000 tons of new capacity, steel mills operations during the summer have ranged near capacity.

"Automotive and warehouse customers together account for nearly two fifths of all steel shipments," Iron Age notes. "Both are headed for a decline."

BOTH WILL APPEAL

CALCUTTA (AP)—For burning eight effigies of U. S. State Secretary Dulles in a public park last May when he was visiting India, two Bengali Socialists were fined 25 rupees ($5.28) today by a city magistrate. The alternative was 10 days in jail. Both will appeal.

WILL BE TOWED

SINGAPORE (AP)—The Singapore tug Gripper left today to take in tow the Japanese tanker Fujisan Maru, disabled 420 miles north of here. The 9,775-ton tanker radioed Tuesday night that her engines had broken down and she was helpless between Bangkok and Singapore. The ship is loaded with a cargo of Iranian gulf oil for Japan.

Violins Made by New Zealander Nearly Equal to 'Strad' in Tone

By J. C. GRAHAM
Canadian Press Correspondent

AUCKLAND, N.Z. (CP) — Alan Loveday, noted violinist, has found a violin in New Zealand that he thinks will be as good as a Stradivarius in a few years. It was produced by an architect who makes violins as a hobby.

Loveday's own Stradivarius cost nearly $9,000, his new instrument $220. For some time he had been seeking an instrument of fine quality so that he would not have to use his "Strad" constantly. As soon as he ran the bow over the strings of a violin shown him by R. R. G. Beatson of Auckland, he knew he had found what he wanted.

Uses N.Z. Woods

"I have always been interested in present-day violins," he said. "This one is by far the best I have seen. A unique feature is that it is made of New Zealand woods. The instrument is not particularly outstanding in appearance, but it has an excellent tone.

"In the month I have had it I have played it for only a few hours, but the newness is already wearing off. The tone improves each time I take the instrument out of its case. It seems amazing, but I am certain that within a few years this violin will equal the Stradivarius."

Loveday said that until its true mellow tone began to come out he would not use the new instrument for broadcasting or recording, but would soon begin to use it at concert performances.

Beatson began making violins some years ago in his spare time. He started with several initial advantages—a knowledge of timber, a well-equipped workshop, and skill at woodworking.

Because imported woods were not available in the immediate post-war years, Beatson made an exhaustive acoustic study of locally grown timber. Mill foremen became used to seeing him spending whole days picking up offcuts and tapping them.

Two Violins A Year

Eventually he selected Canadian spruce for the fronts of the instruments and mangeau for the backs. Mangeau he found a difficult timber to work successfully, but it paid off in results.

He thinks the old masters gave some sort of treatment to the timber to finish off the seasoning process, and he has developed a method of his own. His work is careful and exacting and he turns out only two violins a year.

Asked whether he had also developed skill at playing his violins, he said: "I make a noise, and that's all. Making them is my hobby and it has its own satisfactions."

New Mount Sina Hospital Opened

TORONTO (CP) — The Mount Sinai Hospital on Univer Avenue, which has cost $7,300, and has been 12 years in the pl ning and building, was officia opened Tuesday.

Premier Frost cut the ribbon Arthur Cohen, building commit chairman, rolled the cornerst into place after a copper box c taining several thousand names been put into a niche.

After the ceremony, a la crowd went into inspect the floor hospital, one of the most m ern in North America.

COMPOSER HONORED

NEW YORK (AP)—Otto H bach, composer and lyricist, w honored on his 80th birthday Tu day night at a banquet here by American Society of Compose Authors and Publishers. Harba former president of ASCAP, is author of such popular hits "Indian Love Call," "Gian Mia," "Smoke Gets in Your Eye and "Yesterdays."

Relief Flows to Thousands of Earthquake Victims

After five days of earthquakes the population of islands of Cephalonia, Zante and Ithaca, near Greece, have been rendered virtually homeless. Here are a few of the victims of the village of Sami, on the island of Cephalonia, hunting through the ruins of their home to salvage some of their belongings. Relief is being shipped and flown to the stricken areas on the islands. The quakes are said to be the result of the shifting seabed between the islands of Zante and Cephalonia.

Expression of agony can be seen on the face of this Ionian Island woman as she is helped ashore following her rescue from the battered Greek islands demolished by earthquakes. Last reports estimate the dead at 1,500, the injured at 4,000 and more than 100,000 men, women and children left homeless. Rescue teams from the nations of Great Britain, the United States, Israel and the mother country of Greece evacuated thousands.

Wracked by earthquakes, the island of Zante (off Greece) is a scene of complete destruction, result of a fury of natural forces comparable to man's A-bomb. Homes have been turned into a rubble of brick and plaster as fire followed the earth tremors to complete the devastation. — Central Press Canadian Photos.

Grain Storage Plugged With Unsold Stocks

MONTREAL (CP)—Lack of buying of Canadian grains by overseas countries is reported to have plugged most grain elevators from Fort William, Ont., to the Atlantic seaboard.

One shipper said today he hasn't seen anything like it in more than 20 years.

Main storage elevators at the grain ports of Fort William and Port Arthur were jammed to the point of bursting as were transfer point grain storage facilities at Georgian Bay ports, Port Colborne, Kingston, as well as Halifax and Saint John.

There never had been so much grain stored at the Atlantic coast port elevators at this time of year but shipments had to be sent there to relieve the situation at inland elevators.

There was no immediate sign of improvement.

One steamship official said the wheat movement out of Montreal, Quebec, Sorel and Trois-Rivieres "is almost at a standstill."

"We have so much wheat available we have run out of space to store it. The situation could become serious with the new crop coming in."

He said the failure of Britain to sign the International wheat agreement has been one of the factors in cutting down exports from Canadian ports. Another was the fact so much wheat had been shipped in the early months of the season, storehouses in the United Kingdom also were plugged.

Engine Trouble Forces Carrier Back to Port

HALIFAX (CP)—Engine trouble forced the aircraft carrier Magnificent back to port Tuesday for the second time in two days. She turned to the naval dockyard here for repairs to a turbo-generator.

The trouble will delay departure of the carrier and the cruiser Quebec for a training cruise to United States ports.

The Maggie and Quebec first sailed Monday. Generator trouble developed and the carrier returned Monday night while the cruiser waited outside the harbor.

A second start was made Tuesday morning, but again trouble occurred in the Magnificent's turbo-generator. This time the Quebec came back too. Repairs are expected to take several days.

Legend of Dancing Gypsy Girl Attracts Crowds to Italian Hamlet

By JAMES M. LONG

ROME (AP) — Want to see a gypsy girl, barefooted all the way up, dance by harvest moonlight to appease the ancient river gods?

Hasten by all means to tiny Gonzaga, in the wheatlands of Italy's Po river valley. Be there Sept. 7.

But come without illusions. Many cynical modern day observers doubt it will happen this year, even though it's a tradition 500 years old.

Gypsies have gone modern, too. When reporters and movie cameramen start showing up in the village of Gonzaga next month, they'll find the sun-bronzed children of the highways looking down their noses at many of the old customs.

Gonzaga Fair

Some in modern limousines, many in trucks, and families by the score in horse-drawn wagons already are crossing north Italy for the annual Gonzaga fair of the "Romany folk."

They've entered northwest Italy from France and Spain in their annual trek. Others are filtering through from the mountain passes of the northeast, saying they are from Slovakia, Bohemia, Moravia, Transylvania, Hungary — and as far as Armenia.

Only they know how long their journey really was, or how they crossed forbidden borders.

The ceremony of the nude virgin dance dates back to the 14th century and—so the gypsies say—has taken place regularly ever since.

Back in those days of knights and princes, the Duke of Mantova set aside a bit of land between the Po and Mincio rivers, near Gonzaga, and said gypsies could camp there as they would.

They did. But along came a flood one year and many drowned. So since that time, according to their tradition, they have had the dance once each year by harvest moon to appease the river gods and let the Romany folk camp in peace.

It's supposed to happen here.

Some Take Peeks

Farmers have peeked a few times. They've seen the vast encampment—horse and car caravans parked for hundreds of yards along the road.

They've heard the singing and the twang of guitars by campfire. They've locked their children in, and ventured forth to swap horses cautiously, and trade for minor goods.

But none so far actually claims to have seen the moonlight dance.

Only the gypsies say it really happens, every year.

This year's encampment opens Sept. 7. It usually lasts a week—or as long as good horse trading holds up.

SAFE RIFLED

PETERBOROUGH (CP)—Theft of $2,038 from a safe in the office of Household Finance Corporation's Peterborough branch was reported Monday. Ross Rice, corporation representative, reported the theft when he opened the office and found the second-storey suite unlocked. The office safe also was unlocked and the cash box missing.

Body Recovered

GRAND BEND CP)—The fully-clothed body of an unidentified woman, about 35 years, believed to be a Chatham resident, was recovered from the Ausable river here Tuesday.

An autopsy is to be performed today by Dr. C. N. Partington, pathologist, at Sarnia General Hospital.

A registration card at a local hotel indicated that the woman came from Chatham.

Police said the woman arrived in Grand Bend Monday night to look for a job and registered at the Imperial Hotel. She went out during the evening and did not return.

NO DOG'S LIFE

DETROIT (CP) — Zenis Lively filed suit for divorce Monday. One of his complaints was that his wife gave him dry peanut butter sandwiches for lunch while her dog ate club steak.

MADOC

MADOC.— The Vacation Bible School held in Trinity United Church School rooms recently proved most successful. There were seven denominations represented with a total enrolment of 126 and an average attendance of 100.

The school was under the supervision of Mrs. Jack Smith with a program consisting of Bible study, music, handicraft and recreation.

Teachers were, Mrs. Walter Wilson, Mrs. Archie Adams, Mrs. Walsh, Mrs. H. Briptnell, Miss Robinson, Rev. James Poynter, Rev. F. J. McPhail, Mrs. Vernon Reid; assistants, Betty Atkinson, Carolyn Reid and Joan Martell.

Mr. Pat Garvey of Lindsay, spent Sunday with Mr. and Mrs. Pogue.

Mr. and Mrs. Ralph Smith and family, of Peterborough, spent the week with the former's mother, Mrs. E. Smith.

Mr. and Mrs. James Burns have returned home after two weeks' holidays with relatives at North Bay.

Mrs. Ivy Roblin, of Toronto, spent the week-end with her father, Mr. I. Broadworth.

Mr. and Mrs. Mel Hubble, of uffalo, N.Y., are camping at asa Loma, Moira Lake.

Mr. and Mrs. Carl Smith and mily of Hamilton, are visiting e former's sisters, Miss Anna hith and Mrs. Charles Derry.

Mrs. James Irwin, of Peterborgh, is visiting Mr. and Mrs. McCoy.

Mrs. Stephen Hoard and Mr. in McDonald of Stirling, spent Sunday with Mr. and Mrs. B. Tanner.

Mrs. C. Moon, Miss Gehan and Miss Hughina Clarke are spending a few days with Mr. and Mrs. Hugh Rodgers, Perth

Believe U.S. Ready To Accept India At Korean Parley

Main Western Rift Healed Largely Thanks to Canada

By H. L. JONES
Canadian Press Staff Writer

UNITED NATIONS, N.Y. (CP)—The main Western rift over the makeup of the political conference on Korea—the seating of India at the peace table—is believed about to be bridged, UN informants said today.

The United States, which has opposed inclusion of India in the face of British-Canadian insistence that she attend, is said to be ready to relax her opposition, at least to the point of not vetoing India's participation.

It is expected the American shift will become apparent within the next day or two at meetings of the UN's political committee, top UN policy-making body which is wrestling with the problem of who shall attend the political parley to decide the future of Korea.

Canadian Role Important

If and when the shift is made, observers say Canada can take a good share of the credit for it. It is known that Canada's chief delegate, Health Minister Paul Martin, along with External Affairs Minister L. B. Pearson, have been pressing the U.S. on the necessity of having at the conference such a powerful Asian country as India, which has played a large role in making the Korean armistice possible.

Pearson, of course, acted in these discussions strictly as Canada's external affairs minister and top policy spokesman and not in his capacity as president of the UN general assembly.

U.S. opposition to India's attendance is said to stem directly from a South Korean threat to boycott the political parley if the Indians are there.

Has Been Embarrassing

The split in the Western camp has been somewhat embarassing. Wednesday Russia's Andrei Vishinsky, in the course of a speech in which he called for a "round table" rather than a "two sides" conference, took some sharp jibes at Western disagreement over who should represent the UN.

He also sharply criticized American diplomacy and charged South Korean President Syngman Rhee with seeking—with American help—to prevent an agreement on Korea. But he used softer language when he spoke on the main point of the makeup of the conference and left that door open.

Martin Answers Russia

Vishinsky followed Martin. The chief Canadian delegate, in a 15-minute speech rejected Russia's proposal for conference attendance only by 11 nations—the U.S. Britain, France, Red China, North Korea and South Korea, the Soviet Union, India, Poland, Sweden and Burma. The latter five are not Korea combatants which the U.S. has insisted are the only countries entitled to places at the peace table.

Ambassador Henry Cabot Lodge, Jr., chief U.S. delegate, also rejected the Russian proposal.

Martin rejected the Russian proposal on the ground it did not include Canada, which he said had a right to be there. He also opposed it because of a proviso that decisions could be taken if consented to by Korean armistice signatory nations. This, said Martin, would leave South Korea with little voice since she did not sign the armistice.

Russia Should Attend

Martin said Russia should attend the peace conference and "take her full share of responsibility not only for peace-making but for peace-keeping."

Urging India's attendance, he appealed indirectly to Rhee—and perhaps to the U.S.—in these words:

"I would earnestly appeal to, as the saying goes, 'absent friends', not to block the participation of any state whose presence is essential for the holding of an effective conference.

"It is the responsibility of every one of us to consider and urge the interests of our own government and people, but no one leader or nation today can, in this interdependent world, legitimately frustrate the will of most of its friends on an issue of not merely local but world-wide importance."

INJURED BY TOWEL

MT. VERNON, Ind. (AP)—Gene Morlock, a young Posey county farmer, swished a bath towel around his neck so forcefully after his Saturday night shower that he dislocated a spinal vertebra. He was taken to hospital Monday.

Dynamite Stick Blows Corner Off House

TIMMINS (CP)—A stick of dynamite set off in a wall Wednesday night blew a corner off the home of Kenneth Myers, a Broulan Reef gold mine shift boss who has been passing regularly through picket lines at the strikebound mine, police said.

Myers was away from the home when the blast rocked the 27-year-old log dwelling in a residential section of neighboring South Porcupine. His wife and child were away on holidays.

The explosion also caused minor damage in an upstairs apartment occupied by Mr. and Mrs. Casper van Leeuwen, who came here from Holland a year ago with their three sons. Van Leeuwen is not a mine worker.

Police Chief Charles McInnis of South Porcupine said he felt the blast while visiting friends some distance away. After investigating he was sure it was dynamite, he said.

Will Ask Recount

EDMONTON (CP) — Orvis A. Kennedy, national organizer of the Social Credit party and unsuccessful party candidate in Edmonton-Strathcona in the Aug. 10 federal election, will ask for a recount, it was reported Wednesday. The aplication must be made within four days of the official count.

Final count announced Tuesday gave Ald. R. F. L. Hanna, Liberal candidate, a majority of 174 votes over Mr. Kennedy.

Cave Explorers Escape Death In Setting Record

LICQ ATHERA France (Reuters)—French cave explorers who Tuesday narrowly averted disaster in setting a world record 2,394-foot descent in the Pierre Saint Marin caves Wednesday ended their triumphant expedition.

Last to reach the surface from the bowels of the Pyrenees were two Lyon Boys Scouts, Michael Letrone and Daniel Epelly, who had spent the night on ledges inside the 1,247-foot vertical shaft leading to the caves.

Their task was to guide the steel cable by which Norbert Casteret, exepdition leader, and Robert Levi were hauled up Wednesday morning. Their companion, Dr. Robert Mairey, was hauled to safety late Tuesday night.

The trio were stranded at the bottom in the moisture-laden gloom Tuesday when the thin steel cable, representing life or death, jammed.

Surface workers got the cable working and the two scouts stayed below to guide the strand of wire past jutting rocks which might fray it.

FRENCH CABINET MEETS AS NEW STRIKES ORDERED

700,000 Metal Workers To Walk Out on Friday

PARIS (Reuters)—Strike orders went out today to 700,000 metal workers to join rance's national strike wave as the cabinet went into emergency session to decide action in the three-week-old crisis.

The metal strike was called by Socialist and Catholic trade unions for 48 hours beginning riday, after a meeting Wednesday night rejecting wage offers.

These other strikes also were called:

1. A 48-hour walkout at the Michelin tire factory of Clermon Ferrand, beginning Friday.
2. A 48-hour strike of building workers, to begin Friday.
3. A 24-hour longshore and seamen's strike, to begin today.
4. An unlimited strike by Renault car workers at Le Mans in Western France. At the main Renault plant in Paris, some 2,000 men were on strike Wednesday.

Strikers Returning

The government said striking postal, railroad and other transport workers were steadily going back to their jobs. Postal service had improved slightly and for the first time since the tieup began people could telegraph money to outlying areas.

About 1,000,000 workers in all now are on strike.

Effort to Settle Truckers' Strike Is Continuing

TORONTO (CP)—Talks aimed at settlement of the southwestern Ontario truck drivers' strike continue today at the office of Labor Minister Charles Daley.

A union delegation headed by James Hoffa of Detroit, international vice-president of the Teamsters' Union (AFL), Wednesday met with representatives of transport companies. No details of the discussions were made public.

The walkout, involving upwards of 1,500 drivers, has centred around Hamilton and Windsor and this week moved into the Niagara peninsula. It started July 20 and 36 firms were struck over the Hamilton and Windsor locals' demands for pay increases.

To Break Picket Lines

The Toronto local, not on strike, Wednesday instructed its members to smash through any picket lines that may be set up in Toronto by the Hamilton and Windsor locals.

A member of the Toronto executive said the instructions also apply to members in the Niagara peninsula, which is under the jurisdiction of the Toronto local.

In St. Catharines Wednesday night, a meeting which members of Local 879 of the teamtsers union said embraced 22 unions representing industries throughout the Niagara peninsula voted to support the striking truck drivers.

13TH POLIO DEATH

TORONTO (CP)—The death of a Toronto resident from polio was reported to the city department of health Wednesday, Dr. L. A. Pequegnat, medical officer of health, announced. He said 80 residents have been victims of the disease and five of them have died. Nonresidents have numbered 159 with eight deaths.

Bather in River Avon Leaves Water Quickly When Attacked by Large Rat

By KEN BOTWRIGHT

BATHFORD, Eng. (Reuters)—A four-foot-long rat, one of a colony terrorizing this village in Shakespeare's country, attacked a man Wednesday as he bathed in the River Avon near here.

"I have never been so scared in all my life," said Alan Hedges, 23. "It slid down into the water from out of some overhanging tree branches and made for me. I put my head down and fled.

"When I reached bank, it was only a few feet away and I could see its red teeth bared."

Hedges scrambled out of the water, picked up a stick, swatted his attacker and drove it away.

The animal is believed to be a coypu, a South American water rat with reddish-brown pelt, red teeth, webbed feet and long, naked tail.

Some years ago coypus were bred near here for their pelts and several escaped. They are thought to have formed a new colony on the banks of the Avon.

The people of Bathford have been clamoring to have the big rats rounded up since farmers discovered a dead one last week in a field near Sally-in-the-Wood, the local lovers lane and girls have vowed they won't go near the wooded vale until it is clear of them.

Villagers claim to have seen coypus in the neighborhood before the dead one was found. A motorist hit one at dusk recently and saw its "red, stary eyes" shining as it scuttled off the road into the woods.

Municipal authorities have set "traps heavy enough to hold a bear" all along the river banks near Sally-in-the-Wood in hopes of catching the coypus. But so far the traps have stayed empty.

Wildlife experts say the coypu is a vegetarian and won't attack humans.

Swimmer Hedges has an answer to that: "I don't believe it."

The Calm Before a Storm!

Andrei Vyshinsky, chief Russian delegate to the United Nations whose vitrilic tongue is well known to U.N. members, is affable enough here as he talks to reporters at the opening of the special United Nations General Assembly on Korea in New York. But it wasn't long after that he proved true to form by presenting a proposal that the Korean political conference be made up of 11 countries, including five who did no fighting in that war-torn land. The Russian resolution also proposed that decisions of the conference be considered adopted "if they have the consent of the parties which have signed the armistice agreement." This was seen by western officials as a subtle move to shut out South Korea from any major voice in the political settlement, since South Korea did not sign the armistice agreement. — Central Press Canadian.

U.S. Atomic Body Confirms Reds' Claim H-Bomb Tested

MOSCOW (AP)—The Russians announced today that they have exploded a test hydrogen bomb of "great strength." They coupled their claim with a new call for international acceptance of a Russian disarmament plan including a ban on atomic weapons.

(In Washington, the atomic energy commission confirmed that it had information on the Soviet "hell bomb" test, but implied that the United States had produced similar reactions in the 1951 and 1952 tests at Eniwetok atoll.

(A statement by chairman Lewis L. Strauss said the commission had information that the Soviets conducted an atomic test Aug. 12 and subsequent reports indicated the explosion "involved both fission and thermonuclear reactions." The latter is a term used by scientists to describe a hydrogen explosion.

(Indicating the Russian blast lagged behind American achievement, Strauss concluded: "Both the 1951 and 1952 Eniwetok test series included tests involving similar reactions.")

Official Announcement

This was the official Soviet announcement, as reported in the Communist party newspaper Pravda and broadcast by the Moscow radio this morning to the Soviet people:

"Recently in the Soviet Union, the explosion of a type of hydrogen bomb was carried out with experimental aim. As a result of the possession of the mighty power of thermonuclear fission in the hydrogen bomb, the explosion was of great strength.

"The test showed the power of the hydrogen bomb is many times greater than the power of atomic bombs."

The communique, which received only routine treatment in Pravda, said Soviet possession of the dreaded H-bomb offered no cause for alarm among peoples of other countries. It said the Russian government still favored international disarmament and a ban on weapons of mass destruction.

Recalling that Prime Minister Malenkov told the Supreme Soviet (parliament) Aug. 8 that the U.S. no longer held a monopoly of the hydrogen bomb, the statement charged that Malenkov's remarks had been used abroad "to cause alarm, using it with the aim of intensifying the armaments drive."

The Soviet government considers it necessary to declare there is not, and was not, any foundation for alarm," the communique continued.

Urge Ban On Use

"In accordance with the unchanging policy of the Soviet Union, directed toward the strengthening of peace and security of peoples, the Soviet government repeatedly offered to the governments of other countries the carrying out of a considerable reduction of armaments and the forbidding of the use of atomic and other kinds of weapons of mass destruction, establishing within the framework of the United Nations organization a strict international control of this prohibition.

"The Soviet government stands on this position at the present time."

Fire Department Has 45-Second Deadline to Meet

MONTREAL (CP) — Montreal's fire department has a 45-second deadline to meet every time a fire alarm is turned in.

In less than a minute after receiving a report of a fire, the department's "nerve centre" has warned the nearest station or stations and the reels are on the way.

The city's fire-fighting efficiency depends on a rapid-fire sending and receiving service, utilizing what is claimed to be the fastest telephone transmission hook-up in Canada. Known as the "conference call," it makes possible a direct five-second connection from headquarters on midtown Park Avenue to the department's 46 stations.

If an urgent message has to be relayed to district stations, the dispatcher plugs in a special conference call circuit and within seconds all stations are standing by.

Triple Check

When one of the more than 1,800 street boxes rings in, it signals the centre's staff to go into action. Each call is triple-checked—all within the 45-second limit.

The alarm box number is automatically punched on a roll of paper and the time the call is received is recorded automatically. An operator immediately checks a list of fire alarm boxes to pinpoint the fire. At the same time, he checks the intersection nearest the alarm box on a primary register.

His final check is on an oversize map of Montreal which shows him the fire station nearest the scene. The dispatcher rings the station and fire-fighting equipment rolls out of the station house—all within three-quarters of a minute.

All telephone calls to the main switchboard are recorded—in case the person calling gets excited and hangs up before the switchboard operator can ask him to repeat his message.

Last year more than 5,500 calls were received through the centre's switchboard.

HEART DISEASE LEADS

TORONTO (CP)—Diseases of the heart caused 1,573 deaths in Ontario during July, figures released by the registrar-general show.

The other leading causes of death during July were cancer, 712; vascular lesions affecting central nervous system, 582; and violent and accidental deaths, 401.

THE WEATHER

TORONTO. (CP) —Synopsis— Cool nights and warm pleasant sunny days will continue in Southern Ontario, as an extensive high pressure area drifts slowly southeastward across central United States. Cooler air from over Hudson Bay has pushed southward across the northern regions bringing widely scattered showers to these regions Wednesday night. This air will continue to press southward and causing widely scattered showers in central regions tonight and Friday.

DETAIN TWO MEN IN INVESTIGATION OF QUEBEC FIRES

Arson Is Suspected In Two Forest Blazes

By BERNARD DUFRESNE
Canadian Press Staff Writer

FORESTVILLE, Que. (CP)—Two men were detained today by Quebec provincial police as "important witnesses" in suspected arson in connection with two forest fires at nearby Ste. Therese du Colombier.

Police did not identify the men other than to say they were related and in their 20s. One man was said to be the other's uncle.

Police said the two men made statements which will be checked later. It was understood the statements were alibis.

The men are at Forestville under guard of police of the Anglo Canadian Pulp and Paper Company on the request of provincial police. Part of Forestville is owned by the company whose timber limits in this area, 100 miles east of Quebec, have borne the brunt of the main fire north of here. An investigation will continue today.

Fire Contained

The Ste. Therese fire now has been confined in an area of about one square mile although constant surveillance is necessary because of its proximity to the village.

The fire was first spotted Monday while crews of firefighters were battling the main blaze which began Aug. 7.

The spreading fire almost caused the entire village of Ste. Therese to be evacuated. Only prompt action on the part of fire fighters prevented the flames from spreading into the village.

A combination of hard-working firefighters and cool, humid weather has partially stopped the advance of the main fire—six miles north of here at its nearest point.

Showers Wednesday

Light showers fell in mid-afternoon Wednesday depositing .04 inches of rain. Since Tuesday 0.7 inches have been reported.

Theo Caron, chief forester for Anglo Canadian, said it was not enough to snuff out the blaze. He could not say whether the shower was a result of "seeding clouds" in the area, or "an act of God."

Overcast skies led protection authorities to hope a major downpour was in the offing. "Nothing short of three days' rain will extinguish the blaze," said Caron.

The fire, which has burned over During Thefire,which ⅞eca more than 165 square miles of timberland, has made no progress in the last 36 hours.

During the lull about 800 haggard firefighters have been busy making and enlarging fire-breaks around communities which would be threatened by the blaze should the wind increase.

Will Shoot Coons

ST. THOMAS (CP) — Armed patrols have been set up here to shoot raccoons because the animals have become such a nuisance to farmers and gardeners.

Hugh Lyle reported destroying 15 western outskirts of the city.

W. A. Allan, chairman of the St. Thomas public utilities commission, said he found corn in the co-operative gardens of the water department employees had been attacked.

AWARD TO BLIND MAN

TORONTO (CP) — Samuel R. Hussey of Halifax Wednesday night was presented with the first award of merit designed by the Canadian Council of the Blind. The award is for the person who has performed outstanding personal service to the blind. Mr. Hussey, who lost his sight at the age of nine, has been a teacher and was instrumental in having Braille books mailed free of charge in Newfoundland.

Mossadegh Caught By Shah's Friends; Fighting Resumed

Shah Tells Zahedi to Keep Former Premier From Mob

LONDON (AP) — The royalist-controlled Tehran radio today announced capture of Mohammed Mossadegh, ousted premier, but said new street fighting with Mossaid the new premier, Maj. Gen

Removed From Capital

Earlier dispatches from Tehran said the new premier, Maj.Gen. Fazollah Zahedi, had given the wily old Mossadegh 24 hours to surrender.

Late broadcasts from Tehran said Zahedi had started to form a new cabinet and had messaged the shah again to come home at once. Shah Mohammed Reza Pahlevi is in Rome preparing to fly home tonight.

Tehran radio said Wednesday Mossadegh's right hand man, former foreign minister Hossein Fatemi, had been torn to bits by mob violence in which 300 persons lost their lives. A dispatch from Associated Press correspondent Don Schwind this morning said police still searched for Fatemi.

The announcement of Mossadegh's capture gave no details beyond saying that the aged, ailing former premier, his wife and children were removed from the Iranian capital under the protection of the new pro-shah government.

Gen. Zahedi said the shah had instructed him to prevent Mossadegh being lynched by the street crowds. Zahedi added that Mossadegh would stand public trial.

"We will wait for the nation to say what should be done with him," Zahedi said.

Whereabouts of Mossadegh was not disclosed.

Fight In Streets

Tehran radio said some people were injured in the street fighting this morning. There was no elaboration.

The vagueness of the announcement about Mossadegh's capture led to some speculation that Zahedi's regime might have made the broadcast in the hope of breaking the spirit of pro-Mossadegh groups.

British informants said the Iranian people now were in such a volatile state that almost anything can happen there in the next few hours or days.

The Iranian mob which had kept the British-hating Mossadegh in power for 28 months drove him out Wednesday—with hundreds dying in the last-ditch stand at his home—and installed the premier the shah had named last week-end.

Estimate 300 Killed

Estimates put the dead at 300 or more in the fighting around key points in Tehran, but officials of the new government said the royalists took over with a minimum of bloodshed elsewhere in the capital and in the provinces.

The former premier's furniture, pillaged by the mob, was on sale in the city bazaar.

Fear Russian Pressure

British officials in London hoped Zahedi would move quickly to settle Mossadegh's two-year-old battle with them over the nationalized properties of the British-owned Anglo-Iranian Oil Company. Some London newspapers expressed fear however, that Mossadegh's upset would bring new pressure on Iran from her big neighbor to the north, the Soviet Union.

American officials in Washington were hopeful the new government would be able to stabilize the country and secure it against any Communist bid for power. State department officials were reported maintaining an attitude of watchful waiting.

There was no immediate reaction from Moscow. Moscow radio broadcast the news of the royalist take over today briefly and without comment.

Shah Plans Return

The 34-year-old shah cabled a call from Rome for the Iranian people to obey the Zahedi government and announced he would return promptly. He was reported trying to charter a plane to Baghdad, capital of Iraq, so he could fly to Tehran in the same personal plane in which he escaped from Mossadegh Sunday.

He and his 20-year-old wife, Empress Soraya, had fled after Mossadegh's forces in the army thwarted an attempt by the palace guard to enforce a royal decree installing Zahedi.

The shah's cable called on "all members of the armed forces and all civilian officials and all people of Iran to obey the orders of the prime minister, His Excellency Fazollah Zahedi, constitutionally designated by me to lead the legitimate national government of Iran."

The shah's twin sister, Princess Ashraf, hurried from Switzerland and joined him in Rome. Mossadegh had exiled her for her outspoken opposition to him.

Promises Reforms

Zahedi moved quickly to spike the guns of the outlawed Communist Tudeh party, often Mossadegh's backers. He broadcast promises of an eight-point program of social reforms for Iran's poverty-stricken 15,000,000 peasants. It included a raised standard of living, free health services, mechanization of agriculture, road construction and promotion of co-operative societies.

Zahedi also hurried to consolidate his military victory. Tehran's citizens were ordered to avoid demonstrations of any kind and troops were told to fire on any gathering of more than three persons.

May Have Surrendered

Mohammed Mossadegh

Former premier of Iran, is believed to have surrendered to his successor, the new royalist premier Fazollah Zahedi, who seized power when sections of the army and police turned against the wily old Mossadegh. Tehran radio, in a broadcast heard in London, said Mossadegh, his wife and children had been removed from the Iranian capital under the protection of the new government. — Central Press Canadian.

Bomber Shattered by Tremendous Blast, 12 'Chute to Safety, 1 Killed

PICACHO, Ariz. (AP)—A giant B-30 bomber was shattered by a tremendous explosion over the Arizona desert early today and plunged to the ground in flames.

The 12-man crew of the four-engine ship parachuted down to the rocky wasteland near towering Picacho peak.

The Pinal county sheriff's office at Florence, some 25 miles to the north, reported that many were severely injured. One died at the scene.

Ambulances rushed two of the critically-hurt airmen to hospital. Doctors sped to the scene with a ground rescue team from Tucson where the plane was stationed.

Glen Hathcock, policeman from Eloy, Ariz., was an eyewitness.

"I looked up and a big light seemed to be coming toward us," he said. "All at once it started falling.

"A second later it exploded. It lit up the whole country. You could have read a paper by it.

"When it hit the ground flames leaped hundreds of feet into the air," he said. "It looked like an atomic bomb."

(In Washington, air force headquarters said the plane definitely did not carry an atomic bomb.

City and District News

ONLY THREE CASES REPORTED IN CITY

There are numerous rumors circulating around the city concerning the number of polio cases in Belleville. Dr. A. M. Breuls, medical officer of health, said this morning, there are only three known cases, which have been reported this season.

However, there are a number of persons suffering from the disease outside the city limits. It is believed some of these may have been confused with Belleville. Also, because there are a few diseases bearing similar symptoms to polio, doctors hesitate to diagnose the malady until they are absolutely sure the patient is so afflicted.

TWO MORE PLACES UNFIT FOR SWIMMING

Two more waters in the city limits have been condemned by the city sanitary department. This brings to four the number of contaminated swimming spots.

The Old Beach behind the Ontario Cheese Producers' building and the Government Dock near the coal yards have given up Grade "D" reports, making them unfit for swimming.

NEIGHBORS' CARS COLLIDE ON ROAD

Two Thurlow township neighbors met Wednesday morning under circumstances other than which they wished. Driving cars in opposite directions Harry Morgan and Don Sills, both of R.R. 2 Halloway, collided on Thrasher's Hill three miles east of Halloway causing damages amounting to about $400.

Morgan was treated for scalp cuts by Dr. S. Demorest of Foxboro, while Sills escaped with a shaking up.

OVER SIX-POUND SMALL MOUTH BASS CAUGHT AT OAK LAKE

It isn't always that the far-off fields are greenest!

Proof of this is the landing of a six-pound, four-ounce small mouth bass caught at Oak Lake last week by Victor Henley, 19 Baptiste Street, Trenton. The fish was 21 inches in length and 15½ inches in girth.

The catch was witnessed by Alex Nathan of Oshawa and Milton Bird, owner of Bird's Beach at Oak Lake.

Y Youth Members Will Renovate Part of Basement

More than a dozen of the members of the Beta Hi-Y club Tuesday night pledged their voluntary assistance in a project to renovate the former games room and bowling alley in the basement of the Y.M.C.A. When the job is completed the "Y" will have a large all purpose room which will be suitable for social activities for youth of high-school age.

"All the young men who have volunteered will do the work in the evenings after they have finished a full day at their regular jobs", reported Lloyd Skeaff Y general secretary. "Therefore there enthusiasm and service is doubly commendable. Their willingness to do this job without any remuneration is most impressive in these times when the general philosophy of life appears to be "How much can I get out of it?" The Board of Directors and the staff of the Y.M.C.A. are encouraged to know that there is such a strong belief and interest in the Y.M.C.A. that these Hi-Y members are willing to take on such a large task with no reward except the satisfaction of doing the job."

The area which presently contains, a small games room, part of the bowling alleys and a store-room has been rather idle during the last few years. Several walls and partitions will be removed to make it into one large room suitable for games such as table tennis, or for club dances and meetings. A snack bar presently idle will be spruced up so that high-school age "Y" members will be able to purchase soft drinks.

"I feel confident that when the job is done, the "Y" will have a place which young people will enjoy gathering in either after school or in the evenings" declared Mr. Skeaff. "I'm sure that in the future many young people are going to be grateful for the job which these Hi-Y members are undertaking."

FAMILY TRADITION

BROCKVILLE, Ont. (CP) — Ed Hone, a railway engineer, thinks a son should walk in his father's footsteps. His son James is a fireman, Robert is a conductor and son-in-law Robert Grant an engineer.

Children, Guests of Shriners, Enjoy Day at Belleville Fair

If you can imagine a group of seventy crippled and unfortunate kiddies of Belleville and district attending an exhibition which has far surpassed the identity of a fair and has reached the importance of an exhibition in the eyes of the citizens of the people of this vicinity, you can readily appreciate the enjoyment of this group who attended the Belleville Fair and Exhibition of 1953.

On Wednesday morning under the presidency of Orliff "Boiler" Lloyd this happy group accompanied by their Shrine pals congregated at the Belleville Shrine Club ready and willing for a thorough day's fun afforded them through the generosity of Noble Frank Conklin of Conklin Shows, the Belleville Fair Board consisting of Harry Rollins, President, Tom Walker, Secretary, Ben Bleecker, Treasurer and the directors of that body. The transportation was ably mandled by Nobles Horace Wright, Checker Cab, and Noble Fred Rawson, Rawson Bus Lines and the assisting Nobles, who contributed their services and their cars for the occasion.

Moved to Grounds

At 10.30 a.m. the group moved off from the Shrine tent erected at the grounds by Noble Jack Bush and directed by Noble Tom Lewis. A tour of the buildings was made with the Shriners conducting the children in groups of from three to five including the stock barns, flower show and dealer and manufacturer displays and exhibits. Some of the kiddies were transported by motor by Noble C. M. Cawker due to the fact that their travelling was curtailed through their inability to travel as fast as the other children in the group.

At noon Noble Del. Storey announced the luncheon and rest period at which time the kiddies really did themselves justice by packing away a nice luncheon supplied by Noble Lee Grills, Noble Aubrey Coe, Gord. Base, Leonard Reid, Fred Reid. and the Shrine members.

After lunch Miss Sharon Rushlow, one of the kiddies very ably presented a small gift to Noble Frank Conklin, one of the hosts for the day, which was graciously received. Following this the kiddies and the Shrine "Poppa's" were ably conducted through the entire midway by Noble Frank's able assistant Mr. Telfer.

The kiddies got a tremendous kick out of the many sights and enjoyable rides afforded them by Conklin Bros. and their worthy associates. The performers and ride officials were most kind and considerate in handling a capacity crowd of excited and thankful kiddies, who were really out for a good time and had one of best days of their lives as was expressed by several of the kiddies of the group.

Visited Grandstand

At 2:30 the kiddies and their pals ascended the lovely new grandstand to witness a very nice display of stock judging and a racing card which really does the directorate justice for a fine show with thrills and excitement galore.

The Gus-Sun TV Show of 1953 under the management of Mr. Dick Jamieson and with the capable master of ceremonies Del Miller kept the capacity grandstand crowd well interested with the fine dispaly of talent throughout the afternoon intervals between races.

The kiddies were justly impressed with the attendance of Mr. and Mrs. Lashley, the first of which is the director of Agriculture and Horticultural Societies of Ontario and Mr. and Mrs. J. S. Walker, Mr. Walker being the president of Class "B" Fairs Association of our fair province.

Given Novelties

Following the afternoon grandstand performance the children and their guardians continued the tour of the midway after which they adjourned to the Shrine tent for a final treat and a distribution of novelties afforded them by their Shrine associates. Mr. Conklin and his associates provided the kiddies each with a massive balloon and bag of candy corn and VanDusen Bros. provided them with an interesting pair of sun-glasses from their booth.

The tired Shriners and their young charges departed for home happy and thankful at 5:45 p.m.

No doubt due to circumstances several Shriners were not able to attend but the following members contributed to the success of the day—Nobles Lionel Crawford, Del Storey, Jack Bush, Tom Lewis, Horace Wright, George McIntosh, Jimmie McDonald, Lee Grills, Charles Cawker, Fred Rawson, Ken Vivian, Norm. Gateson, John Fisher, Harry Abbott, Ernie Burn, Bill Holway, Art Seymour, Dr. Grant Fraser, Jack Baker, Clarke Rollins, Bryson Reid, Lee Collier, Bev. Quincey, Ed. Greer and Bruce Bottum ably assisted by Ken. Campbelyl, Cec. Holway and the inimitable Harry Rollins.

President Orliff Lloyd of the Belleville and District Shrine Club, thanked all the members of theclub, the women of the St. John Ambulance Corp. and all friends and well-wishers for the splendid day.

Jack Vermilyea Top Point Getter In 4-H Calf Club

Jack Vermilyea was the top point getter for the Belleville 4-H Calf Club at their achievement day held in connection with the Belleville Fair on Wednesday. Jack took first place in the year's work, finished third in showmanship and his Holstein calf placed in the first prize group.

Sixteen club members showed their calves at the achievement day. The standing on points for the year's work was as follows: Jack Vermilyea, Lyall Leavens, Ivan Phillips, Jean Frost, Richard Walsh, Louis Cummins, Robert Morris, Dale Balcanquel, Muriel Swan, Gary Harrington, Doug Rollins, Ronald Hamilton, Glen Rollins, Ralph Sine, James Jones and Carl Hagerman.

Ivan Phillips took first place in showmanship, with Lyall Leavens in second place and Jack Vermilyea in third slot.

Others placing for showmanship were Richard Walsh, 4th., Dale Balcanquel 5th., and James Jones 6th.

Douglas Detlor Wins Tractor Driving Contest

Junior Farmer activities continued at Belleville Fair Wednesday when members of the Bellevile 4-H Calf Club held their achievement day and a tractor driving contest was staged.

The tractor driving competition based on safe driving practices was won by Douglas Detlor of Stirling with Harold Harris finishing in second place and Ross Moorecroft in third.

Other phases of the tractor competition including spotting of operational defects and good maintenance practices.

PLAN NEW TEMPLE

TORONTO (CP)—The Salvation Army temple, opened here in 186, will give way to a new temple, 10 storeys high and featuring glass and glazed brick. It will be ready by 195.

Obituary

GEORGE FRANCIS ANDREWS

The funeral of George Francis Andrews, was held from the Grant Funeral Home on Wednesday afternoon. Service in the chapel and at Belleville cemetery was conducted by Rev. J. S. A. Spearman.

The bearers were Jack Andrews, M. B. White, William Hales, Robert Orr, Spence and George Wonnacott.

MRS. ALBERT ROBINSON

Funeral services for Mrs. Albert Robinson of Toronto were held from the Thomas C. Thompson Funeral Chapel to the Belleville Mausoleum. The Rev. L. W. Scott of Shannonville conducted the burial service.

Interment was in the Mausoleum.

MRS. VIOLA MATILDA RAY
R.R. 4 Belleville

In failing health for some time, Mrs. Viola Matilda Ray, R.R. 4 Belleville, died Wednesday at the Hotel Dieu Hospital in Kingston. She was in her 41st year.

Daughter of Mr. and Mrs. Stanley McMurray, Mrs. Ray had lived in the vicinity for six years and prior to that time at Ivanhoe. She was a member of the Anglican Church.

She is surived by her husband, Murney Ray and one son Gordon, at home, also four brothers, Kenneth McMurray of Belleville, Elton McMurray and Russell McMurray of Campbellford, and Clayton McMurray of Stirling, and five sisters, Mrs. Marguerite Rodgers of Stirling; Mrs. Evelena Hubbs and Mrs. Irene Bunnett, both of Belleville; Mrs. Doreen Ackers of Stirling, and Mrs. Christina Adams of Belleville.

Resting at the Belleville Burial Company Funeral Home, the funeral announcement appears elsewhere in this edition.

MRS. CHARLES POTTER
(Contributed)

The passing of Mrs. Charles Potter (Charlotte Mary Stork), late Friday afternoon, August 14, came as a sad shock to her relatives and friends. Her death was not unexpected as she had been ill since March. Her long illness was very patiently borne, and in hospital at Kingston and in Belleville, Charlotte endeared herself to the staff and nurses.

Having a most gracious and loving personality, Mrs. Potter had a wide circle of friends. She had lived in the city all her life, receiving her education at St. Michael's Academy, the Belleville Collegiate Institute and the Ontario Business College. Before her marriage and until her unfortunate illness she had capably filled the position of stenographer in a downtown office, previously she worked in the Entomological Laboratory on Dundas Street East.

Charlotte will be sadly missed by her husband of less than a year, Charles A. Potter, and her sorrowing parents, Mr. and Mrs. C. M. Stork and one brother, Douglas, all of this city.

The funeral was held from her late residence, 241 Dundas Street East, on Monday morning to St. Michael's Church. Mass was celebrated by Rev. J. J. Brennan, who also said the last rites at St. James' Cemetery. There were many spiritual offerings, and a wealth of beautiful flowers.

The bearers for Mrs. Potter were three cousins, Robert and Paul Temple, and Casey Rashotte, and three close friends, Cecil Rouse, Barney (Harry) Parsons and Ralph Ackerman.

Illinois Family on Canadian Tour Much Impressed With Belleville Fair

Since it opened on Monday, the Belleville fair has played host to quite a number of U.S. tourists as well as many people from other provinces across the country. A survey has revealed cars bearing licence plates from New Hampshire, Rhode Island, Maine, New York, Florida, California, New Mexico and Illinois.

Mr. and Mrs. Arthur C. Caraway and their 19-year-old daughter, Julia of Oak Park, Ill., is just one of the American families to stop over in the city to visit the fair.

Mrs. Caraway explained that the family had been on their way to Montreal when they drove into the city on Wednesday morning. She said her husband made the wrong turn and they ended up in the fair grounds area.

"Since we were here," Mr. Caraway stated, "we thought we might as well stay and see what it was all about. As a result we have been at the fair all day. We think it's wonderful."

Mr. and Mrs. Caraway were particularly interested in the exhibits in the buildings while their daughter patronized the midway most of the day. As her father said, "Sometimes she disappears for periods ranging up to hours." At times the entire family was separated: Mr. Caraway in the flower show building and her husband making the rounds of the building products booths in the industrial and merchants' displays.

Mrs. Caraway was especially impressed with the gladioli display in the flower building. She commented she had never seen "glads" so beautiful. "Really go for T.V. up here, don't you?" was the husband's remark. He was amazed at the number of exhibitors and varied products on display.

Julia's opinion of the midway was perhaps not as flattering. "Too many games," she complained, "and not enough rides." Nevertheless, the girl was loaded down with her winnings and she agreed she had done well.

The Caraway family decided to make a day of it and remain for the 9.00 p.m. grandstand show. Summing up their visit to the fair, Mr. Caraway said he had hoped to be able to stay in Canada long enough to visit the C.N.E. at Toronto, but, after visiting the Belleville fair, they felt they had seen as much as they desired to and they would leave for more easterly parts of the country. Their destination is Nova Scotia.

AIRPORT REVAMPED

WINNIPEG (CP)—Runways and facilities at Stephenson airport here are being extended to accommodate jet aircraft. The job is expected to cost about $470,000.

Pastures Drying Rapidly in Area, Cheese Is Down

With pastures rapidly drying production of cheese milk has dropped below that of last year in Prince Edward County, according to the weekly crop report of the Ontario Department of Agriculture.

In the same county it is reported that the tomato crop is ripening slowly and factories will not be canning in large quantities for at least another week. In Northumberland a larger percentage than usual of blossom end rot is reported in tomatoes and is expected will influence the yield.

Use of mechanized equipment in harvesting of hay and grain reached an all-time high in Northumberland this year. It is reported that never was more hay and grain handled with less man power.

The apple crop is sizing well and the picking of early varieties has begun.

Follwell Given Majority In Service Vote

The armed services and overseas vote counted this week helped to swell the majority of Frank S. Follwell in the August 10th Federal election, according to Felix Rashotte, returning officer for Hastings South riding.

The armed services members from his riding gave Follwell 424 votes, Grills 126 and Elliott 21.

The official count of ballots, including the armed service vote, showed 702 ballots were cast for Elliott, 13,170 for Follwell and 12,121 for Grills. The Follwell majority was 1,049 votes.

BIRTHS

COOK. — Mr. and Mrs. Eric Cook, (nee Dorothy Horn,) 17B West Bridge Street, Belleville, are happy to announce the birth of a son, Robert Joseph, at Belleville General Hospital, August 19, 1953.
A20

DEATHS

RAY, Viola Matilda. — At the Hotel Dieu Hospital in Kingston, on Wednesday, August 19th, Mrs. Viola Matilda McMurray, R. R. 4 Belleville, beloved wife of Murney Ray, in her 41st year.

Resting at the Belleville Burial Company Funeral Home, whence the funeral will take place Saturday, August 22, with service in the chapel at 2 p.m.

Interment Belleville Cemetery.

CARDS OF THANKS

I wish to thank all those who sent cards, flowers, fruit and candy during my stay in Belleville General Hospital; also Drs. Russell and Henry Bateman, the nurses of 1st West and my blood donors.
—Mrs. Stan Galloway. A20

POLICE BLOTTER

Clothes line thefts in the West Hill district have been reported to city police. A Highland avenue resident complained to police that three ladies' slips and other undergarments had been taken from her clothes line.

A midway employee, Peter Strack of Toronto, reported a new battery stolen from his truck at the fair grounds. Strack missed the battery when he attempted to start his truck shortly after midnight last night.

4-DAY FAIR
AUG. 22-26

FARMERS . . . ATTENTION!!
WANTED:— A number of progressive farmers in Western districts who would like to set out a commercial block of Red Raspberries, either for your local trade or for shipping to recommended city dealers. Recent Ontario-Quebec production figures, prices at 30-50c per quart and dealer reports would indicate short supplies everywhere.
To encourage, a limited planting of new high yielding patches, a well-known nursery is sending a special representative of many years experience in commercial production to personally interview and educate interested farmers in raspberry culture. This should result in higher unit yields, longer patch life, less labor and when translated into dollars, a high ratio of profit is assured.
Because of the present shortage of good planting material, bookings can only be made for Fall planting 1953 limited to one acre.
If genuinely interested in berry growing as a sideline to farming, write Box 400, Campbellford, Ontario, on or before August 28th., giving location of your farm. Our specialist will call later and completely analyze the business, soil requirements and preparation, up-to-date cultural practices, home markets and surplus shipping, cost of planting, estimated yields and profits per acre. Late replies cannot be covered.

TORONTO STOCKS

TORONTO (CP)—Mixed prices were the rule in forenoon trading following Wednesday's sharp setback.

Turnover for the first hour was 521,000 shares.

Golds firmed in the few issues traded but base metals continued to fade. Western oils were narrowly mixed.

Steels, textiles and utilities were mostly forward small fractions; manufacturing companies tended lower. General Products added 1¾ points. Page Hersey, Loblaw A and Canadian Celanese climbed.

New Larder U. gained a nickel. New Highridge also firmed. In uraniums, Gunnar and Brunston eased but Landover and Nesbitt Labine added pennies.

Preston East Dome resumed upward progress in junior golds.

Hudson Bay, International Nickel and Sherritt-Gordon were down.

Western oils hovered near the two-year low struck Wednesday.

PRODUCE MARKET

TORONTO (CP) — Churning cream and butter print prices were unchanged here today.

Prices firmed at the egg market and moderate trading continued.

Quotations for graded eggs in fibre cases were: A large 68-69; A medium 60-61; A small 39-40; B 47; C 37. Wholesale to retail: A large 73-74: A medium 65-66; A small 44-45; B 52; C 42.

Butter solids: 1st grade tenderable 58; non-tenderable 57¼-57½; Western 58.

Bicycles Must Not Operate Without Lights

Young bicycle owners who persist in operating —bikes at night without lights drew the ire of the city police department this morning with officers promising that prosecutions would follow if the practice did not cease.

"Somebody is going to get badly hurt if these teen-agers continue to run their bicycles without lights after dark," Inspector Hayes noted. "If the practice does not stop we propose to prosecute the offenders."

The Inspector went on to say that parents of the young offenders were to a great extent responsible for operation of bicycles without the necessary lights. He said it was the responsibility of parents to see that their children's bicycles were properly equipped.

The practice of bicycles being operated without lights has been particularly noticeable this week following the evening program at the fair.

"They come out of the grounds in droves and without lights of any sort the bicycles are hard for motorists to distinguish. Somebody is apt to get hurt badly," the Inspector commented.

ADVENTISTS CONVENE

OSHAWA (CP)—More than 1,200 delegates are expected to attend the Ontario and Quebec Seventh-Day Adventist Churches' annual convention here Aug. 21-30.

ANAF Veterans To Observe Decoration Day

On Sunday, August 23 the members of the Army, Navy, Air Force Veterans in Canada Branch No. 201 will hold their annual decoration day.

All members are requested to be at the Bridge Street Armouries in time to move off at two o'clock. The service will be held in Belleville cemetery at 2.30 and the general public is cordially invited to attend.

The veterans will decorate the graves of their "glorious dead" and plant small Union Jacks at the headstones.

Anyone desirous of contributing flowers are requested to telephone 1814 or bring them to the clubrooms on Front Street.

Berry Pickers Found by Party In Deserted Cabin

MARMORA—Mrs. George Empey and Mrs. Joseph O'Neill had the experience on Tuesday evening of being lost on a berry picking expedition in North Marmora. When they failed to return to their respective homes at supper time, anxiety was felt by the members of their families which increased as the evening wore on. Police Chief Gordon Caldwell organized a search party getting hold of such residents who knew the particular area to which the women were purported to have gone north of Crowe Lake. He formed groups to take up the search in various directions. In one of these was George Empey, husband of one of the women, Michael Shannon and Manley Lavender. Eventually this group came across a tree, which had fallen across their path and on one of its branches was a note written with lipstick stating the women were lost, needed help and were at a certain cabin. The searchers understood this to be a deserted cabin about two miles away and about 2 p.m. found the women there, exhausted after their tramping, but otherwise little the worse for their experience.

Peewee Softball

Boyce's pee wee softballers defeated Blaind's 14-11 at Fireman's Park Wednesday night.

Green was at work on the hill for Boyce's. He gave up seven hits struck out one and walked six.

Hull did the mound job for Blaind's. He gave up 11 hits, struck out one and walked five.

Post and Stoneberg shared the batting honors for Boyce's with Post slamming the ball for a homer and two singles and Stoneberg getting a double and two singles. Donovan led the losers at the plate with a four-bagger and two singles.

Trenton News Boxing Tourney Will be Staged End of Month

TRENTON (Special).—A Trenton boy and a Belleville boxer have been given the green light to provide the special attraction for the big boxing tournament running two days here the end of this month and the first week in September.

The main "go" an interesting rematch is for the benefit of those who watched Eddie Schamerhorn of Belleville, win by a five round TKO over former U.S. paratrooper Roy Deshane of Trenton, headlining the splendid centennial card sponsored by the Zigman Athletic Club of Trenton in July.

Both boys have got down to serious training and their exhibitions of shadow boxing and exercising have attracted sport's critics from both centres in the district. They meet in the welterweight division 147 pound class on Saturday night August 29 under the floodlights at Bayshore Park.

In Schamerhorn's corner will be that well known Belleville boxer and trainer Mark Storms who has been teaching his newest understudy all the old tricks. Storms said last night that Schamerhorn was in beautiful shape and had such good condition he could travel 15 rounds if necessary.

Coaching Deshane is a boxer who made a name for himself in Brockville boxing circles. Jack Zigman mapped out a strenuous campaign for the local pugilist who appears to have sharpened his hitting power and strengthened his legs. Deshane started strong in his first tangle with Schamerhorn but seemed tired and punching out of time after the third round.

Training continues until Thursday of the coming week when both fighters lay-off for a two day rest.

Personals

Bill Hutton retired barber of Trenton has returned home after a motor trip through western Canada and back.

Another well known member of the McAuley family from Brighton township Tom McAuley, of Rochester, attended the family reunion held here over the week-end.

Joyce Orser has returned from vacationing at Lake Placid and Hampton Beach, New Hampshire.

VACCINE AVAILABLE

DENVER (AP)—A New York research specialist said here Tuesday that a vaccine to prevent infantile paralysis will be available at a reasonable cost within three to five years. Dr. Herald R. Cox, director of virus research at Lederle Laboratories at Pearl River, N. Y., said the polio vaccine can be grown on a chick embryo but that it will require some time before it would be generally available.

French Remove Morocco Sultan From His Throne

PARIS (AP)—An Agence France-Presse dispatch from Rabat today said the Sultan of Morocco has been removed from his throne.

The dispatch said an announcement of the removal came just as Gen. Augustin Guillaume, the French resident general, had gone into the palace of Sultan Sidi Mohammed Ben Youssef. The palace was surrounded by 30 French tanks and other armed vehicles.

The French said the sultan would be taken away from Rabat, the capital of the North African protectorate.

The news agency dispatch did not indicate who would succeed the 44-year-old monarch, who has been a thorn in the side of the French in recent years because of his growing benevolence toward fiery nationalists who have been demanding independence for their country.

Deposing of the sultan, who succeeded his father in 1927, was a victory for the wealthy, pro-French Pasha of Marrakech, Thami el Glaoui, a powerful leader of Berber hill tribesmen, who accused the monarch of violating his religious vows by taking a hand in politics.

Taken At Meeting

Presumably the French decision to take sides with El Glaoui, their best friend in Morocco for 40 years, against the Sultan, whom they were sworn to protect under their treaty of 1912, was taken at a French cabinet meeting in Paris today.

After long agitation, El Glaoui summoned a mass meeting of chiefs and caids at Marrackech last week-end and demanded the sultan's ouster.

The upshot was that he engineered a coup in which he proclaimed Moulay Mohammed Ben Arafa, uncle of the sultan, as the new imam, or religious leader. The sultan nominally is both temporal and religious ruler of Morocco, but his religious powers were the basis of his rule. The sultan indignantly defied El Glaoui.

Bank Hold-Ups Keep Police Busy In Montreal Area

MONTREAL (CP) — Bank holdups kept police on the hop Wednesday, two being reported in Montreal and one near Ville Marie, Que.

Two masked men made off with an undisclosed amount of money from a north-end St. Denis street branch of the Provincial Bank of Canada and a lone gunman escaped with between $200 and $500 from a mid-town Mount Royal Avenue branch of the Royal Bank of Canada.

At Ville Marie, $10,000 in cash and bonds were taken from the Fabre Co-Operative, a farmers' bank.

In the St. Denis street holdup, the two men entered the bank near closing time. They mingled with customers and suddenly vaulted over a counter, helped themselves to a pile of bills, and disappeared.

Customers In Bank

In the Royal Bank holdup, assistant manager R. M. Cattell said the bandit walked in while about 15 customers were in the bank and handed teller Renee Archambault a note that read:

"Give me large bills or I'll shoot."

The teller handed over the money and raised the alarm when the man reached the lobby.

Provincial police said the break-in at Ville Marie occurred Tuesday night when thieves cracked the safe and took approximately $6,000 in cash and $4,000 in bonds.

ANOTHER WEAKNESS OF COALITIONS

Possibility that Premier Joseph Laniel's government n France may fall as a result of the widespread strikes in at country points up another weakness of coalition vernments.

In a country like France, where proportional represen- ation produces a great number of splinter parties, one arty rarely obtains so many seats in the house or amber that it can rule alone. Coalitions become neces- ry and in every coalition there is the danger of the tail agging the dog, of some small group being able to exer- se a power out of all proportion to its size, or the extent its support in the country. Now the French strikes ow that not only may the tail wag the dog but it is uch easier for some outside agency to wag the dog's tail an to wag the dog itself. In other words, the strikers ay be able to detach some of the splinter groups from eir support of Laniel's regime, thereby causing its fall; hereas if Laniel had been the leader of a party with a ear majority in the Chamber of Deputies the strikes ould merely have stiffened the government's opposition, ather than causing it to surrender.

The real governmental power in France thus lies out- de the Chamber, rather than within it. In one sense is is true of all countries under democratic rule. In anada, the United States or Britain, the mass of the ople could soon overthrow their governments if they so esired. There is nothing wrong, nothing shocking, bout such a state of affairs, for by definition democracy s a system of government by the consent of the governed. this consent is withdrawn, governments should fall. But ere in Canada, and in Britain and the United States too, would require the withdrawal of consent by a majority f the governed to upset a regime. In France, and indeed n any country where coalitions give great power to small roups, changes in government can be effected as the re- ult of the dissatisfaction of comparatively small segments f the population.

The resultant situation is fraught with danger to the hole system of democratic government in such nations nd therefore to the nations themselves.

A PENALTY OF OPTIMISM

The Montreal Gazette is pained by the prevalence of loppy speaking and writing.

One case in point, the Gazette says, is the widespread misuse of the word "too" which is being "used more and ore often to replace 'very'——which it does not replace."

The Gazette gives examples. A person is asked: How are you?" The reply is frequently "Not too well." s it possible, the Gazette asks, to feel "too well?"

Others examples quoted by the Gazette—a poor movie s "not too good"; a moron is "not too smart"; a plain girl s "not too pretty"; a man with a broken leg is "not too appy" about it.

The Gazette does not delve into the reasons for the misuse of the word "too" in this manner. One might be empted, at first thought, to suggest that it arises from an ddiction to under-statement, but Canadians use all these hrases with great frequency and we are not, as a nation, iven to the vice—or virtue—of under-statement.

The more reasonable explanation would appear to be that we, in common with our cousins to the south, are in- curable optimists. We like to believe that everything is or the best in this best of possible worlds and when we encounter hard facts which conflict with this favorite ancy we are loathe to grant them fitting recognition. Thus we adopt the policy of under-statement in a limited field. If anything is good it is very, very good, but if it s bad it is not merely not too bad but several degrees bet- er than that and therefore emerges in our speech as "not oo good."

Unfortunately there is a flaw in this technique. Its almost universal use has resulted in the general recogni- tion that something which is "not too good" must be much worse than a condition of being "not too bad." In fact, if an enquiry is made about the state of a person's health and the reply is "Not too good" the response is likely to be "Too bad."

GOOD—BUT IS IT GOOD ENOUGH?

Irene Andrusczcakewicz is going to the United States. Irene is an orphan. Her Polish father was killed by the Germans in 1944. Her mother died in Toronto last year. An uncle and aunt, Mr. and Mrs. George Makohon of Flint, Mich., wished to adopt her. But immigration laws forbade her entry into the United States.

Now President Eisenhower has signed a special bill permitting her to enter the country. This by-passing of the immigration laws makes heart-warming reading. It is pleasant to receive proof that governments are not collections of stone-eyed automatons swathed in red tape, but are composed of flesh-and-blood human beings, who respond to emotional appeals and make exceptions to rules in circumstances such as those surrounding Irene's case.

The action taken is good—but is it good enough? Ought any truly civilized country permit the existence of a law which would bar a blood relative from giving succor to a child in need?

Immigration must be controlled—but would any modern state be endangered if it permitted the free entry of children being adopted by relatives already resident within its borders?

For Irene's plight, of course, is not unique, nor is the United States the only country whose laws would have to be circumvented before such a child could find a needed refuge.

CHAMPIONS

BIRTHDAY

Well, here's another passing by.
One more to make,
With shirts, a new robe and a tie,
Candles and cake.

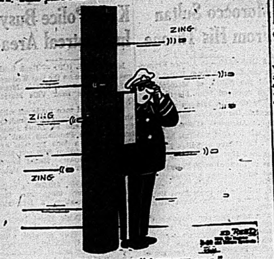
That wish of old friends, long ago,
And loved ones, too,
That many more such days I'd know
Has now come true.

"May life be kind," they said, "to you,
From day to day."
Now, as the past years I review,
It has, I'd say.

So while the candles brightly glow
Gather about
And sing as grandpa tries to blow
Each small flame out.

OFF THE RECORD

By Ed Reed



"I'll call later - - - gotta' run now - - -"

LOOKING BACKWARDS

GLEANINGS FROM OUR FYLES OF BYGONE DAYS

20 YEARS AGO

August 20, 1933

An albino English sparrow was seen on Ann Street, north of Victoria Avenue, by Mr. James E. Buchanan, who resides on that street, and has since been seen by numerous other residents in that district. The bird is pure white with black beak and feet.

Mr. Alfred Bates of Chicago, Ill., is visiting her brother, Mr. Rufus Gulliver in this city, after an absence of fifteen years.

Mrs. S. J. Ross, Holloway Street, has returned home after visiting, Mrs. Charles B. Simpson, at Smithfield.

Mr. Dick Wilder, a former resident of Belleville, is home from Milwaukee, Wis., on a visit.

Mr. Bruce Bevis, Ann Street, spent yesterday in Peterborough.

Miss Isa Orser of Frankford, spent the week-end here with Mrs. A. Bongard, Albion St.

Mr. Arthur Bird is home from Toronto to spend two weeks' vacation.

30 YEARS AGO

August 20, 1923

The following 21 Belleville firms or organizations will be represented in the Belleville Community Exhibits at the Toronto Exhibition which will open August 25: Corporation of the City of Belleville municipal exhibits; Springer Lock Manufacturing Company; Belleville Hardware and Lock Manufacturing Company; Belleville Electric and Stampings Limited; Baby Shoe Company Limited; Tiger Tire and Rubber Company; St. Charles Motorbus Company; Natural Tread Shoes, Limited: Canadian Industrial Alcohol Company; Alemite Products of Canada Limited; A. S. Richardson Company; Belleville Cheese Board; Bancroft Marbles Limited; Ontario School for the Deaf; Collins Motor Products; Marvil Equipment Company Limited; Samson Rubber Company Limited; Jarvis Heat Intensifier Company Limited; J. & J. Cash, Inc.; Ashley Sweater Company; National Castings Limited.

Mr. R. C. Sidenius, daughter Virginia, and son Richard, left early this morning on a hike to Kingston. They will walk the entire distance and will sleep in the open.

40 YEARS AGO

August 20, 1913

The steamer Aletha conveyed the Holloway Street Church Sunday School annual picnic party to Presqu'ile today.

The grass on Panter's Park was given a good soaking with water last evening by the fire department. The grass and trees needed water badly.

The grist and saw mills near Murphy's Corners were destroyed by fire last Sunday. A bush fire was the cause.

Mr. Charles J Symons is in New York City on business.

Mr. Wilfrid Vandervoort is spending some time in Port Hope.

Mr. H. F. Mitchell left today for Calgary and Edmonton. He will be absent for about two months.

Mr. and Mrs. S. L. O'Hare, have left for their home in Syracuse, N.Y., after visiting relatives here.

50 YEARS AGO

August 20, 1903

Mr. E. D. O'Flynn, of Madoc, was in town today.

Mr. Percy Finkle, of Toronto, formerly of Belleville, is spending a few days in town.

Miss Bessie McDonnell has returned to Toronto, to resume her duties at St. Michael's Hospital after spending six weeks at her home here.

The atmosphere was very close to overcoat weather this morning.

Improvements are being made to the city clerk's office in the city hall.

The Roman Catholic Church at Marmora was destroyed by fire this afternoon. The cause of the fire is unknown. The loss is about $6,000 with insurance of $3,000.

Mr. M. H. Mowry of this city, has accepted a position in Toronto.

Police Magistrate J. J. B. Flint is spending today in Kingston.

THE PACKSACK

By GREGORY CLARK

Aurthur Sprott has had a distinguished career as a publisher of text books, particularly those devoted to the act of writing, not the art. Penmanship has been his hobby, and though he is 76 now, he writes a hand as clear and classic as if he were in his teens. Recently he went for a drive with his wife back to the country in which he was born, and visited the farm where he spent his childhood. Not far off was the little country schoolhouse which he attended, and though it was the summer holidays, the school door was unlocked and Mr. Sportt went in and indulged in the sentimental recollections inspired by the sight of his old one-room school. The seats were different, the blackboards more modern, around the walls in picture and chart were evidences of a newer and more liberal attitude to the three Rs. But the sight of the empty, clean blackboards gave him an idea. He found the chalk. And on the blackboard, in the finest handscript he could muster, he wrote:

"To learn to write a good, clean, clear hand is the most important thing you can be taught in this school. I am seventy six years old and learned to write like this in this very schoolroom."

He did not sign it. There is no record as to what the teacher did with the message. Maybe it was rubbed off in the bustle of reopening. But it is the sort of thing that might have inspired at least one batch of twenty or thirty country schoolchildren to become good writers. There has been an easy-going quality about modern schooling that has alarmed many of the older generation. In nothing more than in the handwriting of the present-day schoolchild is this decay of the three Rs more noticeable. Buy something in any store and look at the writing on the bill. If you didn't know what you had bought, you would never know from the scrawl on the bill. Your name and address, if the goods are to be delivered, is a mere hieroglyphic. Yet the funny thing is, the delivery men seem to be able to read it. Maybe it is just a new style of writing, as different from that of the previous generation as are the clothes, hats, neckties. Bad as it may be, if the kids can understand it, it is probably okay.

Secret Weapons

(Maclean's Magazine)

A woman near Hamilton, Ont., uses her own secret weapon on people who monopolize party telephone lines. When a couple of housewives are firmly entrenched on a line, she simply shouts into the mouthpiece, "Oh, something's burning," and hangs up. Nine times out of ten, she claims, both parties think the other has gone so they hang up and leave the circuit free.

Rain Better Than Aid

(By JOHN GOULD in the Christian Science Monitor)

Once again as the blue skies prevail and the growing crops cry aloud for water, news comes that our government recognizes an emergency, and will hasten to the aid of the folks concerned.

Somehow I have the idea that government, no matter how pleasantly instituted among men, is a poor substitute in time of drought for a steady, three-day rain, but somehow I also have the feeling that many people will regard my attitude as old-fangled and disrespectful. They may regard me as openly subversive and force me to find my sanctuary in the Fifth Amendment.

For a long time, as an advocate of lost causes and an opinionated believer in fundamentals, I have opined and stated that government aid isn't always either government or aid, and that our public feeling of beneficence in many matters is a formula kind of logic in which things become good because we decide to think them so. When something is said to be good for the citizen and taxpayer, and his substance is extracted to support it, he is often in a mood to believe that his very support proves the validity of the program.

Oftentimes this seems to be reasonable, because it isn't frequently that the government assistance program comes so far-out in the scrutinizable open as it does here—where the political purpose is plainly that of a constitutional substitute for precipitation.

If I were a carrot, lifting my wilted foliage in supplication for a drink of water before it is too late, I doubt if I would cheer loudly at the headlines that told of the dispatch of assistance from Washington. Not so much, anyway, that a ripping good shower in the meantime wouldn't still seem like a good idea.

I suppose somebody has traced the rise of this thing historically. In the beginning the federal assistance program was modest and kindly—it offered aid to agriculture on a "cooperative" basis. If the citizen deemed it useful, he could call on it. A few basic experiments were conducted, and "literature" was made available upon request.

Later field agents were added, and in time these became an organized administration adroitly situated to be on hand whenever desired. The thing then became big business, and with the rise of "national emergencies" the cooperation was put on a required basis. Things got regulated, and we had subsidies, price supports, market controls, crop quotas, surplus commodities, and innumerable edicts of record.

In some instances the regulation seemed to be a thing unto itself, because many regulatory activities seemed to serve no purpose beyond superficial political jobs. And in time the whole program built itself into a public state of mind, in which the citizen accepted all the phases as a new concept of government.

There was a kind of public-spirited enthusiasm of joining up, and a lot of my neighbors went in for practices that they would never have tried otherwise, some of which were good. They are prone to criticize the high taxes, of course, and sometimes lament the pressure of agency investigators, but are nevertheless loyal.

One of them subscribed to a lime pro-gram and got his lime for almost nothing (less taxes, or plus taxes) but because it rained all fall he couldn't get onto his land to spread the lime, thus failing to keep his end of the agreement. He was horrified to learn that the government program made no allowance for weather problems, and that the inspectors refused to give his low-lying field any consideration as a mitigating factor. He mended political fences briskly for a time, and was able to evade the fine and imprisonment, but he said it cost about as much either way, and I would presume that if he were asked to sign up again he would do so. The ideas have been "sold."

But here is an instance where government, now firmly established as a rich uncle to farmers, ready at all times to hurry with succor, comes forth in a difficult task, where there is an apparent chance for asbsurdity. I suppose it is logical, in a way, to infer that if government can help at everything else, they can help in dry spell.

And, probably, they can. I expect they will propose conservation dams, power projects, area developments, industrial expansion, diversification of effort, and the establishment of an air base with 50,000 resident Marines. In the end the desert will bloom, and the government's ability to "aid" will be further proved.

On the other hand, no matter how lavishly the program is pursued, no matter how convincingly the aid is justified, the government is most fundamentally involved through a meteorological deficiency which, to put it bluntly, is not by nature subject to parliamentary control in the Senate and House.

It occurs to me that if we could have a good rainstorm, or a few gentle showers, it would not only be a good thing for the farmer, but it would eliminate some of the seeming need for government.

Auto Gadgets Are Popular

(Ottawa Evening Citizen)

Motorists have been known to complain about the number of auto accessories and gadgets which they are forced to buy; but it's their own fault, according to the latest survey of the United States Automotive Accessory Association. Even when specialized equipment is optional the car buyer wants it — and he wants it in increasing quantity. Sales of accessories and gadgets in Detroit, for example, are expected to set a new record this year.

Demand for such items as bug deflectors continues high. Other equipment on the growing list includes the conventional heater and defroster, automatic transmission, deluxe radios, power steering, rear seat speakers, hand brake signal lights, white sidewall tires, electric clocks, tinted glass, hydraulic window controls, fog lights, spot lights and autronic eyes for dimming lights.

Among the newer arrivals are air conditioning, wire wheels—real or simulated—rubber bumpers, a bottle of gas to fill tires and a picture of a pin-up girl encased in plastic that will glow in the dark on lonely nights. . . .

With such attractions on the market, it is small wonder that gadget sales-resistance is decreasing.

Lullabies Go Modern

(Galt Evening Reporter)

The lullaby may be on the way out! Recently a fellow from Chicago, Charles Beazley, went to Washington and obtained a patent on a contraption he called the "Slumberbug," an acoustic sleep-inducing apparatus.

Charlie's invention looks like a small radio receiver. It has no electronic tubes. As Charlie puts it — "the normal sinusoidal voltage wave of alternating house current is sufficient for the desired harmonic content."

The Beasley "Slumberbug" produces two levels of sound. One level is like a continuous unbroken background hum of about 12 cycles. This is periodically overridden at regular intervals of approximately four seconds' duration by a second and louder hum which lasts approximately another four seconds and then cuts off to the background hum again. So the treatment of the person desiring to be lulled into repose represents a repetition of four seconds loud and four seconds soft until sweet slumber is achieved.

Charlie has made a number of tests and has found that this regular voltage change invariably does the trick. There are, of course, some unanswered questions. When one's mate snores right audibly, is the machine effective for the sufferer? Is there any chance of the contraption inadvertently cutting in on a radio wave and delivering a Duke Ellington bounce instead of two levels of pillow-pounding murmurs?

Letter to the Editor

Optical Illusion On District Roads

Editor
Ontario Intelligencer

Six miles from Moncton they have a hill with a noted optical illusion. There is also one about six miles from Charlottetown in Prince Edward Island but the at Moncton is the better one and attracts thousands of tourists each year. About 25 years ago I noticed when coasting down a hill north of Trenton the truck would stop and I thought that some magnetic ore would hold the truck tight and on another hill, when you thought you were going up the truck would pick up speed just coasting.

This year I noticed two hills on the Stirling road about eight or nine miles from the city. The one is better than the one at Moncton and it is odd that no one has mentioned it before. On passing the school at Chatterton drive to the foot of the hill you are going down, which is at the bottom of the Oak Hill. Take your car out of gear and it will roll three-tenths of a mile. You had better back over to the left so you will be going back facing the oncoming traffic.

This should be a big attraction for the tourists visiting Belleville if it was properly advertised.

E. H. Kellaway.

Personal Health Talks

By DR. WM. BRADY

WHY RABBIT FOOD?

Dr. Brady

The other day we suggested here that the first course of dinner for any one who is ten per cent above par, that is, oversize should be salad, a large green salad, a real dish of herbs.

Too often the salad, if on the menu, comes too late, especially in the effete east. When one has already had soup, maybe nibbling on appetizer, anipasto, smorgasbord, cocktail or hors d'oeuvres, salad seems interesting. But served as it should be, and is in the west, at the very beginning of the meal, a real salad sharpens appetite, improves digestion and supplies vitamins and minerals which are essential for health and functional efficiency, though not available in adequate amounts in the ordinary refined diet.

Patrons of hot dog stands, greasy spoons and quick lunch counters generally prefer to omit green salad; to them it is rabbit food. Give them good nourishing meat and potatoes. They think "malnutrition" means the poor victim doesn't get enough to eat. Truth is that most victims of malnutrition get all they want to eat—of meat and potatoes, white bread, cake, pie, refined white sugar and syrup, refined processed sugared sissified cereals, candy, pop and other denaturized victuals. On this highly refined Yankee diet they develop malnutrition—nutritional deficiency disease. They just don't get enough vitamins and minerals to prevent manifestations of such disease. What their high-calory, low-vitamin, low-mineral diet needs is plenty of rabbit food.

In the basic health diet, the outline of a day's bill of fare on which to pattern your own individual diet, the corrective, protective regeneration or rejuvenation diet, as it has been called (see p. 43 of The 7 Keys to Vite booklet, for which send 25c and stamped, self-addressed envelope), there is what the hired man would reject in favor of meat and potato, pie and coffee; One-third of a head of lettuce at lunch, and another third at dinner.

The purpose of "rabbit food" in any diet, is to supply the following essentials of good nutrition, good digestion, good health and functional efficiency:

1. Vitamins and minerals which the meat-potato-pie-coffee diet fails to provide
2. Natural bulk of "roughage" which promotes normal intestinal function
3. Cellulose (vegetable or woody fibre) which aids digestion

One-third of a head of lettuce yields 16 calories, plus, say 90 calories if you take French salad dressing or mayonnaise on it. One ounce of peanuts or 1½ ounces of beef will yield 120 to 130 calories. Then why bother with rabbit food? Because it is the most practical way if not the only way to assure an adequate intake of the essentials mentioned.

Why rabbit food?

Why not, if your aim is health, vite or reduction?

TODAY'S TALK

By GEORGE MATTHEW ADAMS

LOVE THAT JOB

It is amazing to contact so many people who hate their jobs. Many of them realize that they are misfits, but do nothing about it. In my reading I came across this statement by Robert Louis Stevenson: "These are predestined: if a man love the labor of any trade, apart from any question of success or fame, the gods have called him."

No useful work can be justly called menial. There is pride to put into any sort of work, be it simple or complex. The easy jobs are often of the utmost importance, so that to neglect them would condemn the workers. Love that job of yours, no matter what it is, and you will be a happier worker when the day ends.

From my city office window I have been watching men in the construction of a twenty-storey building. Great steel pieces are lifted from the ground to high places and men walk around on steel beams as though they were on the sidewalk below. Apparently fearless, because they know and love their jobs. The scores of other workers on the building seem thoroughly at home—a great team doing a big job.

I was impressed several years ago with the sign over a piece of construction work for a modern skyscaper. The sign gave the engineer's name and then followed this line: "Builder of difficult Foundations." Apparently, I thought to myself, here is a man who is willing to leave to others the less complicated jobs. He wanted the difficult ones! I am sure that this contractor loved his job.

We are all in this world to work. Nature's inhabitants are always at work. I have been watching some beavers and the skill with which they work is remarkable. They seem to love what they do, and they do it well. And all day the birds are busy getting food, looking after their young, and taking out time in which to sing. Happy workers sing from the heart.

Strength for the Day

DR. EARL DOUGLASS

THAT TOUGH OLD LIAR

There is a maxim which runs—"They say" is a tough old liar.

Gossips and tale-hearers set fire to all the houses they enter. There is probably no one who does more harm in a community than the person who goes about peddling rumor, telling half-truths, making insinuations, and getting evil stories started which may eventually ruin the character and happiness of many people. Rumor is almost always a lie, if for no other reason but that the report is incomplete. An incomplete report of anything is next door to a false report. The gossip who goes about the community indulging himself or herself in this weakness carries a lighted fagot in one hand and a dagger in the other.

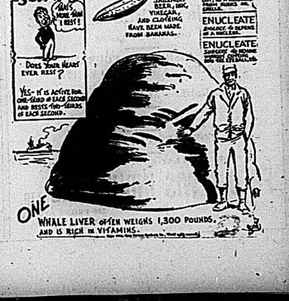
To say this does not mean that one should never pass criticism on anything that is happening or on the behavior of persons. If, however, you have anything derogatory to say about anybody, you ought in justice to them, to yourself, and to society to observe at least three rules. First you should keep silence unless utterance is absolutely required. Second, you should always be sure of your facts; and third, you should hesitate even to express facts unless you are sure you know all the facts.

"They say" is a tough old liar—an arsonist, and sometimes a murderer.

Like Other Boys

(Brantford Expositor)

Prince Charles insisted on taking his mother the whole length of a station platform to see the gleaming green engine of their train before they left London for a holiday in Scotland. Like most small boys, H.R.H. doubtless has ambitions to be an engine-driver.



SCOTT'S SCRAP BOOK

SURGERY- to REMOVE WITHOUT CUTTING, AS THE EYEBALL, etc.
ONE WHALE LIVER OFTEN WEIGHS 1,300 POUNDS, AND IS RICH IN VITAMINS.

Belleville Fair Prize Lists

PLANTS AND FLOWERS

Aspridites—Lorna Bowerman.

Begonia, (red)—Mrs. R. Giles, Mrs. K. Blakely.

Begonia (green leaf)—Harold Sheppard, L. Bowerman, G. M. Wilkinson.

Begonia (colored) — Mrs. K. Blakely, Mrs. Ken Wood, L. Bowerman.

Cactus, any variety—Mrs. A. Ethier, Mrs. A. Foster, L. Bowerman.

Colored Foliage — Mrs. K. Wood, Mrs. R. Giles, Mrs. A. Foster.

Riddler plant—C. M. Wilkins. Mrs. A. Foster.

Fern, asparagus—L. Bowerman, C. M. Wilkins, Mrs. F. Ethier.

Fern, sword—Mrs. W. J. Tufts, Mrs. C. Sullivan, L. Bowerman.

Fern, A.O.V.—Mrs. K. Blakely, Mrs. F.Ethier, L. Bowerman.

Palm, A.V.—Lorna Bowerman.

Any Foliage Plant not special—Mrs. W. J. Tufts, Harold Sheppard.

Sansaveria—Mrs. W. J. Tufts, L. Bowerman, Mrs. W. R. Baxter

Amaryllis—Mrs. F. Ethier, L. Bowerman.

African Violet—Mrs. Ethel Moore, Mrs. C. Sullivan, Mrs. C. N. Wilkins.

Begonia, flowering—Mrs. C. Sullivan, Mrs. Ken Woods, Mrs. C. M. Wilkins.

Begonia, F.R. single—Mrs. C. M. Wilkins.

Begonia, F.R. double—Mrs. C. M. Wilkins, Mrs. Ethel Moore, Mrs. Ken Wood.

Best Hanging Basket—C. M. Wood, Mrs. F. Ethier, Harold Sheppard.

Fuchsia—Mrs. A. Foster, Harold Sheppard, Lorna Bowerman.

Geranium, double— Mrs. A. Foster, Mrs. Keith Blakely, Harold Sheppard.

Geranium, single—Mrs. A. Foster, Mrs. C. M. Wilkins, Harold Sheppard.

Gloxinia—Mrs. R. Giles, Lorna Bowerman, Mrs. Keith Blakely.

Impatuna— Mrs. Keith Blakely, Mrs. A. Foster, Mrs. W. J. Tufts.

Impatuna Fultans—Mrs. Keith Blakely, Mrs. A. Foster, Mrs. W. J. Tufts.

Best Urn Filled—Mrs. F. Ethier, Harold Sheppard, Mrs. Keith Blakely.

Ice Plant—Mrs. F. Ethier.

Ivy Geranium — Mrs. Keith Blakely, Mrs. A. Foster, Harold Sheppard.

Loxtena—H. Brown, Mrs. F. Ethier, Lorna Bowerman.

Musk Plant—Mrs. F. Ethier.

Petunia, single — Mrs. Ethel Moore, Mrs. Keith Blakely.

Petunia, double—Mrs. Keith Blakely, Mrs. Ethel Moore, Mrs. A. Foster.

Window plant — Lorna Bowerman, Mrs. F. Ethier.

Any Flower, plant not specified—Mrs. F. Ethier, Mrs. W. R. Baxter, Mrs. A. Foster.

Window Box — Harold Sheppard, Mrs. Ken Wood, Mrs. F. Ethier.

Collection African Violets — Lorna Bowerman, Mrs. R. Giles.

Cactus Collection — Lorna Bowerman, Mrs. F. Ethier.

Aster, mauve—Mrs. W. R. Baxter, Harold Sheppard, Mrs. Ethel Moore.

Aster, pink—Lettie Wilson.

Aster, red—Mrs. W. J. Tufts, Mrs. C. Sullivan, Harold Sheppard.

Aster, rose—Mrs. C. Sullivan, Mrs. L. E. Leavitt, Mrs. W. R. Baxter.

Aster, white—Mrs. C. Sullivan.

Blue Lace flowers — Lorna Bowerman, Mrs. L. E. Leavitt.

Buddelia, best spray—Lorna Bowerman.

Campenula—Lettie Wilson.

Coralia—Lorna Bowerman.

Centurea, sweet — Mrs. F. Ethier.

Clarkia—Harry Gorsline, Lorna Bowerman.

Coreopsis—Mary Huff, Mrs. L. E. Leavitt, Lorna Bowerman.

Caliopsis — Lorna Bowerman, Mary Huff.

Carnations — Lorna Bowerman, Lettie Wilson, Mrs. Ethel Moore.

Cosmos, single—Mary Huff, Mrs. Ethel Moore, L. Bowerman.

Dahlia, Cactus—Lorna Bowerman.

Dahlia, Hybrid—J. A. Gariepy, Lorna Bowerman.

Dahlia, Decorative—J. A. Gariepy, C. M. Wilkins, Lorna Bowerman.

Dahlia, Peony flowers—J. A. Gariepy.

Dahlia, Show—C. M. Wilkins, Lorna Bowerman.

Dahlia, Collarette—Lorna Bowerman.

Dahlia, Pom Pom—Lorna Bowerman.

Dahlia, Single—Lorna Bowerman.

Delphinium, Hybrid—Lettie Wilson, Lorna Bowerman.

Etchings—Lorna Bowerman.

Gillardia, Annual—Lorna Bowerman, Mary Huff.

Gillardia, Perennial—Lettie Wilson, Mrs. Ethel Moore, Lorna Bowerman.

Gladiolus, Blue—Harry Gorsline, Violet Elliott, Mrs. J. A. Howe.

Gladiolus, purple—Lettie Wilson. Mary Huff.

Gladiolus, Maroon—Lettie Wilson. Mary Huff. Mrs. J. A. Howe.

Gladiolus, Pink—C. M. Wilkins, H. Anderson, Harry Gorsline.

Gladiolus, Picardy—Mrs. L. E. Leavitt, H. Skinner, Mrs. J. Quigley.

Gladiolus, Rose—Bonisteel and McCutcheon, Violet Elliott, Harry Gorsline.

Gladiolus, Orange—H. Gorsline, Bonisteel and McCutcheon, Violet Elliott.

Gladiolus, Scarlet—Mary Huff, Harry Gorsline, Bonisteel and McCutcheon.

Gladiolus, White—Violet Elliott, Harry Gorsline, Mrs. J. A. Howe.

Gladiolus, Light Yellow—Mrs. R. Potter, Bonisteel and McCutcheon, Violet Elliott.

Gladiolus, Deep Yellow — G. Dalrymple, Bonisteel and McCutcheon, Violet Elliott.

Gladiolus, Smoky—Bonisteel and McCutcheon, Harry Gorsline, Violet Elliott.

Gladiolus, Striped—Harry Gorsline, Lettie Wilson, Mrs. J. Quigley.

Gladiolus, Any Other Color — Lettie Wilson, Harry Gorsline, Mrs. J. Howe.

Gladiolus, Primulimus—Bonisteel and McCutcheon, Harry Gorsline.

Hydrangea—Lorna Bowerman.

Hydrangea—Mary Huff, Lorna Bowerman, Mrs. W. J. Tufts.

Larkspur — Lorna Bowerman, Mrs. F. Ethier, Mrs. Ethel Moore.

Lily, any variety—Lorna Bowerman, Mary Huff, C. M. Wilkins.

Marigolds, African—Lorna Bowerman, Mrs. W. R. Baxter, Mrs. Ken Wood.

Marigolds, French—Mary Huff, M. Sullivan, Lorna Bowerman.

Marigolds, Scotch—Mary Huff, Lorna Bowerman, Mrs. Ethel Moore.

Marigolds, collection — Lorna Bowerman, Harold Sheppard, Harry Gorsline.

Monkshood—Lettie Wilson, Mary Huff.

Nasturtium, collection — Lorna Bowerman, Mary Huff, Mrs. Ken Wood.

Pansies—Lorna Bowerman, Mrs. W. R. Baxter, J. A. Gariepy.

Petunias, single—H. Anderson, Lorna Bowerman, Mrs. Ethel Moore.

Petunias, double—Lorna Bowerman, Mrs. Keith Blakely.

Phlox—Mrs. W. R. Baxter, Lorna Bowerman, Mrs. Keith Blakely.

Phlox—Perennial—Lettie Wilson, Lorna Bowerman, Mary Huff.

Phlox, perennial—Lettie Wilson, Lorna Bowerman, Mrs. Ethel Moore.

Pinks, perennial—Lorna Bowerman.

Pinks, annual—Lorna Bowerman.

Poppies A.O.V.—Mary Huff, Lorna Bowerman.

Rose, one bloom—Mrs. W. R. Baker, Harry Gorsline, Mrs. W. J. Tufts.

Rose Polyanthus— C. M. Wilkins, Lettie Wilson, Lorna Bowerman.

Salpiglossis — Mrs. L. E. Leavitt, Lorna Bowerman.

Salvia—Lorna Bowerman

Scabiosa — Lorna Bowerman, Mary Huff, Mrs. Keith Blakely.

Snapdragons—Mrs. L. E. Leavitt, Harry Gorsline, Lorna Bowerman

Stocks — Lorna Bowerman, Mrs. L. E. Leavitt.

Strawflower — Lorna Bowerman, Mrs. Ken Wood.

Sunflower — Mrs. Ken Wood, Mrs. W. J. Tufts, Harold Sheppard

Sweet peas (annual) — Mrs. W. R. Baxter, Harry Gorsline.

Verbenas — Mrs. L. E. Leavitt, Lorna Bowerman

Veronica — Lorne Bowerman, Mary Huff

Zinnias — white — Lettie Wilson, Harry Gorsline, Mrs. C. Sullivan

Zinnia, scarlet—Mrs. F. Ethier, Harold Sheppard, Lettie Wilson

Zinnia, canary — Lettie Wilson, Harold Sheppard, Lorna Bowerman

Zinnia, golden— Harold Sheppard, Mrs. C. Sullivan, Lorna Bowerman

Zinnia, rose Harry Gorsline, Lorna Bowerman, Lettie Wilson

Zinnia, shell pink — Lettie Wilson, Lorna Bowerman, Mrs. C. Sullivan

Zinnia, purple — Harold Sheppard, Lorna Bowerman, Mrs. C. Sullivan

Zinnia, any other color— Mrs. Keith Blakely

Zinnia, curly and crested — Mrs. L. E. Leavitt, Lorna Bowerman

Zinnia, Picotee — Lorna Bowerman, Harry Gorsline, Mary Huff

Zinnia, Pom Pom — Lorna Bowerman, Lettie Wilson, Mary Huff

Any single bloom — Lorna Bowerman, Mary Huff.

Best outstanding bloom—Lettie Wilson, Mrs. J. Quigley

Collection zinnias—Lorna Bowerman, Mrs. J. Quigley, Mrs. W. R. Baxter

Collection of annuals — Lorna Bowerman, Mrs. W. R. Baxter

Display of Perennials —Lettie Wilson, Lorna Bowerman

Best arranged basket — Lettie Wilson, Lorna Bowerman

Bouquet for dining table—Lettie Wilson, C. M. Wilkins, Lorna Bowerman

Best floral design — Harry Gorsline, Lettie Wilson

Basket of asters—Mrs. R. Giles, Lorna Bowerman, Harry Gorsline

Basket of dahlias—Lorna Bowerman, J. A. Gariepy.

Basket of gladioli—Lettie Wilson, Harry Gorsline, Mrs. John Howe

Basket of snapdragons—Lorna Bowerman

Basket of garden flowers — Lettie Wilson, Mrs. W. R. Baxter, Lorna Bowerman

Floor basket—Harry Gorsline

Tip bouquet (gladioli) — Mrs. J. Quigley, Harry Gorsline, Lettie Wilson

Corsage — Lorna Bowerman, 2 and 3, Mrs. W. B. Baxter.

Specials

Best 12 spikes of gladioli — Bonisteel and McCutcheon, Harry Gorsline

Best 6 blooms of dahlias — Lorna Bowerman, J. A. Gariepy

Best flat bouquet of gladioli—Mrs. J. Howe, Lettie Wilson, Harry Gorsline

Best basket mixed flowers—Lorna Bowerman

Best bouquet of zinnia — Lettie Wilson, Lorna Bowerman

Best 12 spikes of gladioli—Lettie Wilson.

Best bouquet of Asters—Ridley Wallbridge.

Best collection of Marigolds — Lorna Bowerman.

Best collection of Begonias — Mrs. F. Ethier.

JERSEY CATTLE

Bull, 3 years and over—G. Kerr, L. Jarrell.

Bull, two years—E. E. Bennett, L. Jarrell, W. Matthews.

Bull, year old—L. Jarrell, W. McMullen, G. Kerr.

Bull Calf, senior—W. Matthews, L. Jarrell, G. Kerr.

Bull Calf, junior—E. E. Bennett, L. Jarrell.

Bull, any age—E. E. Bennett.

Cow in Milk—M. McMullen, L. Jarrell, G. Kerr.

Cow dry in Calf—L. Jarrell, 2-3 G. Kerr.

Heifer, 3 year old in Milk—1-2 L. Jarrell, G. Kerr.

Heifer, 3 year old dry—L. Jarrell, G. Kerr.

Heifer 2 year old in milk—E. E. Bennett, L. Jarrell, E. E. Bennett, M. McMullen.

Heifer 2 year old dry—L. Jarrell, E. E. Bennett.

Heifer yearling junior—E. E. Bennett, 2-3 L. Jarrell, W. Matthews.

Heifer, senior yearling—L. Jarrell, E. E. Bennett, L. Jarrell, E. E. Bennett.

Heifer Calf, senior—L. Jarrell, E. E. Bennett, L. Jarrell.

Heifer Calf, junior—E. E. Bennett, 2-3 W. Matthews, L. Jarrell.

Best junior Female—E. E. Bennett, L. Jarrell.

Best senior Female—M. McMullen.

Grand champion Female—M. McMullen.

Graded Herd—L. Jarrell, G. Kerr, L. Jarrell.

Junior Herd—L. Jarrell, E. E. Bennett, W. Matthews, L. Jarrell.

Progeny of Dam—E. E. Bennett, 2-3 L. Jarrell, E. E. Bennett.

Senior Get of Sire—E. E. Bennett, L. Jarrell, G. Kerr, L. Jarrell.

Junior Get of Sire—L. Jarrell, 2-3 E. E. Bennett, W. Matthews.

Specials

Best Female over three years—M. McMullen, 2-3 L. Jarrell.

Best Bull any age—E. E. Bennett, G. Kerr.

Best yearling Heifer—E. E. Bennett.

Best two Heifers under three years—E. E. Bennett, L. Jarrell.

Best pair Females—L. Jarrell, E. E. Bennett.

Best Female under three years—1-2 E. E. Bennett.

SWINE

Yorkshire

Boar over one year—A. Chambers, O. Diggins, W. Finch.

Boar Pig, 6 months and under 12—A. Chambers, W. Finch.

Boar Pig, 3 months and under 6—1-2 W. Finch, 3-4 A. Chambers.

Sow over one year—W. Finch, 2-3 A. Chambers.

Sow Pig 6 months under 12—W. Finch, 2-3 A. Chambers.

Sow Pig 3 months under six—1-2 W. Finch, 3-4 A. Chambers.

Berkshire

Boar over one year—L. Skinner, D. Heath.

Boar Pig 6 and under 12 — L. Skinner.

Boar Pig 3 and under 6—1-2 L. Skinner, D. Heath.

Sow over one year—1-2 L. Skinner, D. Heath

Sow Pig 6 and under 12—D. Heath, 2-3 L. Skinner.

Sow Pig 3 and under 6—1-2 L. Skinner.

Tamworth

Boar over year—W. Matthews, D. Heath, L. McGee.

Boar Pig 6 and under 12—L. McGee.

Boar Pig 3 and under 6 — W. Matthews, L. McGee, W. Matthews.

Sow over year—1-2 L. McGee, 3-4 W. Matthews.

Sow Pig 6 and under 12—W. Matthews, L. McGee.

Sow Pig 3 and under 6—1-2 L. McGee, 3-4 W. Matthews.

Bacon Type

Best two Pigs bacon type — W. Finch, A. Chambers, L. Skinner, L. McGee.

Best Sow and Litter—D. Heath.

Best Boar in show—A. Chambers.

Best Breeding Sow—L. McGee.

Best pair Sows under 6 months—W. Finch.

Best pair bacon Hogs—W. Finch, A. Chambers.

Best bacon Hog—A. Chambers.

Best Sow under one year—W. Finch.

Best Boar, two sows any breed—L. McGee, L. Skinner.

HOLSTEINS

Bull Calf Sr.—J. Ackerman.

Bull, any age—Ackerman.

Cow in milk—Ackerman.

Cow, dry in calf—Ackerman 1-2

Heifer, 3 years, dry—J. Huffman.

Heifer, 2 years, in milk —Ackerman, L. Leavens.

Heifer, 2 years, dry—J. Huffman.

Heifer, Sr., yearling — Ackerman, J. Herrington.

Heifer, Jr., yearling — Ackerman, Huffman, 2, 3; Leavens.

Heifer Calf, Sr.—Ackerman.

Heifer Calf, Jr.—L. Cummins. J. Vermilyea, Ivan Phillips, R. Walsh.

Best Jr. Female—Cummins.

Best Sr. Female—Ackerman.

Grand Champ, Female—Ackerman.

Graded Herd—Ackerman.

Junior Herd—Ackerman.

Progeny of Dam — Ackerman, Huffman, Leavens.

Junior Get of Sire —Ackerman

SPECIALS

Bank of Commerce —Best Female over 3—Ackerman.

Bank of Commerce —Best Bull, —Ackerman.

Quaker Oats, Best Senior Yearling—Ackerman.

Horse Set Back To Last After Winning Race

The first disqualification on a Belleville race track in many years occurred during the race program given by the Fair Board on Wednesday afternoon. Bernard Grant, driving Mr. Tripp, was set back to last place after winning the second heat of the 2.20 class, for interferring with other horses going into the first turn.

The judges took some time in making their decision and after a long discussion decided to set the driver and horse back two positions. After again considering the offence, it was decided to move the horse back to the bottom of the field. In the first heat, Mr. Tripp was a bang-up third to Miss High Light and Penny Patch but in the second heat when the horses were sent away, Grant steered for the inside and rail position and nearly cut the feet from under Penny Patch. Again up the back stretch, Grant made another move and by not driving his position, again interferred with other horses, so they had to pull up or be cut down. It was a most flagrant violation of the rules and the judges acted promptly to protect the other horses.

Markey Wade driving Red Stone in the slow class escaped serious injury in the first heat, when in cutting too close heading into the stretch for the drive home, the sulky hit the steep bank and threw the driver onto the track. The horse continued down the stretch and with a shadow blinker on could not see where he was going and ran head-on into a light pole. The horse was thrown heavily to the track but was soon on its feet and did not interfere with other horses in the race.

Racing Formful

The racing was again formful with different horses winning heats in the 2.20 class. Miss High Light had the most brush in the first heat with Penny Patch a close runner-up. In the second heat the fracas occurred and the heat was awarded to Penny Patch with all the other horses placed up one position. In the third heat, Mr. Tripp handled this time by Charles Gallogy of Kingston made every post a winning one to capture the heat. The fastest time of the meet was made in this trip, it being negotiated in 2.15.

After finishing second in the first heat, Peter C. owned by Stan Blewett of Peterborough, made every post a winning one in capturing the next two heats of the slow class. Beth Hanover, after winning the first heat, made a bad break going away and was last in the second heat but in the third she came back to finish a close second to the winner. The times of the heats were very good, the slow pacers going faster in the first two heats, than the 2.20 pacers.

2.20 Class

Miss High Light—B. Samos Cobourg	1	2	2
Penny Patch—L. Lawson, Midland	2	1	4
Mr. Tripp—S. Ireland, Smiths Falls	3	8	1
Mac Volo—S. Blewett, Peterborough	4	3	3

Black Duty—H. Inglis, Brighton	7	5	7
Red Stone—S. Defosse, Trenton	8	8	8

Time—2.16, 2.16, 2.16.

Judges — James Cowan, G. N. Montgomery, Ross Turley. Timers J. McGowan, H. B. Stock, James Barber. Announcer Cameron Bunnett. Starting gate, Roy Mitchell.

Miners Working Grow in Number

TIMMINS (CP)—The ranks of workers returning to the tunnels of the strike-bound Broulan Reef gold mines reached 60 today. They crossed picket lines without incident.

The back-to-work movement has been growing daily. Today's group was the biggest since 350 miners, members of the United Steelworkers of America (CIO-CCL), walked out six weeks ago for higher wages.

Forty miners returned to work Wednesday.

Cars bearing workers have passed through the picket lines without incident each day this week.

Council Declares City Neutral In Truck Strike

WINDSOR, Ont. (CP) — City council Tuesday night passed a resolution declaring the city neutral in the current southwestern Ontario truck strike and council members attacked a Toronto newspaper editorial dealing with the attitude of civic officials towards the labor dispute.

Council's resolution expressed disapproval "of the use of violence and. . . any wanton disregard for the rights and safety of the general public. . . ."

During the session alderman John Wheelton showed mayor Arthur J. Reaume a copy of the Toronto Globe and Mail of Aug. 11 which carried the editorial.

The editorial said that mayor Reaume had criticized his city's police force for granting protection to what the mayor called "scab drivers." The editorial added: "This is by no means the first time that civic officials at Windsor have closed their eyes to blatant defiance of the law made by Parliament; or actively sided with those defying it."

Alderman Wheelton told council that"this is not the first time this city has been subjected to grossly unfair attacks in certain Toronto papers.."

"The biggest issue in any strike is to see that no blood is shed," mayor Reaume commented. "I pay no attention to the Globe and Mail."

Controllers' Faces A Little Pink

WINDSOR, Ont. (CP) — If the faces of Windsor's controllers were a little pink today nobody could blame them.

About a month ago Harold C. Beckett, Windsor architect, was authorized by the board to prepare a plan for landscaping the Detroit river-front park site and parking area which is to be part of a new civic auditorium.

Mr. Beckett prepared elaborate plans for consideration at a special city council meeting next month.

The board of control received a letter Wednesday from Town Planning Consultants Limited saying that it had been granted a contract to do the same work last February.

The controllers, however, didn't appear to be greatly worried. They simply passed the buck to city council and referred the letter from the planning firm to the same council meeting at which Mr. Beckett is to present his plans.

Says Council Threat to Freedom Of the Press

MONTREAL (CP) — Britain's newly-formed Press Council is a threat to freedom of the press, Beverley Baxter, Canadian - born British Journalist and member of the British Parliament, said in an interview Wednesday.

Mr. Baxter said the council "was inspired by Herbert Morrison to scare the press," which had been severely critical of the Labor party of which Morrison was foreign secretary while Labor was in office.

The council was formed after Parliamentary approval and a royal commission into British journalism and is made up of representatives of all fields of newspaper work. They are to act as a self-critical body to improve journalistic standards.

Mr. Baxter said he would "rather have a bad press free, than a good press not free."

Early Opening Of New Car Ferry Is Expected

SARNIA (CP)—An early October opening of the Chesapeake and Ohio railway's new car ferry service between Sarnia and Port Huron, Mich., was forecast Wednesday by officials of the company.

Work on the Sarnia installations, which will cost $1,600,000 of the $2,100,000 project, are nearing completion.

Dredging of wharf installations on the Sarnia side is completed. The wharf to which the car ferry will tie up will arrive next week.

An eight-track yard, capable of accommodating 202 cars, is half completed.

Installations in Port Huron, including yard and customs office, remodelling of the interior of the present depot, improvements to the slip and track changes, will cost $500,000.

The Port Huron-Saginaw gateway will provide a Saginaw to St. Thomas, Ont., route. 27 miles shorter than that now in use.

Cementmen Lose To Peterborough By 9-8 Score

By PETER UPPER

The T. P. Transports of Peterborough overcame a five-run deficit to take the Point Anne Cementmen 9-8 up in the Liftlock city last night in the first game of the Intermediate "A" O.A.S.A. playdowns. The return game is in Point Anne Saturday night.

The Point Anne team committed 11 errors afield and in general did not look like the team that played here in the city on Monday night.

The Cementmen took a two run lead in the first inning, added three more in the second and looked like they were headed for a victory. Then the Transporters got three in their half of the second. In the top of the sixth the Stone Crushers again widened the gap with another run. In the bottom of the sixth, the Transporters scored five runs on six errors afield. They only got two singles that inning. The Cementmen rallied in the seventh and pushed one across. They added another in the ninth. In the bottom of the ninth, Paddy Gilmour dropped a toss from Doug Hull and the man who was on third scored to end the game.

Eakins went all the way on the hill for the Transporters getting nine on strikes and walking four. Pat Maracle started for the Cementmen and in the five and two-thirds innings he struck out seven and walked four. He was relieved in the sixth by Hunter who struck out three and walked one. In all fairness to the pitchers, they had little or no support afield most of the time.

Score by innings:		R	H	E
Point Anne ..	230 001 101—8	9	11	
T.P.T's	303 005 001—9	7	3	

Shannonville Getting Nearer To League Crown

Shannonville took another step towards the South Hastings Baseball league crown by defeating Cannifton 5-2 in Shannonville Wednesday night.

Cannifton started the scoring in their half of the first inning with a singleton. However Shannonville bounced right back in the bottom of the first and scored three. Cannifton threatened again in the second but they only got one and remained dormant on the score sheet for the rest of the game. Shannonville added another in the second and one in the fifth to wind up the scoring.

Ken Juby worked the route on the hill for Shannonville striking out eight. Philips started on the mound but was relieved by Stolliker in the first innings. He went the rest of the route striking out seven.

Juby led Shannonville at the plate with a double while B. Reid, Maracle, Sero, Les Reid, Bennett, Lewis and Howard each connected for singles.

The best hitters for Cannifton were Sheffield, Stolliker, Harder, and Cole getting singles apiece.

Cannifton 110 000—2
Shannonville 310 01x—5
Scorer: Art Hall.

Sun-Joys Take Deciding Game

Over Prince Edward way last night, the Bloomfield Sun-Joys canned Wooler 10-4 to take the third and deciding game of their best-of-three series in the first round of the OASA Intermediate B playdowns. The game was played in Picton under the lights.

The Sun-Joys will meet Cobourg in Cobourg on Saturday with the return match being in Picton on Tuesday.

On the Intermediate AA side, the winners of the Bobcats-Northern Electric series trek to Kingston on Friday, while they play host to the Kingston squad on Tuesday.

In the meantime, Point Anne takes the road to Peterborough where they will be the guests of the T.P.T.'s. On Saturday the Point Anners will entertain the T.P.T.'s at the Ox Point at 5.30.

Soccer Draw

Remaining games in the Belleville Charity Cup Soccer Series are:

August 25 — Batawa vs. Northern Electric.

August 26 — Trenton vs. RCAF

The draw for the Trenton Challenge Trophy is as follows:

Sept. 1 — Batawa vs. Trenton.

Sept. 2 — RCAF vs. Northern Electric.

Sept. 8 — Trenton vs. Batawa.

Sept. 9 — Northern Electric vs. RCAF.

The first-named team in each case is the home team. All games will start promptly at 6.30 p.m. All proceeds for Charity Cup games will go to the injured players' fund. In both events rules call for home and home games, total goals to count, with a third game to be played in the event of a draw in total goals.

GOOD MANNERS

By Mrs. BEECKMAN

How A Widow Should Sign Her Letters

Dear Mrs. Beeckman:

Please tell me the correct signature for a widow. Should she sign her letters "Mrs. John Smith" or "Mrs. Mary Smith," and when, if ever, does she sign her name "Mary Smith"?

M.E.M.

A widow should sign her letters just as she signed them (or should have signed them, if she knew what's what in signatures) when her husband was living.

(1) That is, naturally she signs letters to friends with her first name only . . . "Mary."

(2) Letters to people she doesn't know very well, but who do know her formal name, she signs:

Sincerely,
Mary Smith
(or Mary Brown Smith)

(3) Business letters, professional letters, and other letters to those who naturally must be informed of her formal name (for their reply to her letter), should be signed:

Very truly yours,
(for business letters)
or
Sincerely yours,
(for other letters)
Mary Smith
(or Mary Brown Smith)
(Mrs. John Smith)

Most important note: It is never correct to use a title before a name in the direct signature of a letter, any kind of letter to any one. Thus although a widow's formal name is still Mrs. John Smith, her signature is either Mary Smith or Mary Brown Smith (as explained above).

A Widow Is Still "Mrs. John Smith"

Dear Mrs. Beeckman:

Should a widow be addressed by her late husband's name "Mrs. John Smith," or by her own Christian name, "Mrs. Mary Smith"?

M.E.

A widow should not change the form of her name. She continues to be Mrs. John Smith, using the name her husband gave her. It is incorrect for her to change to "Mrs. Mary Smith."

Groom And His Attendants Don't Change Attire For Evening Reception

Dear Mrs. Beeckman:

Our plans: a quite large church wedding in October, at 11 o'clock in the morning, Nuptial Mass; followed by a Wedding Breakfast for the families and our attendants. The reception is to be held that evening. I am to wear a formal satin bridal dress, bridal veil, and of course will wear this also during the breakfast and the reception. The bridegroom, best man, ushers, and the two fathers will wear formal attire—cutaway coats, striped trousers, and so forth—for the ceremony and the breakfast, but there is a serious discussion as to whether or not they should change to evening attire ("tails" or tuxedo) for the evening reception. My fiance, his best man, and two of the ushers maintain that the men in the wedding party should remain dressed for the reception as they were for the ceremony and breakfast, but several of the other ushers think they should all change, including the fathers. Who is right?

Faye

Your fiance is right. Since, as you say, you (and I take it for granted your bridal attendants also) will be wearing to the reception the formal wedding attire you wore at the wedding, the correct thing is for the groom and his attendants to wear to the reception the attire they wore at the wedding. This is proper, and customary.

DESERONTO

DESERONTO.— Mr. and Mrs. Allen Martin, of Toronto, were week-end guests of the latter's mother, and father, Mr. and Mrs. W. C. Cochrane and family.

Mr. and Mrs. Reg. Dawson and Mr. and Mrs. Gordon Burley spent Sunday at Montreal.

Mr. and Mrs. Fred Cummings returned to their home in Rochester, N.Y., after visiting the latter's mother, Mrs. Charles Wagar.

Mr. and Mrs. Jack Roach of Toronto, were recent guests of the former's brother and sister-in-law, Mr. and Mrs. E. M. Roach.

Mr. and Mrs. James Hamilton returned home from an enjoyable motor trip to Quebec, New Brunswick and Prince Edward Island.

Mr. and Mrs. R. G. Rixen and family, of Toronto, have returned home after holidaying at their cottage, on the bay.

Mr. and Mrs. Percy Moore, of Fort Erie, visited with the former's brother, Mr. Blake Moore.

Roy Alkenbrack, of Napanee, visited at the home of his grandmother, Mrs. Charles Beyette.

Mr. Jack Lyne and Mrs. Effie Crawford, of Toronto, were callers at the home of Mr. and Mrs. William Watson and family.

Mr. and Mrs. Herb. Crosse, of Toronto, are holidaying with the latter's mother, Mrs. William Perry.

Mr. and Mrs. Jack McClinton of Toronto, visited with the latter's uncle and aunt, Mr. Vince Culhane and Miss L. Culhane.

Mr. and Mrs. Harold Topping visited for a few days in Toronto and Niagara Falls.

Cpl. and Mrs. W. Kelles and family, left on Saturday for their future home at Chatwick, N.S.

Mr. and Mrs. Emil Bernard, Cleveland, Ohio, were recent guests of Mrs. Bernard's cousin, Mrs. Sid Brown and Mr. Brown.

The announcement in Ottawa, of the engagement of Miss Frances Dold and W. H. "Cappy" Kidd is of interest to friends in Deseronto. Mr. Kidd, who is national secretary of the Progressive Conservatives is the son of Canon W. E. Kidd and Mrs. Kidd, former rector of St. Mark's Anglican Church, Deseronto. The wedding will take place in Brockville at the end of August.

Mrs. Peter Piper Packed A Peck of Pickles

By Mary Moore

What a business it is being a housewife. First thing you have to be is good, then you have to be beautiful and good, then dutiful and beautiful and good. . .

. . .first thing you know you are trying to be beautiful while you are good and dutiful to a little bundle of love. Then you find besides being all those virtuous things and cooking into the bargain somebody like me comes along and tells you it is a cinch to make pickles, so you try your hand at pickle-making.

It is a good thing that it is all some fun. Even pickle-making is rewarding. Pickles do add a fillip to a meal, and how comforting it is to your pocketbook to know yours are in the basement instead of on the grocers' shelves—for a fee!

Last year at this time we gave you lengthy instructions for long-process brining of pickles. If you want those instructions again write to me and I will send you a copy.

The little offerings I have for you today are individual recipes for beets, tiny onions and chunk pickles which you show a preference for. But let me know if there are others you want in this column, but remember to enclose a stamped envelope if you want return mail or a quick reply.

Pickled Beets

Select small beets of uniform size that are fresh. Cut off tops, allowing 1 inch of stems to remain. Wash well and cook in water to cover until just tender. Plunge into cold water and slip off skins. Pack in sterile jars. Make a vinegar syrup in proportions of 1 cup water to each 3 cups vinegar and 2 or 3 cups sugar. The amount of sugar depends on your sweet tooth. Add to the vinegar syrup 1 teaspoon cloves and 2 4-inch sticks of cinnamon bark. Boil this syrup 5 minutes and pour over the beets in jars while it is boiling hot, filling to overflowing. Seal at once.

Pickled White Onions

One-half peck small silver-skin onions, 1-4 teaspoon cayenne pepper, 1 stick cinnamon, 2 teaspoons chopped horseradish, 2 teaspoons whole cloves. Now patiently peel the pesky little onions, and place them in a cold brine allowing 1-4 cup salt to each quart of water and let stand 24 hours. Drain and pack in sterile jars, placing a few of the whole spices between the layers of onions. Add the small hot red pepper like the commercial picklers do, to give your jars an interesting appearance. Fill the jars with boiling syrup made by cooking vinegar and brown sugar together until dissolved, using proportions of 1 gallon vinegar to 4 cups brown sugar. Boil this 5 minutes. Fill jars to overflowing and seal.

Emem's Chunk Pickles

Seven pounds dill-size cucumbers are cut into 1 1-2-inch chunks. Soak in brine strong enough to float an egg for 7 days. The proportions for the brine for you do not like trying to float eggs is about 2 cups non-iodized salt to 1 gallon boiling water cooled before pouring over chunks. At end of 7 days pour off brine, and cover cucumbers with cold water to freshen them for 24 hours. Drain. Boil together 1 quart vinegar, 2 quarts water and piece of alum size of a walnut, add drained cucumbers and boil 7 minutes. Drain and discard this. Make a syrup by boiling together 1 quart vinegar, 3 lbs. white sugar, 1 oz. mixed celery seed, whole allspice, cassia buds for 2 minutes. Pour this syrup over the drained pickles. Let stand 24 hours. Pour the syrup off and boil it again for 2 minutes, then pour it back over the pickles. Cover with cheesecloth and plate to be sure pickles are submerged and store in cool dark place. Or pour over pickles in sterile jars and seal.

SPREE IS OVER

ROSWELL, N. M. (AP)—Lester Greathouse's cheque-writing spree, which he said netted him $500,000 in 14 months is at an end. The 49-year-old man was sentenced Tuesday to a life term in prison under New Mexico's Habitual Criminal Act which makes life sentence mandatory after four prior convictions.

ADVICE to the LOVELORN

By BEATRICE FAIRFAX

LETTERS AND ANSWERS

A Difficult Question to Answer

Dear Miss Fairfax:

I am a Puerto Rican girl 16 years old, and the boy with whom I have been going for nine months is 18. We like each other very much, but the trouble is that my mother has told me not to go out with boys, and so I have hidden from her the fact that I go out with him, and I don't like to do that.

He has just left for the Marine Corps, and before he went, he told me that by the time he comes home, he hopes I will have graduated from school and then he will speak to my mother about our getting married. Do you think she will take this all right?

L.C.

Dear L.C.

The question you ask would be a pretty hard one for anyone to answer. Naturally, if your mother has forbidden you to go out with boys, when one comes along and asks for permission to marry you, she is going to wonder how you got to be such good friends, and you may have trouble on your hands.

However, it seems to me that you are worrying about something that is pretty far in the future, and that you might wait until nearer the time for this boy to come home before trying to make a practical plan to meet the situation.

In the meantime, I suggest that when school begins in the fall, you talk to the teacher you like best about this problem of your mother's attitude toward your going out with boys. I expect your mother finds it hard to adjust to the free-and-easy way girls and boys in this country go about together and, since this problem must often arise with school girls of other nationalities, your teacher should know how to help with it. If she would be willing to try and make friends with your mother, she may in time be able to persuade her that it's only fair and right for you to do as American girls do, now that you are living in their country, and that she shouldn't try to make you live as the girls do in Puerto Rico. Then, when this boy gets back — if you are still as interested in him by then as you are now — it will be easier to plan a suitable way for him to meet your mother.

Don't get too serious about any young man for awhile yet, though. At 16, you should be having good times with lots of young people, and I hope your teacher will be interested enough to help you work this out.

Beauty

By HELEN JAMESON

Vacation Beauty Routine

So many people are going places this season of the year one would fancy that nobody is staying home. If you are chasing along in the national motorcade let us hope that you are taking along the necessary beauty props and that you use them. It sometimes happens that a holiday trip will make a girl feel better but look worse—because she lets up on her beauty routine.

Neglect hair, complexion and finger nails for a fortnight and it will take you a month to restore their beauty. You must not only take care of your looks but you must take preventive measures against certain ills that can beset them—the dust of travel, for instance. It will cling to your hair, your face and your hands.

Take along a tube of cleansing cream; keep it in your purse or hand bag along with some tissues. Then you won't have to paw through the contents of your suit case to find it. Use it generously before having your dinner. Wind, strong sunlight and dust can make your skin sensitive in no time at all.

Fortify yourself with a jar of soothing cream, of heavier consistency that your cleansing emollient. This you must apply at bedtime after a face-washing with a bland soap. If the skin feels windburned substitute the cleansing cream for soap. Give yourself a five minute friction treatment to force the cosmetic into the flesh so that little black points will not appear in the pores.

After rinsing your face with cold water in the morning and drying gently, apply a foundation cosmetic that will serve as a barrier against dust. Be careful in selecting the color; it should match your own coloring as closely as possible.

Use your hand lotion daily. Wear some sort of head covering as you may not have time for shampoos. Don't forget your hair brush; this is just the time when you need it most.

Take along several changes of ant than any other item as the

WHITE'S DISTRICT

WHITE'S DISTRICT — Miss Wilma Cunningham of Wellington district, spent last week with her sister, Mrs. Donald Sandercock and Mr. Sandercock.

Mr. and Mrs. Harry Rush of Colborne were recent Sunday guests of Mr. and Mrs. Clifton Rush.

Master Gerald Shea, son of Mr. and Mrs. Ernest Shea of Oshawa has been holidaying for the past month with his grandparents, Mr. and Mrs. William Yateman.

Mr. and Mrs. Donald Sandercock were Sunday guests of her parents, Mr. and Mrs. Wesley Cunningham of Wellington district.

Mrs. Ovens was a visitor one day last week of Mr. and Mrs. Clifton Rush.

Mr. and Mrs. Frank Sandercock attended the wedding and reception of their niece Miss Shirley Brooks, daughter of Mr. and Mrs. Earl Brooks of Murray at Tabernacle United Church and hall, on Saturday afternoon.

W. I.

The August meeting of the Bay of Quinte Women's Institute was held at the home of Mrs. Clayton Stickle with Mrs. Ross Stickle, president, presiding over an enjoyable meeting.

Mrs. Orval Ghent was a Tuesday dinner guest of Mr. and Mrs. Clifton Rush.

Mr. and Mrs. Fred Robson of Toronto, who have been holidaying in this district and farther north for the past two weeks, were Friday evening tea guests of their aunt, Mrs. Walter Jones and Mr. Jones.

Mr. and Mrs. Clifton Rush spent last week-end with their daughter, Mrs. Harvey Hannon, and Mr. Hannon of Toronto.

A large number from this district attended the funeral of the late Mr. Ritchie Ketcheson at the Weaver Funeral Home, on Tuesday, in Trenton.

Miss Anne Blong is holidaying with relatives in Port Dalhousie.

Mrs. Clara Millar and Masters David and Stephen Millar, Belleville, were Thursday visitors of the former's parents, Mr. and Mrs. Clifton Rush.

Mr. and Mrs. Frank Sandercock, Mr. and Mrs. Donald Sandercock, Mrs. James Sandercock and Miss Wilma Cunningham were visitors at Presqu'Ile, last Sunday.

Mr. and Mrs. Donald Bowers, Miss Audrey Bowers and Masters Ronald and Garnet Bowers were Sunday guests of Mr. and Mrs. Albert Parker and family of Campbellford. Miss Marilyn Bowers, who spent last week with her uncle and aunt, returned home with them.

Mr. Samuel Bowers had the misfortune to fall last Sunday and fracture four ribs. His many friends hope that he will soon be well again.

Mr. and Mrs. Clayton Ritz, Carolyn, Kathryn and Arnold of Thurlow, and Mrs. Matthew Denton, were Sunday guests of Mrs. W. A. Jeffery.

Services were resumed at White's Church on Sunday afternoon. The Rev. R. W. T. Middleton gave a fine message and Mr. B. Westover contributed a solo, with Mrs. Verna Waldron as accompanist.

Mr. T. Blong had the misfortune to fall from a scaffold and fracture a wrist. His friends hope he will soon be well again.

Mr. and Mrs. B. Westover were Sunday evening callers of Mr. and Mrs. T. Irwin.

THOMASBURG

THOMASBURG — A choir composed of the United Church choirs of Thomasburg, West Huntingdon, Moira and Eggleton commenced practices on Thursday evening in preparation for the centennial services in St. Paul's United Church, Stirling, on September 20.

As scheduled there was no service in the United Church in Thomasburg on Sunday. Service will be held at 7.30 p.m. on Sunday, August 23rd.

Mr. and Mrs. E. Carter, Wayne and Shirley, took up residence in their new home last week. A welcome is extended to them and all wish them health and happiness in their new home.

Mrs. Henry Morton underwent surgery in Belleville General Hospital on Friday morning. Her many friends wish her a speedy recovery and return to health.

Mr. and Mrs. M. Trumpour of Montreal are guests for a short time of Mr. and Mrs. W. Yateman.

Mr. and Mrs. Earle Yateman of Detroit visited on Monday with Mr. and Mrs. W. Yateman.

Mrs. F. Brough is a patient in Belleville General Hospital. All join in wishing her a complete recovery from her operation which was performed on Wednesday of last week.

Mrs. E. Blakely and Gerald were Sunday evening callers of Mrs. W. Holbert.

Cars Collide

Returning home Thursday on the road just east of Moira Valley Cheese Factory, Mr. and Mrs. T. Emerson collided with a truck driven by Mr. E. Ward of 4th Line. No one was injured but Mr. Emerson's car will need considerable repair to fender and front part of the car.

Mrs. H. Vance, Sharon and Linda, have been visiting their mother, Mrs. W. Cox, of Flinton.

Mrs. E. Thompson, Brian and Donald, returned last week from a pleasant holiday in the U.S.A.

Miss Nancy Morton was a guest last week of Miss Dorothy Pipe in Belleville.

Mrs. M. Sanders of Bloomfield visited for a couple of days last week with Mrs. H. B. Richardson.

Mr. H. C. Mann of Ottawa is visiting his daughter and son-in-law, Mr. and Mrs. Ernest Carter.

Congratulations to Miss Vera Martin and Guy Thompson on their success in their summer courses in Toronto.

Mrs. Lorne Mumby, Grant and infant son, Ralph Edward, who have been staying for a time with her parents, returned home on Thursday.

King Cobra Is Unwilling Worker

If you never get close enough to the real thing, you can still get a good idea, from the photo, left, of what a king cobra looks like when it's striking. It was made in the Miami, Fla., serpentarium as a new cobra, just received from Bangkok, Siam, was "milked" of its venom for the first time. The fangs of the cobra are just approaching the jar that catches the venom when the snake strikes. William Haast, who operates this hazardous business, has been bitten 23 times, but has survived because he built up a resistance with cobra venom shots. Above: Haast is feeding his new cobra after the "milking," using a gun-like instrument containing a formula of eggs, milk, bone, chicken blood and vitamins. — Central Press Canadian Photos.

6TH SIDNEY

6TH SIDNEY. — A shower was held Tuesday night at the home of Mrs. Carl Sine in honor of Miss Rhea Rose, bride-to-be. The evening was spent in making a "Bride's Book". Rhea was asked to open her gifts for which she graciously thanked everyone. Refreshments were served and an enjoyable evening came to a close.

Rhea, who was a former member of Scott's Church and this community, was married here on Saturday, August 15, to Mr. Harry Macdonald, of Frankford.

The W.A. and W.M.S. of Scott's Church held a family night at the home of Mr. and Mrs. Edison Sine's which took the place of the regular monthly meeting. Family night was held in order to meet the new minister, Rev. Mr. Dovey and his family. After the meeting and business was over, a sing-song was enjoyed by all. Refreshments were served by the ladies.

A shower was held Friday night at the home of Miss Jean Frost in honor of Miss Eloise Sine, who will be married on Saturday August 22.

The evening was spent in making a bride's book. Eloise was then asked to open her gifts for which she expressed gracious thanks. Miss Helen Burkitt played several piano selections which were enjoyed.

Refreshments were served and the evening came to a close.

MARMORA

MARMORA. — Mrs. A. W. Drew returned to her home in Deloro, on Monday from Peterborough Civic Hospital, where she has been a patient for the past two weeks.

A number of Marmora Legionnaires attended the Legion Decoration service at Frankford on Sunday afternoon.

Master William Jones, of Kingston, is spending a few days with his grandmother, Mrs. C. Jones.

Mr. and Mrs. Robert Pearse, of Peterborough, are guests of Mrs. F. N. Marett and James Marett, at the former's summer residence at Crowe Lake.

Mr. and Mrs. Clayton Clemenger and son, John, and Mr. Wilbert Ellis visited Eganville, on Sunday.

WANTED IN STAYNER

SAINT JOHN, N.B. (CP)—Ruthven MacDonald, 39, is being held here for Ontario provincial police. Saint John detectives say the man, arrested Monday, has been wanted for 18 months by the Stayner detachment on a bail-jumping charge.

What could be fresher?
Kellogg's CORN FLAKES
Nothing but

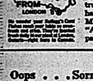
FRESH

from Kellogg's

THE CRISP, CRISP FLAKES WITH THE DEEP, DEEP FLAVOR

The fresh-from-the-oven aroma that greets you the moment you open a package of Kellogg's Corn Flakes is almost as much of a trademark as the familiar signature of W. K. Kellogg.

It says that the *original* corn flakes are truly fresh. It says that our radiant ovens have toast-blended the distinctive flavors of Mr. Kellogg's still-secret recipe. It says "Aren't you glad you remembered to get a package of Kellogg's Corn Flakes today?"



No wonder your Kellogg's Corn Flakes reach your table so oven-fresh and crisp. They're toasted fresh daily in our plant at London, Ontario—right here in Canada.

Oops . . . Sorry!

So Many people sent for Kellogg's "Even-Heat" Frying Pans that we couldn't keep up with the sudden tremendous demand. Please be patient. We are doing everything possible to get them to you quickly.

Where Six Killed

Smashed almost to matchwood is this automobile in which six persons were killed on the highway near Lloydminster, Sask. Four members of one family and two children died when the car crashed into an oil truck. Dead are: Albert Henry Doolittle, Edgerton, Alta., his wife, Vera; seven-year-old son Garry; an infant grandson, Robert, six months; Verna Opperman, 13, and her sister, Lila, 11. — (CP Photo.)

Maintains That Producers Should Have Right to Name Prices at Which Goods Sell

WINNIPEG (CP)—Maurice Mermey, director of the Bureau of Education on Fair Trade, an American trade organization, said today it is to the benefit of consumers and of small business for producers to have the right to name the price at which their products should be sold.

Addressing the annual convention of the Canadian Pharmaceutical Association, Mr. Mermey said he was not suggesting what Canadian laws should be, but was relating the experience of the United States. (Canadian legislation enacted last year forbids producers to name retail prices).

Loss-Leader Traps

Referring to retailers who offer "loss-leaders," he said:

"The price-juggling merchant offers popular brands as bait bargains to make customers think everything he sells is a bargain. He traps customers into buying other items at hidden high prices which more than cover his losses on the bait bargains.

"The small retailer can't help himself when the price-juggler puts the squeeze on him, but the big retailer can and does. He will match the bait juggler's prices and even drive them down further. The inevitable price war starts, and the small retailer is between the devil and the deep blue sea."

Fair Trade Practices

Mr. Mermey said United States court decisions to date have largely upheld "fair trade" practices and the American customer has consistently bought more and more "fair-traded" products. He said the consumer is the "real price boss."

"The manufacturer must make his price right, fair trade or no he loses his market.

fair trade. If he guesses wrong.

"The facts of life in retailing are simply that every store has an over-all gross margin which it needs to cover operating costs and make a profit. This applies even to super markets.

"If they sell some products at prices below their over-all gross margin, they must sell other products at prices above their over-all margin. . . .

Customer Tests Prices

"The consumer provides the true, economic, free enterprise, over-the-counter test of the reasonableness of all prices, in terms of what she buys and what she refuses to buy."

Mr. Mermey said research has found that "customers paid less, over-all, under fair trade for leading national brands than consumers paid for the very same brands in areas without fair trade where the price-jugglers could charge what they pleased. They did charge what they pleased. They charged more."

Freighter Abandoned

CORNER BROOK, Nfld. (CP)—The fire-gutted hulk of the 260-foot Danish freighter Else Basse was towed into St. George's Harbor, Nfld., late Wednesday a few hours after a 22-man crew and a woman passenger arrived in this west coast Newfoundland port on the Canadian paper carrier Corner Brook.

The 1,419-ton vessel, bound from Denmark to the United States, was abandoned Tuesday night 15 miles off Cape Anguille, Nfld., after flames got beyond control.

Capt. P. Jackobsen said the fire started in the engine room.

In Capable Hands . . .

In this rare photo of Wilhelm Pieck, the communist president of the German Democratic republic — established by Russia in 1949 — is seen during a visit to a German youth camp for 10-year-old red "pioneers" in Berlin. Barely visible behind man at right, Pieck is surrounded by a 10-man bodyguard, all members of the SSD, the East German security ministry, who accompany him wherever he goes. The stiff left arm of each of them indicates a pistol under the armpit. — Central Press Canadian.

Toronto Store Gutted by Fire, $500,000 Loss

TORONTO CP)—Fire causing $500,000 worth of damage Wednesday raced through the White Hardware Limited warehouse in midtown Toronto, the second time fire has struck the place in four months.

While firemen battled for three hours, the blaze threatened hundreds of thousands of rounds of small arms ammunition stored on the second floor. Some 200 employees managed to roll a truck of ammunition from the fire area to safety behind steel fire walls.

The warehouse contained $1,000,000 worth of hardware. Workmen were still repairing damage caused April 30 when fire swept through the top floor of the long, three-storey building when the latest blaze started.

A new wing valued at more than $200,000 was gutted by the three-alarm fire and much of the stock was destroyed. Sparks carried by a strong wind landed on the roof of a home a block away, but were put out with a garden hose.

No cause for the fire was found immediately. Neither has any cause been found for the April 30 blaze.

Wheat Producers Will Seek Prov. Marketing Scheme

TORONTO (CP)—The Ontario Wheat Producers' Association says it will seek a provincial marketing scheme for Ontario winter wheat.

The association, meeting in Toronto Tuesday, decided to devise its own scheme under which producers will market their wheat instead of leaving it to the vagaries of the open market. The plan will be submitted to the farm products marketing board for approval.

This move has been prompted by what the association calls disorderly marketing and low prices.

Last year's price to the producer of Ontario winter wheat ranged from 70 cents to $1.85 a bushel. This year they are receiving from $1.35 to $1.60. And yet the meeting was told that western feed wheat was being retailed to Ontario farmers for $1.90 or more. The executive said this indicates that the price of Ontario winter wheat should be considerably higher and urged the use of Ontario winter wheat in hog and poultry rations wherever possible.

The setting up of a provincial marketing scheme had been urged by farm groups in Essex, Kent, Lambton, Middlesex and Elgin counties.

Cecil Belyea, fieldman economist for the Ontario Federation of Agriculture, said prices are bound to be lower than last year because of the big supplies in the wheat-producing countries, but prices of Ontario wheat should not be as low as they are.

TYPHOON IN PACIFIC

MANILA (AP)—The Philippines weather bureau said Wednesday a new typhoon is churning through the Pacific 240 miles east of the northern tip of the Philippines. The storm has winds of 90 miles an hour at its centre, and the weather bureau said it is intensifying.

Eisenhower Has No Comment On Russian H-Bomb Tests

By MARVIN L. ARROWSMITH

DENVER (AP)—President Eisenhower was back at the Summer White House today with a top secret report on how the United States learned about Soviet Union tests indicating Russia may have the hydrogen bomb.

Eisenhower had no comment on the Moscow newspaper Pravda's statement in today's issue that Russia recently touched off a hydrogen bomb explosion.

And presidential press secretary James C. Hagerty told newspaper men there would be no elaboration here on the atomic energy commission's follow-up announcement in Washington that the Soviet conducted tests Aug. 12—which, on the basis of the commission's information, involved "both fission and thermonuclear reactions."

Fission means atomic tests while thermonuclear is the technical term for hydrogen bomb activity.

Eisenhower returned to his vacation headquarters here by plane Wednesday night from New York.

Sees Atomic Chief

When he arrived in New York Wednesday morning, the president had an unscheduled breakfast conference with Lewis L. Strauss, chairman of the atomic energy commission, and C. D. Jackson, White House adviser on psychological warfare.

Those two officials apparently amplified information which almost certainly had been furnished to Eisenhower here Aug. 12, the day the Soviet tests took place.

The atomic energy commission statement by Strauss said this government obtained information about the tests the day they occurred.

New Red Court in Romania Getting Fat on the People

BUCHAREST (AP) — The lush extravagances of former king Carol of Romania have been replaced today by those of Communist king Gheorghe Gheorghiu-Dej.

Western diplomats here say the new Communist court has bled Romania as much as the old monarchy. The lot of the city dweller has been lowered and the peasant reduced to a state serfdom comparable with the slavery of the boyars.

But where the late king Carol fascinated his people with romantic perambulations and political conspiracies, handsome Gheorghiu-Dej lives in isolation and rules with an iron fist.

Dej's Communist courtiers live in the homes of the former aristocracy and keep themselves in splendor while Romania's long-suffering 16,000,000 people continue in hunger.

Their homes in Chaussee Kiselef and in Jianu Park are closely guarded by armed police. Expensive U.S. and Russian cars take their uniformed servants to and from private stores.

Queue Up For Food

While millions of "common people" daily rise at 4 a.m. to queue up for the barest rations, crates of imported oranges and eggs are unloaded in the gardens of the new Communist rich.

Only Communist bigwigs or high foreign Communist guests use the ultra-modern Baneasa railway station, with its red carpets, which Carol built for the exclusive use of royalty.

The masses must wait if one of Romania's top Communist officials wants quick service in a department store or needs a rail ticket. We saw the people look at Communist bureaucrats receiving preferential treatment with the same hate they might have shown for royal agents.

The class distinctions of the new "classless society" are strict for Romania's 700,000 Communist party members.

At official receptions, Gheorghiu-Dej and his top guests are separated in private rooms and nobody may cross the line. They are served caviar and imported French brandy. The lower ranks get hors de'oeuvres and domestic tzuika.

Invited to Western receptions, the "new rich" of Romania leave their wives behind. It is said they do not know how to behave in society.

Has Big Escort

As in the 18th century, when Turkish-appointed Greek governors of Romania were carried from their tables to their beds, so Gheorghiu-Dej has an escort of police thugs, who, by their number, almost lift him from place to place All traffic stops as Dej speeds through town in a convoy of curtained black sedans.

Communist officials claim not to know the big house where Gheorghiu-Dej lives in Budapest. But the people do, and they stay away from its guards. His picture hangs at the gate to King Carol's sugarloaf summer palace (now a museum and occasional meeting place of the Cominform) at Sinaia and nearby, Dej has a minor palace of his own.

When he visits the opera, even his subordinates must wait like royal retainers until he has left through a cordon of secret police.

With the growth of this new exclusive society, Western diplomats say Romania's workers in general have seen a drop in their living standards below what they were during Carol's regime. Only a few faithful Communist workers are said to have gained.

Food Supply Declines

For three years, the supply of food has declined steadily. It reached its peak shortage in May and June. Westerners say there were block-long lines of housewives seeking food from dawn until night.

Two hundred grams of meat a week and small quantities of sugar and sunflower oil for cooking were available. That was all. There was no butter and little bread and only the smallest quantities of vegetables.

Even for well-paid Communist workers new clothes cost a small fortune. An average unskilled worker makes 250 lei a month, (a lei is valued at about 12 to one U.S. dollar) an engineer 1,150. The average monthly wage is about 450.

Against this, a man's shoddy, ready-made suit costs 940 lei, shoes 209 lei, a bar of toilet soap 12 lei and a bedroom suite 15,600.

Workers' housing, Western diplomats say, has been negligible. And though the regime boasts it has built rest camps and made paid vacations available to millions, it is estimated the average worker can expect a rest camp stay once every seven years.

Papers Found Bear Name Of Henri Seguin

ALEXANDRIA (CP)—Army papers bearing the name Joseph Henri Laurier Seguin were introduced Wednesday as evidence at the preliminary hearing of Henri Seguin, 28, charged with the murder of a Maxville, Ont., taxi operator, Leonard Z. Hurd.

Sergeant Fred Seaver of the Cornwall township police testified that the papers were among articles found in Hurd's taxi with the body. Hurd was shot Aug. 16, 1952, on a lonely road about a mile from his home.

Seguin was captured at Williams Lake, B.C., last December following an abortive attempt to rob a bank. He now is under a 20-year sentence for attempted bank robbery, robbery with violence and shooting at a police officer.

Seguin, formerly of Cornwall, sat throughout the hearing handcuffed to a provincial police constable.

The crown expects to call about 44 witnesses and the hearing will probably continue until Friday.

Sergeant Seaver identified photographs he made at the scene of the murder and an army pay book, discharge papers and other documents found in a club bag in the back of the taxi. He said the discharge certificate was made out to "Pte. Joseph Henri Laurier Seguin of Montreal" and was found inside the army paybook.

Seguin on Hunger Strike Say Police Guards

ALEXANDRIA (CP) — Henri Seguin, charged with murder, has been on a hunger strike since Saturday, his guards said Wednesday night.

The guards said the 28-year-old accused has offered no explanation for refusing food and drink except to say: "I don't feel like eating or drinking. I often get that way."

The hunger strike began at Kingston penitentiary, where Seguin is serving a 20-year sentence for attempted bank robbery at Williams Lake, B.C., last December.

His preliminary hearing on the murder charge opened in this eastern Ontario town Wednesday. He is accused of killing Lenoard Hurd of Maxville, Ont., by pumping five rifle shots into him as Hurd sat in his taxi.

Seguin appeared in excellent health.

BETTER THAN BOMB

NEW YORK (AP) — President Eisenhower said Wednesday that families with a proper and decent standard of living constituted a better defence against communism than "any bomb of whatever kind."

"That is the kind of thing that will preserve this nation," the president said at ceremonies dedicating a $32,000,000 federal-aided slum clearance project.

Pilot Bails Out Before Jet Crashes Near Montreal

Commanding officer of RCAF station at St. Hubert, Que., Group Capt. H. M. Kennedy is shown looking over the wreckage of a F-86 Sabre jet which crashed into a farmer's field 12 miles south of Montreal shortly after its pilot parachuted to safety. Capt. Kennedy said pilot — Flt. Lt. Robert Clark, of St. Mathia, Que. — had used the ejector seat at 30,000 feet to bail out. No reason was immediately known as to why Clarke was forced to abandon the plane which came in low, hit the ground and disintegrated. An explosion followed and parts of the craft were scattered over a wide area. The plane, on a routine flight, was one of sev-eral scheduled to be ferried soon to the U.K. — Central Press Canadian.

Fire Destroys Abandoned Roller Skating Rink

TORONTO (CP)—A $20,000 fire Wednesday destroyed an abandoned roller skating rink on Toronto Island, scorched a nearby dance pavilion and sent flaming debris a quarter of a mile to neighboring Mugg's Island, where small trees and underbrush caught fire near the Toronto Island Yacht Club.

For a time the Hanlan's Point amusement centre was threatened when sparks from the blazing roller rink started a series of small fires among amusement booths. Operators and firemen subdued these small outbreaks.

Staff Turnover Of 107 in Year In Reformatory

GUELPH CP)—The Ontario reformatory here has had a staff turnover of 107 men during the last year, the legislature's select committee studying reform institutions learned Wednesday.

Paying a surprise visit to the prison, committee members were told that reasons for the large turnover are higher wages in private industry and a lack of housing in Guelph.

Superintendent Gerald Wright said there have been so many changes that most of the present staff have had less than six months experience and the average for the whole staff is 12 months.

In spite of salary increases granted after the riot in June, 1952, Mr. Wright said, salaries are still the major factor in staff turnover. Lack of housing had become an insurmountable obstacle "and there's little we can do about houses without interfering with private industry."

Compare Faverably

Reforms Minister Foote said salaries compare favorably with those paid in federal institutions and guards also can get laundry and board and lodging for $34 a month. Those living out wishing to eat in can buy seven meals a week for $9 a month.

The committee stood in silence for two minutes to mark the 11th anniversary of the Dieppe action. Maj. Foote won the Victoria Cross at Dieppe when, as a padre with the Royal Regiment of Canada, he remained with his men and was taken prisoner by the Germans.

Wife Dies of Shock When Husband Killed

TRURO, N.S. (CP)—Mrs. Phillip van der Borch today died of shock when she learned her 28-year-old husband was fatally injured Tuesday in an accident at a nearby lumber camp.

The couple came to Canada from Holland with their two young children five years ago.

Van der Borch was crushed by a log which fell off a truck. An inquest was ordered.

WOMAN PASTOR DIES

LONDON, Ont. (CP)—Pastor of the Mount Brydges Pentecostal Assembly for 17 years, Miss Lillie Graham died at her home here Tuesday night in her 84th year. Born in Hamilton she has been engaged in work of the Pentecostal Assembly nearly all her life.

Reds Step Up Return of U.S. POW to 150 Daily; Prisoner Exchange at Halfway Mark

By WILLIAM J. WAUGH

PANMUNJOM (AP)—The Korean war prisoner exchange passed the halfway mark today and there was every indication the Reds will start sending home larger numbers of Americans daily.

They promised 150 Friday, and it appeared the stepped-up rate will continue indefinitely. Three hundred South Koreans also will be freed Friday.

Sixty Americans, 90 British and 300 Koreans were freed today in the 16th day of exchange at this tiny village.

No British were scheduled to return Friday, for the first time since the swap began. The Communists have delivered 809 of the 922 British promised.

The Reds have turned over only 1,315 Americans, well under half of the 3,313 they listed.

Thursday's shipment brought the number of Allied troops freed to 6,533, just over half of the 12,763 the Reds promised.

None Sent North

No Communists were sent north Thursday and none are scheduled until Saturday. Typhoon conditions disrupted Allied shipping from the Koje Island prison camps off South Korea.

The stream of happy men Thursday told more of the grim stories of life in the Red stockades.

One prisoner told a story of a U. S. airman staked in the sun and left to die because he would not back up phony germ warfare charges by the Communists.

Shortly after the prisoners returned, the joint military armistice commission met at its Panmunjom headquarters on Red request.

The Reds gave no indication what they wanted to discuss.

Red China's Peiping radio charged that American authorities have obstructed Communist Red Cross teams visiting prison camps in South Korea to the point that the teams "have virtually suspended their operations."

Peiping accused the Americans of "openly persecuting" the teams and restricting interviews with the PoWs.

Told To Stop Spying

However, Allied representatives accused the Communist workers of activities bordering on spying and told them to stop it. They told the Reds to limit their activities to authorized humanitarian missions.

A South Korean repatriated Thursday added to the stories of Red PoW holdout. He said the North Korean Army has a brigade of at least 8,000 South Korean prisoners who wouldn't be repatriated.

He said thousands of other South Korean prisoners were working more than 20 hours a day in forced labor.

The UNC warned the Reds that they must return all prisoners after early repatriates said some were being held back and jailed on phony charges.

Meanwhile, more Americans freed in the early days of the exchange streamed toward home. The hospital ship Haven, with 104 disabled U. S. repatriates aboard, sailed from Inchon in South Korea for Japan. There it will load more sick and injured and continue to the United States, where it is due about Sept. 14.

The transport Marine Adder will leave Inchon Saturday with 400 able-bodied U. S. repatriates. The non-stop trip to the U. S. will take about two weeks.

GOOD NEIGHBORS

ST. GEORGE, Ont. (CP)—When Donald Parkhill was stricken with poliomyelitis the other day, his 35 acres of grain awaited harvesting. Neighbors with three combines moved into the fields. They finished the job in a single day.

Canine is "Air Borne" in Malaya

His mission completed in the jungles of Malaya, a British tracker dog is hoisted to a naval helicopter which will carry him to "rest quarters." This canine breed, specially trained to rout hit-and-run communist guerrillas, has been used for years in Malayan warfare. They are now being regularly flown in and out by 'copter. — Central Press Canadian.

WELLINGTON

WELLINGTON. — Mr. and Mrs. Ralph Ellis and Mr. and Mrs. Rodger Cronk attended the funeral at Clinton, Ont., last week of Mr. John Dowson, of Varna, who so tragically died of burns. His father, Mr. Harold Dowson, is an agent for Canners Seeds, Wellington. They returned home on Saturday.

Mr. and Mrs. Clifford Channell, Garry and Wayne, enjoyed a motor trip around Lake Ontario, last week and spent Wednesday, as overnight guests of their uncle, Mr. William Draper, at Rochester, N.Y.

Mr. and Mrs. Wilson Ainsworth spent the week-end at Campbell with Mr. and Mrs. Carlaw.

Mr. and Mrs. Ralph Ellis and Mr. and Mrs. Rodger Cronk were lunch hour guests of Mr. and Mrs. Percy Johnston, Phyllis and Robert at Varna, on Friday.

Everyone was sorry to hear of the accident of Mrs. Jones of Consecon Street, on Saturday, and wish her a speedy recovery. Her daughter has arrived from Hamilton to be with her.

The county's annual Institute picnic was held at the park here last Thursday, with a good attendance.

Mr. and Mrs. Bill Yandt and children took the former's mother, after a vacation here, to her home at Ayton, Ontario, on Friday, returning home on Sunday.

Mr. and Mrs. Clayton Tice spent a few days last week at Varna, Ontario, with Mr. and Mrs. Percy Johnston.

Mrs. Herb. Channell spent last week at Oshawa with Mr. and Mrs. Jesse Choats, returning home on Monday.

Mr. and Mrs. Ralph Ellis spent last Sunday at Nicholson's Island, near Kingston, at the cottage of Mr. and Mrs. Roy Emmons.

Mr. and Mrs. Tom Nash returned on Friday from their honeymoon.

Mrs. Stanley Gallop and small daughter, of Toronto, are at the home of her parents, Mr. and Mrs. Charles Bailey.

Miss Viola Valleau and her mother have returned home from a trip to British Columbia. They came back via the United States.

Miss Gaile Ellis is spending two weeks at Peterborough, with Mr. and Mrs. Leo Rutter.

Miss Geraldine Downs has joined the Bell Telephone staff at Belleville.

All wish Mr. Jack Ogilvy a speedy recovery. Mr. Lewis Wight has been driving the truck and helping out.

Mr. and Mrs. Arnold Anderson and Suzanne, left last week for their new home at Sydenham, where Mr. Anderson will be the new principal of the high school there for the coming year.

Mrs. Nellie Russell has been nursing Mrs. W. Haight at the home of Miss Celia Striker.

Mrs. Annie Terry, of Detroit, is the guest of Mr. and Mrs. Lewis McFaul for several days.

Mr. and Mrs. Frattura, of Creston, British Columbia, are the guests of Mrs. Ida McFaul. Mrs. Frattura was the former Miss Sedgewick, who at one time taught school here in Wellington.

Mrs. Ida McFaul spent several days at Bigwin Inn this week.

Mrs. G. Fennell and children of St. Catharines, are visiting at the home of her parents, Mr. and Mrs. James Findley.

Mr. and Mrs. Clifford Channell, Wayne and Garry, spent last week on trip around the lake.

Mr. and Mrs. Stan Taylor, of Oshawa, and Miss Joyce Storms, of Mountain View, spent Friday evening with Mr. and Mrs. Tom Morris.

Wellington friends of Mr. Floyd Kirkby are sorry to learn that he is ill in the Kingston General Hospital. Mr. Kirkby is the son-in-law of Mr. and Mrs. Carl Bryant.

Congratulations to Mr. and Mrs. Jim Little (nee Marion Pearsall), on the birth of a baby daughter, on Sunday, August 16.

Visitors over the week-end of Mr. and Mrs. Oscar Bovay were, Mr. Keeler, Mr. Rory Cooper, and Mr. Marsden, all of Toronto; Mr. Ross Bovay, of Oshawa, Mr. and Mrs. Don Bovay and two children, spent Sunday at the same home.

Miss Joan Archard of Oshawa spent the week-end with her parents, Mr. and Mrs. Percy Archard.

Mr. and Mrs. George Carver and Peter of Belleville, are spending two weeks' vacation here. They are occupying Frank Brimley's cottage.

Miss Louise and Gladys Pettingell left on Saturday to motor to Winnipeg where Louise is a teacher and Gladys is going to spend the winter with her to teach part time. Miss Kincaid is going to occupy their home for the winter months.

The Evening Auxiliary of the United Church held a pie and ice cream social on the Lorne Boyle lawn Saturday evening. It was well attended.

Mr. and Mrs. Cecil Boyle and family of Flint, Michigan, are spending their vacation with their parents, Mr. and Mrs. Tom Boyle and Mr. and Mrs. Alex Tait, Sr.

Mr. and Mrs. Clare Boyle and Benny of Trenton spent Sunday with Mr. and Mrs. Tom Boyle.

Mrs. Arnold Post spent Monday in Toronto attending the funeral of a friend.

Friends and neighbors of the Rev. and Mrs. Poulter are sorry to hear of the serious illness of their daughter-in-law, who is in the Kingston General Hospital.

Mrs. Mollie Young of Toronto is visiting her cousin, Mrs. Mildred Way.

Mr. and Mrs. Stan Galop and baby of Toronto, are spending their vacation with Mrs. Galop's parents, Mr. and Mrs. Charles Bailey, Wellington.

Congratulations to Mr. Charles Bailey on winning a Crosley Shelvador refrigerator in a lucky draw, also to Mr. Ross Wight in winning $100.

Mr. and Mrs. Robert Gardner Bobby and Tommy of Windsor who have spent the past two weeks as the guests of her sister, Mrs. Joe Lavender and Mr. Lavender, returned home on Sunday.

Mr. and Mrs. Fred Burrell of Windsor, spent the week-end with Mr. and Mrs. J. Lavender.

Mr. and Mrs. Ross Head spent the week-end at the home of her parents, Mr. and Mrs. Charles Bailey.

Mrs. Joe Beer, (nee Ruth Benway,) who has spent the past six months with her husband in Germany, returned home on Sunday. Her husband expects to come home in the near future.

Mr. and Mrs. Arthur Herd of Belleville, Mr. and Mrs. C. P. Cote of Corbyville, Mrs. Ruth Beer and family spent Sunday with their mother, Mrs. Mae Benway.

Congratulations to Miss Judy Ward and Gordon Benway on their recent marriage. They are staying with Gordon's mother, Mrs. Mae Benway, for a while.

Mrs. Harold Nyblett, formerly Jennie Clinton, is enjoying a short visit with her cousins, Mrs. Norman Clinton, at Clinton Lodge, and will be happy to see any of her friends during her visit here.

Mr. and Mrs. Wishart and sons of Toronto, were week-end guests of Mrs. Wm.. Monaghan and Miss Jennie Monaghan.

Miss Dorothy Garrattsee is the guest of her aunt, Miss Isabel Teskey.

Mrs. Clayton Stoneburg is visiting her daughter at Buckingham, Quebec.

Miss Marjorie Robins, Winnipeg, is spending some time with her parents, Rev. and Mrs. J. W. Robins.

Mr. and Mrs. Lloyd Reddick of Picton, were Sunday guests of their niece, Mrs. Gordon Parks and Mrs. Parks.

Mr. and Mrs. George Rielly and Diane of Foxboro, Mr. and Mrs. Arthur Minaker of Ottawa, and Mr. and Mrs. Floyd Adams, Lyla and Keith of Campbellford spent Sunday evening with Mr. and Mrs. Bill Adams.

Mrs. Miller and baby daughter returned to their home in Oshawa after spending some time with her parents, Mr. and Mrs. Percy Archard.

On Sunday afternoon the christening of Susan Ann and Allison Lee, younger daughters of Mr. and Mrs. Cecil Boyle of Flint, Michigan and Steven Ivan Martin, son of Mr. and Mrs. Hutton Martin of Cherry Valley, was performed by Rev. J. U. Robins at the home of Mr. and Mrs. L. W. Boyle. Refreshments were served later by Mrs. Martin, Mrs. Cecil Boyle and Mrs. Clare Boyle.

Mrs. J. T. Mathess of Winnipeg is visiting her sister, Mrs. Tom Boyle. Mr. and Mrs. Sandy Lummiss of Belleville also visited at this home on Sunday afternoon.

The Swamp College Euchre Club held its annual picnic on Sunday at Presqu'ile. The club, which was formed about three years ago, held a euchre party once a week during the winter at the home of one of its members. In the spring they finished the season with a supper euchre at Maple Inn, Bloomfield and in the summer they had one big picnic. Those attending the picnic this year were: Mr. and Mrs. George Baitley, Mr. and Mrs. Donald Baitley and Robert, Mr. and Mrs. Norman Allison and family, Mr. and Mrs. Andy Allison and family, Mr. and Mrs. Robert Graham, Mr. and Mrs. Jim Denard and family, Mr. and Mrs. John Watt and family, Mr. and Mrs. Baden Alyea and family, Mr. and Mrs. Clifford McFaul, Mr. and Mrs. Roscoe Masters and Mr. and Mrs. Will Luffman.

The bride and groom, Mr. and Mrs. Tom Nash, arrived home from their honeymoon, on Sunday.

Mr. and Mrs. Harry Leavens, after spending a considerable time in the county visiting friends and relatives, have returned to their home in Weyburn, Saskatchewan.

Mr. and Mrs. Tommy Vandusen and family of Toronto are spending holidays here with relatives.

How To Hold
FALSE TEETH
More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

St. Louis Browns Going Nowhere But Doing Good Job Of Streak Breaking

ierce of Chicago White Sox topped After Going Forty nings Without Giving Run

By BEN PHLEGAR
sociated Press Sports Writer

you've got a streak running best to stay away from the Louis Browns. Just ask Billy ce.

e last-place Browns have given little Chicago White Sox left-er nothing but trouble this on. He has an excellent 16-8 rd, but look what the lowly St. outfit has done to him. his first start, April 18, Pierce a no-hitter going for six in-. Then Bobby Young doubled spoiled it.

n days later the Browns beat -2 for his first loss in 10 ts.

June 30 the White Sox threw ce at the Browns and lost 4-2. ednesday Pierce faced St. Louis a string of 34 2-3 scoreless in- in his last four appearances. Browns snapped it at 40 with air of unearned tallies and t on to score two earned runs the 10th and win the game 4-3. e fast-balling southpaw had d 51 innings without giving an earned run.

Full Game

e loss to St. Louis cost the te Sox a full game in their e and more futile pursuit of York Yankees. The Yanks Washington Senators 2-0 and lead the league by 8½ games. oston Red Sox defeated Phila- hia Athletics 6-4 and Detroit rs whipped Cleveland Indians' y Wynn for the first time in e seasons, 4-2.

rooklyn Dodgers continued their lwind drive toward the Na- al League pennant with an up- 7-5 triumph over New York nts.

ilwaukee Braves edged Cincin- Redlegs 3-2 and stayed 8½ es back of the Dodgers. Pitts- gh Pirates beat Philadelphia llies 5-3. Chicago Cubs defeated Louis Cardinals by the same re.

or 3 2-3 innings Washington tinued its mastery over the nkees. Then Yogi Berra hit a ner for the first New York hit. Sima gave up only three other and one more run, but his mmates couldn't do anything h Jim McDonald, who also ra- ed out four safeties.

lliams Hits Third

ed Williams hit his third home since returning to action, pro- ing the Red Sox with their mar- of victory over Philadelphia.

ome runs by Bob Nieman and ve Souchock helped Billy Hoeft ak his four-game losing streak h a decision over Cleveland. The y Indian tallies were homers by ly Westlake and Wynn.

hree-run rallies in the third d eighth innings enabled Brook- n to overtake and whip the nts who had built a 5-1 lead. ke Snider's single with the es loaded in the eighth pro- ced the winning runs.

Andy Pafko ran his hitting eak to 17 games with a ninth- ing home run that gave the aves their triumph over Cincin- ti. Warren Spahn posted his 17th ctory although Ted Kluszewski sted his 37th home run with one in the first inning.

Curt Simmons lost his 11th game hen the Pirates got two runs in e eighth inning at Philadelphia, e on Fran Thomas' home run. Four walks in the sixth inning y Joe Presko plus an error gave e Cubs the two runs they needed beat St. Louis. Clyde McCullough ove in two other Chicago runs th a homer.

Remember When

By THE CANADIAN PRESS

Jack Dempsey, dethroned as world's heavyweight boxing champion by Gene Tunney in 1926 and again beaten in 1927, started a comeback 23 years ago tonight. He quit for good Aug. 15, 1932 when King Levinsky, Chicago fish peddler, gained a 10-round split decision over him.

Four Finals On Griddle In Junior Tennis

OTTAWA (CP)—Four finals were on the griddle today in the Canadian junior tennis championships, the first after six days of play.

They are juvenile girls' singles, juvenile boys' singles, juvenile boys' closed singles, one of the new classes introduced this year for Canadians only, and girls' doubles. Both juvenile open matches are between a Canadian and American.

In the girls' division, 13-year-old Ann Barclay of Vancouver, holder of the British Columbia and Washington state under-18 girls' singles titles, meets Phyllis Saganski, also 13, of Hamtramck, Mich., who won the event last year.

Takes On Top Player

In the boys' match, Alvera Pena of Montreal takes on another Hamtramcker, Ray Senkowski, top-seeded foreign player in the event.

Pena is also in the running for the juvenile boys' closed singles championship. He meets Bob Armstrong, of Hamilton in the semi-final and the winner plays Keith Acheson of Toronto, whom Pena defeated 9-7, 6-2 in the semi-final of the juvenile open singles.

Canada's first-seeded couple in girls' doubles, Miss Barclay and Joan Barton of Toronto, have reached the final in that event. The two remaining semi-final teams are Joan O'Brien of Toronto and Pam Dewis of Halifax and first-seeded foreigners Miss Saganski and Donna Zozkey, also of Hamtramck.

Only one Canadian has reached the semi-finals in the junior men's singles. Guy Durocher, 15-year-old unseeded player from Sherbrooke, Que., will meet the favorite, 18-year-old Kalman Hettleman of Baltimore, in one semi-final bracket. The other semi-finalists are John McLean of Buffalo and Joe Jacinto of East Rockaway, N.Y.

Semi-finalists in the junior women's singles are Mariette Laframboise of Montreal, defending champion Carolyn Flemming of Truro, N.S., Alexandra Hufty of Washington and first-seeded American Judith Howe of San Diego.

Sports Roundup

By JACK HAND

NEW YORK (AP)—There is a growing suspicion around the ball parks that Allie Reynolds, the great New York Yankee ace, may have lost it.

The "it" in this case being his ability to blaze that fast ball past the hitters when deep in a bases-loaded, 3-2 jam, and his knack of hitting the corners with his quick curve.

Reynolds, after all, admits to 35 summers. He's been around the big leagues since the fall of '42, working about 225 innings and 35 games in an average year, to say nothing of five World Series.

It is difficult to believe that a man who won 20 games for the first time in his career in 1952 and worked like a beaver in four series games against Brooklyn would find himself strictly a bull-pen artist the next summer.

The facts speak for themselves in the Reynolds case, although all concerned deny that there is anything wrong. Reynolds has started only two games since the all-star break. He lasted 1 1-3 innings in the first and was bombed for four runs in one inning on his second try.

Last spring in St. Petersburg, Fla., Casey Stengel talked about Reynolds as "the best relief pitcher in baseball." Everybody thought he was kidding. Sure Allie could relieve, but why should he think of going off the starting list? It seems old Case must have had an intuition—or maybe he knew something he still isn't telling.

Old Wahoo won his first game of the year 4-1 and his second 1-0. Since that second game, April 21, he has thrown just one complete game. Of late he has gone sour on relief. He failed completely Tuesday night when Stengel sent him in to replace Bill Miller against Washington. He got himself belted around the lot for four runs on two hits and two walks.

Stengel may not need Reynolds to salt away the pennant with his lead back to 8½ games and only 37 to go. But he's going to need him in the World Series, if he has to stop those righthanded hitters from Brooklyn.

Practice-Round Talk About Low Golf Scores Discarded

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP)—All the practice-round talk about low scores and high winds went into the discard today when the field of 130 got down to serious business in the $25,000 Open.

The end of the trail won't be reached until Sunday and the guessing about what score will take $5,000 first money ranged all the way from 268 to 275.

The pros themselves are not so sure about this Summerlea course, flat and inviting but still able to withstand persistent par-cracking over a long term of years.

There were prospects that the chilly wind of Wednesday would subside, but the temperature was not likely to go above 70. The field was scheduled to get away at 8:30 a.m. EDT.

Thinks 268 Will Win

Jules Huot, one of Canada's veteran pros whose home course is at nearby Laval, sized up the situation this way as the first round got under way:

"Unless we get some rough winds and if the weather stays dry, you will find this course getting shorter. I think a 268, which is 12 under par for the distance, can be shot and will win. . .

"There are fellows like Cary Middlecoff, Julius Boros and Porky Oliver in this tournament who can shoot that 268. Boros is playing great golf now. He is playing a fine iron game."

Peter Thomson of Australia figured it differently.. "Around 270 or 271 might be good enough to win," he said.

Henry Martell of Edmonton, who won the 1953 Canadian Professional Golfers Association championship up at Royal Quebec last month, was inclined to string along. This was just after Henry had shot a seven-over-par 77 himself in an exhibition foursome match with Babe Zaharias, Huot and Damien Gauthier of Montreal. The wind bothered Martell, and possibly with that in mind he plunged for a 274 as the winning total.

Sets Course Record

The real sizzler of Wednesday's final practice rounds was a six-under-par 64 fired by Chandler Harper of Portsmouth, Va. That set a course record for Summerlea in any kind of play. The previous best was a 65 by Syd Fry, Summerlea's assistant pro at the time, and shot in a friendly match. The competitive record is 66, by Gerry Proulx of Montreal. That mark has stood for 11 years.

In the exhibition match Babe Zaharias shot 73, against men's par 70. The former U.S. and British women's champion was paired with Martell and they finished all even with Huot and Gauthier.

Defenceman Tops All Records In Lacrosse Assoc.

TORONTO (CP) — Defenceman Doug Smith of St. Catharines racked up a total of 129 points in Ontario Lacrosse Association Senior League games this year to head the point-scoring list for 1953. He scored 48 goals and gave 81 assists in the 30-game schedule.

Second is forward Ken Croft of Orillia with 65 goals and 48 assists for 113 points and third another defenceman, Ross Powless of Peterborough, with 46 and 57 for 103.

Other scorers were:

Russ Slater, Peterborough, forward, 66-31—97; Lea Teatero, Orillia, centre, 51-43—94; Ike Hildebrand Peterborough, forward, 55-38—93; Bob Dobbie, Fergus, rover 70-20—90; Don Campbell, Fergus, forward, 56-33—89; Tony d'Amico, Orillia, forward. 49-38—87; Jack Mason, Peterborough, rover, 50-36—86.

Crack Canadian Team Will Be In Competition

MONTREAL (CP) — A crack Canadian team of small-bore marksmen will compete for the first time in a three-country match to be fired at the American national matches at Camp Perry, O., Aug. 26.

K. N. Morris, executive director of the Canadian Civilian Association of Marksmen, said today Canada has accepted an invitation from the National Rifle Association of America to enter the Pershing Trophy match, previously closed to all countries except the United States and Britain.

Competed for only three times, the trophy was won by Britain in 1931 and 1937 and by the U.S. in 1939. Rules of the match demand that countries entering the shoot must journey to the country which last won the trophy.

The Canadian team, comprising 10 members and two alternates, is captained and coached by veteran Bisley shot James Boa of Toronto. Lt.-Col. Stephen Johns of Calgary, runner-up for the Queen's Prize this year at Bisley, is adjutant and shooting member.

Other members:

F. W. Cresswell, Orillia, Ont.; Gilmour S. Boa, Toronto; J. D. Boa, Toronto; J. D. Rae, Toronto; S. H. Thompson, Parkhill, Ont.; Mr. and Mrs. C. S. Miller, Sarnia, Ont.; R. V. Robinson, Washago, Ont., and J. H. Scott, Wyoming, Ont.

Los Angeles Rams Win

LOS ANGELES (AP)—A pair of sparkling touchdown runs, one for 24 yards by Skeet Quinland and the other a blazing 79-yard punt return by Woodley Lewis, gave Los Angeles Rams a 20-7 exhibition football victory over Washington Redskins Wednesday night.

Ben Agajanian gave the Rams their other points on two field goals and a pair of conversions in the Los Angeles Times charities game. Washington's only score came on the Redskins' first series of plays with quarterback Eddie Le Baron tossing to end Bones Taylor from the three to complete a 64-yard drive.

Toronto Leafs Score Two Wins Over Syracuse

By THE CANADIAN PRESS

A win for Rochester tonight and the International Baseball League has a new leader.

The Red Wings soared to within a half game of the first-place Buffalo Bisons Wednesday night on the strength of their seventh straight triumph— a 10-4 decision over the Herd.

The clubs meet again at Rochester tonight:

Other scheduled Wednesday night games went this way:

Montreal Royals, who lost a pair to Baltimore Tuesday, topped the Orioles 4-3.

Bobby Addis, Billy DeMars and Kal Segrist played heroes' roles when Toronto Maple Leafs played 10 innings of ball and won two games from Syracuse Chiefs by 6-5 and 3-2 scores.

Trice Wins 17th

Bob Trice, ace Ottawa pitcher, registered his 17th victory as he tamed the tail-end Springfield Cubs 9-1.

An eight-run rally in the sixth gave Rochester their win. The Wings jolted Earl Harrist off the hill in this round, and continued against Milt Jordan in an eight-hit barrage that included two triples and three doubles. Reliefer Cot Deal snared his 12th victory.

Montreal's win at Baltimore advanced the club to within three games of the leaders, while the Orioles are six games back, in fourth place. Bob Ludwick and Ed Roebuck limited the Birds to five hits, which included Stan Jok's 17th homer, and another by Jack Lohrke.

Homer Helps

At Toronto, before the regularly scheduled game, the clubs completed a suspended game of July 19. It was a seven-inning contest which Syracuse led 5-2 at the end of six when it was called.

Addis followed a couple of walks in the seventh with a homer to tie it 5-5. Demars singled in the winning counter, scoring Ed Stevens from second.

The Leafs made it four in a row over the Chiefs when Segrist led off the bottom of the ninth with a four-bagger to break a 2-2 deadlock.

The Athletics, at Springfield, rapped the game up early for Trice and halted the Cubs' winning streak at five, with four runs in both the first and second innings.

Bombers' New Home

This is an aerial view of the new $500,000 stadium, home of the Winnipeg Blue Bombers of the Western Interprovincial Football Union. The Bombers gave it a proper christening with an 18-11 exhibition win over the Ottawa Rough Riders. Naval guns, fireworks, bands and an appearance of Hollywood star Corinne Calvert marked the official opening. — (CP Photo.)

Scotty Craigmyle Hangs Up Tack At End of Year

CALGARY (CP) — One of the greatest jockeys who ever rode on Western tracks, John (Scotty) Craigmyle is retiring as a jockey as the summer season ends.

Craigmyle began his saddle career before most jockeys now riding in the West were born. He is one of an illustrious line of great jockeys from the West, including Johnny Longden and the late Georgie Woolf.

The "Flying Scotsman" last year won his 1,000th race of a career that started in 1925 at Salt Lake City, Utah, although he was born in Calgary. He rode his first winner at Tia Juana in Mexico in 1926 and made his debut on the Prairies the same year.

Since then he has ridden on many major race tracks and his services are still in demand.

Former Triumphs

Craigmyle was the leading jockey at Tia Juana in 1926, and his contract was sold to Willis Sharpe Kilmer for $15,000. He rode for that big stable for two years, and was aboard the famous Sun Beau in most of that colt's races.

He considers Reigh Count, sire of Count Fleet, the greatest horse he ever rode. Scotty says George Woolf was the greatest rider ever to come out of Canada, and he regards Laverne Fator as the greatest of all time.

Craigmyle's major riding feat has been winning the Canadian Derby at Winnipeg four times. He has twice won the $5,000 added Alberta Derby, one short of a record, and in 1951 won the $5,000 added Speed to Spare Handicap at Edmonton, Alberta's major open feature race. That time he was aboard Sir Leknark, owned by Les Lear, former coach of Calgary's football Stampeders.

After the fall meet in Winnipeg Craigmyle plans to concentrate on a new job with Alberta Ranches Ltd., Calgary, where he'll work with Johnny Longden and the latter's son, Vance.

This summer he flew to California to ride Alberta Ranches' Indian Hemp in the Hollywood Gold Cup.

Scotty is married to a Vancouver girl, sister of a jockey, and they have two sons.

Death of Boxer Caused by Blow To the Heart

MIAMI BEACH, Fla. (AP)—The death in the ring of U. S. Marine Sgt. Robert L. Lee, fighting professionally to earn a bit of extra money for his family, was caused by a blow to the heart, an autopsy showed Wednesday.

Dr. Ben Sheppard said the blow set off a chain of nervous reactions which caused a "cardiac arrest" or heart stoppage.

The 24-year-old marine collapsed and died Tuesday night shortly after receiving a body blow in the first round of a preliminary fight at the Miami Beach Auditorium. His opponent was Kenny Yates, 19.

Brampton Wins

BRAMPTON (CP) — Brampton Excelsiors Wednesday night defeated Oakville Green Gaels 12-10 to win the Ontario Lacrosse Association best-of-five junior semi-final series 3-0. Brampton starts the first of a best-of-seven final series at Long Branch Friday against Long Branch Monarchs.

FIGHTS LAST NIGHT

By THE ASSOCIATED PRESS

Chicago—Tommy Harrison, 180½, Los Angeles, and Jimmy Slade, 177½, New York, drew, 10.

Sport in Brief

VANCOUVER (CP) — A jockey suspended for life following a ride Tuesday at Exhibition Park here learned Wednesday night that he has been granted an appeal hearing.

Presiding steward Earle Lewis said jockey Richard Rossall's appeal will be heard "sometime next week" and will be attended by Bert Thompson of Los Angeles, western representative of the National Jockey's Guild.

Thompson, reached by Rossall after the 17-year-old California jockey was suspended for an "unsatisfactory" race aboard Vally Band, telephoned Lewis and asked for the new hearing.

Vally Band finished second to Markendell in the featured seventh race.

The Pleasantville, Calif., rider denied hotly earlier that he had "pulled" Vally Band and called the suspension, effective throughout North America, a "raw deal."

CLEVELAND (AP) — Cleveland Barons of the American Hockey League announced Wednesday they will train for the coming season at Barrie, Ont. The club expects a squad of about 65 players for the workouts starting Sept. 17. Barons also said they would sponsor Barrie Flyers as a farm club.

LONDON (AP) — Terry Allen's manager said Wednesday the British flyweight boxing champion will meet Yoshia Shirai of Japan for the world flyweight championship in Tokyo Oct. 18.

Waterloo Tigers Finally Reach Top of League

By THE CANADIAN PRESS

Waterloo Tigers, who have been crowding Kitchener Panthers at the top of the Senior Intercounty Baseball League, finally overtook them.

The Tigers smashed St. Thomas Elgins 16-2 last night, blasting three Elgin hurlers for 17 hits, and moved into first place in the league a half-game ahead of Kitchener.

Kitchener went down to a 6-3 defeat at the hands of Brantford Red Sox. Galt Terriers came from behind on a seventh-inning rally to take a 6-4 decision over London Majors.

Score Five Runs

Waterloo started its attack against starter Jack Caffrey in the third, scoring five runs on a homer by Harry Musselman, triples by Bobby Fisher, Billy Flick and Bruno Casanova and a double by Auggie Herchenratter.

The Tigers added six more off Wally Beggs in the sixth and five off Al Costa in the seventh. Bobby Schnurr went the distance for Waterloo limiting the Elgins to three hits after the first inning.

Brantford pitcher Lee Griffeth looked good for a shutout with two out in the ninth, but an error started the Panthers on a three-run spree. He had nine strikeouts and only walked one.

Brantford Outhit

Kitchener out-hit Brantford 10-4, but Panther pitcher Mel Duncan gave up eight walks and his mates had four errors to help the Red Sox. Tommy McGrattan hit a homer over the right field fence with two on in the first inning.

Galt was trailing 4-2 going into the seventh but got to London's starter Bob Penny for three hits, including home runs by Andy Turowski and Tex Kaiser. Both times the bases were empty.

An error by second baseman Gord McMackon and a hit batter gave Galt its third run of the inning. The Terriers added another in the ninth off reliever Gerry Burke.

TRAPPING BOOM

REGINA (CP)—Last year's fur season in Saskatchewan was one of the best in many years, the government reports. More than 800,000 muskrat pelts were taken and the beaver take, a record, was 23,000.

Direct Rhythm Favored to Take $25,000 Stake

YONKERS, N.Y. (AP) — Direct Rhythm, owned by the Louisville Metals man, W. G. Reynolds, will be the favorite to capture his second straight $25,000 Yonkers Derby tonight at Yonkers Raceway.

A field of 12 pacers—including one Canadian—was entered for the 1½ mile race. World record holder Chuck Volo, owned by S. A. Wathen and driven by his son, Wendell, is among those entered.

Chuck Volo set his world mark of 3:05 3-5 in the $50,000 Nassau Pace at Roosevelt Raceway July 30, a race in which Direct Rhythm finished third.

The Canadian entry is Prince Adios owned by Grant Hodgins of Clandeboye, Ont.

Direct Rhythm, the 2 to 1 early favorite, will be driven by Jimmy Jordan in place of Del Miller.

Laurel Boosts Purse for Second International

LAUREL, Md. (AP) — Laurel race track today boosted the purse for its second Washington International Nov. 7 to $65,000 with the winner getting $50,000.

The first International last year was worth a gross $50,000 with the British winner, Robert Boucher's Wilwyn, earning $32,500.

Boucher recently announced that Wilwyn is through with racing and will stand at stud.

Entries for the 1½-mile international are by invitation and their owners pay no nominating, entry or starting fees. Laurel also pays the expenses to fly the horses, trainers, jockeys and grooms from overseas.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS

Pitching—Jim McDonald, New York Yankees, gave up four hits in beating Washington 2-0.

Batting—Andy Pafko, Milwaukee, ran his hitting streak to 17 games with a ninth-inning home run that gave the Braves a 3-2 victory over Cincinnati.

Danish, Mexican Davis Cup Tandem Brushed to Side

BROOKLINE, Mass. (AP)—The Danish and Mexican Davis Cup tandems, third and sixth foreign seedings, were brushed to the sidelines by young U.S. rivals Wednesday as the men's division of the U.S. doubles tennis tournament reached the quarter-finals round.

Bearded Torben Ulrich and Kurt Nielsen of Denmark lost their third-round match to Frank Guernsey of Garden City, N.Y., and the U. S. intercollegiate champion, Hamilton Richardson of Baton Rouge, La., 9-7, 6-4, 1-6, 7-5.

Straight Clark of Pasadena, Cal., and Hal Burrows of Charlottesville, Va., vanquished Mexico's Francisco Contreras and Joaquin Reyes 8-6, 7-5, 6-4.

After subjecting his wrenched right knee to whirlpool bath treatment Wimbledon singles titlist Vic Seixas joined his U.S. Davis Cup teammate, Tony Trabert of Cincinnati, for a 7-5, 6-4, 6-3 second-round victory over Pablo Eisenberg of Milburn, N.J., and Ed Dailey of Harrisburg, Pa.

Because they delayed their first-round engagement for 24 hours, Seixas and Trabert will not have a chance to catch up with the rest of the field until the staggered semi-finals round.

Lewis Hoad and Ken Rosewall, the top-seeded Australians, managed to get through Luis Ayala of Chile and Bo Perry of Los Angeles 10-8, 6-3, 6-2.

Browns Launch Second Round Of Legal Battle

OTTAWA (CP) — Cleveland Browns, launching the second round of a legal battle to regain tackle John Kissell from Ottawa Rough Riders, say they won't accept a cash settlement.

The United States National League football club filed a statement of claim outlining its position against the Canadian team in Ontario Supreme Court here Tuesday. Ottawa has 10 days in which to file a counter-claim.

The action followed an order from Chief Justice J. C. McRuer allowing the Browns to file pleadings before Sept. 1. Generally pleadings are not heard during the court's summer vacation.

The Browns attempted unsuccessfully last Wednesday to obtain a temporary injunction which would have restrained Kissell from playing with the Big Four club.

The Browns ask the court to rule that Kissell is under a valid and binding contract with Cleveland and to grant an injunction preventing the 250-pound lineman from playing with Ottawa.

Begin Playoffs

SARNIA (CP)—Sarnia Beavers, who finished on top of the league in the Ontario Lacrosse Association, intermediate A, southern group, will begin a best-of-seven playoff with Dundas Hornets here tonight. Dundas finished second.

Other playoff dates at Sarnia are Aug. 20 and 29; and Sept. 3 and 10. The clubs will clash in Dundas Aug. 25, and Sept. 1 and 8.

The winner of the series will advance into a playoff against the northern group champions.

Contract Dispute

Burly 250-pound lineman John Kissell apparently will play this season with Ottawa Rough Riders of the Big Four. He has been the centre of an international legal dispute over use of his talents. An application of an injunction as filed by Cleveland Browns of the United States Professional League against Kissell's playing with Ottawa. The application was turned down. The Riders claim Kissell is signed with them. — (CP. Photo.)

Rough Riders Strongest Team Since End of War - McCaffery

OTTAWA (CP)—Says Jim McCaffrey, president and manager of Ottawa Rough Riders of the Big Four Football Union:

"We have the strongest team since the end of the war."

That would make the Riders stronger than the 1951 team, which won the Grey Cup under freshman coach Clem Crowe.

"And McCaffrey slapped his "strongest since the war" tag on the Riders after Ottawa had absorbed two exhibition defeats in the West, from Winnipeg Blue Bombers and Edmonton Eskimos.

No Indication

Those tilts, says McCaffrey, were no indication of his club's real strength—"the scoring could have gone either way."

Ottawa finished a poor third in the Big Four last season. Crowe puts this down largely to over-confidence; after all, they were the defending Grey Cup champions.

McCaffrey says this year's team is considerably improved over last season's, with added Canadian strength both in the line and backfield.

The first-string quarterback has not been selected yet but Riders can pick from four: Tom O'Malley, signal-caller for the last two years; Dave Anderson, last year with Calgary Stampeders; George Gilmartin, with Pittsburgh Steelers last year; and Avatus Stone, who joined the team at Winnipeg from Syracuse. Acquisition of Stone, normally a defensive half, has increased optimism in the Ottawa camp.

Most Seats Sold

The fans seem optimistic, too. Lansdowne Park can take 16,000 customers and most of the 13,000 reserved seats have been snapped up. Crowds averaged 15,000 last year and probably will again this season. General admission is $1.40 and reserved seats from from $1.70 to $3.95. The Riders break roughly even on an annual budget of about $230,000.

The Riders open their season at Hamilton Aug. 27. The first home game will be against Montreal Alouettes Sept. 5.

Main attraction for Ottawa in pre-season drills hasn't been a passer or runner but a lineman, 29-year-old, six-foot-three, 240-pound tackle John Kissell.

Kissell became the centre of a legal row between the Riders and Cleveland Browns, for whom Kissell played last year. The Browns claimed Kissell had signed to play with them before he put his name on an Ottawa contract. The upshot was that the Ontario Supreme Court refused the Browns' request for an injunction to prevent Kissell playing with the Riders.

McCaffrey says Kissell "looks good," but "we can't tell the story from one lineman. The combination will tell the tale."

Carrying 12 Imports

Ottawa now is carrying 12 imports and must cut down to the permitted eight by October 8. The imports include O'Malley, Anderson, Gilmartin, Stone, halfbacks Gene Roberts, starting his third year in Canadian football, Jack Barry of the University of Texas, linemen Kaye Vaughan of Tulsa University, John Bove, Kissell and Jack Gearding and ends Bernie Flowers of Purdue University and Paul Salata, last year with Calgary.

The Riders haven't lost any hotshots from last year's team with the possible exceptions of Ted MacLarty, defensive half who has retired, and end Al Baldwin, who signed with Hamilton after Ottawa cut him loose.

Main acquisitions from other Canadian teams are centre Chuck Anderson and halfback Bob Cunningham, formerly with Montreal, and guard Jake Dunlap, over from Hamilton.

Many Holdovers

Hold-overs include, besides O'Malley, Roberts, Bova and Gearding, halfbacks Howie Turner, Pete Karpuk, Bruce Cummings, Alex Ponton, Don Hollingworth, Bob Garside and Bob Rumball; linemen John Wagoner, Bennie MacDonell, Walt Bashak and Jerry Lefebvre; ends Bruno Bitkowski, John Werton, Bob Simpson and Matt Anthony.

Canadian newcomers include half Ed Yablonski of Hamilton, last year with University of Detroit, centre Stu Kennedy of Queens, centre Ron Baker of Ottawa seconds, and half Hank Tomaski and tackles Joe Harris and Joe Upton, all of University of Toronto.

From all these, the riders can sign 36 and dress 26 for each game.

Virginia Fair Wins $5,000 In Alberta Derby

EDMONTON (CP) — Virginia Fair, owned by Jim A. Charlesworth, Edmonton cattle man, Wednesday won the 23rd running of the $5,000 added Alberta Derby, feature race of the fall track meet at Exhibition Park.

The three-year-old filly, ridden by jockey Don Richards, covered 1⅛ miles in 1:55 1-5, one second off the track record. She placed fifth in the Queen's Plate June 2 at Woodbine.

The favorite, Virginia Fair led throughout to pay $4.70, 3.20 and 2.40. Flak's First, owned by E. Johansen of Calgary, was second. Light Dust, owned by Meadowbrook Stables of Winnipeg, was third.

HORSE SENSE BRIDGE

By SAM GORDON
The Kibitzer

Master bridge players are unable to live the simple life. Their opponents refuse to permit it. Both sides use weapons of attack and defence that weaker players have not yet learned to cope with.

Such competitors do not double a slam simply because they think they can defeat it. The information may help the clever declarer. It may enable him to pull an unusual play to kill the expected defence.

A slam bid and made pays a gob of points. Opponents are anxious to save that much. To do so they are willing to forego the slight gain they could expect with a double that stands up.

Thus, the double of a slam is seldom used for its usual purpose. This leaves such a double free for some other action. Experts employ it as a convention signal of unusual character.

The double of a slam is used to signal partner as follows: "I want you to lead the first suit bid by the dummy. With such a lead we have the best chance of defeating the slam bid."

You have already seen the deal shown here:

NORTH
♠K 6
♥J 9 8 5
♦3 2
♣K Q 10 8 5

WEST
♠Q 9 8 7 3 2
♥—
♦J 10 5
♣9 4 3 2

EAST
♠J 5 4
♥10 7
♦A K Q 9 8 7 6 4
♣—

SOUTH
♠A 10
♥A K Q 6 4 3 2
♦—
♣A J 7 6

After spirited bidding by both sides, south decided to bid a grand slam. It could be seven clubs in support of the suit bid by his north partner. Or, seven hearts in the suit north supported.

If the decision is seven clubs, west doubles. This will advise east to start with an opening lead of a heart. West will ruff the first round of that suit and the slam goes down right there.

If the decision is seven hearts, east doubles. This orders the west hand to start with an opening lead of a club. East will ruff this immediately and the slam goes down righ there.

Without such a signal, the defence must guess their best lead. No doubt it would have been their own suit. This would play right into the declarer's hands. Signals are tips that often are pips.

Movie Column

By BOB THOMAS

HOLLYWOOD (AP) — His onetime pals in Brooklyn will be interested to learn that Bernie Schwartz is now pulling down 1,750 clams a week in the movie mills.

Bernie is better known as Tony Curtis to the film followers. And no one is more amazed at his ponderous pay cheque than he.

"Yeah, they picked up my option," said Tony. "Isn't it fantastic? I wake up at night and pinch myself to see if I'm still dreaming. I never knew there was so much money.

"I feel so great about the whole thing that I want to express myself about it. I want to write a poem about it or put it to music. But I can't. Nobody can understand exactly how it feels except me."

Tony's enthusiasm is refreshing after the blase beauties and ho-hum Harrys who take their blessings with a yawn. He is one new star who counts his blessings, and with good reason. Son of a tailor, he received plenty of knocks from life. And his was no rapid ascent to fame.

"I started here six years ago at $75 a week," he said, referring to his studio, U-I. "My take home pay was around $44. The reason was that I didn't have the dough to join the Screen Actors Guild. So the studio put up the initiation fee, then took it out of my cheque each week.

"After the first six months, they bumped me to $100. I still had hardly enough to live, on, after I sent some home to the folks.

Despite his plight, Tony never demanded a raise. "They'll pay you what you're worth. If you go out and make a picture that brings in two million dollars, they'll give you a salary accordingly."

Tony says he feels sorry for the young players of today who get signed by the movies for more money than he got.

"Kids nowadays start out at $250 a week," he observed. "If they have some kind of name through night clubs or the stage, they can get as much as $500 or $750. That ain't good.

"They get used to that kind of dough and they can't take it when the times get tough. Besides, the studio will drop them faster at that kind of money. They have to come through and prove themselves or they get the bounce but quick."

And with that, the boy named Schwartz went out to his new Cadillac, patted it gently, kissed the hood and drove off.

IVANHOE

Bride-Elect Feted By Kitchen Shower

IVANHOE. — Mrs. Roy La Chappelle was hostess at a nicely arranged kitchen shower held recently in honor of Miss Mary Kerby, popular bride-elect.

Miss Jayne Gay conducted a contest and Miss Roseanne McAvoy sang "For Me and My Gal".

An address was read by Miss Ileen McAvoy. Miss Roseanne McAvoy presented the gifts in a prettily decorated carriage.

After Mary had expressed her thanks, bingo was played and refreshments were served by the hostess.

WALLBRIDGE

WALLBRIDGE — Mrs. Everett Rutter of Brantford and Mrs. Elmer Smith of Frankford spent a day recently with their sister, Mrs. Dorothy Wannamaker.

The many friends of Miss Jenny Kiernan were sorry to know she is under the doctor's care and will be confined to her bed for awhile. Her sister, Mrs. Smith, of Hamilton, is staying with her for a week or two. Jenny's many friends hope she will soon be around again.

Mr. and Mrs. Harry Pound and little grandson Dale, were supper guests of Mr. and Mrs. F. Harris.

Mr. Roy Woods is busy these days putting in the foundation for his new home here on the 5th Concession.

Mrs. Dorothy Wannamaker and children spent a couple of days last week with Mrs. Keitha Aide and Mr. and Mrs. A. Wannamaker of Stirling; Marjorie returning home with her mother having spent a month with her grandparents at Stirling.

Quite a number are attending Belleville Fair this week.

Mr. and Mrs. Frank Harris, accompanied by the latter's brother and wife, Mr. and Mrs. Frank Langabeer of Belleville, returned home on Saturday having spent a couple of weeks' holidaying in the north country. Returning by Toronto, they spent a few days with the latter's daughters and husbands, Mr. and Mrs. Ralph Finkle and Mr. and Mrs. James Olliver.

Threshing is in full swing and the farmers report grain turning out fair.

Mr. and Mrs. Ted Evans spent Saturday evening with Mr. and Mrs. A. Carleton.

Quite a few farmers attended the sale of Mr. Murray Reid who has sold his farm and is moving to Belleville soon.

6TH TYENDINAGA

6TH TYENDINAGA — Mr. and Mrs. Jack Emerson and girls, Second Line; Mr. and Mrs. Fred Wannamaker and children, 4th Line, visited with Mr. and Mrs. Percy Lancaster, Anne and Marguerite.

Mr. and Mrs. Garnet Denyes and Brian, were Sunday guests of Mr. and Mrs. Frank Treverton.

Mr. and Mrs. Lorne McKenzie and boys spent Sunday with Mrs. Bradshaw.

Mrs. Lawrenson and William, also Mr. and Mrs. Herb. Lawrenson, Rochester, were Thursday evening visitors of Mr. and Mrs. A. Boldrick and Mrs. J. Boldrick.

Mr. and Mrs. James Goodman and children, of Consecon, spent the dinner hour on Sunday with Mr. and Mrs. Percy Lancaster.

Mrs. Bradshaw is staying a few days this week with Mr. and Mrs. Lorne McKenzie.

Mr. and Mrs. B. Alexander and family, of Consecon, visited with Mrs. J. Boldrick also with Mr. and Mrs. A. Boldrick on Sunday.

Mr. and Mrs. Birth, Toronto, were week-end guests of Mr. and Mrs. Frank Treverton.

Mr. and Mrs. Herb. Rattan, of Syracuse, are visiting with Mr. and Mrs. Percy Lancaster.

A son was born to Mr. and Mrs. George Downing, on Sunday.

GOOD OR SPUDS

COURTNEY, B.C. (CP)—Others may raise a skeptical eyebrow, but Dr. Wilbur J. McKean, head of the plant pathology laboratory at Saanichton, B.C., says Vancouver Island is the best spot in Canada to grow clean, disease-free potatoes.

Canadians Fail To Place in Target Shoot

VANDALIA, O. (CP)—The Canadian contingent competing at the 54th annual Grand American Trapshoot failed to place in the winners' ranks Wednesday.

Twelve Canadians, including the Olympic sharp-shooter, George Genereux of Saskatoon, were among 960 outstanding North American marksmen who stood at the firing line.

Best performance by a Canadian in Wednesday's championship events was the 195 of 200 targets turned in by W. C. Davis of Alberta. Canadians tied with 193 were W. C. Hoadley, Edmonton; Vera Holdsworth, Calgary; Charles J. Parkinson, London, Ont., and L. A. Hartman, Kitchener, Ont.

Three contestants tied with perfect 200s in the class AA competition and Marion Partlow, 37-year-old farmer from Casey, Ill., won in a shoot-off. The class A title went to Lyon Crawford, Harvey, Ill., after a shootoff to break a deadlock among three shooters, each with 199.

The class B title went to Joseph Parr of Cincinnati with 200.

Other Canadian scores included: J. H. Holdsworth, Calgary, 193; George Genereux 186; G. A. McAteen, St. Thomas, Ont., 185.

ARMITAGE PACES SENIORS

TORONTO (CP) — Dundas Valley's Jack Armitage Wednesday fired a one-over-par 72 for low gross honors in the Ontario seniors' golf championship at Islington Golf Club. He previously won the title in 1950. Defending champion C. B. Smith of suburban Thornhill was runner-up with a 77.

COMPLETE SHOWS 7-9.00
STARTS TONIGHT

AT THE McCARTHY—Burt Lancaster and Virginia Mayo are the castaways in Warner Bros.' "South Sea Woman", which opens today at the Odeon McCarthy Theatre. Lancaster is a scrappy sergeant in the U.S. Marines and Miss Mayo is a showgirl stowaway in the adventure-comedy set in the idyllic south seas during the war.

AT THE CAPITOL—Maxwell Reed has a top role in "Sea Devils," Technicolor adventure romance which co-stars Yvonne De Carlo and Rock Hudson. On the same program Wild Bill Elliott in "Rebel City". Both have their first showings tonight at the Capitol Theatre.

AT THE CAPITOL — Yvonne De Carlo co-stars with Rock Hudson in "Sea Devils", Technicolor adventure romance, which opens tonight at the Capitol Theatre. On the same program "Rebel City" stars Wild Bill Elliott. Both hits are first showings.

STAMP PLAYER HURT

MONTREAL (CP)—Cal Green, former Montrealer now playing with Calgary Stampeders of the Union, is in hospital with a knee injury suffered in Monday night's exhibition game against Montreal Alouettes. Hospital authorities said he is likely to be confined "for some time."

GAMES HEAD RESIGNS

MONTREAL (CP) — Lt.-Col. George C. Machum of Montreal has resigned from the presidency of the British Empire and Commonwealth Games Association of Canada, for business reasons, the association's executive committee announced Wednesday. Maj. John W. Davies of Montreal was elected to take his place.

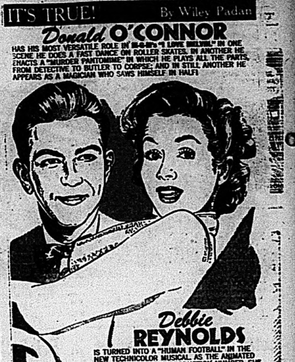
IT'S TRUE! By Wiley Padan



Donald O'CONNOR
HAS HIS MOST VERSATILE ROLE IN M-G-M's "I LOVE MELVIN." IN ONE SCENE HE DOES A FAST DANCE ON ROLLER SKATES. IN ANOTHER HE ENACTS A "MURDER PANTOMIME" IN WHICH HE PLAYS ALL THE PARTS, FROM DETECTIVE TO BUTLER TO CORPSE; AND IN STILL ANOTHER HE APPEARS AS A MAGICIAN WHO SAWS HIMSELF IN HALF!
Debbie REYNOLDS
IS TURNED INTO A "HUMAN FOOTBALL" IN THE NEW TECHNICOLOR MUSICAL. AS THE ANIMATED PIGSKIN IN A UNIQUE PRODUCTION NUMBER, SHE IS TOSSED ABOUT IN PASSES, SCRIMMAGES AND A VARIETY OF FORMATIONS AND GRIDIRON PLAYS.

AT THE BELLE—Donald O'Connor and Debbie Reynolds with a hep and happy cast in M.G.M.'s song-and-danceful Technicolor Musical "I Love Melvin", continuing today, Friday and Saturday with a very funny Tom & Jerry color cartoon.

IHL ADDS JOHNSTOWN

MARION, O. (AP)—The International Hockey League Wednesday voted to admit Johnstown, Pa., Jets as a ninth member. Johnstown was a member of the defunct Eastern Hockey League last year. Other league members are Marion, Grand Rapids, Mich.; Milwaukee, Fort Wayne, Ind.; Louisville, Ky., Troy, O., Toledo and Cincinnati.

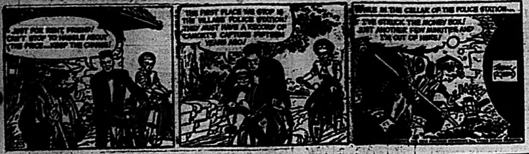
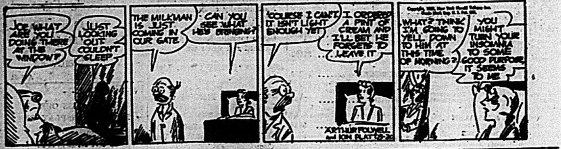
JOHNNY HAZARD — By Frank Robbins



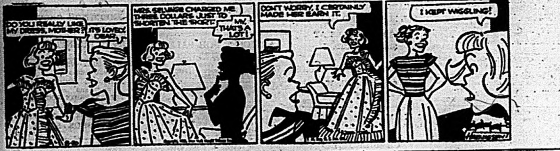
JUST FOR RENT, FRIEND! CAN'T STOP TO HAGGLE ABOUT THE PRICE... KEEP THE CHANGE!
THE FIRST PLACE WE STOP IS THE VILLAGE POLICE STATION! THEY MUST HAVE A RECORD OF CHICKY'S CAPTURE FIFTEEN YEARS AGO!
WHILE IN THE CELLAR OF THE POLICE STATION...
I'VE STRUCK THE MONEY BOX! JUST ANOTHER FEW MINUTES AND I'M OUT OF HERE!

MR. AND MRS.—By Arthur Folwell - Kin Platt



JOE WHAT ARE YOU DOING THERE AT THE WINDOW?
JUST LOOKING OUT. COULDN'T SLEEP
THE MILKMAN IS JUST COMING IN OUR GATE
CAN YOU SEE WHAT HE'S BRINGING?
'COURSE I CAN'T. IT ISN'T LIGHT ENOUGH YET
I ORDERED A PINT OF CREAM AND I'LL BET HE FORGETS TO LEAVE IT
WHAT? THINK I'M GOING TO YELL DOWN TO HIM AT THIS TIME OF MORNING?
YOU MIGHT TURN YOUR INSOMNIA TO SOME GOOD PURPOSE, IT SEEMS TO ME
ARTHUR FOLWELL and KIN PLATT 8-20

PINNY — By Harry Haenigsen



DO YOU REALLY LIKE MY DRESS, MOTHER?
IT'S LOVELY, DEAR.
MRS. SELVAGE CHARGED ME THREE DOLLARS JUST TO SHORTEN THE SKIRT.
MY, THAT'S A LOT!
DON'T WORRY, I CERTAINLY MADE HER EARN IT.
I KEPT WIGGLING!
HAENIGSEN

Your Individual Horoscope

By FRANCES DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR FRIDAY, AUGUST 21, 1953.

March 21 to April 20 (Aries) — Self-restraint, calm reasoning are your chiefs-of-staff today. The position of Uranus suggests that you make no indiscriminate promises or change situations which are now moving satisfactorily. Be steady, unruffled.

April 21 to May 20 (Taurus) — Your Venus and other planets indicate prompt attendance to unfinished business and matters put off for some time rather than to start new and, perhaps, not urgent undertakings. Rest when you can.

May 21 to June 21 (Gemini) — Not an overly stimulating or encouraging period but no day should pass without each of us trying to accomplish at least some thing worth while. And often we achieve more than anticipated by sheer trying.

June 22 to July 23 (Cancer) — No moods, no needless anxiety permitted on today's schedule! The calmer, more serene and hopeful you are, the more you'll get done and the happier you'll be. Go along sensibly.

July 24 to August 22 (Leo) — Some pleasant indications for you and all others who keep emotions in restraint and go about tasks, hobbies or whatever else is scheduled, without complaint. No need to strain or worry.

August 23 to September 23 (Virgo)—Read Gemini and maintain an even pace—not attempting to do more than you safely can for health's sake. Familiar matters are more favored than new issues. Enjoy restful week-end.

September 24 to October 23 (Libra)—Not a day to rush or crowd one's self. More can be accomplished by calmly proceeding with usual program and not trying to overdo.

October 24 to November 22 (Scorpio)—Not entirely encouraging for business and money transactions unless they were prearranged and had sound bases. Neither is the day unfavorable for usual routine, home and family interests.

November 23 to December 22 (Sagittarius)—Extra caution urged in spending, investing, signing contracts or agreements, making bids, giving estimates. Day can be constructive and productive. Smile.

December 23 to January 21 (Capricorn)—About the same for you as for most of us now. Do your best, follow wisely-planned schedules, don't strain health, don't worry. Tomorrow is another day and rest and some recreation are in order.

January 22 to February 20 (Aquarius) — Your admonitions: Don't be restless, changeable, and don't waste energy and time on trifles. Difficult matters need not frighten. You have capability. Use it fully and be happy.

February 21 to March 20 (Pisces)—For you, sensible precautions are advised in everything you do during this so-so period. If on vacation, enjoy restful, pleasant activities and don't worry.

YOU BORN TODAY are sincere, diplomatic, ever ready to give service and aid to family, friends, and business associates. You may have to curb impulsiveness, and you are perhaps too persistent at times. But you are innately a fine person, talented, personable and capable of attaining real success in your profession or trade. Would make a wonderful religious—devout and humble. You are often ingenious, creative but not adverse to listening to others. Taking sound advice is a great gift. Important you keep cheerful, hopeful and always keep faith with God. Birthdate: Jean Baptiste Greuze, noted Fr. painter; Frank Munsey, author, publisher.

NAVIGABLE WATERS' PROTECTION ACT

R.S.C. 1927, Chapter 140

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO hereby gives notice that it has, under Section 7 of the said Act, deposited with the Minister of Public Works, at Ottawa, and in the Registry Office for the Registry Division of the County of Hastings at Belleville, Ontario, a description of the site and plan of a wood pole electrical transmission line proposed to be constructed over the Trent River and Canal from a point on the Western bank of the River to a point on the Eastern bank of the said Canal in Lots 1 and 2, Concession III of the Township of Sidney, shown on Registered Plan No. 344, in the County of Hastings, in the Province of Ontario.

AND take notice that after the expiration of one month from the date of the first publication of this notice THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO will, under Section 7 of the said Act, apply to the Minister of Public Works, at his office in the City of Ottawa, for approval of the said site and plan.

DATED at Toronto, Ontario, this 3rd day of June, A.D., 1953.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO
E. B. EASSON, Secretary.

CAMPBELLFORD

50th Wedding Anniversary Is Celebrated

CAMPBELLFORD — Mr. and Mrs. William Collard, Simpson street, residents of Campbellford for the past 43 years, celebrated their golden wedding anniversary at Christ Church parish hall on Saturday evening.

The hall was decorated with yellow and white gladioli. Seventy-five relatives enjoyed a turkey dinner served by the Christ Church parish guild.

Seated at the head table with Mr. and Mrs. Collard were Mr. and Mrs. John Duck, daughter Betty, of Campbellford, Mr. and Mrs. Charles Collard, of Oshawa, their four grandchildren, Joan, Mary, and Paul Collard and Bobby Duck, the bridesmaid of fifty years, Mrs. Collard's sister, Miss Beatrice Collard of Preston and the Rev. and Mrs. John McKibbin.

Proposed Toast

Mr. McKibbin proposed a toast to the bride and groom, followed by the presentation of gifts from relatives and friends. They were the recipients of gold watches presented by their son and daughter, a purse of money by Miss B. Collard and an automatic toaster by Mrs. Collard's sister, Mrs. H. Pryke (Lottie) of Campbellford. Mr. Collard expressed the couple's thanks for the many gifts.

Mr. and Mrs. Collard were married in the Anglican Church, Somerset, England, by the late Rev. Colin Campbell. Mrs. Collard was the former Eliza Baker, daughter of the late Henry Baker.

Upon arrival in Campbellford, Mr. Collard was employed by the Weston Shoe Company, and later was caretaker of the post office here, retiring in 1942.

Out of town guests were Mr. and Mrs. Charles Collard of London, Mr. and Mrs. Roth, Mr. and Mrs. A. Brenner and Elaine, Mrs. G. Shanahan, Mr. and Mrs. F. Bettke, Miss B. Collard, Mr. and Mrs. S. Collard and Rex and Mr. Roy Herrington, all of Preston, Mr. and Mrs. Harry Keyse, Mr. and Mrs. John Wray and Douglas and Mr. and Mrs. B. Knack, all of Galt, Mr. and Mrs. Charles Collard, Joan, Mary and Paul of Oshawa, and Mr. and Mrs. Fred Burgar of Cobourg.

WOOLER

WOOLER — Mrs. Arthur Dorland and Mrs. Bull spent Thursday afternoon visiting the latter's son, Mr. Jack Bull, in Campbellford.

Mr. Pearley Smith is confined to his home with an attack of flu.

Mr. and Mrs. Harold Steinberg are spending a week camping at Presqu'ile Point, visiting Mrs. Steinberg's sister-in-law, Mrs. Gunyea.

Sorry to hear that Miss Doreen Dorland, nurse-in-training at Belleville General Hospital, is confined to isolation ward there.

Wooler W.I. was held at home of Mrs. Clarence McMasters on Thursday afternoon with the girls of the Home Making Club putting on the program, with Mrs. Angus Gunter and Mrs. Alex Hubble and hostess in charge of the refreshments.

Mr. and Mrs. George Ruttan returned home to Queenston on Friday after spending two weeks with friends in Wooler.

Rev. J. Fletcher's brother from British Columbia is visiting at the parsonage.

Dr. and Mrs. Hess of Hastings were Thursday afternoon guests of Mrs. S. L. Terrill.

Had Bad Stomach

Felt So Miserable And Tired-Out All The Tim

This Woman is Delighted With Improvement in Her Health Since Taking Syntona. Now Nerves Are Relaxed, Sleeps Better, Recommends it Highly.

"I wouldn't take anything for the good results I got by taking Syntona Herbal Compound and I am glad of the opportunity to recommend this fine medicine to other people who suffer as I did", said Mrs. A. Jennings, 100 Jackson Street, Hamilton, Ontario, in a recent interview.

Her Own Experience

"I was troubled with my stomach and had indigestion and sour stomach after eating even the lightest foods. I would belch up hot, sour liquids, and get a full, heavy feeling with shortness of breath. After being this way several months I felt so miserable and tired out all the time that I could hardly do my work. My nerves were so on edge that I couldn't get my proper slee night.

Tried Many Things

"After taking almost everythin heard of without benefit, a friend gested that I try Syntona. I was too sure about it, but decided to bottle and to my surprise bega feel better before it was half finis I was so encouraged that I kept on taking Syntona regularly and present improvement in my healt simply wonderful. Stomach distres cleared up, my nerves are relaxed, I sleep better than I did for yea have more energy and am not all t out as I was before.

Not a New Story

The experience of Mrs. Jenning not new. For more than 15 years h dreds of local men and women been saying how Syntona helped t in similar circumstances. But m people do not yet know how much ter they can feel by taking Synto To those people we say: Try Synt one week. See what a differen makes. So, don't let another day go Get Syntona today.

Syntona is sold and recommende Belleville by Dolan The Druggist.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Too. Be Thrilled With Results — or Pay Nothing

What a thrill! Bony arms, legs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly look. Thousands, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vigor-building and flesh-building tonic, Ostrex. Its tonics, stimulants, invigorators, iron, vitamin B_1, calcium, enrich blood, improve appetite and digestion so food gives you more strength and nourishment; put flesh on bare bones. Mrs. L. Savard, Mattagami Heights, Ont., writes, "I gained 16 lbs. Tired feeling, nervousness gone, too." Another user, Mrs. Marc Gagnon, Cap Chat, P.Q., writes, "I gained 13 lbs. Health fine. My rundown husband gained 15 lbs. New pep."

Don't fear getting really fat. Stop when you've gained the 5, 10, 15 or 20 lbs. you wish. Money back if you're not delighted. Costs little. New "get-acquainted" size only 60¢. Refuse substitutes. Ostrex has given results when other tonics failed. Try famous Ostrex Tonic Tablets for new vigor and added pounds, this very day. At all druggists.

PILES that Itch and Burn

If you now suffer from the itching soreness and burning pain of piles you can be helped.

Just get a package of Hem-Roid, an internal pile treatment, at any drug store and use as directed. You will be pleased at how quickly your pile trouble is relieved. Only $1.59 for the big 60 tablet package. If you are not 100% pleased after using Hem-Roid 2 or 3 days, as a test, ask for your money back. Refund agreement by all drug stores.

CAMPBELLFORD

Cyclist Suffers Severe Injury

CAMPBELLFORD — A 76-year- jured on Monday afternoon, when he was struck by a car, while riding his bicycle on Highway 30 about three miles south of here.

Harry Slater of 341 Highfield Road, Toronto was bicycling north on the highway. A car driven by 26-year-old Walter Elliott, of Campbellford, was also travelling north, and had just overtaken the slower moving bicycle. Elliott told the police that he was just preparing to swing out to go around the cyclist, when its rider started to make a U turn on the road. Elliott swung his car to the left but the right rear fender struck the bicycle throwing it and the rider to the roadway.

Mr. Slater had been staying with relatives at Percy Boom near Meyersburg, and was enjoying his regular ride through the district. He was attended at the scene by Dr. Burgess of Campbellford, who ordered the injured man taken to Peterborough hospital by Bennett's ambulance of Campbellford. He suffered a possible fractured back and internal injuries.

The driver of the car, Walter Elliott was not injured, but his vehicle turned completely upside down in the west ditch. Provincial constable A. Eady of Campbellford investigated.

CAMPBELLFORD — About $40 damage was caused to a light pick-up truck on Saturday night when its driver, Lloyd Partridge of Front Street, Campbellford lost control of it on loose gravel on a country road about a half mile south of Norham.

Partridge told police that he had just passed a car and the truck swerved in the loose gravel, causing him to lose control. The truck clipped off five guard rail posts, but remained upright. No one was injured. Provincial Constable old Toronto man, was seriously in- Archie Eady of Campbellford investigated.

RALLY BROKEN UP

FRANKFURT (AP)—West German police broke up a rally in the German Communist party Tuesday night after speaker Oskar Mueller said the victims of the June 17 revolt in East Berlin were "provacateurs and Western agents." The rally was stopped without trouble.

WILL HALT FLOW

MEXICO CITY (AP)—The government ordered troops and immigration agents to the U. S. frontier today to halt a suddenly increased flow of illegal migrants. The interior ministry said the movement of the harvest hands had increased sharply in the last 72 hours. There have been rumors here that the United States would need 300,000 Mexican workers this year, apparently starting the mass migration of jobless farm hands.

RATTLER COLONY

GRASSY LAKE, Alta. (CP)—Four youths found a colony of rattlesnakes on a river bank near this southern Alberta town. In less than an hour they killed 17, several of which were four feet long.

Washington State Prison Is Burned As Inmates Riot

One Man Dead, One Blind After Three-Hour Melee

MONROE, Wash. (AP)—Three-hundred angry inmates of the Washington state reformatory Thursday night went on a destructive spree that ended hours later with one man dead, three injured and five of the institution's sprawling buildings destroyed by fire.

Half of the rioters were in a cell block, the others on the grounds in the centre of the buildings they had set torch to in a sudden outbreak of frenzied viciousness. Guards patrolled the walls keeping inmates on the grounds under surveillance all night.

The rioters struck without warning during the evening recreation period. One group took over one of the reformatory's two large cell blocks and the other ran through the grounds setting fire to the buildings surrounding the recreation area.

Three-hundred other prisoners took no part in the uprising.

Firemen Driven Off

Guards made no effort to stop the stone - throwing, bat-hurling, cursing, howling convicts. The Monroe volunteer fire department was called and was in the walls within minutes. But before they could start work they were driven back by stones and bats hurled by the men on the grounds.

Other fire equipment arrived but none ever got inside the walls again despite hundreds of police who came from all over western Washington, including Seattle, 20 miles to the southwest.

No attempt was made by any of the convicts to communicate with Warden P. J. Squier or other officials—except to hurl taunts, precations and debris through windows and at guards.

And no explanation for the outbreak could be had from Squier. One guard said, however, that there had been trouble during the day. He would not explain further.

Most Are Young

Most of the inmates at the reformatory are young offenders. Older and more hardened criminals are kept in the Washington state penitentiary.

Meanwhile, inmates in the cell block were tearing up plumbing, breaking out windows and destroying furnishings. They, too, howled and cursed as they destroyed.

Then several hours after the first outbreak at 11 p.m. EDT, a group of the men on the grounds tried to break through the gate. Guards, almost shoulder to shoulder atop the 30 foot high walls and armed with riot and tommy-guns, opened fire.

Four men fell. One was mortally wounded. Another, struck by a ricocheting bullet which passed through his head right behind his eyes, lay on the ground screaming:

"Oh God. Knock me out! Knock me out!"

Doctors said later he would be forever blind.

The other two men were not wounded seriously.

Then police started moving into the cell block and onto the grounds. A small heavily-armed force entered the cell block. They were greeted with a barrage of debris and curses but this subsided quickly when they saw the officers meant business.

The same scene occurred on the grounds. Officers moved in slowly but steadily, herding the sullen group before them until the rioters were congregated on the institution's baseball diamond.

Behind them glowed the embers of the brick plant's wooden building and the still red hot steel in the burned out concrete laundry, cannery, machine shop and carpenter and auto repair shop.

All were useless remains, with the total damage running into the hundreds of thousands of dollars.

The inmates huddled in circles as midnight came, stark figures under the pitiless glare of the prison's bright floodlights. They started bonfires to ward off the night chill, using wood which littered the grounds from one end to another.

THE WEATHER

TORONTO, (CP) — Synopsis: Cooler air which originated over Hudson Bay pushed southward across the north country Thursday, bringing cloud and widely scattered showers which spread into central regions Thursday night. Eastern Ontario will cloud over today with showers beginning late this afternoon. Continuing sunny weather is expected in southwestern Ontario. Little change in temperature is forecast across the province.

Curb of Power To Strap Inmates Cause of Riot

GUELPH, (CP)—Curbing of the Guelph reformatory superintendent's power to have prisoners strapped was described Thursday as one of the basic causes of the riots which resulted in $85,000 damage at the reformatory July 5, 1952.

Several members of the staff said at a hearing before the legislature's select committee on reform institutions that, prior to the disturbances, an order from the department of reform institutions required the superintendent to write to department officials in Toronto for permission to strap a prisoner.

Since the riot, the superintendent has had power to order a strapping after the prisoner has been examined by a doctor.

Witnesses said that, when word of the restrictions placed on the superintendent reached the prisoners before the riot, their attitude became one of open defiance and insolence.

U.S. Prisoners Blown to Bits By Own Planes

FREEDOM VILLAGE, Korea (AP)—Fifty American prisoners were "blown to bits" when U. S. warplanes bombed and rocketed an unmarked PoW collection station in North Korea, an Ohio corporal related today.

Cpl. Donald W. Manuel of Racine, liberated at Panmunjom, said the Reds herded prisoners into an unmarked row of houses even though they knew American planes attacked the area daily.

The prisoners were forced to stay in the houses at rifle point, Manuel said.

Manuel said American warplanes rocketed the unmarked Korean houses in the camp area and "wiped out a whole row of houses."

"Fifty men died," he said. "They were buried alive and torn to pieces."

Imports Higher By $200 Million

OTTAWA (CP)—Imports rose by almost $200,000,000 in value during the first five months of this year under the impact of record imports in May, the bureau of statistics said today in a revision of previous estimates.

Imports totalled $1,810,300,000 in the five-month period compared with $1,626,100,000 during a similar period last year. May imports climbed to a record value of $420,600,000 compared with $386,000,000 a year ago.

13 CANADIANS WILL BE FREED ON SATURDAY

Communists Announce Release of Big Group

PANMUNJOM (CP)—The Communists announced today that 13 Canadians would be among those repatriated in Saturday's exchange of Korean war prisoners.

The statement brings to 16 the number of Canadians the Communists have either released or promised to return. Three Canadians were released earlier. At the start of the exchange, the Reds said only 14 Canadians would be repatriated.

At Vancouver today, Pte. Thomas E. Rothwell of Dundas, Ont., third Canadian prisoner to be released, said 13 other Canadians were captured with him last Oct. 23, but that he had not seen any of them since shortly after the group was taken. Rothwell arrived in Canada today after a commercial airlines flight from Tokyo.

Rothwell's statement brought to 22 the total number of Canadians reported captured by returning prisoners of war.

Said Nine Taken

The first Canadian to arrive home, Cpl. James Pelletier of Chatham, Ont., said in Vancouver last week that nine other Canadians were taken prisoner with him May 1, 1953. Pelletier said he saw none of these men again during his captivity.

In today's group of repatriates, 150 Americans, largest single group to be returned to freedom thus far, were a rollicking and happy group as they returned here.

Eager as youngsters, they shouted and danced as they were freed with 300 South Koreans.

Camp For Incorrigibles

The Americans were from Camp 1 at Chongsong on the Yalu river, the Red stockade for "incorrigibles" who actively resisted communism.

Alberta's Polio Toll 220 Cases, Seven Deaths

EDMONTON (CP) — Alberta's 1953 polio toll has climbed to an official 220 cases and seven deaths, it was reported Thursday. However unofficial reports set the death toll at nine.

Latest victim was a 16-year-old boy in the Calgary district.

This year's outbreak still is running behind the record 247 cases and 33 deaths reported at Aug. 31, 1952, but may overtake these figures in the 11 days remaining in this month.

Meanwhile, Dr. N. Baster, director of communicable diseases, said Alberta is carrying out an "adequate program" regarding gamma globulin injections. All persons in immediate contact with a polio case were receiving injections and supplies were adequate for this program.

No decisions have yet been reached regarding keeping schools closed. They are due to open Sept. 1.

SOLD FRENCH SECRETS

PARIS (AP)—French police said today a woman secretary at the foreign office has been arrested and charged with selling secrets to Yugoslavia. They said the woman, identified only as Mademoiselle Bosse, dealt with a former first secretary at the Yugoslav embassy who is no longer in Paris.

Picnic Lunch on Scottish Moor Is Birthday Party for Princess

BALLATER, Scotland (Reuters) Princess Margaret quietly celebrated her 23rd birthday today at Balmoral Castle, vacation home of the Royal family.

Fine weather probably meant a picnic lunch on the moors and in the evening it is the custom to mark the event with a giant bonfire in the castle grounds.

Scots take a special interest in this Royal birthday because Margaret was the first of the blood royal to be born in Scotland since Charles I in 1600.

When the day draws to a close and birthday greetings from all over the world have been read, the cake cut and presents opened, the Queen will propose a toast to her sister.

And later, the carpets will be rolled back for some Scottish reels—the Royal sisters are experts at the tricky steps.

It was on a stormy, thundery night in 1930 that Margaret was born in historic Glamis Castle, the residence of the Queen Mother's parents, the Earl and Countess of Strathmore.

Townsfolk smiled and nodded and repeated the old legend connected with the castle—a girl born within its walls would wed before she was 20.

But for Margaret, the legend was not fulfilled. Today she is the same age her mother was when she married the late King George VI. Her sister was 21 when she wed the Duke of Edinburgh amid glittering pageantry in November, 1947.

Shah on His Way Back to Iran

In Rome, Italy, Shah Mohammed Reza Pahlvei and Queen Sorāya of Iran are shown before the shah boarded a plane to fly home to Tehran. The shah and his wife chose exile when Premier Mossadegh refused to recognize the Iranian constitution, but now Mossadegh is in the hands of the shah's forces and a new era appears likely for the country. The shah offered sanctuary to Mossadegh, but plans a public trial. — Central Press Canadian.

Non-Communist Unions Agree To End Strikes in France

PARIS (AP) — Non-Communist unions ordered thousands of workers back to their jobs today—the first break in the wave of strikes that has strangled France for 16 days.

But the back-to-work trek was slow. Unions were meeting all over France to discuss the terms of settlement.

The Socialist Workers' Force (FO) and the Christian Labor Federation (CFTC) reached agreement with Premier Joseph Laniel's government early today for postal, telegraph and telephone workers to end their strike. Other government workers were expected to join the back-to-work movement.

But attempts to put in telephone calls to other cities in France still were fruitless this afternoon. The communications services were not expected to be back to normal before Monday.

Few Trains Running

On other strike fronts there was little perceptible change. Only a few railroad trains were running, though Socialists and Catholics ordered their rail men back to work.

The Paris subway and bus systems were still partially paralyzed.

Coal mines were still idle.

A 48-hour strike of metal workers called by non-Communist unions began today. Thousands of workers were reported idle at steel mills and other factories in the nation.

The management at the big Renault automobile plant in Paris said only 2,000 of its 16,000 workers failed to show up.

Government Promises

The government was reported to have promised the postal, telephone and telegraph strikers:

1. To call into session before Sept. 30 a commission to consider a general upward revision of French wages.

2. To take no sanctions against strikers.

3. To consult the unions before putting into effect Laniel's proposed economy decrees upping retirement age limits and cutting other benefits.

The Catholic union, CFTC, today restated its demand that Parliament be called back next week to consider the labor situation. Informed sources said they believed the steering committee of the National Assembly would decide against such a call.

Trouble Ahead

But observers warned that plenty of trouble may still lie ahead for Laniel.

Will Stand Trial For Shooting Of Taxi Owner

ALEXANDRIA, Ont. (CP) — Henri Seguin, 28, today began a two-month wait for his murder trial by continuing a hunger strike into the seventh day.

Seguin was committed for trial Thursday following conclusion of his preliminary hearing on a charge of killing Leonard Hurd Aug. 16, 1952, by firing five .22-calibre bullets into the Maxville taxi owner.

Seguin, already serving a 20-year sentence in Kingston penitentiary for attempted armed robbery of a bank at Williams Lake, B. C., in December, will be tried for murder at the fall assizes of the Ontario Supreme Court, scheduled to be held at Cornwall in mid-October.

Guards of the former Cornwall laborer said he has refused food and water for the last six days with the curt explanation: "I'll let you know when I feel like eating or drinking."

Had Planned Robbery

The Crown's star witness, Douglas McKibben, bookkeeper for Hurd, testified near the end of the two-day hearing that Seguin had plotted to rob Hurd several days before the business man was fatally shot in his taxi 20 miles north of Cornwall.

Staff Sergeant W. W. Sutherland of RCMP at Ottawa, testified ballistics tests showed a bullet taken from the dead man's shoulder was fired from a gun found on a highway near Maxville after Hurd's body was discovered.

He said parts of bullets taken from the dead man's lung "could have been, and probably were fired from the same gun."

Women, Children To Return Home As Fire Checked

By BERNARD DUFRESNE
Canadian Press Staff Writer

FORESTVILLE, Que (CP)—The organized return of about 167 women and children from Ste. Anne de Portneuf to their homes at Ste. Therese du Colombier is scheduled to take place today amidst belief the destructive forest fire north of here is under control.

The women and children were evacuated Sunday as "a precautionary measure" when uncontrolled, wind-driven flames in this region about 200 miles east of Quebec City threatened their homes on the edge of the village.

To many of the women it will be a joyful reunion with their fire-fighting husbands who stayed behind ready to put up "a house-to-house fight" if the fire swept into the settlement.

Jailed For Month

In Forestville, Kelley Bouchard, 22, and Wellie Tremblay, 26, both of Ste. Therese, were sentenced Thursday to one month in jail for travelling in the forest while a ban was in effect.

The pair was taken into custody Wednesday night by provincial police as "important witnesses" in a case of suspected arson arising from two minor outbreaks near Ste. Therese Monday.

No motive for suspicion of arson has been given by authorities who are continuing the investigation.

At the scene of the main fire, which has ravaged more than 175 square miles of forest land, some 800 volunteers are making new—and enlarging—fire-breaks in the event a change in wind or weather whips the fire into advancing.

MOROCCO QUIET AS NEW SULTAN IS ENTHRONED

But Egypt's Moslems Demanding Crusade

FEZ, Morocco (Reuters)—The new sultan of Morocco, Moulay Mohammed Ben Arafa, 64, was enthroned at a solemn ceremony here today in succession to his cousin, deposed by French authorities Thursday.

The official proclamation of the new sultan took place in the grand throne room of the imperial palace at Rabat.

An assembly of 350 Moroccan leaders, including pasha (nobles), cadis (tribal leaders) and religious dignitaries signed a document pledging their allegiance in the presence of the Maghezen, (supreme council).

Calls For Crusade

But in Cairo, the 1,000-year-old Al Azhar, which claims to be Islam's most authoritative institution, called upon the Moslem world to "start a crusade against France."

The deposed sultan has been widely espoused by nationalists in the Arab world because he encouraged the Istaqlal (Independence) party in his own country.

Cairo dispatches said Egyptian president Gen. Mohamed Naguib, on a pilgrimage to Mecca, stood in front of the Kaaba, Islam's holiest shrine, and prayed that "Allah avenge the Moroccans." The Kaaba contains the stone on which the archangel Gabriel is supposed to have rested his head.

Called 'Terrible Events'

Although this was a big Moslem feast day, Arab League headquarters in Cairo broke the holiday for hurried conferences. Afterwards, the league announced all Arab countries would be asked to take "urgent measures in connection with the terrible events in Morocco."

(Continued on Page 5.)

Capt. Committed To Stand Trial In Higher Court

CAYUGA, Ont. (CP) — Capt. Charles Harris appeared in magistrate's court here Thursday for preliminary hearing on charges under section 158 of the Criminal Code, of "accepting commissions and demanding compensation" on trucking business in connection with operation of the army camp at Hagersville. He was committed to stand trial in Ontario Supreme Court.

The officer has not been under arrest, in connection with the charges, and was allowed to go on his own recognizance to appear for trial later.

K. Bain Munro of Cayuga, was the special Crown prosecutor and defendant was represented by J. J. Robinette, QC, Toronto.

WO. Edward Barton of the Royal Canadian Ordnance Corps, charged with having accepted the sum of $300 from Hugh McLennan of the London Forwarders for assistance in obtaining government hauling jobs, was also committed to stand trial in a higher court. He also was released on his own recognizance.

Both of the accused are still on duty at the Hagersville camp.

WALL FALLS ON CHILDREN

MEXICO CITY (AP)—A falling wall buried eight children Thursday, killing one of them and injuring another seriously. The adobe wall apparently had been weakened by recent rains.

Shah Flies Home After Mossadegh Surrenders

Pajama-Clad and Limping, Ex-Premier Gives Self Up

By RICHARD EHRMAN

ROME (AP) — Triumphantly smiling, Mohammed Reza Pahlevi, Shah of Iran, flew homeward today for a royal welcome in the explosive country he fled five days ago.

Awaiting him in his land of carpets, caviar and oil were a new premier loyal to the monarchy, jubilant crowds cheering their 33-year-old ruler and a pajama-clad prisoner under heavy guard—shaky old former premier Mohammed Mossadegh.

Rome's Iranian colony and legation, which turned its back on the shah's arrival as a fugitive Monday with 20-year-old Queen Soraya, came out in force to cheer his departure by plane early today.

In a chartered Royal Dutch Airliner, the shah and a party of officials and reporters headed for Baghdad, capital of Iraq.

The shah planned to lunch early this afternoon with Iraq's King Faisal, then perhaps fly on to Tehran later today.

Queen Stays In Rome

Queen Soraya, exhausted and upset by the week's excitement, remained in Rome to rest up.

Also left behind was the shah's strong-willed twin sister, Princess Ashraf. Mossadegh had exiled her because she fought his encroachments on the royal power. She hurried from the Riviera to her brother's side Thursday. She told reporters Thursday night she might drop in on Tehran later for a visit.

Baghdad had been the shah's first haven Sunday after Mossadegh's armed forces foiled the attempt of palace guards to enforce a royal decree naming Maj.-Gen. Fazollah Zahedi premier.

Fleeing to Iraq in his own plane, the shah and his wife went on to Rome Monday by British airliner. He dashed homeward almost as hurriedly after Iran's masses and its army rallied to Zahedi and their ruler's standard and drove Mossadegh from his heavily-fortified home Wednesday. Three hundred or more died in the fighting.

Surrenders In Pajamas

The weepy-eyed old premier, who drove Britain out of his country's vast oilfields and then tried so hard to clip his ruler's power, surrendered Thursday to Zahedi at his headquarters in the central Tehran Officers Club. Weak and limping, he still had on his habitual pink pajamas.

His future was uncertain. Zahedi, in a "give yourself up" broadcast 12 hours earlier, had said, "we will wait for the nation to say what should be done with him."

The former premier's political adviser, Ali Shayegan, and two former cabinet ministers, surrendered with him. There was no word of Mossadegh's chief henchman, fiery former foreign minister Hostosein Fatemi. Earlier reports, never confirmed, said the mob tore him to pieces Wednesday.

Mossadegh and his three associates were held in rooms on the top floor of the Tehran officers club. Tanks and troops guarded the building.

NEED 30 MILLIONS

ATHENS (AP)—Greek government sources estimate that up to $30,000,000 is needed to rehabilitate the three Ionian islands ripped by last week's earthquakes. First official government estimates obtained Thursday night on the material damage left in the quakes wake placed it at approximately 100 million dollars.

Alligator Decoys Lure Monster But Watcher Yells as Eyes Appear

NEW HAMBURG (CP) — The Nith river's "monster" was sighted here today, but again the elusive fellow evaded his pursuers.

Chief Constable George Thomas, Tuffy Truesdale, the Sarnia alligator wrestler, four human assistants and four reptile decoys—Tuffy's herd of alligators—continued to guard the banks of the Nith river in hopes of catching "Nithy", the mystery monster which has been scaring folks around here off and on for years.

Chief Thomas caught a glimpse of Nithy today, just about the same time that Truesdale's "pets" began to get restless. Nithy showed only his glistening eyes, about 40 feet away from his would-be captors. The men dashed along the river bank to get nearer to the pair of eyes, but Nithy headed for midstream and vanished.

Chief Truesdale declared he got a glimpse of Nithy's body as he fled. It was about four feet long, the chief said.

Tracks were found along the bank today, which Truesdale declares are alligator prints. They are similar to the ones the chief has been finding for several weeks.

"I think we might have caught him, but one fellow got a bit excited and yelled," the chief said afterwards.

Business Cabinet Formed in Italy

Giuseppe Pella, 51, who was minister of finance in all of Premier Alcide de Gasperi's cabinets since 1947, undertook to solve the Italian cabinet crisis by forming a "business government." Under Pella's program the cabinet would be composed mostly of "technicians." — Central Press Canadian.

'Canucks' Parade In Strength Before Critical Audience

NORTH BAY (CP)—For the first time in its young but stormy career, the speedy CF-100 jet aircraft was paraded in strength Thursday by the RCAF.

Conceived, designed and produced by Canadians, for the defence of Canada, the all-weather fighter was put through its paces at the RCAF's new $15,000,000 base here on the shores of Lake Nipissing. It was a successful, if noisy, demonstration.

The "Canuck," as the CF-100 is more informally known, has been the centre of several hot political and aeronautical arguments. Five of them have cracked up since the first prototype took to the air more than a year ago.

But the RCAF has unbounded confidence in its new jet-propelled two-seater. Two squadrons already have been formed, one here and one at St. Hubert, Que., and more are being formed.

To underline this confidence, for the benefit of a group of some 50 newspaper men, the RCAF Thursday called on five planes of 445 squadron for an aerial display with their ace aerobat, FO. Tony Gunter-Smith, to show what the plane could do.

City and District News

LEAVING ACCIDENT COSTLY PROCEDURE

Leaving the scene of an accident can get a person into a whole lot of trouble it was found out yesterday by Harold Greene, R. R. 1 Picton.

City police today said Greene had been involved in a minor accident at the corner of Coleman and Moira Street; had left the scene and was overtaken by the other party of the accident a mile away. When police caught up with Greene he was charged with leaving the scene of an accident, with driving through a stop sign and in addition had his car ruled from the highway because of poor mechanical condition.

FRANKFORD MAN WINNER OF CALF

Mr. W. B. Perry, R. R. 1, Frankford, was the winner of the purebred Holstein calf "Hollirose Rockwood Thurlow Pride," which was drawn for at Thursday evening's performance of the Belleville Fair. Tickets on the Holstein calf were sold by the Thurlow Junior Farmers and Junior Institute. The winning ticket was 2148 and the winner sold the calf back to the Junior Farmers for its cash value.

BEST BIRD IN SHOW OWNED BY P. DAY

The honor of having the best bird at the poultry show of the Belleville Fair, went to Percy Day, 27 Purdy St. Mr. Day exhibited a number of birds but Golden Seabright cock, was considered the best in show by R. J. Messervey, the judge. Mr. Messervey stated that the bird could win ribbons at any show in Canada. "He was well conformed, had beautiful color and nearly to specifications as to size," said Mr. Messervey.

Salvation Army Officers Leave To Study Abroad

With a portion of the Belleville Salvation Army Band serenading him, Senior Captain Fred Brightwell boarded the train at the C.N.R. Station here at 3 a.m. today en route for England. There he will attend a three-month course at the Salvation Army Staff College at London.

Senior Captain Brightwell is one of 56 Salvation Army Officers who will take this course and is the only Canadian in the group. He came to Belleville 15 months ago from Hamilton. During his absence his wife, Mrs. Senior Captain Brightwell, will have charge of the activities of the local Corps of the Salvation Army.

POLICE BLOTTER

Three Charged With Theft

Charged with the theft of hubcaps from a car parked on the lot at the rear of J. B. Boyce and Sons, two Belleville youths and a young man from Toronto, were arrested by city police last night. Arrested were Jack Sharpe of Toronto, Jack Hughes and William Purtell, of this city.

Police said three men had been spotted in the parking lot and Eric Knudsen, garage attendant, went to investigate. When he did so he was assaulted by one of the men.

All three of the young men are charged with theft, while Sharpe faces a second charge of assaulting Knudsen.

George Woods, 54 Grier Street, reported his truck stolen from the rear of a local hotel. The vehicle was later found on a nearby lot.

The City Hotel reported that two midway employees had left without paying their room bill. Another man, a midway operator, reported to police, that he had fired one of his employees. He later found that his electric razor was missing.

FARMERS . . . ATTENTION!!

WANTED:— A number of progressive farmers in Western districts who would like to set out a commercial block of Red Raspberries, either for your local trade or for shipping to recommended city dealers. Recent Ontario-Quebec production figures, prices at 30-50c per quart and dealer reports would indicate short supplies everywhere.

To encourage, a limited planting of new high yielding patches, a well-known nursery is sending a special representative of many years experience in commercial production to personally interview and educate interested farmers in raspberry culture. This should result in higher unit yields, longer patch life, less labor and when translated into dollars, a high ratio of profit is assured.

Because of the present shortage of good planting material, bookings can only be made for Fall planting 1953 limited to one acre.

If genuinely interested in berry growing as a sideline to farming, write Box 460, Campbellford, Ontario, on or before August 26th., giving location of your farm. Our specialist will call later and completely analyze the business, soil requirements and preparation, up-to-date cultural practices, home markets and surplus shipping, cost of planting, estimated yields and profits per acre. Late replies cannot be covered.

Achievement Day Award Won by Larry Mitz

Ever try to drive a pig in a group with a dozen or so others and have him under control at all times.

Well, that is exactly what 14 members of the South Hastings 4-H Swine Club did Thursday at Belleville Fair. It was all in connection with their club achievement day when they were required to "show" their gilts as part of the club competition.

The boys were judged principally on their year's work although the condition of each entrant's pair of gilts also entered into the picture. Winner of the club achievement day was Larry Mitz of Ivanhoe. He received the county hog producer's silver tray, which was presented by fair president, W. Harry Rollins.

Best pair of Yorkshire gilts was shown by Dale Balcanquel of Corbyville, while topping the showmanship class was Ross Moorcroft of Madoc.

Standing of the club members on the achievement day was as follows: Larry Mitz, Ivanhoe, Ross Moorcroft, Madoc; Lyal Leavens, Corbyville; Harold Harris, Madoc; Robt. Burkitt, Frankford; Ted Burnside, Madoc; Dale Balcanquel, Corbyville; Robt. Mallory, Trenton; Robt. Bush, Glen Miller; Doug Rollins, Corbyville; Robt. Montgomery, Tweed; Paul Meraw, Tweed; Bartley Watson, Corbyville and John Anderson, Belleville.

Judge Finlay Stewart, livestock fieldman for the production service of the Canadian Department of Agriculture, complimented the boys on the quality of the gilts, and on their showmanship. "The gilts", he said, "were the best he had judged at any fair."

Club president Ray Mallory, of Trenton, also complimented the boys on their year's work.

Regent Juniors Defeat Combines In First Playoff

By PETER UPPER

With a seven-run splurge in the fifth inning, Bryson Reid's Regent Juniors overcame a two run deficit and defeated the Prince Edward County Combines 7-2 in Little Spain Thursday night. It was the first game of the Belleville and District Baseball League playoffs.

The Regents got their seven runs on hits by Wollons, Drummond and Hall, walks to Carson and Stephens and a pair of fielder's choices.

Picton pushed across one in the first inning and another in the second but they were held in check for the rest of the game.

Drummond started on the hill for the Regents but was relieved in the second by Carson who went the rest of the route. Drummond struck out three while Carson fanned nine. Mulholland started on the hill for the Combines but was relieved by Ackerman in the fourth.

Mulholland struck out six while Ackerman struck out none.

Wollons led the Regents at the plate with a double while Goyer Casey, Hall, Drummond, Stephens and "Red" Carson each connected for singles.

Score by innings		R.	H.
Regents	000 070 0	—7	7
Combines	110 000 0	—2	4

Obituary

GEORGE JAMES SMITH

CAMPBELLFORD — George James Smith of Grand Road, Campbellford, was buried here on Thursday afternoon, following his death on Monday night in Kingston General Hospital. He was 85.

Mr. Smith was born in Seymour township at Bradley Bay. He was the son of William Smith and Mary Ann MacDonald. He lived in the district all his life. Mr. Smith's health declined following a leg amputation three years ago.

Surviving besides his wife, the former Elizabeth Owens, are two daughters, Elsie and Alta, both of Toronto, and two sisters, Mrs. Thomas Walker and Miss Eva Smith, both of Campbellford.

During most of his lifetime, Mr. Smith farmed in Seymour township. He attended the Anglican Church and took a keen interest in the work of the Orange Lodge. He was a past grand master of the local lodge, and an honorary life member of the Royal Black Preceptory of Eastern Ontario, Number 381. He was also a member of the IOOF.

The Rev. John McKibbin of Christ Church conducted funeral services from Bennett's funeral home on Frank Street on Thursday afternoon at 2.30. Burial was in Christ Church Cemetery.

The bearers were Harold Smith, Ted Owens, Murney McCann, Harold Copperthwaite, Douglas Nicholas and Earl Fox. The funeral service was under the auspices of the IOOF.

HARRY GEORGE LaTOUR
(Carrying Place)

The funeral of Harry George LaTour was held from the Weaver Funeral Home, Trenton on Tuesday afternoon. The Rev. E. V. Cook assisted by Rev. F. C. Beazer conducted the service in the chapel and at the graveside in Carrying Place cemetery.

The honorary bearers were Harry, Irving, Wallace, Roy and Ross Bingle and Keith Garbutt, all nephews of the deceased and the active bearers were Vernon Westfall, John Buchanan, William Hendricks, Oliver Frost, Jack Clark and William Hanthorn.

The late Mr. LaTour died at his home on Sunday last after an illness which extended for eight months. He was born at the Carrying Place, 72 years ago, being the son of the late Mr. and Mrs. Louis LaTour and had resided in that community all his life, where he was well known and highly respected. For many years he was employed as a hoisting engineer and worked at Point Anne, Hagersville and Havelock. He had been retired for some years.

He was a former trustee of the Carrying Place United Church and when health permitted took an active part in the work of the congregation. Fraternally, he was identified with Trent Lodge A.F. & A.M. No. 38 and the brethren of that lodge held a memorial service on Monday evening at the Funeral Home.

Surviving are his wife, the former Anna Urquhart, two sons, William and George LaTour of Carrying Place, and two grandchildren, LAC Robert LaTour of the RCAF, France, and Joy LaTour of Carrying Place.

N.E. All-Stars Win Benefit Game 8 to 6

By PETER UPPER

In the benefit game for Al Young at the C.N.R. Recreation Field last night, the Northern Electric All-Stars defeated the Northern Electric Intermediate AA team 8-6.

The AA's took a two run lead in the first inning but the All Stars were not to be reckoned with so easily and so they pushed across seven runs in the bottom of the third. The AA's tried a desperate rally in the top of the fourth but they could only manage four runs. The All Stars added another in the seventh and that was how the scoring went.

Earl Vandervoort livened things up with his witty sayings over the P.A. system donated for the evening by Northern Electric.

The winners of the prizes were Mrs. Bob Bunton, five pounds of butter donated by Glen Roy Creamery. Ed Crawford won the cushion donated by Bert Farrar. Mr. George Rutledge was the claimant for the jewellery donated by Paul Mercier. Frank Baldwin won a set of darts and a dart board donated by Bob Blaind's and Ross Empy got the wallet donated by Bill Cook's.

The umpires kindly donated their time. There were about a thousand tickets sold, or around $250 which will be given to Al.

The CNR Athletic Club donated the use of the field.

All in all the boys put on a good show and from where we sat they got more than a quarter's worth of entertainment.

Racing Meet At Local Fair Best in Years

Despite the fact it was a slow class race, the fans saw a mighty glibe pacer in Walnut Dick in the 2.26 class in the program of races staged by the Fair Board in front of the grandstand on Thursday afternoon. This horse is owned by Roy Lawson of Midland and was purchased from the Walnut Hall farm in Kentucky. He is five years old and in the words of the owner was "pretty rank" when he secured him but the teamster has worked wonders with him and on Thursday he showed himself to be a classy pacer.

Although beaten in the first heat, Walnut Dick 'levelled away' in the second frame, went out on "Bill Daly" and was never headed the rest of the afternoon. Elga Grattan, a recent winner at the meet tried to give this speedster a race but Walnut Dick had too much foot for the field. This horse will be heard from as the fall fairs progress.

In the Free-For-All, Symbol Allen, owned by W. R. Ireland of Smiths Falls and driven by Bernard Grant made every post a winning one and was the only straight heat winner of the meet. It was a good field that the committee lined up for this event and the racing was keen and interesting every heat. Miss Chipso furnished the chief opposition but the Smiths Falls horse could let out a rap any time he wanted to.

The fastest heat of the meet was 2.15 jointly held by Harry Inglis and Roy Lawson and each was given a purse of $5 for his feat. The running race as usual brought the crowd to their feet but it was not as exciting as in previous years. There were only three starters and Golden Lou easily won both heats.

THE RESULTS:

Free-For-All			
Symbol Allen, W. Ireland, Smiths Falls	1	1	1
Miss Chipso, S. Blewett, Peterborough	3	2	2
Lucy Lester, H. Corcoran, Kingston	2	3	3
Mac Volo, S. Blewett, Peterborough	4	4	5
Ruth Harvester, S. Defosse, Trenton	5	5	4
Time—2.24, 2.17, 2.18.			
2.26 Class			
Walnut Dick, R. Lawson, Midland	4	1	1
Elga Grattan, E. Potter, Kingston	1	2	2
Lily Grattan, Stan Crosett, Port Hope	2	3	4
Nancy Lee Brewer, J. L. Keyes Gananoque	3	4	3
Time—2.22, 2.19, 2.20.			

Judges Brock Burley, Ross Turley, James Cowan; timers, James McGowan, James Barber, Harry B. Stock; announcer, Cameron Bunnett. In charge of gate Roy Mitchell, Brighton.

Thurlow Twp. Square Dancers Win Competition

No. 2 group Thurlow township Junior Farmer square dancers won the Belleville fair square dancing championship Thursday night, when at the final night of the fair they defeated the Peterborough county team in the finals.

Four teams entered the competition, a new attraction offered by the local fair board. Monday evening saw the Peterborough team best a No. 1 group from Thurlow, while Tuesday evening No. 2 group from Thurlow defeated a team from Hungerford township.

The competition attracted considerable interest on the part of fair-goers who watched the costumed dancers swing to the calls of their respective callers. Walt Taylor and his Rhythm Ranch Riders provided the music for the dance competition.

First place winners received a $100 prize with second place winners coming in for $50. Two teams eliminated in the semi-finals each received $25. All prize money was provided by the fair board. The competition was in charge of fair Vice-President Dr. J. Russell Scott, Director Carl Thompson and Arthur Young.

Members of the winning team were, Shirley Kerr and Bill Leaming; Margaret Cole and Warren Hinz; Ruth Cole and Dale Balcanquel, and Muriel Swan and Ellis Hinz. Caller was Ivan Clare.

Peterborough team members were, Doris Jopling, Eleanor Northey, Mary Matchett and Vera Quinn with Jack Matchett, Orland Brown, Ned Cameron and Burritt Mann. Caller was Blancho Quinn.

Fair Officials Estimate 25,000 Persons Attended 4-Day Exhibition

Officials of the Belleville fair were wearing tired but happy smiles today as the curtain was rung down Thursday night on what Fair President Harry Rollins described as the "most complete and best balanced" fair in the history of the local exhibition.

An estimated 25,000 persons paid admission to the fair during the four-day run with visitors seeing excellent exhibits in livestock classes, the largest horse show in the history of the fair and increased exhibits in the horticultural, domestic science and women's work sections.

A record number of exhibitors competed for prize money at the fair. Secretary Thomas Walker said there were 132 individual exhibitors.

Flower Show Exceptional

Mr. Rollins said this year's flower show in the horticultural building surpassed all records in the number of entries, the beauty of the flower exhibits being a big credit to the various exhibitors and the persons responsible for arranging the display.

"In addition we had good racing, the show presented by the Gus Sun Television Stars of 1953 was clean and wholesome and there was a good midway," the fair president added.

Lacking a feature attraction for the first day, the attendance this year was slightly below that of a year ago, but taking out the first day attendance figures, a record was established for the last three days of the fair. Last year the RCMP. musical ride boosted opening day attendance figures.

The new grandstand, when completed, will be a tremendous asset to the fair, according to Mr. Rollins. Seats of the grandstand were in place for the fair, but the canopy roof still has to be placed and accommodation under the stands has to be finished.

Peewee Baseball

The Deacon Quakers defeated Goldie's Shellers 7-6 to take the second straight game and win the semi-final series. They will now meet the winners of the Walker Hardware-Point Anne series.

Bancroft Students Given Talk By Martin at U.N.

UNITED NATIONS, N.Y. (CP)—A group of 30 students from the Bancroft, Ont., high school were addressed briefly today by Health Minister Martin, Canada's chief UN delegate, during a visit to UN headquarters.

Martin told them what the UN stood for and something of Canada's role in it.

Later the students, led by their principal Gordon Wragg, attended a meeting of UN's political committee.

Public Speaking Course Planned

Y.M.C.A. program committee chairman E. L. Littlejohn announced Thursday that Y.M.C.A., would again sponsor a 12 week public speaking course for women and men in the Belleville area.

"The reactions and comments which we received at the close of our course last spring prompted us to plan for another series this fall," declared Mr. Littlejohn. "The instructor will be Mr. Lloyd Skeaff our general secretary, who conducted the previous series."

"Beginners and those persons who have had very little experience in speaking in public will be given priority in registering for this course," he stated. "Experience has shown us that it is not advisable to mix the beginners with the advanced speakers" said the program chairman.

Tentatively, plans call for the course to commence on September 17, and to conclude on December 3. Further notices will be made through advertisements in the near future.

COUNTESS ON VISIT

RIO DE JANEIRO (AP)—Edda Ciano, daughter of Benito Mussolini, arrived here today aboard the liner Augustus en route to Buenos Aires to visit her brother, Vittorio. Countess Ciano said she plans to return to Sao Paulo later and visit her daughter.

UNEXPECTE WINDFALL

LONDON (Reuters) — Britain is deriving an unexpected windfall from the French strike — more American tourists with dollars to spend.

The great dollar avalanche which descended on the country for the Coronation is now being repeated on a smaller scale.

Hundreds of Americans stranded by the French port and rail strikes are spending extra time — and money — in Britain.

TORONTO LIVESTOCK

TORONTO (CP)—Receipts were slightly heavier during this week's trading at the Ontario stockyards. Prices were steady with a fairly active demand for any good quality cattle offered while plain, rough killers were very slow and under pressure. Veal calves were strong, hogs gained $1.50 to $2 and sows also advanced $1. Good lambs were fully steady and showed decided strength at the close. Holdover at the close was 1,000 cattle.

Cattle receipts of 8,704 head included 2,050 westerns, mostly stockers. Carried from last week were 600 cattle. Choice weighty steers $20.50-21.50; good weighty $19.50-20.50, common to medium downward to $11; choice light $20.50-21; good light $19.50-20.50; common to medium light steers sold down to $10; good heifers $10; two loads at $19.50, medium $18-19; common downward to $10; good cows $12-13; a few heifery cows up to $14; common to medium $10-12; canners and cutters downward to $6; good bulls $12-13; common light bulls downward to $9; good to choice fed yearlings $21.23; mediums down to $18; good stockers $18-18.50; common to mediums downward to $13.

Calves totalled 2,034 head. Prices were firm at $21-23 for good to choice vealers; common to medium $10-20; plain grassers $10-14; good stock calves $17-20.

Hogs were a light run of 2,486 head. Prices were established late Tuesday with the bulk of the run at $36.50 with some sales up to $37 for grade A. Sows advanced $1 to $23 dressed.

Sheep and lambs totalled 1,355 head. Prices were steady at $26 off car; $25 off truck for good ewes and wethers. Off truck lambs firmed to $26 at the close; bucks were discounted $1; cull lambs $15-18; good sheep $8-10; common downward to $4.

TORONTO STOCKS

TORONTO (CP)—Brisk trading in a few speculative mining issues pumped some life into generally mixed forenoon activity today.

Moving higher for the fourth straight day, New Larder U featured a rising group of uraniums and New Brunswick base metals. New Highridge and Anacon were also firmer. Companies with property in the Blind River, uranium fields, such as Calder Bousquet, Sudbury Contact, Landover and Headway showed a majority of small gains.

Regular index groups moved within a narrow price range with industrials slightly lower but the rest showing gains and losses well balanced.

General Steel Wares preferred added $1 in industrials. Other firm issues included Loblaw A, Royal Bank and Canadian Breweries—up around half a point each.

Volume for the first hour expanded about 70,000 shares from Thursday.

County Council Will Convene On Tuesday

Hastings county councillors will convene Tuesday morning for their regular summer session of council. This will be the councillors third regular get-together this year.

Considerable interest is placed in the meeting as the Madoc-Foxboro county road and the possibility of its being taken over as a provincial highway, as well as the question of a grant for Belleville hospital and equalization of the county tax rate, are matters due to come up for discussion during the session.

PICTON

Record Number Of Exhibits For Picton Fair

PICTON—A record number of entries for the County Fair at Picton, which opens Saturday and continues through next Wednesday, is reported today by secretary Phil Dodds. Space will be taxed to capacity, he stated. This fact, together with the excellent program lined up for each day, makes directors confident that the 101st Fair will be one of the best yet.

Saturday highlights include Picton Band, pet show and parade, demonstration by dispatch riders from School of Signals, and a western stage show in the afternoon, with professional wrestling at night followed by fireworks.

Monday sees Junior Farmer competitions, the RCAF Command band, a contest to choose Junior Miss Prince Edward and Master Prince Edward, vaudeville and tractor driving contest. At night a horse show under new floodlights is being followed by fireworks.

Sunday night, ministers of the town are arranging an open air service at the grandstand with Picton band in attendance.

Tuesday sees a grand parade of floats, horses, ponies, decorated bicycles, old cars and the RCAF Command Band. Senator W. A. Fraser and County Warden Clinton Green will speak briefly. Hastings Warden Jack Kincaid will attend another day due to the County Council meeting. Horse races and vaudeville will complete the afternoon.

Tuesday and Wednesday afternoons will see three horse races each afternoon along with vaudeville. On these nights the Gus Sun agency will present vaudeville shows by United States artists, these being entirely different than those given at Belleville fair, which were featured at Picton last year.

With a good midway, several special entertainers and various competitions, each day has a full program.

Directors met last night to complete plans and are all set to welcome some 20,000 visitors.

Fourteen Shoats Burned in Fire Near Scoharie

PICTON—The entire season's crop of grain, hay, 14 shoats and a number of hens were destroyed Tuesday afternoon, when fire destroyed the barn at farm of Elmer White, Scoharie. The grain included seven hundred bushels of oats and wheat.

Origin of the fire is not known. The outbreak spread very rapidly and the frame building was soon a mass of flames. Threshers who were at nearby farms were soon on the scene but nothing could be done to lessen the loss, with the exception of a calf which was led from the barn. Threshers had been at the White farm Monday and Tuesday.

Mr. White operates what is known as the Benham farm.

Graydon in Hospital But Condition Is Good

TORONTO (CP)—Gordon Graydon, 56-year-old foreign affairs expert for the Progressive Conservative party, was in "good condition" in hospital here today.

Hospital authorities said he soon will undergo an operation for a stomach ailment. Mr. Graydon, member of the House of Commons for Peel, was brought here from his Brampton home Monday.

Helen B. Anderson, Well-Known Poetess of P.E. County, Honored at Party by Friends and Former 'Pupils'

WELLINGTON. (Staff)— The school bell rang and "school went in" in a mythical little red schoolhouse in this lake-bordered village on Wednesday afternoon.

Time rolled back its curtain as former pupils of Mrs. Helen B. Anderson, Prince Edward county's "poet laureate" and writer, paid personal tribute to their teacher of many decades ago.

In the village's well-appointed park under brilliant August sunshine the ex-students showered congratulations and gifts in honor of Mrs. Anderson's birthday which occurred last Saturday, (August 15).

Her age? Only the silver-haired lady knows that. And she "wasn't telling."

Reminiscences flew thick and fast. Her "pupils" some of them grandfathers and grandmothers, recalled the days when "Nell Blakely" taught them the three R's, and administered discipline in a firm but kindly manner.

Arranged by Friends

"I didn't want all this fuss and bother about me," Mrs. Anderson told this reporter in a pre-picnic interview. "It was Will Morton and Lorne Brickman, who engineered it. And if I had them back in school, I would take care of them."

But the merry twinkle in sparkling dark eyes under the silvery sheen of hair belied Mrs. Anderson's statement.

In fact the former teacher was changing her dress "for the party" at eleven o'clock in the morning when this newsman dropped in to see her.

She is keenly alert, and mentally brilliant. She moves with a grace and gentleness that belies her age. She keeps busy. Even as she talked she picked up a piece of needlework and started deftly stitching with needle and thread.

Born in Gilead a mile or so north of this village, Mrs. Anderson attended the little red schoolhouse in that district later teaching in the school where she received her early education.

Taught in Ameliasburg

She taught her first class at Victoria in Ameliasburg. At that time she received the magnificent sum of $275 per annum. "But", she smiled, "board cost only $1.50 a week in those days." The highest salary she received in her years of teaching in the district was $400.

After teaching a year at Victoria, Mrs. Anderson received a teaching assignment at Salem. Two years there and she went to teach at Scoharie, a short distance north of Bloomfield.

After completing a season there, she attended Ottawa Normal School and following graduation went back to Melville where she taught for a period of eight years. Then back to her native Gilead for a year and following that she spent the next five years teaching at Niles Corners a few miles west of this village.

All the years of Mrs. Anderson's experience as a teacher were spent within three townships of Prince Edward County, Ameliasburg, Hallowell and Hillier.

Fifty Attend Party

Some fifty former pupils and guests sat down to an old-fashioned hot chicken pie dinner with "all the trimmin's" at one o'clock. With the guest of honor was her sole remaining sister Miss Susan Blakely of Wellington.

Following the dinner a beautiful birthday cake engraved with "Happy Birthday, Helen" was presented to Mrs. Anderson. She cut it and saw that each guest received a piece. The assembled guests sang "Happy Birthday."

Later Mrs. William Zufelt of Consecon read an appropriate poem and presented Mrs. Anderson with a handsome birthday book. Vases of gladioli and other summer flowers adorned the tables.

Prior to being photographed with her pupils Mrs. Anderson was presented with a lovely corsage of colored "glads". An eighty-year-old pupil Mrs. Effie Leach, Carrying Place pinned it on her dress.

Former Pupils Attending

Among the former pupils present were, Mrs. Garfield French, 33 Burton Street, Belleville; Mrs. William Zufelt, Mrs. Lewis Wallbridge, Belleville R.R. 7; Charles Carnrike, Consecon; Lorne Brickman, Carrying Place; Albert Carley, Consecon; Cyril Bowerman, Detroit; Michigan; Harold Ward, Belleville, R.R. 7; Ross Cruikshank, Consecon; Mrs. J. W. Shier, wife of the Rev. J. W. Shier, retired, Picton; Mrs. Percy Cleave, Bloomfield, R.R. 2; William H. Morton and Mr. Fred Morton, both of Wellington.

The "pupils" relived their schooldays in a geography match and a "spelling bee". Mrs. Anderson smiled happily as Miss Jenny Monaghan, a guest from Windsor, and a school teacher conducted the spelling which ended in a tie between Mrs. Zufelt and Mrs. Wallbridge. Mr. Morton conducted the geography quiz.

In an address of warm appreciation, Mrs. Anderson said that "words cannot express my gratitude for this expression of appreciation of my birthday."

Tribute to Organisers

She paid special tribute to Messrs. Brickman and Morton for organizing such a "splendid get-together".

"I would like to thank all the others both here and absent who remembered me so kindly."

Recalling her early days, Mrs. Anderson related the story of how she was forced to remain at the home of a friend due to a snowstorm. This occurred when she was en route to her first school at Victoria. "I saw a motto 'Well Begun is Half Done' hanging on a wall in the house," she said, "and I took that motto for my very own."

She said she had attended Model School in Picton but "I learned more about school management in my first year at Victoria School than I did at Model."

She had watched with pride through the years the success of some of her pupils. There were ministers, doctors, dentists, druggists and farmers. Others went west to seek their fortunes.

Teacher Also a Learner

A teacher, Mrs. Anderson said, is also a learner. He or she must learn patience and perseverance. They ultimately pave the way to success.

The Rev. James W. Shier spoke briefly paying fine tribute to Mrs. Anderson. "I was not a pupil but I do know she was a good teacher. One of her pupils I know is patient and loving and I am sure Mrs. Anderson had something to do with it. She is my wife."

"Mrs. Anderson's influence on her pupils was always good," he said. "She paid as much attention to their moral and spiritual well-being as she did their intellectual welfare."

Brief addresses were made by Mr. Bowerman, Mr. Ward, Mrs. Wallbridge and Mrs. Zufelt.

Songs were sung by the pupils of Melville, Niles Corners and Victoria Schools.

Old Photographs Displayed

Attracting a lot of attention were old photographs of the Melville school, its teacher and pupils in 1892 and 1900.

Mrs. Anderson is a well-known poetess and writer. She has had several of her works published in metropolitan as well as provincial dailies and weeklies and in the sunset of her life still maintains her writing duties. She is a contributor to the Ontario Intelligencer as well as district papers.

She married the late William Henry Anderson, a well-known farmer of the Melville district who passed away 21 years ago. She was forced to give up teaching due to ill-health and spent many years on her farm home before moving to Wellington a few years ago.

To Messrs. Brickman and Morton goes a lot of credit for arranging and organizing the picnic. Mr. Fred Morton acted as master of ceremonies in a highly capable manner.

A WORTHY BUT HOPELESS CAUSE

Some communities are endeavoring to collect on elec- promises.

Not a moment too soon, either. In another couple eeks not even newspaper editors will be able to remem- exactly what the successful candidates promised. As the candidates, the suspicion lingers that many of n suffered amnesia at exactly 7 p.m. on Monday, Aug. Editors, though, have memories which, while actually hort as the life of a butterfly, appear elephantine by parison with those of politicians. And so some of our temporaries are blossoming forth with mild sugges- ns that the time is now ripe for this, that or the other ly needed project.

Nobody, not even the men who write the editorials, pects much to come of this effort. It is a case of love's or lost in a hopeless cause. Nevertheless, it is a worthy e. It is well that candidates should be reminded of the pe of their ambitions for their ridings in the days be- e the ballots were cast.

It would also be interesting if the Prime Minister d the members of his cabinet and the leaders of the position parties and their brain trusts could have the dges of their followers called to their attention. Of urse, these mighty men in the political field have their n promises to plague them. Still, we sometimes nder whether they fully realize the vast extent of the dertakings to which they have been committed by their sociates.

If every promised public works project was completed, nada's bridges would stretch from well east of Newundland to far beyond the inlets of the Pacific on the itish Columbia coast and each and every bridge would the possessor of at least three post offices and a varied sortment of armouries, custom offices, wharfs, harbor lls and income tax offices, all prettily papered with so- al security certificates entitling the holder to complete otection from every hazard of life, from lipstick traces a white shirt collar to the possibility of women being ted to replace striking truck drivers.

Perusal of these pledges ought to have a sobering ef- ct on the men in whose hands we place the reins of gov- nment. The country would run the risk of mass resig- ations in the Ottawa's inner circle, but there are those ho would maintain that it is a risk we could afford to ke if there was a possibility that unendorsed promissory otes would be excluded from future political campaigns. hat, however, seems an unlikely development.

Leaders of political parties never hear about most f the promises made by their supporters and even if they id the practical politician would maintain there is othing he could do about it. To veto the promise and epudiate the promiser would require more political cour- ge than is possessed by most men who wrestle with affairs f state and the state of affairs in the nation.

So perhaps the best we can ask is that editors retain he practice of endeavoring to collect on these promises—while at the same time we all join in the earnest hope hat the day will never come when these editorial demands reach receptive ears.

If the men at Ottawa ever take these demands seriously the country will be headed for bankruptcy on a own-hill track, with the throttle jammed wide open and he air hose cut.

A NEW STRADIVARI?

Musicians, particularly violinists, will be intently interested in the announcement that a twentieth-century Stradivari may have been discovered under the Southern Cross.

No, we do not mean that somebody has been rummaging through an attic and found an old violin which may prove to be a "Strad." This is much more important news, the discovery of a violin-maker whose products possess a tone which rivals that of the violins made by Antonio Stradivari in Cremona, Italy, in the seventeenth and eighteenth centuries.

The craftsman's name is R. R. G. Beatson of Auckland, New Zealand, and by profession he is an architect, his violin-making being a hobby. Perhaps this should not surprise us. His discoverer, the noted violinist Alan Loveday, paid only $220 for the instrument which aroused his enthusiasm. It is rather obvious that no violin-maker could afford to spend over-much time on an instrument to be sold at this figure. Only a man who had other means of livelihood and was manufacturing violins for the sheer pleasure of turning out high-class work would be prepared to devote to the task the time and care necessary to produce an instrument rivalling those of Stradivari. Of course, now his work has been so highly praised by an authority like Loveday, Beatson will probably find that his violins command a much higher price. But we doubt whether that will make much difference in his annual output—just two instruments.

Incidentally, the violins are described as being made of New Zealand woods. One is mangeau. The other? Canadian spruce.

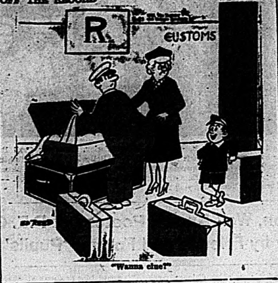
TYPEWRITER VACATION

Typewriter, which I long have prized,
It's right that you should be advised
That for the next warm day or two
I'll have no work for you to do.
So roller and the lettered keys
Beneath your cover be at ease.
No paper into you I'll tuck.
I'm going fishing! Wish me luck.

Upon your boards great volumes lie
I cannot find howe'er I try.
All's there that ever will be sung
Or phrased in prose by old or young.
Wise thoughts are there beyond a doubt—
If only I could pick them out.
I'd write them down, if it could be
That you could whisper them to me.

Typewriter, to the very end
On me alone you must depend,
And all the writings you supply
Can be no better than am I,
Some day some genius rare, with ease
Will find great odes among your keys,
But no such vein I've ever struck,
I'm going fishing! Wish me luck.

OFF THE RECORD By Ed Reed



"Wanna else?"

LOOKING BACKWARDS

GLEANINGS FROM OUR FYLES OF BYGONE DAYS

20 YEARS AGO

August 21, 1933.

Miss Gladys Rollins of Ivanhoe is visiting friends in Brockville.

Mr. and Mrs. Ed. Worth of this city, sailed on Saturday from Montreal for the Old Country where they will reside in future.

Mr. Milton Bateman spent the week-end here with his mother, Mrs. J. Bateman, North Front Street.

Mr. and Mrs. George Price of Mount Albert spent the week-end here with Mr. and Mrs. D. M. Farrell.

Miss Dorothy Merritt has returned to her home in Oshawa after visiting Miss Grace Day in this city.

Miss Ilene Deane of Rochester, N.Y., is the guest of her cousin, Miss Helen Reddick.

Miss Jennie Irvine and Master Jack Irvine have returned home from New York City where they visited Mr. and Mrs. Robert Irvine.

30 YEARS AGO

August 21, 1923.

Here is an item from our file copy at this time in 1873: "One of Dan Dice's old circus horses has had an exceedingly chequered career. When the circus was here the horse was found too old for further use and Mr. Rice sold it for $5. The new owner finding the horse useless sold it for $2.50 and he in turn sold it to two boys for 50 cents. The boys will probably lose money on the deal."

Mr. and Mrs. Frederick J. Temple and Miss Peggy MacDonnell have returned home after a motor car trip to Ottawa.

Mr. Cecil Lent, Herchimer Ave., is spending his vacation in Chicago, Ill.

Messrs. J. V. C. Trualsch, Terry Dolan and Charles Bawden have returned home from Loon Lake where they spent a week's vacation. They report trout fishing good.

Miss Minnie Scero of Montreal is visiting her mother at her home on Coleman St.

40 YEARS AGO

August 21, 1913.

Mr. R. W. Sills of this city caught a maskinonge which weighed 12 pounds in the bay yesterday.

Mr. J. S. McKeown is attending the Rexall convention in Boston, Mass.

Mr. and Mrs. David Mallock have left for their home in Waubash, Ind., after visiting Mr. William Mallock, Trent Rd.

Mr. and Mrs. William Brooker of Montana are visiting his parents, Mr. and Mrs. Thomas Brooker, Foster Ave.

Mrs. James Waddell and two young sons are visiting her mother, Mrs. D. Sullivan, George Street.

Mr. T. J. Shanks of the editorial staff of the Hamilton Spectator and formerly of the Intelligencer staff here, is visiting friends in town.

50 YEARS AGO

August 21, 1903.

The half holiday excursion next Wednesday afternoon promises to be the best of the season. The steamer Aletha will run an excursion to Deseronto, Glenora and Picton. Refreshments on board.

Mr. F. A. Brady of Montreal is spending a few days in town.

Mr. R. Cottrell and family have returned to their home in St. Thomas after visiting relatives here.

Mr. John McLaren of Toronto, formerly of Belleville, is visiting relatives here.

Mr. C. H. Vermilyea has returned home from Wellington where he spent a vacation.

Mrs. W. H. Badgley has returned to her home in Madoc after visiting her sister, Mrs. H. Ranson, in this city.

Mr. A. Wickett of the G.T.R. staff here left today to visit friends in Chebogan, Mich.

Strength for the Day

DR. EARL DOUGLASS

LOSING OUT FAST

Unless the leaders of the orthodox Christian Church, especially the leaders of the so-called principal denominations, wake up fast, they may find a great many of their members gone over to what we are accustomed to call the newer Christian bodies.

The groups of Christians today which are growing most rapidly are emphasizing evangelism, healing, and systematic and continuous Bible study. The established denominations often go plodding along, putting their faith in science, new educational methods, and busying themselves primarily with what they term "modern problems." These modern problems are for the most part world peace and varieties of economic reform which closely resemble socialism. A type of religious education has come into vogue which can only be put into operation by people having PhD degrees. Sometimes ministers talk about matters which the ordinary person does not understand and in which he has no interest. And all the time the newer Christian bodies are meeting the ordinary needs of people.

It would be fine if we could convert people in wholesale lots but this never works. There is something definitely the matter with the Christian Church. We shall try tomorrow to answer the question "What is the ailment?" and "What is the remedy?"

Hard to Tell

(Toronto Star)

It's hard to tell whether a reputed good listener is listening or thinking about something else.

Moon's End Not Imminent

(Edmonton Journal)

A rather alarming view of the astronomical future is presented by Dr. Albert G. Wilson of the Mount Palomar Observatory in California.

In addition to speculating on the possibility of the earth crashing into an asteroid in the wrong traffic lane — he estimates this may happen once every 2,000,000 years or so — Dr. Wilson has grave doubts as to the permanence of the moon. He calculates that in the course of time it will draw closer and closer to the earth, until finally the gravity of our planet disintegrates it, and the fragments shower down upon our heads.

This is an unhappy prospect indeed. Few things could be more upsetting than to have a large chunk of the moon come unexpectedly through the roof. Fortunately, the catastrophe is not exactly what one would call imminent; it is scheduled for about 100,000,000,000 years from now.

There is another factor which should reduce the general worry on this score. Some astronomers believe that long before 100,000,000,000 AD the sun will explode, and any subsequent misbehavior by the moon will be purely academic.

Plan the Future

(St. Thomas Times-Journal)

You seldom regret the past when you take time to plan the future.

Job Quitters List Reasons

(Galt Reporter)

In free society there are many opportunities to stop working if you feel like it.

"What happened to your last job?" is a question asked applicants for positions in a large New York City department store. These are recent answers compiled by Geoffrey Ford for New York Times magazine that merit some form of recognition:

"Wanted an extra day off to go to a picnic. The boss wouldn't give it to me—so I quit."

"I did not want to be transferred to another department—there was nobody to talk to there except some women and girls."

"I was driving a truck for a perfume factory but when they put me inside filling bottles. I went home every night smelling of gardenia and violets. My wife understood, but one night I got in subway near six other guys. They all sniffed, looked at me and each other with funny smiles. That was enough for me."

"The boss fired a friend of mine. So I told him I'm fired too."

"I made $75 a week for the last seven years but the car fare was 40 cents a day. One day last week I did not have any money so I quit and stayed home."

"I was driving a cab in Florida because my wife wanted to spend the winter on the beach—but she divorced me to marry a lifeguard. When they hailed me on Lincoln their wedding, I slammed the door and walked away."

"Every night when I got home I was tired. I just had to quit." "Just because I gained 50 pounds while packing candy, the boss insinuated I was eating too much."

"In the summer time the air conditioning blew right in my face, but in the winter a big radiator was boiling behind me. I want a job where it's cool in the winter and warm in the summer."

"I asked the boss to lend me a dollar but he only gave me 50 cents."

"The foreman said my horse's tail hair-do was awful and to change it. I said 'No'—and that Anyway, he was married."

"The girl next to me was singing all day long. 'How Much Is That Doggie in the Window?" erf, erf."

"They put me on the night shift, but all I heard there was jokes about going to Denmark."

"I was secretary to a big oil man but his shoes squeaked and he always wore white socks and a red satin tie. I ask you, how much can a person stand?"

"They bawled me out because I was a few minutes late and I was humiliated, so I quit."

"I was tired and wanted to lie in bed a while and collect my hospitalization."

Insisted Age Was Only 124

(Saint John Telegraph-Journal)

There is a certain prestige—a trumph in meeting the challenge of life—in longevity. And when Isaac Alkas died in Connecticut the other day his survivors were convinced that he had met the challenge better than most men. He was 127 years old.

The significant part about it is not so much that he lived so long, but that he insisted—against documentary evidence—that he was only 124. Not often does the world come across one who at that age still tries to hang on to youth by knocking a few years off the actual count.

Women do it all the time, of course. But when they get by the eighty mark even they take more pride in out-living their contemporaries than they ever took in other years in appearing younger than they were.

It is not infrequent that we hear about someone claiming a doubtful old age without proof in his possession to confirm the boast. But Mr. Alkas, who was born in Persia and came to the United States in 1903 at 77, never ceased protesting that he was three years younger than the records said he was.

Methuselah lived 969 years, and was known as an aged man, even if the years may have been shorter than they are now. No one in the modern era has come near that, though science tells us that people will be living 20 percent, longer in the next generation, providing medicine can cut down on some of the diseases which carry off older folk.

The great balladist Stephen Foster has long passed into the atmosphere of history, yet the man who just died in Connecticut was born in the same year. Sir Peregrine Maitland is almost lost in the musty annals of Canadian history, yet Mr. Alkas was living when Maitland was the governor general of the colony which was not for 41 years to part of a dominion.

When Mr. Alkas was 21, Alexander Graham Bell and Joseph Pulitzer were born. There was a war in Mexico. The Mormons were just settling in Salt Lake City. And "Vanity Fair" and "Jane Eyre" were just published. For 127 years this man lived through more remarkable events, possibly, than anyone will ever again live through.

Letter to the Editor

Wants Action On Proposed Highway

Editor
Ontario Intelligencer

Now that the excitement of the federal election is over and our public representatives have had a rest, we may turn our heads again to a project which will very definitely benefit everyone in Hastings County and far beyond our county's border.

I refer to the proposed new highway to be built between Madoc and Foxboro.

Some months ago a deputation appointed by a citizens' committee went to Toronto to interview the minister for highways with a view to having a new highway built to Madoc.

The deputation was received well and was promised that work would begin on the road as soon as the county council agrees to take over either the No. 14 highway, Foxboro-Marmora or the No. 37 Belleville-Actinolite.

At a special meeting of the county council the impressions gathered were that the council was behind the powers that fought for a new road to Madoc, yet many members could not see their way to accept responsibility for either of the two highways 14 or 37 and the matter was shelved for the present, or until such time as the minister could meet the council.

I can understand the attitude of some members up to a point in this matter, but at the same time progressive men should not dilly-dally too long over a project of such paramount importance to our county.

After all if the province of Ontario is prepared to spend a million dollars on a new road in the centre of Hastings County, the representatives of the people ought to do everything in their power to foster such a project.

The chances are that if we fiddle too long we are likely to lose a golden opportunity which may never come our way again, because there is a likelihood that each succeeding effort will be more feeble than the one before.

However, it is the intention of the Citizens' Committee to see that no stone is left unturned in this matter, and the committee intends to press to a final and satisfactory conclusion.

I would suggest that by way of compromise the council might make the offer to the minister that highway No. 33 might run Trenton-Marmora instead of Trenton-Stirling, in the event of which the council would take over the comparatively short road, Stirling-Foxboro.

However, I do hope and trust the council will take the long view and no longer hold up the work that should already have started on the Madoc road.

The winter is drawing nigh and are we to face more accidents and more deaths on that old murderous county road such as we have experienced of in these last three or four years?

I sincerely trust that no local or narrow interest will prevail at the next meeting of the council, and that as a result we shall have a new highway and shall be the richer because of the spending of a million dollars in our midst.

(Rev.) T. H. Good.

Beard Funny With Swim Suit

(Sudbury Star)

The beard of Alex Ahlstedt was a minor feature of the Canadian Legion's provincial convention held in Sudbury. He was perhaps the most easily identified delegate on the crowded floor because of his heavy hirsute growth.

Now, Mr. Ahlstedt was growing his beard for a special reason. There is a competition in Thorold for the finest beard grown in time for their firemen's centennial, and so he just stopped shaving.

Every man who faces the mirror once or twice a day with his shaving brush or electric razor, has considered (at least once in his lifetime) what it would be like to throw all his equipment away or to trade his razor for a sturdy comb.

Unfortunately for such daydreams, many legends have grown up in our beardless century. Beards are supposed to tickle and to itch; they aren't quite sanitary; and they have to be constantly clipped, so you might as well shave.

Those who grew beards for the Northern Ontario Outfitters' Convention six years ago in Sudbury, are able to refute such scurrilous legends. Many looked much better with the lower half of their faces hidden; weak chins and unmanly dimples disappeared behind the burgeoning beards reminiscent of another more leisurely and dignified era.

But there is one argument they can't answer—the beard does look funny with a bathing suit!

Personal Health Talks

By DR. WM. BRADY

ONE GOOD TURN

Dr. Brady

For the major part of my life (says the girl from Maine) I had to live on other people's grub and like it. Result: by 71 nervous indigestion had me so nearly incapacitated that I retired and moaned and groaned. Fortunately I had saved enough for a down payment on this house, where I let rooms and keep house for myself. It has paid, too, for now several people, including one M.D., think my fear of indigestion is just nervous notion. Still, they insist that, at 83, I should break up and go to a home for the aged and try to live on the charming but nutritionally inadequate fare they have there. Have you any suggestions? — (Signed ....).

Yes, two. First, I suggest that you tell 'em to go jump in the lake, and keep right on living.

Second, lay in a peck of plain wheat and use it instead of white flour products and namby-pamby cheat-food in your everyday diet, as described in the pamphlet, Wheat to Eat.

Of course one needs teeth to eat plain wheat, but somehow I feel confident that a girl with so much pluck must have a fair to middling masticating equipment.

The girl from Minnesota didn't write to me, that is, not lately, but I gleaned these data from a newspaper article in the St. Paul Dispatch, which has tolerated a certain health columnist since antebellum days (the big war, that is.)

The article, illustrated with a picture of the girl at the cutting of her birthday cake, says she advises people who want to stay healthy and in high spirits to roll a few somersaults each day, as she does at 88.

I call this personable lady a girl because at first look at her picture I whistled twice — one short, one long.

She makes a lot of you people half her age look decrepit.

She hasn't missed a day of somersaulting and she hasn't been ill a day since she began somersaulting in 1918, under the instruction, inspiration, instigation — what would you old geezers call it? — of a health columnist who uses my name to propagate just such crazy notions.

In the pamphlet on Somersaulting, I state clearly, I hope (can't read it myself) that somersaults are not enough exercise to keep one in good health. The Minnesota girl understands this — she takes six miles of oxygen on the hoof every day — walking 1½ miles to breakfast, back home, and then 1½ miles to late afternoon dinner and home again, every day, winter and summer.

What a girl!

TODAY'S TALK

By GEORGE MATTHEW ADAMS

LIKE THE IVY

Friendship is something like the ivy that we see on homes and the buildings of institutions. It takes years for ivy to grow and climb until it is almost like a green blanket about the walls. It starts small, but as age comes on, its trunks grow heavier and stronger and the leaves hug each other.

The years in friendship also grow richer and more beautiful. They cover up so many of our worries, disappointments, and fears. Friendship is something that "covers" us when we are caught short and need a friend for ballast. And how wonderful it is if there are many of these friends to whom we can turn—not for any material or monetary aid, but for spiritual refreshment.

The ivy covered buildings look warm and inviting. The old English homes would look strange without this covering. They take on a feeling of mellowness. Wherever the ivy grows it has a voice but it is a silent one. Many a happy thought enters the mind of the student at college as he looks upon the ivy covered buildings that have wrought so much for his life's preparation. In later years these clinging vines hold memories that only those who loved them are able to translate.

It's so with our friends. We love them because there is something that only we can appreciate and understand. Friendship is a selective thing. Our friends are not the same to others as they are to us. Nor are we the same to others that we are to our own collected friends. The ivy cloak impresses everyone in a different manner. To some it is a shelter of dreams. It's also nature offering its kinship.

The young growing ivy is fresher and smaller leaved, but as it creeps upward it spreads out. So in life the friendships of youth grow more dear and greener in foliage as we carry them with us into all the activities that we experience. We speak of our "life-long" friends—and what a precious possession they are!

THE PACKSACK

By GREGORY CLARK

There are two basic types of summer cottage. Often you will find them side by side in a summer colony. The one is run on strictly city home schedule. It is equipped with every modern convenience, electric refrigerator, or, if there is no electricity, a refrigerator run by coal oil or gas. It is kept at the peak of tidyness. Its inmates get up sharp on time, all together, in the morning, and the day is as beautifully programmed as the city in which work, school, meals and recreation are all part of a time table.

You can tell it is a summer cottage, because it is built of frame construction, and there are odd looking chairs, beautifully painted and with fresh canvas on them, pleasantly spaced about the scene. You presume the people in it are on holiday, because they wear clothes one does not wear in cities, such as slacks, gaudy shirts, Bermuda frocks, sandals.

The other basic type of summer home is a complete defiance and denial of life as it is led in cities. It has few if any modern conveniences. It may have an ice box. It is lighted with lamps or even candles. Not only does everybody not get up at any stated time, but you know perfectly well that somebody is always still asleep in it. You can see them come out tottering and yawning as late as noon. Their clothes are not specially designed for what is called a holiday. They are simply old clothes, odds and ends, left-overs of city life, and in wearing them, the cottagers get a special sense of being on holiday, because they are garments that could not possibly be worn in cities. They are too shabby.

They have no program whatever. In this type of summer home, it is next to impossible to organize anything, a picnic, a fishing trip, a berry picking expedition. In complete and joyous escape from city life, everyone does just what he or she darn well wants to do. Tidyness is anathema. Meals come when they will. The screen doors won't open or won't close. The wharf is on a slant. Windows either won't open or won't close. A tree has fallen across the path to the biffy. There it will lie until maybe the summer of 1956. It's a holiday, see.

Best six-horse Tandem—O'Keefe Brewing Co.

Best Team, any breed—H. J. Jamieson, Douglas Palmer, Elmer Gerow.

LIGHT HORSES

Carriage Horses

Best Brood Mare and Foal — Howard Anderson, 2-3 Miles Benedict.

Best Foal of 1953—Howard Anderson, 2-3 Miles Benedict.

3 year old Mare or Gelding on halter—John Sheridan.

2 year old Mare or Gelding on halter—Geo. Atkinson, Miles Benedict, Howard Anderson.

Year old Mare—Roy Calbury.

Single Carriage—H. J. Jamieson, Elmer Gerow, Geo. Atkipson, Burritt Mann.

Single Carriage under 15.2—H. J. Jamieson, John Sheridan, Robt. O'Riorden, Burritt Mann.

Best pair Carriage—H. J. Jamieson, Elmer Gerow, Burritt Mann, Geo. Atkinson, Burritt Mann.

Best Carriage under 15.2—Elmer Gerow, Burritt Mann, John Sheridan, T. Ducette.

Roadsters

Brood Mare and Foal—1-2 A. B. Webber.

Foal of 1953—A. B. Webber.

3 year old Mare—Burritt Mann.

Single Roadster, over 15.2—W. H. Lindsay, A. B. Webber, John Sheridan, Geo. Sutherland.

Single Roadster under 15.2 —A. B. Webber, W. H. Lindsay, Geo. Sutherland, John Sheridan.

Pair Roadsters, over 15.2 — A. B Webber, W. H. Lindsay, John Sheridan, 4-5 Burritt Mann.

Pair Roadsters, under 15.2—John Sheridan, W. A. Lindsay, Burritt Mann.

Best single Roadster, speed only —1-2 W. H. Lindsay, A. B. Webber.

Pony Hackneys

Stallion, 2 years— George Atkinson

Brood mare and foal — Cecil Mack, Morris Parks, Dr. E. G. Kennedy.

Best Foal 1953 — Cecil Mack, Morris Parks, Dr. E. G. Kennedy

Mare or Gelding (year)—B. Mann

Palimino

Stallion, Mare or Gelding—1-2 Ross Therrien, Charles Culmer

Parade Horse —1-2 Ross Therrien

Model Class — Ross Therrien

Golden Saddle — 1-2 Ross Therrien

Shetland Ponies

Single Pony in harness—Cameron Bunnett, Richard Hicks, Morris Parks, Carman Downey, Burritt Mann.

Pair Ponies in Harness —Carman Downey

Best Saddle Pony — Cameron Bunnett, Richard Hicks, Carman Downey, Morris Parks, Carman Downey.

Single Pony in harness—Emerson Hodgins, Morris Parks, Cameron Bunnett, Richard Hicks, Carman Downey, Burritt Mann.

Pair Ponies in harness—Cameron Bunnett, Burritt Mann.

Best Saddle Pony—Donna Mortinez, Emerson Hodgins, Richard Hicks.

Saddle Horses

Best Saddle Horse —Ross Therrien, Roy Philp, T. Ducette, Charles Culmer, Elmer Gerow, Garry Bowerman.

SPECIALS

Best Pair Carriage Horses — H. J. Jamieson, Guelph; Burritt Mann, Peterborough; Elmer Gerow, Picton.

Best Pair Roadsters — W. H. Lindsay, A. B. Webber, Burritt Mann

Best Single Carriage Horse — H. J. Jamieson, John Sheridan, H. J. Jamieson

Best Mare or Gelding on halter—W. H. Lindsay, Ross Therrien

Best Gentleman Driver — A. B. Webber, H. J. Jamieson, John Sheridan.

Best Tandem pair — Burritt Mann, Elmer Gerow

Best Saddle Horse—Ross Therrien.

Best Saddle Horse ridden by a woman—Roy Philp.

Best Hackney — Cecil Mack, Morris Parks

Best Hackney from 13.2 to 14.2 —Donna Mortinez, Dr. E. G. Kennedy

Carriage Horses — Ducette Trophy, H. J. Jamieson, Elmer Gerow, John Sheridan, Burritt Mann, Robert O'Riorden, George Atkinson, T. Ducette, Roy Philp.

Best Lady Driver—Mrs. Elmer Gerow, Miss Ducette, Mrs. John Sheridan.

Repudiates Words Said While Captive of Hungarian Reds

British businessman Edgar Sanders smiles happily as he returned to freedom from communist Hungary, where he spent three-and-a-half years in jail on spy charges. The photo was made as he crossed the frontier into Austria. Sanders was arrested with U.S. citizen Robert Vogeler, now released, and sentenced to 13 years imprisonment in 1949. Sanders, who confessed to spy charges during his trial, virtually repudiated his "confession" after telling of gruelling hours of mental strain under red grilling. — Central Press Canadian.

Outer Space Man

Dr. Fritz Zwicky, world-famous astro-physicist, is pictured with a section of the camera that he hopes will record flights to outer space. He plans to shoot projectiles into space in an attempt to hit the moon and other planets. Dr. Zwicky, associated with the California Institute of Technology, said that the chief obstacles against such a project in the past have been licked. He plans to send the projectiles up 20 miles into the stratosphere in high-altitude balloons and fire them by remote control. The propellant used in the projectiles can produce a speed of 55 miles a second, nearly eight times faster than the escape velocity needed. — Central Press Canadian.

See Russia Following Closely On U.S. Heels in Atom Race

By JOHN M. HIGHTOWER

WASHINGTON (AP)—Russia is following closely in the path of the United States, if not actually catching up, in the race for mastery of atomic weapons.

She may or may not some day overtake the U. S. in the number of stockpiled weapons, but the point is relatively unimportant, in the opinion of many experts.

For the time will come, these authorities believe, when the Soviet Union will have at its disposal enough bombs to pose an extremely dangerous threat to American security—regardless of how many bombs the United States may then possess.

No Guarantee Of Peace

Even now, said chairman Lewis L. Strauss of the atomic energy commission in a letter made public today, it is "a fallacy to assume that a stockpile of atomic weapons in our own hands is in itself any longer a complete deterrent to aggressive action."

Officials here said the measure of Soviet progress in the drive for greater military power is one of the more significant aspects of Moscow's announcement that a type of hydrogen bomb had been exploded. The announcement was followed by a statement from Strauss that an explosion involving "thermonuclear" or hydrogen fusion reaction occurred in the Soviet Aug 12.

It was not unforeseen. Soviet Prime Minister Malenkov had declared on Aug. 8 that the United States no longer had a monopoly on the hydrogen bomb.

The fact that the explosion came off, and that Moscow's report of it was supported by outside observation, marks a new stage in Russia's progress. Also, it introdcues into policy calculations of governments all over the world a hard new fact—that the Soviet Union may be whittling down the margin of atomic superiority which the free countries in years past have worn like a shield against the threat of Soviet aggression.

What impact this may make upon international relations is still a subject of pure speculation, except that it seems certain to bring new demands for disarmament and atomic weapons bans—without any evidence that East and West can get together on the central issue of how to disarm.

York Humber Riding to Have Recount Monday

TORONTO (CP)—A recount will be held Monday in suburban York Humber riding where the official tabulation of the Aug. 10 vote in the federal election showed Progressive Conservative Margaret Aitken leading Liberal candidate Ken Thompson by 78 votes.

Mr. Thompson was reported to have won the seat in the unofficial count election night. However, in an official tabulation Tuesday Miss Aitken, Toronto newspaper columnist, was given the seat.

Mr. Thompson said in a telephone interview from his Timagami summer home that the result "came as a complete surprise. . . and does not agree with the incomplete returns available at the time I left."

NON-COMMUNIST

(Continued from Page 1.)

The Communist-led General Confederation of Labor (CGT), left out of the negotiaions, had not yet indicated any end to its walkout. The CGT controls the bulk of the railroad workers, and transportation officials said the lines could operate only on a reduced scale without its members.

The agreement between the government and the two non-Communist unions followed two days of negotiations prodded by a delegation from Laniel's own MRP (Popular Republican Movement) party. Despite its anguished pleas, the CGT was not taken into the negotiating circle.

Although only the postal, telegraph and telephone employees received immediate return-to-work orders, the pact also covered workers in the nationalized industries. the railroads, gas and electric service employees and miners.

To Consult Unions

In a communique early today, Laniel promised to consult interested unions before putting into effect decrees cutting public payrolls and increasing retirement age limits for government employees. He also agreed to have another look at the problems of the lowest-paid workers and get something in motion toward the idea of full employment.

The premier's communique appeared to make only slight concessions to the strikers. Observers said, however, there may have been other agreements that were not made public.

The walkouts began as a protest by the FO and the CFTC against Laniel's plan to balance his budget by firing surplus employees and boosting retirement ages. The Communists came in later with demands for increases in wages and cost-of-living allowances.

Drive On Tax Evasion

All the unions argued the government should begin its campaign to rescue the national treasury from near bankruptcy by moving against the tax-evading rich.

The walkouts completely disrupted transportation and communication facilities. Troops were pressed into service to make emergency deliveries of mail and to drive trucks replacing the strike-bound Paris subways and buses. France's mines also have been almost completely shut down. This phase of the strike has not been felt severely, however, since many of the miners already were working less than a full week.

In recent days, the strikes spread to private industry. Metal working plants, chemical firms and the building trades were especially hard hit.

The government was wary of promising any general wage increases, however.

Country Women Reject Motion On Equal Pay

TORONTO (CP)—The triennial convention of the Associated Country Women of the World Thursday rejected a motion that it back the principle of equal pay for men and women.

The motion, put forward by a United Kingdom delegation, said the ACWW should work for "economic equality for women to complete their citizensip."

It was defeated on the grounds that the ACWW is not prepared to explore the infinite implications of the suggestion at present.

Mrs. Cornelia Wood of Stony Plain, Alta., Social Credit member for Stony Plain in the Alberta legislature, said women would lose status and privileges in her province if men and women were given equal pay for comparable work.

Mrs. Hugh Summers of Fonthill, Ont., was elected a vice-president of the organization.

Orillia Paper Will Become Daily in Fall

ORILLIA (CP)—The Packet and Times, one of Orillia's two weekly newspapers announced Thursday it will become a daily in the fall.

It said the date of the change will depend on completion of additions to the building and on installation of a 16-page press and other equipment.

The paper was bought nearly three years ago by the Thomson Newspapers.

The Packet was founded in 1867 and amalgamated with the Times more than 30 years ago.

Marilyn Again Suffers Injury

Smiling Marilyn Monroe shows one of her lovely legs desecrated by a bandage after she tore a ligament in her left leg while filming a scene in a film being shot at Jasper. It is the second injury she has suffered within a week. — Central Press Canadian.

Mail Moves, but Slowly, in France

Soldiers and civilian volunteers are sorting the mail at the Paris post office, largest in France, as the government tries to keep overseas mail moving in the face of the postal strike. Not only the mail, but transportation, telephone and telegraph communication, gas and electric services strikes have just about paralyzed the nation. It's all in protest against the new economic policies of Premier Joseph Laniel. — Central Press Canadian.

Need for Electric Power in Brazil Exceeds Supply

By FORBES RHUDE

Canadian Press Business Editor

TORONTO (CP)—Brazil is growing so fast that its need for electric power doubles about every seven years, Henry Borden, president of Brazilian Traction, Light and Power Co., Ltd., said Thursday.

He told a press conference that if the company were to meet all demands for service in electricity, telephone and gas, it probably would need to spend the equivalent of $1,500,000,000 in the 10 years 1953-62 inclusive. This compares with its present capital investment in Brazil of about $700,000,000.

Mr. Borden has just returned from Brazil, where Brazilian Traction, a Canadian company, is the major public utility, supplying, through operating subsidiaries, 50 per cent of the hydro-electric capacity of all Brazil—mainly in the highly-developed areas of Rio de Janeiro, Sao Paulo and Santos.

About 75 per cent of the needed expenditures would be for expansion of electric power. The greater part of the money could be in Brazilian currency, but about one-third would require foreign currency, such as dollars, sterling, or Swiss francs.

Such a program would envision expenditures equivalent to about $150,000,000 a year, including foreign currency equivalent to $50,000,000. By comparison, the company's capital expenditures in Brazil this year are equivalent to about $108,000,000.

---

13 CANADIANS

(Continued from Page 1.)

The repatriates said the first group of Americans from a fourth Red prison—Camp 9 Kanggye—arrived Thursday night at Kaesong, the Red clearing site just north of Panmunjom.

All other American PoWs sent back have been from Camps 1, 3 and 5, including some men transferred to these camps from other stockades.

Saturday's shipment was expected to include some Camp 9 prisoners, a number of whom were reported only recently captured.

The Reds said Saturday's delivery would include 94 Americans—30 of them sick or wounded—the 13 Canadians, 300 South Koreans, 23 British, 3 Australians, 2 French, 1 Turk and 1 Colombian.

Three Canadians, 2 British, 1 Australian and the Turk were listed as sick or wounded.

Half Reds Returned

In all, 6,983 Allied prisoners have been returned of the 12,763 listed by the Communists.

No Communist PoWs were sent north today for the second straight day, but more were scheduled to be handed over Saturday. Typhoon winds earlier in the week halted shipments from the Allied island prison camps off South Korea.

The Americans were in high spirits, but they also bore more reports of Red brutality and mistreatment, especially against Allied airmen.

The Reds were "death against American aviators" said Cpl. Phillip E. Rogers of Denver. He said one navy flier from the U. S. aircraft carrier Leyte was stripped to a light shirt and summer pants, and forced to remain outside in 25 below zero weather.

Another repatriate told of a mentally-ill American soldier tied to a tree outside the hospital at Camp 1 and left there until he died.

MOROCCO

(Continued from Page 1.)

Meanwhile, strong police forces patrolled Casablanca as the French authorities waited to see the results of their banishment of Sultan Sidi Mohammed to Corsica.

Morocco seemed calm as Moslems began the religious festival of Said El Kebir, which marks Abraham's sacrifice.

Throughout the protectorate, pious Moslems will slaughter sheep and will pay homage to the new sultan, an uncle of Sidi Mohammed.

The new sultan will lead prayers in the mosque at Marrakesh instead of receiving the traditional homage at the sultan's palace at Rabat.

Is Spiritual Leader

It was at Marrakesh that the new sultan was appointed spiritual leader of Moroccan Moslems last week by pro-French Pasha El Glaoui of Marrakesh, leader of the opposition to Sidi Mohammed.

Reports from all over Morocco today indicated little opposition to Sidi Mohammed's deposal. Support for the pasha reached a peak Thursday, when hundreds of Berber tribesmen converged on Rabat just before the French government announced its decision.

Gen. Augustin Guillaume, French resident-general, said the step had been taken to prevent war.

"It is certain," he said, "that if we had not intervened, the Moroccan chieftains would have got rid of the sultan, and in tragic circumstances."

Goes To Corsica

Sidi Morammed left for Corsica within hours of his deposal. Several servants and five tons of baggage followed him on another plane.

Mass arrests were reported last night in some parts of the country, including about 300 arrested in Oujda, scene of bloody week-end rioting after Moulay Mohammed was proclaimed "commander of the faithful."

READY FOR ROYALTY

AUCKLAND, N.Z. (CP) — Two special thrones will be waiting for the Queen and the Duke of Edinburgh when Her Majesty opens Parliament in Wellington next January. Gifts of philanthropist Sir Arthur Sims, they will be retained after the royal tour for future state openings of Parliament.

15,000 Workers To Get Added 5 Cents an Hour

TORONTO (CP)—Some 15,0 packinghouse workers in Cana will get increases of up to fi cents an hour under an agreeme signed Thursday between t United Packinghouse Workers America (CIO-CCL) and represe tatives of the country's three lar est meat-packing firms.

Fred Dowling, Canadian directo of the union, said the increases five cents for men and four fo women will bring wages in th Toronto area to $1,40 an hour. Th new wage figure across the countr will be comparable to that in Tor onto, he said.

Affected are union employees plants of the three companies, Ca nada Packers, Burns and Compa and the Swift Canadian Compan Limited.

Mr. Dowling said in a statemen that the union headquarters is rec ommending to all local unions th they accept the agreement.

Twenty-one plants coast-to-coas are affected, including a Canad Packers plant in Peterborough an a Burns and Company plant i Kitchener.

Sen. McCarthy's Power Lessens Says Professor

GENEVA PARK, Ont. (CP)—A Harvard professor of history said Thursday night it is necessary to go beyond checking communism and revitalize the faith in freedom in western society.

Prof. Arthur M. Schlesinger, speaking on "the attack on civil liberties" at the Couchiching conference on international affairs, said the decline of Communist-hunting Senator Joseph McCarthy as a force in the life of the United States is already visible. The Korean truce could mean the beginning of the end for the Wisconsin senator.

Prof. Schlesinger said that as the emotions stirred by the Korean war recede, Senator McCarthy will become more and more alien to the mood of the U. S. and more and more reduced to its lunatic fringe.

"But even in these short years, McCarthy and his imitators have done grievous damage to the fabric of freedom in my country."

Checking the Communist danger was only the first step.

Must Revitalize Faith

"We must go beyond that to revitalize the faith in freedom in our own society. The pressures against freedom are so deep in modern industrial life that I have often wondered whether democratic government should not recognize civil liberty as an interest deserving explicit and formal governmental protection."

Arthur L. Phelps, formerly professor of English at McGill University, said most Canadians feel there has been little substantial general curtailment of civil liberties in Canada.

Jean-Louis Gagnon, Montreal writer, said that for the vast majority of his fellow French-speaking Canadians—and he believed it was no different in Toronto, Winnipeg or Halifax—the attack on civil liberties was no basic problem. It concerned nobody but a tiny group of intellectuals who might be classed as the unhappy few.

Rhee Re-states His Intentions

President Syngman Rhee of South Korea stands smiling (left), as he is cheered in Seoul by a crowd of 100,000, gathered to celebrate the eighth anniversary of Korean independence. The plaudits followed Dr. Rhee's continued threat to march to the Manchurian border if the 90-day truce talk fails. Beside President Rhee is his Austrian-born wife and, at right, Gen. Maxwell D. Taylor, commander of the U.S. Eighth Army, who also smiles as he listening. — Central Press Canadian.

Weddings

CRUIKSHANK—WILLIAMS

In a double-ring ceremony at St. Thomas' Anglican Church, Belleville, on Saturday afternoon, July 25, the Rev. W. J. Robinson, rector of the church, united in marriage, Barbara Mary, only daughter of Mrs. Violet Williams, of Trenton, and the late Mr. Burdette Williams, to James Alexander Cruikshank, eldest son of Mr. and Mrs. H. A. Cruikshank, of Keene, Ontario. The church was appropriately decorated with gladioli blooms and ferns for the occasion.

The bride, who was given in marriage by her uncle, Mr. Sheldon Williams, Demorestville, was charmingly attired in a floor-length bridal gown of white taffeta, fashioned by her mother, and featuring a smooth midriff bodice pointed at the waist, with Queen Anne collar, and long sheath-like sleeves ending in lily-points. The tunic front of the gracefully full skirt was outlined with lace, and tapered into a cathedral train. Her full-length veil of silk illusion was enhanced by fine embroidery and held by a bandeau of lace-trimmed satin. She carried a semi-cascade of Goldilock roses, baby's breath with flowing satin streamers knotted with roses.

Miss Joan O'Brien was maid of honor, and Miss Eleanor Williams, cousin of the bride, was senior bridesmaid. Both were gowned alike in lime green and yellow Chantilly lace over taffeta, with molded, strapless bodices, and short matching net jackets. The skirts featured deep flounces of matching nylon net, accentuated by matching net ruffles.

Miss Shirley Cruikshank, sister of the bridegroom, was junior bridesmaid, wearing pale mauve taffeta with fitted bodice, and wide, bouffant, floor-length skirt. All the attendants wore matching headdresses in mesh, Juliet cap style, dotted with seed pearls, matching mitts, and carried bouquets in fan-shape of Golden Sceptre roses, bronze poms, statice and lace.

Mr. and Mrs. James Alexander Cruikshank are shown signing the register following their marriage in St. Thomas' Anglican Church, Belleville. The bride is the former Miss Barbara Mary Williams, only daughter of Mrs. Burdette Williams of Trenton, and the late Mr. Williams. The bridegroom is the eldest son of Mr. and Mrs. H. A. Cruikshank, of Keene, Ontario.

Mr. Louis Williams, brother of the bride, was groomsman, and the ushers, Messrs. William, Thorold, Victor and Lester Williams, brothers of the bride.

The reception was held on the spacious lawn of the bride's home, Trenton, where the bride's mother, attired in navy nylon crepe taffeta with lace yoke and hat of matching navy lace, received, assisted by the bridegroom's mother, who was gowned in dotted nylon with navy accessories. Both wore corsages of Rubrum lilies.

For the wedding trip to eastern points, the bride chose a navy silk crepe with lace insert front and sweetheart neckline. Her accessories were navy and white, and her corsage, white gardenias. Mr. and Mrs. Cruikshank are residing in Sarnia.

FUTURE FOR HELICOPTERS

WASHINGTON (AP) — Thomas K. Taylor, vice-president of Trans-world Airlines, forecast Wednesday that by 1965 helicopters in the U.S. capital alone will be carrying more than 1,500,000 passengers a year. "In terms of commercial use, rotorcraft is still in the stages of infancy," Taylor told a Washington board of trade luncheon.

Dionne Quintuplets to Separate for First Time

The five famous Dionne sisters are about to separate for the first time in their 19 years. Marie will become a nun in the Order of the Sisters of the Holy Sacrament in Quebec City, Yvonne will enter Notre Dame Congregation in Montreal to specialize in art. The other three have announced no plans as yet to leave home at Callander, Ont. Left to right: Yvonne, Emilie, Marie, Annette and Cecile. — Central Press Canadian.

Pinic Food

By JOAN BARBERIS
Canadian Press Staff Writer

Picnics will be popular for many weeks yet, and probably the first picnic article which doesn't mention ants and spiders comes from the consumer section of the federal agriculture department.

It starts off with the problem of charred food from the outdoor fire. Aluminum foil can practically eliminate this trouble. Baked potatoes or corn wrapped in the foil bake evenly instead of turning to charcoal.

Cooking weiners on a stick is fun but usually somebody drops a weiner into the fire, or burns his fingers and roasts his face by having too short a stick. The solution is a popcorn popper. with a long handle. Put the weiners in and shake occasionally and there won't be any trouble, except perhaps an argument from the children as to who is going to hold the popper.

Favorite Foods

For those who have a home freezer, sandwiches can be made up ahead of time. There are a few sandwich fillings which do not freeze too well, such as egg, tomato, cucumber and lettuce, but meat, cheese or fish fillings are all excellent.

It is wise to go carefully with the mayonnaise because it may make the sandwiches soggy.

Hamburgers or weiners may be cooked and put into buns and then wrapped and frozen. If the buns, complete with cooked hamburgers or weiners, are wrapped in aluminum foil they can be reheated right in the bonfire or in a barbecue fireplace.

Those who suspect aluminum foil will burst into flames may put their fears at rest—it doesn't.

For Cool Days

If the picnic day is rather cool, with all the various types of thermos jugs and plastic containers to carry stews or chili con carne, hot foods don't present any problem.

Considerable family argument and indecision might be avoided by selecting the picnic spot in advance of the trip. If all are agreed, you avoid the usual assurances from the back seat that there are better spots ahead, or else that you've already passed them.

And be sure to take along matches. and a first aid kit.

VAN FLEET IN KOREA

SEOUL (AP)—Gen. James A. Van Fleet came back to Korea on a welfare mission today, six months after giving up command of the .S. 8th army. Now retired, he is a member of an 11-man civilian group representing the American - Korean foundation, which is prepared to give $500,000 in emergency aid to Korea.

RESUME OIL EXPORTS

TAMPICO, Mexico (AP)—Mexico resumed exportation of oil to the United States Wednesday. The Petroleo Mexicana (Premex) tanker Azteca left this port with a cargo of 4,117 tons of crude oil for the port of Brownsville, Tex. Premex, the government owned and operated oil industry, curtailed export of Mexican oil to the United States when prices in that country dropped.

Winter Coat Styles Ensures Warmth on Coldest Days

By MURIEL NARRAWAY
Canadian Press Staff Writer

LONDON (CP) — The latest winter coat styles here and in Paris ensure warmth on the coldest days, but the opposite is true of the hats designed to go with them.

Heavy fur-lined coats with cavalier collars stretching from ear tips to shoulder call for tiny hats perched on the hairline with Edwardian piquancy.

The hat may be of fur to match a fur tippet covering the shoulders of a warm fall suit—but it, just isn't smart if it's big enough to be called a head covering.

Wisps of felt, fur, satin, velvet and feathers are called tricornes, turbans, cloches, pillboxes and bonnets, but any resemblance to the styles as we know them is coincidental. For the smart and sophisticated, this year's winter hat is a half-hat or a quarter-hat.

Same But Smaller

Styles are not tremendously new or different. Any hat in your wardrobe would, no doubt, be a smash hit—if compressed to just half its present size.

In Paris, for instance, the plain French beret is still a favorite, but half the size of the last two seasons. This number tilts down one cheek with an elusive, gamin chic only French women seem to achieve.

A smart hat, suited to many and likely to sell at low cost, is the shallow Edwardian pillbox tipped over the forehead from an upswept chignon of hair. Designers like France's Pierre Balmain use it to balance a high stand collar, crowning it with a huge question mark in osprey feathers.

Last season's "widow's peak" is still with us. Small hats, coming to a point on the forehead, sometimes curl down the cheek like a man's side whiskers. Other tiny shapes, seemingly held on by suction, sport a forehead ornament dangling almost to the nose.

One of the heaviest hats in the London shows was designed for Michael, formerly of Lachasse, whose first collection in his own premises was designed on the influence of a Chinese T'ang dynasty lady. It's a high, brimless helmet shape with a tall, pushed-in jam-jar crown that gives a somewhat battered look.

While winter clothes are dark, with a predominance of black, hats are jewel-bright. There are acid pinks, burnt caramel, bronze-green, jewel blue and Chinese yellow.

Heads Women

Mrs. Alice M Berry of Queensland, Australia, has been elected president of the Associated Country Women of the World at the seventh triennial conference in Toronto. She succeeds Mrs. Raymond Sayre of Ackworth, Ia., president since 1947. — (CP Photo.)

OLD MISSION

KINISTINO, Sask. (CP) — The 100th anniversary of the founding of the Anglican mission at Fort a La Corne in northern Saskatchewan was observed with special services. The founder was Rev. Henry Budd, first Indian clergyman in northwest Canada.

RECALLS WHOPPER

LUNENBURG, N.S. (CP)—Capt. William D. Penney, 83, recalls the summer of 1933 when he caught 36 tuna with a harpoon and hand line. Most were around 600 pounds, but one giant was too big to weigh. Capt. Penney says that fish nearly pulled the scales off the wharf.

COLD SHIP

OSLO (CP)—The motorship Foldenfjord, streamlined cargo carrier which recently made her maiden voyage, has 18,000 cubic feet of refrigerator space space especially designed for frozen fish. It can maintain a temperature as low as four below zero.

British Teachers Go For Toronto And Vancouver

LONDON (CP) —British teachers planning to take temporary jobs in Canada mostly plump for Toronto and Vancouver. Few volunteer for the Maritime provinces.

Toronto and Vancouver get the call over Montreal, Canada's largest city, for two main reasons: Rightly or wrongly the cost of living is thought to be higher in Montreal, and teaching in some schools is in French.

These sidelights on the preferences of British teachers were given by W. J. Rood, director of the League of British Commonwealth and Empire which runs the annual teacher exchange between the United Kingdom and Canada, Australia and South Africa.

"Most British teachers interested in the exchange scheme think Toronto and Vancouver are the only places on the map," Rood said in an interview.

Boom developments in Western Canada have increased interest in postings to Calgary and Edmonton. The fewest applications are for the Maritime provinces, most teachers preferring to penetrate farther inland.

ESCAPE FROM CANAL

THE HAGUE (CP) — Barbara Quatermain of Toronto was among 22 young girls dunked in a canal Tuesday when their French bus plunged off the road. All were rescued after they managed to open windows and the emergency exit. They were members of a North American student group on tour of Europe.

DRINK IS FATAL

BIELEFELD, Germany (AP)—A young German father celebrating the birth of his child bet some friends that he could drink a whole bottle of steinhaeger, a German alcoholic drink made of juniper berries. He won the bet—but paid with his life. He died of alcoholic poisoning, police reported.

DANGEROUS APPETITE

VICTORIA (CP)—Robert Creane, 12. became trapped when he attempted to remove excess popcorn from a machine. The machine had to be dismantled to free his hands.

'Three-Dimensonal' Type Fabric Will be Popular for Coats

By JOAN BARBERIS
Canadian Press Staff Writer

Canadian women aren't too much concerned about the "ups and downs" of fashion this fall. A Canadian Press survey of the fall shows indicates they are preoccupied with fabrics.

"Three-dimensional" type fabrics are popular for coats. Combinations of jersey with other materials and tweeds are much in evidence for daytime wear. Heavy autumn cottons are making a hit in a number of western cities.

As for color, black will be the top choice in Nova Scotia, Quebec, Montreal and Edmonton. The rest of the west, and Toronto, incline towards an ever-increasing range of browns—changing from the deep brown and bronze shades to the cinnamons and champagnes.

Stoles Are Popular

Interest in the stole seems country-wide, and the suit with a stole will appear in a number of large centres.

Fur stoles tend to the triangular, putting them closer to the cape classification — a lot easier to handle.

The blonde fur coat retains its popularity and the short-haired pelts, such as beaver and sheared raccoon, will be much in evidence. The nylon "furs" are being eyed, too.

Incidentally some fashion authorities report Paris frequently looking fondly over her shoulder to the days of the fox furs. Some Parisians never relinquished them.

The modified pyramid fabric coat held sway last year, and this year it's modified even more. One color, in a graduation of shades, will be popular in the fabric coat.

Suits are marked "tweed" in the east, but in the west reports indicate worsted has the advantage. In Edmonton novelty worsted flannel suits with splash shades are in the lead. Vancouver is betting on worsted flannel suits too, with Oxford grey making a good showing.

Quebec is the only city to list tweed cloaks in the fall showings.

Current Styles

Waltz-length evening dresses will be worn this autumn, according to many department stores. Quebec City however apparently prefers the floor-length.

Quebec also reports a cocktail dress of taffeta with low neck and back, and full skirt, whereas Toronto notes a trend away from taffeta to less crisp fabrics such as tie silks.

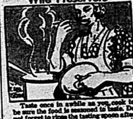
College toggery will likely feature many of the leather and suede jackets, vests and trims. The heavy-knit bulky sweater may be making a comeback in Toronto but this may not be too evident this fall.

Snug little hats are pretty well the national choice for fall. The turban influence with a deft touch of drapery evidently holds wide appeal for the women of Winnipeg.

A wide choice is presented in shoes. A mere network of straps for evening wear, and Louis heels, are still evident. Suedes hold their popularity, and Montrealers are tripping around in a lot of patent leather while turning a favorable eye on a new beige satin shoe.

Buried in all the advices from across Canada is a faint whisper of skirts being just a little shorter.

Wife Preservers



Taste once in awhile as you cook to be sure the food is seasoned to taste. Do not forget to rinse the tasting spoon after tasting, however, if you happen to use it also as a stirring spoon.

GOOD MANNERS

By Mrs. BEECKMAN

Should One "Recall" A Previous Introduction?

Dear Mrs. Beeckman:

I'm always at a complete loss as to what to say when I am introduced to someone whom I distinctly remember having been introduced to before(and even remember the occasion), but the person being introduced obviously does not remember me at all. Should I recall the previous introduction and mention the occasion?

Vera M.

When it is obvious that the person being introduced seems not to remember having met you before, it's generally the best social technique, I think, just to say "How do you do" (with the name added, if you wish) . . . and let it go at that. However, if you really think there's any point in recalling the previous introduction and the occasion, and if this seems a gracious, not an awkward, thing to do, it's quite correct to do it. But we should be sure we're not putting the other person "on the spot," seeming to accuse her or him of lack of social grace in not remembering.

How To Accept Formal Invitation From Three Hostesses

Dear Mrs. Beeckman:

My husband and I have just received an invitation, a formal invitation engraved on a large white card, to a tea to be given in the place where we spend the summer. The invitation is issued by three hostesses, and the cards carry an "R.s.v.p." I understand that these three hostesses (who are new residents this year in this summer resort) are giving this joint party as a gesture of appreciation to those who have entertained them this season. We would like to accept, but we want to be positive our reply is in perfect form. For these ladies have charming manners and every evidence of good breeding!

Helena R.

Good words of tribute to these three kind hostesses!

On the first page of your notepaper (or of plain white double-sheet note-paper), write your acceptance like this (carefully note the correct spacing for each line):

Mr. and Mrs. John Robins
accept with pleasure
the kind invitation of
Mrs. Clark
Mrs. Hall
Mrs. Davis
for Friday, the fourth of September
at four o'clock

Her Sisters, Not Her Fiance's Sister Should Be Given Honor

Dear Mrs. Beeckman:

I'm planning my wedding for next January, and I would very much like to have my fiance's sister, whom I love very much as my maid of honor, and my two sisters (my only sisters, both unmarried) to walk together as my bridesmaids. Mother and Father do not at all approve of this, as a matter of fact are pretty bitter about it, and I suspect that my two sisters are too, although they haven't said anything so far about it. My mother and father insist that this would give the impression that I love my fiance's sister more than I do my own sisters. What do you think about their point of view?

"Jo"

I completely agree with your mother and father . . . and I can understand how they would be bitter about your plan. I should think your sisters would be too when they hear about it, if they already haven't heard. The tradition is that the bride-to-be chooses a sister, sometimes the eldest if she has several, to be her honor attendant. Today the plan very often is to have two maids of honor. So my suggestion is that you have your two sisters as your two maids of honor, to walk separately up the aisle . . . and invite your fiance's sister and another relative or close friend to be your bridesmaids, walking together, preceding the maids of honor, (of course you may later decide to have more than two bridesmaids.)

CBC WANTS RINK

TORONTO (CP)—The CBC wants to take over the big Strathcona roller skating rink and convert it to a television studio with space for an audience of 400 persons, board of control was told Wednesday. There is no provision for audiences at the CBC's present studios.

Readers' Friday Column

By Mary Moore

Question:

As I am a diabetic and have to have special foods and read your column every night especially the diabetic list on how to do up canned fruit will you please send me your receipts.—Mrs. L. R.

Answer:

I have mailed to you all of the copies of recipes for sugarless foods that I have on hand. Below is the recipe for making sugarless raspberry jam, which is too late for you to make this year. Watch this column for sugarless peach and sugarless plum jam when they are in season, a little later.

Emem's Sugarless Raspberry Jam

One quart perfectly ripe best quality raspberries, 2 tablespoons each pectin crystals and glycerin, 16 sucaryl tablets. Gently wash the berries under cold tap and drain them in sieve for at least half hour to drain off all excess water. Add the glycerin and pectin crystals and stir over low heat until liquid forms then boil gently for ten minutes. Add the sucaryl tablets and stir until they are dissolved. Boil gently for five minutes. Have ready small jam jars which have been sterilized in boiling water for 20 minutes. Pour the jam into these drained glasses and seal at once with very hot new paraffin, adding second coat when cold. My advice is to keep your sugarless jams refrigerated. If you cannot do this seal your sugarless jams in sealers, just as you would canned fruit. This makes jars that are too large for most diabetic patients but it is the foolproof method.

Question:

For years I have been overweight and though I've tried again and again to reduce or to eat as far as possible foods that were least fattening I fail to lose much weight. Even when I lay for nine weeks in hospital. . . and gave strict orders to my friends not to bring me any treats I didn't lose weight. I do not have the appearance of being as "fat" as many women who weigh less but I work hard and am solid. . . generally weigh 194 lbs. but the scales showed a gain of 2 lbs. in spite of the fact that I have been eating mostly fresh vegetables. . . I take no cream in anything I eat and meat and gravy only about once a week. . . a neighbor is taking biscuits that are supposed to satisfy appetite without increasing weight. . . they look much like graham wafers but cost $1.50 per package of 27 biscuits. Could you give me a recipe for making something similar. . . please tell me the name of the store where I could get black or navy hat dye. —Sadie L. V.

Answer:

There is one encouraging angle for folk of your type that are overweight: your health and metabolism are so good your body utilizes all of the nourishment you give it efficiently. But you must eat at least 4 oz. of lean meat and 1 egg per day. The biscuits you refer to aren't the answer to your problem. Food is the only thing that puts on or maintains weight and if you are in earnest you will have to cut down to 800 or 1000 calories per day. I am mailing you my calorie chart and a copy of a release giving you examples of meals you can have and still lose weight.

Question:

I wonder could you send me the way of doing strawberries that they stay whole and rich in color? I recall they stand one night and were heated in the syrup in the morning and kept under the syrup with a wooden spoon. I do raspberries a very simple way: Wash the berries, gently pack in freshly sterilized sealers. Pour on thin syrup (1 sugar to 2 1-2 water) and seal tightly. Put in canner of boiling hot water, cover and let stand until cold. Usually overnight. The berries stay whole and are a lovely color. Store where the light won't bother them. . . a neighbor gave me this recipe for

Cocoa Quickies

(Contributed by Mrs. Charles W.)

Put the following in a heavy saucepan: 1-2 cup sweet milk, 1-2 cup oleo, 2 cups white sugar and 6 tablespoons cocoa. Bring to a full rolling boil. Take from fire and add 3 cups rolled oats, 1 cup coarse cocoanut and mix well. Drop by teaspoonfuls on waxed paper immediately and let set. Makes 30 or 40 cookies.—Mrs. Charles W.

Answer:

Thank you for these quick cookies. I am sure there will be readers who will be glad to have it. Thank you for the quick method of raspberries too. I have mailed you the strawberry recipe you asked for.

Flower Pattern

Here is a skirt that allows a margin of comfort while relaxing at home. Generously flared it leaves plenty of room to drape about the knees when sitting down. Of coal-black, wool flannel it has a scattered pattern of Swiss embroidered copper flowers. For cool evenings a triangle stole, thickly fringed, can be tossed over the shoulders. — (CP Photo.)

FOUR ARE KILLED

PARIS (Reuters)—Four persons were killed when a truck crashed into an electric train at a level crossing near Rheims Wednesday. The train was derailed and three passengers were seriously injured.

COAL SHORTAGE

VIENNA (AP) — The Slovak Communist organ, Pravda, reported Wednesday that 19 daily passenger trains in Slovakia have been cancelled since Monday because of a coal shortage and increased freight traffic.

TOURIST CENTRE

OSLO (CP)—A total of 232,652 tourists visited Norway in the first six months of 1953, a jump of more than 20 per cent over the same period last year. Swedes accounted for a large portion of the increase.

ADVICE to the LOVELORN

By BEATRICE FAIRFAX

He Has Proposed- But Should They Marry?

Dear Miss Fairfax:

At last the boy I love has proposed. He is 20 and I am 19. It took him a long time, I am pretty sure the reason for this was because he hesitated on account of the kind of parents he has. I have never met them, but he has talked about them to me a lot, and the problem is that both his father and his mother drink heavily and he is awfully ashamed about it.

I feel sure that if I told my own parents I wanted to marry this boy, there would be an awful row, because they don't approve of my friendship with him anyhow on account of his being of a different faith. If they knew about his family, it would be the last straw.

Do you think it would be all right for us to marry without telling anybody, for awhile, or should I give him up?

.R.

Dear C.R.:

I don't think that at present you should do either of the things you propose — that is, if you are really in love with this young man. First to marry him and keep the marriage a secret would certainly be only putting off the evil day when you would have trouble with your family, and would undoubtedly make things worse because of having deceived them. Second, unless you yourself are beginning to doubt the wisdom of marrying this particular chap, your suggestion that you may give him up seems to be an unnecessary step.

The point is that you have quite serious and complicated problems in this situation; one, the young man's family background and the other, the matter of your different faiths. Neither problem is necessarily insuperable, but each requires a great deal of careful consideration before two young people who have to deal with them should come to a decision about marriage.

My advice to you at present is not to hurry your decision. Time itself, very often, is a great help in clearing up problems and, in the meantime, talk them over with one or two trusted older friends, including the minister and priest of your respective churches.

Why Try To Get This Boy To Make A Choice

Dear Miss Fairfax:

There is a boy I like very much, but he chases after other girls and one particular girl is always chasing after him, which he seems to like. I don't chase after him, because I don't believe in that sort of thing, but am I just supposed to stand by and let her get him? You see, this girl went with him once and they broke up, and now she is trying to get him back.

You can understand it is a matter of his own choice, which of us he wants to go with, but I would like to know what you suggest I could do to make his choice be me!

D.P.

As I have said many times over, the best way for any girl to get any boy interested in her is to be such an interesting person herself that he feels he can't afford to miss being a friend of hers. This means that instead of concentrating all your thoughts on things to do that will make him notice you, you'll put your own attention on making a lot of friends and having a lot of good times with them, so that you are a popular, gay and companionable person whose company everybody wants. Why should you feel, anyway, that this boy will have to choose between you two girls? I realize that all you young people think life isn't worth living unless you are "going steady" but it seems to me, the really smart girls don't go for this all-or-nothing business. Instead, they go with anybody they like, and leave the "going steady" until they want to go steady for keeps. Why don't you try this plan, too, and see if it isn't more fun?

Beauty

By HELEN JAMESON

Refining the Course-Textured Skin

COCOA
DIET
FRUIT
8-21

The First Step: Be Mindful of Diet.

Enlarged pores are a common complaint and the victim, feeling that the hand of fate has been raised against him. usually fancies that her complexion looks like an old pin cushion. Of course, things aren't that bad. Perhaps she has not been faithful to her beauty routine. Failing to remove make-up at bedtime, for instance, is a habit which may cause the skin to lose its fine texture. Skin should have a chance to breath, free of powder and rouge. Also there are certain toiletries that will prove helpful.

The first step, however, is to be mindful of the diet. More and more are we finding out that the balanced diet has a cosmetic value. The woman with coarse skin may be getting too much protein, so meat should be included in only one meal. Possibly she is not including enough vegetables and fruit in her daily diet. She should start the day with a glass of orange or tomato juice for its vitamin C content. Once a day she should have a green salad. It is wise to cut down on pastries and rich sauces.

The use of creams should be restricted; applied only when the skin is rough, chapped or sunburned.

They should not remain on over night. This is a good practice when the skin is of normal texture or extremely dry, but not when the pores have followed a policy of expansion.

The less hot water used, the better. When using soap, have the water just warm enough to fluff up a lather. Remove the suds with tepid water, then dash on cold water. Dip a heavy washcloth in ice water, place over the face, holding it close until circulation is stimulated. Sluggish circulation is often a cause of this condition. After the cold compress apply an astringment. Witch hazel will serve. Put some into a saucer with an ice cube, dip in a piece of gauze, then slap the flesh briskly with the gauze.

What we used to call a clay pack is also helpful. Mix enough witch hazel with kaolin to form a mass the consistency of whipped cream. Spread over face and neck, remove in half an hour. Do that once a week.

MELROSE

MELROSE — Mr. and Mrs. Sam McMechan of Oshawa, visited relatives here on Thursday last.

Miss W. E. Bailey has returned from a lengthy holiday with her niece in Nova Scotia.

Mrs. John Milligan is entertaining her little granddaughter from Cornwall.

The Y.P.U. recently enjoyed a tour of the Thousand Islands.

Miss Marion English, Reg. N., of Toronto spent the week-end at the home of Mr. and Mrs. A. English. Mr. John Wahl of Toronto was also a guest at the same home.

Mrs. Bob Miller and daughter, Marcia, of Madoc, spent the week-end with Mr. and Mrs. Grant McLaren. Other relatives from Madoc called at the same home on Sunday afternoon.

Mr. and Mrs. Fred Bennett of Detroit have been holidaying at the home of Mr. and Mrs. Fred Jeffrey.

Mr. and Mrs. John Beatty and Bessie, lately returned from a trip to the western coast, called on relatives on the Third Line on Sunday afternoon.

Mrs. A. Reilly and Mrs. George Morgan, accompanied by friends from Belleville, are on a motor trip to St. John, N.B.

Mrs. Roy Badgley had a call to Toronto on Sunday evening d to the serious illness of h mother there.

Mr. Lloyd Murray returned his home in Merritton at t week-end. Jean and the childr will remain with her parents f another week.

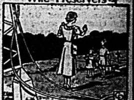
Mr. and Mrs. Newton Demill and children spent Sunday wi Mrs. Demilles' grandmother, M Bowers, of Thomasburg. Mrs. W Embury Sr., accompanied the and enjoyed the day's visit wi a former school mate.

Mr. and Mrs. Donald Cross h as Sunday evening supper gues Mr. and Mrs. Burton Hubble Sidney.

Mr. and Mrs. Sherry Demill called on Mr. and Mrs. J. C. Mil ligan on Sunday evening.

Mr. and Mrs. A. H. Lloyd Wellington and Miss Thelm Lloyd of Ottawa spent a coupl of days this week with Mr. an Mrs. Jack McLaren.

Wife Preservers



Caution children against trying to remove anything in contact with electric lines, and against touching broken lines on the ground or hanging from poles. If possible, an adult should stand guard over fallen lines until the power can be shut off.

CAMPBELLFORD

Speaker Critical Of State Medicine Plan in Britain

CAMPBELLFORD — Flying Officer J. Michael Nelligan addressed the Rotary Club at their regular noon luncheon meeting this week, his subject having to do with his impressions of England. F.O. Nelligan, a native of Hamilton, enlisted in the RCAF in 1941 and after training, went through the most intensive period of the war as a bombardier. He completed his quota of missions and was returned to Canada in 1945 and entered University of Western Ontario, whence he graduated in Journalism. He re-enlisted and entered the RCAF as a Public Relations' Officer, in which capacity he served for the past year at North Luffenham, near London, England.

In speaking of the motherland, F.O. Nelligan expressed his disapproval of the state medicine program. He said there is one doctor for every 2,500 patients, indicating there is too much work for the profession to adequately perform. The food is more plentiful than we might suppose, but the quality is not commensurate with the quantity. "The weekly food bill, however," said the speaker, "would not be as large as in Canada. Butter, fuel, sugar and meat are still rationed. Clothes, shoes and housing are also less expensive than in Canada. The lack of central heating is something Canadians cannot understand. Many houses will have television but the housewife still uses the old-fashioned wringer. One of the things he especially noticed was that there are no level-crossing accidents in England. Though traffic is heavy, and there are many accidents, their rail crossings are guarded 24 hours a day.

No End of Trouble

The British banks cause their Canadian servicemen no end of trouble as they have no passbooks but issue half-yearly statements only. Londoners have the best underground system in the world and train service is fast and comfortable.

Speaking briefly on the continent, the speaker remarked especially on the Frenchman's love of food and the beauty of Switzerland, a land untouched by war and probably the most advanced country in Europe.

In conclusion, he stated that England has a stability of living habits. Though her sea and air power and her economic standards decline relatively to some other nations, the will of the people will always make her a great nation.

Mr. Nelligan spoke briefly of the No. 1 Fighter Squadron to which he was attached while overseas.

The speaker was introduced by Rotarian Austin Putnam and thanked by Paul O'Sullivan.

Ex-Band Leader Now Technician In Cancer Study

LONDON (CP) — Ramon Newton's violin is gathering dust. The ex-band leader, once a popular violinist and vocalist in Western Canada, now works as technician in a British cancer research laboratory.

Newton's first job, at 18, was playing in a small movie house in Wetaskiwin, Alta. He was paid $10 a week but in addition to his music he was responsible for sweeping the floor.

Later he toured Alberta and British Columbia, then moved to Britain in the 1920s.

Why the switch to research worker?

"Well, I'm rather old for band-leading now," Newton said in an interview with the weekly newspaper Canada Review, "and frankly this cancer research is more satisfying. My violin is rusting in its case, though I take it out for practice every now and then."

Brother Is Found

STRATFORD (CP)—Police said they have found Albert Fitzpatrick whose brother Joseph was killed Wednesday when their truck overturned on a sideroad near St. Marys.

Officers began to look for Albert because they said the two brothers usually worked together selling meat from the truck and believed Albert might have been in the vehicle at the time of the accident.

Police said the brothers separated Tuesday after delivering meat and Albert went to his parents' home, where he was found some time after the accident.

CAVE MESSAGES

WELLINGTON, N. Z. (CP)—rone carvings in caves are val ble relics of ancient life and G. Lambert, president of the ew Zealand Speleological Society ave explorers) wants to repeat e process. He suggested plastic aques bearing 20th century mes ges sunk in the deepest caves ight last 100,000 years.

Indian Scholar Wins High School Honors

VANCOUVER (CP) — Raghbir Singh Basi, 22, has won high scholastic honors since coming to Canada from his native India three years ago.

The intense young man with the flashing eyes now is president of the National Federation of University Students, and this fall will study at Harvard under one of seven "administration fellowships" offered annually to students from all over the world.

Raghbir's father, who died several months ago, was employed in the central government service in India His work necessitated much moving about for Raghbir and studying in different private schools.

Father Helped

"There were many loose educational ends to be tied up but I had much help from my father who had far more than average ability," the young man says.

He came to the University of British Columbia in 1949, and in 1952 received his B.A. degree and a little later his bachelor of social work degree.

He was given the honorary award of the literary and scientific executive at UBC and was made member of the Sigma Tau society.

He says living in Canada has changed his whole outlook on life. "In India I belonged to what you'd call the upper middle class. Here I have had the opportunity of meeting all types of peoples, at all ages. I have become democratized. Sometimes I feel that I've seen more of Canada than have many Canadians." Later on, he plans entering the Indian administration service.

British Papers Hope Oil Dispute May be Settled

LONDON (AP)—British newspapers today express the hope that the royalist coup in Iran will produce a government able to keep peace and willing to negotiate the Anglo-Iranian oil problem.

There is some editorial apprehension, however, that the triumph of Shah Mohammed Reza Pahlevi's supporters—if consolidated — may bring increased Soviet pressure on Iran.

"Whatever government may eventually emerge," says Lord Beaverbrook's Daily Express, ". . . should be resolved to serve only the interests of the impoverished masses of the people of Persia (Iran). Such a government would realize that Persia's chief need was reopening of the Abadan refinery."

The Conservative Daily Telegraph speculates on possible adverse reaction by the Russians to the coup. The Telegraph says:

"If Gen. Zahedi succeeds in consolidating his regime, the Communists will likely be a more dangerous threat to the government than any pro-Mossadegh resurgence."

The Liberal Manchester Guardian says the Tudeh party "could probably cause trouble but without Russian backing it would be unlikely to achieve anything; and there is no evidence at the moment that Russia wants to fish openly in troubled Persian waters."

"Unless there is some such intervention the shah seems likely to be restored, with General Zahedi in power as an individual, but legitimist, 'strong man.'"

Committed for Trial In Slaying of Recluse

DUNCAN, B. C. (CP)—Cecil Christopher Sampson and his wife Edna, charged with the 1950 murder of Chu Deb, 81-year-old Chinese recluse, were committed for trial at preliminary hearing here Wednesday.

The Indian couple were arrested in California and returned to Duncan for the preliminary.

TRADE PACT SIGNED

KARACHI (CP)—Pakistan and France have approved a new trade agreement whereby France will import cotton, jute and other commodities in return for machinery, iron and steel.

Record Producer

In a scenic setting of mountains surrounding Waterton Lakes National Park, near Lethbridge, Alta., is the Bruder No. 1 well in the Pincher Creek wet gas field. Completed to a depth of 12,415 feet, the well came in with a record flow of 168,000 cubic feet of natural gas a day. The bottom-hole pressure is 4,950 pounds a square inch and, as gas flowed from the well and the tremendous force released, the countryside trembled. This well now has been capped waiting provincial authorization for the export of gas. — (CP Photo.)

Mayor of Bangor, Wales, Visits In United States

BANGOR, Pa. (AP)—"A Welshman's word is a Welshman's word, and we've come," said the mayor of Bangor, Wales, as he stepped into the home of the mayor of Bangor, Pa.

And thus began a month's long visit and vacation for mayor and Mrs. Hugh J. Jones of the Welsh town in the home of mayor and Mrs. Hayden B. Pritchard of this slate-quarrying community.

Mayor Jones' word—fulfilled by his visit—was given the Pritchards last year when they visited Wales.

During the month they are here mayor Jones and his wife will be guests at the annual Bangor Welsh Day celebrated Sept. 5-6. Although only 20 per cent of this community's population stems from Wales the festival, featuring Welsh singers and choruses, is considered here one of the important events of the year.

Sunday School Lesson:

Every Man's Greatest Right

By ROY L. SMITH

All men enjoy rights. With some of them they were born; in the case of others they have been conferred, sometimes by the state, sometimes by the Church, sometimes by one's fellows.

The essential difference been communism and Christianity is this: Christianity teaches that every man was born with rights which all men, and the State, must respect, while communism teaches that no man has any rights except those the Senate or "society" confers.

Among all the rights to which every man is entitled in a Christian civilization, there is nothing more magnificient or dignified than the right to pray. And oddly enough, it is perhaps the one right concerning which the average man knows the least.

We Pray to Someone

The ancient world of the Romans was a very religious one. There were hundreds of gods, each one of which was reputed to confer benefits and favors upon its worshippers. It became the responsibility —of the early Christian Church to make it clear to men that idols, made of wood and stone, could not possibly serve living personalities. This is a lesson the average man of the street still has to learn. He is so apt to be misled by those who assure him his destiny is determined by the stars and the movements of the planets, as though impersonal forces had the power to rule self-conscious personalities.

The first great principle of prayer is the fact that when we pray, we pray to someone, and not to something.

We Have Free Access

It is not an uncommon thing to hear people boast of the fact that they are personally acquainted with some big shot. It seems to give them a sense of personal importance if they are able to claim personal acquaintanceship with someone who is in a position of authority.

> The Uniform Sunday School Lessen for August 23; "The Christian's Prayer Life." Matthew 6:7-13; I Timothy 2:1-; Romans 8:26-28.

The Christian doctrine of prayer declares that every man has the right of free access to God, the Creator of the universe. There was a profound truth in the old-fashioned gospel song which declared,

"My Father is rich in houses and lands,
He holdeth the wealth of the world in his hands."

Long before the Christians went out into the world declaring that every man was the child of God, the Jews had called upon Jehovah as though he were the Father of men.

The great contribution that Christianity has made to the whole matter has been its assertion that every man, however humble or poor, had a perfect right to go directly to God with his problems, his needs, and his confessions. Other men — priests, preachers, teachers — may assist him in the search but none has the right to forbid him searching.

Implies Responsibility

Any man who believes he h
a right to implore the favor
God must accept a very gr
responsibility for the exercise
that right. If he really believ
that he is in possession of a po
er that comes from God, he ca
not be excused for either fail
to exercise that right, or for ex
cising it in behalf of purely se
ish purposes.

The Apostle Paul, well aware
the fact that all governme
must be orderly and just, urg
the early Christians to pray f
the "powers that be," and
Paul's own day that meant th
Emperor Nero. It must have be
a pretty tough assignment to hav
been required to pray for such
monster, but Paul did it. It w
not that he prayed a blessing o
his monstrous acts, but that h
might be moved upon by the hol
spirit of the living God to do th
just and the right thing.

There is not an officer in an
state in all the world who
not entitled to the solicito
prayers of Christians.

(Copyright 1953 by the Divisio
of Christian Education, Nation
Council of the Churches of Chri
in the nited States of America.)

Briefs From Britain

LONDON (CP)—Identical twins John and Vernon Blyth, 16, decided to exchange schools as a joke. All went well until John, asked to go to a storeroom, gave the show away. He didn't know where it was.

WELLINGBOROUGH, Eng. (CP) A pigeon entered in a short 1948 cross-country race has just come home. Owner H. J. Gent said it must have been kept by someone in the north of England and recognized its birthplace while flying over the area.

WARHURST, England (CP)—Members of the fire brigade of this Sussex community say "ginger for pluck" goes for cats as well as humans. Seven cats they have rescued from tree tops so far this year have all been ginger colored.

LONDON (CP) — Nurserymen here are supplying, for £2, trees with five varieties of apples. The parent Worcester-Pearmain has one branch of Epicure, an early variety; Ellison's Orange, Cox's Orange Pippin, and Winston.

HOLSWORTHY, England (CP)—Rev. Thomas Mayrick long ago bequeathed £100 with instructions that the annual interest be given to a single parish woman under 30, "esteemed the most deserving and most noted for her quietness and attendance at church." This Devon town recently chose its 115th winner, a 21-year-old Sunday school teacher.

CARDIFF, Wales (CP)—A British Medical Association meeting indicated the fat man's life is short but not merry. The obese are far more prone to accident and disease, it was stated, and an extra 25 pounds at the age of 45 may cut the life span from 80 to 60.

CARDIFF, Wales (CP)—A Welsh farmer, supplied with electricity at considerable cost to the company, switched on the light only long enough each night to find his oil lamp and light it, an electricity consultative council was told.

LONDON (CP)—Mr. Justice P.J. Montague, a judge of the Manitoba Court of Appeal, recently sat in on the Queen's Bench division here as a guest.

SEAVIEW, England (CP) — An RAF yacht in an Isle of Wight regatta won hands down by crossing the finish line before the other nine contestants had started. A puff of wind in a near dead calm sent the air force entry away while the rest drifted astern on the tide.

LONDON (CP)—As a result of a gentle hint, the Maida Vale district library has raised its bottom shelves nine inches, allowing old folk to browse more conveniently.

ST. ANDREW'S, Scotland (CP)—The Merchants' Association has "adopted" 15-year-old Fred Blakey, butcher boy who was runner-up in the boys' open golf championship here. They will provide coaching and replace his rusted, chipped equipment with new clubs.

SEVENOAKS, England (CP)—The archery club in this Kent community uses a mine detector to locate lost arrows.

Immigrant Has Police Sympathy

While U.S. immigration officials ponder the problem of the thousands of "wetbacks," illegal immigrants from Mexico who swim across the Rio Grande at night, police at Montrovia, Calif., find their sympathies are with this boy and his dog, law or no law. The boy, 13-year-old Ramon Gonzales, slipped across the Mexican border, wandered homeless and foodless for days, then appealed to police for food. They have to ship him back to Mexico, but they promised him he would not be separated from his dog.—Central Press Canadian.

President Says Farmers Happy Over Big Crop

SASKATOON (CP)—J. L. Phelps, president of the Saskatchewan Farmers' Union, said Thursday farmers are not dismayed at the prospect of a second record crop coming on top of a large carry-over from last year.

In a statement to the press, Mr. Phelps said there is no need to panic. He criticized The Canadian Press for what he termed the "pessimistic outlook" of a story quoting grain shippers and steamship officials as saying lack of buying of Canadian grain by overseas countries has plugged most grain elevators from Fort William to the Atlantic seaboard.

Mr. Phelps said he admits the wheat board faces a sales problem, the rail and shipping companies a transportation problem, the grain companies and farmers a storage problem. But he said the problems can be solved by co-operation and a common sense attitude.

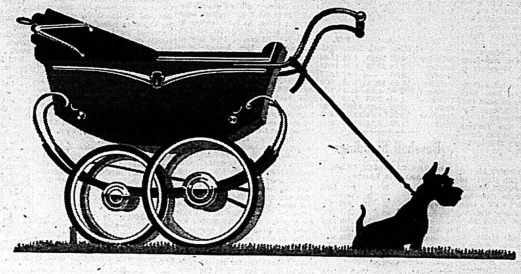
Single Point Behind

MILWAUKEE (CP)—F. R. Anderson of Toronto Thursday stood a single point behind the leaders in the 13-round United States open chess tournament.

Max Pavey of Brooklyn, N.Y., and Curt Brasket of Tracey, Minn., are tied for first spot, each with nine of a possible 11 points in play so far.

A half-point behind is Dr. Bela Rozsa of Tulsa, Okla., who Wednesday defeated New York master, Eliot Hearst.

Anderson is tied with Donald Byrne, Brooklyn, Arthur Dake, Portland, Ore., Arthur Bisguier, New York, I. A. Horowitz, New York, and Alexander Kevitz of New York, with eight points.



Only convertible that outsells

What is it that makes the beautiful Ford Sunliner Canada's best-selling convertible? Is it its smoother V-8 power? (Could be—because nothing less than the best in performance, *and truly up-to-date design*, can satisfy modern-minded buyers!) Is it the stylish beauty, the solid craftsmanship? (Could be—because that fully automatic Breezeway top is designed for the open air, yet built for snug comfort in any weather!) Is it the way the Sunliner makes even roughest roads feel smooth? (Could be—because along with the famed Ford "Wonder Ride", this car has springs specially tailored to its weight.) Is it driving ease? (Could be—because you have your choice of three fine drives, Fordomatic* or Overdrive* or Synchro-Silent Shift).

Any *one* of these things could be your reason for choosing a Sunliner. But the big reason why Canadians have made Ford the largest-selling convertible is the same reason why more and more buyers are changing to Ford, regardless of model choice. Ford gives *more* "Worth More" features . . . features which people know make any Ford worth *more* when they buy it, worth *more* when they sell it.

FORD V8

*Fordomatic Drive, Overdrive, and white sidewall tires optional at extra cost.

Only Battle Left in Majors Is One For Third Place in Each League

rooklyn Dodgers and Yanks leading for World Series With No Opposition in Sight

By KEN PHLEGAR
ssociated Press Sports Writer

he race for final positions in major league standings ap- ars to be all over in both cir- ts except to find out who's ng to finish third.

lthough there are still five eks to play it's mostly just a estion of waiting for the World ries—for Brooklyn Dodgers and w York Yankees—and for next ar.

he third place races, however, e close in both leagues. Cleve- nd Indians hold third in the erican league by only half a me over Boston Red Sox. St. uis Cardinals have a game edge Philadelphia Phillies in the Na- nal.

Except for the third-place bat- s, at least six games separate e clubs in their present positions the National League. Only seven mes divide the last place St. uis Browns from the sixth-place iladelphia Athletics in the Amer- an League, with Detroit Tigers ndwiched in between.

The league-leading Dodgers and nkees each have a nine-game ge. Brooklyn has 36 games to ay, New York 35.

In Thursday's curtailed activity e Dodgers thumped New York ants 10-0; St. Louis defeated Chi- go Cubs 5-3 and Pittsburgh Pir- es beat Philadelphia 5-2 in the ational League. The Yankees hipped Washington 7-0 and Cleve- nd bounced Detroit 13-7 in the merican.

rskine Posts 15th

Carl Erskine, Brooklyn's biggest inner, posted his 15th victory of e season and his second straight ur-hit shutout over the stumbling iants. Erskine didn't walk a man d struck out six. Junior Gilliam, ckie Robinson and Bobby Mor- n hit home runs.

Robin Roberts fell victim to hiladelphia's sieve-like defence. e Phillies committed four errors d four of the Pirates' five runs ere unearned. Granny Hamner, ho was charged with two of the isplays, and Earl Torgeson hom- ed for the Phils. Bill Waugh won is third game against three losses or Pittsburgh.

Wilmer Mizell doubled home the winning runs in a sixth-inning rally as he hung up his 11th victory for St. Louis. He gave up seven Chi- ago hits but needed help from Gerry Staley to get the last out in the ninth. Red Schoendienst hit a home run with one on.

reak Win Streak

The Yankees bombarded Bob Porterfield, the league's shutout leader, for seven runs in the fourth inning and broke his five-game winning streak. Eddie Lopat, who causes the Senators to play dead at the mere sound of his name, won his 11th straight against Washington.

Cleveland broke its four-game losing streak with an 18-hit attack at Detroit including home runs by Harry Simpson and Jim Hegan. Bob Lemon needed help in the seventh but lasted long enough to win his 17th game. Hegan's homer and his two singles drove in four runs.

SARNIA WHIPS DUNDAS

SARNIA (CP)—Sarnia Beavers whipped Dundas Hornets 18-10 here Thursday night in the first game of a seven-game series for the Ontario Lacrosse Association intermediate A southern division championship. Second game in the series will be played in Dundas on Tuesday.

When to Fish or Hunt
SOLUNAR TABLES
by John Alden Knight

The schedule of Solunar Periods, as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major Periods are shown in boldface type. These begin at the times shown and last for an hour and a half or two hours thereafter. The Minor Periods, shown in regular type, are of somewhat shorter duration. Dates include August 22 through August 30. All times are on Daylight Saving Time.

CIGARETTE OR CIGAR ASH ON A DAMP CLOTH IS A GOOD EMERGENCY CLEANER FOR SPOONS AND SPINNERS

Rochester Wings Soar to Top Of Int. League

By THE CANADIAN PRESS

Rochester Red Wings soared to the top of the International League ladder Thursday night with Wally Moon's homer.

The rookie outfielder's big clout in the last of the ninth inning gave his club a 4-3 victory over Buffalo Bisons and lifted it into first place over the Herd by a half game. The triumph was Rochester's eighth in a row.

While the Wings were disposing of Buffalo, Montreal Royals edged Baltimore Orioles 4-3. The Royals now are 2½ games behind the leaders, in third position, and Baltimore is fourth, 6½ games back.

Half Game Away

Toronto fans saw their Maple Leafs defeat Syracuse Chiefs 12-9 for a clean sweep of a five-game series—putting them hot on the trail for a playoff berth. The Leafs are fifth, only a half game behind Baltimore.

Don Johnson pitched superb relief ball in the 27-hit slugfest, holding the Chiefs to four safeties in the last seven innings for his 13th victory in 22 starts. Lew Morton slammed his 15th homer—bases empty—for the winners.

At Springfield, John Mackinson scattered seven hits in pitching Ottawa Athletics to a 4-1 victory over Springfield Cubs. Mackinson who posted his seventh win, had a shutout going into the ninth. The triumph gave the A's a 12-10 edge for the season series with the Cubs.

Sensational Catch

At Rochester, Vern Benson's solo homer in the sixth, before Moon's big blow, tied the score 3-3 for the Wings. Jack Faszholz, who matched Paul Foytack's five-hit effort, was the winning pitcher. Jack Wallaesa smacked a homer with one aboard for the Herd.

A sensational fence-crashing catch by Frank Marchio at Baltimore saved a tie and maybe the game for Montreal.

This is what happened:

In the ninth, with one away, Marty Tabacheck drew a walk and Jack Lohrke hit for Heintzelman. Lohrke drove the ball to the fence in left centre. Marchio crashed head-on into the wire barrier as the ball hit his glove. He bounced back and fell to the ground, but held the ball. Tabacheck was so astonished he stood still at second, and Sandy Amoros, taking the ball from the fallen Marchio, threw to Roy Hartsfield who relayed it to Rocky Nelson in time to get Tabacheck for a double play.

15-Year-Old Boy Member Of BC Willingdon Cup Team

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP) — Something unprecedented becomes part of Canada's golfing annals Saturday at the Kanawaki Golf Club when a 15-year-old youngster makes his appearance with a Willingdon Cup team.

He is Wilf Homeniuk of Yokrton, Sask., and he will compete with Saskatchewan's representatives in the annual interprovincial team competition that precedes the Canadian amateur golf championship.

Making the situation even more intriguing is that Wilf walloped his 17-year-old brother Ted 4 and 2 in the Saskatchewan provincial final, but Ted also earned himself a trip to Montreal as his province's junior champion.

All Match Play

Two amateur championships will be decided at Kanawaki Saturday—the four-man provincial title, won last year by British Columbia, and the Canadian junior championship, competed for by the junior provincial champions. It was won last year by Lea Windsor of Halifax.

Both the team and junior competitions are match play over 36 holes.

There is a generous injection of newcomers into many of the teams this year. There was something of a flap over the make-up of the British Columbia representation before Walter McElroy, 1951 Canadian amateur champion, was named to a berth.

The British Columbia defenders will be hard pressed by the Ontario team which, on form and experience, should pack a terrific wallop. Surprises also may lurk in the other provinces.

McElroy In

In addition to McElroy, who definitely became a team member only Thursday, the BC contingent is: Dick Moore, Bob Morrison and Bob Fleming. Moore played on his province's team first back in 1934 and was again a member in 1935 and 1950. Morrison, another veteran, is 46 years old and on the team for the seventh time. Fleming, 1953 BC champion, is on his second cup team.

Ontario's team is headed by the redoubtable Gerry Kesselring. With him are three veterans, Phil Farley, Nick Weslock and Jack Nash, all with long experience in provincial and Canadian competition.

The Quebec team has young Johnny Turner, provincial champion this year, and the veteran Tommy Riddell back again. Don Doe returns after a year's absence and is joined by newcomer Brian McGuigan.

Manitoba is sending three first-year team players, although one is 37-year-old Jack Gardner. The others are Don Gardner, 22, no relation, and Bill Budd, 33. Roy Kepron, 34, is the only former team member.

Only Holdover

Glenn Gray is the only holdover on the Alberta team, but has had cup play experience. So has Vern Mohs. Doug Silverberg, former Canadian junior champion, and Keitch Alexander round out the team.

Wilf Homeniuk's teammates are Gordon Beattie, with previous Willingdon experience, and newcomers Del Wilson and Ian Ross.

Nova Scotia is sending Eddie Crowell, his fifth team appearance; Pete Doig, for the second time; Rex Joudrey, cigar-smoking veteran of five teams, and Harold Morash.

The combined NB-PEI team has the veteran Pete Kelly for the eighth time; Tommy Stewart, member last year; Bob Gray, formerly of Winnipeg, and Art McKenzie, newcomer.

The junior title-seekers, in addition to Ted Homeniuk, are:

British Columbia, Gordon MacKenzie, 17; Alberta, Jackie McMahan, 17; Manitoba, Allan Patterson, 18; Ontario, Bill Bell, 16; Quebec, Dave Pemberton-Smith, 18; NB-PEI Doug Lewis, 17; Nova Scotia, Paul Tregunno, 17.

Jerry Barber, La Canada, Cal. Fires a 64 in $25,000 Open

By JACK SULLIVAN
Canadian Press Staff Writer

MONTREAL (CP)—Jerry Barber, a skinny little fellow who looks as if a healthy golf swing would blow him off the tee, today was the biggest shot around the Summerlea Golf Club course.

The five-foot-five 140-pounder, usually just another name in the winter and summer circuit, charged down the wide-open fairways of the par-70 layout Thursday in the opening round of the $25,000 Open, leaving a trail of seven birdies for a record-busting 64. Only one hole—the tough par-four 17th—forced him to go over regulation figures.

Jerry shaved two strokes off the competitive record for the 6,515-yard course and made the Sneads, Middlecoffs, Burkemos and Turnesas look second-rate.

The 36-year-old native of La Canada, Calif., went into today's second round one stroke up on Max Evans of Detroit, who carded a 65.

Two Strokes Off Pace

Art Wall, Jr., of Pocono Manor, Pa., Al Zimmerman of Portland, Ore., and Bob Toski of Northampton, Mass., each posted 66, two strokes off the pace and another threesome kicked around par figures to tie at 67. They were Doug Ford of Harrison, N.Y., Dutch Harrison of Ardmore, Okla., and Jack Burke, Jr., of Kiamesha Lake, N.Y.

All told, 18 shotsmiths of the 125 field for the $5,000 first prize, gave par figures a beating. Weather conditions were ideal—a brilliant sun and little wind—and if these continue throughout the four-day 72-hole tournament it wouldn't surprise anyone if many more breezed around in the 60s.

Follow Big Names

The tournament, fourth richest in the world, got under way early and the crowd, estimated at about 1,000, passed up Jerry to follow the big names—Sam Snead, the White Sulphur Springs, W.Va., artist who has picked up $250,000 in prize money in 15 years; Cary Middlecoff, Memphis, Tenn., dentist-golfer; Jim Turnesa, one of the celebrated golfing family from Briarcliff, N.Y., who has won $20,000 in the last two years, and Walt Burkemo, dark-horse winner of the 1953 U.S. Professional Golfers' Association championship from Franklin, Mich.

Two of them managed to hit par figures on the button—Burkemo and Turnesa — but Middlecoff posted a one-over 71 and Snead, making his first appearance in Canada in three years, was well off the pace with a 35-38—73.

Plays Like Master

And Jerry, revelling in the comparative obscurity until about the 14th tee when word spread that he was on the rampage, played practically every shot like an old master. He gave an indication of things to come on the 530-yard par five hole when his second shot, dead on the mark, hit the pin and bounced about 10 feet off. He was down in two putts for a birdie.

Experts around the clubhouse, who figured a 72-hole score of from 268 to 275 would win the tournament, revised their figures downward after Barber led the par-smashers home. They climbed out on a limb for 267 with one reservation—if ideal weather conditions hold up until Sunday.

Barber was non-committal. He simply plays "every round as it comes along."

Golf Tourney To be Staged At Country Club

A record entry has been received for the Central Ontario Amateur golf tournament, which will be held Saturday at the Bay of Quinte Country Club, under the direction of T. A. Carruthers and his capable committee. This event is one of the richest 18-hole tournaments in Ontario and this statement is borne out by the excellent exhibition of prizes now in the window of Walker's Men's Wear Store on Front Street.

The first golfers tee off around 7.30 A.M. and from then on till sunset there will be many divots, starry putts and long drives. Some of the best golfsmiths in the Province will be on hand and the public is cordially invited to tour the course with the players.

The draw is herewith given:

Babe Is Back

Recovered from her recent severe illness, Babe Didriksin Zaharias, one of the all-time golfing greats, plays an exhibition game with three Canadian professionals at the Montreal Summerlea golf course as a preliminary to the $25,000 Open. With her, left to right: Jules Huot, Montreal; Henry Martell, Edmonton, Canadian Professional Golfers' Association champion, and Damien Gauthier, Montreal. Babe Zaharias teamed with Martell in a best-ball match and tied with the other two golfers. — (CP Photo.)

Waterloo Tigers Cement Position At Top of Loop

By THE CANADIAN PRESS

If it's any consolation to St. Thomas Elgins, no matter how many they lose they can't sink any lower than the cellar of the Senior Intercounty Baseball League.

The Elgins dropped another one Thursday night, a 6-1 decision to Waterloo Tigers. The victory cemented the Tigers in first place, hoisting them a full game in front of the idle Kitchener Panthers.

In Galt, Guelph Maple Leafs came from behind a 4-2 deficit with a three-run outburst in the seventh inning to squeeze out a 5-4 victory.

St. Thomas, who have slipped to a meagre .210 percentage, winning only 14 games in 16 decisions, made a go of it for six innings, holding Waterloo to a 1-1 deadlock. Tiger third baseman Bobby Fisher poled a three-run circuit clout in the ninth inning that followed single counters in the previous two frames to make it a runaway. The four-bagger was only one of Fisher's four hits in five trips to the plate.

Roly Larouche went the route on the mound for Waterloo, allowing eight scattered safeties for his second win in four starts. Tommy White was charged with the defeat.

In Galt the Guelph Maple Leafs capitalized on a pair of costly errors by Terrier third baseman Tex Kaiser in the seventh inning while Leaf pitcher Wally Jeffries held the opposition to five hits for the win.

Catcher Udie Napier slammed out three hits, including a double, in five times at bat to lead the winners in the hitting department. Shortstop Mike Pontarelli's round-tripper with two aboard in the third was Galt's scoring feature of the night.

Tonight Kitchener plays London, Waterloo meets Brantford, Galt is at St. Thomas and Oshawa at Guelph.

Remember When

By THE CANADIAN PRESS

Bobby Pearce, sculling for Australia, defeated the empire's top-notch scullers at the British Empire Games at Burlington, Ont., 23 years ago today. He was trailed by Jack Beresford of England and Joe Wright, Jr., Toronto, both Diamond Sculls winners. Pearce turned professional in 1933.

FIGHTS LAST NIGHT

By THE ASSOCIATED PRESS

Newark, N. J.—Vince Martinez, 150 Paterson, N. J., stopped Billy Andy, 153, Providence, R. I., 6.

Detroit—Bob Amos, 174, Detroit, outpointed Gordon Wallace, 167, Brantford, Ont., 8.

Sports Calendar

Point Anne seem to have lost their touch. They displayed the worst fielding that this department has seen on any diamond this year. After taking a five-run lead, they frittered it away when they just couldn't do a thing right. They dropped easy outs. They missed everything that came their way. This could have been attributed in part to stage fright because it happened on a diamond in Peterborough against the T.P.T.'s in the first round of the O.A.S.A. playdowns. However, according to a sports writer in the Liftlock city, one who has covered softball exclusively this season, Pat Maracle's pitching was far and away the best that they have seen up there this year.

Pat was really on, and was the only player on the field who was, even though he missed a couple of easy ones himself. He had the batters handcuffed with his stuff and if it wasn't for the poor support, he might have won it.

There is one good aspect to this bad night, though, it is a good thing that everybody was off together and got it out of their systems all at once.

You can be sure that the Ox Pointers will be gunning to take the measure of the T.P.T.'s down in the Cement Village on Saturday night. It will be quite a tussle with the Stone Crushers smarting under the most humiliating defeat of the season.

• • •

The Regents trek up to Peterborough tonight to be the guests of the Junior Liflocs. They will be out to take the kids from that-a-way but a reliable source in Peterborough says that the Liflocers are out to win. If the Regents win it tonight they will take the series in three straight games. They should do it in three straight if they play the brand of ball which they have been playing lately.

• • •

On the minor baseball side Schwab's will take on a Peterborough squad at the CNR Recreation field tomorrow afternoon at 3 o'clock with Robb's Rockets completing the double header at 6 p.m. when they will take on the Peterborough midgets.

These two games should be very good because both of the Belleville teams have the pitching staff and the fielding club to take it.

• • •

Eny, Meeny, Miny Mo, rasselecom's pint sized terrors, will stage a tag team bout in semi-finals of tonight's wrestling card at the Arena.

In the main event Timmy Geohagen, the gentleman wrassler from across the Irish Sea, will try to put the sleeper on Fred Atkins, the Mad Mayhem from down under.

In the first event Al Warshawski will take on Al Costello.

• • •

Getting back to the lighter side of things, Northern Electric will go down to Kingston to be the guests of the Kingston Alcans Intermediate AA team. The boys will be out to win and this department wishes them a lot of luck.

• • •

There is a record entry of 134 players in the eighth annual Central Ontario Amateur Golf championship to be play at the Bay of Quinte Country club on Saturday. It is claimed to be the richest 18-hole golf tourney in Ontario.

Jack Moffat New President Of Galt Team

GALT (CP)—J. A. (Jack) Moffat was elected president of the Galt Junior A hockey club for the 1953-54 season at the club's annual meeting Thursday. J. H. Ennett, retiring president, was named a vice-president.

Harold Gaskin is the new treasurer and Arthur Parsons becomes secretary.

At the request of the OHA, the meeting declared the franchise the property of the Galt Junior A hockey club under the names of the current slate of officers.

The league request stemmed from confusion encountered by the OHA in determining ownership of the Windsor Spitfire franchise, transferred to Hamilton in the name of Lloyd Pollock. All junior A clubs have been asked to name franchise ownership.

Wilmington Star Scores Length Win in Stake

YONKERS, N.Y. (AP)—Wilmington's Star zipped into the lead near the head of the stretch and scored a length victory Thursday night in the $25,000 Yonkers Pacing Derby, clipping two full seconds from the Yonkers Raceway track record for 1½ miles.

The winner, a 5-year-old black, son of Wilmington-Miss McStone, was clocked in 3:06 flat as he was driven under the wire by Billy Haughton. The time was only two-fifths of a second off the world mark set July 30 by Chuck Volo in winning the $50,000 Nassau Pace at Roosevelt Raceway.

Red Sails, a 25 to 1 shot owned by H. T. King of Lynn, Ind., and driven by Robert Walker, finished second. The 8 to 5 favorite, W. G. Reynolds' Direct Rhythm of Louisville, Ky., was third.

Chuck Volo, second choice at 3 to 1, was unable to challenge the leaders, and finished sixth. Thomas B. Scott finished fourth.

Prince Adios, owned by Grant Hodgins of Clandeboye, Ont., was seventh.

ROBS CHURCH

NORFOLK, Va. (AP) — Only a few weeks ago, Rudolph Hunt, 31, was married in Park Place Methodist church here. Wednesday he was sentenced to eight years imprisonment for going back to the church and, with an accomplice, rifling its two strong-boxes of $978.

Kingston Bowlers Go to Hamilton For Title Match

HAMILTON (CP)—Twenty-eight bowlers meet here Saturday in the Ontario lawn bowling championships and the right to advance into the Eastern Canada finals.

They will decide the singles, doubles and rinks champions before the events wind up. The winners will clash with Quebec's representatives for the Eastern Canada crown.

When a team from the East is decided, it will play the West in Winnipeg. The winner of that set will take part in British Empire Games competition in Vancouver next year.

The championships will also decide a winner of the Ontario juniors doubles. However, this group will not go to the B.E. games.

Winning players in 16 sections in the province played off in four divisions to earn the trip to Hamilton. The four divisions all have players in the four competitions.

Windsor Jackson Park, skipped by C. Molyneaux; Ottawa Central, with M. A. Atkinson, a previous provincial champion, at the helm; Grimsby with G. Warner in command, and North Toronto, led by J. Morland, comprise the rinks section.

W. D. Duncan and R. W. Edney of Kingston, C. J. Hill and R. Trumper of London, Elm Wood, L. Moser and J. Dorsch of Waterloo and W. N. Black and N. Robinson of West Toronto, will fight for the doubles title. Edney last week skipped a Kingston rink to the Simpson Trophy at the Provincial Lawn Bowling Association 19th annual tournament at Toronto.

Provincial singles finalists are E. O. Strander of Tillsonburg, L. Smith of Dundas, G. Hillson of Agincourt and J. Beacom of Toronto Kew Beach, a member of the winning doubles team at Ottawa in 1950.

The junior doubles fight will be waged by London Elm Wood's D. Robinson and D. Smith, Hanover's L. Ellis and G. Ruhl, D. Duncan and W. J. Duncan from Kingston and J. Marshall and T. Marshall of Toronto Rusholme.

Play in all competitions will be round-robin. Every entry will play three games—one with each other entry in the group. The provincial rinks, doubles, singles and junior doubles champions will be declared by a point system allowing two for a win and one for a tie.

If two competitors are tied under this system, the one totalling the highest scores of the three games will win. Rinks and both doubles competition matches will consist of 21 ends. The singles games will be played to 21 points.

Greyhounds Win

SUDBURY (CP)—Garson Greyhounds edged Copper Cliff Redmen 4-3 Thursday night in the first game of their Nickel Belt Senior Baseball League semi-final playoff series. Second game is Sunday.

Garson got all four of its runs in the second on four walks, one Cliff error and a double by playing-coach Norm Hann.

Lost Three Bouts

DETROIT (AP)—Three Brantford boxers lost their bouts to a trio of Michigan battlers Thursday night.

In the main bout, Bob Amos, 174, Detroit, outpointed Gordon Wallace, 167, Brantford, in eight rounds.

Tom Hendricks, 152, Detroit, took a four-rounder from Joey Clark, 146, Brantford.

Kenny Lane, 132, Muskegon, Mich., stopped Don Grinton, 130½, Brantford, at the end of the third round.

Minority Group Always Won Says Athlete

By GEORGE A. McARTHUR

TOKYO (AP)—The Communists staged two "PoW Olympics" for Allied prisoners in North Korean stockades, but members of "minority groups" always won and athletic competition took a back seat to propaganda.

This was the story told today by Cpl. Delmar Miller, 23, of San Diego, Calif., a former high school athlete freed by the Reds at Panmunjom.

American prisoners who took part in the PoW Olympics—about 200—"didn't care who won anyway," Miller said with a grin. The games were a welcome break from the deadly monotony of prison camp life.

Miller, who competed in both PoW Olympics said "the Chinese always had a special feeling for everybody but Americans." And in both games, he said, the Reds broke out their biggest propaganda banners and favored Negro soldiers and athletes from other countries.

The Chinese also boasted "Russia won the last Olympics," and captives learned that the United States actually won only after their release at Panmunjom.

Miller said the "progressives"—captives who leaned to the Communists—didn't participate in the Olympics.

He said every event in the Olympics was judged by an English speaking Chinese and an American officer. The Chinese had the "last word."

He said in one 100-yard dash, the Chinese insisted that it be run again to make sure Negro soldiers won.

Add 850 Seats

WINNIPEG (CP)—Culver Riley, president of Winnipeg Enterprises Ltd., announced Thursday that 850 seats will be added to Winnipeg's new $500,000 stadium in time for the Western Interprovincial Football Union opener Aug. 29.

Riley announced the new seats will be constructed in front of the concrete stands on the east side of the field, increasing the stadium seating capacity to about 17,000.

Canadians Nearly Pull Surprise In Tennis Match

BROOKLINE, Mass. (CP)—For a while Thursday the two lone Canadians in the U.S. doubles tennis tournament threatened to pull off the biggest upset of the competition.

Lorne Main of Vancouver and Paul Willey of Montreal, entering the third round, ran right into the U.S. Davis Cup hopes, Wimbledon singles titlist Vic Seixas and Tony Trabert of Cincinnati and promptly dispatched the vaunted Americans 8- in the first set.

But Seixas, still suffering from a wrenched right knee, and Trabert settled down to eliminate the Canadians, winning three straight sets 6-1, 6-4, 6-1.

The dreams Lewis Hoad and Ken Rosewall, Australia's Davis Cup aces, had of becoming the first to win all five of the world's major doubles tennis titles were rudely shattered by Straight Clark of Pasadena, Calif., and Hal Burrows of Charlottesville, Va.

Already winners of the Australia, British, French and Italian doubles this year, Hoad and Rosewall, both 18, lost 5-7, 14-12, 18-16, 9-7.

Abe Yanofsky Wins British Chess Title

HASTINGS, England (Reuters)—Abe Yanofsky of Winnipeg Thursday won the British chess championship, the first Canadian ever to hold the title.

Yanofsky, 28, nailed down the title at the end of the 10th round of the British chess congress here. The final round is to be played today, but win or lose no other contestant can match the Canadian's score.

Yanofsky, who held the lead from the sixth round, has 8½ points from eight wins and one draw. He lost only one game.

New Senior Entr In ORFU to Be Called Dutchme

KITCHENER (CP)—Kitche new senior entry in the On Rugby Football Union will themselves the Dutchmen.

Coach Gerry Tuttle said Th day night that the name had b decided upon recently. Tuttle whipping 50 candidates into sh for the league opener.

He already has signed United States imports. The la is backfielder Paul Amodio of Ke O., who played for Kent State C lege and with the United Sta Navy team for five years.

Sports Roundup

By GAYLE TALBOT

NEW YORK (AP)—In case y have not been following the ma league flag races lately a you righthanded pitcher named J McDonald has just notched, eighth victory for New York Ya ees, giving him a 5-1 record sin July 4.

This would be nothing to agitated about ordinarily, Yank pitchers being what they are, with the World Series just beyo the horizon there seems reason suspect that the staff fairy go mother who looks out for champions' interests and amo other duties, sees to it that th never make a bad deal, has be at it again.

To be specific, the Bomb had appeared to be threaten with a shortage of good righ handed pitching to use again Brooklyn's array of righthande hitters in the series games to played at Ebbets Field, where th fences are short. Manager Ca Stengel, it was agreed, would he tate a long time before starti either of his portside aces, Whit Ford or Eddie Lopat, in the N tional League park.

And then, of course, along ca McDonald. It already is bei freely predicted that he will pl an important role in the seri perhaps even a major one. H almost perfect control and sharp sinker ball, which is e tremely difficult to knock over th infield, are seen as making hi a natural against the Dodgers their bandbox arena.

Movie Column

HOLLYWOOD (AP) — From …utoscope to cinemascope—that's …he story of the 47-year movie …areer of Donald Crisp.

The distinguished character actor …as ended a three-year absence …rom the screen because retire…ment "was driving me crazy." I …ound him complete with wig and …beard in his role as Robert Wag…ner's father in "Prince Valiant." …t is only fitting that the film is …eing made in the new process, …cinemascope.

"That completes the cycle," he …observed. "When I started in pic…tures in 1906, I started in the muto…scope. You know, that's the ma…chine you look into and the pictures …flip by, giving the illusion of move…ment."

For all his long career in films, Crisp seems barely in middle age. He told some fascinating tales of the early days in the movies. Such as buying the world rights to "Ramona" for $2,500, making the picture for $38,000 and grossing $3,000,000.

It was Crisp who directed the famed battle scenes in "Birth of a Nation." He split with D. W. Griffiths when the latter refused to give him film credit.

Three years ago, acting salaries took a tumble, and Crisp decided to lay off films.

"I didn't need the money to live on," he remarked, "and there were a lot of other actors who could use the work. So I said I wouldn't take a cut. I've seen too many actors ruined by doing that.

Crisp had looked forward to his retirement. He travelled in Europe, Egypt and elsewhere and rented an island in British Columbia, where he spends 10 or 12 weeks during the salmon season. But time began to weigh heavily on his hands.

"I would wake up in the morning and wonder what I was going to do that day," he remarked. "I would sit around the house and nearly go screaming mad for lack of anything to do. I would have welcomed anything, even whitewashing the roof.

"Idleness can ruin men. I used to run into D. W. Griffith on Hollywood boulevard occasionally and he would begin crying, so eager was he to be given some kind of work in the industry he helped to found. When I delivered the eulogy at his funeral, I remarked that it was a great shame that this business couldn't have found something for him to do. He literally died of a broken heart."

Crisp finally gave up the rocking-chair life and made himself available for picture offers. Now he wants to do one film a year. Who knows—he might even pick up another bookend to go with the oscar he won as a supporting actor in "How Green Was My Valley" in 1941.

Living is Easy

Summertime and the mood to relax comes over Rene LaFleche, 50-year-old proprietor of a Montebello, Que., restaurant. He has spent an average of 22 hours and 46 minutes daily in a swimming pool behind his restaurant since Aug. 3. He eats, sleeps, shaves, reads the papers and smokes his cigar in the pool. — (CP Photo.)

Farmer Takes $1,000 Prize In Trapshooting

VANDALIA, O. (AP) — Elmer Woods, 55-year-old farmer from Williamstown, O., broke 99 of 100 from the 19-yard line Thursday to win the Preliminary Handicap—trapshooting's second greatest prize—at the 54th annual Grand American Trapshoot.

Woods outshot the field of 1,696 to take down the top prize of $1,000.

Results of the Canadian competitors, with handicap in brackets, included:

Albert Wigle, Kingsville, Ont. (19)—93
G. A. McAteen, St. Thomas, Ont. (19)—90
D. E. Ferriss, Harrow, Ont. (17)—89
John R. Leatherdall, Chatham, Ont. (20)—89.
Ed Sayers, Leamington, Ont. (19) 8—
H. W. Thrasher, Harrow, Ont. (20) —85
George Genereux, Saskatoon (24)—84
L. A. Hartman, Kitchener (22)—84
John Anderson, Hensall, Ont. (19)—79
Ivan Orr, St. Thomas, Ont. (22)—76
Earl Deslippe, Amherstburg, Ont. (19)—72.

MONTREAL GAINS FINAL

ROCKVILLE CENTRE, N. Y. (AP)—Defending champion Montreal defeated Johnson City, N.Y., 4-1 and Schenectady, N.Y., walloped Massapeque, N.Y., 9-1 Thursday to gain Saturday's final round of the region one Little League baseball playoffs. Montreal pitcher Phil Griffis, a tricky fastballer, allowed only three hits, fanned seven and walked none.

JOCKEY ATKINSON HURT

SARATOGA SPRINGS, N.Y. (AP)—Jockey Ted Atkinson will be on the sidelines for possibly a month as the result of injuries suffered in a spill Wednesday. The Greentree Stable's veteran contract rider, who has more than 2,500 victories, had a bone in his back broken when he fell from Alfred G. Vanderbilt's Hall Fellow on the way to the post for the fifth race.

MEMORIAL FUND

LONDON (CP) — The halfway mark has been reached in a £25,000 campaign to endow a research fellowship in nutrition as a memorial to Sir Jack Drummond, wartime scientific adviser to the British food ministry who was slain with his wife and daughter last year while holidaying in France.

Sport in Brief

NIJMEGEN, Holland (AP)—The board of the International Swimming Federation Thursday recognized 16 world records. Yoshio Oyakawa of Honolulu and Ohio State, the Olympic champion at 100 metres, was credited with a mark of 56.1 seconds in the 100-yard backstroke. Oyakawa swam to his record April 1 at Columbus, O.

A Yale foursome was clocked in 7:39.8 for the 800-metre relay on Feb. 14, breaking the standard of 7:40.5 set by another Yale team the year before.

Another Yale quartet cracked the record for the 400-yard medley relay when it was clocked in 3:57.1 on Feb. 23.

A Chicago women's foursome broke their own record for the 400-yard free-style relay when they were clocked in 4:04.9.

Other records accepted included:

Men

100-metre back stroke, Gilbert Bozon, France, 1:03.3.

200-metre back stroke, Bozon, 2:18.3.

100-metre breast stroke, V. Minachkin, Russia, 1:1.2.

200-metre breast stroke, K. Gleie, Denmark, 2:37.4.

220-yard breast stroke, Gleie, 2:38.8.

100-metre butterfly stroke, G. Tumpek, Hungary, 1:04.3.

400-metre individual medley, Maurice Lucien, France, 5:35.6.

400-metre medley relay, Russian national team, 4:24.8.

Women

Mile, Judy Joy Davis, Australia, 22:51.6.

800-metres, Svgyenge, Hungary, 10:42.4.

400-metre individual medley, Eva Szekely, Hungary 5:50.4.

400-metre medley relay, Hungarian national team, 5:01.8.

AT THE BELLE—Donald O'Connor and Debbie Reynolds are co-starred in M.G.M.'s song-and-danceful Technicolor "I Love Melvin", continuing today and Saturday at the Belle Theatre. A funny Tom & Jerry Cartoon is an added attraction.

AT THE CAPITOL—Spirited Beauty. As an undercover agent in "Sea Devils", Yvonne De Carlo co-stars with Rock Hudson. David E. Rose presents this Technicolor adventure romance showing today and Saturday at the Capitol Theatre. Continuous show Saturday from 1 p.m.

AT THE CAPITOL—Wild Bill Elliott returns to the Capitol Theatre in "Rebel City", his latest starring picture for Allied Artists. The film is one of his best, and now showing today and Saturday at the Capitol. The feature attraction "Sea Devils" in Technicolor stars Yvonne De Carlo. Both hits are first showings. Continuous show Saturday from 1 p.m.

AT THE McCARTHY—Virginia Mayo, so right for a sarong, wears a specially designed split-side South Seas wraparound for the first time in her career in Warner Bros.' "South Sea Woman," now playing at the Odeon McCarthy Theatre. Burt Lancaster co-stars with Miss Mayo in the adventure comedy.

YESTERDAY'S STARS

Pitching—Ed Lopat, New York Yankees, won his 13th game against two losses and his 11th straight over Washington, beating the Senators 7-0.

Batting—Jim Hegan, Cleveland Indians, drove in four runs with a home run and two singles as the Indians broke a four-game losing streak with a 13-7 decision over Detroit Tigers.

NOISY BUT SAFE

LONDON, Ont. (CP) — London township council rejected a recommendation by London city council that screeching whistles and clanging bells be cut out at a railway crossing. Most councilmen agreed the noise was bothersome but essential for safety.

THEATRE FEATURE TIMES

AT THE BELLE—"I Love Melvin" — in Technicolor—Donald O'Connor, Debbie Reynolds, Una Merkel — 2.45; 7.45; 9.55.

AT THE CAPITOL—In Technicolor "Sea Devils" — Yvonne De Carlo, Rock Hudson, Denis O'Dea — 7.10-10.05 — "Rebel City" — Wild Bill Elliott — 9.00.

AT THE McCARTHY—"South Sea Woman" — Burt Lancaster, Virginia Mayo — 2.23-7.23-9.25.

AT THE DRIVE-IN—All laugh show with 4 cartoons, variety of short subjects — Leon Errol, Edgar Kennedy, Gil Lamb, Our Gang. Show starts at dusk.

ODEON THEATRE, TRENTON—"Battle Circus"—Humphrey Bogart, June Allyson — 2.30-7.30-9.33.

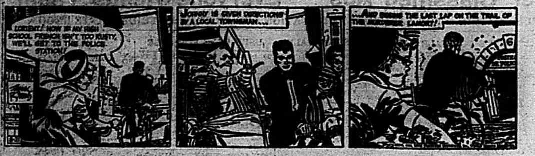
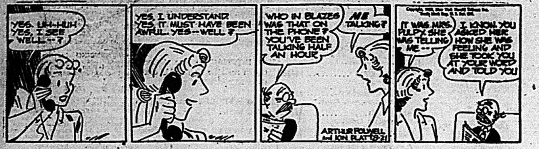
JOHNNY HAZARD — By Frank Robbins



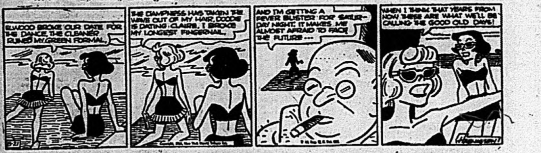
LORIENT! NOW IF MY HIGH SCHOOL FRENCH ISN'T TOO RUSTY, WE'LL GET TO THE POLICE STATION!
JOHNNY IS GIVEN DIRECTIONS BY A LOCAL TOWNSMAN...
...AND BEGINS THE LAST LAP ON THE TRAIL OF THE MURDERER LAMORT!

MR. AND MRS.—By Arthur Folwell - Kin Platt



YES. UH-HUH YES, I SEE WELL--?
YES, I UNDERSTAND YES, IT MUST HAVE BEEN AWFUL. YES--WELL ?
WHO IN BLAZES WAS THAT ON THE PHONE? YOU'VE BEEN TALKING HALF AN HOUR
ME TALKING?
IT WAS MRS. PULPX SHE WAS TELLING ME--
I KNOW. YOU ASKED HER HOW SHE WAS FEELING AND SHE TOOK YOU AT YOUR WORD AND TOLD YOU
ARTHUR FOLWELL and KIN PLATT 8-21

PENNY — By Harry Haenigsen



ELWOOD BROKE OUR DATE FOR THE DANCE. THE CLEANER RUINED MY GREEN FORMAL.
THE DAMPNESS HAS TAKEN THE WAVE OUT OF MY HAIR, DOODIE IS DATING CLAIRE, I BROKE MY LONGEST FINGERNAIL.
AND I'M GETTING A FEVER BLISTER FOR SATURDAY NIGHT. IT MAKES ME ALMOST AFRAID TO FACE THE FUTURE---
WHEN I THINK THAT YEARS FROM NOW THESE ARE WHAT WE'LL BE CALLING THE GOOD OLD DAYS!

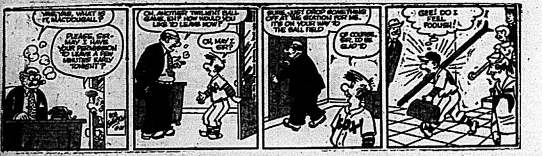
I DON'T KNOW WHY!

TILLIE THE TOILER—By Bob Gustafson



YES, YES, WHAT IS IT, MACDOUGALL?
PLEASE, SIR- MAY I HAVE YOUR PERMISSION TO LEAVE A FEW MINUTES EARLY TONIGHT?
OH, ANOTHER TWILIGHT BALL GAME, EH? HOW WOULD YOU LIKE TO LEAVE NOW?
OH, MAY I, SIR?
SURE, JUST DROP SOMETHING OFF AT THE STATION FOR ME. IT'S ON YOUR WAY TO THE BALL FIELD
OF COURSE, SIR, I'D BE GLAD TO
GEE! DO I FEEL FOOLISH!

Your Individual Horoscope

By FRANCES DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR SATURDAY, AUGUST 22, 1953.

March 21 to April 20 (Aries)—If you enter into the spirit of things and forget little differences with associates you can make reasonable gains. It may not be easy, but think well, and work hard to achieve.

April 21 to May 20 (Taurus) — Slightly restraining now. Look and act sharply, especially in involved matters. Don't permit self-pity or worry over anticipated difficulties to sap your energy or time.

May 21 to June 21 (Gemini) — Use your good sense to get to the core of things. Know what to do promptly. It will help cnsiderably today. Your intelligent attributes are in demand.

June 22 to July 23 (Cancer) — Work and business problems can be greatly expedited by wholehearted effort plus cheerfulness. Schedule can become confused if you don't make plans and have rules and regulations.

July 24 to August 22 (Leo) — Signal out your musts, important issues, and concentrate there. Cut unnecessary fuss to better the effect; solidly complete your projects. Use your persuasive personality wisely.

August 23 to September 23 (Virgo)—You are capable but often let opportunities slip by because of lack of confidence, sometimes lack of unction. Not as stimulating a day as you may think so you will have to urge yourself on.

September 24 to October 23 (Libra)—You may find today difficult, less responsive to your best efforts. Don't be discouraged. Always keep trying. You can do well under duress, so give things a push and see improved results.

October 24 to November 22 (Scorpio)—Your frame of mind, the thoughts you think and the pressure you exercise will count today. —Live up to your innate characteristics and you will come through fine. Cheerio!

November 23 to December 22 (Sagittarius)—Fair aspects on the whole. Don't look for success at each turning. Be content with small achievement, for even some gain testifies to progress. Home affairs favored.

December 23 to January 21 (Capricorn)—There's a note of warning to you energetic folks: Don't press your capacity to the straining point. This goes for recreation as well as work. Move forward at a reasonable pace.

January 22 to February 20 (Aquarius)—Stimulating rays are about but you will have to search for the true advantages. Benefic influences for your particular work, professional and personal affairs. Be eager to gain ground.

February 21 to March 20 (Pisces)—Not so much to offer perhaps, but —you industrious ones can work things out well when you put your best to it. Try out new ideas, improved devices that have value.

YOU BORN TODAY are industrious, active, dependable and independent. You deeply love your family. May have unusual aptitude for commerce, trading, advertising, the army or other vigorous professional life. You need education (don't we all!) which you can obtain yourself, to exploit rightly the fine talents God gave you. You like comfort and will strive for it. May dislike taking orders at times. Overcome this and any hindrances to co-operative behavior the world so sorely needs now. Don't rush or be overdetermined. Birthdate: Claude Debussy, famed Fr. music composer; Samuel Pierpont Langley, pioneer in airplane construction, astronomer, telescope builder.

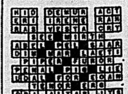
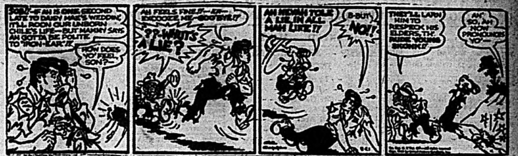
Answer to Yesterday's Puzzle

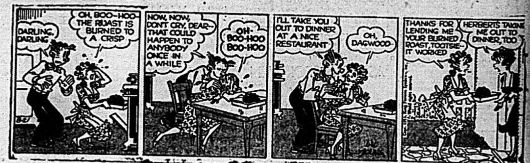


L'IL ABNER — By Al Capp



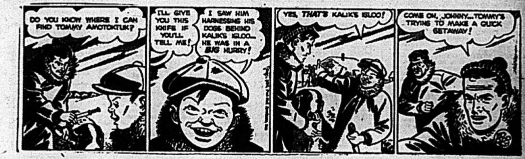
SOB!!-IF AH IS ONE SECOND LATE TO DAISY MAE'S WEDDIN' IT'LL ROON OUR UNBORN CHILE'S LIFE--BUT MAMMY SAYS AH GOTTA BE POLITE TO "IRON-EAR"!!
HOW DOES YO' FEEL, SON?--
AH FEELS FINE!!--ER-- EXCOOZE ME--GOO'BYE!!
??-WHUT'S A LIE?
AH NEVAH TOLE A LIE IN ALL MAH LIFE!!
B-BUT! NO!!
THEY'LL LARN HIM TO RESPECK HIS ELDERS, TH' RUDE YOUNG SKONK!!
AN' SO, AH NOW PRONOUNCES YO'—

BLONDIE — By Chic Young



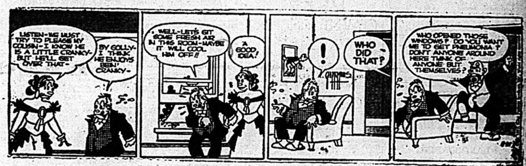
DARLING, DARLING
OH, BOO-HOO THE ROAST IS BURNED TO A CRISP
NOW, NOW, DON'T CRY, DEAR-- THAT COULD HAPPEN TO ANYBODY ONCE IN A WHILE
OH- BOO-HOO BOO-HOO
I'LL TAKE YOU OUT TO DINNER AT A NICE RESTAURANT
OH, DAGWOOD
THANKS FOR LENDING ME YOUR BURNED ROAST, TOOTSIE-- IT WORKED
HERBERT'S TAKING ME OUT TO DINNER, TOO

MARK TRAIL—By Ed Dodd



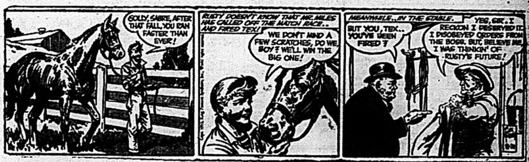
DO YOU KNOW WHERE I CAN FIND TOMMY AMOTOKTUK?
I'LL GIVE YOU THIS KNIFE IF YOU'LL TELL ME!
I SAW HIM HARNESSING HIS DOGS BEHIND KALIK'S IGLOO... HE WAS IN A BIG HURRY!
YES, THAT'S KALIK'S IGLOO!
COME ON, JOHNNY... TOMMY'S TRYING TO MAKE A QUICK GETAWAY!

BRINGING UP FATHER — By George McManus



LISTEN-WE MUST TRY TO PLEASE MY COUSIN-I KNOW HE IS A LITTLE CRANKY-BUT HE'LL GET OVER THAT-
BY GOLLY- I THINK HE ENJOYS BEIN' CRANKY-
WELL-LET'S GIT SOME FRESH AIR IN THIS ROOM-MAYBE IT WILL COOL HIM OFF!!
A GOOD IDEA!
!
WHO DID THAT?
WHO OPENED THOSE WINDOWS? DO YOU WANT ME TO GET PNEUMONIA? DON'T ANYONE AROUND HERE THINK OF ANYONE BUT THEMSELVES?

RUSTY RILEY — By Frank Godwin



GOLLY, SABRE, AFTER THAT FALL, YOU RAN FASTER THAN EVER!
RUSTY DOESN'T KNOW THAT MR. MILES HAS CALLED OFF THE MATCH RACE.. AND FIRED TEX!
WE DON'T MIND A FEW SCRATCHES, DO WE, BOY? WE'LL WIN THE BIG ONE!
MEANWHILE.. IN THE STABLE.
BUT YOU, TEX.. YOU'VE BEEN FIRED ?
YES, SIR. I RECKON I DESERVED IT. I DISOBEYED ORDERS FROM THE BOSS. BUT, BELIEVE ME, I WAS THINKIN' OF RUSTY'S FUTURE!

SEALED TENDERS addressed to the undersigned and endorsed "TENDER FOR WHARF RECONSTRUCTION AND EXTENSION (CRAWFORD DOCK), KINGSTON CITY, ONTARIO", will be received in the office of the Secretary, until 3.00 p.m. (E.D.S.T.), WEDNESDAY, SEPTEMBER 16, 1953.

Plans, form of contract and specification can be seen and forms of tender obtained at the office of the Chief Engineer, Department of Public Works, Ottawa, at the office of the District Engineer, Hunter Building, Ottawa, Ontario, and at the Post Offices at Kingston, Belleville, Brockville, Picton and Trenton, Ontario.

Tenders will not be considered unless made on printed forms supplied by the Department and in accordance with conditions set forth therein.

Each tender must be accompanied by a certified cheque on a chartered bank in Canada, payable to the order of the Minister of Public Works, or Bearer Bonds as specified in the form of tender, for 10% of the amount of the tender.

NOTE: Upon application to the undersigned, the Department will supply blue-prints and specification of the work on deposit of a sum of $20.00, in the form of a certified bank cheque payable to the order of the Minister of Public Works. The deposit will be released on the return of the blue-prints and specification within a month from the date of reception of tenders. If not returned within that period the deposit will be forfeited.

ROBERT FORTIER,
Secretary.

Department of Public Works,
Ottawa, August 14, 1953. A21

BREAK FOR WOMEN

WINNIPEG (CP)—Some of the city's parking meters have been increased to two-hour capacity. Traffic engineer Harry Burns says they are a boon to women drivers, who often "think they'll take less time to do something than they actually do."

ALMOST YESTERDAY

WELLINGTON, N. Z. (CP)—Scientists testing charred wood with an electronic device to fix the date of great eruptions had a surprise when they found the last big upheaval occurred only 1,750 years ago. Previously it was thought to have occurred at least 10,000 years back.

PUBLIC NOTICE

STREET CLOSING

of parts of Wallbridge Road according to Plan filed in the Registry Office for the County of Hastings as Number 148, more particularly described below.

NOTICE is hereby given that at the regular meeting of the Council of the City of Belleville to be held in the Council Chambers at the City Hall on Monday the 14th day of September, 1953, a by-law will be passed for the closing of and the sale of a certain part of Wallbridge Road, more particularly described as follows:

ALL and SINGULAR those certain parcels or tracts of land and premises situate, lying and being in the City of Belleville in the County of Hastings and being composed of parts of Wallbridge Road according to a plan filed in the Registry Office for the said County as Number 148, and which said Parts of Wallbridge Road may be described as follows:

Firstly,—

COMMENCING in the southwest angle of Lot 44 according to said registered Plan 148 and being at the point of intersection of the north limit of Wallbridge Road and the east limit of Frank Street according to said Plan; thence,

S 18° 46' E along the line of the said east limit of Frank Street, 34.3 feet to a survey post planted; thence,

Southeasterly on a curve to right of radius 971.37 feet a distance of 504.78 feet to a survey post planted in the line of the continuation southerly of the west limit of Gilbert Street; thence,

N 18° 46' W along the said line of the continuation southerly of Gilbert Street, 42.3 feet to the intersection of the said west limit of Gilbert Street and the north limit of Wallbridge Road being the southeast corner of Lot 38 according to said Registered Plan 148; thence,

Northwesterly along the north limit of Wallbridge Road being on a curve to left of radius 1005.37 feet to the place of beginning;

Secondly,—

COMMENCING in the east limit of Gilbert Street where it is intersected by the northeast limit of Wallbridge Road being the southwest angle of Lot 64 according to said Registered Plan 148; thence,

S 18° 46' E along the continuation southerly of the said east limit of Gilbert Street, 46.57 feet to a survey post planted; thence,

Southeasterly on a curve to right of radius 971.37 feet a distance of 270.0 feet to a survey post planted in the line of continuation westerly of the north limit of Stewart Street according to said Registered Plan 148; thence,

N 70° 20' E along the said continuation westerly of the north limit of Stewart Street, 38.7 feet to the intersection of the said north limit of Stewart Street with the said northeast limit of Wallbridge Road being the southwest corner of Lot 34 according to said Registered Plan 148; thence,

Northwesterly along the said northeast limit of Wallbridge Road being on a curve to left of radius 1005.37 feet to the place of beginning.

Any person or his agent who claims that his lands will be prejudicially affected will be heard at the said meeting.

Plan and description of that part of the said street to be closed are on file in the Office of the Acting City Clerk.

Dated at Belleville this 11th day of August, 1953.

ROBERT A. PRINGLE, Q.C.,
City Solicitor.

H. D. BATEMAN,
Acting City Clerk.

A14-21-28-S4

Truckers' Union Offer Believed Not Acceptable

TORONTO (CP) — Talks aimed at settling the southwestern Ontario truckers' strike have been adjourned until Tuesday amid reports the striking International Brotherhood of Teamsters (AFL-TLC) put forward a settlement formula and rejected a company proposal for arbitration of issues in the wages strike which started July 20.

Avenues for settlement were explored by representatives of the union and of the 36 companies affected by the strike called by the union's Hamilton and Windsor locals. The talks started Wednesday and adjournment came at 10:30 p. m. EDT Thursday.

The adjournment was regarded as an indication the union settlement formula was not acceptable to the operators. A spokesman for the trucking firms said later the union turned down the proposal of arbitration, which would be binding on both sides.

Charge Red Influence

A dispute between the non-striking Toronto local of the union and the Hamilton local took a new turn Thursday with Toronto charges of Communist infiltration into the strike scene in the Niagara peninsula.

William Mills, president of the Toronto local, sent a telegram to David Beck, president of the international union, asking for Beck's intervention and investigation into the reported presence of Communists at a meeting called by the Hamilton local at St. Catharines.

Ignore Picket Lines

The executive of the Toronto local has instructed its members, including those in the Niagara area, to ignore picket lines set up by the striking locals in the areas under jurisdiction of the Toronto organization.

Other developments in the strike by the 1,500 Southwestern Ontario truck drivers:

Police convoyed a 50-truck caravan from Toronto to Fort Erie as a precaution against interference by strikers.

Attorney-General Porter urged non-striking drivers to ask for police protection. At the same time, he said Ontario provincial police engaged in convoying trucks will not lose the extra time they work through a departmental regulation.

Four Powers Combine in War Games

Field manoeuvres, known as "Operation Venetian Weld," are staged by Italian troops assigned to the NATO Southern Europe field command. Scene of the military exercises is the upper Pusteria valley in Italy. For the first time air support was provided by German, Greek and Turkish air based units. Heretofore, planes had been flown for war games from carriers in the Mediterranean. —Central Press Canadian.

School Shopmobile

Buses with equipment and full instruction on manual training, operated by the Nova Scotia education department, travels throughout the province instructing students at schools where there are no permanent workshops. Of the five shopmobiles in the province, the one shown here operates in a section where the students predominately are colored. Teacher Noel H. Johnston instructs a class at Lucasville school in Halifax West. — (CP from National Film Board.)

Rebellion Flares in Morocco

Col. Augustin Guillaume, left, French resident general of Morocco, has returned to Rabat after consultation with his government, with wide powers to handle the rebellion there. The sultan of Morocco, Mohammed Ben Youssef, right, is besieged in Rabat by Berber tribesmen advancing from three sides. — Central Press Canadian Photos.

MOVIE PIONEER DIES

LOS ANGELES (AP) — Michael Gore, 77, movie industry pioneer and founder of the Fox west coast chain of theatres, died Sunday. Gore, who amassed a fortune in the movie industry, also was the original franchise holder in the First National Pictures Co., now known as Warner Brothers.

PRESS EXCLUDED

HALIFAX (CP)—Courts martial of three Canadian naval officers charged in connection with the grounding of the destroyer Huron off Korea's east coast July 12 will not be open to the press, the navy said Sunday.

Security measures were given as the reason. Normally military courts martial are open to the public. The courts martial open Tuesday.

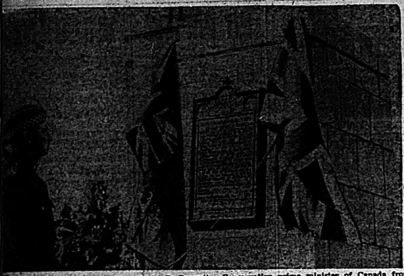
Bennett Memorial



A memorial to the late Viscount R. B. Bennett, Conservative prime minister of Canada from 30 to 1935, is unveiled at Calgary. The monument, situated on the south side of Calgary's public rary in Central Park, was erected by the Historic Sites and Monuments Board of Canada. The ficial unveiling is performed by Eric L. Harvie, honorary colonel of the Calgary Highlanders. iscount Bennett at one time was honorary colonel of the 10th battalion, now the Highlanders. — P Photo.)

Russia's Growing Machine Plundering Romanian Oil

(Editor's Note: Communist omania, deep behind the Iron urtain has just allowed four merican correspondents to visit hat country for the first time n five years. This is the third rticle of a series by the Associated Press chief of bureau n Vienna).

By RICHARD O'REGAN

BUCHAREST (AP) — Russia's rowing war machine today is ndering petroleum-rich Romania of almost the last drop of l she produces, Western diplomats here report.

Romania is Russia's greatest foreign source of petroleum. To make re Romanian oil flows almost exclusively to Soviet storage tanks, ussia maintains control over ost of Romania's economic life.

It keeps an estimated two to ve divisions of Soviet troops here. t has equipped one Romanian armored division and mechanized rge segments of an army that nce was horse drawn and now umbers 220,000 to 300,000 men.

On top of this, Russia makes ure of Romanian oil by aiding nd advising a border guard force f 20,000 to 60,000 men and a police ystem which may run into hundreds of thousands of uniformed en and plain-clothes agents.

Forced Bosses

With this control of Romania's conomic and political life, Russia as successfully forced the country's Communist bosses to repair wells and refineries at Ploesti destroyed by Allied bombers during the war.

Western diplomats estimate that 1953 production may well reach the peak production of 8,600,000 metric tons which Western oil companies attained in 1936. When the Communists took over in 1947, production was a mere 3,810,000 tons a year.

All but one of Ploesti's refineries are back in operation. The Soviets apparently made available the necessary replacement equipment. A new core of Soviet-trained technicians has almost completely replaced experts of the former British, U.S., and Dutch companies who have been slowly dismissed or arrested.

By 1955, the Communist regime hopes to have production up to 10,000,000 tons a year. Western experts believe this aim may be achieved.

But in a land of plentiful oil, gasoline today is strictly rationed. One pump in all of Bucharest sells ethyl and that is reserved for the fast cars of Communist big-wigs. Only a poor quality of gasoline is available at regular gasoline stations.

Since Romania exports virtually no oil to the west, the conclusion is that Russia takes almost all. Some may go to other satellite nations.

Russia's financial and technical control is maintained by a joint Soviet-Romanian company.

Similar "Sovroms" control the greater amount of Romania's natural gas, metals, wood, chemicals, shipping, oilfield equipment, air and all other transport except railways.

Soviet troops can be seen almost everywhere in Bucharest, and at railway stations between Bucharest and the Hungarian border.

Russian bases appear often to be disguised as Romanian, if the example of an airfield north of Bucharest holds generally true. Over the entrance a sign identified it as Romanian, but Russian soldiers stood on sentry duty.

Romanian communism's concern for the safety of Soviet economic interests has resulted in immense precautions against popular unrest.

Damage Repaired

Correspondents, who were allowed to drive through Ploesti without stopping, had to pass a police checkpoint before they could enter the city. It was Sunday and the refineries were busily working.

Soldiers and police with machine pistols ready mingled on the streets with crowds of strolling oil workers and their families. The refineries and offices were heavily guarded.

Bomb damage in the city centre had been repaired, but a Western diplomat with whom the correspondents drove said there had been little construction of new housing for oilworkers.

He said he had learned that Ploesti workers were not satisfied with the new Communist order, despite incentive pay for drillers.

The diplomat said the Communists claimed the Ploesti workers had higher wages, cheaper factory meals, more clothes, better social services, and paid vacations.

"But in fact," he said, "their real wages are less because prices are higher and their housing is decidedly worse."

GIFT FOR VETERANS

WINNIPEG (CP)—The will of William H. Dimock, Winnipeg painter who died recently, provides about $8,000 to go to veterans of the South African War in the form of $10 Christmas presents as long as they live. There are between 100 and 120 of the veterans in Manitoba.

Dundas POW Says 13 of His Buddies Were Captured

By DON MATHESON

VANCOUVER (CP) — Pte. Thomas E. Rothwell of Dundas, Ont., one of two Canadian prisoners of war who landed here from Tokyo early today, said 13 other Canadians were captured with him Oct. 13.

With Pte. Rothwell, third Canadian PoW to be released by the Chinese Communists, was Gnr. Orval (Ken) Jenkins, 25, of Hamilton and Toronto, the second Canadian returned. Both smiled happily as they clumped down the landing ramp after arriving here aboard a Canadian Pacific Air Lines transport.

Pte. Rothwell, 27, said he was captured with 13 other Canadians last October during a bitter battle by the 1st battalion, Royal Canadian Regiment, in defence of Little Gibraltar hill.

Implying that security prevented him from saying more, he said: "I can't tell you what happened to them and I can't give their names."

When asked if he knew whether the 13 were alive and well, he said he hadn't seen them since shortly after being captured. He continued:

"Let's say that I can't say on my own knowledge if they are still alive."

A total of 22 Canadians have been reported captured by returning prisoners of war. The Communists said earlier that only 14 would be returned.

As Pte. Rothwell made his statements, the Communists announced in Korea that 13 Canadian prisoners would be returned Saturday. Three have been released so far. This brings to 16 the number of Canadians released or promised by the Reds.

Cpl. James Pelletier of Chatham, Ont., the first Canadian released, who returned home last week, said nine other Canadians were captured when he was taken prisoner May 2. He said he, too, had not seen the men again after the night of their capture.

After checking through customs, the two soldiers answered a barrage of questions at a press conference.

Gnr. Jenkins, quiet-voiced and calm, answered most of the questioning. Both said "we are not allowed to answer that" to several questions for "security reasons."

Korea Armistice Will Mean Canadians Will 'Get Mobile' After 2 Years in Bunkers

By BILL BOSS
Canadian Press Staff Writer

IN KOREA (CP)—The armistice is going to mean more active soldiering than Canadians have had in Korea for almost two years.

The men for that time were confined to front-line bunkers, where they sat and took enemy shelling, from which they went out on raids and patrols, and from which they escaped once a week or 10 days for a shower and a movie in the rear echelons.

Now, says a brigade headquarters training instruction just issued, they're going to get mobile again.

The instruction provides in detail for basic training at the individual, platoon and company levels during September and October.

Plan Group Exercises

And beginning early November, it says, "the brigade will be prepared to do a series of battalion and brigade group exercises in the mobile operations of war." The exercises will begin just when the 3rd Patricias are due to be relieved by the 2nd Canadian Highland Battalion, and will continue throughout the winter.

Elementary and ceremonial drills, weapons training, fieldcraft, section tactics, physical conditioning and bayonet fencing will be stressed during the first two months.

Brig. Jean Allard, the brigade commander, during the Saturdays of September and October, will do full inspections of each of the major units in turn, beginning Sept. 5 with A squadron of Lord Strathcona's Horse.

To Reorganize School

The Canadians' NCOS' school at Uijongbu, 12 miles north of Seoul, is to be reorganized. Since formation of the 1st Commonwealth Division the school has trained all the division's NCOs.

Beginning Sept. 14 the school will be devoted to Canadian training only. Courses to qualify for corporal and sergeant, lasting six weeks, and two-week refresher courses for instructors will be taught.

Officers with an eye to promotion or staff college entrance will begin courses at brigade headquarters the following day.

By Nov. 1 it is planned to have every soldier in the brigade checked off as having reached the standard of training prescribed by Ottawa's standing requirements for the leading infantryman.

Emphasize Attack

All the while battalions will be conducting their own exercises, emphasizing the withdrawal and attack phases of warfare.

Should hostilities be resumed it is anticipated that a withdrawal to regroup would be necessary under the force of the enemy's initial assault, after which the division would counter-attack. The training is intended to guarantee that the troops will be fully rehearsed in those roles.

During September, October and November, all captains and majors in the brigade will participate in syndicate discussions on problems that have confronted the brigade since its inception.

Not only will its method of original organization be gone over, but its recruitment, training, equipment and fighting problems will be discussed.

Significantly, the topic for Friday Sept. 4 is "the training and provision of reinforcements."

Police Were His Welcome Committee

Key figure in one of the most fabulous of all U.S. political scandals, Harold J. Adonis of Hoboken, N.J., was arrested when he returned from Holland after a voluntary exile of three years. He was sought in connection with a $228,000 bribery fund, allegedly operating when he was a clerk in the office of New Jersey Governor Driscoll. The fund was used to bribe officials to protect gambling. — Central Press Canadian.

ENROLMENT INCREASED

SASKATOON (CP)—Registration here for the University of Saskatchewan summer school was 1,324, a decrease of 31. But a boost in the Regina College section brought the total to 1,644, an increase of 10 over 1952.

BARRACKS RENOVATED

REGINA (CP) — The historic RCMP barracks here are being brought up to date by a $1,365,000 construction program. Near completion is a combined riding school and stable. The old riding school has been converted into a drill hall.

Preparing Strategy for Next Round

Andrei Vyshinsky, chief representative of the Soviet to the United Nations, (left), in deep and obviously serious conversation with Semyon Tsarapkin, deputy representative, right, at a session of the U.N. political committee. Vyshinsky suffered his first setback when the committee rejected his demand that Red China and North Korea be invited to participate in setting up the Korean peace parley, and since then has not been as aggressive as usual.—Central Press Canadian.

Happy Shah Returns Home, Hints Mossadegh May Die

TEHRAN (AP)—The Shah of Iran returned to his homeland today.

The 33-year-old monarch, a fugitive from his throne only a few days ago, arrived at his flag-bedecked capital in his private plane from Baghdad at 11:25 a.m. (3:55 a.m., EDT.)

The happy monarch took off from the Iraqi capital after hinting that ousted premier Mohammed Mossadegh may face treason trial and the death penalty.

The short flight back to Tehran was in sharp contrast to the shah's hurried flight from the city only last Sunday. Iraqi Crown Prince Abdul Ilah and high officials of the Baghdad government ceremoniously bade him farewell as his plane took off.

Given Warm Welcome

Here in Tehran, the green, white and red national flags blossomed throughout the city in greeting. Wooden triumphal arches baring signs spelling out "welcome to our shah" and "long live the shah-in-shah" (emperor of emperors) spanned roads leading from Tehran's airport to the heart of the city.

The shah, dressed in an Iranian air marshal's uniform flew to Baghdad from Tehran Friday night, inspected a contingent of the royal bodyguard before his plane left the Iraqi capital.

Iraq's King Feisal was reported ill and unable to be present at the airport ceremony. The Iranian ambassador to Baghdad and his staff also were absent. They had ignored the shah when he arrived as a fugitive a few days ago.

Gets Air Escort

A squadron of Iraqi fighter aircraft flew an honor escort for the twin - engined Beechcraft plane, piloted by the shah's personal pilot, as far as the Iranian border.

Tehran appeared bright and shining as the shah landed, fresh coats of whitewash covering the accumulation of old political slogans on walls throughout the city.

Beneath the decorations, however, the steel hand of martial law still gripped the city. Troops and police of Premier Fazollah Zahedi, backed by scores of heavy tanks, patrolled the streets for any hint of trouble from pro-Mossadegh forces.

Arrest Henchmen

Zahedi's government Friday night announced the arrest of three more Mossadegh henchmen as Shah Mohammed Reza Pahlevi told interviewers in Baghdad his first act on returning home would be to see that justice is done to all traitors.

The Iranian monarch arrived at the Iraqi capital Friday by air from Rome and stayed overnight as an official guest of King Feisal.

Asserting that under the Iranian constitution the highest crime is armed resistance to the government, the shah declared "the crimes of Mossadegh are the most serious a person can be responsible for."

He said he was not certain whether Mossadegh, as a civilian, would be condemned to death, but he added a soldier convicted of such activities would be shot.

Mossadegh Evil Man

"Mossadegh is an evil man who wanted only one thing out of life; power at all costs," the shah continued. "To accomplish this end he was ready to sacrifice the Iranian people and he almost succeeded. Thank God my people finally understood him!"

The former premier was arrested after pro-shah forces led by Gen. Zahedi overturned his regime in a violent coup Wednesday.

Seven Transport Drivers Charged With Besetting

KITCHENER (CP) — Besetting charges against seven transport drivers were adjourned Friday until Sept. 1 after 195 minutes of testimony.

Also laid over were various other charges arising from a disturbance Aug. 11 outside the Breithaupt yards of the Cope Transport Company Ltd.

The disturbance occurred on picket lines set up in the strike for higher wages of 1,500 Western Ontario truck drivers against transport companies.

Basis of the charge against the seven is that they watched and beset the Cope premises with the aim of preventing two Cope drivers from taking their trucks from the premises.

The accused are Robert Hope, Lavern Ellis, George Schmidt and Stewart Carter, all of Kitchener, Le Furlong, Waterloo, Red C. Crawford, Galt, and James Elliott, New Hamburg.

THE WEATHER

TORONTO. (CP) — Synopsis: An extensive area of high atmospheric pressure, which has persisted over Ontario for a week or so now, has been responsible for a prolonged spell of ideal late summer weather. From day to day a few showers have developed in widely separated areas but the duration and amount of rainfall have in general been insignificant. Temperatures have averaged slightly below normal figures but sunshine has been abundant. In brief, near perfect harvesting conditions favor the greater part of the province. Little significant change is expected in the immediate future, except for a trend to slightly warmer temperatures.

Lost 27 Days in Manitoba Wilds, 18-Year-Old Root-Digger Found

THE PAS, Man. (CP)—An 18-year-old seneca-root digger was found Friday after spending 27 days in the mosquito-infested wilderness of northwestern Manitoba. A search for him was given up two weeks ago.

Game guardian H. Saunderson found Donald Buck in the Davidson Portage area, 60 miles east of The Pas, after being attracted to the spot by a signal fire.

Buck wandered from a digging party of six July 25 and disappeared into the bush. He set up the signal fire with matches found with a food cache left by search parties.

The cache proved a life-saver. Buck had been without food for nine days. There were no berries in the district

Saunderson took Buck to his home at Moose Lake settlement, then arranged to have him flown to hospital at The Pas. Buck's legs are reported to be emaciated. Otherwise, he is believed to be in fair condition.

An official search for the youth started Aug. 2. RCAF search and rescue planes, private planes, police dogs and foot parties joined the hunt. They were forced to give up after more than a week's searching failed to uncover a clue.

NORANDA TALKS BREAK DOWN; STRIKE BEGINS

Big Crowd Assembles As Pickets Take Posts

NORANDA, Que. (CP)—Noranda Mines, Ltd., one of Canada's biggest producers of copper and gold, was tied up today by a strike.

The United Steelworkers of America (CIO-CCL) called the strike at midnight Friday night in a dispute over contract demands.

The 1,600 workers who walked out joined some 750 members of the same union on strike at three gold mines at Timmins, some 75 miles west of here.

No disturbances were reported as the 1 600 workers at Noranda went out. The strike is expected to have repercussions in the Rouyn-Noranda area, where six mines send ore to Noranda for processing.

Bedlam Breaks Loose

A small army of pickets appeared at the mine gates at 15 minutes to midnight. Ten minutes later the area around the mine became a bedlam of shouting miners and honking autos.

Great floodlights perched on the smelter and the two tall stacks of the mining company threw an eerie glare on an estimated 5,000 people who jammed the streets in a few minutes.

By midnight 400 men had formed a rotating circle beside the gatehouse, laughing and shouting and waving signs.

Talks Break Down

The strike was called following the breakdown Friday of talks between union and company officials at Toronto.

"It had to happen because the company refused to budge in the face of reasonable demands," said Pat Burke, union area supervisor. "The men have voted overwhelmingly for the strike."

C. E. Anderson, Noranda manager reported only that the check-off and other plans were discussed at the Toronto meeting.

The union is asking for a reduction in hours from 48 a week to 44 with the same take-home pay plus an across-the-board increase of 30 cents an hour and check-off.

The company said earlier this week it would never grant the check-off Spokesmen said the company was willing to grant a wage increase in place of it.

Mayor Whitton Pays and Pays To Fix Fender

OTTAWA (CP)—When it comes to fenders, right rear, Mayor Charlotte Whitton of Ottawa pays and pays.

The mayor parks her car in little Sussex street, where a sign says, for her benefit, "courtesy reservation." Four times other vehicles, backing or turning in the street, have smashed the fender and hurriedly departed.

The garageman fixed one dent and returned Miss Whitton's car to its parking place at 3:30 p.m. but when the mayor left at 5 p.m. the same fender had been crumpled again.

The cost so far, says Miss Whitton: $22, $24, $26, $35.

PC ASKS RECOUNT

ORILLIA (CP)—Dr. P. B. Rynard, unsuccessful Progressive Conservative candidate in the Aug. 16 federal election, Friday asked for a recount in East Simcoe riding. Dr. Rynard was defeated in East Simcoe by Liberal candidate William A. Robinson by 155 ballots. A decision on the recount application is expected in a few days.

Thirteen Canadians Freed, State More Still to Come

By Bill Boss
Canadian Press Staff Writer

FREEDOM VILLAGE, Korea (CP—Thirteen Canadian soldiers including the first Canadian officer to be released regained their freedom today in the continuing exchange of prisoners of war.

The 13 returned today bring to 16 the number of Canadians the Communists have returned to date under the terms of the Korean truce, two more than the 14 they promised before the big switch began.

All but two were available for interviews and all appeared to be fairly well, although the officer, 2nd Lieut. Charles Owen of the 3rd battalion of the Royal Canadian Regiment, from Vancouver, had the roughest experience in captivity of any Canadian so far returned.

More To Come

Today's group said there are more Canadians still to come, but Canadian security officers did not allow them to tell how many.

Security officers said others are being held in Camp 3. from which today's prisoners came, and now are at Kaesong awaiting exchange. They were expected to come through within a few days.

The greatest hardship suffered appeared to be the thin diet endured last winter.

Pte. Joseph Bellefeuille of Hull, Que., said: "We could tell the way the peace talks were going by the food we got. When progress was good, the food was good."

The men unavailable for interviews were L.Cpl. A. A. Deveau of the 3rd battalion, Royal 22nd Regiment, from Comeauville, N.S., and Pte. H. H. Brooks of the 3rd battalion, Princess Patricia's Canadian Light Infantry, from Regina.

Are Given Treatment

They were taken to Brittania camp for medical treatment and officers said they might be available for interviews later today.

Both Deveau and Brooks previously were listed as missing. Owen was listed as missing, believed a prisoner of war, and all the others —thanks to word brought back last April by L.Cpl. Paul Dugal of Quebec city—were listed as prisoners.

Owen said he was kept in solitary confinement during 11 of the 16 weeks he spent in North Korea.

He said that before his capture, during a battle in which the 3rd battalion, Royal Canadian Regiment, was engaged on May 3—he was captured on his 24th birthday, incidentally—he sat out one barrage in a latrine in a forward position.

"When it lifted the Chinese were running down a trench. I reached out with a pistol and shot three through the head. My pistol jammed, but I still had some grenades which I dropped out when I heard more Chinese coming.

"The Chinese threw some back into the latrine. One landed at my feet. I put my foot on it and all it did was blow my feet into the air and throw a small fragment into my seat."

Owen suffered head and arm wounds at the same time.

The Chinese guessed that he had no more ammunition. They shouted: "Hey, Joe, surrender. No harm."

Owen said he gave himself up and was taken into the Chinese lines, where enemy soldiers "pulled my hands down and started to pump them as though trying to make friends."

He was in pain and after getting rudimentary wounds dressings was given "white pills looking like rice seeds."

"I took one and it knocked me out until next morning."

Owen said he spent four weeks in a room eight feet long by eight feet wide. It had a mud floor and the only furnishings were a pile of straw and a small flat stone.

Rock Pillow Taken

He used the rock as a pillow at night for three weeks "until a guard saw me on it and took it away. I was never so angry before —it was my only luxury."

"Food was brought in daily and I was allowed outside every third day without soap to wash in a nearby stream. The food there was okay, though. It was the same as the Chinese guards' food and I tasted it without ill effects and so ate lots. It was superior to what we got later in prison camp."

The following two months were divided between a prison camp in which Owen was kept in solitary confinement, similar to 10 other officers there, and a private Korean home where he was billetted with the guards.

Owen said he did not know why he was transferred to a private home.

"But the Koreans and I had strict orders to leave one another alone so I guess it was just another way of keeping an officer apart."

Brighton Man Happy

The brightest prisoners to return in a long while were Ptes. George Griffiths, 23, Brighton, Ont.; Ken Dawe, 24, Grand Bend, Ont.; James Cranston, 20, Hamilton, and Don Orson, 23, Ridgetown, Ont., who kept up a steady flow of banter with reporters.

When the photographers wanted a snap of Griffiths, who had his ear punched while a prisoner and wore a tooth of a pocket comb in it, the flash gun slipped.

"It was made in China," Griffiths quipped. "It falls apart."

Members of the 1st battalion, Royal Canadian Regiment, all four except Griffiths said they intend to remain in the army.

Griffiths said he'd stay "if I get the breaks—quartermaster or any job pushing a pen, but not officers' mess. I've had enough of that already."

Brighton Soldier Is Freed; No News on Hastings Man

OTTAWA (CP)—Sixteen Canadians now have been released by the Chinese Reds in Operation Big Switch—two more than the Communists said they held when the prisoner-of-war exchange in Korea began.

This might indicate that other Canadians still listed as missing but believed prisoners may turn up But the army said that on this meagre evidence it can't, however much it would like to, raise the hopes of relatives of men still unaccounted for.

When the exchange started. the Canadian army listed 18 men as prisoners and 27 missing. The Communists said they held 14 Canadians.

Of the 18 prisoners, 12 now have been released, leaving six to be returned. Of the 27 missing, four have been given up by the Reds, leaving 23 unaccounted for.

List Of Men Freed

Cpl. Joseph Pelletier of Chatham. Ont., was the first Canadian released. That was Aug. 4. He had been listed as missing. Gnr. Orval Jenkins of Hamilton was released the following day and Pte. Thomas Rothwell of Dundas, Ont., Aug. 13. Both had been listed as prisoners-of-war.

Only those three had been returned up to last night, when 13 more were released.

They were 2nd Lieut. Charles Owen Jr. of Vancouver, Pte. H. H. Brooks of Regina and L. Cpl. A. A. Deveau of Comeauville, N. S., all listed as missing; and 10 privates listed as prisoners: J. T. Allain of Rexton, N. B., Joseph Bellefeuille of Hull, Que.. James Cranston of Hamilton. Kenneth Dawe of Grand Bend, Ont., Eugene Fields of Windsor, Ont., George Griffiths of Brighton, Ont., Bernard Jewer of New Waterford, N. S.. Elmer McInnis of Little Bras d'Or, N. S., Donald Orson of Ridgetown, Ont., and Ronald Watson of Toronto.

29 Unaccounted For

Of the 29 men still unaccounted for—six prisoners and 23 missing—12 are from Quebec, nine from Ontario, three from Alberta, two from Manitoba, two from Nova Scotia and one from Saskatchewan.

Relatives of men who have still not turned up hoped and prayed. These men include from Ontario:

Prisoners:

L. Cpl. William Bell, Royal Canadian Regt.; mother, Mrs. Edith Bell, Toronto.

Pte. Robert T. Eakins, RCR; wife, Mrs. Betty Eakins, Toronto.

L. Cpl. Frederick J. Jollymore, RCR; mother, Mrs. Jean Jollymore, Toronto.

Presumed Prisoners

Missing, presumed prisoners-of-war:

L. Cpl. John H. Fairman; mother, Mrs. Blanche Fairman, Hastings

Pte. Donald J. Gunn; father, Daniel Gunn, Toronto.

Pte. John P. Keating; mother, Mrs. Terese Keating, Toronto.

Pte Victor O. Percy; mother, Mrs. Kathleen Percy, Windsor.

Cpl. Ernest Taylor; mother, Mrs. Elsie Taylor, Preston.

Cpl. John R. Toole; mother, Mrs. Nellie Toole, Hamilton.

WANTS QUEEN IN CANADA

TORONTO (CP) — A Canadian residence for the Queen and the Royal Family was advocated Friday by B. T. Richardson, editor of The Telegram. He told a Rotary Club meeting that the presence of the Queen for a period each year "would make the fundamental meaning of the Canadian nation a living reality." It would also clarify Canada's relations with the Commonwealth and the United States.

KEEP CONTRACT TORONTO LEADER URGES TRUCKERS

Calls on Union's Chief To Respect Agreement

TORONTO (CP)—Conflict has developed in the International Brotherhood of Teamsters (AFL-TLC) over a wages strike of 1,500 truckers in Western Ontario.

William Mills, president of the 3,700-member Toronto local of the union, Friday night hit out at the presence in Canada of Detroit's teamster boss James Hoffa and indicated his local will fight to preserve its autonomy against any encroachment by Mr. Hoffa.

Highway transport in Western Ontario has been tied up by the strike of the Hamilton and Windsor locals. Mr. Hoffa warned from Detroit Friday that unless the strike is settled next week "some other economic action" will be taken.

This was interpreted in some union quarters as a move to set up picket lines to halt transport out of Toronto where the local has an agreement with the transport companies.

Should Respect Contact

Mr. Mills told Dave Beck, president of the union, he should accept the responsibility of respecting the sanctity of contracts. This was considered a challenge to repudiate picket lines set up by the Hamilton local in the Niagara peninsula. The district is in the territory of the Toronto local.

Mr. Mills Friday night again urged his local members in the peninsula to respect their contracts and ignore picket lines. But the lines, set up by the Hamilton local, were still turning back trucks.

Mr. Mills challenged the international union to remove him or any member of his executive from office on the basis of the record of the local.

Orders Return To Work

"I still at this late date, in face of all the violence and name-calling will issue instructions to my local's members in the peninsula to return to work," he said. "If we repudiate our agreements, collective bargaining in any international is in jeopardy."

Mr. Hoffa's statement of "other economic action" came after unsuccessful talks at the legislative buildings adjourned until Tuesday with no settlement in sight.

Says Woman, 22, Led Youngsters Into Burglary

MONTREAL (CP)—A 16-year-old youth, who has admitted taking part in robberies totalling $45,000 in Mount Royal and Outremont during a period of months, was confined Friday for two years to the care of the Laval Institute—attached to St. Vincent de Paul penitentiary—to learn a trade.

The youth told the court Thursday that he and eight companions were led astray by a 22-year-old woman.

The youth is one of a band of nine youngsters, ranging in age from 13 to 17, who broke into the homes and hid their loot in hollow trees on Mount Royal.

The woman who allegedly led the youths astray is Marie-Blanche Poliquin who Wednesday pleaded innocent to a charge of receiving $500 worth of the stolen articles. She is to be tried Aug. 26.

Sullen Moroccans Gather in Capital To Greet Sultan

Arab-Asian Bloc Demanding UN Session on French Action

By TOM MASTERSON

RABAT, Morocco (AP)—White-robed tribal chiefs and Moslem religious leaders gathered in this sullen North African capital city today to greet Morocco's new French-backed ruler, Moulay Mohammed Ben Arafa.

The 64-year-old candidate of the hill - country Berbers was proclaimed sultan Friday after the French dethroned his cousin, former sultan Sidi Mohammed Ben Youssef and sent him into exile on Corsica.

French officials would not say whether the new sultan would parade through the streets to the Imperial Palace after his special train gets in from Marrakech.

Still Fear Riots

It still was feared the bold decision to switch rulers might bring rioting among followers of the rival chiefs.

Strong French Army and police forces held Rabat under tight military control. A curfew clamped on the city following Thursday's ouster of Ben Youssef has been lifted, however.

The Arab population remained quiet but glum, as if in mourning, although it was the period of the big religious feast, Aid El Kebir, and ordinarily would have been a time of rejoicing

Demand UN Session

The loudest outcry so far against the forced exiling of the nationalish-minded sultan, Morocco's spiritual leader and nominal ruler for 25 years, came from the Arab-Asian bloc in the United Nations. The 16-country group decided Friday in New York to ask for an urgent session of the UN security council to act against France's "unlawful" action.

The bloc said the sultan's ouster could lead to international strife and thus should come under UN jurisdiction. France has maintained that administration of the French protectorate is a domestic affair. She has warned she will walk out of the UN if it meddles in the affair.

Another protest, a call for a Moslem "crusade against France", came Friday from Islam's highest religious institution, the ancient university of Al Azhar in Cairo.

Tanks Surround Palace

The signing of documents approving Ben Arafa as the new sultan took place in a palace at Fez, ancient Moroccan capital and still regarded as the religious centre of the country. As a council of 350 Moslem leaders gathered for the signing, French Army tanks and fierce pro-French Berber tribesmen surrounded the palace.

French officials denied there was any significance in the show of force, but observers pointed out this same council of Islamic muftis had threatened to kick out Moslem leaders who tried last week to dethrone Ben Youssef.

The French stopped that attempt, led by Pasha Thami El Glaoui of Marrakech. Then the French did the dethroning themselves.

LET 'EM EAT CAKE?

PARIS (AP) —Bread-loving Parisians got a jolt Friday night when bakers voted to strike until midnight Monday. Pastry cooks stayed on the job. So the Parisians may end up eating cake.

Declare Forest Fire in Quebec Potentially as Dangerous as Ever

FORESTVILLE, Que. (CP)—Potentially the forest fire burning north of here is as dangerous as ever, forestry officials said today.

Despite the fact the blaze has made little headway in the last few days, no appreciable amount of rain has fallen, and high winds could revive the flames.

Meanwhile, the lumbering centres in this area have begun to return to normal. Most of the 167 women and children evacuated from nearby Ste. Therese du Colombier Sunday have been reunited with their husbands and fathers who stayed behind.

Sixty of the evacuees, however, stayed in Ste. Anne de Portneuf, feeling all danger had not yet passed.

Red Cross diasaster crews, reported earlier to be leaving this region, 200 miles east of Quebec City, have decided to stay on for a while in the event revived flames pose another threat to nearby villages.

In Quebec City, Premier Duplessis said his government may take severe measures to protect forests from destructive fires such as the one experienced here.

He said action would have to be taken against types of "carelessness" responsible for forest fires.

Fire fighters, who have fought the blaze since it began Aug. 7, have taken advantage of the respite in the fire's advance and are consolidating defences against a possible change in the situation.

Fire breaks have been enlarged, and new ones bulldozed around settled areas.

Three Persons Killed in Toronto On Friday

TORONTO (CP)—Three persons were killed in Toronto Friday, two in traffic accidents and one by electrocution. The traffic fatalities were the city's 36th and 37th of the year.

Mrs. Eliza Mills, 82, died on an east-end street after being hit by a dump truck while crossing the road. Jengiro Kuroda, 64, died in hospital Friday night after being hit by an auto.

Edward Solsky, a Toronto hydro lineman, died after a 2,400-volt charge of electricity tossed him 24 feet to the ground from the pole he was working on.

Train Hits Truck Two Tobacco Workers Killed

DELHI, Ont. (CP)—After waiting for a westbound train to pass, two tobacco workers were killed as an eastbound New York Central train crashed into their truck on a level crossing five miles north of here Friday night.

Dead are Dolphy White, driver of the truck, about 45, of RR 1 Waterford, and Morris Vincelette, 27, of Drummondville, Que.

Four others riding on the back of the truck escaped death by jumping just before the train hit, but one of them, Gaetan du Fort, 14, of Drummondville, Que., was seriously injured when he tumbled to the ground.

The others were Samuel Simmon, who escaped from the cab, and Peter Agnac, 27; John Claude Hetu, 18, all of Pembroke; and Tony Tremblay, 27, of Sudbury.

Will Visit Canada

OTTAWA (CP)—Field Marshal Sir John Harding, chief of the Imperial General Staff, is due to arrive in Montreal Aug. 31 to begin a two-weeks' tour of Canadian military installations.

The army announced Friday that the field marshal will be flown on arrival to Ottawa.

During his tour, Sir John will visit the Canadian Army Staff College, National Defence College and the Royal Military College at Kingston.

ROYAL VISITORS

OTTAWA (CP)—Princess Irene, 15, and Princess Beatrix, 14, of Holland, arrived in Ottawa Friday from Cape Cod, Mass., for a week's holiday. The two Dutch princesses have been staying for five weeks at Cape Cod with H. F. Feaver, Canada's chief of protocol, and his family. They will stay at Mr. Feaver's home in Ottawa.

Great Array of Tempting Produce Of Farm, Garden Seen on Market

Lovely flowers, delicious fruits, and energy-producing vegetables were in abundance on the market, which, coupled with bright sunshine, made for a brisk turnover.

Delicious Fruits

Among the fruits offered were cantaloupes at 10 to 35 cents each; watermelons 10 to 25 cents; baskets of huckleberries at $2.75 or 50 cents the quart basket; one box of blue raspberries, the last of the season, was also 50 cents; glistening, long thimble berries (wild) were $1.75 the six-quart basket; peaches, golden Jubilees and Red Haven sold at 65 to 70 cents per six quart basket; golden Shiro plums 25 cents the berry box; also red Lombards, green gages, 25 the box; blue gages, 25 the berry box, or $1 per six quart basket; Clapps favorite pears, exceptionally fine selection $1 per basket; red Astrachan apples 75 cents per basket as were also the yellow transparents; Duchess were 25 cents the berry box and Melbas 35 or 75 the six quart basket.

Flowers consisted of gladioli in many colors and shades and sold at from 35 to $1 per dozen spikes; zinnias, 25 the dozen; lovely double delphiniums $1.50 the dozen; Asters 25 per bunch, giliardias 25 the bunch, African violets, blue, deep purple, orchid and pink were selling at 75 cents to $1.25 the pot.

Enticing Vegetables

The vegetables enticingly fresh included corn at 50 cents the dozen, beets, carrots and onions 3 bunches for 25; tomatoes, fine quality, 60 cents the basket; green tomatoes, 50 cents the basket; individual squashes, 10 cents each; cucumbers for table use 5 cents each; gherkins $1.50 for six quarts; ground cherries 35 the berry box; marrows from five cents to 30 cents or 75 cents the basket for small size; Irish Cobbler potatoes 40 cents basket; silver skin pickling onions 40 cents the berry box; sweet peppers 5 cents each; dill 10 cents per bunch; cabbage 10 cents per head; garlic 5 cents each and pie pumpkins 15 cents, celery 5 to 10 per bunch, egg plants 20-35 each.

Poultry ranged from 55 to 60 cents per pound, and 65 cents for capons. Eggs were: large 73 cents per dozen; medium 63, and pullets 50.

Honey as usual 95 for 4-pound pail; 55 for 2-pound container, and 30 cents per 1-pound.

Home Made Breads

In the inner market some fine homemade bread and buns as well as cakes, pies, tarts, and small cakes found ready buyers. Homemade bread 20 cents per loaf; buns, 20 cents the dozen; pies, fruits 50 cents each other varieties 45 cents each. Layer cakes, both chocolate and white, 50 cents each; date squares, 10 cents each; date bread 25 per small loaf and 45 for large.

Handicraft included the usual fine sewing, aprons, dresses, linens, plastic and sleevelets, and all over bibs for children. Some lovely lace hand-crocheted, in white and yellow, was also seen.

Permanent Top Being Provided By County Forces

A permanent top for the Hastings county section of the Stirling-Campbellford road is being provided this year by county road forces. The work is now underway.

County Engineer Larry Langlois said that an asphalt mulch road mix would be laid for four miles west from Stirling. The work is being carried on by county forces and will receive the usual provincial subsidy. The Northumberland county section of the road from Campbellford to Hoard's Station has already received a permanent top.

Other work now under way by county road forces is the regrading of a half mile section of the Shannonville sideroad. This is a continuation of the work started two years ago and carried on last year. With completion of this year's work, the roan will be regraded to a point 2 1-4 miles north of Shannonville.

Boy Wounded By .22 Bullet

Accidentally shot through the abdomen with a .22 rifle said to have been in the hands of a playmate, John Keith Diamond, son of Mr. and Mrs. Jack Diamond, R. R. 6 Belleville, is in Belleville hospital.

Reports indicated that the father of the boy had been using the .22 repeating rifle to shoot birds and had set the rifle down.

According to Dr. A. C. R. McGonigle who operated on the boy, the bullet passed completely through the abdomen. Dr. McGonigle said he was pleased with the condition of the boy although he was not completely out of danger.

FRANKFORD

United Church Holds Picnic

FRANKFORD — The Frankford United Church Sunday School held its annual picnic on Saturday last, at Crystal Beach. A bus was chartered and several cars were used, in order to provide transportation for the children, parents and teachers, who attended the outing. There was rather a small turnout, due to the holiday season, and being Saturday those in business were forced to stay away.

All who were able to attend however, had an enjoyable day, which started off with softball games for the older people, with games for the children and swimming for all.

The picnickers brought their own lunch baskets, and after the repast everybody gathered for the main attraction which was races of every sort, for one and all.

The events and winners were as follows:

Junior boys: Mervin Dafoe and Carl Richards; Teachers, Howard Richards, Frank McInally; David Huston.

Junior girls: Joan McCrea, Mrs. Edna Hall—Vlasta Rabel, Jean Caldwell, Helene Plevak.

Primary girls: Teachers, Helene Charlesworth, Mrs. C. D. Powell, Anne Harrington, Mrs. W. W. Lawrence—Lois Richards, Mary Plevak, Irene Plevak.

Primary boys: Teachers, Mrs. F. Conley, Marilyn Wannamaker—Joe Rabel, John Beach.

Beginners, Mrs. Wessels —Gary Woodcox.

Beginners: Elsie Coulture — Elaine Sharp, Anne Beach, Janis Sharp.

Intermediate girls: Teachers, Mrs. Stickle, Mrs. Martin—Sharon Bush, Wanda Martin, Carol Reid.

Intermediate boys: Teachers, H. J. Madill, Raymond Scott — Ian Finnegan, Cyril Smith, Harold Patrick.

Senior girls: Teachers, Mrs. Lawrence, Mrs. Carlisle—Gwenyth Bush, Marion Richards.

Junior Boys, (Bag Race), teachers Mervin Dafoe, Howard Richards, Carl Richards, David Huston, Peter Dokalee.

Junior Girls, (Sack Race), teachers Joan McCrea, Mrs. E. Hall, Sandra Morrow, Karen Carr, Jean Caldwell.

Intermediate Girls, (Sack Race), teachers Mrs. Stickle, Mrs. Martin, Wanda Martin, Gwen Bush, Sharon Bush.

Intermediate Boys, (Wheelbarrow Race), teachers H. J. Madill, Raymond Scott, Ian Finnegan, Cyril Smith; Bill Dafoe, Howard Patrick.

Men, Senior Boys, (Roll the Potatoes), Sid Martin, Gene Lohnes, Jack McInally.

Women, Senior Girls and Mrs. K. Lawrence's Class, (Kick the Shoe), Marion Richards, Gwen Bush, Mrs. Rabel.

Men, Senior Boys, (Kick the Shoe), Gene Lohnes, Harold Vosborough, Sid Martin.

Women, Senior Girls and Mrs. Ken Lawrence's Class, (Nail-Hammering Contest), Mrs. Rabel, Mrs. Plevak, Mrs. Acton.

All Women, Mrs. Beach, Mrs. Rabel, Mrs. Woodcox.

All Men, Gene Lohnes, Jack McInally, Harold Vosborough.

Beginners, Scramble for candy kisses.

Primary Girls, Scramble for peanuts.

Primary Boys, Scramble for peanuts.

Vacation Bible School

The United Churches and Sunday Schools of Frankford and Batawa will join in sponsoring a Vacation Bible School to be held in Frankford Community Hall from Monday, August 24th, to Friday, September 4th. Classes for children of school age, grades 1, 2, 3, and grades 4, 5, and 6, and also classes for those of preschool age will be held. Parents wishing information should call Rev. Donald Badger, at Frankford, (phone 45), after Friday, August 21st; those in Batawa parish can get information from Mr. H. Hern, Sunday School Superintendent. Batawa parents are requested to enroll their children by August 19th, so that adequate transportation can be provided. Volunteer help in conducting this school will be appreciated.

Plowing Match Set for Cobourg

COBOURG (CP)—The first world championship plowing match, which has drawn the best in the business, will be held near this eastern Ontario town in October. Plowmen from 12 countries have entered.

They will compete for a $1,500 trophy, a glittering gold-plated plow.

The world champion event will be held Oct. 8 and 9 on the Durham - Northumberland Counties Home Farm about 70 miles east of Toronto, in conjunction with international plowing match of the Ontario Plowmen's Association which opens two days before.

61-Bed Campbellford Hospital Officially Opened on Sunday

CAMPBELLFORD — An eight year dream on the part of residents of this Trent Valley hydro town and district will be realized tomorrow (Sunday, August 23), when they will see the official opening of their new 61-bed Campbellford Memorial Hospital.

The new hospital, costing an estimated $380,000 will commence operations about September 1st. The hospital has 19 medical and surgical beds; 15 maternity beds, eight children's cots and 23 beds for chronically ill.

In addition the hospital has an up-to-date operating room, modern kitchen and laundry equipment. The obstetrics suite is modern and fully equipped, and the nursery with accommodation for 15 babies has modern units for each baby with a separate nursery for ill infants.

Sunday all Campbellford will turn out to see the key turned in the hospital by Hon. W. A. Goodfellow, Ontario Minister of Welfare, who has done much to make the hospital possible. The official opening and dedication were even set forward a week in order that Mr. Goodfellow could take part.

Originally the official opening and the actual commencement of operation of the hospital were planned to coincide but other duties made it necessary for Mr. Goodfellow to be in northern Ontario next week.

Health Minister Speaker

Hon. McKinnon Phillips, Ontario Minister of Health, will be on hand to give the main address at the official opening program and Campbellford's Mayor R. J. Locke will give a report on the work and effort, which went into making the new hospital a reality.

It was eight years ago back in July 1945 that a citizens' committee was organized to make plans for the building of what was then expected to be a 20-bed hospital.

The site was selected but a "pay as you go" policy held up the actual start of construction until 1948.

By that time the plans for the new hospital had become more ambitious and instead of a 20-bed hospital plans now called for a 40-bed institution.

Practically every organization and service club in Campbellford and district as well as municipal councils, manufactures, school and church groups, have had a hand in raising funds for the new hospital. Individual contributions swelled the total but even with provincial and federal grants money fell short for completion of the hospital and construction lagged for want of funds.

It was not until the provincial government approved plans to utilize part of the ground floor for treatment of the chronically ill that enough money was secured to complete the building.

W. F. Scott, Chairman

Heading the hospital board of directors who have worked so hard in making the hospital a reality is William F. Scott as president of the board. Mr. Scott will see the realization of his dreams on Sunday when he acts as chairman for the official opening program which gets underway outside the main entrance at 2 p.m.

Other board members include H. M. Donald as honorary president; Mayor R. J. Locke as vice-president; F. S. Linton, secretary, and R. D. McDonald, treasurer.

Chairman of the building committee is A. J. Meyers who will accept the key from Mr. Goodfellow after the hospital is officially opened. Other committee members are Dr. C. A. Bright, Dr. R. W. Jolliffe, W. W. Archer, Mrs. Jessie Locke, Mrs. R. E. Fox and C. H. Davidson.

The new Campbellford hospital will replace the present institution which handles only maternity cases. But even in its cramped quarters the Campbellford maternity home has recorded an average of over 200 birth annually.

Superintendent of the new hospital is Mrs. Margaret Daniels, Reg. N., former superintendent at the Prince Edward County Hospital at Picton. Nine other nurses, including Miss Helen Gorman, Reg. N., superintendent of the present maternity home, will staff the new hospital.

General contractor for the hospital is Wilfred Spencer, former Hastings county councillor from Rawdon township.

Kingston Man Charged

Brockville (CP) — Hubert Somerville of Kingston, 29-year-old driver of Colonial Coach Lines bus which crashed into a parked car and injured three persons near here Tuesday, was charged Friday with dangerous driving.

The car was parked beside the highway, its five passengers resting, when the bus hit it and careened into a farm house. Harold Good, 34, driver of the car, his son George, 11, and his mother-in-law, Mrs. Marie Cromier, 51, all of Langstaffe near Toronto were injured.

Trenton News

Traffic Getting Heavier In Bottle Neck

TRENTON. (Special) — The Trenton bottle neck, which is that part of No. 2 highway known better as the town bridge and Dundas Street, has some of the best brains in the country working overtime these days. The situation as far as congestion is concerned worsens as the Trenton Air Station and industry spreads out and more people come to the community. Add increased through traffic especially during the tourist season and you have a problem promising plenty more trouble until a proper solution is found.

Little relief is expected from the installation of the super highway just north of the town because by the time that throughway is open to travel the number of motor vehicles in the area will have grown with only the overtaxed arteries to handle the crowding.

The Trenton street plan in the downtown area does not lend itself to heavy traffic because of the narrow side streets running into the main thoroughfare. Authorities maintain that the present traffic lights system is adequate and little improvement can be made by adding anymore signals. A member of the Police Commission feels that police standing out in the roadway directing traffic would have a tendency to slow down the movement of traffic instead of speeding it up.

A suggestion, which may be exploited recommends another highway bridge to cross the river some place below No. 1 dam. The traffic using this span could be filtered back into the main highway along routes constructed purposely to link the town with the throughways.

CAR ROLLS OVER

Involved in a motor vehicle accident at Presqu'ile Beach on Thursday night, George Carr, 16, son of Mr. and Mrs. Hugh Carr, of Brighton, suffered serious leg injures which needed special attention at the Belleville General Hospital. According to police the car which the youth was driving failed to make a turn and rolled over.

Four Persons Injured In Head-on Crash

Four persons were admitted to Belleville hospital and several other persons received a shaking up early this morning as a result of a head-on collision between two cars on the Devil's Elbow on West Dundas street.

Both cars involved in the accident were badly damaged as the two vehicles crashed together on the curve. Fortunately no one was critically injured.

Taken to hospital by Bush's Ambulance were B. H. Jenson of Trenton with a dislocated knee; William Gibson, Trenton, broken teeth and facial cuts; May Meikle, Trenton, abrasions to knees and forehead and lacerations to the chest, and Miss Kay Deveaux of Montreal with unstated injuries.

Police said the crash occurred almost in the centre of the roadway. Driver of the westbound car was B. H. Jenson of Trenton, while Maurice Hector of Montreal was the driver of the eastbound vehicle.

Transformer Dynamited

TIMMINS (CP)—An electrical transformer was dynamited at the strike-bound Broulan Reef gold mine this morning as massed strikers refused to allow workers to enter the propertyf or the first time in a week. There were no injuries.

The blast hit the $12,000 transformer near the company's main building. It was the second mysterious dynamiting since some 350 Broulan workers struck six weeks ago for higher wages.

Obituary

WILLIAM GEORGE SMITH

Following an illness of some duration, William George Smith, 63 Purdy Street, died in the Belleville General Hospital early this Saturday morning. He was born, in England, 53 years ago, being the son of the late Mr. and Mrs. William Smith and has been a resident of Belleville for the past eight years. He formerly resided in Toronto.

The late Mr. Smith was well known in the city and district and his death will bring sincere regrets from a wide circle of friends. On arriving in Belleville he became manager of the Conger Coal Company but was forced to relinquish the position due to ill health. For the past couple of years he has been employed with the Canadian Bank of Commerce.

A Baptist in religion, he is survived by his wife, the former Margaret Handson, three sons, William Smith, Jr., in the RCMP in Regina; Ross and Keith at home; one daughter, Miss Donna at home and one brother, Frank Smith of Toronto.

Resting at the Belleville Burial Company Funeral Home, the funeral announcement is made elsewhere in this edition.

Regent Juniors Sweep Series With Liftlocs

By PETER UPPER

Bryson Reid's Regent Juniors are safely into the second round of the O.B.A. Junior A playdowns. Friday evening at Peterborough, they took their third straight game from Peterborough Liftlocs sinking them into 14-2 oblivion. The Regents thus took the five-game series in three straight, leaving no doubt of their superiority and raising high hopes for their future success in their hunt for an Ontario title.

The Regents jumped into a four run lead in the first frame and that was all they needed to win it. However, they slugged their way to two more counters in the second, one in the fourth, four in the sixth and three in the seventh before the game was called because of darkness.

Greer did the hurling for the Regents getting 10 on strikes and passing but three. He gave up but five hits over the route.

Frizzle and Mike, Peterborough pitchers, were clobbered for fifteen hits while Mike struck out four and walked six. Frizzle did not get a chance to strike out anyone when the Regents got five hits in the first frame.

Claude Carr and Paddy Gilmour led the Regents in the blasting with Gilmour getting a homer and two singles. Carr got a double and a brace of singles. The double that Carr got looked like it would go far over the fence but it hit the wire connecting the light in the outfield and so he only got a double.

Doug Hull slammed the ball for a triple and a single, Goyer got a double and a single, and Stephens got a pair of singles, Batchelor slammed the ball for a double while Hall and Greer each pushed the ball over the infield for a single apiece.

Score by Inning		R.	H.	E.
Regents	420 104 3—	14	15	3
Liftlocs	110 000 0—	2	5	5

Umpires— Plate, Dolan; Bases, Calladine. Scorer — P. Upper. Time 2 hours.

Need Twice as Many Votes To Elect PC as a Liberal

By THE CANADIAN PRESS

It took twice as many votes to elect the average Progressive Conservative candidate in the Aug. 10 Dominion Election as it did to elect a Liberal. A Canadian Press compilation based on almost complete figures show that the 51 Progressive Conservatives elected needed an average 33,562 votes while the 168 Liberals needed only 15,546. The Liberals had two acclamations for a total of 170.

The 23 CCF candidates elected needed an average of 27,212 and the 15 Social Crediters 20,684.

With 95.8 per cent of civilian polls reported, the vote totalled 5,438,043. In the 1949 election, 5,848,766 votes were cast.

With 38,187 of 39,864 polls in, Liberal candidates had polled 48 per cent of the total, compared to 50 in 1949. They received 39 per cent of 5,246,130 votes cast in 1945.

The Progressive Conservatives polled 31 per cent of the vote compared with 30 in 1949 and 27 in 1945.

The CCF percentage was 11 compared to 13 in 1949 and 16 in 1945.

The Communist Labor-Progressive party, which put a record 100 candidates in the field without electing one, polled 61,703 votes. This was 1.1 per cent of the national total.

Social Credit, with a total vote of 309,957, got 5.7 per cent of the national total.

Meat Grinder Pressed into Service In New Method of Oyster Propagation

VANCOUVER (CP)—A new use for the meat grinder is reported here by the men in the business of breeding oysters.

The Pacific oyster, fortunately, is a patient, unprotesting fellow. For the new method being used to encourage propagation has taken all vestiges of romance out of spawning.

Growers, who have long been dependent on buying seed oysters to replenish their beds, now are actually putting the bivalves through the chopper.

Males and females are ground up together by the thousands of bushels, and the resulting mash is spread over the beds.

This artificial union produces a crop of minute larvae, which float about for three weeks or so and then attach themselves to shells or rocks and proceed to settle down and fill a shell.

The old-fashioned natural way, say oyster men, was too haphazard, too dependent on water currents, temperatures and the peculiar whims of the oysters.

B. C. oyster growers are also watching with interest the result of another large-scale project to free the industry from the necessity of importing seed oysters from Japan.

Early this summer a Vancouver Island firm planted thousands of strings of shells in Pendrill Sound, near Bute Inlet, where conditions are almost ideal for oyster propagation. The water temperature is higher than other inlets, so if all goes well the larvae from millions of wild oysters in the sound should settle thickly on the shells suspended on wires in the water.

The cost of the string of shells is described as "considerable," and the project as "rather a gamble."

If water temperature does not reach 65 degrees, the oysters won't spawn. Experiments last year at Pendrill were most successful, and this year there should be enough baby oysters to supply much of the local demand.

CARDS OF THANKS

Mere words are inadequate to express our gratitude. To each and everyone who has helped us through these days of sorrow with beautiful flowers, words of sympathy and deeds of infinite kindness we can only say "Thank you so much."
—Parents, wife and family of the late Ritchie Ketcheson. A22

WOMAN DIES AT 104

ERIE, Pa. (AP)—A 104-year-old woman died here Thursday night. She was Mrs. Candia Perry. In addition to 100 great-grandchildren, she is survived by five children, 36 grandchildren and one great-great-grandchild.

Stories of Famous Hymns

by HORACE B. POWELL

Arise, My Soul, Arise

Arise, my soul, arise;
Shake off thy guilty fears;
The bleeding sacrifice
In my behalf appears:
Before the throne my Surety stands,
Before the throne my Surety stands,
My name is written on His hands.

He ever lives above,
For me to intercede;
His all-redeeming love,
His precious blood to plead;
His blood atoned for all our race,
His blood atoned for all our race,
And sprinkles now the throne of
grace.

Five bleeding wounds He bears,
Received on Calvary;
They pour effectual prayers,
They strongly plead for me:
"Forgive Him, O forgive," they cry,
"Forgive Him, O forgive," they cry,
"Nor let that ransomed sinner die."

The Father hears him pray,
His dear anointed One;
He cannot turn away
The presence of His Son;
His Spirit answers to the blood,
And tells me I am born of God.

My God is reconciled;
His pardoning voice I hear;
He owns me for His child;
I can no longer fear;
With confidence I now draw nigh,
And, "Father, Abba, Father," cry.

The idea that sinning humanity, no matter how wide its wanderings, may find forgiveness and peace in Christ who died for the sins of the world is beautifully expressed in this seventeenth century hymn.

It was written by Charles Wesley, the singing half of the famous Wesley brothers' partnership, and made its first appearance just 200 years ago in a volume of "Hymns and Sacred Poems" where it carried the title, "Behold The Man."

Through the years it has been a favorite soul-winning hymn and has been much used by evangelists and missionaries. Scores of religious leaders might have echoed the testimony once voiced by an English mission worker in the West Indies, who said of Wesley's song:

"I have a record of upwards of 200 persons, young and old, who received the most direct evidence of the forgiveness of their sins while singing that hymn. I have never known one instance of a sincere penitent failing to receive a joyous sense of pardon while singing it."

Transformation of Turkey

You can tear up the old high-school geography class conception of Turkey as a faceless, sand-colored blomb on a map, inhabited only by nomads and dwellers in ancient cities, comments Don Cook in the Montreal Star.

In its place put Turkey down as a rich and varied land of great agricultural and mineral resources and 21-million hard-working people. As in 19th century America, there is in Turkey today a feeling of destiny-to-be-achieved — of possibilities that for the moment seem limitless.

• • •

Economically, the country is in the midst of a boom the like of which this part of the world has never seen before — a genuine grassroots expansion which began with teaching peasant farmers to run tractors and has spread through the whole fabric of the economy.

Militarily, Turkey's army of 18 divisions has undergone a vast improvement in training, equipment and preparation in the six years since American aid began to arrive.

• • •

Politically, under the liberal leadership of a stable and confident regime — which came to power in 1950 after a resounding and unexpected victory over the Republican party that had been governing Turkey for nearly 30 years — Turkey is shaking off the last vestiges of restrictions on civil liberties, maturing her democratic character and improving her prestige abroad.

What has happened in Turkey in six years to convert this area from the shakiest on the Russian perimeter to one of the most secure?

The catalyst was American aid, and nowhere in the world is there a better example of aid doing just what Americans intended it to do; put wheels in motion on the road to economic good health and expansion.

• • •

But aid has only fused all sorts of native components: willingness and drive on the part of the Turks; readiness to adopt new ideas; government resumption of projects which had long been shelved for lack of money; mineral and agricultural resources waiting to be exploited.

The transformation of these six years is, for the Turks, realization at last of the dreams formed in 922, when Kemal Ataturk led a revolution that drove the Sultan from the country.

There followed, under Ataturk's iron hand, 15 years of national education and preparation, and with the coming of World War II, 10 years of marking time.

• • •

Without those intense years of preparation under Ataturk, there would be no modern Turkey and no Turkish boom today. He ruthlessly arrayed the powers of a police state behind him, but at the same time literally rammed Westernization down the Turkish throat.

When Ataturk died in 1938, there were firm but sensible men to take over. They maintained the Ataturk restrictions and policies through World War II, but began easing up on political and civil liberties restrictions in 1948 and 1949.

• • •

In the free elections of 1950, they were suddenly and overwhelmingly swept out of office. The incoming Democratic party—led by men who had gradually broken away from the Republican party after Ataturk's death—took office. It also took charge of the economic boom, which by 1950 was gaining momentum.

• • •

The boom can be traced back to tractors, which began to arrive in large numbers four years ago. Agriculture has paced the boom and tractors set agriculture rolling. From agriculture all sorts of things began to flow — more roads to haul the mounting crops of wheat and grain; gasoline and parts for the tractors; more income for the farmers, which meant greater consumer-goods production; expansion of port facilities to handle growing commerce, a rise in university enrollments as young people sought to equip themselves for the expanding society.

A few years ago Turkey did not export a single pound of wheat or grain. This year she will ship a million tons abroad and stand fourth among the world's wheat exporting nations, behind the United States, Australia and Canada. Next year, given good weather, she hopes to export 1.5 million tons.

In 1949, Turkey had barely 4,000 tractors. Today the total has passed 35,000 and is still going up. With the arrival of the tractors, the government encouraged the farmers — 80 per cent of the country's population — to expand their farms and take up plowing on the vast national lands. It granted them subsidy prices for their grain and taught them how to drive the machines.

Saving Pisa's Leaning Tower

(By Rudolphe Elie in the Boston Herald)

Charles B. Spencer, president of a firm of New York contractors, on a holiday tour of Italy, was so astonished by the "impossible" situation enjoyed by the leaning tower of Pisa that he spent all his holiday there studying it, trying to puzzle out why it still stands and what can be done to save it. He presents the results of his studies in the Engineering News-Record.

While Italian architects and engineers who have devoted years to studying the tower have estimated it will not collapse until 2153 or thereabouts, Spencer is convinced it must be declared unsafe within 100 years unless some means can be found to save it.

• • •

To get some idea how far out of plumb the tower is and how extraordinary the lean, Spencer draws the comparison of a moderately high office building, the top of which leans several feet out beyond the curb of a wide sidewalk. No office building in the world could survive such a lean (a cathedral near the tower also acquired a similar lean but had to be taken down and rebuilt more than 125 years ago.) So what in the world is holding up the leaning tower of Pisa? Something is, and Spencer has a theory that it isn't going to hold up anywhere near as long a period of time as the Italians estimate.

• • •

The tower's foundations were laid in 1174 by a Florentine architect named Bonanno who, without any knowledge whatever of the capacity of various soils to bear weight, began a structure that was, in the end, to put a load of eight tons a square foot on soil that today's building codes would restrict to one-half ton or less to the square foot. It was a wet volcanic silt, and the circular foundation of about 60 feet in diameter was placed just a few feet below the surface. Some accounts state that logs were placed in the foundation, but by the time Bonanno had erected three stories the tower was beginning to tilt at a surprising rate.

• • •

At the time Florence and Pisa were increasingly unfriendly, and when the Pisans took a look at the tilt, reflected on the fact the architect was Florentine and began to suggest sabotage, the cautious Signor Bonanno packed up his blueprints and scrambled home. The tower remained as he left it for 60 years.

When this time had elapsed, however, it appeared that the soil below had consolidated, and another architect Giovanni de Sicone, undertook to complete the tower. He added one more storey and no sooner had, when the tower began to lean even faster, Signor Sicone, like his predecessor deemed it discreet to depart Pisa in haste.

About 100 years later still another architect, deciding that the tower had by now settled down as far as it would, decided to add more floors and a bell tower and call it a day. But many more years were to elapse before the tower was completed in 1350—and the tower has never ceased to lean more and more each year, or become more and more of a tourist attraction.

• • •

Well aware of its value in this regard, the Italians have long since put their heads together in an effort to save the building without destroying its tourist appeal or its position as one of the undisputed wonders of the world. One Italian architect suggested they take it down stone for stone, build a modern foundation in a safer spot near by, and put it back up again, lean and all. This was ruled out on the grounds that it would no longer be an authentic wonder and so of little value as a tourist attraction.

• • •

The Italians did, however, in 1932, try to consolidate the ground below the tower by boring holes in it and injecting cement. It didn't work; the tower continues to lean farther over every year and it is Spencer's conclusion that injecting cement or anything else will never work.

On the contrary, he believes the safest and the most practical method to save the tower would be to dig under the tower at a distance of 18 feet on the side away from the lean and remove, little by little the soil under the conelike lump of consolidated material directly below and supporting the tower itself.

It is, as I see it, as if the tower were precariously balanced on a hard ball of soil it had compressed itself, this hard mass more or less floating in the softer earth around it like a buoy in the water. Spencer argues that if some of this soft soil be removed hydraulically at the side away from the lean over a period of 10 or 15 years, the tower and the mass it rests on will automatically correct itself to within safe limits but without destroying the antiquity of the wonder.

"This method," he states, "has little precedent. But for that matter, neither has the leaning tower."

BULLETINS FROM BIRDLAND

ALARM SIGNALS

"What bird squeaks like that?" Alice asked. "Just a faint 'see' over and over, something like a cedar waxing's call, but not exactly."

The squeaking continued, and the girls followed the voice, finally tracing it to a lower branch of an old apple tree. There sat a robin, perfectly rigid, and the squeaks certainly came from it, although the bird did not seem to be opening its bill. Other birds which had been singing lustily until a few minutes before had all become silent.

"I think," said Edith, "there must be young robins nearby; that queer noise is a danger signal given by the parent."

"There's a hawk high above us, going round and round. Do you suppose that has anything to do with it?"

It definitely did have a great deal to do with it. Robins give at least two separate alarm signals. The one we are accustomed to hear is a loud, piercing scold when a person, a cat, or some other supposed enemy is afoot. The squeak, or hiss as it is sometimes called, is used solely when the predator is in the heavens, not on the ground, and alerts other birds besides its own kind.

The mortality rate among all kinds of birds is high, but perhaps particularly so among robins. The two broods of four for each pair just produce enough survivors to balance the number of adults that die in a year. So maybe robin parents are wise to use various warning signals.

However, these are by no means the only birds which have special danger signals. Most kinds make some particular noise to scold an intruder or call the enemy's attention away from young ones. Even Canada geese have a certain warning cry.

When there are many birds nesting in a district a great rumpus is set up on the appearance of a cat. The white-throated sparrow "chinks" its hard note, the catbird "mews" violently, the junco sounds as if it were smacking its lips, the red-eyed vireo "whines" in nasal tones. By these devices different parents hope to attract the prowler, and spare the young which are yet unable to make a quick get-away.

To the warning note some bird parents add certain antics in an attempt to protect the children. A killdeer's frantic cry of "kill-dee, kill-dee", surely draws our eyes in its direction. Then it leads us away by feigning injury.

BELLEVILLE "ABOUT AVERAGE"

"About average" appears to be a fair way of describing Belleville, in comparison with other Ontario cities of approximately the same size, to judge from the annual report of municipal statistics just issued by the Ontario Department of Municipal Affairs.

Belleville is grouped with ten other Ontario cities, Niagara Falls, Chatham, Galt, Stratford, St. Thomas, Cornwall, Owen Sound, Welland, Woodstock and Waterloo. The report is based on the audited financial statements of the municipalities for 1952.

In point of population Belleville stands fourth in the group, with 19,592 citizens. Niagara Falls is the largest, with a population of 24,158; Waterloo the smallest with only 12,449 residents.

Belleville's total assessment of $18,185,890 appears to be low in comparison to Niagara Falls' figure of $40,626,419 and Galt's $28,566,750; but it is somewhat high in comparison to Stratford's $15,783,675 and Cornwall's $14,871,102. Assessment figures, of course, tell only half the story. The other half is related by the tax rate, which is 63 mills in Belleville. Niagara Falls and Galt, with their higher assessments, have much lower mill rates, 36 and 38 respectively. Stratford, with a lower assessment, has a higher rate, 66 mills, but Cornwall in addition to having a lower assessment also has a lower mill rate, 60½ mills.

Perhaps as fair a comparison as any is on the basis of tax levy per capita. Here Belleville's figure of $62.93 is higher than most of the cities in the group, being exceeded only by Chatham's $68.56 and Waterloo's $72.26, but the average for the whole group is $60.38, only slightly lower than Belleville's levy per capita.

The city does enjoy one unenviable distinction. It has the highest debenture debt of any of the eleven centres, $2,890,539 compared to $2,361,800 for little Waterloo, next in line. Welland's $903,412 debt is the lowest.

PRICE-FIXING PROBLEM

Maurice Mermey, director of the U.S. Bureau of Education on Fair Trade, told Canadian druggists meeting in convention at Winnipeg that producers should have the right to name the price at which their products should be sold.

Obviously this is a right which can only be extended to certain classes of producers. There does not appear to be any feasible method of permitting a farmer to say at what price a grocer shall sell the potatoes, tomatoes or eggs the farmer has produced. But it is a simple matter for the manufacturer to fix the retail price for his products, if he is permited by law to do so.

He can not do so in Canada. Last year the Federal Government enacted legislation prohibiting such price-fixing. The United States, on the other hand, not only permits this practice but under certain conditions the courts enforce "fair trade" regulations.

That two neighboring countries with similar economies and a common adherence to identical economic theories should adopt such diametrically opposed policies is clear evidence that there is much to be said on both sides of the argument.

Firstly, there are two viewpoints to be considered, that of the consumer and that of the retailer. Moreover, the viewpoint of the retailer may depend on the nature of his business and the scope of his operations. Mr. Mermey declared that price-fixing by producers is in the interest of the consumer and the small businessman.

In support of his argument that the consumer is victimized by the juggling of prices, he said that stores which offer "loss-leaders" raise the prices of other articles to cover losses on bait bargains. Each store, he declared, has an over-all gross margin which it needs to cover operating costs and to make a profit. If it does not obtain this margin on the sale of some goods it must make up the difference by selling other goods above this over-all margin.

From the standpoint of the small businessman, those who can remember the price-spreads investigation conducted by Hon. H. H. Stevens during the dying days of the Bennett Government in the thirties will recall that the use of "loss-leaders" by big chain stores was severely criticized.

On the other hand, it would appear that Mr. Mermey, in his contention that losses on some goods must be offset by increasing prices on other articles, is overlooking the theory of mass production—or in this case perhaps we should say mass sales. A retailer has certain fixed costs, which remain the same whether his volume of business is large or small. By offering some bargains, he may hope to attract customers to his store and to sell them other goods at his regular mark-up margin, offsetting his losses on what Mr. Mermey terms his "bait bargains" by increasing the volume of his sales. In other words, by increasing the volume of his business, he reduces his overhead per dollar of sales. The consumer may thus benefit by patronizing a store offering bargains.

It is fairly obvious that the bigger the store the greater the opportunity that exists for increasing sales volume in this manner. The small merchant cannot take advantage so easily of this method as can the big chain store. But that does not necessarily mean that very small businessmen would favor a return to the price-fixing practices which were abolished by last year's legislation. Price is not the only thing in which consumers are interested. They are interested in service, too—personal service—which the small store can provide if the owner is alert.

JUST FOLKS

By EDGAR A. GUEST

(Copyright, 1953, Edgar A. Guest)

HIS WIFE'S AWAY

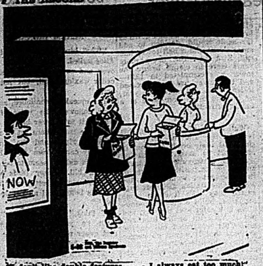
His hat and coat lie on a chair,
And there they'll stay.
To hang them up no one is there . . .
His wife's away.

He has bought a loaf of bread
For many a day.
There's no one now to make his bed . . .
His wife's away.

He has so much upon his mind,
Search as he may
The things he wants he cannot find . . .
His wife's away.

Tonight, since he won't "Wash them up,"
As women say,
He'll use the last clean plate and cup . . .
His wife's away.

OFF THE RECORD By Ed Reed



"I don't like double features - - - I always eat too much!"

LOOKING BACKWARDS

GLEANINGS FROM OUR FYLES OF BYGONE DAYS

20 YEARS AGO

August 22, 1933.

Mr. and Mrs. W. E. Black and family of Montreal are the guests of Mr. and Mrs. S. Charlton, North Front Street.

Miss Jessie Sandham and Mr. John Walker of Toronto were week-end guests of Mr. and Mrs. Frank Adams, Bridge St. East.

Messrs. W. C. Springer, Robert Tannahill and C. E. Argue left today on a motor trip to Detroit and Cleveland.

Mr. H. O. Walkom has received his Intermediate Certificate in Agriculture at the Ontario Agricultural College at Guelph.

Ex-Mayor Geo. A. Reid and Mrs. Reid are spending a short time in Peterborough and Lindsay.

Mr. and Mrs. John Munro and son Bobbie, Charles St., have returned home after visiting relatives in Sudbury.

Mr. and Mrs. Harold Davis have returned to Toronto after visiting the former's parents, Mr. and Mrs. John R. Davis, Albert Street.

Mr. and Mrs. O. P. Lowery and family, Bridge Street West, are visiting friends and relatives in Toronto.

30 YEARS AGO

August 22, 1923.

The city council has advanced the sum of $2,000 to the Women's Christian Association. The balance of the grant will be paid when the taxes are collected.

Mrs. M. J. Moran of Canadaigua, N.Y., is visiting her sister, Mrs. M. Wims, Gordon Street.

Mr. Harry McKay has returned home from Centre Island, Toronto, where he spent his vacation.

Mrs. James Nagle of Perth is visiting at the home of her nephew, Mr. George Lee, Cedar Street.

Mr. "Dok" Mallen, baseball and hockey player, formerly of this city, is renewing acquaintances in town.

Mr. Charles Hanna is in London, Ont., on business.

40 YEARS AGO

August 22, 1913.

Mr. B. E. Sills of Kingston, formerly of Belleville, is spending a few days here with friends.

Mr. Joseph Brason has returned home after a trip to the West.

Mr. James Collins spent yesterday in Tweed.

Mr. and Mrs. Claude Bull of Ottawa, formerly of Belleville, are visiting relatives here.

Mrs. John Bean of Stirling, formerly of Belleville, is visiting friends here.

Dr. and Mrs. Duprau have returned home after spending a few holidays with Mr. and Mrs. George Hammond of Campbellford at their summer home at Chisholm's Rapids.

Ald. F. Slater is attending the big fair in Toronto.

50 YEARS AGO

August 22, 1903.

On the evening of August 21, the Rev. Mr. and Mrs. Martin entertained at their home in honor of Mr. Martin's 72nd birthday. The following were present: Rev. Dr. and Mrs. Gardiner, Rev. Dr. and Mrs. Lambert, Rev. R. N. and Mrs. Adams, Rev. W. and Mrs. Tomblin, Rev. George and Mrs. Brown, Rev. Amos and Mrs. Campbell and Rev. F. B. and Mrs. Stratton.

Ald. W. W. Chown, Mrs. Chown and son Harold are spending some time at the 1000 Islands.

Mr. Walter Alford is spending a few days in Rochester, N.Y.

THE PACKSACK

By GREGORY CLARK

Most of us can hardly remember what kind of a day yesterday was. It takes a deliberate effort of the mind to grope back in memory 24 hours and picture what it was like yesterday morning. If yesterday was a very bad day, with rain and storm or perhaps intense heat, we can recall it clearly. But the day before yesterday we are highly liable to confuse with a day or two before.

There are people among us, however, who are weather-wise. They have formed the habit of noticing and remembering the weather, a habit of mind like that of remembering the date of the Norman Conquest, or being able to tell how many days there are in September without having to recite to themselves a little poem.

Weather-wise people have a lot of fun, and are uncannily correct in their estimates of what tomorrow is going to be like. At my summer place there is a settler who really ought to be employed by the dominion meteorological service, if it were not for the fact that his predictions of weather refer strictly to our immediate vicinity. The big problem of the official weather forecasters is that they have to prophecy over so wide an area, but if you want to know what it is going to do tomorrow, right around here, you can ask this old settler, and so far he has never been proven wrong. His gift is based entirely on the fact that he makes a hobby of remembering yesterday, the day before yesterday, the day before that, and so on back for even a whole month.

Because he has to travel fairly open water in an open boat, because he has to paint cottages and engage in other jobs dependent upon weather, he has all his life studied the clouds, the visibility, the wind direction and force, and several other factors.

"You make the mistake," he told me, "of thinking the weather is lawless, that it is accidental, that any old thing can happen. As a matter of fact, weather moves in a very small pattern and forms only three or four combinations. Once you get onto them, and remember the pattern of the past few days, you can't go far wrong."

Laura Secord's Cow

(Cornwall Standard-Freeholder)

A historian up St. Catharines way has declared that it wasn't a cow Laura Secord took with her on her famous trip to warn the British that the Americans were planning an attack. He says it was actually Laura's niece. Perhaps so, but she certainly looked like a cow in any pictures we have seen.

Was Her Face Red?

(Maclean's Magazine)

A Vancouver boy who's saving up for a bicycle collects and cashes in empty beer bottles. A collection truck usually calls for them on a set day each week while he is at school. One day, when the doorbell rang, his mother tucked a case of empties under each arm and rushed to the door — where she came face to face with the local minister, out on his parish calls.

Farm Hazards

(The Farmer's Advocate)

It has been customary for young people as they grow up to learn safety rules on the farm. They absorbed them so to speak, and practised them intuitively. Now the machine is introducing new hazards every day. Father and son together must learn a new set of safety rules, and too often they do it the hard way.

Homecoming Has Problems

(Guelph Daily Mercury)

When a person returns from his travels he will confront friends who have made the same tour and grill him on his experiences.

No doubt before his departure they gave him good advice. His first problem, therefore will be to make excuses for the cases in which he did not follow it.

At the conclusion of the interrogation the traveller will learn that he took a roundabout route when a shorter route was available. That he missed several outstanding places of historic interest and overlooked a mountain from which he would have had a perfect view.

It will be brought to his attention that he could have gone to hotels where the accommodations cost less and the food was better. It will be pointed out that had he gone around the corner or two blocks down the street he would have come to a shop where he could have had a greater variety of choice of souvenirs, of better quality and at a cheaper price than at the shop he patronized.

Horror will be expressed at the amount of money he laid out on laundry. He will be told that, had he only asked them before he set out, they could have instructed him on how to do his own laundry, what hangers and clothes line to take along and what liquid soap to buy.

Distress will be shown that he did not hire an automobile instead of going by rail, or wasted valuable time going by rail when he might have flown, or that he flew and thereby missed a restful trip by land or sea.

By the time he has answered all the questions put to him he will conclude that he would have done well to stay at home. Or perhaps it would be even better to take the trip over and do it the right way.

'Mopes' Danger On The Highway

(Reader's Digest)

The highway slowpoke — the "mope" who drives 30 miles an hour in a 50-mile zone, holding up a long line of cars behind him—is almost as dangerous as the speeder says the September Reader's Digest. "Safety-minded and usually law-abiding drivers are often goaded into taking desperate chances to get ahead of the roadblock caused by the mope. Seldom involved in an accident himself, the mope is the primary cause of some 20 percent of all head-on automobile fatalities."

Despite the accident potential the slow driver creates, his menace is still considered passive rather than active by courts and insurance companies. Usually he believes himself to be a very safe driver and would be astonished to realize that he is more often a factor in causing accidents.

Automobile Associations and highway officials, however, have become acutely mope-conscious. Although federal laws do not forbid slow driving, some provinces and cities have passed acts which permit the police to direct cars off the road or to step up speed when they are impeding traffic.

Highway police are discouraged from enforcing the minimum speed laws because of the lenient treatment accorded mopes in most courts. But some areas in the United States are beginning to crack on the slow driver. In New York, the "creeper" may be charged with reckless driving. New Hampshire patrolmen frequently order the mope to the side of the road and hold him there, after a stern reprimand, until the traffic he has blocked behind him has passed.

Such action, even in a few places, indicates that the mope is at last being recognized for what he is—death behind the wheel of a slow car.

Origin Of a Phrase

(Mary Alkus in Kiwanis Magazine)

When we refer to "watered stock," we mean overinflated securities of some sort or other. But that's not what the term meant originally. Many years ago a New Yorker named Daniel Drew thought up the money-making scheme which coined the expression.

In those days farmers used to drive their cattle into New York City, selling them at a central market place at the posted rate per pound. Drew turned himself into a sort of middleman, travelling, each morning, out one of the country roads. He'd meet a farmer driving a herd toward the city and offer to buy the animals at the established market rate. It was a good deal for the cattlemen, and many sold their herds to Drew. Letting the animals pause as often as they wished to drink from the harlem River, Daniel Drew drove them into market. The increased weight of his "watered stock" gave him a neat profit, and eventually added a colorful phrase to our language.

Being a Fool

(Brandon Sun)

It is bad to act like a fool but it is worse when you are not acting.

No Disrespect In Nickname

(Chicago Daily News)

A reader takes us to task for using President Eisenhower's nickname in headlines. He calls it "cheap, shoddy familiarity" implying a lack of respect.

We would be among the first to deplore a lack of respect for the present occupant of the White House. Certainly none is intended. And we do not agree that the use of "Ike" can in any way be disrespectful because President himself has publicly said he does not object to being called that. If he does not object, neither do we.

For a very practical reason, newspapers can be glad that Mr. Eisenhower has no objections. Some headline type eats up the column width so rapidly that it would be mechanically impossible to fit "President Eisenhower" or either of the two words into the allotted space. Some condensation had to take place. Fortunately, Mr. Eisenhower had a nickname that was already well established as a headline word over the years he had been prominent in the news.

It will be remembered that President Roosevelt also had a difficult headline name. He quickly became "FDR." President Truman's name made an easier fit in close type measurements, but even in his case the exigencies of space caused him to turn up as "HST" on occasion.

Mrs. Eisenhower quickly saw this problem approaching in her husband's life. She announced early that "Ike" would surely be preferable to "DDE" which might be twisted into "DDT" through carelessness or malice.

Quite apart from the mechanical aspects, we are glad that Mr. Eisenhower has accepted the continued use of his nickname even after his elevation to the nation's highest honor. Americans love nicknames, and they'll love a great man a little more for allowing the nickname to stick.

Is it an accident that Lincoln is still referred to as "Honest Abe?" Is it just coincident that Adolf Hitler never was "human" enough to acquire a nickname?

We like and respect President Eisenhower. And we still like "Ike."

Bathers Need Help

(The Times of London)

It can be said with a fair degree of assurance that the bathing machine is obsolete. Of all the machines produced by our age it was perhaps the least mechanical, and it appears to us now a prudish and ridiculous contraption. It had nevertheless one advantage over the arrangements, or lack of arrangements, for disrobing which prevail on many of our beaches today: It provided us with somewhere to leave the impedimenta known as "our things."

His — and still more her — things are a constant source of worry to the beach visitor. Clothes can be dumped at the equivalent of a base-camp; but it is amazing how many accessories must thereafter accompany the sun-worshipper to his advanced headquarters in the lee of a rock.

In the Army these impedimenta would be said to be carried "on the man" (does the Women's Royal Army Corps, one wonders, talk about "on the woman?") But a soldier's equipment is designed with a strong bias towards the marsupial, and when things are carried on the man, the man is trellised over with a complex system of straps, pouches, hooks, and buckles among which his burden is distributed.

It is far otherwise with the bather. He has nowhere to put anything, unless he puts it in his mouth. He has to carry everything in his hands. Towel, cigarettes and matches, wrist-watch, camera, sun-tan lotion, detective novel, the case for his dark glasses, a wallet with money in it, a dog lead, a handkerchief—these represent his minimum load. To this, if he is a family man, may be added a wide selection from among the following: Waterwings, bat, spade, bucket, embryo collection of sea shells, teddy bear, picnic basket, book about ponies, sailing boat, interesting piece of driftwood, and bag of sweets.

The total weight is not prohibitive, but the burden is irksome and intractable and some of its component parts, when deposited on the beach, have a way of burrowing into the sand like hermit crabs.

To resurrect the bathing machine, even if there were enough horses in the country to pull the vast numbers which would require to be deployed, would be a cumbrous and uneconomic solution of the problem; but it does seem odd that, though standard forms of receptacle have been designed to meet the logistic requirements of mountaineering, fishing and other recreations, nobody has seriously attempted to cater for the bather.

Women Drivers

(Sault Ste. Marie Star)

What a woman doesn't know about driving a car will fill a street.

Personal Health Talks

By DR. WM. BRADY

WHY DOESN'T SOMEONE TELL ME?

Dr. Brady

I tried out your prevention of stage fright, writes H. L. W., but I'm not sure it really helped. I was just as jittery before playing, but did find my hands perspired less. Through personal experience I have learned that abstinence from coffee, especially in the three hours before a performance, is advisable. Caffeine really ups the jitters!

I thoroughly enjoy your column, when any considerable part of it gets into print, but think you quibble too much about the harmlessness of chilling . . . you disregard the fact that the incidence and degree of infection varies with the virulence of the infectious agent as opposed to the resistance of the host. Can you argue that chilling has nothing to do with resistance? — (H. L. W.)

Thank you for your observation concerning coffee. It certainly does! Nowadays when I read what I say about coffee in the red book, my face is red too. Please remember that I wrote the chapters on coffee when the beverage was within the reach of the common man, and in the constant haste of keeping things up to date I failed to revise the chapters about coffee. In the next edition I'll give coffee less attention and tea more.

No, Ma'am, I can't argue about the effect of chilling on resistance because I don't know what resistance means. To my mind resistance is a charm possessed by everybody who hasn't lately caught or succumbed to anything. Any reader who offers a better definition of resistance, in less than 50 words, which I consider good enough to print here, will receive as a token of my esteem, a full set of Little Lessons in the Ways of Health (23 volumes) with the author's compliments.

I hope no one reads into this or other pieces what I do not say. No matter what you think about chilling, wet feet, exposure, dampness, draft, insufficient clothing, insufficient artificial heating, sudden change, etc. I'm as fond of comfort as you are. To the best of my knowledge or belief, discomfort, physical discomfort I mean, from any of these environmental factors, is of no benefit to health. On the other hand, it seems absurd to worry about "exposure" to these factors in everyday life and, indeed, such worry or mental discomfort or uneasiness in itself is probably injurious to health.

In Call it C R I, 76-page Little Lesson, I quote a statement uttered by Dr. Leonard Hill, distinguished English physiologist and authority on ventilation—

"It is absurd to put on an overcoat when going out for a walk. It is good to go out and be braced by feeling cold and so be impelled to take vigorous exercise."

Cut this out and paste it where you will see it when you reach for your hat, coat, muffler, overshoes, chest protector, boa or mittens — next winter, that is.

TODAY'S TALK

By GEORGE MATTHEW ADAMS

BOOKS BY THE POUND!

In my youth I recall, that bananas were sold six for a nickel. Tomatoes and other varieties of vegetables and fruits were sold in the same manner—so much for so many. But today we buy most of these things by the pound. Not until recently, however, did I discover anyone selling books by the pound! Yet that is what happened.

A Washington book-shop—three floors of it— decided to liquidate and so offered most of its stock at 19 cents a pound. What a curious lot of authors were there, some still in their birthday jackets. Many of the favorites of yesteryear and many a modern had their seats side by side. Kipling, Masefield (signed by the author, marked five dollars) Stevenson, H.G. Wells, G. A. Henty, Edith Wharton, Rex Beach, Edna Ferber, Conan Doyle, MacKinley Kantor—and a multitude too numerous to mention—thousands of them.

"Love from Mamma and Pappa, Christmas, 1887", "To a companion on a memorable journey to Chicago, with hopes for as happy a journey through life. Jack, 1898." Dickens, Mark Twain, Christopher Morley, even "Just Among Friends" by this writer. All at 19 cents a pound. Take your pick. All must go. "Yes, I know that one was marked ten dollars at one time, but now its nineteen cents a pound. Sure it's a "bargain." The democracy of books. The great and small all over the place, the snooty and the proud, the kindly and the inspiring, humorous and sober.

All quarrels in a book-shop are silent ones. Their say has been said, and like lambs they are led to the slaughter—all three floors of them at 19 cents a pound. "Yes, two or more different authors can be put on the scales at a time." 19 cents the pound till all are sold. Opportunity. Knowledge on the wing. Rich and poor treated exactly alike. No discrimination in a book-shop. Every shelf teeming with democracy! And yet only 19 cents a pound to any purchaser. Poets, philosophers, scientists, artists, musicians—all speak out in a book-shop. But this lovely littl book, how much? "Only five cents. It isn't heavy enough for a pound!"

Strength for the Day

DR. EARL DOUGLASS

WHAT'S THE MATTER WITH THE CHURCH?

Yesterday we indicated that we would try to answer the question, "What's the matter with the Christian Church?"

The greatest trouble with the church is that it sometimes forsakes its stock in trade, which is supernatural religion, and substitutes for this highly potent and useful variety of truth a rationalism so ineffective that it fails utterly to meet the deepest needs of the human soul.

Furthermore, the Church very often does not get down to the problems that are keeping men and women awake at night. Yesterday we called attention to the fact that the newer Christian bodies which have arisen within the pas century or less are growing by leaps and bounds and meetin many needs which the orthodox church neglects. When the prin cipal denominations fail to mee the needs of the common run of men and women, these newe Christian bodies step in and address themselves to the problem which everybody confronts and about which a great majority of people are thinking.

The newer Christian bodies are taking up the opportunities whic the older church has neglecte People want God's help. They e pect the Church to tell them ho to get it. The Church loses out when it specializes on sociolo on Sunday morning and social during the week.

French-English Classes

French and English students from Canada and the United States gather annually at the summer school of the University of Western Ontario in Trois-Pistoles, Que. Carol Weinstein (left) of Toronto, student in a French class, chats with Marielle Desy of Boucherville, Que., student in an English class. Miss Desy is the daughter of Jean Desy, former Canadian ambassador to Italy. — (CP Photo.)

Unique Summer School Held At Trois-Pistoles in Quebec

TROIS-PISTOLES, Que. (CP)—In this quaint little Quebec village on the shore of the St. Lawrence, representatives of all parts of Canada gather annually at a unique summer school, established to improve relations between Canada's French-speaking and English-speaking citizens.

The school was founded 21 years ago by Dr. Sherwood Fox, then president of the University of Western Ontario in London, Ont. He envisioned a Canada where French and English-speaking citizens would live in perfect harmony, speaking each language fluently and respecting the customs of each.

At the outset, the school gave courses in French to teachers and students from points outside Quebec. Now courses in English for French-speaking students and teachers have been added along with courses in art. Enrolment has increased from 26 in 1933 to 175 this year, including some from the United States.

Bridges Gap

The school still operates on the principles laid down by Dr. Fox, who believed Western University could help to bridge the gap between French and English-speaking Canadians.

Dr. Fox, himself fluently bilingual, once said (in French):

"The true patriot is one who is first and foremost loyal to all his fellow citizens and not to a particular group or a special region of this country.

"Anyone who says that those who speak English only or those who speak French only are true Canadians is himself lacking in real loyalty.

"Since my early youth I have realized that such a conception of the Canadian ideal is false. . ."

Dr. Fox credited his own understanding of French-Canadians and their problems to his association at university and in later life with Senator Jacob Nicol of Sherbrooke, Que. They became close friends and during visits with Senator Nicol in various parts of Quebec. Dr. Fox said, he developed a "great affection and profound admiration" for French-speaking Canadians.

When he decided on a summer school to give practical lessons in French and in national unity, he was faced with a problem of where to establish it. He chose this village, 100 miles northeast of Quebec, when struck by its beauty while on a trout-fishing trip. Stretched along the south shore of the St. Lawrence, the village faces the picturesque Ile-aux-Basques.

From the outset, Quebec church and education authorities and the population of Trois-Pistoles threw their support behind the summer school.

Dr. H. E. Jenkin, now in charge of the school, and Professor E. Bassett did much to make Dr. Fox' dream a reality. Permission was obtained to use the local convent for the seven-week courses.

From its small beginning the school has grown into one that has gained national and international recognition.

The governments of Ontario and Quebec have provided scholarships to make it possible for teachers and students to follow courses at the school. The Carnegie Foundation of New York financed courses for some students between 1943 and 1946.

When the Carnegie grant was exhausted, Queen's University at Kingston, Ont., and the University of British Columbia provided scholarchips for students.

Top Teachers

Dr. Jenkin, who conducts the school with what his students have described as a "velvet-gloved hand," is assisted by top-ranking teachers from institutions in Ontario and Quebec.

Lessons of the classroom are put into practice by the students and teachers at their boarding houses. They have rooms and meals with French-speaking families, and many a lasting friendship has developed from the courses.

Students and villagers alike feel a twinge of sadness when the courses end.

"It is like a death in the family for us when we leave," said Dr. Marcel Catellier of Trois-Pistoles. "It is something like the sadness we feel when our relatives leave us after the Christmas and New Year's holidays."

Ontario, Prairie Provinces Hit Hardest by Polio With 66 Deaths

By THE CANADIAN PRESS.

Polio has killed 79 persons in Canada so far this year.

It has struck hardest at Saskatchewan, Manitoba and Ontario. A Canadian Press survey today showed that 60 persons have died in those provinces alone. The situation is so bad in Winnipeg that schools will be closed an extra two weeks this summer.

Health authorities throughout the country are warning parents to keep their children away from crowds and swimming pools. Sports events have been cancelled and some theatres have been closed to youngsters.

Saskatchewan Hit Worst

Saskatchewan has had 21 deaths, highest in the country. Ontario has had 20 deaths, and Manitoba 19. Quebec, with its large population, has had only one fatal case.

Health officials in Calgary say the disease has reached epidemic proportions there for the second straight year. There have been six deaths in 93 cases. Last year the area had 113 cases at this date.

British Colombia has had seven deaths in 248 cases so far, compared with 11 deaths in 105 cases to this date last year.

Alberta has had nine deaths, six of them in the Calgary area. There have been 220 cases in the province. Last year there were 79 deaths in 743 cases.

In Ontario, 20 persons have died in 617 cases, compared to only nine deaths in the same period last year.

Lighter In East

In Quebec and the East, the in-small, Quebec has had only 30 cidence of the disease has been cases so far, and had only one death in 36 cases to this date last year.

Only deaths in the Maritimes have been in Newfoundland, where the disease took two lives in seven cases. Swimming pools have been closed in the province.

WILL OPEN C.N.E.

OTTAWA (CP)—Field Marshal Viscount Montgomery, deputy Allied commander in Europe, will arrive at Montreal Monday on his way to open the Canadian National Exhibition at Toronto.

He will be accompanied by Lt.-Gen. Guy Simonds, chief of staff of the Canadian army.

Ten Members Mormon Church Excommunicated

EDMONTON (CP) — Ten members of a small Mormon Church colony at Lister, B.C., have been excommunicated for apostasy—abandonment of the Mormon faith.

The announcement was made here Thursday by R. Scott Zimmerman of Edmonton, president of the Western Canada mission of the Church of Jesus Christ of the Latter Day Saints, who made an on-the-spot investigation earlier this month of reports of polygamy among Mormons at Creston, B.C.

Polygamy has been outlawed by the church since 1890.

On Aug. 3, Mr. Zimmerman said a special RCMP detail investigating rumors of "polygamy and malpractices" had reported "nothing substantial" on which charges could be laid.

The church leader revealed that he and other officials had been investigating for the last 14 months conditions at the small B.C. community, in the Creston district, near the Canadian-United States border.

But the excommunicated members weren't tried on charges of polygamy, he said. Polygamy was too difficult to prove and therefore did not enter into the trials. Rather, the church confined its investigations to charges of disbelief in Mormon doctrines.

Mr. Zimmerman said the Lister Mormons had followed the teachings of a previously excommunicated member, who was ousted from the church for belief in polygamy. Instead of paying to the church their tithes they turned them over to their unidentified leader.

Severe Reprimand For Naval Officer

HALIFAX (CP)—Cmdr. Richard Crenoweth of Montreal Friday was found guilty of three charges arising from the grounding of the Canadian destroyer Huron off Korea July 12 while under his command.

The court martial sentenced him to receive a "severe reprimand."

The tall, handsome officer, who knew the verdict the second he entered the room, stood erect at attention and showed no emotion as the sentence was read aboard the cruiser Quebec.

By naval tradition, his sword was pointing toward him on the oak table as he entered—the token of conviction.

Failed In Duty

Cmdr. Chenoweth was found guilty of failing to insure that his watch-keeping officers, Lt.-Cmdr. T. J. C. Thomas, Dartmouth, N. S., and Lieut. G. H. Emerson, Bathurst, N. B., carried out their required duties. The courts martial of Thomas and Emerson began today.

That was the main charge. The others were that he failed to ensure that the ship's position was constantly fixed while under way in the vicinity of land, and that he failed to ensure that his navigational officer discharged his responsibilities as accurately as circumstances permitted.

The hearing was not open to the press.

Light Sentence

The sentence was considered light. Chenoweth, if found exceedingly negligent, could have been dismissed from command of his ship. The Huron, which received extensive damage, is being repaired in Japan.

Thomas and Emerson were charged with stranding the ship.

Opens Divorce Suit

NEW YORK (AP)—The Marchioness of Milford-Haven initiated a state Supreme Court action Thursday for "separation or divorce" from the Marquis of Milford-Haven.

The Marquis was best man at the wedding of the Queen and the Duke of Edinburgh and formerly was an escort of Princess Margaret.

The clerk of the court was directed to place her suit on the calendar for a September trial.

The marchioness, the former Mrs. Romanine Simpson, an American, and the Marquis were married Feb. 4, 1950, in Washington.

Canada Outdoors

Scarecrow Still Recommended By Canadian Wildlife Service

By JOHN VAN DUSEN
Canadian Press Staff Writer

OTTAWA (CP)—The scarecrow employed to scare off crop-eating birds since man first cultivated the land, is still recommended by the Canadian wildlife service—even for the duck-infested Prairie provinces.

The CWS has printed a booklet on scarecrows primarily for distribution in the Prairies where thousands of mallards and pintails are damaging crops each harvest time.

But the wildlife service's scarecrows are a far cry from the old straw-filled suitcoats that used to dangle from poles in the middle of farmers' fields.

The department's favorite "scarer" is a T-shaped flasher device. It can be made with the junk that is usually lying around a farm. You start off with two two-by-twos in the shape of a T. On each end of the arms of the T hang metal reflectors. The shiny metal will reflect the light of the sun or the moon. If the moon isn't bright enough, battery flashlights can be directed at the reflectors. It's guaranteed to work.

Another trick is to stuff a 100-pound sack with straw and hang it from a pole so it will move in the wind. Wildlife officials say it will work better if the bag is of contrasting colors.

Hard To Fool

Or if you don't like carpentry, just scatter oil drums, or even farm implements, over the grain fields. The lazy-man's scarecrows work sometimes, but it all depends on how smart the ducks are. And they are smart.

Experts say the ducks get used to the pattern of the scarecrows and no matter how many there are, they will return to a field again and again—as long as the pattern remains the same. Fool them by moving the scarecrows as often as possible.

The real trick to make the scaring devices work is to associate them with something that gives the ducks a shock. The department advises the farmer to hide behind one of his "scarers" and fire a gun at the birds when they land. If this is done often enough they learn to stay away from the object because they associate it with the gun blast.

The experts also recommend no fewer than 10 scarecrows for 160 acres. They should be put in the fields early in the harvest season—when swathing or stooking is started—to save a lot of trouble. Once one duck lands in a field and starts feeding, others will follow and it's easier to get rid of one than thousands.

Do Real Damage

As many as 25,000 ducks have been known to converge on one farm in scattered groups as large as 2,000.

The province of Saskatchewan is instituting an insurance scheme to cover crop damage caused by ducks. An extra 50 cents has been tacked on hunting licences to help pay for the insurance. The insurance will also cover damage caused by other birds and animals.

The new migratory bird regulations make it easier for a farmer to get a licence to use firearms in frightening the ducks. He can get one almost immediately instead of waiting two or three days while the ducks eat his crops. These come into effect Sept. 1.

Herding the ducks by aircraft into places purposely set aside as feeding areas has been tried, but it runs into too much money for the average farmer. Others have tried honking car horns, air raid sirens and firecrackers.

A convention of wildlife experts at Dorset, Ont. recently was told of the operations of a mobile air raid siren to scare wild ducks in Saskatchewan. Pete McGillen, outdoors editor of the Toronto Telegram, reported the delegates learned the first results were spectacular. It scared the wits out of people, started a small stampede of cattle, drove every Prairie dog within miles into his deepest burrow and, according to one farmer, stopped egg production in his hens. "But it scared ducks."

WELLMAN'S

Neighbors, Friends Present Gifts To Young Couple

WELLMANS. — The neighbors and friends of Mr. and Mrs. Gerald Clancy (nee Verna Brown), gathered at the Clancy home at Wellman's on Thursday evening to honor them on their recent marriage and wish them well.

Mr. James Chumbley was chairman for the evening. Mrs. Fred Becett and Mrs. Lorne Watson took charge of community singing. Mrs. Douglas Clancy and Mrs. Percy Hubbel gave readings. Mrs. Lorne Watson rendered piano music. A violin solo was given by Lulubelle Mathews. Craig Watson gave a solo with guitar accompaniment, and Gerald Taylor favored with accordion music.

An address was read by Craig Watson, on behalf of the community and the bride and groom were presented with four chrome kitchen chairs also a tri-light floor lamp and several other gifts for which they both expressed their appreciation.

Bountiful refreshments were served.

CHARGED WITH THEFT

QUEBEC (CP) — Louis-Philippe L'Italien, a 55-year-old Quebec government civil servant, was arraigned Thursday in court of sessions on a charge of stealing $12,340 from the provincial government. It is alleged the money was stolen between Jan. 1, 1949, and June, 1953. L'Italien was ordered for preliminary inquiry Aug. 22. Bail was refused.

CROFTON

CROFTON. — Mr. and Mrs. Ray Morrison and boys, of Belleville, were Sunday guests of their parents, Mr. and Mrs. B. Jones.

Mrs. Willoughby Fox, of Centre, spent a few days last week with her sister, Mrs. S. J. Munro.

Mr. and Mrs. Leo Lefort, Shirley and Paul, of Belleville, called for Mrs. W. J. Gray on Saturday and enjoyed a picnic supper at the Outlet.

Mr. and Mrs. B. Moran were callers at the home of Mr. and Mrs. D. B. Munro and Keith on Saturday evening.

Mrs. E. Crook and Mr. and Mrs. W. Salisbury and Janet, of Belleville, returned home on Sunday after a week spent at Kelly's Pine Lodge at Combermere. Mr. and Mrs. Ronald Crook spent the week-end at the Lodge with them.

Mr. and Mrs. Malcolm Allan called on Mr. and Mrs. Clifford Peck and Paulette at Albury on Sunday evening.

Mr. and Mrs. John Gray and children, of Jericho Street, were dinner guests of their mother, on Sunday. Garry remained for a few days with his grandmother.

Mr. Jerrold Bongard returned to his work at Malton on Tuesday after a two weeks' vacation spent with his wife and wee daughter, here.

OIL PIPELINE MOVES EAST

BRANTFORD (CP)—A big pipeline, to tunnel oil from Sarnia to Toronto, is creeping across Western Ontario at the rate of two miles a day. It will reach Toronto in about 40 days. The eight-inch line, owned by the Sun Oil Company, has reached South Dumfries township north of here and already has travelled 116 miles.

Merger of Two Paper Firms Is Proposed

NEW YORK (AP)—Merger of two old and well established paper industry firms—West Virginia Pulp and Paper Co., and Hinde and Dauche Paper Co.—was recommended Thursday by the boards of directors of the two companies at separate meetings.

Under the proposed merger, Hinde and Dauche would become a subsidiary of the larger firm, but operations, personnel and customer relationships would continue sep- relationships would continue separately.

The West Virginia firm had total assets of $149,704.000 at the end of its last fiscal year on Oct. 31, 1952. Hinde and Dauche's balance sheet showed total assets of $27,767.000 as of last Dec. 31.

The action of the boards is subject to ratification by the stockholders of the firms.

Hinde and Dauche owns a majority interest in Hinde and Dauche Paper Co. of Canada, Ltd., which owns and operates two paperboard mills at Toronto and Trenton, Ont., with an annual capacity of 100,000 tons. The Canadian company also has three box factories at Toronto, Montreal and Chatham, Ont., with a production of 1,000,000,000 square feet a year.

Plan Memorial To Pony Express

OTTAWA (CP)—A famous old news-transmitting service will be commemorated by a memorial to be unveiled Aug. 26 at Victoria Beach, N.S., near Digby, the resources department announced Thursday.

The memorial, constructed on recommendation of the historic sites and monuments board of Canada, will recall the Pony Express, operated by an association of United States newspapers, the forerunner of the present Associated Press, to transmit the first news from Europe in 1849.

The news was brought by the Cunard steamers reaching Halifax fortnightly on their way to Boston. The express, using horses from Halifax to Digby Gut—now Victoria Beach—and steamboats from there carried the news to Saint John, N.B., where it was sent to United States points by telegraph.

The pony express operated from February to November, 1849, and was discontinued when telegraph lines were extended to Halifax.

Petawawa Soldier's Death Is Mysterious

PEMBROKE (CP)—Mystery today cloaked the circumstances leading to the death of Pte. John Alexander Sim, 1st battalion, Royal Canadian Regiment. His body was taken from the Ottawa river here Thursday.

Cause of death remained undetermined despite a preliminary post mortem examination.

Police said Sim apparently left the Petawawa military camp Sunday. Police were attempting to trace his movements.

Let's Plant More Peonies

By FLORA M. SAVILLE

A visiting English botanist tells us that "Canada has the finest peonies in the world." OK, let's have lots more of them for they are one of the most beautiful and hardiest of our perennials. Shop around at your local nurseries and make your choice, then go home and prepare your ground. Have the ground ready and settling three or four days before date of delivery for best results.

"The proper time to plant peonies is nine o'clock in the morning of September fifteenth. I don't like to hurry breakfast," says a gardener with a sparkle of wit. You need not wait until that specific hour, it can be done any time now.

Well drained soil and sunny, or slightly shady position is best. Peonies may be planted in a bed, in the border, or they will make a leafy hedge if planted three to four feet apart in a row. From the first red growth in early spring they make an attractive plant until late fall when the leaves turn bronze and are finaly killed off by the frost.

Prepare Beds

To prepare the holes for new plants, or transplanted peonies from your own garden, dig out the soil to a depth of two feet, and make the hole two feet wide. Into the bottom foot place good top soil which has been mixed with 20 per cent well rotted manure, or other good commercial humus. Add three cups wood ashes and two cups raw bonemeal. Mix these together thoroughly. This will insure healthy future growth. Soak well, tamp and let stand three or four days.

For the top foot of soil use clay loam, 20 per cent rotted peat moss, one cup steamed bone meal and one cup lime. Mix well. Put part of this mixture in the hole, place the freshly dug roots on top and see that the crown will be two inches below the surface, no more and no less. Peonies planted too deep often refuse to bloom. Peonies should be mulched the first winter to prevent heaving by alternate freezing and thawing. After the second year they seldom need it except it in very cold districts.

During the growing season the ground should be kept cultivated lightly. Do not dig in with the hoe too deeply to injure the roots. Remove all side buds if large show blooms are desired. Nip out the end blooms before they have a chance to develop if you prefer quantity to quality.

When frost has wilted the leaves they should be cut off and burned to distroy disease spores.

To Divide Plant

If you wish to divide a large plant dig it carefully, or better still have some one dig with you working about a foot out from the plant. Shake off loose soil and leave the plant in the sun for two or three hours to wilt. This will make the roots less brittle and you will be able to separate them without breaking the tubers. Wash off all soil, and cut off foliage. Leave a few inches of stem. Examine the roots and see that there are no diseased portions. If there are any cut them off clean. Make the division so there will be at least five eyes in each portion. More is quite all right but less than five will take several years to make a sizeable plant.

Some Favorite Varieties

There are many new varieties, some are still expensive because they are in short supply, but there are many fine peonies that are available at around one dollar to two.

The following list are from a nurseryman's favorites.

White, or white flecked with red, or gold. — Festiva Maxima, Le Cygne, Mrs. Edward Harding, Marie LeMoine (very fragrant)

Pink,-President Roosevelt, Rosa Bonheur, Sarah Bernhart, Marie Crousse, Mons Jules Elie, Sister Therese.

Red-Felix Crousse, Auguste Dessert.

All of these are the Chinese peonies. Within the last few years new hybrids have been perfected which bloom a week or two before the other types. The single flowers are brilliant pinks and reds. They have been named Charity, Felicity, Hope, and Verity.

MOIRA

MOIRA — Mr. and Mrs. Raymond Green and family, have returned to Niagara Falls, after spending the past week with their parents, Mr. and Mrs. Geo. Ewold.

Mrs. Fred Preston, Donna and Jean, spent Friday with her sister, Mrs. Donald McInroy and Diane.

Mr. and Mrs. Milton Vandewater and children spent the week-end in Peterborough visiting the former's sister, Mrs. Bill Hutchins and Mr. Hutchins.

Miss Rhonda McAdams spent the past week with her great grandparents, Mr. and Mrs. Blake Ketcheson.

Rev. Mr. Hinds of Hamilton, was a recent caller at the home of Mr. and Mrs. Fred Elliott and Mr. and Mrs. Will Scott.

Mr. and Mrs. Cecil McAdams were dinner and tea guests of Mr. and Mrs. Blake Ketcheson and Mr. and Mrs. Ross Ketcheson. Rhonda returned home with them.

Mr. Lyle Williams is spending this week with his grand parents, Mr. and Mrs. Blake Ketcheson.

More Meat, Bacon Promised Britons

LONDON. (AP) — The food ministry yesterday promised Britons more meat and bacon by the end of the month "for an indefinite period." They will get about 20 per cent more meat and 30 per cent more bacon.

The extra amount will be off the ration, but the ministry warned it doesn't mean an early end to rationing, which has been in effect for the last 14 years.

FALL IS FATAL

PENETANGUISHENE (CP)—Dalton Williams, 73, was killed Thursday when he fell off a load of grain while helping with the threshing on the farm of his Nephew, Alvin Williams. About a year ago he was thrown off a grain wagon at the same spot and suffered neck injuries.

SOCIAL AND PERSONAL

ENGAGEMENT NOTICE

Mr. and Mrs. William P. Youle, of Belleville, wish to anunce the engagement of their ughter, Kathleen Sylvia, to nald Benjamin Buskard, son Mr. and Mrs. W. A. Buskard Belleville. The marriage will ke place at St. Andrew's Presyterian Church, Belleville, on turday, September 19, 1953, at 00 p.m.

• • •

Dr. and Mrs. J. A. Macdonald nd family, of Prince Rupert, .C., were recent guests at the ome of Mr. and Mrs. Larry Henning, Dufferin Avenue. Mr. W. Ainsworth, of Ottawa, was lso a guest at the same home.

• • •

Mr. and Mrs. Leslie Adams and hildren, Robert, Charles and arry, of Meaford, Ontario, have eturned home after visiting the atter's parents, Mr. and Mrs. harles Ling, at their summer ottage, Bay of Quinte.

• • •

Mr. and Mrs. John Hatch and rs. William Hatch, of Meaford, were guests of Mr. and Mrs. Charles Ling, en route to Aylmer, Quebec.

• • •

Mrs. Jack Hillier, 14 Willard Street, is a patient in Kingston General Hospital.

• • •

Mr. Herbert J. Mitchell, 286 Coleman Street, who is a patient in Belleville General Hospital following a recent operation, is progressing favorably.

• • •

Don Milton, of Cannifton, and his son, Floyd, recently made a trip to Skootamatta Lake. There they visited Madame Claire Cocci, staff organist of the New York Philharmonic Orchestra.

Weddings

DONOVON—McDERMOTT

A very pretty double-ring wedding ceremony was solemnized on Saturday, August 1, at 10 a.m., in the Church of St. John the Apostle, Kingston, when Theresa Ann, daughter of Mrs. Michael McDermott, Read, became the bride of John Joseph Donovon, son of Mr. John Donovon, Roblin. Rev. Thomas J. Larkin officiated at the ceremony.

Professor Nourry, organist, provided the wedding music and accompanied Mr. Alphonsus McCue, of Odessa, soloist.

The bride given in marriage by her brother, Vincent, was lovely in a floor-length gown of white French Chantilly lace over nylon net and satin. The skirt fashioned on the cutaway style, with tiers of net edged lace falling from the waistline and matching bolero, which had long sleeves ending in points over the wrists. A cloche of lace, satin and edged in pearls held her tulle and matching lace veil. She carried a cascade bouquet of roses and stephanotis.

Mrs. Harry McWilliams, of Corbyville, sister of the bride, was matron of honor, wearing a floor-length gown of pale green net over taffeta with matching lace jacket.

Mrs. Thomas Doyle, Whitby, Ontario, sister of the groom, was bridesmaid gowned in yellow net fashioned similar to that of matron of honor. Both wore matching gloves and floral hair bandeaux to match their bouquets of 'mums and Garber daisies.

Little Misses Anne and Linda McDermott, nieces of the bride were flower girls, wearing identical gowns of mauve bubble nylon, with halos of baby 'mums. They carried baskets of multi colored 'mums with matching ribbons.

Mr. Gerald Donovon, Oshawa, brother of the bridegroom was groomsman. Messrs. Bernard and Ed. McDermott and Thomas Doyle were ushers.

A wedding breakfast was served to the wedding party at the La Salle Hotel in Kingston.

A reception was held at the home of the bride's mother in Read. The guests were received by the bride's mother attired in pale blue sheer over taffeta with natural straw hat, white accessories and corsage of pink roses.

Following the reception Mr. and Mrs. Donovon left on a motor trip to Midland, Georgian Bay district and Western Ontario. The bride travelled in a dress of blue mist cire taffeta with white accessories.

Mr. and Mrs. Donovon will reside in Kingston. Guests were present from Kingston, Oshawa, Whitby, Belleville and Detroit, Michigan.

PEARSON—RAY

Beneath an evergreen arch at the home of the bride's parents, Mr. and Mrs. Edgar Ray, of Belleville, R.R. 2, a lovely house wedding was solemnized on Wednesday, August 19, at 3:00 p.m., when the daughter, Myrtle Doreen, became the bride of Lloyd Garnet Pearson, son of Mr. and Mrs. Orliffe Pearson, of Trenton, R.R. 5. The Rev. R. W. T. Middleton, pastor of Bayside circuit, officiated. Gladioli blooms and other summer flowers adorned the home for the occasion.

The wedding music was rendered by Mrs. Emily Veley, of Belleville, who also accompanied the soloist, Mrs. Ross Marshall, who sang, "Because" during the signing of the register.

Given in marriage by her father, the bride was radiant in a floor-length bridal gown of nylon lace over satin with full length veil of tulle illusion. She wore a single strand of pearls with matching earrings, a gift of her bridegroom and carried a bouquet of American Beauty roses.

Mrs. Fred Edmondson, sister of the bride, as matron of honor, was attired in a floor-length gown of yellow taffeta. She carried a bouquet of orchid and yellow gladioli florets.

Miss Lorna Ray, sister of the bride, as bridesmaid wore a floor-length gown of blue taffeta and carried a bouquet of pink gladioli. Both wore headdresses of matching tulle over taffeta with tiny clusters of snapdragons.

Little Margaret and Marie Edmondson, nieces of the bride, were flower girls, demure and sweet in their floor-length frocks of mauve and pink nylon sheer over satin. They carried nosegays of baby 'mums and Sweetheart roses.

Mr. Ross Marshall, of Belleville, R.R. 5, attended the bridegroom.

At the reception, which was held at the bride's home, the bride's mother, wearing rosewood mesh and lace with corsage of cream tea roses, received the guests. She was assisted by the bridegroom's mother, who wore Saxon blue crepe and lace with corsage of pink tea roses.

For the wedding trip to Hamilton, Niagara Falls and Brantford, the bride donned a navy sheer with navy and white accessories.

Mr. and Mrs. Pearson will reside at Belleville, R.R. 2, upon their return.

Guests were present from Peterborough, Toronto, New York, Frankford, Trenton, Ottawa, Bancroft and Thomasburg.

Prior to her marriage, the bride was the guest of honor at showers given by her aunt, Mrs. Arthur Greenwood, and Miss Shirlie Hall.

In the Cool of the Evening - -

By A. HENDERSON

"In the cool of the evening," what peaceful, happy vistas those six words recall; the work-a-day world seems to stop its hectic pace and rest awhile; everything takes on a soothing tone; the busy hum of the bees is quieted; the garden flowers give off their perfumes filling the air with fragrance almost indescribable, even the surging of the restless waves becomes slower and like soft fingers, caress the damp sands of the shore.

"In the cool of the evening there is a comradeship in every shrub and tree in the garden, and always in the tall maple beside the door, at this particular hour, one bird gives forth his evening song —a song so sweet, so filled with lilting cadences that one is forced to stand and listen, recognizing bits of warbler trills, interwoven with bars of canary roller and snatches of meadow lark.

This one bird, perched on high amid the sheltering leaves, resembles at that distance, a robin; but no matter of what variety, its song comes forth always from the same spot, and at the same hour. There he sits and sings, filling the whole garden with a peon of praise.

• • •

This maple tree and its brother companion, close beside the door, is the Mecca for many birds, both in winter as well as in summer. Here, for several years they have assembled awaiting the scattered crumbs, suet and bits of hamburg steak that make up their morning meal when seeds are scarce and bugs and worms have hidden themselves beneath the snowy carpet.

In the winter there are the sparrows, those lowly denizens of birdland, but ever seen by Him who sees the little sparrow fall; and the starlings, with sprinklings of late stragglers as the little wild yellow canary with jet black wings,—all vying for the dainty morsels, sometimes with feathers flying.

In the springtime these are augmented by sleek blackbirds, the Beau Brummels of the bird world, with their white-encircled blue eyes, and perky step; the colorful orchard oriole, and at rare intervals, the blue bird with its tawny breast.

The starling, though a much maligned bird, is worthy of praise as it, more than the others, has kept the garden clean of tent caterpillars, which were so prevalent this summer. Every nest was cleaned out, and the leaves left intact. The starling, as lately learned, a smart bird, which can be taught to whistle and talk, is thought by some bird fanciers to be a much better talker than the parrot, if taught while young.

• • •

The oriole is an old friend, for spring after spring, he has made his home in the garden, and has built his nest in this particular maple. Sometimes building the new nest but a short two or three inches from the old. He is either of an economical nature, or has a streak of laziness, as he uses the old nest in the building of the new, tearing it apart strand by strand.

How proud he is of the new nest, calling out in his high flute-like voice, "See-see, here-here, right here, see-see;" a call which continues on during the time of incubation, and rises to concert pitch during the fledgling stage; then, blended with the parent oriole's call, is the hee-hee; hee-hee of the hungry birdlings.

The robins occupy one side of the tree, and the orioles the other; each clan recognizing the domains of the other. Both see to it that intruders are escorted, without delay, to other districts. These intruders, for the most part are the sleek, high stepping blackbirds. First there is a general melee among the branches, then a streak of reddish brown preceded by a black streak, and bringing up the rear, a black feather comes floating down after the pursuer and the pursued have long passed from view.

At other times, the downy woodpecker is seen zig-zagging his way up the limbs in quest of hidden food, unmindful of the other occupants. He is a busy fellow, always intent on his own business, and so is not chased by the feathered songsters.

• • •

Now and then one hears the high note of the flicker with its tiny red cap, as he seeks a suitable nesting place. One summer a family of wrens had occupied the bird house on the arbor. After their family had moved on, the flicker decided that that bird house was exactly to his liking. So he set to work to clean it out. Straw by straw, and grass blade by grass blade he kept on, tirelessly, till he had it housecleaned to his satisfaction. But what disappointment awaited him — he was unable to wiggle his body through the small opening, all he could get in, wiggle this way, and that, was his head and beak. For some time he sat on the top of the bird house, casting about in his mind how to gain an entrance, but at last he winged his way to spots much more rewarding to the effort expended. It was quite amusing to watch him, and if birds have expressions, his was sorely puzzled. At any rate, it was not pride of self that was his undoing, but rather the reverse, he was bigger than he thought.

The elm tree at the end of the garden is the resting place for the little pink feet of the mourning doves, whose plaintive notes are often heard, but the birds themselves are seldom seen, though they are not timid like the other feathered friends, but due to their dun-like color, are not too distinguishable from the tree limbs.

In the cool of the evening come the blue featured humming birds, skimming the ether waves on seemingly motionless wings, as they flit from flower to flower, sipping the nectar, and along with these, the Cecropia moths with their tawn - grey, new - moon marked wings; these too, glide from blossom to blossom in search of the hidden sweet which nourishes their lovely bodies but for the space of 24 hours, completing a life cycle.

So, of all the hours of the day, those of the cool of the evening, with its subdued light; its flower fragrance, and the lovely, lilting song of the bird which sings at nine o'clock, are the sweetest and the best.

Mr., Mrs. Tom Nash Honored By Shower

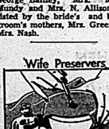
WELLINGTON. — Mr. and Mrs. Tom Nash, nee Marjorie Greer were guests of honor at a miscellaneous shower held at the home of her parents, Mr. and Mrs. L. J. Greer on Wednesday night, when about forty friends and old neighbors from Greer St., and Swamp College, (the former home of the Greers), gathered there to wish them both much happiness for the future.

After a social hour was spent, the bride and bridegroom were called to come forward. Mrs. Doris FcFaul read an address while little Misses Carol Allison and Donna Stevenson carried in the lovely gifts in a prettily decorated basket, which was refilled several times and presented them to the bride and bridegroom.

After the gifts were all opened and admired Tom and Marjorie then thanked all present for their kind remembrances.

Bounteous refreshments were served by the sponsors, Mrs. George Baitley, Mrs. Morris Mundy and Mrs. N. Allison, assisted by the bride's and bridegroom's mothers, Mrs. Greer and Mrs. Nash.

Wife Preservers



Glycerine treatment for stubborn ink stains calls for variation of so-called "percolating" technique. A small amount of warm glycerine is placed on the ink spot and rubbed through the fabric with a glass rod: Work from the outside to the center of the spot, using short, gentle strokes.

Dr. Young Will Speak at Hay Bay Pilgrimage

Dr. Harold Young, D.D., Secretary of the Board of Colleges and Secondary Schools of The United Church of Canada, will be the special speaker at the annual Hay Bay Pilgrimage at the Old Hay Bay Church on Sunday afternoon, August 30th at 3 p.m.

Dr. Young's father was a Methodist minister who served the Adolphustown circuit on which the Hay Bay church is situated. Dr. Young has kept up his interest in this old, historic church.

The Hay Bay church is the oldest church in The United Church of Canada. It was built in 1792 and stands today practically as it was built. In recent years interest in this old church and its relationship to the United Empire Loyalist tradition has attracted a good deal of interest by religious leaders and by historians. It is the original home of Methodism in this country whose spirit continues in The United Church of Canada.

The Church lies on the south side of Hay Bay and can be reached by car either from Napanee in the east or by the Glenora-Adolphustown free ferry from Glenora.

POLICE CAR STOLEN

PICHER, Okla. (AP) — Police Chief Gene Crockett, seeing a suspicious-loking car turn into an alley while he was watching for narcotics runners, jumped into another officer's car and gave chase Wednesday. Losing the quarry, he returned to find his own car stolen.

UNDERGROUND DEFENCE

LONDON (CP) — Underground headquarters for civil defence forces are to be built in London's Camberwell district. Above ground is a car park, fashioned from a bombed site and designed ultimately to make way for civil defence offices.

Handy With Rifle

Vera Holdsworth of Calgary continues to pile up trophies by her skill with a rifle. She shattered 97 out of 100 targets in one event in women's competition at the 54th annual grand American trapshoot at Vandalia, O., and placed third in the women's champion of champion events. She also was a high scorer in the events against men competitors. She is shown with some of her trophies won in 1952. — (CP Photo.)

Conquerors of Everest Relate Merry Tales of Adventures

By J. C. GRAHAM
Canadian Press Correspondent

AUCKLAND, N.Z. (CP) — When New Zealand's Everest climbers Sir Edmund Hillary and George Lowe embark shortly on a world lecture tour a highlight of their addresses is likely to be not their account of the final assault on the mountain, but their adventures afterwards.

They have been delighting New Zealanders with their down-to-earth stories.

Sir Edmund told people at Papakura, the Auckland suburb where his apiary is located, how he first heard of the knighthood bestowed on him by the Queen.

"We were strolling down a mountain pass about half way to Katmandu," he said. "We had long beards and hadn't washed for about five weeks, and looked extremely disreputable, in fact, as I do in Papakura.

"A Sherpa came along with some letters and there was one from John Hunt addressed to 'Sir Edmund Hillary, KBE.'

"You've heard how your whole life is supposed to pass in front of your eyes at these times. Well, my life flashed before me. I could see myself in Papakura, in my tattered overalls and the seat out of my pants, and I thought: 'That's gone forever. I'll have to buy a new pair of overalls now.'"

In Borrowed Finery

And Lowe revealed some secrets of how he and Hillary went to the garden party at Buckingham Palace just before Hillary received the accolade from the Queen.

"Ed had a morning suit lent to him by Larry Kirwan (secretary of the Royal Geographic Society) who measures six feet five inches in his socks," Lowe said. "It had a split down the back of the waistcoat and the pants were hitched up.

"I'm afraid we didn't act with complete decorum because I knew what Ed looked like underneath. I had a suit hired from Moss Bros."

He declared they had some difficulty getting into Buckingham Palace because the policeman at the gates didn't think they looked solemn enough for such an occasion.

Then Hillary was impressed by the way a dashing looking gentleman twirled his tightly-rolled umbrella as he walked along. "Cop this, George," he declared as he proceeded to practise with his own umbrella. As he gave the umbrella a vigorous twirl round his finger the top flew off, leaving the newly-created knight clinging with a puzzled expression to the handle.

Talk on Indian Tribe Given

Surrounded by Indian masks, dolls, drums, beaded buckskin and specimens of Indian crafts, Mrs. Gisela Commanda, Toronto, addressed the "Workshop 63" meeting of the Belleville Baha'is on Wednesday, bringing to the stories and traditions of the Red man the enthusiasm of an English girl who early fell under the fascination of Indian lore and who, as a graduate of the Royal College of Art in London, became still more deeply interested in the life and art of these people, married a Treaty Indian, and lived for some years on Lake Nipissing Reserve.

Mrs. Commanda traced the history of the Iroquois before they came under the influences of the white man, told of their ethics, philosophy of life, and the state of democracy in which they lived, outlining the development of the League of Peace in which the Mohawk, Oneida, Onandaga, Seneca, Cayuga and Tuscarora tribes united in co-operative harmony. This conception, which was later adopted by white settlers in America and still later in Europe, was implanted into Indian consciousness by the life and teachings of Deganaweda, who is considered a Prophet by the Indians, and by his disciple, Hiawatha.

One of a handful of educationists toiling to preserve the culture of the Canadian Indian and to interest Canadians in their Indian neighbors, Mrs. Commanda has just returned from the Ontario Baha'i Summer School where she conducted a lecture series.

While a guest of the Kingston Baha'i Community, Mrs. Commanda will visit Wallace Havelock Robb who is noted for his research on Indians, and will also visit the Tyendinaga Indian Reserve where a beautiful monument was recently erected in memory of Deganaweda.

Following a brisk question period, the meeting adjourned with a gay demonstration of an Indian dance conducted by Mrs. Commanda in which volunteers from the audience participated.

WANTS STATEMENT

LONDON (AP) — The Daily Mirror yesterday demanded an official "full statement" on the condition of ailing Prime Minister Churchill.

The tabloid, which claims a circulation of more than 4,500,000, said in a front page editorial that Britons have been "driven to pick up their information at second hand from tittle-tattle abroad."

SISTERS ALL

By Jean Love Galloway

For $15, it is now possible to buy an electric automatic record player which children from the age of three can operate themselves. Records with songs on both sides cost 35c each and they are a delight to any youngster . . . You can now get children's tunes of all sorts, as well as games, stories and children's hymns. The hymns are particularly helpful to three-year-olds who want to learn to follow the tunes in Sunday School.

Lastest records are made of bright colored plastic with pictures on the discs so that the pre-school child can tell what the record is about. The records are not easily broken or scratched. To induce sleep, the children's hymns followed by the various lullabies are as welcome to the parents at nightfall as to the youngsters.

So many games for younger children need two or three to play them. The record player is a wonderful toy for a child to play by himself as well as in company with other children. It will while away many hours on a rainy day and free mama for her household duties.

More Bad Luck

Modern gadgets may be much more convenient than old fashioned tools but there are times when the new things are exasperating. Take for instance, the electric magnifying mirror used with an electric shaver. What do you do when you accidently let the mirror fall so that it smashes?

There are few shops which can replace the mirror without sending the whole business back to the factory. Besides, breaking a magnifying mirror may mean many years bad luck, instead of only seven. No, it isn't always more convenient to be right up to date.

Drinks

When alcoholic drinks are being passed around, so often the only drinks available for non-alcoholics are various kinds of soda pop. Yet there are so many refreshing fruit juices which when served cold, are more delicious than the artificially prepared varieties.

There is perhaps no drink as nourishing and refreshing as a long, cool drink of pure grape juice. Frozen orange juice, canned pineapple or grapefruit juice are acceptable at any time of day.

Then there is a soothing fruit punch made with a mixture of lemons, oranges and canned cherry juice which can't be beaten by any of the bottled drinks. Women should think to serve fruit juices instead of always offering soda pop.

Uncle Frontenac says he is fed up with buying balloons for the kiddies which a grown man can't blow up, let alone a child.

Street Names Prosaic

(From the Newsletter of the Community Planning Association of Canada)

A country so rich in the poetry of place names—from Heart's Delight to Happy Hollow, from Tatamagouche to Tangleflags—has become prosaic in the naming of new streets. Street names are not an unimportant aspect of community planning. They provide an historical record of the way in which communities have grown and they attach to themselves many memories and affections.

Many Canadian cities have their Queen streets and their King streets by which to declare the loyalty of their founders; heroic episodes of more recent years are memorialized in many a Vimy avenue, a Churchill street and a Montgomery boulevard. Even some Canadian heroes such as engineers, surveyors and realtors have won a place in our catalogue of street names.

Machine-Age Numbers

Those streets which are known only by a number (Fourth avenue, Tenth street) reflect the period of the gridiron city plan. Some cities have even toyed with the idea that a system of decimal numbers (or is it logarithns?) could be used to identify every street and house number in the region. So for a time the machine age appeared to have submerged the art of toponymy. But now community planners are trying to release us from living in a totalitarian card-index system; a quiet side street, an unexpected cul-de-sac and a gentle curve in the street plan seem to offer more attractive settings for domestic architecture. So the quest for suitable street names is still with us.

Perhaps some inspiration can be derived from the older provinces of Canada where our forefathers had a remarkable flair for fitting and colorful place names.

In Newfoundland, for instance, we find the following: Come by Chance, Coachman's Cove, Coomb's Cove, Deep Bight, Doating Cove, Heart's Content, Heart's Desire, Hooping Harbor, Horse Chops, Isle aux Morts, Joe Batts Arm, Lamaline, La Poile, Leading Tickles, Lushes Bight, Nippers Harbor, Old Port aux Choix, Petit Forte, Pouch Cove, Presque, Rattling Brook, St. Jones Within, St. Shotts, etc. Here are names that make pleasant sounds.

Old Quebec also abounds in names that have a 'joie de vivre": L'Abord a Plouffe (Plouffe's Landing), St. Jean Port Joli (the lovely port), Les Eboulements (the tumble down- Barachois (do you hear the pebbles rolling in the combers?). La Malbai (evil bay), Clorlorme, Point au Pere (father point), Trois Pistoles (three ducats), La Descente des Femmes (the coming down of the women), L'Anse Pleureuse (weeping cove), Le Mache d'Epee (sword handle), Les Petites Bergeronnes (the little shepherdesses), etc. Then tere are the names which incorporate the English title of the country: St. Elie de Caxton, Ste. Cecile de Masham and the fantastic Sacre Coeur de Jesus de Blossom Hill Mill!

Job For Residents

A street name becomes important to those who gather around it associations of childhood and neighbors. Perhaps we are premature in attaching names to the streets of a new subdivision and some index number could be used until each street has gathered life and incident to itself. Then the people of the neighborhood could choose their own street names, recalling the local history, personalities and events of their settlement, as their forefathers had done.

FARMERS . . . ATTENTION!!

WANTED:— A number of progressive farmers in Western districts who would like to set out a commercial block of Red Raspberries, either for your local trade or for shipping to recommended city dealers. Recent Ontario-Quebec production figures, prices at 30-50c per quart and dealer reports would indicate short supplies everywhere.

To encourage, a limited planting of new high yielding patches, a well-known nursery is sending a special representative of many years experience in commercial production to personally interview and educate interested farmers in raspberry culture. This should result in higher unit yields, longer patch life, less labor and when translated into dollars, a high ratio of profit is assured.

Because of the present shortage of good planting material, bookings can only be made for Fall planting 1953 limited to one acre.

If genuinely interested in berry growing as a sideline to farming, write Box 400, Campbellford, Ontario, on or before August 26th., giving location of your farm. Our specialist will call later and completely analyze the business, soil requirements and preparation, up-to-date cultural practices, home markets and surplus shipping, cost of planting, estimated yields and profits per acre. Late replies cannot be covered.

ADVICE to the LOVELORN

By BEATRICE FAIRFAX

Should They Have "Nipped The Romance in The Bud"?

A mother whose 17-year-old daughter has become engaged to a boy of the same age is perplexed as to the attitude she and her husband should take toward the matter.

The parents were opposed to the engagement from the beginning, but hesitated to forbid it for several reasons. One, was because they had seen a teen-ager in another branch of the family elope and marry at 16 when her parents opposed her romance and they naturally did not want anything like that to happen with their own daughter. Second, their daughter's early years were clouded by a type of illness which they fear might return if the girl were emotionally upset.

The specific thing which is distressing these parents at the moment is the fact that there seems to be no disposition on the part of their daughter's fiance to have a home ready after the wedding, which presumably will take place after the girl graduates from school next year.

"So far the boy has done absoluely nothing towards saving money to furnish a home," the mother writes. "He is not lazy or irresponsible, but he is just not ready to settle down. In the several months since he became engaged to our daughter, surely he could have put a little money in the bank or otherwise showed some sign that he realizes the obligations he will have if the marriage goes through. Our daughter has started her hope chest and has made a good start toward laying by her share of what they will need in the beginning. We have tried to make her see that there are many responsibilities in marriage, and that this boy should be buckling down to them well in advance.

"Should we say nothing at this time, but give the boy a few more months to make an effort toward planning for a home, or should my husband corner him in the way that an old-fashioned father would have done and ask him if he is going to be able to keep our daughter in the manner to which she is accustomed? If the fellow could assure us that he would have enough to take care of her adequately, we'd be satisfied. As it is, we are certainly in a quandary as to what move to make."

She adds that she supposes my first reaction would be to say that she and her husband should have "nipped the romance in the bud," but they did not feel that was the wise thing to do in view of the special considerations she mentioned.

To Marry When Older

Let me say, first, that here she is guessing wrong. I definitely would not say that these parents should have put their foot down right in the beginning and insisted that the romance be ended then and there. What I would say is that instead of refusing to permit the engagement, they might have agreed to approve it on one condition—that there should be no wedding until the young people were older and could show that they had practical plans for their future. I think it was a mistake not to have made this stipulation, but I think, also, that it is not too late to make it now. Two 17-year-olds are by no means responsible candidates for marriage — the boy especially, has already demonstrated this—and a gentle, but very firm hand is needed to keep them in check.

Apparently the parents have not only gone along with the engagement but with the setting of a more or less definite date for the wedding. But even with the reasons in mind why they did not want to oppose their daughter, one could still say that the daughter should be willing to make a concession just as her parents did. All the yielding should not be on one side and, if the daughter can be kept free of illness only by always having her own way, then there is certainly trouble ahead for her anyhow. For her parents will not forever be able to shield her from the necessity of making the compromises which life demands and, the earlier she learns the necessity of making them, the more optimistic the outlook will be for her future health.

Sound Sense

There was good sound sense in the approach of that "old-fashioned father" to whom letter refers and it would not be at all amiss for this girl's father to approach this particular problem in some such way. So what I would suggest is that the parents and the young people sit down together and discuss the whole thing in a perfectly friendly way. Let the father, with his wife's backing, say quite frankly that he has been concerned over the boy's lack of initiative in making plans, and he feels that perhaps he is not ready to settle down so soon. Let him say that he and his wife would like to help the young people make their plans so that the young couple could work intelligently and definitely toward their goal.

If this were done in the right way, I think it almost certain that the parents could win the co-operation of both their daughter and her fiance—especially if they made it clear that they feel there should be no marriage without proper preparation. I certainly do not think the parents should feel that their only course is to let things keep drifting along aimlessly.

The mother writes that she and her husband "don't approve a hundred per cent" of the engagement and proposed marriage, but that they still "will not actively oppose them." It seems to me that if they adopt the plan just suggested they can hold to their program of "not actively opposing" the young people but, at the same time, take a wise and necessary step toward keeping them in line.

GOOD MANNERS

By MRS. BEECKMAN

Returning 'In Remembrance' Gifts To Those Who Gave Them

Dear Mrs. Beeckman:

Last month my sister, who lived with me and who had been an invalid for some time, passed on. She had a wonderful "gift of friendship," and her many friends, who loved her dearly, had on various occasions given her lovely presents. I would like to give to each of these kind friends something that belonged to my precious sister, as a remembrance and keepsake. Do you think this is a good idea, or is there any possibility that it might be misinterpreted? If you do approve, do you think it would be better to give each the gift the person gave to my sister, or should I give something else, something perhaps not so personally associated with my sister?

Geraldine S.

Yours is a beautiful and generous spirit . . . I'm proud of you and indeed I do approve of your sweet plan of tender memorial and remembrance. I have had several friends who have most thoughtfully done what you are planning to do, and I have been as deeply touched as I know your sister's devoted friends will be. The gifts returned to me were particularly precious because they had been cherished and used by a beloved friend. So my suggestion is that you return to each friend the gift each gave, with a little note of appreciation, with a gentle explanation of how much your sister valued the gift, its deep significance to her, and what an endearing giving-gesture it was.

Don't Send Shower Invitations To Those You Know Can't Come

Dear Mrs. Beeckman:

Do you think it is proper to send shower invitations to friends (relatives too) who live out-of-town and who you are positive will not be able to attend the shower? I think this just doesn't make sense. But my cousin insists that sending this invitation is a compliment to the person it is sent to, just as sending a wedding invitation is supposed to be.

Janet W.

You're so right . . . sending these shower invitations doesn't make sense. Receiving such an invitation would have no compliment or honor attached to it. It would merely obviously and crudely mean that the invitation-to-the-shower is sent with a "nudge" that a shower present be sent . . "Of course we realize you can't come. But how's about sending a shower present?"

How to Address Reply to a Card Of Sympathy

Dear Mrs. Beeckman:

(1) When addressing the reply to a Sympathy Card, which form is proper to use: Mrs. John Smith and Family, or Mrs. Mary Smith and Family or The Smith Family? (2) Also is it proper to use the sign of "and" (&), or write the "and" in small letters and in full?

S.K.

If the card is sent by a family, the best form is to address the envelope of the reply to "Mrs. John Smith," and on the card itself write, for example, "Thank you and your family for the kind message of sympathy. It brought comfort to all of us." If the card was sent by a husband and wife, the envelope may be addressed to "Mr. and Mrs. John Smith."

(2) The sign of "and" (&) should not be used in a social note of any kind . . . the "and" should be written in full, in small letters, not capitalized.

Readers' Saturday Column

By Mary Moore

Question:

Will you please tell me if Bread and Butter Pickles are supposed to be peeled in preparation, or just sliced with peeling on? Also what us is alum in pickles? and is it anyway harmful to the health.—Almina W.

Answer:

Do not peel cucumbers in making Bread and Butter pickles.

Many recipes (including some quick-method ones of mine) for cucumber pickles call for alum to harden the pickles. Alum is not needed if pickles are brined for 6 to 8 weeks, for this hardens them and makes them crisp. A small amount of alum is not considered harmful by our department of agriculture.

Question:

I try your recipes with confidence as they are always so easy to understand, economical and always a success. . . I tried the diabetic strawberry jam and it turned out fine. . . being a diabetic I just crave sweet things . . .I am busy making raspberry jam off the same recipe. . . I have a recipe for diabetic salad dressing (which you may have if you haven't one) . . .but was wondering how your non-separating French dressing would be if I substituted mineral for salad oil . . . my husband takes his lunch every day, 8 sandwiches. He does not like meat and shows a decided preference for commercial sandwich spreads. . . . also hard-boiled eggs, lettuce, cucumber, salmon, etc. If you have any spread recipes you could spare please send them. Happy holidays.—Isobel B.

Answer:

Are you not the friend of Mrs. Brock's whom I have met? I have a canned Sandwich Spread you might like to make. I have written to you.

Canned Sandwich Spread

Grind together through coarse blade of food chopper 6 cups unpeeled cucumbers (measured after grinding), 4 cups onions, 3 red sweet peppers, 3 green peppers. Add 1-2 cup salt and let stand two hours. Dilute enough vinegar by half with water to cover and bring to boil, then drain very well and discard this weak vinegar. Mix together 1-2 cup soft butter, 3 cups sugar, 3 tablespoons flour, 4 beaten eggs, 1 teaspoon each mustard and celery seed, then stir in 1 pint vinegar. Stir this into the drained vegetables and boil, stirring, for 5 minutes. Add 1 cup thick cream, bring to boil, and pour into sterile jars and seal. When this is opened a little ground meat or chopped nuts may be added before it is made into sandwiches.

Question:

Altho' I'm a new reader I feel that I have found a friend through your wonderfully helpful column. May I seek your advice? Last year I made apricot jam using the —— recipe. Heavy sugar crystals have formed on the top of the jam. Is there any way I can remedy this situation? or is the jam wasted? I'm sure I followed the recipe faithfully.—Anne J. H.

Answer:

There is such an excessive amount of sugar in some jam recipes it is a supersaturated solution. You cannot reconstitute this jam for there is no way of removing the sugar. Of course you could add more fruit, but I think that is only a fair risk, so don't even try it. Skim off the crystals and use the jam strained or pureed for pudding sauces. Apricots when pureed make an excellent glaze for baked ham.

This is the standard Apricot Jam recipe:

Apricot Jam

Wash apricots, remove pits and cut into quarters and measure 12 well-packed cups. Add 7 cups sugar and let stand 1 hour after stirring well. Add 1 tablespoon lemon juice, bring to boil and boil uncovered for about 12 or 15 minutes, or until when tried on cold saucer it is slightly thickened. Pour into sterile jam jars and seal with hot paraffin, adding second coating when cold.

Time for Tea

Varied as they are in nationality and customs women delegates attending the Associated Country Women of the World's seventh triennial conference at Toronto share a fondness for tea. Lady Coomaraswamy, (right) delegate from Ceylon, brews a pot of tea India fashion, for Laura Lane of Philadelphia, Pa., between sessions at the conference. — (CP Photo.)

SENSATIONAL GOODWILL OFFER AT DOMINION

Only at DOMINION can you get these excitingly beautiful

DOLLS of ALL NATIONS

Regular
Value
$2.98

only 89c

with every
$29.00 in green
cash register receipts

Hurry! Hurry! Don't Delay!

Start Monday to save your green cash register receipts.

Before you know it, you'll be on the way to a wonderful collection of dolls!

We would like to take this opportunity to acquaint you with a sensational goodwill offer to be made at Dominion for the next six weeks.

With every $29.00 in green cash register receipts, you can get, for only 89c, a beautiful Doll of All Nations of your choice. Regular value $2.98.

There are many different Dolls to choose from — all beautifully and authentically dressed — French, Parisian Brides, Bridesmaid, Martha Washington, etc.—and we are sure you will be delighted with them that you will want to make a collection.

Be sure to see the display at Dominion this week. Be sure to start saving your green Cash Register receipts now. Remember — every $29.00 in purchases at your Dominion Store, entitles you to a beautiful Doll, for only 89c. You don't have to make all your purchases at one time—simply save every Green Cash Register receipt you get.

Children love these beautiful Dolls. We know you will too. Shop today, every day of the week at Dominion. See how you can cut food costs, and, at the same time, get an exciting, exquisitely beautiful Doll of All Nations.

Ted Williams Back Too Late For Any Say In American Loop Race

Pitchers Finding Out Former Fighter Pilot Has Sharp Eye; Has Hit 4 Homers in 19 Times

By BEN PHLEGAR
Associated Press Sports Writer

He was about a month too late for the pennant race, but Ted Williams is back and the rest of the American League is finding it out the hard way.

His eye is sharp and the power still there. His legs bother him a little, but more practice now and a winter of careful training probably will bring Williams up to next season as good as new.

Since getting out of the Marines late last month, Williams has been following his own training ideas. He pinch hit for the first time Aug. and popped out. Three days later he made his second appearance and hit a home run.

Full Games Ye.

Although he has yet to play a full game he has been in the lineup times as a pinch hitter and part-time outfielder. In 19 times at bat he's blasted nine hits, four of them home runs.

Friday night in Washington he had his best game so far. He hit a home run with two on base and three singles in four times up. The runs paved the way for a 7-3 Boston Red Sox victory in the second game of a doubleheader. The Senators won the first game, in which Williams didn't play, 9-1.

In other American League action New York Yankees edged Philadelphia Athletics 5-4 in 1 innings, Chicago White Sox defeated Detroit Tigers 4-1 and Cleveland Indians took two from St. Louis 7-3 and 3-2. The second game ran innings.

Brooklyn Dodgers' 13-game winning streak in the National League was broken by Pittsburgh Pirates -1. The last place Pirates had lost 16 out of 17 to Brooklyn before the contest. Milwaukee Braves nipped Chicago 5-4, St. Louis Cardinals defeated Cincinnati Redlegs 4-0 and Philadelphia Phillies edged New York Giants 7-6.

Murry Dickson spaced seven Brooklyn hits for his ninth victory. Fran Thomas drove in four Pittsburgh runs with a home run and a double.

Mathews Gets 39th

Eddie Mathews hit his 39th home run, a club record, as Milwaukee's Lew Burdette won his 12th game against two losses. Don Liddle bailed out in the ninth when Chicago rallied for three runs.

Harvey Haddix scattered four hits in winning his 16th game, tops among St. Louis pitchers. Steve Bilko homered with the bases empty.

The Giants' pitching fell apart in the seventh inning and the Phils came from behind with three runs. Jim Hearn, who was protecting a 6-4 lead, gave up at the start of the inning with an itching side. Hoyt Wilhelm, Dave Koslo and Al Worthington followed him, Koslo taking the loss.

Kuzava Wins Fifth

Alex Kellner pitched his way out of a ninth-inning jam in which the Yankees loaded the bases and scored one run on a wild pitch with nobody out. But Charlie Silvera drove a pinch hit single to centre with runners on second and third in the 11th for the winning run. Bob Kuzava picked up his fifth victory. The game was played under protest by Philadelphia from the ninth inning when manager Jimmy Dykes was tossed out for arguing.

The White Sox spotted Detroit a run, then caught up and went on to win against Ralph Branca and the Tigers. Mike Fornieles scattered five hits.

Al Rosen hit three home runs and drove in seven tallies during the Cleveland-St. Louis doubleheader. Harry Brecheen and Dave Hoskins duelled all the way in the marathon nightcap, decided when Bill Glynn doubled home Bobby Avila with two out in the 12th.

STAMPS SIGN HALFBACK

CALGARY (CP)—Canadian-born halfback Glen Christian, star with University of Utah for the last four years, has been signed by Calgary Stampeders of the Western Interprovincial Football Union. Christian was the ninth draft choice of San Francisco 49ers and came to Calgary from the American club's training camp.

Oshawa Team Wins in Tenth By 11-4 Count

By THE CANADIAN PRESS

Only one generous team showed up in the Senior Intercounty Baseball League Friday night and that one didn't become kind until the 10th inning.

Guelph Maple Leafs fiercely held Oshawa Merchants to a 4-4 tie for nine innings at Guelph before falling to an 11-4 defeat under a seven-run uprising in the 10th.

London Majors also needed an extra frame in their home park to squeeze out a 5-4 decision over Kitchener Panthers. At Waterloo the Tigers clung to first place in the standings by coming from behind twice to nip Brantford Red Sox 8-6, while St. Thomas Elgins, after dropping eight in a row, spotted the visiting Galt Terriers three runs in the first inning and then held them runless until the finish to score a 5-3 victory at St. Thomas.

The nip-and-tuck contest at Guelph changed leads five times. Oshawa, behind 4-3 going into the ninth, tied it when Bud Turk came through with a pinch homer.

Make It Runaway

That broke the resistance and the Merchants let loose with a triple, a double, two singles and a pair of walks in the extra time to make it a runaway. Jim Jones with a four-bagger and three other safeties was Oshawa's spearhead.

The London-Kitchener meeting was also a Frank Merriwell situation. Russ Evon, whose single paved the road to a tie for the Majors in the eighth, won it with a circuit clout in the 10th.

Bill Best fanned eight for the Majors, walked one and was touched for nine hits in going the full distance.

Waterloo, behind twice, finally downed the pesky Red Sox when catcher Ed Sokol doubled in the winning run in the seventh. Playing manager Hank Biasatti moved from first base to the mound and hurled shutout ball for five innings for the win.

Each Pole Homer

Each side had one home run, Jim Wilkes stabbing one for Brantford in the first and Fred Thomas nailing a 400-foot clout in the third.

St. Thomas' victory broke a chain of losses. George Kolaso was the big gun for the Elgins with a pair of home runs, one with a mate on board. It was only the 15th victory of the season for the last place Elgins who have dropped 42.

Voyles Worries as Ti-Cats Have Only One Defence Back Left Over From Last Season

By TOMMY MOORE
Canadian Press Correspondent

HAMILTON (CP)—When a football coach loses all but one of his defensive backfielders, it's time to start worrying, even if the season hasn't started.

And that's exactly what Carl Voyles, Hamilton Tiger-Cat mentor, is doing.

Last season when the Tiger-Cats ran and passed through the regular schedule to finish on top of the league before losing a three-game playoff to Toronto Argonauts, Voyles had such stalwarts as Hal Waggoner, Bobby McDonald, Doug Gray and Dick Brown. They were good enough to help make the club about the hottest in the four-team loop.

Only Brown is with the Tiger-Cats today. McDonald, stricken with polio, may never set foot on a gridiron again. Waggoner is in Texas with the United States Air Force. Gray, slowly recovering from the 'flu, expects to join the club again but won't be ready for at least three weeks.

Two Newcomers

However, Voyles is working on a possible solution to his backfield woes. He is trying to convert Ray Truant and Bobby Dawson, both without any senior experience, into defensive backs. Truant is from the University of Western Ontario and Dawson hails from Windsor, Ont.

Voyles hopes to whip them into shape by the time the Bengals make their 1953 debut at home with the Ottawa Roughriders Aug. 29.

Voyles' other Canadian talent includes George McPhail, with the Winnipeg Blue Bombers last year, Billy Graham, a 17-year-old from St. Andrew's College in Toronto, Merle Hapes, now a Canadian after spending five years here, Bill Berezowski, with the Tiger-Cats last year, Cam Fraser, a kicking and running back, Eddie Bevan and Tip Logan, one of the best Canadian ends in the business.

Has Good Imports

Looking at his set-up from an American angle, Voyles is supplied with some good imports. Tackles Ralph Sazio and Vince Mazza, Quincey Armstrong at snap and Bernie Custis, a strong-running backfielder, are all holdovers.

Voyles has imported Lou Kusserow, a quarterback from Davidson College, N.C., and Columbia University trying for berth, and backfielder Chuck Niven and Auburn Lambeth, just released by the U.S. army after two years' service in Korea.

Alton Baldwin, a standout with Ottawa the last two years, and Vito Ragazzo from William and Mary University, Williamsburg, Va., are two ends Voyles may decide to keep.

Other Canadians

The other Canadian players include: Ralph Toohy, hard-hitting outside, Alex Muzyka, a backfielder trying for a spot after being dropped midway through the 1952 campaign, Dunc Ellis from Kingston's Queen's University, Vince Scott, one of the best guards in Canada, Al Murphy, a high school sensation two years ago, Pete Woolley, a guard, Hank Simola, a junior last year, Ken MacTaggart, promising end from McMaster University in Hamilton, Jack Parsisson, just up from junior ranks, Louie DeFrancesco, Buster Brown, Don Beatty, with Calgary last year, Pete Neumann, Frankie Dilks, Dick Brown, Chet Miskza and Art Darch.

Big Bob Cross, up from Chicago Bears of the National Football League, is trying to beat Sazio and Mazza for a tackle position. Bill Gregus, who started with Hamilton in 1950, is gunning for a backfield spot.

Seek Waggoner's Spot

Two speedy backs are fighting for Waggoner's vacated berth. They are Royal Bailey, from Tulane University, and Tommy Koller, a product of William and Mary University.

The big gun thus far has been Bob Celeri, the fellow who beat George Ratterman out of the regular quarterback berth with New York Yankees of the NFL last season. Celeri appears to have an edge over Lambeth for the signal-calling spot.

Voyles can keep 11 imports on the 36-man team he is allowed to sign. He hasn't given an inkling on his selections.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS

Pitching—Harvey Haddix, St. Louis Cardinals, gave up only four hits in winning his 16th game, tops among St. Louis pitchers, 4-0 over Cincinnati.

Batting—Al Rosen, Cleveland Indians, hit three home runs and drove in seven runs as the Indians won a doubleheader from the St. Louis Browns 7-3 and 3-2.

Atkins Wins Over Geohagen Two Falls in Three; Midgets Delight Large Crowd of 2,221

Fred Atkins, the "hardrock" from down under won himself an important wrestling bout at the Memorial Arena Friday night before 2,221 screaming, wild-eyed fans, when he defeated the pride of Ireland, Timothy Geohagen, the first and third fall of their match. The midgets came back to town and stole the show with their tag team match, aided and abetted by Bunny Dunlop, while Al. Warshawski took a lacing from badman Al Costello in the preliminary bout.

Atkins put on his toughest show in years in a Belleville ring. From the opening bell he rushed Timothy, never allowed him to get set and pounded him with everything but the ring posts, when in close. Atkins did his most devastating work on the ropes and poor Timothy had a hard time keeping away let alone doing any wrestling. After Atkins had won the first fall in about twelve minutes, Geohagen came back in the second and continually worked on obtaining his famous "sleeper hold" but Atkins was wily and stayed away but Geohagen finally got the crusher and Dunlop called a halt to the proceedings.

Wiggled Free

In the final fall, Geohagen continued on his same course and twice had Atkins ready for the cleaners but each time he wiggled to the ropes and got free. Geohagen took a terrific amount of punishment from there till the end of the bout and finally Atkins secured a headlock and softened him up for the final fall.

The midgets raised the roof with their exhibition and they can come back anytime. Sky Hi Low and Tiger Jackson took on Little Beaver and Toughie McRae in a tag team match and when the time limit ran out Dunlop called it a draw but that did not stop the contestants from milling all over the Arena floor outside the ring and finally the gendarmes put a stop to the proceedings. Little Beaver was tough and he had a particular hate of Sky Hi Low, in so much he shook him off the ring strands many times and in performing the feat was all the way across the ring from him. He took them all on and had Tiger Jackson crying for mercy when the bell sounded.

The midgets rolled and tossed each other about the ring with abandon and towards the end so torrid became the action that the boys were playing for keeps and the crowd loved it. The acrobatics by these small people was something to behold and an extra long intermission was required for the crowd to again get its calmness.

Al Costello is a bad actor and why Dunlop did not disqualify him early in his bout with Al Warshawski is a mystery. Warshawski was mauled, pulled, ganged otherwise made uncomfortable at every turn and finally succumbed to a back breaker. Before leaving the rung, Costello had a short bout with a woman fan, who came out of the affair a winner. It was a good night of wrestling and the fans really had an evening's worth.

Northern Electric Defeats Alcans By 15-5 Count

The Northern Electric softball team should enter the second round of the Intermediate AA, O.A.S.A. playdowns after defeating the Kingston Alcans, 15-5 in the first game of a two of three series, which opened in Kingston on Friday evening. The second game in the series will be played at the C.N.R. field on Tuesday evening starting at six bells.

The winners 'busted' the game wide open in the eighth frame when they platted nine runs. The end could be seen in the seventh when they netted three runs and for good measure they added a couple in the ninth. It was a close ball game until the big rally in the eighth with the homesters leading 5-1 and once the winners got in the driver's seat, McCurdy looked after the opposition. The game was scoreless till the fourth when the N.E. boys pushed over a tally but the Alcans came back with two when Scott hit a homer with a man on. Perry did the same in the fifth after Mills secured a hit and again in the sixth Hewitt blasted one for the circuit with no one on.

By this time the Northerners were getting peeved and in the seventh put Ruthousky to the showers by platting Miller, Locke and Bone. In the eighth the carnage started and nine juicy runs were scored and the game was in the locker. The parade was continued in the ninth with two more to make the victory sure. McCurdy for the Electrics went the route and allowed only seven hits, while the Alcans used three hurlers, the starter, Ruthousky, Barker in the seventh and Routley in the eighth and they allowed nineteen blows. McCurdy allowed three walks, Ruthousky two, Barker two and Routley one while McCurdy struck out ten, Ruthousky and Routley one each.

Homers were hit by DeRushie for the winners, while Percy, Scott and Hewitt had round trippers for the losers. The Electrics executed the only double play.

Score by innings:

Northern Electric	000 100 392—15	19	2
Kingston Alcans	000 221 000— 5	7	4

Batteries: Electrics, McCurdy and Bone; Alcans, Routhousky, Barker, Routley and Lyons, Mellings.

Umpires: Williams, Belleville; Buck, Kingston.

WAS GOVERNOR O N.C.

QUEBEC (CP)—Cameron Morrison of Charlotte, N.C., Democratic governor of North Carolina from 1920 to 1924, died Thursday of a heart attack in his hotel room while on a holiday here.

Football Training Notes

By THE CANADIAN PRESS

From practice fields to golf links, Canada's eight major league football machines groomed this week for schedule openers starting next Wednesday.

Winnipeg Blue Bombers, in a pre-season victory celebration took time out for relaxation on the golf course. The other Western Interprovincial Union and Eastern Big Four clubs drilled on the field.

Blue Bombers coach George Trafton said his boys deserved a rest after last week-end's double exhibition victory over Toronto Argonauts and Ottawa Rough Riders. He gave them two days off.

Indian Jack Jacobs slammed his way round the golf links in 37-37—74 to win the club tournament low gross. Tommy Lumsden joined the quarterback in a championship role, winning the low net with a 82 after shooting 81-66—147 and subtracting his handicap of 65.

Footballwise, Bombers concentrated on running plays, eliminating bodily contact and rough scrimmages. Dean Bandiera, offensive guard, and halfback Tom Casey were the only ailing men. Bandiera is recovering from a slight leg injury and Casey rested a sore foot.

Edmonton Eskimos report Tom Stolandske, big import end from Texas, down with influenza. Coach Darrel Royal says Stolandske may miss several of the daily workouts, but he expects him in shape for the season opener Aug. 29 at Winnipeg.

Stolandske is the only team member missing workouts. Quarterback Claude Arnold and half Ray Enright, who missed both Esks' pre-season exhibitions last week-end due to leg injuries, now are back in harness.

Calgary Stampeder mentor Bob Snyder is reported casting glances to the United States for help in his tackle department. Otherwise, the Cowboys seem prepared for their opener Aug. 29 against Saskatchewan Roughriders at Regina.

"George Halas of Chicago Bears wired me he might have some players who will benefit Stampeders," Snyder said, "and Buddy Parker also mentioned he might send some along from the Detroit Lion camp. Then there is an outside chance I will be able to do business with Los Angeles."

Snyder says negotiations with Andy Hillhouse, a six-foot-four Texas A. and M. graduate, are still going on.

In the East, the big news came from Argonaut's Eastern Big Four headquarters.

Donn Moomaw, a 220-pound linebacker who is studying for the Presbyterian ministry, arrived with defensive halfback Bobby Moorhead.

Moomaw, unanimous All-America lineman with University of California at Los Angeles last year, was the No. 1 draft choice of Los Angeles Rams this season. Moorhead, five-foot 10 inches, was an All-America with Georgia Tech in 1952. Both impressed Argo coach Frank Clair in first workouts.

"Their reactions were wonderful," said the coach. "They both react swiftly. Reaction is supposed to be the first hallmark of a football player."

Elsewhere with the Double Blues, Doug Pyzer reported back and Jim Yok, a U.S. two-way end came in from Montreal. Argos now have 13 imports and must trim to 11 by Wednesday when they open at home against Montreal Alouettes. That's a Big Four rule.

At Hamilton, Tiger-Cat coach Carl Voyles was trimming his boys into shape for the contest tonight—a special game for the benefit of a former Hamilton gridder, Bobby MacDonald, whose career was cut short this season by polio.

Bobby, attacked by poliomyelitis about two weeks ago, will hear a broadcast of the game on a hospital radio.

Leafs Blanked By Rochester; Orioles Split

By THE CANADIAN PRESS

Rochester Red Wings held on to their slim International Baseball League-lead Friday night, blanking Toronto Maple Leafs 5-0—and the second-place Buffalo Bisons, staying in hot pursuit, nipped Syracuse Chiefs 6-5.

Only a half game separates the first two clubs.

Lefty Miles Jordan pitched seven-hit ball as he unfurled his second straight shutout at Rochester, fanning six and walking two for his sixth win of the season. Jim Post yielded three runs to the Wings in the first. He went out in favor of a pinch-hitter after seven innings.

At Buffalo, Jack Wallaesa, the loop's leading home run hitter, whacked his 31st circuit clout of the season, and Frank Carswell hit his 20th to give the Herd the edge over the Chiefs. Each also had timely singled to drive in two more counters.

Montreal Royals advanced to within two games of the top by winning a doubleheader from Springfield Cubs at Springfield, 7-3 and 3-1.

Earl Mossor was given credit for the opening victory, although he wasn't around at the finish, and lefty Tom LaSorda pitched a two-hit masterpiece in the nightcap for his 15th victory against seven defeats.

At Baltimore, a single in the ninth by Marty Tabacheck enabled the Orioles to gain a split with Ottawa Athletics, winning the second game of a doubleheader 6-5 after losing the opener 10-4.

The visitors hopped on Howie Fox in the opener for nine runs in the first three innings, on eight hits, including home runs by Joe Taylor and Fred Gerken. Ralph Caballer hit a grand-slam homer for the Orioles.

Modern Hockey One Long Brawl Says Professor

GENEVA PARK, Ont. (CP)—Modern hockey is one long brawl, Professor F. H. Underhill of the University of Toronto said Friday.

He blamed Conn Smythe, managing director of Toronto Maple Leafs of the National Hockey League.

(Smythe wasn't available for comment Friday night.)

The passing swipe at hockey and Smythe came in a talk before the Couchiching conference on the subject "Can Modern Man be Free?" Prof. Underhill said he could, but only after a long struggle to escape the bonds of conformity and evils of mass democracy.

He mentioned hockey while enlarging on the theme of the debasing of human tastes and desires.

He said Smythe had "taken a wonderfully artistic game and made it into one long brawl."

Trailermen Win First Playoff Game 12-8

PETERBOROUGH (CP) — Peterborough Trailermen swept to a 12-8 triumph over St. Catharines Athletics Friday night to win the first game of a best-of-seven Eastern Canada senior lacrosse final.

Peterborough led 5-1 at the end of the first period and 7-3 at the half-way mark. St. Kitts outscored the Trailermen 3-1 in the third but the Petes came back 4-2 in the finale.

In the final two minutes of play, Bill Bradshaw and Russ Slater, the latter from Peterborough, tangled in a fight.

Ross Powless, Ike Hildebrand and Harry Wipper topped the Trailermen with three goals apiece, singles going to Roger Smith, Nip O'Hearn and Curly Mason. Al Frick paced the visitors with three markers as Norm Corcoran clicked for two, and Ted Howe, Jim McMahon and Derry Davies one each.

Second game is Monday in St. Catharines.

GEHRIG HONORED

NEW YORK (AP)—New York City paid tribute Friday to one of the greatest baseball players it ever produced—the late Lou Gehrig, the Yankee first baseman who set an all-time major league record by playing in 2,130 consecutive games.

Mayor Vincent Impellitteri, Gehrig's mother and ballplayers who had played with the 'Iron Man' took part in a ceremony during which a plaque to his memory was dedicated at his birthplace, 309 East 94th St.

CHILD DROWNS IN RIVER

AMHERSTBURG (CP) — Mary Catherine Dunville, 16 months old, of Detroit, was drowned Thursday when she tumbled from a breakwater into a few inches of water at Lakewood Beach about 20 miles south of Windsor on the Detroit river.

Owners, Coaches Not Worried Over 'Jumpers' to Canada

By HUGH FULLERTON, Jr.

NEW YORK (AP)—The owners and coaches of National Football League clubs apparently aren't too worried about the players who go to Canada, but they're determined to protect their contract rights.

Chicago Cardinals threatened Thursday to sue Ottawa Rough Riders of the Interprovincial Football League because Avatus Stone, former Syracuse University halfback, "jumped" a Cardinal contract to join Ottawa.

"Go ahead and sue us. We have long prior rights on Stone and are prepared to thrash it out in the courts," replied Jimmy McCaffery, the Rough Riders' president.

The Ottawa club recently won the first round of a similar legal battle with Cleveland Browns over contract "jumper" John Kissell. Chief Justice J. C. McRuer of the Ontario Supreme Court denied the Browns an injunction to prevent Kissell's playing with Ottawa.

Running Feud

Meanwhile Chicago Bears of the NFL and Hamilton Tiger-Cats of the Big Four are engaged in a running feud which hasn't reached the courts yet but may.

These actions all concern players who "jumped" one way or the other when they were under contract or subject to reserve option clauses. The other NFL clubs which have seen many of their players or draft choices go to Canada are taking it rather calmly.

Dan Reeves, owner of Los Angeles Rams, put it this way:

"For the most part, the players lost to the Canadian league are the older ones who want to finish their careers where the competition is not so tough. While it is true the Canadians have a handful of U.S. grid names, the National Football League has 12 teamfuls."

Were Under Contract

President Jack Mara and coach Steve Owen of New York Giants noted that none of the three Giant players and draft-choice Bobby Marlow who signed with Canadian clubs actually were under contract.

Said Owen: "There are too many good players left in the U.S. to worry about the few who go to Canada."

Coach Gene Ronzani of Green Bay Packers called it a "bad long-term investment" for the players, adding that for those who intend to go into coaching a reputation gained on this side of the border is more valuable than one made in Canada.

About 50 Golfers Out As Canadian Open Nears End

By JACK SULLIVAN
Canadian Press Staff Writer

MONTREAL (CP) — Nearly 50 golfers headed for home today with nothing to show for 36 holes of play but soaring scores and diminishing bankrolls. They were the non-qualifiers in the country's richest purse in any sport—the $25,000 golf open championship.

And left behind to carve up the loot are 79 professionals and amateurs, the play-for-pay fellows on the trail of cash prizes ranging from $5,000 to $25. The amateurs get silverware and other assorted gifts.

Heading the list is diminutive Jerry Barber, the 37-year-old native of La Canada, Calif., who has put together 64-68 rounds for 132—eight below par for the route over the 6,515-yard course. Frank Stranahan, Toledo's strong man, hit par on the button—73-67—140, to lead the amateur contingent.

Still Holds Lead

The five-foot-five Barber opened the championship Thursday with 64, the lowest competitive score ever recorded on the Summerlea course. With a crowd of about 3,000 cheering him at the 18th hole, he returned a two-under 68 to hold the lead after Friday's play.

Practically breathing down his neck is Jack Burke, Jr., of Kiamesha Lake, N.Y., with a 67-66—133.

A couple of old-timers—they're 45 years old—in the game—Jules Huot of Montreal and Al Zimmerman of Portland, Ore.—are next in line for the major portion of the purse with 134 each. Huot carded a 65 Friday, four strokes better than his opening-round performance, and Zimmerman posted 66-68 scores.

Par-Wrecking Scores

A steady parade of par-wrecking scores was returned, 36 against the 18 on Thursday, and it was terrible-tempered Tommy Bolt from Maplewood, N.J., who knocked regulation figures kicking. He equalled Barber's course record in a round that saw him blow hot and cold.

The 34-year-old Oklahoma-born golfer, whose tantrums on the course are well-known around the circuit, mixed four birdies with a couple of over-par holes for a 34 first nine, just an ordinary round the way golfers are wrecking the course.

Tommy, who won only $92 in the winter tour of 1951 when he picked up or withdrew five times in 17 rounds, got as hot as the weather on the last nine with a nifty 30 on four birdies and five pars.

Huot Crowd Favorite

But the favorite with the crowd was Huot, who put together 32-33 nines for 65, and a cinch to share in the special $1,500 prize money for Canadian professionals. He also is in a good spot to take some of the $25,000.

Huot and Zimmerman are one stroke up on Bolt and Max Evans of Detroit.

At 136 are E. J. (Dutch) Harrison, the old Arkansas traveller from Ardmore, Okla., Bob Toski of Northampton, Mass., Doug Ford of Harrison, N.Y., who ended his Friday round by breaking his putter, and Toronto's Murray Tucker.

Friday's round was played in perfect golfing weather, but it was a black day for the sun-tanned men who came here at their own expense to take a fling at the big purse. Many came from far-away places.

Included in the list was Bill Mawhinney of Vancouver, who sliced 13 strokes off his Thursday's round—the best any in the field could do—to card a 67 for 147, just two strokes more than the qualifying figure. Two other westerners also went to the showers—professional Par Fletcher from Regina with 73-75—148 and Dr. J. E. Leddy, amateur from Saskatoon, who had 84-76 rounds.

Harold Butler of Oshawa fired a second-round 70 to go with an initial 72 for a 142 total. Robert Dean of Cornwall came through with 71 following his opening-day 75 for 146.

Clancy Thinks Leafs Will Be Among Top Three

TORONTO (CP) — Coach King Clancy of the National Hockey League Toronto Maple Leafs says Leafs will be among the top three teams this season.

The former NHL referee made the prediction Friday at a press conference.

Clancy, who last year coached Pittsburgh Hornets, Leafs' American League farm club, was overjoyed with his new post. He succeeded Joe Primeau after the end of the 1952-53 season.

"This is a dream," he said. "I'm coming back to the people who put the NHL on the map. I've got a fine bunch of kids from Pittsburgh; I've just acquired a big, rough, tough boy from Cleveland (Bob Bailey, formerly with the Windsor juniors). He'll look after anybody who gets out of line."

DICK IRVIN STAYS ON

MONTREAL (CP)—Dick Irvin signed a contract Friday to coach Montreal Canadiens of the National Hockey League for another two years, NHL headquarters announced. Irvin has been with the Canadiens since 1940 and his teams have won the Stanley Cup three times.

Remember When

By THE CANADIAN PRESS

Ernest L. Thayer, author of "Casey at the Bat," died in Santa Barbara, Calif., 13 years ago today. The verse, which became an American classic, was published in 1888 and is supposed to refer to a game the year before in which Dan Casey, Philadelphia pitcher, struck out at a crucial point in the pennant race. Thayer claimed he had no particular player in mind.

BACK TO COACH PANTHERS

HAMILTON (CP)—Tony Golab announced Friday he will again coach Hamilton Panthers, 1951 Dominion intermediate football champions, this year. Golab, commanding officer of the Mount Hope RCAF station, resigned as Panther coach after last season.

Two Germans Want to Play With Ottawa

OTTAWA (CP) — Ottawa Rough Riders are involved enough with American football import problems to excuse a little tardiness in attending to other correspondence.

While the Riders concern themselves with wrangles over John Kissell, imported from Cleveland Browns, and Avatus Stone, transplanted from Chicago Cardinals, two Germans are getting impatient at Ottawa's failure to respond to their offers to play for Riders.

The German pair wrote the Riders several weeks ago. A second communication was received Friday from Offensbach on the Main:

"Dear Friends: You sure are astonished to get a second letter from us. Well. I'll tell you the reason at once. Some weeks ago in our newspaper an article was printed in which we could read that we wanted to emigrate to Canada and play there in a football team. Was reading that, we would had get a letter from you, but we got none.

"By the way, we want to know where there is any possibility to play in your association or not. I guess you think we only want to play football, but we don't want that only, as we have a professional training. One of us can make a contract now over here by our football club for one year, therefore we want to know what you mine.

"Well, that's all by now what I've got to tell you. Best wishes by now. Your German friends."

The signatures couldn't be made out but the two Christian names appeared to be Wolfgang and Heini.

Riders said they'll have a shot at a reply, anyway.

Football Stars Will Appear In Benefit Game

HAMILTON (CP) — Hamilton football fans here will have a chance to see a gathering of Eastern Canada's hand-picked football stars tonight.

A dream team comprised of Big Four and Ontario Rugby Football Union gridders, coached by Red Douglas, mentor of the ORFU champion Sarnia Imperials, takes on the native Tiger-Cats in a benefit game for polio-stricken Hamilton backfielder Bobby McDonald.

Bobby, the star of the show, was attacked by polio two weeks ago and will listen to the game from his hospital bed.

Joe Krol, star kicker and defensive backfielder, Billy Bass, Bernie Flowers, Zeke O'Connor, Ray Cicia, Al Dekdebrun and Royal Copeland all will be under the bench command of Douglas. In addition he'll have such stars from his own league as George Curtis and Johnny Korestecki, who led the ORFU in the point parade last year.

Smith, Member Of Famed Team, Dies in Ottawa

OTTAWA (CP)—Alf Smith, one of hockey's famed "Silver Seven," died Friday night in hospital. He was 75.

Alfred Edward Smith played a major part in bringing hockey's top prize, the Stanley Cup, to Ottawa for four consecutive years, beginning in 1902.

He also played for and coached Ottawa lacrosse and football teams. For several years, he was Otawa Rough Riders' quarterback.

Smith was a member of the first Ottawa team to perform in organized hockey. That was in 1890-91 in the Ontario Hockey Association. He played on the Silver Seven team which successfully repelled the Stanley Cup bid by a squad from Dawson City, Y.T., in 1904-05.

Posted Lands

By JOHN ALDEN KNIGHT,
Noted Sportsman, Author and Creator of Solunar Tables

Always there is something about a No Trespass sign that rubs me the wrong way. Having grown up in days when nobody thought of posting their lands and waters, I suppose that it is only natural for me to resent any restriction to my movements in the outdoors.

In those days there was one hunter or fisherman where today there are fifty. The sportsmen of my youth did not set fire to the woods, tear down fences, damage crops and steal livestock. They understood the proper use of the outdoors and they respected the farmers' rights.

Today things are different. Folks who live in the city and who go fishing or shooting only a few times a year actually do not know how to behave themselves in the country. In addition, a great many of the once-in-a-whilers simply don't give two hoots about a farmer's rights.

Those two classes of folks—and there are far too many of them at present—make things tough for the rest of us. Moreover, not many of us can find it in our hearts to blame the farmers for posting.

In the more thickly settled areas, posting is almost mandatory unless a property owner is content to have his property overrun with undesirables. This is particularly true when the property lies within easy reach of a large metropolitan area.

Unless a man posts his property, and enforces that posting, his thoughtless and careless guests are going to damage his land. Knowing little or nothing of conservation, they will kill all game they can find and catch all the fish they can hook, giving no thought to the matter of leaving seed for the years to come.

As I say, these fellows should not be held at fault for posting their property. They really have to do so in self-protection against damages that often turn into important money.

While a great many of the rank and file take exception to the formation of fishing and hunting clubs, these organizations do have their place in the general scheme of things. To be sure, they take in huge tracts of acreage and close off good fishing waters, but their properties in a sense, act as propagation areas which are under careful management.

This is not true of all clubs. Some are operated purely on a selfish basis. They do little or no stocking; they kill what fish and game they can; conservation to them is simply a word in the dictionary.

Some individuals also are guilty of posting purely for selfish reasons. Being located advantageously, convenient to lands and waters which are well stocked by the state, they close off their holdings so that they and a few friends can have a convenient spot in which to find good shooting or fishing or both. With these I have little sympathy.

In one of our finest trout streams hereabouts there is a stretch of about two miles of excellent fishing water. Most of it is not easy to access by automobile. Thus it is not visited by the hatchery truck on its stocking journeys.

It being ideal water for trout, however, the stretch seems to stock itself, as the trout move up and down the stream on their annual migrations. Always there is a liberal supply of smart brown trout.

The owner of the land through which this part of the stream flows has an annual problem, policing the picnic grove after the city-bred "litter - bugs" have left. Just the same he refuses to post the place, largely as a matter of policy.

For some years now he has made me an annual offer. If I will post the place, block the entry road, and enforce the posting, he will lease me the entire tract, stream and all, for one dollar a year. Each year I decline his offer as I, too, am against posting for selfish reasons.

Of recent years, the sportsmen of the nation are encountering a new threat to their favorite streams. Under our present mining laws, any interested individual can grab twenty acres of valuable land for the magnificent sum of $1.25.

That's right—twenty acres of land for a buck and a quarter. Moreover, any citizen can file any number of such mining claim he has to do to justify his claim claims is to show that these la hold a moderate amount of mi al.

Once the claim is filed, the [illegible] low can fence in th[illegible]nd, buil cabin post the enti[illegible]ct, have a nice little hu[illegible] ing preserve for [illegible] claim gives him [illegible] feet stream.

At present there [illegible] more th 97,000 ilegal claims now on file. the government to reclaim t land, and water, is a costly a lengthy process.

Here and there some of these m ing claims actually are worked. T mining laws do not recognize a public values except minerals. T claimant may dig up the stre bottom, muddy the water, destr fish habitat, all for a few ce worth of gold or what have you

Or, as I say, he can post the w er and reserve it for his own alone. And there goes anoth stretch of good fishing water, of circulation.

Senator Clinton Anderson of N Mexico has introduced a bill, S. which would stop loss of fish water through the separation surface rights and mineral righ Under this bill, the claimant wo receive rights to minerals only all that he deserves for the e penditure involved.

The United States would ret all other rights and the pub would have access to the fishi on such claims. Moreover, the b would prevent the loss of valua timber rights, not to mention re reational values.

As I said before, I do not li No Trespass signs. I don't belie that you do either. All right, dr a line to your senator, urging hi to support the Anderson Bill. The isn't enough good fishing water go around nowadays. At least, le save what remains open to us.

Sports Roundup

By GAYLE TALBOT

NEW YORK (AP)—Out of th national doubles championshi now reaching their conclusion Brookline, Mass., has come t vital clue to the means the U Davis Cup committee must em ploy to win the famed tenn trophy back from the Australia next winter.

The solution plainly lies in a riving now at a separate and di tinct doubles combination whic does not contain the country's t best singles players, Vic Seix and Tony Trabert, and permitti this pair to play and practise t gether steadily with no other go than to defeat the two boy wo ers, Lewis Hoad and Ken Ro wall, in the challenge round Melbourne.

Although Seixas and Trab might object strenuously to su a plan, they should be made realize that the team's best in terests will be served if they de vote themselves to singles play an exert all their energies toward least breaking even in the fo individual matches.

The surprise defeat of the 1 year-old Aussies by the pick-u team of Straight Clark and H Burrows in the quarter-final of th national should at least convin the team selectors that the two kids, however brilliant, are some thing less than unbeatable at th stage of their development.

Candor compels me to admit tha the conviction a separate double team should be used is not en tirely original. More than a wee ago an Australian tennis authority who is close to the situation sai that therein lay this country's bes chance of reclaiming the cup.

"If I were you fellows," the Au sie insisted, "I would pick a ve eran doubles pair, possibly Bil Talbert and Gardnar Mulloy, an tell them the job was theirs righ now. Sure, Bill is in his 30s an Gardnar is crowding 40, but ag in doubles means nothing like does in singles."

HORSE SENSE BRIDGE

By SAM GORDON

The Kibitzer

eedful to you is foundation; d blooded facts without thrill. actice produces elation; stirred developing skill. ooking far enough ahead is of the simplest acts in bridge y that the palooka forgets to member. Willingly giving up a k to make two is a mark of his vancing ability. Ability to trade one for two is en found in the category of blocking. In this group are the various entry-preparing and entry-preventing stunts. Get a load of it in this deal:

NORTH
♠A 6 2
♥J 10 9 8
♦9 8 4
♣9 7 2

WEST
♠10 7 5 4 3
♥6 3
♦Q 6
♣10 8 6 4

EAST
♠9 8
♥A Q 7 5 4
♦K J 7 5
♣J 3

SOUTH
♠K Q J
♥K 2
♦A 10 3 2
♣A K Q 5

The bidding happened to go like this:

South	West	North	East
1 C	Pass	Pass	1 H
2 NT	Pass	3 NT	Pass

Opening lead from west was the heart six. Without giving the matter much thought, east took trick one with the ace. This gave the declarer an opening that was taken advantage of.

Three top clubs, three top spades, and the diamond ace are seven of his needed nine tricks. To get home he may need two heart tricks. His heart king would now be one of these.

But with heart queen still blocking dummy hearts, dummy would have only one entry; spade ace. To overcome this condition, south brazenly dropped his heart king on east's ace for an unblock.

East sent forth a small diamond that west queen took and a return of a diamond made east give up the jack to south's ace. South now led his small heart and was sure of two more red tricks.

If east refused this heart trick, dummy would lead another of the hearts. If east took the heart trick he would also get another diamond and not another thing more.

Some are in hock from the traffic they block.

Movie Column

By BOB THOMAS

HOLLYWOOD (AP)—"Ah, the good old days are gone when a star would bring in her bonus cheque from the studio and endorse it for a new mink coat."

This was the lament of Al Teitelbaum, a leading Hollywood furrier who showed his 1954 collection this week. In between ushering dowagers and film stars to their seats and herding fur-clad models, he told how Hollywood fur habits have changed.

five years," said Teitelbaum. "The stars just can't afford to buy minks the way they used to. They used to sign over their bonus cheque. Now they don't get bonus cheques."

"Business with stars is entirely different. A star comes in and picks out a coat. Then I know I'll have to haggle with her business manager. who doesn't want her to spend that much money.

"But there's one good thing about the business manager era. It means that when a star buys a coat you know she can afford it and will keep it. I don't get furs returned the way I used to.

"Even though stars don't buy the way they did and the studios don't rent as many furs, business has been good. Because of the glamor angles, I have been able to branch out in other cities. Never underestimate the power of Hollywood.

"Recently I opened a line in a big department store in Philadelphia. The fashion reporters and big guys seemed to be blase about the Hollywood angle but the thing they wanted to know most was what kind of furs I supplied for Joan Crawford in 'Sudden Fear.'"

The Teitelbaum showing offered everything from a tawny khaki beaver cardigan at $395 to a full length sapphire mink at $12,500.

The showing was attended by such glamor pusses as Arlene Dahl, Jan Sterling and Faith Domergue, plus a large number of actors' wives, producers' wives, bankers' wives and just plain wives. They sat around tables at the Beverly Hills hotel, nibbled on finger sandwiches, sipped coffee and plotted against their husbands' finances.

THEATRE FEATURE TIMES

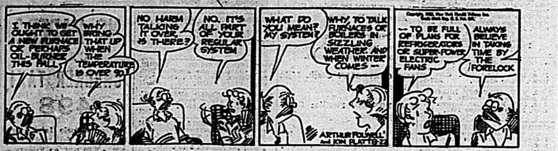
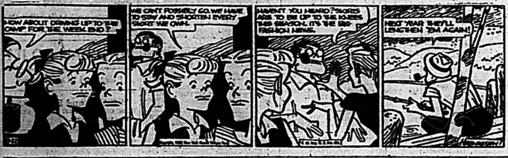
SLEEPY LITTLE PLACE... HELLO, THERE... OFFICER! ...MAY I SPEAK WITH YOU?
EH... OH... BONJOUR, M'SIEU... WHAT CAN I DO FOR YOU?
WE'D LIKE SOME INFORMATION ABOUT AN ACCIDENT THAT TOOK PLACE IN LORIENT ABOUT FIFTEEN YEARS AGO!
AN OFFICIAL MATTER, PERHAPS? IF M'SIEU WILL TELL ME THE REASON FOR HIS REQUEST...
AND IN THE CELLAR, "THE REASON" FOR THE CHASE CONCLUDES HIS SEARCH!
AHA... IT IS ALL HERE! I AM RICH... RICH!
8-22

MR. AND MRS.—By Arthur Folwell - Kin Platt



I THINK WE OUGHT TO GET A NEW FURNACE OR PERHAPS OIL-BURNER THIS FALL
WHY BRING THAT UP WHEN THE TEMPERATURE IS OVER 90?
NO HARM TALKING IT OVER, IS THERE?
NO. IT'S ALL PART OF YOUR REGULAR SYSTEM
WHAT DO YOU MEAN? MY SYSTEM?
WHY, TO TALK FURNACES OR BOILERS IN SIZZLING WEATHER. AND WHEN WINTER COMES —
— TO BE FULL OF PLANS FOR REFRIGERATORS OR SUPER-POWER ELECTRIC FANS
ALWAYS BELIEVE IN TAKING TIME BY THE FORELOCK
ARTHUR FOLWELL and KIN PLATT 8-22

PENNY — By Harry Haenigsen



HOW ABOUT DRIVING UP TO THE CAMP FOR THE WEEK END?
WE CAN'T POSSIBLY GO. WE HAVE TO STAY AND SHORTEN EVERY SKIRT WE OWN.
HAVEN'T YOU HEARD? SKIRTS ARE TO BE UP TO THE KNEES THIS SEASON. IT'S THE BIG FASHION NEWS.
NEXT YEAR THEY'LL LENGTHEN 'EM AGAIN!

Your Individual Horoscope

By FRANCES DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR SUNDAY, AUGUST 23, 1953.

March 21 to April 20 (Aries)—A lot of well known adages may well apply today. For instance, "Better late than never" and "if you don't at first succeed, try, try, again."

April 21 to May 20 (Taurus)—Don't give yourself over entirely to work. Periods of intermittent relaxation or diversion refresh both mind and body, sharpen ambitions, incentive. Keep smiling.

May 21 to June 21 (Gemini)—Co-operate with anyone with whom you do and should normally come in contact. The best success is that which brings happiness to others, too.

June 22 to July 23 (Cancer) — Think about your affairs, but don't dwell moodily upon disappointments, restrictions, etc. Erase your mental slate at bedtime, say your prayers, trust in God for the new tomorrow.

July 24 to August 22 (Leo) — "Make haste slowly"! Now apply it both ways. Neither rush too speedily, nor dally too long. Follow the happy medium and you will find that tension is a stranger.

August 23 to September 23 (Virgo)—Comfort, accommodation, privacy may be lacking right now, but you can do much more with this day if you'll look beneath the surface. And keep good humor with you. Pray.

September 24 to October 23 (Libra)—Advice to Taurus pertinent to you. Your fine sense of balance, justice and good humor will be prime factors in getting ahead with day's schedule. Good news in the offing.

October 24 to November 22 (Scorpio)—Sort of day you bright, energetic people should enjoy. It's a challenge to ingenuity, even aid in children's, old folks' entertainment.

November 23 to December 22 (Sagittarius)—Gentle, benefic Jupiter rays encourage spiritual development, happy activities for the underprivileged and lonely. Good day for hotels and other organizations servicing the public.

December 23 to January 21 (Capricorn)—Notations to Scorpio suited to you now. Your indications are similar. You will be more content and successful if you go to church and abide by God's laws. Enjoy some recreation.

January 22 to February 20 (Aquarius)—Follow the road which favors honorable principles. There's joy and advancement on that road. It isn't dull. It all depends on how you view it and how you act. God will bless you.

February 21 to March 20 (Pisces)—This year is still one of opportunity and each day has compensation for honest, constructive effort. All who must work today can afford it cheerfully as prayer to God for world peace.

YOU BORN TODAY have great courage, bravery and fortitude. Extremely good influences for a useful, constructive, even brilliant, life prevail. Of course it is up to you and how you develop and use your finer qualities; how you seek God's aid and how you control faults that will give you a full life with increased blessings or leave you a nonentity. We all can improve our status, increase virtues, strengthen our characters if we really try. Good months ahead, pray daily.

Birthdate: Louis XVI of France.

TREASURER'S
SALE OF LANDS
IN THE CITY OF BELLEVILLE,
IN THE PROVINCE OF ONTARIO

To Wit:

By virtue of a warrant issued by the Mayor under seal of the Corporation of the City of Belleville, Ontario, to me directed, bearing date of 19th day of May 1953, I hereby give notice that unless such arears of taxes and costs are sooner paid, I shall proceed to sell by public auction the said lands or as much thereof as may be necessary for payment of said taxes and costs, in the Council Chambers, City Hall, Belleville, Ontario, Tuesday the tenth day of November 1953, at the hour of 10 o'clock in the forenoon.

Notice is hereby given that the list of lands for sale for arrears of Taxes has been published in the Ontario Gazette and it's issue of August 1st 1953, and that copies of said list may be had at my office in the City Hall, Front St., Belleville.

Treasurer's office this third day of July 1953.

D. S. DENYES,
Treasurer,
City of Belleville.

THE CORPORATION OF
THE CITY OF BELLEVILLE
BY-LAW NO. 6517

A BY-LAW TO PROHIBIT THE CONSTRUCTION OR ERECTION OR THE MAINTENANCE OF ANY FENCES MADE WHOLLY OR IN PART OF BARBED WIRE OR OF ANY OTHER BARBED MATERIAL WITHIN THE CORPORATE LIMITS OF THE CORPORATION OF THE CITY OF BELLEVILLE.

WHEREAS Section 260 of The Municipal Act, R.S.O. 1950, Chapter 243 authorizes a Council to pass by-laws for the safety and welfare of the inhabitants of the Municipality as may be deemed expedient.

AND WHEREAS it is considered dangerous to the health and welfare of the inhabitants of the Corporation of the City of Belleville to have erected within the Corporation, fences constructed wholly or partly of barbed wire or any other barbed material.

THEREFORE, THE COUNCIL OF THE CORPORATION OF THE CITY OF BELLEVILLE ENACTS:

1. That from and after the passing of this by-law, no person or persons shall construct or erect any fence or fences made wholly or in part of barbed wire or of any other barbed material, nor shall any person maintain such fence or allow any such fence to be maintained on property belonging to him or occupied by him.

2. Any person convicted of a breach of any of the provisions of this by-law shall forfeit and pay at the discretion of the convicting Magistrate a penalty not exceeding the sum of $50.00 for each offence exclusive of costs, and in default of payment of the said penalty and costs forthwith, the said penalty and costs or costs only may be levied by distress and sale of the goods and chattels of the offender, and in case of there being no distress found out of which such penalty can be levied, the convicting Magistrate may commit the offender to the Common Gaol of the County of Hastings with or without hard labor for any period not exceeding six calendar months unless the said penalty and costs be sooner paid.

3. This by-law shall come into force and take effect immediately upon the passing thereof.

PASSED THIS 30th DAY OF JULY, 1953.

McLEAN HAIG
Mayor.

H. D. BATEMAN
Acting Clerk.

NOTICE OF PROMULGATION
OF BY-LAW

The above is a true copy of a by-law passed by the Municipal Council of the City of Belleville on the 30th day of July 1953. And all persons are hereby required to take notice that anyone desirous of applying to have such by-law, or any part thereof, quashed, must make his application for that purpose to the Supreme Court, within three months next after the first publication of this notice in the newspaper called The Ontario Intelligencer, or he will be too late to be heard in that behalf.

H. D. BATEMAN,
Acting Clerk.

WELLINGTON

WELLINGTON. — A charivari was given to Mr. and Mrs. Tom Nash, newlyweds, on Tuesday night. About 85 friends and neighbors gathered after days of planning to welcome them back from their honeymoon. They routed them out and into a nicely decorated old-fashioned cutter drawn by a nice noisy tractor and with a lovely old baby carriage tied on behind for good luck.

Then the parade started with tractors galore, with buggies and wagons fastened behind them, and cars and trucks all blowing their horns it was a real charivari as far as the noise went. They even had seats of honor in the parade for the bride's and the groom's parents, Mr. and Mrs. L. J. Greer and Mr. and Mrs. H. Nash, who apparently enjoyed it about as much as the young folks did.

After parading through the village and back, they all stopped at the Nash home where they were treated to doughnuts, cookies, chocolate bars and freshie. The children received money for ice cream which ended a gala evening.

Mrs. Ben Bishop is staying with Mr. and Mrs. Jack McNeil as Mrs. McNeil is quite ill at this time.

Mr. and Mrs. Robert Campbell, of Toronto, are guests of Mr. and Mrs. Boyce Wiltse.

Miss Nancy Philben of Belleville, is the guest of Miss Naomi Fritz this week. Mrs. Fritz's two nieces of Belleville, are also guests at the same home.

Mrs. P. Vanderwater is the guest of her son, Mr. Vernon Vanderwater and family.

Mr. Kenneth Ferguson and his brother, David, of Barrie, are the guests of their grandparents, Mr. and Mrs. Lew Ferguson.

Miss Marilyn Hudgins, of South Bay, is spending this week with her aunt, Mrs. Will Jackson.

Mr. and Mrs. Terry Dorland and family, returned to their home in Long Lac, after spending several weeks holiday here as the guests of their parents, Mrs. C. H. Greer and Professor and Mrs. Arthur Dorland.

Mrs. Carl Bryant motored to Gananoque, on Tuesday with her son, Mr. Leonard Bryant and granddaughter, to see her daughter, Mrs. Flossie Kirkby. In the afternoon Mrs. Kirkby and Mrs. Bryant went to Kingston to see Mr. Kirkby, who is ill in the Kingston General Hospital. They also called on Mrs. Effie Phillips and Mrs. Rose Taylor, who are also patients in the hospital.

Miss May McDonald, who is on holidays from the Bell Telephone Company, Belleville, flew to Colorado on Sunday. Her parents received a card on Wednesday to say she had arrived safely.

The new highway along the lakeshore is receiving a top dressing. The ladies that live on that highway won't be sorry when it is finished as the dust has been bad, and so heavy that it looked like a fog sometimes, especially when someone was in a hurry to go places.

Mr. and Mrs. Bailey Andrus and daughter, Rosemary, of Rochester, N.Y., were week-end guests of their uncle and aunt, Mr. and Mrs. Herman Hegadorn.

Mr. Arthur Hegadorn and two children, Ford and Beverly, of Penetang, were visitors at the home of his parents, Mr. and Mrs. H. Hegadorn, over the week-end.

Mr. and Mrs. Morley Lambert and children, were guests of Mrs. Lambert's mother, Mrs. Dick, over the week-end.

CANNIFTON

CANNIFTON. — Mr. and Mrs. Elmer Shorey and children, Mrs. Lena Shorey and Mr. Jack White, have gone to a cottage at Shannonville for a couple of weeks.

Mr. and Mrs. George Shorey have taken a cottage for six weeks at Massassaga.

Robert Archibald, R.C.A.F., who is stationed at Camp Borden, was home for the week-end visiting his parents, Mr. and Mrs. B. Archibald. With him was Bob Brown, also of Camp Borden.

Mr. Percy Laudry of Cleveland, Ohio, is visiting his niece, Mrs. Art Palmer.

Mr. and Mrs. George Lywood and Jean Diane were up north for a few days this week. They went through Algonquin Park to Huntsville.

Congratulations to the newlyweds, Mr. and Mrs. Lloyd Cone, (nee "Tookie" Lywood), also Mr. and Mrs. Sam Morgan, who were married recently.

Sorry to report that Mrs. Ralph Stewart is in the Belleville General Hospital. All wish her a speedy recovery.

Mr. and Mrs. Moore and family, were guests of Mrs. Moore's sister and brother-in-law, Mr. and Mrs. George Thomas.

Mr. and Mrs. Lorne Miller, of Toronto, were visitors of Mr. and Mrs. Ted Burling.

Mr. and Mrs. Don Milton, Floyd and Myrva, were holidaying at a cottage on Jones' Creek.

FRANKFORD

egion Holds emorial Service

RANKFORD. — The annual emorial Day services were held Frankford Memorial Park, last nday afternoon under the spices of the Frankford anch of the Canadian Legion. The parade, which numbered proximately 200 marchers, th veterans from Cobourg, mpbellford, Stirling, Trenton, rmora, Warkworth, Hastings, well as Frankford branch of th men and women's auxiliary king part, with the massed nds of the district, made a fit- g tribute to the fallen heroes the past conflicts, as they arched from the C.N.R. Station the Memorial Park cenotaph. e combined bands, consisting of irling, Trenton, Warkworth d Frankford, under the direc- on of Frankford Bandmaster, harles Butcher, opened the rvice with "O Canada."

ddress of Welcome

Reeve George Montgomery, of ankford, and Reeve Harry orrow, of Sidney township, ve welcoming addresses. The ll to worship was given by v. G. F. Pierce, who also led the singing of the hymn "O od Our Help in Ages Past", fol- wing this with a Scripture ading and a prayer of Remem- ance.

The band played the "Last st", which was followed by observance of one minute of ence in memory of the dead, en Reveille was sounded.

Wreaths were placed at the notaph by the Frankford Le- on, the Women's Auxiliary of Canadian Legion, Frankford; veterans of Batawa; the wnship of Sidney; the village Frankford; the local Lions ub, and by several citizens. As laying of the wreaths ended l joined in the singing of the ymn "Abide With Me".

ddresses

Addresses were given by Scot- Brougton, retiring Zone mmander, also by W. H. Col- rjohn, Zone commander of renton, and fellow legionnaires, ercy Gray of Marmora; Tom mith, of Campbellford, and Col. oscoe Vanderwater, D.S.O., who cidentally led the first group of olunteers from the Frankford istrict in the First World War.

Rev. G. F. Pierce gave the enediction and the ceremony nded with the singing of "God ave The Queen".

resentation

The veterans fell in, and the arade moved from the Memor- l, and marched to the home of Comrade Frank Johnson, First orld War Veteran, who has een confined to his bed during lengthy illness. Comrade Mil- ord Macauley presented Frank with a large bouquet on behalf the Frankford Legion.

The parade returned to the ark for the March Past where he salute was taken in front of he cenotaph by Jack Burnet, vice-president of the Canadian egion Provincial Command.

ew Hall

The Frankford Legionnaires are forging ahead with their new hall, having recently finished the kitchen, and plans are under way for the outside finish to the building which will be stucco.

The Legionnaires are grateful for the many and generous contributions, given them to aid in their building program; one of these donors being Col. W. Ketcheson, a comrade of Frankford branch, well known and respected throughout the district.

The local branch of the Legion will go to Marmora on Sunday, August 23, and participate in the Memorial Service there. Sunday, August 30, they will travel to Campbellford for the Memorial day parade and service.

Next Scout Jamboree Slated for Canada

LONDON. (Reuters)—The next international Boy Scout Jamboree will be held in Canada in 1955, the Boy Scouts Association announced today in London.

No site has yet been fixed for the gathering, the eighth, which is expected to attract at least 50,000 youths from many countries.

PHILP............cahtR..e..

ARREST FORMER NAZI

GOTTINGEN, Germany (AP)—German police announced yesterday the arrest of Herbert Raschik, gormer Gestapo chief at Bochum, who had been living underground since the end of the war.

Raschik is charged with having a part in the execution of at least 20 anti-Nazis.

RECORDS BROKEN

LONDON (Reuters) — British automotive plants shattered all production records in July and now are turning out almost five cars a minute during working hours, the Society of Motor Manufacturers and Traders said Friday.

Average weekly production in July was 13,200 cars, it added.

DRASTIC REDUCTION
G-E's 21 inch TV NOW $369.50
Formerly $429.50
SUGGESTED LIST PRICE
MODEL C21T3

GIANT
21"
SCREEN

WHY BUY A SMALLER SET WHEN YOU CAN GET A 75% LARGER PICTURE AT THIS NEW LOW PRICE
The "Pageant" Model C21T3
Also in Light Oak at slight extra cost
Look at what you save! Here's the big 21" set that was a bargain at $429.50—and now it costs you only $369.50, in lustrous walnut finished wood cabinet! No need to put up with a smaller screen or a less famous make; the "Pageant" is a top-quality G-E receiver featuring famous G-E Black-Daylite performance.
The "Pageant" is at your G-E Dealer's now. See for yourself how its 21" Black-Daylite screen gives you a picture that's marvellously sharp and clear . . . listen to the beautiful mellow tone of its Dynapower speaker.
With the Pageant's new simplified tuning, there's no need to tune the sound—when you tune the picture, the sound is automatically right for perfect listening.
This sensitive receiver brings you a clearly-defined TV picture even in fringe areas.
Here's a TV value you can't afford to miss! So buy now and be ready to enjoy the new fall and winter programmes. Make sure you get *your* reserved living room seat for the big events in baseball, hockey and football, plus tops in comedy and drama by leading entertainers. Judge it from any standpoint—performance, price or styling—you'll agree that the G-E "Pageant" is your best TV buy today. Be sure to see it soon! Radio and Television Dept., Canadian General Electric Co. Ltd., Toronto.
NO "EXTRAS" FOR WARRANTY
The price on your G-E "Pageant" includes a full 90-day warranty (parts and labour) on the whole set . . . and replacement warranty for a full year on the G-E Black-Daylite Picture Tube.
To transform this model into a handsome consolette, for a limited time we will give a Free Matching Base.

Mrs. Aleta Conners Instantly Killed As Train Hits Car

Parts of Vehicle Scattered Nearly 200 Feet Down Track

With parts of her car scattered for nearly 200 feet down the track, Mrs. Aleta Conners, 68, R.R. 6, Belleville, was instantly killed Sunday evening, when her car was struck by a C.N.R. passenger train at a private crossing two miles east of the railway coal chutes here.

The accident occurred about 8:30 when the west-bound passenger train smashed into the front of the old model car which Mrs. Conners was driving. Persons attending at the scene described it as the worst level crossing smash they had seen.

According to reports Mrs. Conners was on her way home after taking her sister to Belleville. She had turned off the 2nd concession of Thurlow onto the crossing leading to her home, when her car is thought to have stalled on the incline and stopped with the front wheels on the track. She was alone in the car.

Engineer on the train was Lorne Fever, 98 Chatham Street, in Belleville, while the conductor was William Flindall also of this city. Constable Howard Tasker of the O.P.P. investigated.

A widow, Mrs. Conners had lived alone since the death of her husband.

Mrs. Conners was the daughter of the late Mr. and Mrs. John Hayes and was born in Deseronto. She had lived in Belleville and district practically all her life.

She was a member of the United Church and was Past Noble Grand of the Quintena Rebekah Lodge, and was a member of the Minerva Chapter, No. 138 of the Order of the Eastern Star. Her husband, George E. Conners, died several years ago.

She is survived by two daughters, Mrs. E. (Verna) Fortner and Mrs. Charles (Vera) Miller, both of Toronto, and two sons, Gerald and George, also of Toronto. Two sisters, Mrs. Elmer French, Belleville and Mrs. John Baker, Toronto, also survive.

Richard Sheridan, Veteran Reporter, Dies in Toronto

TORONTO (CP)—Richard Joseph Sheridan, 45, veteran reporter of the Globe and Mail, died Sunday after suffering a heart attack several days ago.

During 29 years in newspaper work he also worked with The Canadian Press, Canada's national news service, and with the Toronto Daily Star.

Dick Sheridan's newspaper career began in 1924 when he joined The Canadian Press, working in Toronto, Windsor, London, Ont., and Ottawa.

After leaving CP he worked three years with the Star, covering the legislature. In March, 1946, he joined the Globe and Mail. He covered City Hall and the legislature for the paper.

Dick helped found the Toronto Men's Press Club, of which he was twice elected president. In this city where he was born and educated, he gave much time to playground work, serving as a supervisor.

His widow and five children survive.

Eleven Canadians Will Fly Home Next Saturday

By BILL BOSS
Canadian Press Staff Writer

FREEDOM VILLAGE, Korea (CP)—Eleven of 13 Canadian prisoners returned by the Communists Saturday were moved Sunday to the 38th Canadian Field Ambulance to complete their interrogation and documentation before going home next week-end.

The two who did not go, L. Cpl. A. A. Deveau of Comeauville, N. S., and Pte. H. H. Brooks of Regina, were taken to Seoul from where they were to fly today to Kure, Japan, for treatment in the Commonwealth General Hospital.

Officers said that next Saturday's Canadian Pacific Airlines flight from Tokyo will be a "prisoners special" with 11 aboard. It is not known when Deveau and Brooks will be fit to fly.

Second Lieut. Charles Gordon Owen of Vancouver, the first Canadian to be returned from an enemy prisoner of war camp Saturday, received Sunday over army signals an answer from his wife, Marilyn, to whom he had sent love from Britannia Camp Saturday. Her reply, via Ottawa, was in Korea within 14 hours.

Say Churchill Almost Normal After Illness

LONDON (Reuters)—Sir Winston Churchill, reported almost back to normal after his recent illness, will travel from his country home in Kent to London tonight in preparation for a cabinet meeting Tuesday.

The meeting will be devoted largely to foreign affairs, including consideration of the new Russian concessions to East Germany, the United Nations special session on Korea and the developments in Iran.

THE WEATHER

TORONTO. (CP) — Synopsis: Warm dry air covers southern and central Ontario. Under the influence of an extensive high pressure area, clear nights with temperatures in the upper 50s and sunny days with temperatures in the 80s continue to prevail. Cooler air has invaded Northern Ontario and thundershowers occurred in some localities Sunday night. There appears to be little chance of the cooler air moving much further south... Consequently much the same type of weather will continue throughout the greater part of the province.

Two Navigators Found Guilty Of Negligence

HALIFAX (CP)—Two navigators of the Canadian destroyer Huron Saturday were found guilty of negligence in the grounding of the warship off Korea July 12 and sentenced to a "severe reprimand."

The courts martial, which earlier gave a similar sentence to Huron's skipper, Lt.-Cmdr. Richard Chenoweth of Montreal, found Lt.-Cmdr T. J. C. Thomas, Bathurst, N.B., guilty on three counts and Lieut. G. H. Emerson, also of Bathurst, guilty of one of three charges.

Lt.-Cmdr. Chenoweth was found responsible for the grounding. The hearings were closed to the press for security reasons.

Lt.-Cmdr. Thomas was found guilty of authorizing alteration of course without knowing the ship's actual position, failing to check the position while close to land and to ensure before taking over the watch that the ship was in the correct position.

Lieut. Emerson was found guilty of failing frequently to check the ship's position.

Plant Geneticists Hope to Cure 100,000 Backaches by New Method

SALT LAKE CITY (CP)—Dr. Forrest Vern Owen and his staff—including a pair of refugee Russian scientists—hope to cure 100,000 backaches with an object smaller than a vitamin pill.

It's not a medicine; Dr. Owen is not a physician; the back aches are not ailments.

They are the normal muscular pains from one of the most arduous occupations known to man—thinning sugar beets.

Dr. Owen and the Russians, Dr. and Mrs. V. F. Savitsky, are plant geneticists with the U.S. department of agriculture.

The bach ache cure is a single germ hybrid sugar beet seed. It sprouts only one plant instead of the several sprouted by a standard seed. And since it is a hybrid it also sprouts rapidly and grows more vigorously.

In the next few years it will make possible the complete mechanization of the sugar beet industry. Harvesting already has been mechanized, and with the new seed the grower won't have to spend a couple of months each spring with his entire family thinning beets. He won't have to pay $13 to $25 an acre to have it done, either.

Instead he'll hitch his tractor to a device with a row of whirling blades at the rear and go chopping along six or eight rows at once.

Once or twice over and the job is done.

EIGHT CANADIANS TO BE RELEASED BY REDS TUESDAY

Will Increase to 24 Number Repatriated

PANMUNJOM (CP)—As the Korean prisoner exchange neared the end of its third week today, the Communists promised that eight Canadians would be included among the 400 Allied prisoners of war they will return to freedom Tuesday.

This latest group will bring to 24 the total number of Canadians repatriated since the armistice was signed. Thirteen were released Saturday and three earlier in the current exchange.

In today's chapter of Operation Big Switch were 150 Americans—most of them captured late in the war—returned from Communist captivity.

With the Canadians Tuesday, the Reds have promised to return 136 more Americans, three Australians, two Dutch, one Greek and 250 South Koreans.

Today, several repatriates spoke lightly and jokingly of their shorter experiences as captives in contrast to the grim tales told by other PoWs who suffered under Red hands for two and three years.

The Reds also returned 300 South Koreans Monday. The UN command released 2,400 North Korean soldiers and 259 North Korean civilians.

Two Thirds Complete

The exchange of prisoners is almost two-thirds complete, providing the current rate is maintained. Monday marked its 20th day.

Although the Communists have stepped up their pace of exchanfe, they still are lagging in returning Americans. Only about 56 per cent of the listed American captives have been released.

The Reds have returned about 65 per cent—8,270—of the 12,763 Allied PoWs they said they held.

The UN command has returned 44,629—about 60 per cent—of the 74,000 Red prisoners it held. Another 2,400 North Koreans are expected to be freed Tuesday.

The Reds still hold most of the Allied officers and non-commissioned officers they captured and apparently are keeping them until the last.

First Prisoners Home

Meanwhile, the first transport carrying released American PoWs home unloaded 328 former prisoners at San Francisco Sunday night.

And at the South Korean port of Inchon, more Americans began boarding the transport Gen. John Pope, which is scheduled to sail Tuesday on the two-week trip to the United States with about 400 former PoWs aboard.

One young Iowa soldier returned with a story of comparatively mild treatment at the hands of the Chinese.

Cpl. Carl F. Trumbo of Woodburn, Iowa, said the Chinese who overran the 555th Field Artillery Battalion near Kumhwa last month gave the Americans cigarets and candy and shook hands all around.

"While we were marching up there, if a fellow dropped out, the guards grabbed hold of him and helped him up," Trumbo said. "When we had breaks in the march the guards would get out their cigarettes and light them for us."

SIZE NOT IMPORTANT

NOTTINGHAM, Eng. (Reuters) Big, chunky women who think their muscles are the sole qualification for joining the women's police force are politely told "not today, thank you." Miss E. C. Bather, chief superintendent of women police, told a conference on penal reform Sunday the ideal type of policewoman is the one who can comfort a lost child one moment and be an undercover agent in a "reefer" den the next.

Iran May Get Aid From U.S.; Shah Says Treasury Empty

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The new Iranian regime which ousted Premier Mossadegh last week appeared today to have excellent prospects of obtaining emergency financial aid from the United States.

President Eisenhower will have to make the final decision in what would amount to a radical change in U. S. policy toward Iran, but officials noted that the situation in that troubled country has changed radically.

As a matter of fact, the whole range of U. S. relations with Iran is already under high-level consideration. If the shah's new prime minister, Fazollah Zahedi, urgently asks assistance, he seems likely to get it.

The shah told reporters in Iran Sunday that his country must be helped in the next few days. He said the treasury is empty.

Chance For New Deal

The United States regards Zahedi's administration as an opportunity for a new deal in Iran. It ousted Mossadegh, a man who was considered fanatically opposed to making any settlement with the British on the long oil dispute and who was risking Communist increase in power to consolidate his own hold on his country.

Zahedi is regarded as an ardent nationalist, but also as a reasonable man. U S. officials hope he will be able to stabilize his country and that eventually he will undertake some kind of reasonable settlement with Britain.

They say he cannot move fast on the oil question, however, because popular passions are too high.

Miss Oil Revenue

Iran has been without any revenue from its $1000,000,000 oil industry since the industry was nationalized two years ago. The government formerly got, directly and indirectly, more than $100,000,000 a year from oil, according to experts here.

The United States at present has a $23,000,000 economic and technical assistance program for Iran. It also has a relatively small military aid operation, probably running at about $20,000,000 a year.

In June Mossadegh wrote President Eisenhower asking about U.S. purchases of Iranian oil in spite of Britain's legal-economic blockade pending an oil settlement.

The president replied that the United States would not give Iran any substantially increased aid as long as the country had the possibility of developing its own resources. That was a way of saying the Iranians should get busy and come to terms with Britain on compensation for the oil industry so that Britain would get the oil flow again.

Iran is estimated to need now about $5,000,000 a month—that, at least, is the reported amount of its budgetary deficit.

Weather in Churchill Area Halts Search for Lost Plane

CHURCHILL, Man. (CP) — Search for a missing RCAF Lancaster with eight men aboard has halted in the Churchill area today by adverse weather conditions.

The plane, from the 405 reconnaissance squadron, Greenwood, N. S., disappeared late Saturday on a 1,200-mile flight from Rockcliffe. Ont., to Churchill. It was only about 25 minutes out of Churchill when its captain reported he was running through a severe electrical storm. None of the six fliers so far named are from Ontario.

Nine planes brought in from eastern stations to aid in the search had to be diverted Sunday night to fields at Winnipeg and The Pas when they were unable to land at Churchill due to low ceiling and poor visibility.

The craft—with three others available here—will be ready to take off for northern Manitoba as soon as the weather clears. Reports indicated the break may come late today.

The missing four-engined bomber carried 12 hours fuel supply for the eight-hour flight, full emergency equipment, arctic survival kit, rations and a portable radio. Its pilot and navigator are familiar with the area.

Say Mossadegh Is Transferred To Cell in Jail

By DON SCHWIND

TEHRAN (AP)—Official sources announced today that police have transferred ex-premier Mohammed Mossadegh from the comfortable quarters of the Tehran Officers' Club to a jail cell.

Mossadegh, clad in pajamas, surrendered last week after a coup by supporters of Shah Mohammed Reza Pahlevi.

The wily old leader was interned in the club to await trial, possibly on charges of treason for refusing to obey the shah's order a week ago to hand the premiership over to Gen. Fazollah Zahedi.

Even with Mossadegh a prisoner, the new Zahedi government's troubles were not over.

Small, scattered pro-Mossadegh uprisings still were reported in outlying sections of the country.

Urges Lawyers And Journalists Draft News Code

BOSTON (AP)—The "law of the jungle" appleis to news reporting of court trials, the head of the New York County Lawyers Association said Sunday.

Edwin M. Otterbourg, president of the association, presented a 12-point code on fair trial and free press, drafted by a special committee of that associatino for the national conference of bar presidents. They are meeting in connection with the 75th meeting of the American Bar Association.

Otterburg said that decisions by various courts from time to time have highlighted "a conflict which has been developing between the guarantee of a fair trial and the guarantee of a free press."

Otterbourg called upon lawyers and journalists to "develop a co-operative program together which will obviate the growing necessity for a solution by legislative fiat or by judicial decrees."

Police Charge 20 Transport Trucks Damaged

ST. CATHARINES (CP)—Police said today that 20 transport trucks were damaged early Saturday at the Direct-Winters Transport Company yards here as the wage walkout of 1,500 southwestern Ontario truckers continued.

Air hose and fuel lines were cut and sugar was found in gas tanks, the damage apparently done at the same time that an attempt was made to set one of the trucks on fire.

One truck was moved out of the yard under police escort today and officers arrested Edward Kovacs following a minor disturbance. Kovacs was free on bail after being charged with assault with intent to commit malicious damage while picketing here two weeks ago.

300 Pickets Seal Off Gates At Broulan Mines

TIMMINS (CP)—Three hundred pickets sealed off gates at the Broulan Reef gold mines today and refused to let 60 miners into the property.

The pickets, members of the United Steelworkers of America (CIO-CCL), converged on the mine near here as the Broulan Reef wage strike entered its seventh week with no settlement in sight.

There was no violence. The miners did not attempt to break the picket line. It was the second time in three days that the 60 men who started a back-to-work movement two weeks ago, were unable to enter the mine.

The union said the pickets were not under union direction. Officials said most of them were unemployed miners looking for work. They said the union was not defying a Supreme Court of Ontario injunction limiting pickets at the mine to 12 in each shift.

Ontario provincial police were on duty at the mine entrances. Reports said they took no action.

FRENCH ARREST THOUSAND ARAB NATIONALISTS

Possibility of Revolt In Morocco Is Remote

RABAT, Morocco (AP)—Morocco's outlawed Istiqlal (nationalist) movement was on the run today, following French arrest of more than 1,000 Arabs suspected of anti-French activity.

The widespread roundup Sunday by French forces sent Istiqlal members underground or fleeing abroad. Jails were jammed.

Strong police and army units held the troubled North African protectorate in a tight grip following the exiling last week of pro-nationalist Sultan Sidi Mohammed Ben Youssef and his replacement by his pro-French uncle, Mouley Mohammed Ben Arafa. With the former sultan in exile in Corsica, the Istiqlal constituted the chief threat to the French.

As the cities and countryside rapidly reurned to normal, possibility of a widespread revolt was considered remote.

British Warship 'Rebukes' Boat Halting Vessel

HONG KONG (Reuters)—The British destroyer Cockade today fired a warning shot over the bows of a Chinese Nationalist gunboat chasing the 946-ton British freighter Nigelock, carrying cargo for Communist China.

The Royal Navy rushed to the rescue in the Formosa straits in answer to an urgent request for help from the Nigelock, which radioed she was being pursued and fired on by the gunboat.

A British statement said that the Cockade fired a warning shot at the gunboat, which "was enough to cause her to break off her pursuit."

The destroyer "rebuked the gunboat and warned her against committing further acts of piracy" before leaving the freighter to resume her voyage from Shanghai to Amoy, Communist Chinese ports.

The 1,500-ton British frigate St. Bride's Bay rescued the Nigelock from a Chinese Nationalist warship in the Formosa straits Aug. 17. The same freighter was fired on and chased by armed vessels July 25, but escaped.

Unidentified gunboats intercepted two other British freighters Sunday near the Chinese port of Foochow, about 400 miles northeast of Hong Kong, reports reaching here said today.

The vessels were the 3,539-ton Incharran and the 4,312-ton Lantao.

The two ships were released after an hour.

Constable Suspended

WINDSOR, Ont. (CP)—A rookie Windsor policeman, involved in a Riverside accident the night of Aug. 15, was suspended from duty Saturday by chief constable C. W. Farrow.

The policeman, 21-year-old Douglas Carter, will be charged with "discreditable" conduct under the Police Act and will also face a charge under the Highway Traffic Act as owner of the vehicle.

The victim, John Credrivnas, is still in Metropolitan Hospital suffering injuries he received while walking on Lauzon road.

Suicide Reveals Betting Ring Operated in Mental Institution

CHICAGO (AP)—The bizaare story of a horse race betting handbook operated in a mental institution by a physician, an inmate of several years, and the inmate's woman friend was told today by police chief Patrick C. Tuohy and Dr Otto Bettag, state welfare director.

Bettag said the suicide of a nurse in Chicago State Hospital Aug. 7, after she had lost heavily on bets placed with the bookie, gave authorities their first tangible lead, although he said betting operations were believed to have extended over several years.

Tuohy said Mrs. Dorothy Hughes, 31, told of picking up bets of $30 a day when she called daily on Martin Wanzig, 42, who was last committed to the hospital in September, 1952. Tuohy quoted her that she telephoned the bets to an outside bookie and carried winnings back to Wanzig.

When arrested, she had $65 in her possession.

Authorities said Mrs. Hughes told them the betting operations were started by a staff physician, who later enlisted Wanzig because, he said, "The operation is too big for me to handle alone." Mrs. Hughes said she drew a commission on the bets she relayed.

Bettag announced the physician and three other hospital employees have been dismissed, but declined to identify them.

The investigation began after Mrs. Fredonia Jones, 47, was found hanged in her room in the hospital nurses home. State investigators said she mailed a letter earlier that day to her husband, a laundry operator, indicating she was taking her own life because she had lost several thousand dollars betting.

Tuohy said no charge has been filed against Mrs. Hughes, who he said agreed to co-operate in the investigation.

Russia Grants Big Concessions To East Germany

To End Reparations Jan. 1 And Cut Occupation Charges

MOSCOW (AP) — The Soviet Union has made sweeping concessions in a new pact with East Germany. The Kremlin agreed to exchange ambassadors with the Soviet occupation zone, end reparations after Jan. 1, cut occupation costs, provide additional economic aid and release some German war prisoners.

A joint communique announcing the pact was issued Sunday at the end of a four-day conference between top Russian leaders, including Premier Georgi Malenkov, and an East German delegation headed by Premier Otto Grotewohl.

(Western observers in Germany viewed the agreement as an effort to prop up the wobbly Grotewohl regime. Its prestige has been at a low ebb since the June 17 hunger riots in the east zone.

(These observers also considered the pact an obvious Russian attempt to undermine the pro-Western government of West German Chancellor Konrad Adenuaer, now locked in a life-and-death election campaign against the Socialists in preparation for the Sept. 6 parliamentary elections.)

Malenkov Hits Adenauer

The announcement of the new pact closely followed a personal attack on Adenauer by Malenkov. The Kremlin chief declared in a radio broadcast that the West German chancellor who has favored German rearmament and close ties with the West, was leading his country down the road to war.

Malenkov's speech and the communique also renewed Soviet demands for a provisional all-German government to prepare for elections and eventual German unity.

Seven Major Points

The communique, signed by both Malenkov and Grotewohl, disclosed seven major points in the new treaty:

1. Diplomatic representation in East Berlin and Moscow will be raised to embassy level.

2. Soviet-run enterprises in East Germany will be returned to the East Germans.

3. Soviet occupation costs will be reduced to a level of not more than five per cent of total East German revenues.

4. Russian authorities will take measures to release German war prisoners. Excluded from the pardon will be those "who committed particularly wicked crimes against humanity."

5. East Germany's debts to Russia since the war will be wiped out.

6. Reparations payments to Russia will end after next Jan. 1. The amount still due was listed at $2,537,000.000.

To Bolster Economy

7. Russia will bolster the East German economy with shipments of food, coal, steel and other metals, cotton and other goods worth 590,000,000 rubles ($147,500,000 at the official Soviet exchange rate) and will extend credits of 485,000,000 rubles ($121,250,000).

Of all the concessions, the release of more German war prisoners was expected to win the warmest response in Germany.

The joint communique repeated the Kremlin's previous calls for direct east-west talks on German unification. The Communists said the talks should set up a provisional government over East and West Germany. It would arrange elections to be carried out without foreign interference.

Grotewohl, replying to Malenkov's speech before flying back to Berlin Sunday, said: "We are convinced that all the German people will support the Soviet proposals to the Western powers and will demand that these proposals be carried out."

Six Are Killed As Bus Plunges Over Enbankment

PENRITH, England (Reuters)—Six persons were killed and 35 injured Sunday when a bus plunged 300 feet from a mountain road into a ravine.

The accident occurred in a mist which shrouded mountainous Westmorland.

Casualties were taken to hospital at Kendal, where 24 persons were found to have severe injuries.

The chartered coach plunged down a 45-degree slope after a sheer drop of 20 feet. It somersaulted 300 feet down the slope and came to rest in a stream. Passengers rolled screaming down into the ravine.

The bus was carrying the party on a day's outing from Penrith to the seaside town of Morecambe.

Two Canadian Missionaries Leave Red China

HONG KONG (AP)—Seven Canadian and European missionaries emerged from Red China tonight dirty, tired, thin and ragged with flesh marks cut by communist chains.

They reported that much of China's crops were under three feet of water in coastal areas due to recent typhoons.

All smiled broadly as they stepped off the train and said they were "glad to breathe the air of freedom again because we no longer were wanted or needed in Red China."

They included Rev. Hora E. Labranche, 48, of Montreal and Rev. Marc Hardy, 40, of Quebec, both from Soochow.

Virginia Woman Shot to Death

CHARLESTON, W. Va. (AP)—Mrs. Walter E. Clark, socially prominent and principal owner of the Charleston Daily Mail, was found beaten and shot to death in her home Saturday.

It was Charleston's most sensational murder case in a generation.

A maid and a caretaker found the 59-year-old widow's body when they reported for work about 9 a. m.

Still asleep in a nearby bedroom was a two-year-old grandson, Arch J. Alexander III, who had been staying with Mrs. Clark while his mother is in hospital.

Mrs. Clark had been shot through the eye. The other was blackened.

Crushed Rock Roadway Laid In Victoria Park

Visiting yachtsmen stopping over at Belleville harbor for the night or to take in supplies will find it easier and more convenient to get uptown with the completion of a crushed rock roadway from boat slips along the east side of Victoria Park.

Earlier in the year visitors arriving by boat had difficulty in getting uptown to get provisions and other supplies because of a muddy roadway that even bogged down taxi cabs. At a recent meeting of council, authorization was given to Alderman Arthur Keegan as chairman of the Victoria Park committee to have the roadway repaired.

With the opening of a marine service by Wills Hardware and provision of mooring facilities on the east side of Victoria Park, the Belleville harbor has seen considerable activitiy with close to 200 visiting yachts having registered.

One of the finest yachts to visit the city in years a diesel operated 55-footer from South Carolina, stopped over in the harbor during the week-end and was the object of much admiration on the part of local yachting enthusiasts.

ONE OF THE LITTER WAS AN ODDITY

"Lady" is a three-year-old female collie, white and tan in color. On Saturday she gave birth to seven pups, six part collie and part something else. The seventh, which arrived approximately eight hours later was an oddity. This last black and white pup appeared to be a cross between a bull dog and a Great Dane and bore little resemblance to the other six, and "Lady."

A local veterinarian described the phenomenon as being "none too common." He said that it sometimes does occur in dogs that one or more of the litter will be from an earlier mating. The pup, almost entirely black with the exception of the white chest and chin, is a male. Both mother and pup are doing well at last report.

Dutch Couple Enjoyed Visit To This City

Filled with a deep liking for Canada and a hope that some day they could return here to live, Mr. and Mrs. Jan ten Hoope, of Amsterdam, Holland, are starting back home this week after a two months' visit with their son in Belleville.

"I like Canada very much and would like to live here, but my job and my home are in Amsterdam," the 58-year-old Dutch court writer said, "I know no other work."

One of the things which struck Mr. and Mrs. ten Hoope about Canada was the fine weather, which they have experienced during their stay here. "In Holland we get rain almost every day," he said.

The deep tan which Mr. ten Hoope had acquired indicated that he had made full use of the Ontario sunshine.

A bit reticent about practising his English which he said is not much used in Holland except during the tourist season, Mr. ten Hoope told about his work in reporting Dutch criminal cases. He has been doing court work for 42 years.

The size of Canadian newspapers was another thing which struck the Dutch visitor, who says that in Amsterdam papers contain only eight pages on week days and up to 40 pages on Saturdays, when the bulk of advertising is carried.

Mr. and Mrs. ten Hoope's son, Jan William ten Hoope has been in Belleville three years where he is employed at Walker's Hardware.

T. Peddar Swims From Trenton To Belleville

Tommy Peddar, of Belleville, swam from the Trenton Bridge to the Bay Bridge Sunday afternoon in about six and a half hours. It was about a thirteen mile swim.

He started from the Trenton Bridge at about 8:30 in the morning. Tommy swam across the bay to the south short to pick up a current which comes down the shore. However, the water was so dirty that it got in his eyes and he had to make for the centre again. He came straight down the bay to Ostrom's dock under the Bay bridge. Vic Morris and Phil McMurter accompanied him in boats.

Tommy is still looking for a sponsor to aid him to get to England, where he would like to attempt to swim the English Channel.

NATIVE HOMES

GERMISTOWN, South Africa (CP)—Germiston city council is expanding a program of aid to natives for home-building which is started in 1949. The municipality provides loans with which natives may do their own building or hire native contractors.

PICTON

Record First-Day Opening Mark Set by Picton Fair

PICTON—The County Fair at Picton enjoyed an interlude yesterday after a record first-day opening. However, there was a largely-attended open air service at the grandstand last night, arranged by Capt. G. Geron, Salvation Army. Giving a brief talk was Bram Humphreys of Belleville while Lieut. Brown of Tweed gave euphonium solos. Picton band led in the singing of favorite hymns.

The Fair resumed its activities this afternoon with junior farmer day and culminates a big day with a horse show under lights and a display of fireworks tonight. Tuesday and Wednesday afternoons see horse races with classes nearly all filled in advance and vaudeville shows each night by United States artists.

Saturday night 1,400 excited, screeching fans saw pro wrestling introduced to Picton, with Whipper Watson as the star attraction. He won his match with Al Costello. A super display of fireworks closed off this day which had a paid attendance of around six thousand.

Nearly 2,000 people watched the outstanding display of precision acrobatic riding by Royal Canadian School of Signals dispatch riders of Vimy, Saturday in front of the grandstand. They were accorded enthusiastic applause. Also on the program was the crowd-pleasing Riders of the Southern Trails, from Bath, and the Kansas Farmer, who is at the Fair on all days.

Fine Horse Show

For the horse show tonight and Tuesday and Wednesday afternoons, the Picton Fair has scored another 'scoop', with entries from all over the Province. There are 38 different exhibitors in this class.

Operators of the large midway state that business on opening day was as good as two days at the large fair they had last attended.

A few statistics give some ideas of the Fair—676 entries of poultry and bantams; 142 entries in cattle which are judged Wednesday; 287 entries in vegetables; 676 entries in school section; 156 entries in fruit; 90 entries in grain; 405 entries in flowers which include 61 baskets of lovely blooms; 82 pies; 67 cakes; 186 entries of other cooking; 604 entries in ladies' section; also large entries in photography, woodwork, art, oddities, eggs and honey; and other classes.

Tents house the overflow from the main buildings.

Directors are confident that when the Fair closes at midnight Wednesday, that new records will have been set.

Body Recovered

Missing since last Tuesday evening, the body of a 16-year-old youth was recovered yesterday from Lake Ontario, off Point Petre. He was a cadet with the RCSA (AA) and assisted at the summer camp there. No reason for the accident is known. The youth disappeared and when a search failed to find him, dragging operations were undertaken by O.P.P. Name is withheld until next of kin is notified.

Field Day For Playgrounds On Friday

The end of playground supervision for this season —in the city will come on Friday when the Belleville Recreation Committee will sponsor the Second Annual Field Day beginning at 10:00 a.m., Red Doran, Recreational Director announced today.

Mr. Doran said the field day will be held at the East Hill playground, the same place as last year's. The children will compete for inter-playground championship with the winning playground, in both junior and senior divisions, receiving a plaque.

According to the sports convener, the winner of each event will receive a ribbon denoting first, second or third place. It is planned this year to restrict contestants to entering a maximum of two competitions. This way it is hoped to realize 100 per cent participation and distribution of winners will be more even.

Parents are requested to attend with the smaller children as it is difficult to devote the time —and attention to them that is sometimes necessary. The Recreation Commission is of the opinion events would be expedited considerably with this type of co-operation from parents.

PRESERVE OLD BAR

ROME, (Reuters) — Government authorities have saved Rome's oldest and most famous bar from hands of creditors who wanted to modernize it. The ministry of education announced that the 200-year-old caffe Greco is of important historical interest and must not be altered. A favorite haunt of romantic poets and musicians in the early 1800s, its customers included Byron, Keats, Shelley and Wagner.

Bowen, Cobourg, First in Quinte Golf Tourney

J. Bowen of Cobourg, took top honors in the eighth annual Bay of Quinte golf tournament at the Bay of Quinte Golf and Country Club Saturday in a record field of 140 entries. Bowen carded a 75 to capture the E. E. Follwell "City of Belleville" trophy. J. Clarkson of Peterborough, was runner-up with a 76 while H. Bennett of Kingston, followed closely with 77.

In "B" flight, B. Carlson of Trenton, claimed the low gross, with an 80, while J. Corkey led "C" flight with a 92. The Bay of Quinte club won the J. J. Morch trophy emblematic of team supremacy (the four best gross scores from any one club). Immediately following the tournament, the prizes were presented to the winners by T. A. Carruthers.

A flight: Low gross: 1. J. Bowen, Cobourg, 75. 2. J. Clarkson, Peterborough, 76. 3. H. Bennett, Kingston, 77. Low net: 1. J. Piduti., Bay of Quinte, 69. 2. Net, D. Vyse, Peterborough, 70. 3. C. Charlton, Trenton, 71.

B. Flight: Low gross: 1. B. Carlson, Trenton, 80. 2. J. Richardson, Peterborough, 81. 3. D. Jeffery, Cobourg, 81. Low net: 1. J. A. Ward, Bay of Quinte, 68. 2. B. Hill, Cobourg, 68. 3. J. Rywak, Bay of Quinte, 69.

POLICE BLOTTER

Minor motor accidents resulting only in dented fenders and calls to private residences to iron out family spats, were the principal items occupying the attention of police over the week-end.

No injuries were suffered as result of any of the accidents occurring in the city.

One city resident went fishing off the government dock. When he returned to his car he found all the hubcaps missing.

Obituary

VIOLA MATILDA RAY

Funeral services for Viola Matilda Ray were held from the Belleville Burial Company Funeral Home on Saturday. The Reverend A. B. Payne officiated at the service.

Bearers were: Roy Clarie, Charles Grass, Glen Bradshaw, Ronald Bradshaw, Hugh McMullen and Fred Deveau.

Interment was in Belleville cemetery.

MRS. LAURA MYRTLE IRWIN
(Remington)

Following a lengthy illness, Mrs. Laura Myrtle Irwin, of Remington, Ontario, died at Gravenhurst on Sunday. She was in her 61st year.

Born at Harrowsmith, she had lived at Remington for 30 years. She was a member of the Standard Church.

She is survived by her mother, Mrs. Levi Emberly; one daughter, Mrs. Foster (Grace) Wilson, of Stirling; and one son, John Irwin, of Eldorado. Her husband, William John Irwin, died in February of this year. There are two grandchildren.

Resting at the McKenzie Funeral Home, Madoc, the funeral announcement appears elsewhere in this paper.

Parliamentary Divorce Mill Has Many Cases

OTTAWA (CP)—The parliamentary divorce mill will operate at full blast during the first session of the 22nd Parliament.

Members of the Senate and the Commons will again devote long hours to the disposition of divorce petitions from Quebec and Newfoundland, the only provinces without divorce courts. And the CCF party—now 23 seats strong—will redouble its efforts to switch Parliament's job of dissolving marriages to the Exchequer Court.

Since prorogation of the last Parliament May 14, 136 divorce petitions from Quebec and Newfoundland have appeared in the Canada Gazette. They will be started through the Senate and Commons soon after the opening of the new session in November.

Number Fairly High

Officials of the committees branch of the Senate, which does most of the paper work in connection with divorces, said the figure is "fairly high" in view of the fact that Parliament will not meet for nearly three months. They said they expect the number of petitions handed next session will approximate the 282 processed at the 1952-53 session.

The CCF fight to have Quebec and Newfoundland divorces handled by the Exchequer Court has been led by Stanley Knowles, the United Church clergyman from Winnipeg North Centre.

Mr. Knowles, M. J. Coldwell, CCF leader, and other members of the Socialist group have frequently described the manner in which Parliament considers divorce petitions as a "blot on Canada." They have complained that the petitions receive insufficient consideration and that the granting of divorce is a job for the courts.

FOURTEEN KILLED

NEW DELHI (Reuters)—Fourteen persons are reported dead in Allahabad and Kanpur, in gales and heavy rains which swept the area during the week-end. A westerly gale reaching 50 miles an hour hit Allahabad Sunday, cutting off its communications with the rest of India. At least seven persons were killed in collapsing

Famous Country Homes Will Be Used by Queen

By CECIL LUSTY

WELLINGTON (Reuters) — Two of New Zealand's most famous country homes will be put at the disposal of the Queen and the Duke of Edinburgh for rest periods during the Royal tour of New Zealand from Christmas to the end of January.

They are Moose Lodge on Lake Rotoiti, 12 miles from Rotorua in the main hot springs tourist area of North Island, and Longbeach, a 3,000-acre farm on New Zealand's south island.

Moose Lodge, among the most beautiful holiday homes in New Zealand, belongs to Noel Cole, one of New Zealand's biggest building contractors. Its guest book includes such names as Lady Mountbatten and Anthony Eden.

Set on a small hill in 16 acres of grounds, it is approached from the main road by a concrete drive, half a mile long, lined with poplar and prnus trees and small New Zealand ferns.

A small native hut on a beach on the foreshore of the lake gives a touch of Maoriland color, and a large boathouse, two jetties and a launch at anchor set the vacation keynote.

Surrounded By Lakes

In the dining-room, the scenery is reflected by a large mirror on the wall opposite the window facing the lake so that diners are surrounded by lake and trees and sky.

The Queen's bedroom will be decorated in a warm off-white, with white furniture and drapings. The white will be relieved by pastel green in the bedspread and other soft furnishings.

The main outdoor recreations here are fishing, boating and bathing. The trout fishing, both fly and trolling, is good.

Longbeach, the other country home they will visit, was founded by a Cornwall man, John Grigg, who came to New Zealand in 1854 and purchased a large tract of land, much of it swamp, into which no human soul had ever ventured.

He set to work to drain his 30,000-acre wilderness, built his own brick kiln and made drainpipes. Gradually, the tract was developed into the largest agricultural farm in the world, and when Grigg died in 1901, having seen his dream realized, the property passed to his son, J. C. N. Grigg.

Its area has since decreased until now it consists of 4,000 acres, farmed in practical fashion by its present owner, J. H. Grigg. Under him it is one of the most productive areas in the world, carrying 6,000 sheep 200 beef cattle and about 300 acres of crops as well as some 30 saddle horses.

FORESTRY EXHIBIT

OSLO (CP)—A forestry exhibit including everything from tools to fish and game hatcheries is drawing crowds to the Glaamdal museum in the eastern district of Elverum. Centre of attraction for old timers is a modern lumber cabin, luxurious compared to the drafty shanties of former years.

HEMINGWAY IN KENYA

MOMBASA, Kenya (Reuters)—Writer Ernest Hemingway arrived here this week-end by sea for a three-month visit to troubled areas in East Africa with his wife. He has no plans yet to write about the Mau Mau terrorists but said he hoped to write a feature article for a United States magazine.

Noranda Strike Forces Closing Of 2 Small Mines

NORANDA, Que. (CP) — Two small mines shut down here during the week-end in the wake of the strike of 1,600 miners at Noranda's giant copper and gold plant.

Powell-Rouyn mines and Elder mines, which do not own their own mills, had all their ore treated at Noranda mines. About 80 of 130 employees at Powell-Rouyn were laid off. Other layoffs are expected this week. An Elder mines spokesman said 60 of 90 men were released, the others being retained for development.

For the first time since the Noranda strike of 1,946, no smoke rose Sunday from the big stacks above the smelter sprawling on the north side of Lake Osisko. The two reverberatory furnaces in the big plant were allowed to go out Saturday.

Crews of shift bosses who are living inside the property drained the three convertors and the anode furnace.

Mine manager C. E. Anderson said no hourly-rated employees represented by the United Steelworkers Union (CIO-CCL) are inside.

Quiet Prevails

On the six picket lines near the property quiet prevailed during the week-end. On the lake a union outboard motorboat cruised back and forth as a guard against the entrance of strikebreakers by water.

In a written statement Mr. Anderson said that union security was the only question discussed at a Toronto meeting Friday between the union and company officials headed by president J. Y. Murdoch. The strike was called after the meeting.

Mr. Anderson said the meeting was asked by the union.

Check-Off Is Issue

"The strike will end sometime and the settlement will not include the check-off." Mr. Anderson said. "We are ready to resume negotiations with union representatives at any time. As we have made abundantly clear we are prepared to discuss wage increases and to negotiate a new contract on this basis."

Pat Burke, district supervisor of the steelworkers, said the company's "pretence" that the check-off is the only issue was "just a stall contrived to deceive workers and the public."

He said that in 1952 negotiations the union agreed to the company's request to abandon the check-off and after this concession was made the company immediately began to "chisel" on wages and working conditions.

"The 1,600 Noranda workers won't fall into the same trap again," said Mr. Burke.

The union is demanding a reduction in working hours from 48 to 44 a week with no loss in take-home pay, plus an across-the-board increase of 30 cents an hour and the check-off for union dues.

FUNERAL SERVICE

Members of the Minerva Chapter, No. 138, Order of the Eastern Star, and sister chapters, are requested to assemble at the Belleville Burial Company Funeral Home Chapel on Tuesday evening, August 25th, at eight p.m. for the funeral service of the Order for our late Sister Mrs. Aleta Conners.

By order of our Worthy Matron, Mrs. Bessie Marsh.

VEVA L. ROBSON,
Secretary.

A24

BIRTHS

HENWOOD. — Mr. and Mrs. R. Henwood, (nee Julia Lott), wish to announce the arrival of a daughter, Elaine Phyllis, on August 22, 1953, at the Belleville General Hospital. A24

KELLETT. — Mr. and Mrs. W. E. Kellett, Albert College, wish to announce the birth of a daughter, Barbara Dee, Sunday, August 23, 1953, at Belleville General Hospital. A24

DEATHS

CONNERS, Aleta May. — Suddenly as the result of an accident on Sunday, August 23rd, Aleta May Hayes, widow of George E. Conners, in her 60th year.

Resting at the Belleville Burial Company Funeral Home. Service in the chapel on Wednesday, August 26th at 2.00 p.m.

Interment Belleville Cemetery. A24-3t

IRWIN, Laura Myrtle. — At Gravenhurst, on Sunday, August 23, Mrs. Laura Myrtle Irwin of Remington, in her 61st year.

Resting at the McKenzie Funeral Home, Madoc, from where the funeral will take place to the Standard Church, Madoc, for service on Tuesday, August 25th, at 2.30 p.m.

STUDY RHEUMATISM

GENEVA (Reuters)—More than 800 specialists from 35 countries will discuss the latest advances in treating rheumatism at the eighth congress of rheumatic diseases opening here today. They will hear about the properties of the wonder drug cortisone from the man who first used it in the treatment of rheumatism, Dr. Phillip Hench of the Mayo clinic, whose work gained him the Nobel prize in 1950.

PRODUCTION INCREASE

KARACHI (CP)—Coal production in Pakistan has increased from 40,000 to 60,000 tons monthly through amalgamation of collieries in Baluchistan. However, domestic consumption has declined by one-third in the last two years, partly because of railway dieselization.

TORONTO STOCKS

TORONTO (CP) — Low-priced mining issues completely dominated heavy forenoon trading today. Activity reached its highest point in three months.

New Larder U again featured Bathurst area stocks, adding 13 cents in brisk activity. Other specialties were Chimo, Headway, Nudalama and New Highridge with gains ranging to 16 cents.

Industrial strength was concentrated in utilities and papers. Canadian Westinghouse rose $2. B. C. Power A, CPR and Canadian Utilities Preferred also firmed. On the downside were refining oils and agriculture.

Golds improved quietly. Malartic. Macleod and Madsen added around five cents each.

Base metals tended higher. Up were Quemont Waite Amulet and Consolidated Smelters while Brilund and Barvue firmed in the lower-priced group

Western oils continued to fade slowly for the seventh day. Pacific, Canadian Atlantic, New British and Canadian Devonian topped the losers

DOLLAR RATE

MONTREAL (CP) — The U.S. dollar was at a discount of 1 7-32 per cent in terms of Canadian funds at noon today. Friday's noon rate was .98 13-16 cents. Pound sterling $2.78 1-8 unchanged.

PRODUCE MARKET

TORONTO (CP) — Churning cream and butter print prices were unchanged here today.

Prices were firm in active trading at the egg market. Quotations for graded eggs in fibre cases were: A large 70; A medium 61; A small 40; B 47; C 25. Wholesale to retail: A large 75; A medium 66; A small 45; B 52; C 40.

Butter solids: 1st grade tenderable 88; non-tenderable 57⅛-57½.

TORONTO LIVESTOCK

TORONTO (CP;—Trade was active with good light butcher cattle in demand at steady prices at the Ontario stockyards today. Weighy steers were slow, cows and bulls moved slowly at steady prices.

Receipts: cattle 4,960; calves 910; hogs 625; sheep and lambs 430; included in the fresh receipts were 1,430 western cattle; holdover from the weekend, 800 cattle.

Choice weighty steers 20.50-21; good 19.50-20; medium 18.50; choice light 20.50-21.25; good 19.50-20; common to medium light downward to 14; good heifers mostly 19; a few 19.25; medium downward to 17; good cows 12-13; fed yearlings active and strong at 21-23.50 for good to choice; good stockers 17.50-18.50; medium downward to 16.

Calves were strong at 21-23 for good to choice vealers; common to medium downward to 12; good stock calves 17.50-18.

Hog prices were not established.

Lambs were steady at 26 for good ewes and wethers; bucks $1 discount; common lambs 18-20; a few common to medium sheep 6-9.

Decoration Day Held by ANAF Veterans Sunday

Sunday marked decoration day for members of the local Army, Navy and Air Force Veterans Association, who attended in a body at a special ceremony held at Belleville cemetery. A large number of citizens also attended the ceremony and laid wreaths on the graves.

Members of the veterans' association marched from the Armouries to Cedar street, where they took buses to the cemetery.

Special speaker for the decoration day service was Canon J. B. Creeggan of Christ Church. Prayers were said by S. Lessels of the Salvation Army. The Salvation Army Band was also in attendance.

Last Post and Reveille was played by Jack Green, following which graves of veterans in both Belleville cemetery and St. James cemetery were decoratd.

Appeal for Aid To Unmask Reds In Washington

By EDWIN B. HAAKINSON

WASHINGTON (AP)—A United States Senate sub-committee has appealed to present and former government employees for help in learning "the identity of the Communists who are presumably still in government."

The appeal came from the Senate judiciary sub-committee on internal security, which during the last year has been hunting for Communist infiltration of government agencies extending back 20 years. Senator William Jenner (Rep.-Ind.) heads the group.

In a 50-page report summarizing what it called "interlocking subversion in government departments," the sub-committee said Sunday night:

"The Soviet international organized penetration of the U.S. government, and this penetration has not been fully exposed."

Some Rings Not Exposed

The report said four or more Soviet espionage rings among government employees have been described by former Reds and "that only two of these have been exposed." It appealed to "persons who know the facts" to co-operate.

The report, signed by all eight members of the sub-committee, said most of the evidence of Communist espionage in the government has come from such persons as Whittaker Chambers, Elizabeth Bentley, Louis Budenz and Nathaniel Weyl. All describe themselves as former Reds who broke with the party.

Scores Will Not Testify

Scores of those who have been described as Reds have refused to answer questions before congressional investigators by invoking the constitutional privilege against self-incriminating testimony.

It is known, the report said, that many of the latter falsified anti-Communists oaths required by government workers, but most cannot be prosecuted because of a three-year time limit on such prosecutions. The sub-committee recommended removal of this time limit.

It urged that congressional committees be given the right to grant immunity from prosecution to reluctant witnesses who have defied past Communist investigations. Such witnesses then could be forced to testify or prosecuted for contempt.

Quinte Tennis

The annual men's and mixed tennis tournaments were held in perfect weather on the Quinte Club courts on Sunday afternoon.

There was a large entry in all the events with play being keenly contested. Ken and Tom Woodley defeated Dan Cowley and Bob Sagar 6-1 and 6-2 to take the men's doubles.

Helen Johnson and Bob Burns took the mixed doubles from Nan Cattey and Gerald Ireland.

Jack Watson and Gerald Ireland won the men's consolation play while Jean and Eric Ellis won the mixed consolation.

Helen Johnson won the award for the most outstanding player of the day.

1,000 Believed Lost as Floods Destroy Town

RANGOON, Burma (Reuters)—A sudden flood surge has completely destroyed the town of Shwegyin, 90 miles north of here, and 1,000 persons are unaccounted for, it was reported today.

Four thousand of the town's 5,000 population were evacuated to safety zones up the neighboring Pegu Yoma mountains.

The fury of the floodwaters of the Sittang river gouged out the lower shoulders of the mountains and spread silt over the once flourishing town.

All communications with the stricken town have been cut and details of the havoc are not yet known in Rangoon.

NATIONAL MEMORIAL

KARACHI (CP) — A house in Karachi, birthplace of Mohammed Ali Jinnah who is considered the "father of Pakistan," has been declared a protected monument by the government.

Bowling

Under delightful weather conditions, with 26 rinks in competition the annual trebles tournament was held at the local greens on Saturday afternoon. A. E. Wonnacott with Rev. J. S. Dilts and "Scotty" Johnson of the local club won the tourney for three-high games. Mr. Dilts is a former pastor of Holloway Street United Church and is back in the city, on holidays, while Mr. Johnson has recently joined the club.

Fred Harper with W. B. "Skit" Vandervoort and Cyril McBride were second high, while Morley Galt and W. Hurd, J. Donnely were third. Belleville again got into the payoff group when C. L. Hyde, Percy Graham with Jerry Hyde as skip won the two-game high score. Harry Aikens of Kingston, won the one-game high score.

The greens were in excellent condition and many followed the play throughout the afternoon and evening.

On Wednesday last, the three Gordons, Vince, Watkin and Edwards with L. E. McLean at the helm went to Oshawa for the Gold Cup tourney and came home with a beautiful prize each after winning three games. Although the rink was not the highest in the tournament, the fact they won three games in tough competition, shows that Belleville bowlers can hold their own with any in the province. Cliff Argue had Ralph Hinton of Kingston, Walter Wiggins of Campbellford, James Hannah and himself as skip in the tourney and succeeded in winning two games.

Next Wednesday one of the best tourneys in Eastern Ontario is being played in Peterborough. This is a mixed doubles affair for the Black Memorial trophy and eleven pairs are going from this club to the Liftlock city.

Those entered in the first draw are Percy and Mrs. Graham, Orlo and Mrs. Smith and Mr. and Mrs. Cliff Argue, while in the second draw are Gordon and Mrs. Edwards, Bruce and Mrs. Miller, W. B. Vandervoort and Mrs. Nora Kyle, Wilfred and Mrs. Price, G. B. and Mrs. C. L. Hyde, Gordon and Mrs. Vince, "Davey" Davison and Mrs. C. A. Mott, Gordon and Mrs. Watkin. Here is wishing good luck to all of them in their quest for further bowling honors.

Wellington on the Lake

SUMMER'S PASSING

I would not grieve for summer's fleeting hours,
The passing radiance of vine and tree,
I would enjoy the summer-scented flowers
Nor fear the autumn blight that is to be;
The winding path along the quiet shore
I'd follow till the summer days are done,
The arid roads that winter holds in store
No menace has beneath a summer sun;
For I who love the summer earth and sky
Will revel in its joys unto the end,
For heartless is the one who can deny
The faithfulness of such a trusted friend—
Though soon, too soon, the summer days depart
Its spirit still may linger in the heart.

—Helen B. Anderson.

WELLINGTON—Miss Gena Benson is the guest for a week of her friend Miss A. Wrong of Windsor at her summer home near Ottawa.

A miscellaneous shower for Mr. and Mrs. Thomas N. Nash and bride (nee Miss Marjorie Greer) was held at the home of Mr. and Mrs. L. J. Greer, Wednesday evening by friends from Swamp College.

Miss Dorothy Tayler, Toronto, is the guest of Miss Marjorie Blakely, Maple Avenue.

Mr. and Mrs. L. K. Leavens, Mr. and Mrs. Harry Leavens of Weyburn, Sask., and Mr. and Mrs. Bob Stevenson and family were dinner guests of Mrs. Mabel Bell at Grahamanor on Sunday.

Mrs. Brummell of Massassaga, was in town on Friday and called on Mrs. H. B. Anderson.

Mr. and Mrs. L. E. Tunnicliffe and son John of Deseronto with Mrs. Desmond and friend of Birmingham, England, were recent guests of Mr. and Mrs. Arnold Vanderwater.

Mr. Minaker is spending some time in Ottawa.

Mr. and Mrs. W. A. Davern are enjoying holidays in their commodious summer cottage at Consecon Lake and are entertaining their little granddaughter, Judith Ann Jones, of Belleville. On Monday, Mrs. H. B. Anderson was tea hour guest of Mr. and Mrs. Davern at their pleasant summer home.

Distant Guests Attend

The picnic party, planned and managed by Mr. Fred Morton and Mr. Lorne Brickman in celebration of the birthday of Mrs. Anderson and as tribute to a former teacher by pupils and friends was a very happy affair in Wellington Park on Wednesday, August 19. Those present from a distance included Mr. and Mrs. Cyril Bowerman, Detroit; Miss Jennie Mornghan, Windsor; Mrs. Leona Whyte, Kingston and Mr. Arthur Whyte and daughter Sandra of Montreal. A full account of this pleasant gathering will be given later. Mrs. Anderson is very grateful to her former school boys for planning this happy event.

Dual Responsibility . . .

In the coffee houses of Elizabethan England were born certain financial practices which in modified form are in use to-day. For example . . . "underwriting". Underwriting originated with marine insurance, and the term "underwriter" was applied to a man who had written his name under or at the foot of an agreement and thereby assumed a portion of a shipping risk. Early London coffee houses witnessed the signing of many an underwriting agreement.

To-day in the Canadian investment business, "underwriting" usually means the purchase by an investment dealer . . . or a group of dealers . . . of a new issue of securities of a business corporation, or a government. These securities are reoffered to investors.

Bringing together those who require capital and those who have capital to invest constitutes an important function of our business . . . important because we provide immediately the funds required for sound capital purposes . . . important too because it enables the investor to participate in sound Canadian enterprises.

In this business of underwriting, we at Ames feel we have a dual responsibility. We have a responsibility to the issuing corporation because so often we are called upon to advise the issuer as to the type of security which he should create . . . the amount which he should issue . . . and the rate which he should set by way of interest or dividend. We have an obligation to our investing clients, too. We must satisfy ourselves that the corporations whose securities we buy are soundly financed and well managed . . . that the business has a future as well as a past . . . that the securities themselves are legally created and that interest or dividend rates are fair to the investor.

We have an obligation also to provide the prospective purchaser with all information about the company which might affect his judgment. It is described by Securities Commissions as the principle of "full and complete disclosure". This information is set out in a prospectus, a copy of which is delivered to every investor before he buys a corporation security from one of our new underwritings.

We do not want to create the impression of course that we think that every one of our underwritings is suitable for the investment account of every one of our clients. The selection of securities, whether those securities are part of a new underwriting or not, should be based on the individual needs and wishes of the person involved. When it comes to selecting securities to fit a particular purpose . . . or designing a list to suit the personal desire of an investor . . . we think we can help, because we have had long experience in this business. We invite you to have a chat with us either personally or by mail. You will be welcome in any of our offices.

Canadian Artillery Proves Good Shooting Cements Fast Friendship

By BILL BOSS

Canadian Press Staff Writer

IN KOREA (CP)—In Korea the 81st Field Regiment RCA has proved that good shooting cements fast friendships—even when your ally speaks a different language.

During almost an entire week in July the Canadian gunners were the only artillery support the flanking 1st RoK division could count on.

The Canadians, supporting their own brigade on Little Gibraltar and hills to the southeast, hadn't much to do on their own front. The Commonwealth division wasn't much bothered by the Chinese.

But the RoKs were under tremendous pressure from the Communists and Lt.-Col. Harry Sterne, officer commanding the 81st, sent Maj. Yvon Therriault of Ottawa and Quebec to see what he could do to help out.

The gunners got a lot of business.

Warm Gratitude

A letter from Brig.-Gen. Kim Dong Bin, which will be framed for the regimental archives, tells the rest of the story. In the form of a scroll, with text in both Korean characters and English, it reads:

"I wish to express my deepest appreciation for your outstanding co-operation with this division since July 10, 1953. As CO of the adjacent unit to this division your performance of furnishing appropriate supporting fire on the spot in close support of the 11th regiment of this division was most outstanding.

"Particularly, your most admirable efforts during this period were in the section on Hill Betty, July 15-16, 1953, when the enemy made 19 successive attacks.

"Your skilful voluntary action caused continuous supporting fire to be placed on enemy targets accurately and insured the 6th company of the 11th regiment being able to repel the enemy, whose wave attacks were coming in continuously, and to reduce the threat of being surrounded.

"Your support brought them success in holding Hill Betty to the last. I deem it an honor to present this letter to you as a token of my sincere appreciation for your close friendship and co-operation."

Sterne reported that at first the RoKs were almost heartbroken when they thought of having the entire regiment's guns at their disposal, but unable to use them because they couldn't speak the gunners' language.

But Canadian and British artillery procedure differs greatly from the American, used also by the United States-trained RoKs. The Koreans stepped right in when they discovered all they had to do was give the liaison officer a map reference and that was exactly where the shells went.

Almost 6,000 shells were fired during the "Betty Battle." But during the week the regiment fired more than 12,000 for the Koreans. And at times it called for the entire Commonwealth divisional artillery to thicken its fire.

Helped U.S. Marines

The gunners' last shoots were over on the division's other flank, supporting the 1st Marines, then having a hard time on Vegas and East Berlin. More than 2,500 shells helped the marines. Between the marines and the Commonwealth division exists a good bond of mutual respect for one another's brand of soldiering.

Control, during all these battles, was on a "hot loop" manned by Sterne at brigade headquarters, and either Maj. J. P. Beer of Ottawa, the unit second-in-command, or Capt. Rolly Hauser of Fredericton, at the regimental command post.

Sterne, answering Gen. Kim's letter, said "it was an honor to support soldiers as brave as those of the 1st RoK division."

The 1st RoKs are probably Korea's finest. They have never, in three years of war, given ground to the enemy unless ordered to do so. And when the theatre was advancing they led the parade.

Fall Fair Dates

List of Fall Fair dates:

Campbellford	Sept. 29,
Coe Hill	Sept. 8 and
Deseronto	Sept.
Kingston	Sept. 29-Oct.
Marmora	Sept. 5 and
Napanee	Sept. 7-
Norwood	Oct. 9, 10 and
Peterborough	Sept. 15-
Picton	Aug. 22-
Roseneath	Oct. 2 and
Shannonville	Sept. 11-
Stirling	Sept. 15,
Tweed	Sept. 22,
Bobcaygeon	Oct. 2 and
Durham	Sept. 8 and
Denbigh	Sept.
Lindsay	Sept. 22-
Lakefield	Sept. 11-
Toronto (Royal W.F.)	Nov. 13-2
Warkworth	Sept. 24,

COUNTY FAIR at PICTON

MONDAY, AUG. 24
- Famed Central Command Band of RCAF.
- Beautiful Child Contest.
- Junior Farmer Competitions.
- Vaudeville Show.
- Night — Horse Show under lights. Fireworks.

TUESDAY, AUG. 25
- Great Parade at 1 p.m. led by Central Command Band, RCAF.
- Three Horse Races.
- Horse Show.

NIGHT — "Hollywood Burlesque" show direct from USA, featuring leading vaudeville artists in great variety of acts. Grandstand.

WEDNESDAY, AUG. 26
- Horse Races — 3 thrilling races.
- Vaudeville on stage.
- Livestock Parade — Horse Show.
- Night — 'Hollywood Show' . . . you must see it.
- Every day and night, the Kansas Farmer — Biggest exhibit any Fair Central Ontario — Drive over on your holiday.
- Grand Midway — Lots rides, shows at Picton's

4-DAY FAIR
AUG. 22-26

Neill's Shoe Store
proudly presents to
Belleville
THE AMERICAN GIRL SHOE
PATTI
A smooth little pump with smart stitching detail.
Lively, high-stepping foot fashions now made in Canada *on American lasts!* See the stunning American styles and fine Canadian materials — all the important new Fall colours.
Our whole exciting collection features foot-flattery and wonderful value. See them *now* — we've a full range of sizes and heel heights.
EXCLUSIVE SUPER-FLEX CONSTRUCTION
for light, flexible comfort!

PREVENTIVE DETENTION MENACE

Ceylon is proposing to pass legislation authorizing reventive detention" of persons suspected of planning a reach of the peace...

H. L. MacPherson, writing in the Windsor Star, ob-rves that "preventive arrest. . . has a wider applica-on than most persons suspect, even where civil rights are ost hotly defended." He concludes, however, that pre-entive detention "would never go over in this country" ecause "someone would shorten it to 'thought control' nd it would die trying to get past that term." It would e comforting if we could all share Mr. MacPherson's con-idence on that point, but as he points out in his article here are already operative many devices which closely esemble "preventive arrest" and which many persons re-ard as "good common sense." He cites the removal from irculation of known pickpockets on the occasion of events ertain to bring people together in swarms and the hold-ng of cranks for investigation when some celebrity who s a centre of controversy makes a visit.

There are other instances, too. We have today such multiplicity of laws that it is almost impossible to avoid ome trangressions. The reason why most of us escape eriodic appearances before the bar of justice is not that e lead such law-abiding lives but that many laws are ever rigidly enforced. But they are there to be en-orced if the authorities desire to do so. And sometimes hey do so desire, not because they are overly concerned with the infraction of the specific law as because they are ager to prevent or eliminate some other occurrence gainst which there is no law or, if there be a law, regard-ng the infraction of which they have no adequate evi-ence. This gives the police arbitrary powers. That hey so rarely exercise them is to their credit. That they o exercise them upon occasion is not so much their fault s the fault of the law-makers who, either by error or by esign—and too frequently it is by design—framed the aws in such a manner as to make possible their arbitrary use.

The citizen has no redress in such cases. In most nstances, as pointed out, he is guilty of an infraction f some law, customarily more honored in the breach than n the observance.

Even where no law has been broken, the citizen is owerless. "Modern states," in Mr. MacPherson's words, "which occasionally like to practise preventive detention n suspected criminals do it without benefit of law. By he time habeas corpus can be invoked, the need for de-taining the suspect has passed."

"Preventive detention" as Mr. MacPherson points out, suggests foresightedness. It is easy to accept it as desir-ble, because necessary. But if we associated it in our minds with another deceptively soft phrase which was popular in Germany in the days of Hitler's regime, "pro-tective custody" we might be more likely to stand firm against its use under any pretext.

OMINOUS SOUNDS FROM EGYPT

Ominous sounds are coming out of Egypt in connection with France's removal of the sultan of Morocco and the substitution in his stead of a relative.

The French say they acted to prevent bloodshed, that it was evident Moroccan chieftains would have got rid of the reigning sultan in any case. But leaders of Islam in Egypt are angry. Real reason for their wrath appears to be that the deposed sultan had encouraged the independence party in his country. The Arab world is today being swept by a rising tide of nationalism. Its ultimate results may be far from deplorable, but like all such movements it has its fanatics. Egypt, now in the throes of trying to throw off the last vestiges of British control, is naturally sympathetic to Arab nationalists in any country. That, to the Egyptians, is good and sufficient reason for calling for a crusade against the French.

Could there, however, also be some element of remembrance of the manner in which the Suez canal was built? Control of the Suez is now the primary objective in Egyption foreign policy. It is the British who now stand guard over this vital waterway—but it was a Frenchman who first proposed it and another Frenchman who built it. Napoleon gave the idea birth. Ferdinand de Lesseps translated it into a fact. In 1854 he obtained from Said Pasha, viceroy of Egypt, the exclusive privilege of building such a canal. In 1858 he was able to form a company for that purpose, with half the shares being taken in France, a fourth in Egypt and only a few in Britain. It was not until 1875 that Britain bought from the viceroy his interest in the canal. Later the British obtained fuller control. But is it just possible that some Egyptians with long memories still remember that it was the French, and not the British, who initiated this project? And do they now see an opportunity to embarrass that nation?

AVOIDING A DIOSPYROBEZOAR

We are all warned constantly about things we should not do. The warnings are meant for our own good. Trouble is that most of them are too hard to heed.

But here comes a warning that is different. The American Medical Association passes along the solemn advice that eating young, unripe persimmons may cause a diospyrobezoar in the stomach requiring surgical removal.

There's a warning that should be easy enough for the weakest of us to follow, saving the persimmon crop from early inroads and our stomachs from a diospyrobezoar.—(Milwaukee Sunday Journal.)

JUST FOLKS

By EDGAR A. GUEST

(Copyright, 1953, Edgar A. Guest)

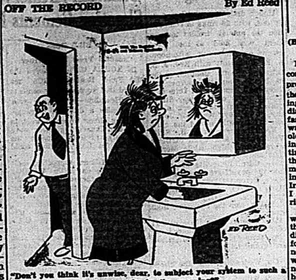
FARMER'S KNOWLEDGE

Being city born and city bred
With never a meadow green to tread,
With only words and type concerned
There is so much I've never learned.
Now, as their premium lists I view,
What farmers know I wish I knew.

Today there came the state fair book
Through which I found it joy to look.
Once more my interest was stirred
By breeds of which I'd never heard,
With prizes offered—to be brief—
For cattle—dual purpose—beef.
That great department classed as "swine,"
If asked, as "pigs" I would define.
But "oic boar" and "oic sow"
I'd never heard of until now.
So, as I run the listings through,
What farmers know I wish I knew.

OFF THE RECORD

By Ed Reed



"Don't you think it's unwise, dear, to subject your system to such a shock so early in the morning?"

LOOKING BACKWARDS

GLEANINGS FROM OUR FYLES OF BYGONE DAYS

20 YEARS AGO

August 24, 1933

Mr. Ernest Morden, of Chicago, is visiting friends here.

Miss Bessie Wallbridge, of Massassaga, is the guest of Miss Beatrice Jones, Dundas Street East.

Mr. and Mrs. Fred McCarney have returned to Brockville, after visiting friends here.

Miss Doris Blaind spent yesterday in Rochester, N.Y.

Mr. and Mrs. Charles A. Ostrom, Mr. and Mrs. George Pauley, of this city, and Mr. and Mrs. Clifford Ostrom of Windsor, Ontario, spent Wednesday afternoon at Mr. J. Thrasher's camp at McDonald Landing, near Foxboro.

Mrs. Murray Denike is visiting Mrs. Jack Williams, Niagara Falls, Ontario.

Mr. Fred Mullett, of Puebla, Colorado, is visiting friends here after an absence of many years.

30 YEARS AGO

August 24, 1923

A radio inspector is in town today inspecting amateur radio sets and issuing licenses.

This was one of the coldest August day experienced in many years according to oldtimers. The lowest temperature for the day was 48 degrees and the highest 63 degrees.

Mr. and Mrs. William Ibey and family, and Mr. and Mrs. Herman Ibey motored to Oshawa, on Sunday and visited Mr. William Ibey.

Mrs. Keeley and son, Glen, of Lowville, N.Y., are visiting her cousins, Mr. and Mrs. Colden, Hillcrest Avenue.

Mr. and Mrs. F. Pritchett, of London, Ontario, motored to this city yesterday and are guests at the home of Mr. Geo. O. Tice, John Street.

Mr. and Mrs. B. R. Modeland of Winnipeg, are visiting the former's parents at their home on Charles Street.

Mr. and Mrs. B. Campbell and family, are spending some time at their cottage on the bay shore near Massassaga.

40 YEARS AGO

August 24, 1913

At the close of the meeting of the Belleville Cheese Board the members were photographed in a group in front of the city hall by a government photographer from Ottawa.

Mr. Harry Bronson has returned to his home at Hillier, Prince Edward County, after visiting friends here.

Mrs. George Barlow of this city, is visiting her daughter, Mrs. James Nayler, in Madoc.

Mrs. Fred Arber and son, Sydney, of Tweed, are visiting Mr. and Mrs. Tague in this city.

Mr. and Mrs. Charles King, of Chicago, Ill., are visiting Mr. and Mrs. Frank Elvins, Herchimer Avenue.

Mr. and Mrs. King and two daughters of Clayton, N.Y., were recent guests of Mr. Hiram Ashley, Everett Street.

50 YEARS AGO

August 24, 1903

Mr. A. W. Robertson, of Montreal, is spending a few days in town and is stopping at Hotel Quinte.

A large number of our citizens went to Rochester on the boat Saturday night.

Mrs. L. W. Yeomans has returned home from the Sand Banks.

Mr. Robert Mathison of the D. & D. Institute has returned from Old Orchard Beach, where he spent some time at the sea side.

Mrs. J. W. Barlow of McDonald Avenue, is visiting her mother in Hungerford township.

Mr. John Foley is home from Boston, Mass., on a visit to his parents.

Mr. George Pearce of the Ritchie Store, has returned home from Buffalo, N.Y.

Mr. H. Harwood of Toronto, is visiting his brother, Mr. W. Harwood, Hotel Quinte.

Mr. H. A. Thompson left today for Strathcona, Northwest Territories, where he intends to reside.

THE PACKSACK

By GREGORY CLARK

How do you account for the mentality of motorists who cut in in traffic? You are driving along in a procession of twenty cars on the highway. There is not the slightest chance of passing for miles ahead. You can clearly see the parade of these ahead of you, as well as the steadily oncoming traffic. You are the last car in the procession, and, like everybody ahead of you, you are awaiting, and hoping for, a break that will allow the majority of you, who want to go a little faster, to pass whoever is at the head of the line.

A car comes up behind you at a fast clip. It slows down and creeps up close to your tail. Then, to your astonishment, it starts to edge out to pass. You glance ahead to be sure there is no chance of a pass, and wonder what the dickens is the matter with the man.

All of a sudden, he is beside you, in a brief gap in the oncoming traffic And then, brazen as brass or brazener, he begins to cut in on you. You let him in.

And there, having gained the one-car lead, he sits, mile after mile, immediately a head of you, trapped like all the rest in the procession. He makes no further attempt he wanted was not to be last. to cut out and pass. Apparently all

A highway policeman gave me an interesting slant on these people. In fifteen years, he has had to pick out of traffic a great many cutter-ins, as well as the bodies of the victims of crashes they caused. "I should have saved the statistics," he says, "but the majority of those who cut in and out of traffic have been salesmen, merchants, brokers, the kind of people whose daily business is picking up a fast buck or a few fast dimes and nickels by being nippy and beating the other fellow to a sale. Their understanding of how to get along in the world is confined to getting the jump on everybody else at every opportunity. I do not say that most salesmen, brokers and merchants are cutter-inners. But it does seem to be most of those who do cut in and out are in a line of business that consists of being on the jump for the dimes and nickels. I've also done a little phrenology on these guys."

"What was that?"

"Cutter-inners have usually either an extra skinny neck, or an extra fat neck."

England for Indians

(Vancouver Province)

Chief William Scow has returned to his native B.C., from the Coronation with the thought that B.C. Indians should "conquer" England. This seems like the completion of a cycle.

Millionaire's Plight

(Stratford Beacon-Herald)

The millionaire is a man who travels between his air-conditioned home and his air-conditioned office in an air-conditioned car, then pays to go over to the steam room at the club and sweat.

Prices in Ireland

(By RICHARD L. THOMAS, writing to the Windsor Star from Belfast, Ireland.)

Relative values are always a complication. How acute the problem is may be guaged by the thousands of people who are trying to find out, from the Canadian Immigration Offices in Belfast the real value of Canadian wages. Very often we hear the older men in the community telling us that when they were getting half the present day wages they could buy three times as much—and the problem of turning dollar purchasing power into Irish standards is not easy—but I have greatly admired the integrity of the men trying to do it.

As explained to one woman it was not only purchasing power that had to be considered but differing needs—not just so much food, so much for clothes but the need for more expensive and warmer clothes in Canada, the need to spend much more on heating the home and generally higher standard of life. "Item for item," said one clerk, "I could probably prove to you that Canadian living is about the same as Ireland and the wages are very much higher—but that is not all the story. You would want more fuel, more clothes and so on. Comparisons are not simple."

• • •

But it gave me the idea that maybe Canadian housewives would be interested in knowing what their cousins over here have to pay for things, so with a calculator to enable me to turn pounds, shillings and pence into dollars I went on a walk around the shops to pick out a few things which are likely to be common to both places, from oranges to suits and car fares to rent.

I started at a fruit shop where I was asked the equivalent of 5 cents for a medium sized South African orange and four cents for a Belgian Congo banana. Australian apples were around 17 cents a pound. Potatoes worked out at 1 1-2 cents a pound. The cigaret shop next door sold me 20 medium quality cigarets for 52 cents, the best brands go up to about 75 cents for 20. A decent tobacco costs around 62 cents an ounce—but all tobacco products are largely tax-gathering. The chancellor of the exchequer told us the other day that about 12 cents represented the cost, distribution and profit of the tobacco merchants for an ounce; the remaining 50 cents we have to pay is tax.

• • •

A pint of beer will cost you 15 cents, a nip of whisky will cost you around 30 cents depending upon the hostelry and the size of the nip. A bottle of whisky will cost you about $5.50—but again the tax-gatherer collects around 80 per cent of what you pay. The best seats at the talkies, complete with 3-D spectacles, will cost you about 65 cents but you can get in to the front stalls before 3 p.m., in the afternoon for 15 cents. The tax man takes about 40 per cent of this. The legitimate theatre with a good live play will charge you $1.25 for the best seats down to 30 cents for the late doors at the gallery.

The butcher will ask you to pay about 45 cents a pound for a decent cut of meat—beef or lamb, and he'll want 30 cents a pound for sausages of quality though he may be willing to sell something of comparatively doubtful vintage for 25 cents. As one candid butcher explained one should not be surprised with bread at 11 cents for a loaf weighing one pound, 14 ounces. Incidentally it seems as though that one pound, 14 ounces has come to stay. Originally it was the standard two pound loaf but its weight was decreased during the war to try and reduce consumption and prevent a price rise. Milk costs us eight cents a pint and cream 25 cents for a quarter of a pint.

• • •

Incidentally when you go shopping the minimum car fare is the equivalent of 3 1-4 cents and the average transport cost is around three cents a mile. A telephone call from a public kiosk costs four cents. It will cost you about $19 a year to have a telephone in your home including about four local calls a week. Over that you will have to pay around two cents a call. It costs me 60 cents to telephone London around 350 miles away from Belfast.

Men's suits are difficult to compute. Quite a good garment in a multiple tailor will cost $25 but the average middle class citizen patronizing a good personal tailor will have to pay from $50 to $75 for his suit and the really outstanding craftsman using the best possible material will expect to receive (and get) $150 for a superlative suit. A woman will get a good tailor-made costume according to quality and making from $22 in a multiple tailor to around $80 in the shop of a craftsman. She can pay up to $150 but she won't get the equivalent value of a man paying the same price.

• • •

Taxis over here cost around 20 cents a mile and the private car owner will have to pay 65 cents a gallon for his petrol (gas to you) of which more than half goes to the tax-gatherer. He will also have to pay an average price of about $37 in road tax to have the right to run his car on the highway.

But perhaps you are getting a little tired of comparisons and wondering whether you are better off or worse off—so maybe you will want to know that the average wage over here is in $25 a week class—with unskilled laborers around $20. An average medical man—general practitioner—considers he has a reasonably good practice if it brings him $3,500 a year. Some are down to about $2,000 and some are up to $6,000 and as far as you are concerned they'll charge you $1.50 a visit.

We are still rationed on coal and can get a little less than three tons a year and that will cost us $25 a ton which we regard as astronomical and the average family cannot afford to buy its ration. Electricity costs us about two cents a unit and a unit will keep an electric iron going for about 1 1-4 hours.

Finally if you want to buy a house—the sort the local authorities are building with three small bedrooms, a bathroom, a living room and a kitchen with a small block of land, (10 houses to the acres) it will cost you about $4,900. You will be expected to pay about $440 down and the balance at five per cent over 20 years—which works out somewhere in the vicinity of $5.50 a week.

Champion Worm-Puller

(New York Herald-Tribune)

The worm is not generally regarded as a very delectable article but, like everything else, it has its uses. One of them is to be affixed to the end of a fishhook in furtherance of the piscatorial art. Fish, for reasons that only a fish could explain, are attracted by worms. This discovery has been of incalculable benefit to mankind for generations, and it has been put to especially good use by Mrs. Claire Burns Hudler, of Mount Tremper, a community near Kingston, N.Y.

Mrs. Hudler claims the title of champion worm-puller of the Catskills, and there probably are few who would dispute it. That worm-pulling should be such a precision occupation is one more indication of the increasing specialization of our times. The equipment is quite simple—a flashlight, a bucket, and a dextrous forefinger. But like any other art, it is a matter for experts, as the amateur who has come back from similar hunts with no worms, or half a worm, can well attest. The worm is a creature of habit, one of which is to come out crawling on rainy nights. This is when Mrs. Hudler goes into action, and her average take is reported at 30,000 worms a summer, all of which are sold to fishermen. These are a lot of worms, but there are a lot of fish in the world, and probably even more fishermen. Once the anglers realize the sport and the profit Mrs. Hudler finds in fishing for worms, they may even decide to take up the pastime themselves, and leave the fish strictly on their own.

Cake-Eater Criticized

(Edmonton Journal)

A strong protest is in order against the deception practised upon the people of Waterloo, Ontario by George Hees, M.P., for Toronto-Broadview.

In the course of the election campaign, Mr. Hees promised to eat his shirt if the Progressive-Conservatives failed to carry Waterloo North. They didn't, and the pledge fell due. Accordingly, Mr. Hees appeared on the city hall steps, before a large crowd, and ate what appeared to be a folded shirt, fresh from the laundry.

Now it appears that it wasn't a shirt at all, but a white cake, specially baked to look like one.

This is a grave dereliction of duty. All the leading experts on ethics agree that when a member of parliament undertakes to eat his shirt, he must eat his shirt. No excuses can be accepted.

Admittedly he has a right to select the particular garment; no one can blame him for preferring a light, tasty nylon to a woollen "lumberjack." Some authorities even concede that he may remove the buttons first. But honor requires him to devour a shirt, and nothing but. To munch a disguised cake instead is a gross breach of trust, to his constituents—and especially to the innocent children who have assembled to see him choke on the collar.

It's things like this that undermine public faith in democracy. Just such betrayals may have led to the triumph of the "shirtless ones" in Argentina.

Personal Health Talks

By DR. WM. BRADY

THE HORSE DOCTORS TELL US WHAT'S WHAT

An Atlanta newspaper quotes the Georgia State Public Health Veterinarian's statement:

Dr. Brady

"Rabies control involves removal of stray dogs from the streets and the vaccination of all dogs."

The veterinarian asserted that the best way to protect your dog —and yourself —is to innoculate the dog. More than a third of Georgia's 600,000 dogs have been vaccinated.

The veterinarian said that even though the biting dog has been vaccinated it should be confined under a veterinary's observation for a week, for even a vaccinated dog may have rabies ("go mad," the veterinary said).

After a column or so of this magisterial advice, the veterinary began to feel pretty cocky. He brushed aside the health officer, if any, and said the last human fatality from rabies was about two years ago when a young man died after a rabid dog bit him. The veterinary explained that the young man died because he did not think it was necessary for him to take anti-rabies treatment.

When Doctors of Medicine administered public health in Georgia, T. F. Sellers, M.D., concluded from his thirty years of experience in the state health department, that anti-rabic vaccine (popularly called Pasteur treatment) was not harmless and that it had caused more deaths than had rabies when given to persons only indirectly or remotely exposed.

Now back to Birmingham — a newspaperman informs me that I am not popular in that neck of the woods—for a review of an authoritative opinion on the rabies question published in a report by the health officer and the head of the laboratory of Jefferson County Health Department (Birmingham is the principal city in the county), giving conclusions these authorities reached after many years of experience in dealing with rabies and rabiphobia in what they said has been called the "rabies capital of North America." Here are some of the conclusions:

3. In this region there appears to be little relation between mortality from rabies and the administration of anti-rabies vaccine (Pasteur treatment).
4. Aside from actual bite or scratch, circumstances of exposure rarely warrant vaccine treatment.
5. When considering the advisability of treatment for exposures other than an actual bite, the possibilities of vaccine paralysis or other serious complications should be considered.

If I were scratched or bitten by an animal that physician, veterinary, health officer or laboratory pathologist believed to be rabid, I'd have no anti-rabies "vaccine," virus or so-called Pasteur treatment.

The proper way to treat any such wound, I believe, no matter whether the human being, animal or bird inflicting the wound has rabies or not, is immediate surgical disinfection of the wound and an mmediate injection of tetanus antitoxin or toxoid, and a second injection 5 to 7 days later. That's all. Danger of getting rabies? Tell that to the marines. Cauterize the wound? That would be criminal malpractice. Ask any surgeon.

TODAY'S TALK

By GEORGE MATTHEW ADAMS

I SEE A SHIP LAUNCHED

Through the kindness of my friend R. J. R. Nelson, affectionately known as "Bob" by multitudes, I recently witnessed the launching of the Anti-Submarine Escort Vessel H.M.C.S. "Saguenay" at the Halifax, Nova Scotia, shipyards. It was a most interesting event, one that I had never before witnessed.

There were Navy boys, notables aplenty, and dozens of medaled officers. Mrs. W. W. Porteous, a charming local woman, wearing a lovely corsage of roses and a smile that radiated from her face, did the champagne launching act, and there were cheers as the graceful hull slipped noisely into the harbor. There were prayers offered and hopes were in the hearts of thousands, I am sure, that this new defender of freedom might never be called upon for actual warfare —but she would be ready for any event, when fully completed.

Essential as it is that a nation should always be ready to defend herself and the ideals bred within her, peace and good-will among all nations are the objectives of the free world. As I stood and heard the talks given, and watched that mass of steel and machinery leave for its final trimmings, I silently prayed in my heart that it would always be a means and messenger of peace.

Some of the other thoughts that came to me were: Why all this increasing armament among nations? Could not the hugh amount of money be spent to build a better world on good-will and not war and destruction. President Eisenhower recently stated that the cost of one great modern jet plane could build housing for a small city of 6,000 population. Think what it would mean to every nation in the world if they could only negotiate their differences around the council table and save all this waste and tragic loss of life and wealth.

Why does it take so long for the world to get on the one road to happiness, and to learn the meaning of genuine civilization? Let us pray that that road soon may be discovered.

Strength for the Day

DR. EARL DOUGLASS

BIG SOULS

Two men, a distinguished physician and a college professor, were speaking recently about their very elderly fathers who were still living. Both these fathers are ministers. The doctor declared, "My father has a serenity of mind I have never seen in anyone else. His faith really works." The college professor said, "I regard my father as one of the most remarkable men I have ever encountered. He has held only small churches, but his range of interest has been extensive, his enthusiasms have never abated."

Some of the men who make the headlines are truly great men. Their names will be inscribed on the scrolls of history. But certainly niney-five per cent of all the people who occupy great positions today will be forgotten with a decade or two. One of the presidents of the United States during the last century, who lived to be a very old man, was utterly unknown in the last days of his life.

But there are "little people" whose influence will go on for centuries. There are pastors of little churches whose kindliness, truth, and spiritual perception have been such that people years hence will call these men blessed.

Little people are often truly great people, and it takes people of real depth of mind and spirit to recognize and appreciate them.

Britain Buying Little Wheat From Any Country

The following review of Britain's position in the current international wheat market is by Sydney Gampell, Reuters financial editor. It reflects the viewpoint of British importers.

By SYDNEY GAMPELL

LONDON (Reuters)—Britain is buying very little Canadian or any other wheat at present because the millers are already covered for the bulk of their requirements up to or beyond the end of this year.

Seeing a worldwide glut of wheat which is overwhelming, they are in no hurry to buy the small remainder of their needs.

The link of all world wheat prices to the high United States support price may prevent much further fall. But as there is little to indicate that prices can rise, nobody in Britain or any other importing country feels any hurry to buy.

Find Own Level

One of Washington's latest ideas is said to be to confine the supports to wheat used for food inside the United States, leaving export wheat prices to find their own level. If anything came of this idea, export prices could fall far below the present level. Britain then would have some advantage for having quit the International Wheat Agreement.

In free export competition between the U.S. and Canada and other supplying countries, wheat, in its present glut, would probably be unsalable at the agreement's minimum price of $1.55 (U.S.), and Britain would be the only importing country without an obligation to take it at that price.

For the present, this idea is academic. Britain's abstention from the agreement has probably little to do with bringing about the present position.

No Slashing Of Price

For whatever little they can sell commercially, there is no indication that the North Americans intend to slash their price. However small the export market may be, they are not convinced that it would be correspondingly larger, or any larger, if they cut their price.

But American official utterances indicating that there may some day be a freely competitive price for export wheat are an additional reason for not hurrying to buy it at what importing countries regard as a cartel price.

With the British home-grown crop and the releases of imported wheat from the government's stocks, millers in Britain are already covered for two-thirds of all their requirements up to the end of 1953 without buying any wheat abroad.

As they have bought some—six cargoes of Australian and about the same number of Canadian from Port Churchill—they are more than two-thirds covered.

Five Missing Overnight Found Near Kingston

KINGSTON (CP)—Five persons missing overnight in a motor cruiser on Lake Ontario were found Saturday drifting near the mainland. The discovery ended a lake and air search.

The five, a doctor and four nurses from Kingston's Hotel Dieu Hospital, were trying to paddle the disabled boat to shore when they were spotted by Mrs. E. T. Driver of nearby Collins' bay, out in her own boat.

Dr. Maurice James said his party went swimming off an island Friday evening but when they tried to come back they found the motor wouldn't start. He and the four nurses, Ann Deegan of Smiths Falls, Kay Devine of Cobden, K. McAuley of Marysville and Norma McEwen of Cornwall, spent the night in an abandoned cottage.

Private planes and aircraft from the Trenton air base took up the search along with motor boats when the five didn't return. They started out trying to paddle the cruiser and travelled for more than two hours before being sighted.

Report Queen May Make Duke Of Churchill

LONDON (AP)—The mass circulation Sunday Pictorial said Sunday the Queen is thinking of offering Prime Minister Churchill a dukedom to ease him into retirement from public life.

If he accepted, the ailing 78-year-old statesman would become a member of the House of Lords.

This would be the end of his political career, because the job of prime minister is traditionally filled by a member of the House of Commons.

Moroccan Civil War Threat Recedes

The deposition and exile of Sultan Mohammed Ben Youssef of Morocco indicate a complete victory for El Glaoui (left, top,) Pasha of Marrakesh and leader of Morocco's 4,000,000 Berbers. Pictured with him are Sidi Moulay Mohammed Ben Arafa, uncle of the sultan, who was installed as sultan, and Sheriff El Kitani. At bottom, Berbers march in Marrakesh in support of the new sultan after he replaced Youssef. The Berbers, who had assembled from their villages and were prepared to fight, withdrew from Rabat and Marrakesh when Youssef accepted exile. — Central Press Canadian.

Rockettes Dread Attracting Individual Attention on Stage

By SAULT PETT

NEW YORK (AP)—Other chorus girls may dream of dancing so well and smiling so radiantly their personal glow will overwhelm the Hollywood scout sitting in eighth row centre.

But not the Rockettes. While not averse to stardom, they have a dread of attracting individual attention on stage. Too often that would mean they were out of step. Their job is to look alike, dance alike, smile alike.

As a result, the average Rockette has become one of the world's most famous nonentities. She dances before 8,000,000 people a year at Radio City Music Hall. As a New York tourist attraction she ranks with the Statue of Liberty, the Empire State Building and Broadway's bright lights. But no fame ever involved more anonymity.

Loss of stage identity goes with this job of giving the audience the illusion of watching 36 smiles and 72 legs perform as one, whether they're tapping, kicking or wheeling, in formation around the block-long stage.

The girls work seven days a week for three weeks and then get the fourth week off. For that reason, there are actually 46 Rockettes, 10 to take up the slack when the others are being rotated.

The girls do four shows a day, beginning after noon and ending about 10 p. m. Between shows they have only about two hours—less than that when they're rehearsing new performances. They spend this time in their dressing rooms or lounging on the A deck.

Few Make Big Jump

While the Rockettes proudly regard their line as tops in the field, they don't look on their work as a stepping stone to bigger theatrical jobs because of their stage anonymity. Few have made the big jump to outstanding solo work. Among the exceptions are Vera Ellen, Lucille Bremer and Adele Jergens.

Most Rockettes retire after a few years in favor of marriage. Many return to the towns they came from, marry, raise a family and run a dancing school.

The Rockettes range in height from under five feet-four at the ends of the line to five-feet 7½ in the middle. This gives the audience the illusion of watching girls of exactly the same stature.

In any one show, the Rockettes usually aren't on stage more than six minutes. After the first week of a new production, they generally can perform mechanically without thinking about their intricate movements.

Thus, while they're wearing their set smiles and kicking high, the Rockettes are apt to be thinking of when they will do their laundry, whether their boy friends called backstage or did the diaper service come on time. There are two mothers in the line.

The average Rockette today is in her early 20s. Two are considerably older, having danced with the troupe since it opened at the Music Hall in 1932. But nobody will tell you who they are or how old they are. The Music Hall is touchier about this than the Russians are about their atomic factories; the public must never imagine that a Rockette ages.

Biggest Prize in Quiz History

The largest cash first prize ever awarded in any contest anywhere — $307,500 — was won by Herbert J. Idle of Chicago, Ill., who received the prize for answering correctly the questions in the 1951 puzzle-quiz contest sponsored by the Unicorn Press. Here, Mr. Idle holds the cheque and smiles happily, even though the taxes on the "income" will cut the amount to about $80,000. —Central Press Canadian.

Three Knocked Out

OLIPHANT, Ont. (CP) — Three vacationers were knocked out Saturday night when a sailboat mast touched a high-tension line.

Murdock McKenzie of Oliphant was the most seriously hurt and had to be revived with a heart-muscle injection by another vacationer, Dr. Harry Livingstone of Listowel. McKenzie's companions, also injured, were William Allan of Stoney Creek and Stewart Callahan of Hamilton.

The three were raising the mast on the sailboat near this Bruce peninsula village when the steel guy wires touched a 2,200-volt line.

Rain Aids Check Quebec Bush Fire After Flare-Up

FORESTVILLE, Que. (CP)—Nature put her own damper—1-5 of an inch of rain—on forest fires in this area, relieving tension and giving fire-fighters an opportunity to consolidate their lines and prepare new fire-breaks.

More rain is forecast for the region today and, though the weather was clear and sunny this morning, a humid northeast wind swept in from the St. Lawrence river, 30 miles wide at this point.

"There are no flames in the forest area this morning, only smoke," a forest protection official said, "and the men are in good humor again. We expect more rain during the day."

Intermittent light and heavy showers fell Sunday and though officials said the fires were not completely under control, the rain had enabled them to contain the outbreak.

Wind Feared

A high wind could wreck the tired battlers' attempt to control the blazes, but without the rain, flames would have swept closer to Ste. Therese du Colombier and Canton Latour, which earlier evacuated 191 women and children.

An official said:

"When three inches of rain have fallen I will sit back and relax—but not until then."

A United States rain-maker, who has been attempting to produce rain by seeding clouds, was credited for part of the rain fall.

Leave Villages

Saturday, the fire, which was believed subdued, lashed out anew and 53 persons from Canton Latour and 13 from Ste. Therese were taken by bus and truck from the district.

The two tiny communities are east of this St. Lawrence river north shore town, about 200 miles east of Quebec.

Red Cross crews said the evacuees were taken to Ste. Anne de Portneuf, a few miles west of here.

20 Yards From Homes

At Canton Latour, at one time the blaze was as close as 20 yards to homes and a stable was razed. No other losses were reported.

About 600 volunteers are fighting flames on all fronts while 100 of the fire-fighters are concentrating on protecting the two villages.

The blaze, which began Aug. 7, has burned over and destroyed an estimated 175 square miles of spruce and balsam sections.

95-Year-Old Man 'Holidays' By Cooking at North Camp

ATIKOKAN, Ont. (CP)—A 95-year-old man from Mount Forest, Ont., is spending his vacation cooking for his son's construction camp in this northwestern Ontario region.

John McLellan does a hefty day's work at the camp operated by his son Ross, but he's been working hard all his life.

He was born on a farm about six miles from Mount Forest and was plowing as soon as he was big enough. In 1903, he went to the New Liskeard area where he ran a lumber mill through floods and other troubles on the Temiskaming river.

His jobs ranged from lumbering to fire ranger and prospector. He gave his name to a gold mine near Longlac.

He tried the implement business in Mount Forest for a while but soon returned to prospecting, this time in New Brunswick where he staked a magnesium claim. He retired to Mount Forest in 1942 and came to Atikokan for his holiday about two months ago.

His formula for long life? "Live right, without tobacco and whisky, and get plenty of rest."

Marie Dionne Gives Reasons For Entering Order

TORONTO (CP)—Marie Dionne said Saturday that her admiration of the nuns who supervised her schooling was one of the reasons she decided to become a nun.

Answering questions submitted to her at Callander by the Toronto Telegram, the smallest of the quints confirmed a report that the order she has chosen is the Servants of the Holy Sacrament which has a convent in Quebec. Her decision was announced Wednesday.

Here are Marie's answers to questions the Telegram asked her:

Q. Did any one incident or experience in particular help you to make up your mind about it and reach your present decision?

A. I have had the idea for a long time; but it increased more deeply during my recent trip to the monastery. This is about the only experience in particular that helped me to make up my mind about the present decision.

Q. How did your four quintuplet sisters take the news? When did you tell them about it?

A. I told them about it before the story was published this week. They were expecting that the "break-up" would happen this year so the news was not too hard to accept. They share with me my happiness over the decision I have made.

Q. Was your admiration of the nuns who have supervised your schooling through the years one of the reasons why you have decided to lead their kind of life?

A. Yes.

HISTORIAN'S DEATH LEAP

PHILADELPHIA (AP)—Nathan Goodman, 54, historian and authority on Benjamin Franklin, plunged more than 80 feet to his death Saturday off a bridge over Wissahickon creek. No one saw him fall, but his wife, Julia, told police he had been depressed for some time as the result of an illness. Goodman was literary editor of the Atlantic City (N.J.) City Press from 1928 to 1931.

Rouyn Fire Threatens Residential Section

This fire in a woodworking factory at Rouyn, Que., caused scores of nearby houses to be evacuated as flames shot 500 feet in the air and showered sparks for blocks around. Residents in nightclothes, fearful that the blaze would spread, hauled their belongings from their homes and sprayed walls with water. Damage was estimated at $250,000. — Central Press Canadian.

'Good Times' Cause of Defeat Say PC Members

LONDON, Ont. (CP)—The men who carried the Progressive-Conservative standard in Western Ontario compared election notes here Saturday and put their party's resounding defeat down to "good times" and the effectiveness of the Liberal campaign.

New and re-elected Conservative MPs and candidates who lost out in the Aug. 10 balloting met informally.

One informant called the closed-door session a sort of "soul-searching." About 18 of the 23 Western Ontario ridings were represented. PC candidates were elected in 10 of the 23.

Although no minutes were kept, no resolutions passed, it was generally agreed that Conservative chances in the next election will be better if there are more such get-togethers.

The question of party leadership was not discussed, one informant said.

Weddings

McGARVEY—McCANN

A pretty wedding was witnessed at St. Andrew's United Church, Marmora, Saturday afternoon, August 15, when Muriel Audrey McCann, daughter of Mrs. John McCann, of Malone, and the late John McCann, was united in marriage by Rev. K. J. Crawford, B.A., B.D., to Delbert Roy McGarvey, son of Mrs. Matthew J. McGarvey, Marmora, and the late Matthew J. McGarvey. The church was prettily adorned with gladioli and phlox.

Wedding music was played by the organist, Mrs. A. F. Fraser and during the signing of the register, Mrs. L. R. Rundle sang "Because".

Given in marriage by her brother, Garnet McCann, the bride was becomingly attired in a gown of white Chantilly lace over satin. Her veil of tulle illusion was in halo shape and caught with sequins. She carried a bouquet of red roses and stephanotis.

Her attendants were her sister, Mrs. George Reeves and Mrs. Joyce Fox, cousin of the bridegroom.

They were frocked in green brocaded taffeta and yellow nylon over taffeta with matching headdresses. They carried bouquets of yellow and mauve gladioli in crescent shape.

The best man was William McGarvey, of Peterborough, brother of the bridegroom. Orville McGarvey, another brother, and George Reeves, discharged the duties of ushers.

After the ceremony, a reception was held at the home of the bride's mother, who received in a gown of navy sheer with navy hat and corsage of pink roses. The bridegroom's mother, who also received, wore a rose crepe gown and white hat, with corsage of white chrysanthemums.

Later the bride and bridegroom left for a trip to Niagara Falls and points east. For travelling, the bride wore a blue nylon net dress with white accessories. They will reside in Marmora.

MACDONALD—ROSE

Varied gladioli with asters and zinnias formed the setting in Scott's United Church, 6th concession of Sidney, where Rev. H. H. Hillis, former pastor of the church, assisted by Rev. H. Dovey, present pastor, officiated at the double-ring ceremony of Rhea Arlene, daughter of Mr. and Mrs. W. H. Rose, of Frankford, and Harry Laverne MacDonald, son of Mr. and Mrs. Davis MacDonald, of Frankford, at 4 p.m., on Saturday, August 15. Scott's United Church was the former church of the bride.

The wedding music was provided by Mrs. Bert Martin, A.T.C.M., of Corbyville, aunt of the bride. Mr. William Aylesworth was the soloist, and sang "O Perfect Love", before the ceremony and "Because", during the signing of the register.

The bride, given in marriage by her father, wore a full-length gown of white Chantilly lace and net with bolero effect, with long sleeves pointed over the hands. The fingertip veil of English silk net and lace, was held in place by a matching halo. She carried a cascade of red roses.

The bridesmaid, Mrs. N. H. White, of Roslin, sister of the bride, wore a floor-length gown of mauve Chantilly lace and net with bolero effect and matching mitts. She wore a halo of matching flowers and net and carried a nosegay of yellow and pink carnations.

Mr. Harold MacDonald, of Frankford, brother of the groom, was best man. Messrs. Carl Rose, of Frankford, brother of the bride, and Carmen Nelson, friend of the bridegroom, acted as ushers.

The reception was held at the Frankford Community Hall, which was decorated with pink and white streamers, white wedding bells and floral arrangements of varied colored gladioli, zinnias and asters. The 73 guests were received by the bride's mother, wearing a street-length dress of mulberry taffeta and lace with navy accessories and a corsage of yellow roses. The bridegroom's mother assisted, wearing a street-length dress of wine nylon lace over taffeta with white accessories and a corsage of yellow roses. A guest book was provided in which all the guests were requested to sign for a memento of this happy occasion.

After the signing the guests were shown to their places by the bride's father, Mr. W. H. Rose.

Rev. H. H. Hillis proposed the toast to the bride and groom, and the Rev. H. Dovey proposed the toast to the bride's and groom's parents. After the reception, the guests were invited to the home of the bride to view the many and beautiful gifts received by the young couple.

For the wedding trip to Nova Scotia and Eastern United States, the bride donned a mauve suit with white accessories and corsage of yellow roses. On their return, Mr. and Mrs. MacDonald will reside in Frankford.

The groom's gift to his bride was a cabinet of silverware in daffodil design. The bride's gift to the bridesmaid was silverware and to the best man, ushers, soloist and photographer, monogrammed gold-filled tie clips.

Pictures of the wedding and reception were taken by Mr. Norman White.

Out-of-town guests were from Toronto, Oshawa, Picton, Madoc, Belleville, Foxboro, Corbyville and Frankford.

COLDEN—McGEE

A pretty, but quiet wedding was solemnized on Saturday, August 15, at 2:30 p.m., in St. Thomas' Anglican Church, Belleville, when Muriel Ilene McGee, of Stirling, daughter of Mr. and Mrs. Harold McGee, became the bride of Carman Martin Colden, of Harold, R.R. 1, son of Mr. and Mrs. Edward Colden. The Rev. Canon J. B. Creeggan, rector of Christ Church, officiated.

Given in marriage by her father, Mr. Harold McGee, the bride was attractively attired in pale blue organza fashioned in ankle length with strapless fitted bodice and matching jacket. She wore a halo of seed pearls, and carried a shower bouquet of pink roses and baby's breath.

Miss Shirley Ellis, of West Huntingdon, attended the bride, gowned in rose shaded organza similar in style to that of the bride. She wore a matching headdress and carried a bouquet of roses.

Mr. Gary Colden, of Harold, R.R. 1, brother of the bridegroom, was groomsman.

At the reception which was held at Lattimer's Town Room, the bride's mother received, wearing navy and white sheer, with white accessories and corsage of pink Sweetheart roses. She was assisted by the bridegroom's mother, who was gowned in grey and white sheer, white accessories and similar corsage.

For motoring through the States, the bride chose a pale green shantung ensemble with white accessories and corsage of pink roses. Mr. and Mrs. Colden will reside in Springbrook upon their return.

Women's Institute

PINE GROVE W.I.

The August meeting of Pine Grove Women's Institute was held at Mrs. B. Kuglin's home with the president, Mrs. H. Detlor, presiding and 13 members and two visitors in attendance.

The topic of the evening was "Canadian Industries", under the convenership of Mrs. W. Slater.

Unless changed later, the Extension Service, "Dressmaking, Part I", will be held, January 25-29, 1954.

An "Heirloom" exhibit is requested for the Belleville Area Convention which is to be held in the Masonic Temple, Belleville, October 26-27.

It was decided to make a donation to the Greek Relief Fund.

Program

The program was as follows: "Canada as the World Sees Us", by Mrs. H. Coulter; "They're Carving a New City Out of the North," by Mrs. L. Finkle. This article told of the development for producing aluminum at Kitimat in northern British Columbia. "Bancroft Uranium Development," by Mrs. A. Finkle; "Pyrotenax Co. Electric Cable Plant at Trenton," by Mrs. W. Slater.

This is a $1,000,000 manufacturing unit of the Pyrotenax Company, an English manufacturing company, which came to Toronto from England four years ago, deciding to build a plant at Trenton about a year ago.

Current Events were given by various members, one of whom had attended the Shakespearean Drama Festival at Stratford.

At the close of the meeting, refreshments were served and a social time enjoyed.

Talk About Shorter Skirt Lengths a Little Premature

By MURIEL NARRAWAY
Canadian Press Staff Writer

LONDON (CP)—Relax, ladies. It looks as though all that alarmist talk about skirt lengths going back to flapper days may have been a little premature.

Those who really know their fashions say the so-called short-skirt decree, said to have come straight from the high priests of couture in Paris, was just a newspaper pipe dream.

The fuss apparently started when first reports of the Paris shows played up the angle of skirt lengths. London news editors, scenting a catchy headline, promptly suggested the shorter skirt would plunge women back into the dark days of the 1920s, with kneecap lengths and shapeless "flapper" clothes.

Ran Opinion Poll

One enterprising paper summoned a model with shapely legs and portrayed her in poses calculated to show what the alleged abbreviated skirt would do for gals with graceful gams. Another paper ran a public opinion poll on skirt lengths.

Soon the reaction set in. The fashion writers came back from Paris and descended on Fleet street with murder in their eye. The trade journal World's Press News said "factual and balanced reports" of the shows had been slanted to play up the flapper angle.

Lyn Curry, fashion editor of the trade paper Fashions and Fabrics accused editors of juggling with matters "vitally affecting an industry with a turnover of millions, and involving the livelihood of many thousands of people."

An Incidental

Newspapers, she claimed, overrode "the good, sincere work of trained fashion reporters" to play up short skirts.

The new skirt, the fashion press and fashion trade noted with emphasis, was merely "an incidental" in Christian Dior's 200-piece Paris show. Its length is just three inches shorter than that of last year. It stops where the calf curves in towards the knee and is inches longer than the 1945 post-war length.

In fact, Dior has merely placed his seal on a length many women have been wearing since hems went back from ankle to mid-calf. In busy London streets at peak hours women can be seen wearing Dior's new length—without realizing it.

Long Skirts Featured

Mary Dunbar, writing in the Sunday Times, said the back-to-the-flapper-days stuff is unfounded. She said nearly every model in the big Dior collection had wide shoulders and an exaggerated bosom, bearing no resemblance to the sack-shaped, boyish flapper dresses with straight back, bosomless front and sloppy shoulderline.

A good indication that the short-skirt scare is at least premature is provided by the longer skirts featured by all other well-known couturiers in London and Paris. Royal designer Norman Hartnell commenting on the clothes the Queen will wear on her tour of Australia and New Zealand, said there will be no Dior hemline.

"The Queen's dresses will be an elegant mid-calf length. Much the most graceful for women's skirts," said Hartnell.

First Reaction to Shorter Skirt by Dior Startling

By PEGGY MASSIN

PARIS (Reuters)—Are women going to accept Dior's shorter hemline?

That is the question being asked here since the Paris collections were opened at the end of July.

The first reaction is startling. But fashion experts agree that in a few months the eye will gradually become accustomed to a 16- or 17-inch from the ground hemline—although perhaps not generally as short as fashion expert Christian Dior decrees.

A truce in the battle of the hemline might be negotiated by Jean Desses, who likewise features a shorter length, but not the revolutarionary change of Dior.

Actually, it would seem that it will depend very much on the individual woman since certain houses have contrarily adopted a longer line. Balmain, Schiaparelli, Derauch and Jean Patou lengthened their skirts between one and two inches, while Balenciaga, Lanvin, and Hubert de Givenchy have left the hemline round the middle of the calf.

The over-all silhouette picture evokes adaptations of the tulip line as the outstanding trend of the season. The top heavy silhouette has sharply rounded, dropped sleeves, with emphasis placed on wide inflated bodices, undercut by the moulded midriff.

Slim Skirts Keynote

Pencil slim skirts are the keynote at Fath's. Balmain likes a sheath with side draping evolved from the waistline, or he works on V-line skirts with side flares cut on the bias. Dior introduces his "cupola line" with bell skirts cut in slender gores.

In coats, the big news is the straight bulky model made on parenthesis or cloche lines. Dior likes flat, collarless necks, with interest centered in low slung mock belts, or banded insets closed with a giant bow.

A growing trend towards shorter coats ties in with the short hemlines. Seven-eighths and three-quarter lengths have cropped up in several autumn collections.

Another trend is the tunic line. Pierre Balmain uses it in both coats and dresses with a princess cut redingote over a slim sheath skirt.

The short dancing dress finds a practical niche in the 1953 evening scene in chiffon, tulle, or any one of the novelty cut velvets.

Shoulder coverage brings up another important point for formal wear. The classic strapless decollete is all but extinct, being replaced by some type of sleeve to balance the deep-draped recolletes.

Top Career Girl Says Woman's Place is Not in The Home

By MARJORIE EARL

LONDON (Reuters)—A woman's place is not in the home, says Britain's busiest woman and top career girl.

Dame Caroline Haslett — engineer, government adviser, industrial consultant and holder of some 20 posts in addition to being president of the International Federation of Business and Professional Women—boosts the slogan "let machines do the chores."

The idea that a good housewife should be chained to a kitchen is nonsense, declares this attractive, middle-aged spinster, who began her career as a girl in a boiler-making plant.

"It's only by giving women freedom from drudgery that they can take their rightful place in the home and in the community," she says.

Though intensely feminine—which prevents her from revealing her age in reference books—Lady Dynamo, as she is called, became an ardent champion of the housewife more than 30 years ago.

Soon after the First World War, she began to spread knowledge of electrical labor - saving devices. She asked the government and electrical industry for help. They laughed at her. Today the Electrical Association for Women, which spreads such information, has 10,000 members and 50 branches and its educational programs are paid for out of government funds.

And this spring Dame Caroline, born in a tiny Sussex village, was appointed chairman of the otherwise all-male British Electrical Development Association.

Devices Needed

Every device possible to make life easier in the kitchen should be made available to every housewife, she says. "Otherwise a nation dissipates one of its greatest assets, the energy of women."

Dame Caroline adds: "Unfortunately, in many other countries the woman is considered virtuous only if she does the scrubbing herself."

Dame Caroline is as popular with men as she is with women. She remains unmarried and the great loves of her life are boilers and generators.

"I think they're magnificent," she said. "I don't have to affect a love for my work. I believe it must be because machines are so logical and precise."

Dame Caroline runs courses in electrical domestic science, directs a London office of 30 women, makes speeches all over the country and helps govern such institutions as the London School of Economics.

Made a Dame of the British Empire in 1947 for her social work, she retains a simple modesty.

"I was a dunce at school," she often tells students at lectures. "The teachers didn't know what to do with me."

Almost Succeeded

According to West Berlin authorities, Dr. Hannelore Lehnoff almost succeeded in breaking up an American intelligence organization in Germany. She is accused of tracing the numbers of cars used by U.S. counter-espionage men and checking the owners. Her arrest as an alleged spy came when an alert U.S. agent caught her trying to take a picture of him. She awaits trial. — Central Press Canadian.

Justice Minister Stresses Influence Of Women

TORONTO (CP)—The influence of women and women's organizations in shaping the life of a nation was stressed Friday by Justice Minister Garson.

He was speaking to an audience of about 12,000 country women from Canada and the United States, joining delegates to the seventh triennial conference of the Associated Country Women of the World.

They jammed Maple Leaf Gardens where Mr. Garson officially opened ceremonies celebrating "Canada Day."

'Few organizations have a better grasp of the essentials of our national life than your members have," he said.

'Engaged as you are in production, you can appreciate what mechanization has contributed for production in Canada, and what it likewise can contribute in countries with more dense population and more slender per capita national resources."

FORM NUDIST INTERNATIONAL

BORDEAUX, France (Reuters) The nudists of the world have decided to unite. Undraped delegates from 15 countries convened in their colony among sand dunes near here Sunday night and voted to set up an International Nudist Federation which will meet next year in Paris.

Can You Be Too Healthy?

By Mary Moore

A grouchy letter came in the mail. It seems I want you to be too healthy.

Umm. Since I don't think there's any fun to be had at all doing anything if you don't feel good I don't believe you can be too healthy.

Who wants to keep his nose to the grindstone so long and work himself into a heart condition so that when he gets his children educated and off his hands he's so decrepit he has to be taken to Florida in a wheelchair. Not you. Not Mary.

I say take time to keep well and that means active recreation out of doors on the hoof, and eating right all of the time.

I know one man who is a gardener in his spare time. He raises tuberous begonias as a specialty. He is serene and his faith in his Heavenly Father is complete. He knows what proper nutrients will do for his beloved plants so he automatically knows he can't stow away unlimited quantities of ill-chosen foods himself and expect to flourish.

In my presence a very, very thin girl said "I guess I'm just doomed to be skinny all my life." A mutual doctor friend was in on this conversation and at that chipped in "Did you ever see a fat or skinny race horse?" Our skinny girl said "The fat or skinny ones never run races so you don't see them." Doctor retorted "Then they are not race horses." He went on to explain that the diet of race horses, and indeed all prize animals, is so carefully regulated and balanced that they are never given any food but the proper food for them in exact quantities.

Why do humans so recklessly abuse their physiques? Such precious physical machines they are. One of the answers is that they are ignorant about nutrition. (The fault of our school curriculum.) Another is that their food habits are established by their parents in their early youth.

The latter is one of my main gripes. Teach children to eat properly from infancy and they never acquire bad food habits. It is parents that introduce children to tea, coffee, sugar, white bread, soft drinks and candy and rich sugar-laden desserts. It is parents too, who on the other hand, deny their children vegetables, salads, fresh fruits, milk and meat.

On the day that I am writing this the papers carry news that the cost-of-living is going up again due to the rise in price of eggs and dairy products.

This is discouraging when you are trying to save money to go on your holidays, nevertheless I have the courage (or nerve) to say don't try to cut down on your protein food consumption, for if you do you'll pay the money out in doctor or dentist or hospital bills eventually.

Do you know that doctors prepare patients for surgery by putting them on a high protein diet? This is now standard procedure and has been in large part responsible for cutting the operative mortality of many surgical procedures.

It is the proteins which make the bulk of the body's muscles and organs. Proteins are meat, fish, fowl, eggs, cheese, milk, and to a lesser extent nuts, peas, beans and lentils.

Proteins are very special for while the body cannot convert carbohydrates or fats into proteins it can convert proteins into carbonhydrates (starches) and fats and furthermore if the body contains an excess of proteins they are burned to make energy.

The body is a pretty slick machine isn't it? But it has to have the right fuel to perform its miracles.

Beauty

By HELEN JAMESON

Perfume Is The Ideal Gift

Whenever you are in a tizzy wondering what you should select as a gift for a young girl, don't hesitate. Just put on your hat and trot down to the nearest cosmetic counter. Buy a bottle of flowery fragrance and she will bless you evermore.

What teen-ager doesn't feel more important, doesn't fancy that she is a young woman, when she owns a bottle of utterly lovely perfume? She knows that it will emphasize her youthful loveliness, and it will encourage her to be femininely charming. If you would make the gift perfect, add matched perfume items—bath powder, sachets, toilet water. These will prove to be her most valuable beauty and personality props

Be sure to select a scent that is suitable to her way of life. A gay, airy floral bouquet or a spicy scent will befit her years. Nothing sophisticated! These blends belong to the dashing woman with a flair for fashion, but they're not for the sweet young thing.

Be sure to add an atomizer to your birthday package. By using one she will conserve the precious fluid. She should spray neck, chest and arms after her bath for then the warmth of her flesh will cause the alcoholic content to evaporate, and only the delicate essences will remain. When going to a party she can spray the hem of her slip, so that when she dances she will float in a delicate aura. Never must she tip the bottle onto her frock or she may cause a spot to form.

She may like to experiment with several scents instead of "going steady" with one. It may prove exciting. In that case, instead of a single vial you can purchase a perfume set that still won't put a crimp in your budget since the bottles are smaller—containing perhaps only a fourth of an ounce.

Cream type colognes are new. You rub them on the inner surfaces of your elbows or the pulse area of your wrist. The fragrance will last throughout a merry evening.

There are practical gifts that will please the homemaker especially—sets of perfumed soaps, for instance, which can be stored in the linen closet to do double duty, and sets of sachet pillows to perfume her lingerie and handkerchiefs.

ADVICE to the LOVELORN

By BEATRICE FAIRFAX

Can a Middle-Aged Woman Compete with A Young Girl?

A middle-aged wife whose husband has tired of the routine of married life and is having a romance with a girl in her late teens asks me bitterly:

"What chance has a middle-aged woman against a teenager?"

Personally, I think that a middle-aged woman has an excellent chance against a teenager. She has to be smart enough to realize that she holds more winning cards than the girl does, and to be clever in playing those cards.

All a young girl has with which to attract and hold a middleaged man is her youth, and her youth is not by any means an unqualified asset. Granted, it usually means a pretty face, a slim, attractive figure, a vitality and vivaciousness that makes her a stimulating companion, and a naive tendency to make a hero of the older man that is naturally very flattering to him. But it means also a lack of experience, an immaturity, a preoccupation with self, an inability to understand others, and a tireless desire to be on the go which can all, in time, prove very wearing to an older man.

That is why no romance of a middle-aged man with a girl much younger than himself is apt to last very long. For a while, it's all very delightful, and makes him feel he has dropped years from his age. But, before long, the feeling is quite the reverse. After listening to babbling girlish enthusiasms, and being urged into taking his young friend here, there and anywhere her fancy dictates, he begins to feel not younger than his years, but much older. In the end, he is glad to return to a wife with whom he can relax, and a routine that long habit has make comfortable and which makes no demands on him.

Has Intangible Assets

As for the equipment which a middle-aged woman has to counteract the appeal of youth for her husband, well, any woman who has kept her eyes, her mind and her heart open as she went through life has all the intangible assets the youngster inevitably lacks. In addition to these, she has become thoroughly familiar with the likes and the dislikes of her man; she usually puts his comfort and his happiness ahead of her own, and she is very apt to make him the centre of their domestic world. The clever modern woman, moreover, has taken care not to narrow her life down to a household routine, but to keep a lively interest in many things outside her home, so that she can be a far more interesting companion in day-by-day association than the young girl who can only chatter about superficialities.

What the wife can do when her husband starts running after a girl half her own age is to remember all these qualities she has that her rival is without, and have confidence in them. She might also remember that one of the strongest lures the young person has for the older man is that she never fails to tell him how wonderful he is, and how remarkably young he has kept himself. In other words, she boosts his ego. If the wife has been falling down in this respect, she can make a note to add this to the assets she already has. She can then bide her time in the full assurance that the vast majority of straying husbands do come home again, and that if they find it a comfortable and happy place to be, they will usually stay there.

All this is not to discount the suffering a woman must undergo when she sees her husband carrying on such a romance, nor to disregard her natural feeling of resentment that he should do such a thing and then expect to come home again to a patiently waiting and forgiving wife. For it is only normal that, in addition to her hurt and disillusion under such circumstances, a wife should also be outraged by a sense of the injustice of it all and, sometimes, consumed with a burning desire to revenge herself by forbidding the prodigal's return entirely.

But the way she must handle herself when torn by emotions like these is simply to ask herself this question: In the long run, would I lose more than I would gain by refusing to take my husband back?

In most cases, I think the answer of the average wife who takes time to think the whole thing out would be "Yes."

OPENS NEW HOSPITAL

CAMPBELLFORD (CP) — The $380,000 Campbellford Memorial Hospital, dedicated to the dead of the two world wars, was officially opened Sunday by Welfare Minister Goodfellow. The hospital contains 61 beds and is fully equipped. Work started eight years ago and the money has been contributed by the provincial and federal governments and residents of Campbellford area.

GOOD MANNERS

By Mrs. BEECKMAN

A Thank-You Note For Money-Present

Dear Mrs. Beeckman:

1. A quite elderly woman, whom I have always addressed as "Mrs. Smith," is to be invited to a shower to be given for me soon. In the thank-you note I would write to her for the shower present, should I use the salutation "Dear Mrs. Smith," or "Dear Mary"? I am quite sure that "Dear Mary" would be the correct form.

2. If I should receive money as a wedding present, how should I write the thank-you note?

Marion

1. Since you address this older friend of yours as "Mrs. Smith," you should begin your thank-you note "Dear Mrs. Smith." You give no reason why you should presume to change to the informal first name.

2. The important point about this kind of thank-you note is: Tell the giver either (a) what you are planning to buy (or to do) with the money-gift; or (b) if you haven't decided what your plans are for spending the money, say this and say too what when you do decide, you will let the giver know what you have decided to do. In other words, just don't thank for the money and let it go at that! Naturally the giver would want to know what your plans are, now or later. For example:

Dear Aunt Kate,

You and Uncle Bob were so wonderfully kind to send Bill and me a gift so full of thoughtfulness, and we both thank you deeply for your generous present. We have dreamed of having a mirror over the fireplace in the living room of our new home—and now, thanks to your goodness, we can have it! As soon as possible, my Bill and I are going to step forth happily to choose one, and when we return from our wedding trip, we want to have you two dears come soon to see us and to "meet" the wedding present you gave us!

Our dearest love to you both, our deep thanks, and the anticipation of seeing you on "the" tenth.

Lovingly,

Not Exquisite Taste To Mention Amount Of Money-Gift

Dear Mrs. Beeckman:

A friend of mine, who was recently married, has just sent her thank-you notes for the wedding gifts she received. Because the couple's relatives and friends knew that they had no immediate plans to start housekeeping, she received a large percentage of money-gifts. In her notes she has mentioned the amount received from each donor, since many of the gifts were forwarded to her. Several recipients of these notes have stated that they thought it was very poor taste for her to mention the amount of the money-gift. What do you think?

A.

I would definitely say that it is not good taste to mention the amount of money sent as a money-present. To me this seems crude, lacking in delicacy, too much on the "business" side. And there are such nice ways to describe the money-gift: "your kind and generous present to us" . . . "your gift so full of thoughtfulness" . . . "your loving plan to send us the check so that we could choose with it some-thing 'near our hearts' desire" . . . "with our housekeeping plans so indefinite, it was kind and understanding of you to plan to send us a generous money-gift with which we can choose a something-for-our home later."

SALES MANAGER DEAD

TORONTO (CP)—Funeral services are to be held here today for James Alfred Ragsdale, 59, sales manager for the Warner-Chilcott division of the William R. Warner Company, who died Friday. Born in Almonte, Ont., Mr. Ragsdale was graduated from the Ontario College of Pharmacy in 1920. He was with the Warner company for 28 years.

Retired or Defeated Members Exchange Pay for Pensions

OTTAWA (CP)—About a dozen retired or defeated veterans of Parliament have exchanged pay cheques for pensions worth as much as $3,000 a year.

The former members are the first Parliamentarians in Canadian history to receive retiring allowances in recognition of past service to their country.

The pension plan, restricted to members of the House of Commons, was approved by Parliament last year. Under the Pension Act, members contribute six per cent of their annual indemnity into a fund to a maximum of $4,000. A matching contribution is made by the government.

The retired or defeated members who will get the pension in varying amounts are those who sat in more than two Parliaments and paid into the fund for earlier service.

However, another 20-odd members of the last House who retired or were defeated will not receive pensions. These members either lack sufficient service or have been appointed to the Senate or bench.

Contributions Returned

Members named to the Senate or other public offices may withdraw their pension contributions or leave them in the fund. This would enable them to collect a pension when their present office terminates.

Defeated members with insufficient service to qualify for a pension may also collect their contributions, less interest. They may however leave their contributions in the fund in the hope of being re-elected in the future.

A pension will be collected by such well-known Parliamentarians as Hughes Cleaver, former Liberal member for Halton, Ont., who did not run for re-election.

Others who will receive pensions include Fred P. Whitman, Liberal, defeated in Montreal-Notre Dame de Grace; R. M. Warren, Liberal, who did not seek re-election in Renfrew North; George Cruickshank, Liberal, defeated in Fraser Valley; Percy Black, Progressive Conservative, defeated in Cumberland; W. Chester S. McLure, Progressive Conservative, defeated in Prince, and W. J. Ward, Liberal, defeated in Dauphin.

Not Qualified

Five prominent Liberals who received appointments to public office before the election do not qualify for pensions. They are the former public works minister, Alphonse Fournier, now a member of the Exchequer Court; and former speaker W. Ross Macdonald and Sarto Fournier, Lionel Bertrand, and Joseph Bradette who were appointed to the Senate.

Former members with insufficient service who were defeated and do not qualify for pensions include Dr. Emmett McCusker, parliamentary assistant to Health Minister Martin. Dr. McCusker was defeated in Regina City.

Others are Phileas Cote, Liberal, Matapedia-Matane; Henri Courtemanche, Progressive Conservative, Labelle; Dan Riley, Liberal, Saint John-Albert; E. W. George, Liberal, Westmor,and; W. J. Major, Liberal, Glengarry; W. J. Browne, Progressive Conservative, St. John's West; Gordon Higgins, Progressive Conservative, St. John's East; George Fulford, Liberal, Leeds; J. S. Sinnott, Liberal, Springfield; A. J. Bater, Liberal, the Battlefords; George Murray, Liberal, Cariboo, and J. L. Gibson, Independent, Comox-Alberni.

Growing Fund

Payments into the pension fund up to last March 31 totalled about $500,000, including contributions by members and the government.

Contributions by members became payable in January, 1953, and in three months they paid in $40,708 which was matched by the government. A number of members also made arrangements to pay their contributions for past service to enable them to collect full pension if they were defeated in the election. Up to March 31, they had paid a total of $339,227 to the fund, which was also matched by the government. The fund's total was boosted another $10,556 through interest.

When the fund is in full operation, members will contribute about $60,000 a year and the government a similar amount.

Scrublands Of Orange Free State Site of Cities

By ASTLEY HAWKINS

JOHANNESBURG, South Africa (Reuters)—The dust-blown scrublands of the Orange Free State, once shared between poor farmers and lizards, will become the site of four gleaming modern cities, with airports, swimming pools and golf courses.

As an army of construction workers labor to convert the parched plains, another army works below the soil—digging gold.

Only now is the full impact of the 1946 gold strike being felt. Experts estimate more than $11,000,000,000 worth of the precious metal lies below the plains—enough to keep mining operations going through the century.

The Orange Free State, South Africa's "Cinderella province," has found enough wealth to dizzy the minds of even the most conservative economists. Its mines may yield more ore some day than the Transvaal's famed Rand fields which, after 60 years, are still supplying more than one-third of the world's gold.

Financier Harry Oppenheimer, son of mining magnate Sir Ernest Oppenheimer, predicts South Africa's currency will become as hard as the American dollar when the Orange Free State gold field becomes fully productive.

Gold now is being brought to the surface from a depth of three-quarters of a mile in four of 13 new mines covering 250 square miles. Experts expect the nine other mines to start producing within a year or two.

Three Boys Found

TORONTO (CP)—Three Toronto boys who had been missing more than 24 hours were found Friday by police. The three, in company with their mongrel dog, had camped out in west-end High Park. They were none the worse for the adventure.

Constable Robert Hobbs spotted the runaways. They were brothers Tom and Eric Barlett, nine and five respectively, and Michael Foster, eight. The children had pushed a motorcycle side-car nearly three miles from their midtown homes.

MARSH HILL

Harmony Club Hears Talk on 'Harvest'

MARSH HILL—Marsh Hill Harmony Club met Friday night in Marsh Hill school for their August meeting with Mr. and Mrs. Berson Mitts as host and hostess.

Mrs. Allyn Finkle opened the meeting with two favorite hymns.

During the business it was decided to help the stewards with the decorating of the church.

Program conveners were Mr. and Mrs. Albert Clare, using as their theme "Harvest", opening the program with the hymn "Come Ye Thankful People." Mrs. Berson Mitts read the Scripture lesson and gave the meditation, "Every tree is known by its fruit."

Mrs. Bartindale gave a reading, "Our Brother's Keeper" and Mr. Fred Campbell favored with a solo, "I Do Not Ask."

Mrs. Harry Coulter gave a reading on "Harvest."

Guest Speaker

Mrs. Clare then introduced the great speaker for the evening, Mr. Arthur Wilson of West Huntingdon, who had chosen as his subject "The Harvest is Ready but the Laborers are Few."

Mrs. Ivan Clare then favored with a piano solo, "The Black Hawk Waltz." Mrs. Giffin gave some highlights of Quin-Mo-Lac camp where Mr. and Mrs. Giffin were leaders.

Mr. and Mrs. Ivan Clare recreation conveners, conducted a contest, Bible quiz and a game.

The hostess served refreshments.

A number from here attended Belleville fair this week.

Miss Rena Radford of Belleville, is visiting her cousin, Master Bruce Coulter.

Mr. and Mrs. Tice Clare, of Toronto, spent a few days visiting Mr. and Mrs. Berson Mitts.

Mr. and Mrs. Leslie Finkle accompanied Mr. and Mrs. James Johnston of Harold, to Brooklyn, on Sunday where they met Mr. and Mrs. Lorne Johnston of Hanover. Miss Marilyn Finkle returned home.

STORMS START NEW FIRES

VICTORIA (CP) — A series of severe lightning storms which swept the Nelson forest district of British Columbia in the last few days started 35 new fires in the area, forest service officials said Friday. A force of 357 government and company men is engaged in fighting a total of 76 fires in the district.

SLEPT AT 60 MPH

LONDON, Ont. (CP)—James L. Bentley, 30, of Port Stanley, who admitted going to sleep while his car was travelling at 60 miles an hour, pleaded guilty Friday in county magistrate's court to careless driving. The car snapped off a telephone pole and overturned. Bentley was fined $20 and costs.

FRANKFORD

FRANKFORD. — Mr. and Mrs. Bill Coburn, of Cobourg, were Sunday evening guests with Mr. and Mrs. Ernie Chard and family.

Mr. and Mrs. Willard Stewart and boys, of Detroit, Michigan, spent last week with the latter's father, Mr. N. Lawrence.

Miss Betty Stapley spent last last week with Mrs. Elgie Moynes.

Miss Cheryl Chard spent last week visiting relatives in Trenton.

Mr. and Mrs. Bill Steenburg, of Trenton, visited Mr. and Mrs. George Chard, on Sunday evening.

Mr. and Mrs. L. Shirley and Mrs. Frank, of London, were Saturday guests with Mr. and Mrs. Reginald Solmes.

Miss Marie Genereau, of Glen Miller, spent a holiday recently with her aunt, Mrs. Jack Foster.

Mr. Lloyd Grant of Toronto, spent the week-end with Mr. and Mrs. Gordon Grant and family.

LAC. Roy Crowe, of Winnipeg, spent a few days last week visiting his wife in the village.

Mr. and Mrs. Don Irish and sons, of Belleville, spent Sunday with Mr. and Mrs. Len Reilly.

Mrs. Ken Kuhnche and daughter of Bowmanville, Mrs. Howard Waldorf and children, also Mrs. Garth Stapley, of Trenton, spent Friday with Mrs. Ernie Chard and family.

Mr. James Downs has left for a visit with relatives in Unity, Saskatchewan.

Mr. L. O. Blow, of Toronto, is spending two weeks' vacation at his home in the village.

Mr. and Mrs. Frank Lawrence, of Oshawa, spent last week with Mr. and Mrs. Nelt Lawrence.

Mrs. Ernie Chard and son, Jimmy, spent last Wednesday with Mrs. Garth Stapley in Trenton.

Mr. and Mrs. George Bamber returned home after a holiday with relatives in Western Ontario and Michigan, U.S.

Mr. and Mrs. Butcher have taken up residence in Frankford.

Mr. Bill Arnott, of Peterborough, spent the week-end with his parents, Mr. and Mrs. George Arnott.

The C.A. meeting of the Frankford Full Gospel Tabernacle was held Friday recently. President Mary Elliott opened the services.

Miss Vivian Woods led in chorus and testimonies. Miss Mary Lee Appleby of Toronto, sang a vocal solo "Only To Be What He Wants Me To Be".

Mr. Pierce brought a message from 1st Corinthians 1:17-29 and Psalm 14 "The fool hath said in his heart, "There is no God, they are corrupt; they have done abominable works; there is none that doeth good."

Miss Eleanor Beach is spending a few days with Miss Linda Farley at Oak Lake.

Mrs. Carmen Mikel is spending a few days with her sister, Mrs. Harry Burkitt in Belleville.

Mr. and Mrs. Sam Caskey left on Monday for Alberta, for a few weeks' holidays.

Mr. and Mrs. R. White and Valerie, Mr. David Palmer of Fort Erie, are holidaying with Mr. and Mrs. D. Palmer.

Mr. and Mrs. Eric McComb and children, of Abitibi Canyon, are spending three weeks' vacation with Mr. and Mrs. Tom Burkitt.

Mr. and Mrs. Hood and family moved to Uplands on Monday.

Mrs. Benedict is visiting her son, Gordon, and family, at Niagara Falls, Ontario, this week.

Nancy Bailey spent several days recently with her grandfather, Mr. Herb. Bailey in Madoc.

Mrs. Bessie Arnott, Lorraine and Gordon, spent last week at Bird Creek.

Mr. and Mrs. Tom Burley and daughter, of Shannonville, visited Mrs. E. Collins, on Sunday.

Shirley Horsley is spending a month's holidays in Sydney Mines, Nova Scotia.

Mr. and Mrs. Jim Allen and five sons, of Oshawa, were visitors on Sunday of Dr. and Mrs. Black and family.

Mr. and Mrs. Robert Mitchell and son, Bill, and friend of Oshawa, spent the week-end with Mr. and Mrs. O. Berry and family.

Mr. and Mrs. Preston Chase and family and Miss Joan McCrea spent the week-end with Mr. and Mrs. T. S. McCrea in Tweed.

Mr. Russel Conley and Miss Marie Genereaux motored to Detroit with Mr. and Mrs. Peter Van Dusen of London.

Mr. and Mrs. Don Taylor have returned to their home near Toronto, after visiting their parents, Mr. and Mrs. George Taylor and Mr. and Mrs. Alfred Westlake.

Mr. and Mrs. Cecil McKenzie, of Harrow, are visiting friends in this district. Cecil is back in the newspaper game having purchased a paper in the Western Ontario town.

Guests for a week at the home of Mr. and Mrs. D. O. Leavitt were, Mrs. Oglesbury and Mrs. Pickard, of North Dakota, aunts of Mrs. Leavitt and her mother, Mrs. Cooper, of Smithfield; and Sunday guests at the Leavitt home, were Mr. and Mrs. R. V. Whelan and their son, and wife, Mr. and Mrs. W. Whelan, all of Toronto.

Mr. Harold Rogers, Jr., of Hamilton, is spending a few days with his parents, Mr. and Mrs. Harold Rogers, Sr.

THE Austin A-40 SOMERSET

There are two reasons why more than 80,000 Canadians now drive Austins.

One of them is a sensible economy that brings motoring costs down to earth.

The other is Austin performance.

You'll be pleasantly surprised at both. To begin with, the low first cost is the complete price with no extras to buy. It includes:

Super-heater with air-conditioning.

Durable, comfortable foam rubber cushioning.

Long-wearing, genuine leather upholstery.

Powerful 12-volt electrical system.

Non-stalling electric windshield wipers.

Directional signals.

The operating cost is far and away below average—giving owners savings up to 50¢ on each operating dollar.

And the performance is excellent both in traffic and in day-long comfort on the open road.

Prove it! Ask for a demonstration today.

New Zealand's Team for Games To be Selected

By J. C. GRAHAM
Canadian Press Correspondent

WELLINGTON, N.Z. (CP)—New Zealand's team for the 1954 British Empire and Commonwealth Games at Vancouver will be chosen next April after special tests by all sports competing.

The executive of the New Zealand Olympic and Empire Games Association had decided to close nominations next April 1, and to appoint a special selection panel to choose the team by April 8.

The executive deferred consideration of a proposal from a finance sub-committee that the basic team consist of 18 members, plus a manager and chaperone.

The smallness of the team proposed was a surprise to members, and chairman H. I. Austed said this was just a preliminary figure pending the result of an application to the New Zealand government for a grant to assist in sending the team to Canada.

Austed said provision will be made for the nomination of additional team members by national sports associations willing to take full financial responsibility, providing the grading of the members nominated is satisfactory.

Travelling assistance has already been offered by Canadian authorities.

So far, only two individual sports have announced the probable size of their teams. The fencers plan to send four members, and the lawn bowlers seven.

Cyclists are concerned at the small size of the track proposed for the Empire Games at Vancouver. P. N. Robinson, cycling delegate to the British Empire Games Association, told the executive the Vancouver track would be 250 metres in circumference.

"This is somewhat smaller than desired," he said, "but in view of the costs of the games to Canada, it would be impolite for us to press further for a larger track."

Meanwhile most of the sports organizations plan to hold trials early next year—at the close of the summer season in New Zealand.

No plans have yet been made as to how long the team will be in Canada before the Games. In view of the lack of suitable sea connections it is almost certain that the team will fly to Canada, but no definite decision has been made.

Doug Ford Takes Top Prize Money In Labatt Open

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP)—Doug Ford, making magic with his uncle's putter, won the $5,000 top prize Sunday in the $25,000 golf open with a sensational 15-under-par 265 for the 72-hole tournament.

The big Harrison, N.Y., pro finished with rounds of 67-69-64-65. Five strokes away at 270 and alone in second place was Walter Burkemo, the U.S. Professional Golfers Association champion from Franklin, Mich., who won $2,780.

Jerry Barber of La Canada, Calif., whose course-record 64 on opening day set the fashion for three more that followed, finished third with 271 and pocketed $2,100.

Ford moved into the lead Saturday with his sizzling 64 and started Sunday round with an even 200, 10 strokes under par.

Change Helped

The change in putters sent him on his way. When he finished Friday, Doug took over the putter his uncle, Jack Ford, pro at Loon Lake N.Y., had used earlier in this same tournament.

He one-putted 10 greens and went over par only at the 16th. Coming down the last nine he picked up five birdies, three of them in a row.

Burkemo's final-round 66 wasn't good enough. Jerry Barber, who held the lead through two rounds, took 69 Sunday.

Behind the three leaders came a trio with 272 scores and winnings of $1,300 each. They were Al Zimmerna, of Portland, Ore., Ted Rhodes, lanky Negro golfer from Chicago, and Tommy Bolt of Maplewood, N.J., who had a 64 on his second round but took a par 70 Sunday.

Montreal's own Jules Huot, 47-year-old pro at Laval-sur-Le-Lac who thrilled the galleries with three sub-par rounds, fell back Sunday to 72 for a 275 total. Tied with five American pros at that figure, he collected $400 and an extra $350 as leading Canadian.

WAINWRIGHT 70

SAN ANTONIO, Tex. (AP)—Gen. Jonathan M. Wainwright, gaunt hero of Corregidor, celebrated his 70th birthday Sunday in a hospital bed. Wainwright, now retired, spent four years in Japanese prison camps. He entered hospital here last July 6 following a reported stroke.

A Pair of Hopefuls

At Montreal's Summerlea course, the last morning of the Labatt Open golf championship had these two golfers wistfully eyeing the cup that either could have claimed at the end of the day. Jules Huot, left, went into the last round as low Canadian with a score of 134, only two off the pace set by Jerry Barber. Dave Douglas, with a 139, was probably just dreaming — but strange things have happened in golf, and Douglas is not a man who gives up easily. — Central Press Canadian.

Grand Old Man Of Paddling On Hand for Regatta

OTTAWA (CP)—Someone yelled "Baldy" and heads swung away from the paddlers nearing the finishing line of a Canadian championship race. Officials and spectators on the judges' stand smiled and nodded in the direction of a dapper little man.

One of the fans whispered "I knew he would make it" as the little man switched his cane to his left hand and shook hands with people on the stand.

The centre of attraction was William John (Baldy) Welsh, "grand old man of paddling" who celebrates his 89th birthday in September.

Baldy was attending his 52nd Canadian Canoe Association Dominion championship regatta. The Carleton Place, Ont., paddler who sponsored the formation of the regatta back in 1900, has missed it only once since then. He was ill in 1930.

Mr. Welsh, who much prefers to be called Baldy, was captain of the senior four crew in Carleton Place in 1898, two years before the CCA championships were started.

In 1900 he won the double blade single at Brockville. Seven years later he was in crews that won two Canadian championships for Carleton Place at the CCA in Montreal.

After years of competing in so many races that he can't remember half of them, he finally retired from active paddling, but not without a struggle. When he was 44, he won a singles championship.

In 1950 he skipped a war canoe in a local regatta at the Ottawa-New Edinburgh Canoe Club.

Still spry, he toured the Rideau Canoe Club, the now permanent site of the CCA championships, and shook hands with just about everyone there.

Dancer Given Brilliant Ride By Eddie Arcaro

CHICAGO (AP)—Alfred Gwynne Vanderbilt's sensational Native Dancer, given a brilliant ride by jockey Eddie Arcaro, burst to the front midway in the stretch to win the $112,600 American Derby Saturday going away by two lengths over James C. Brady's Landlocked.

Harvey C. Fruehauf's Precious Stone was third, three lengths behind, and Harry N. Eads' Sir Mango finished fourth in a field of eight.

In winning his 18th race in 19 starts the big gray stepped the 1⅛ miles in 1:48 2-5, only 1-5 second off the track record set by Colossal in 1948.

SEVER TIES WITH UNION

WASHINGTON (AP)—The AFL ordered all its local affiliates Sunday to sever ties with the Carpenters Union, which quit the AFL two weeks ago. The Carpenters Union, with some 820,000 members, left the parent organization in protest against a "no raiding" agreement with the CIO. Some AFL officials, however, have said they expect it to return.

Schwab's Little Giants Lose To Peterborough

By GARRY ALEXANDER

Schwab's Little Giants went down to defeat 9-2 at the hands of the Peterborough nine in the first game of a 2-of-3 series in the first round of the bantam O.B.A. playdown. The game was played on Saturday afternoon at the C.N.R. Recreation Field.

Jackie Elliott for Schwab's and Wade for the Peterborough team had a pitchers duel going until the sixth, when Peterborough added four more tallies to their one to nothing lead. They scored one more in the eighth and three more in the ninth. Schwab's got one in the sixth and another in the seventh frame.

Wade went all the way on the hill for Peterborough and gave up two runs off eight hits. He walked three and struck out 12 as his team mates made four errors. Each time a Schwab would get on base he would bare down and strike out the next batter or make him ground out. In the fifth inning he struck out the side, and got two batters to hit only air in the eighth frame.

Jackie Elliott went all the way for the Little Giants and allowed nine runs and 12 base knocks, while walking only one and fanning six.

The hitters for Peterborough were Griffin, Whitehill and Dorrington with a double and a single. R. Rowe punched out two singles as did Hayden, while W. Rowe and Wade met the ball for a single apiece.

Jack O'Neil led the Schwab batters with three singles and St. Louis, Coe, Bill Foster, Frank Chick and Abe Wright had singles.

Score by innings		R	H	E
Peterborough	100 004 013—9	12	4
Schwab's	000 001 100—2	8	2

YESTERDAY'S STARS

by THE ASSOCIATED PRESS

..Batting—Al Rosen, Cleveland Indians clouted his 33rd home run, drove in four runs and rapped two singles to take over the batting lead and strengthen his top home run and RBI totals as the Indians captured both ends of a doubleheader from St. Louis 3-1 and 9-0.

..Pitching—Vic Raschi, New York Yankees, hurled a six-hit shutout for his 26th victory in 31 outings against the Athletics as the Yankees won 4-0.

Cementmen Even Series, Hunter Throws 1-Hitter

By GARRY ALEXANDER

Bobby Hunter pitched the Point Anne Cementmen to a 3-0 shutout over the Peterborough T.P.T.'s in the first round of the O.A.S.A. playdowns to even the series at one game apiece. The game was played at Point Anne on Saturday evening. The third game will be played in Cobourg tonight.

Bob was the master all the way as he allowed only one single in the eighth inning of a nine-inning fixture.

Point Anne picked up —their first run in the initial frame when Mallory got a life on an error and Doug Hull followed with a triple. The next two batters went down on strikes. Hull scored the next run himself with a bases empty homer in the fifth and also tallied the final marker in the seventh, when he singled, Gilmour sacrificed and the first baseman threw wild trying to stop Hull from reaching third.

Received Good Support

Hunter received good support fro mhis teammates as he walked six men and struck out four. —Only three times did the Peterborough team get the ball out of the infield as Bobby made them pop up or hit the ball into the dirt.

Guilfoil toiled on the mound for the Peterborough squad and gave up three runs off nine hits, while issuing only one free pass and sending down five via the strikeout route. His teammates committed four misplays afield.

Hull led the attack with a homer, triple and single, Sam Mulholland claimed a double and a single, Billy Strachan had a brace of singles, while Roger Mallory and Jackie Wardhaugh touched the ball for bunt singles. Wardhaugh also sparkled at second base.

Floyd was the only Peterborough hitter as he lined a low-sinking liner into right field but he died on first. Only one T.P.T. reached third base, as he walked, was sacrificed to second and went to third on a passed ball.

Peterborough: Floyd cf; Mackness 3b; Leonard 1b; Greenlaw lf; West ss; Castle c; Legrow rf; Crowe 2b; Guilfoil p.

Point Anne: Mulholland cf; Mallory rf; Hull ss; Gilmour 3b; J. Green c; J. Wardhaugh 2b; Buchanan 1b; W. Strachan lf; B. Hunter p.

Score by innings:		R	H	E
Peterborough	000 000 000—0	1	4
Point Anne	100 010 1x—3	9	0

Umpires: Leggitt plate, Bawden bases. Time 1.15.

Miss Supertest Will be Entered For Silver Cup

DETROIT (CP) — A Canadian boat, Miss Supertest, will enter the five-heat 60-mile Silver Cup race on the Detroit river Labor Day.

Miss Supertest, owned by J. Gordon Thompson of London, Ont., will be driven by veteran pilot Bill Braden. The sleek craft, formerly the Miss Canada, has been rebuilt and is powered with a Rolls-Royce Griffin engine. It was raced extensively as Miss Canada by Harold Wilson of Ingersoll, Ont.

CAR EXPLODES; 13 HURT

HAMBURG, N. Y. (AP—The owner of a stunt car that exploded and injured 13 persons at the Erie county fair Saturday was arrested and charged with improper storage of explosives. John F. Horan, 53, of New York was released under $1,000 bail pending a hearing Thursday. Police said two of the bystanders injured when a tube packed with gunpowder on the car exploded are in serious condition.

TRUCK TIRES PUNCTURED

WOODSTOCK, Ont. (CP) — Provincial police here are investigating the puncturing of 20 tires Friday night at Lowes Transport, just west of the city. The air line hoses on four other trucks were cut. The trucks were parked at the company's warehouse on Highway No. 2.

Olympic Champ Finishes Fourth In Trapshoot

VANDALIA, Ohio (CP)—George Genereux, Canada's young Olympic sharpshooter, finished fourth Saturday in the all-around championship at the 54th annual Grand American Trapshoot.

Genereux smashed 384 of 400 targets to close just two targets behind the winner, Maynard Henry, Los Angeles lawyer, with 386. The championship was based on 200 targets at 16 yards, 100 targets at handicap ranges and 100 in doubles competition during the week-long meeting.

Second and third places went to Vic Reinders of Waukesha, Wis., and Ned Lilly of Stanton, Mich., each with 385.

M. D. Clark of Woodbury, Conn., won the U.S. national doubles championship, defeating Arnold Riegger of Seattle, Wash., in a shoot-off. Both had tied with 96 of 100 targets.

Henry Buurma of Willard, Ohio, won the final event, the Vandalia Handicap. He defeated Curtis Haskins of Spokane, Wash., in a shoot-off after both tied with 97 of 100.

Canadian results Saturday (handicaps in brackets) included:

National Doubles

George Genereux, Saskatoon (24) —92-94

Vandalia Handicap

Ed Sayer, Leamington (19)—89
H. W. Thrasher, Harrow (29)—87
G. A. McAteer, St. Thomas (19) —93
D. E. Ferriss, Harrow (17)—91
Albert Eigle, Kingsville (20)—94
John R. Leatherdale, Chatham (20)—96

PLANE HITS MOTORCYCLE

NEVADA, Iowa (AP)—A motorcyclist was killed Sunday when his machine and an airplane collided at the intersection of two runways at the Nevada airport. The accident occurred shortly before the airport was to be closed for running of motorcycle races.

INJURIES FATAL

SUDBURY (CP)—Richard Johnson, 57, died in hospital today from injuries received Sunday when his car collided with another driven by Russell Ramsay of Sault Ste. Marie.

Highway Crashes Take 18 Lives In East Canada

By THE CANADIAN PRESS

Violent deaths reached a total of 27 in eastern Canada during the week-end, highway accidents taking 18 lives and drownings seven. One person died as a result of a fall and a child was electrocuted. There was also one possible drowning.

A Canadian Press compilation showed that deaths reported in Quebec totalled 16, including 10 traffic, in Ontario 10 with seven traffic and in Newfoundland one due to traffic.

There was one triple fatality. Alvarez Deziel, 47, Albert Paquin, 59, and Roch Lanthier, 26, all of St. Pierre de Wakefield, Que., were drowned in Wakefield Lake when their outboard motor boat capsized.

Level Crossing Victims

Samuel Simone of Pembroke, Ont., and Gaeton du Fort, 14, of Drummondville, Que., died in hospital, the third and fourth victims respectively of a level-crossing train-truck crash at Delhi, Ont., Friday.

The possible drowning took place at London when Mrs. Angus Ross was rescued from the water when she got into difficulties soon after going to bathe. Efforts to revive her failed.

The Ontario deaths:

Traffic — Rolland Berthiaume, Montreal, when his tractor-trailer truck went out of control and crashed into a ditch near Cornwall; Lucien A. Desjardins of Kirkland Lake, when the car in which he was riding rammed into the rear of a transport truck at Sarnia; Pte. Ronald Paul McDonald, 21, Truro, N. S., when his auto went out of control at Camp Borden; Florent Favreau, 26, RCAF, in a car which went out of control near Brockville; Mrs. Aleta Conners, 67, Belleville, when a train struck the car in which she was riding.

Two Drowned

Drownings—Mrs. Elizabeth MacLean, 20, Welland, when the canoe she was paddling overturned; John Graham, about 18, Toronto, when he fell from a bridge into the Galots canal.

Miscellaneous—Ryan Garland, 2, Crowland Township, who was electrocuted when he picked up the live wires of a conduit leading from a neighbor's house.

Unique Movement Being Developed Inside RC Church

By HAROLD KING

PARIS (Reuters)—A unique religious movement is being developed in France inside the Roman Catholic church and may have a far-reaching effect on the social and political attitude of the next working-class generation.

This movement is that of the "worker priests," officially known as "the mission of Paris."

The worker-priests are fully-ordained priests who work, incognito, as ordinary workmen in factories or other places where a large number of employees are concentrated. Their mission is to influence the working class by example and behavior instead of preaching or evangelizing.

They do an ordinary day's work in the factory or behind the wheel of a transport truck or carrying vegetables or fruit in the Paris market. They live in the very poor quarters of the city or the Communist belt of the suburbs. They make friends with the poorest and most abandoned in their district, and they say mass, which any neighbors or local friends are welcome to attend, on the dining table of their lodgings.

The movement started during the German occupation when many priests were taken prisoner and deported for forced labor by the Germans.

Thrown into intimate daily association with other men in unhappy and cruel conditions, some of them returned with a strong feeling that some new approach was needed to get the message of the church to the workers.

In March, 1943, in the midst of the German occupation of France, a priest called Father Godin submitted a report to the then Archbishop of Paris, Cardinal Suhard, which asserted that in existing circumstances the proletariat "was not ripe to become Christian" and that if by a miracle the entire working class were suddenly converted, the existing situation would not permit it to remain within the church.

Sanction was given for a small number of priests to enter the new mission filed of worker-priests in Paris and some provincial centres.

The movement is still small. Today, there are 90 worker-priests in France. The 25 working in Paris have all been parish priests. The total number of priests in France is 51,000.

Armed Gunman Captured While Trying to Rob

PORT DOVER, Ont. (CP)—An 18-year-old armed gunman was captured Saturday night by Port Dover police as they thwarted the attempted robbery of a jewelry store.

Jack Woods was putting his goods off display and preparing to close his store when a man entered, covered him with a .32 calibre revolver and demanded cash.

Woods grappled with him.

Patrolling outside, constables Clifford Kennedy and Clarence Robinson heard the scuffle, entered and made the capture.

Paul Badeau of Sherbrooke, Que., was taken to Simcoe and lodged in jail on a charge of vagrancy.

SPALDING HEAD DIES

SPRINGFIELD, Mass. (AP)—William T. Brown, 57, president of A. G. Spalding and Brothers, sporting goods concern, died Sunday of a heart ailment.

Al Rosen May Head American Loop In Batting, RBI And Homers

Indians Rate as Biggest Flop Of Year but Third Baseman May End Up as No. 1 Guy

By JOE REICHLER
Associated Press Sports Writer

Cleveland's vanishing Indians rate as the biggest flop in the American League, but Al Rosen, their chief hatchet man, is heading for the triple crown as well as the circuit's most valuable player award.

The third baseman, who gave evidence of future stardom when he led the league in home runs in his rookie year in 1950, is the No. 1 guy today in batting, runs-batted-in as well as homers.

Only six players have been able to win the triple crown. They were the American League's Ted Williams (1942-1947) Lou Gehrig (1934) and Jimmy Foxx (1933); and the National League's Rogers Hornsby (1922-1925), Chucj Klein (1933) and Joe Medwick (1937).

Hitting .326

Rosen boosted his batting average to .326 Sunday, getting three hits in six times at bat as the Indians clubbed St. Louis Browns twice 2-1 and 9-0. Al hammered his 33rd homer in support of Art Houtteman's shutout pitching in the nightcap and batted in four runs to increase his total to 116, tops in both leagues.

Despite the double victory, the third-place Indians still remained 13 games behind the league-leading New York Yankees, who blanked Philadelphia Athletics 4-0 behind the six-hit pitching of Vic Raschi. The runner-up Chicago White Sox struggled to within 8½ games of the Yankees, sweeping a twin bill from Detroit Tigers, 2-1 and 11-6. Boston's Red Sox vanquished Washington Senators 5-4 on Ted Williams' fifth home run in 25 official times at bat since his return from Korea.

Brooks Increase Margin

Brooklyn's National League pacemakers increased their margin over Milwaukee Braves to nine games, drubbing Pittsburgh Pirates twice while Chicago Cubs were holding the Braves to a split in their two games. The Dodgers clubbed nine pitchers into submission, winning 10-4 and 9-7.

Johnny Klippstein snapped the Braves' eight-game winning streak, pitching the Cubs to a 7-2 triumph after Warren Spahn had hurled his 16th victory in Milwaukee's 10-2 opening success.

Earl Torgeson drove in three runs with a home run and single to give Philadelphia Phillies a 6-3 triumph and a sweep of the four-game series with New York. It was the seventh straight loss—longest of the year—for the Giants.

Cards Now Fourth

Southpaw Kenny Raffensberger pitched and batted Cincinnati Reds to a 5-3 victory over St. Louis to drop the Cardinals into fourth place, a half-game behind the Phillies. Raffensberger helped win his seventh game with a two-run double in the ninth.

Rookie first baseman Bob Boyd, subbing for the injured Ferris Fain, cracked key blows in both Chicago victories over the Tigers. He tripled in the ninth and scored the winning run on San Mele's single. Boyd drove in a run with a double and laced two singles in the big six-run Sox eighth inning of the nightcap.

Duke Snider batted in seven runs with his 30th and 31st homers, a pair of doubles and a single as the Dodgers made it 18 victories in their last 17 games.

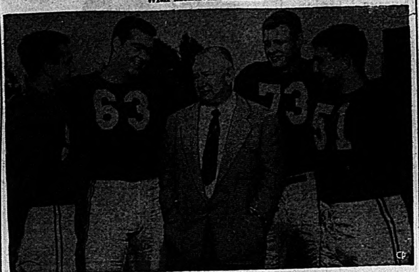
LONDON LEADS PLAYOFF

LONDON, Ont. (CP) — London Lou Ball juniors overcame a four-run deficit and went on to defeat Brantford UAW-CIO Juniors 5-4 in 10 innings in the third game of their best-of-five junior Intercounty playoff series at Labatt Park Saturday night. The locals now hold a 2-1 lead in games.

With Montreal Alouettes



Coach Doug (Peahead) Walker discusses strategy with four of his import huskies with the Montreal Alouettes in the Big Four Football Union. Left to right: Sam Etcheverry, Jim Staton, Walker; John (Red) O'Quinn, and Ray Cicia. Etcheverry is a quarterback, O'Quinn an end and the other two are linemen. — (CP Photo.)

Peahead Walker's Alouettes Have Flock of New Imports But Performance Doubtful

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP)—Montreal Alouettes, with a whole flock of new imports, present a question mark again.

Coach Doug (Peahead) Walker has brought in himself from North Carolina and has been presented with new talent that has been well trumpeted and touted.

In the two exhibition games so far, the Montreal Big Four entry has looked both mediocre and sharp. It may be significant that the second game belongs in the latter category. The Als lost 16-6 to Saskatchewan Rough Riders, fading badly in the last half, then perked up and looked good in beating Calgary Stampeders 17-12. The opening league game is Aug. 26 against Argos in Toronto.

Coach Walker still has a lot of work on his hands whipping the team into shape, along with the problem of indoctrinating the newcomers into the Canadian code.

Lose Good Prospect

One of the likeliest newcomers was lost before the end of the training season—Zippy Morocco, formerly of the University of Georgia. Uncle Sam put the finger on him; Zippy is in the U. S. army.

Among the new backfielders are Chuck Hunsinger, (Chicago Bears and University of Florida-, and Bill (Nub) Smith, one of Walker's proteges from Wake Forest College in North Carolina.

Much of the import movement was concentrated on line strengthening. In this category—at least before the axe falls to cut the number of imports—are Ed Bradley, University of New Mexico who was drafted by Detroit Lions; Tom Hugo, a husky centre from Hawaii; Joe McCutcheon, another centre, who played in the All-Southern Conference; and Ray Poole, formerly of New York Giants, who is a handy man at centre or anywhere on the line and a placement specialist. Retained American linesmen are Ray Cicia and Jim Staton.

Etcheverry Back

Sam (The Rifle) Etcheverry is back for the second season in the quarterback slot. Sharing those duties with him is Al Dekdebrun, formerly of Toronto Argos and Hamilton Ti-Cats and now no longer classed as an import. Bruce Coulter, a homebred Canadian quarter, is used largely on defence.

Two new import ends who tried out with the squad—Bill McElhannon, from Tulane, and Jim York, Duke University—were later dropped. John O'Quinn, an all-star last season, is a holdover American end.

Two American players who started with the first Alouette team eight seasons ago are still with the club. Now no longer imports, they are Herb Trawick, lineman, and Virgil Wagner, who has led the Big Four in scoring. Marv Meirowitz, lineman from McGill University, is also a non-import American.

Canadian Holdovers

Among the Canadian holdovers of one or more seasons are backfielders Jim Mitchener, Joey Pal, Cec Findlay, Tommy Manastersky and Phil Adiran. Canadian linemen still with the club include Dave Tomlinson and Juan Sheridan. Glen Douglas is back at end.

Manastersky, who appeared to have been linked permanently with the defensive team, was turned loose by Walker as an offensive threat in the exhibition game against Calgary and was a standout with his ground-gaining ability.

Among the new Canadian prospects are Doug Mcnichol, an end from University of Western Ontario; Jim Miler, also an end, from McGill, and Millar Gallow, a centre from Western.

Buffalo Bisons Again on Top Of International

By THE CANADIAN PRESS

Buffalo Bisons zoomed to the top of the International League ladder during the week-end on the strength of a four-game sweep from Syracuse Chiefs.

The Herd won a doubleheader from the Chiefs Saturday, 1-0 and 9-7, and repeated Sunday, winning 6-3 and 15-8. Syracuse has lost 14 straight.

As a result, the Bisons are again in first place, 1½ games ahead of Rochester Red Wings.

The Wings downed Toronto Maple Leafs 5-2 Saturday behind George Condrick's five-hit pitching. But Sunday the fifth-place Leafs, striving for a playoff berth, routed the Birds 6-2 to snap Rochester's winning streak at 10 games. Little Vic Lombardi hurled a five-hitter for the Sunday victory.

Ernie Nevel blanked Syracuse Saturday with a four-hitter, while timely hitting gave Buffalo the heavy-hitting second game. The Bisons scored three runs in the second inning and six in the sixth.

Allows Five Hits

Veteran Earl Harrist allowed only five hits for Buffalo's opening victory Sunday, although two were homers by Benny Zientara and Roy Partee. Jack Wallaesa hit his 32nd homer for the Bisons. The Bisons reached five pitchers for 16 hits in the second game after a dozen batters came up for eight tallies in the first inning.

Montreal dropped three of four week-end contests to Springfield Chiefs and dropped to 4½ games behind Buffalo.

Montreal and Springfield split Saturday, the Royals taking the opener 2-0 and Springfield the nightcap 4-3. The first game was a pitcher's battle between winner Ken Lehman and loser Jones. The Cubs outhit the Royals 4-3, but also were charged with two errors. Gene Tarabilda pitched the Cubs to victory in the second game, allowing eight hits.

Cubs Win Twice

Springfield jolted the Royals 2-1 and 6-3 Sunday. Ron Northey's 18th homer in the eighth of the opener broke a tie that gave the Cubs the triumph. Reliefer Tony Jacobs won his own game in the nightcap. With the score tied in Springfield's four-run sixth, Jacobs tripled with the bases loaded.

Ottawa and Baltimore split a two-game week-end series. Bob Trice pitched a brilliant three-hitter to give the Athletics a 3-0 victory Saturday. Jocko Thomson's five-hit effort tamed the A's Saturday and enabled the Orioles to eke out a 5-4 victory.

Glen Roy Jrs. Take Oshawa In First Game of Playdowns

(By PETER UPPER)

Behind the six hit pitching of Doug Radnor, the Glen Roy Juniors defeated the Oshawa Peddlars 5-2 in Oshawa Saturday evening. It was the first game of their best-of-three series in the O.A.S.A. playdowns.

Oshawa started the scorning in the bottom of the first inning when DePratto was walked, went to second on a passed ball, got to third on a fielder's choice and came home on a hit by Booth.

The Glens bounced right back in the top of the second when Jones singled, went to second on an over throw and came all the way 'round on Radnor's double. They went out in front in the fourth, when Peter Green blasted the ball for a triple and he was brought home on a single by Soule. They got two more in the fifth, when Barclay led off with a walk, he went to second on a sacrifice, got to third on a fielder's choice and then Batchelor came through with a home run and put them three runs out in front. Jerry Goyer rode the ball for a round tripper in the seventh with the bases empty. Collins did the same thing for the Peddlars in the eighth with the sacks empty. The Glens wound up the game with a double play when Batchelor grabbed a line drive and threw it to Bob Green on first to get two.

Doug Radnor went all the way on the hill for the Glens getting five on strikes and passing four. Jones sweated the route for the Peddlars fanning nine and issuing three walks.

Dave Jones and Doug Soule shared the batting honors with a pair of singles apiece. Goyer and Batchelor each slammed the ball for homers, Peter Green hit a triple, Radnor hit a double and Carr got a single.

Thompson was best at the plate for the Peddlars with two singles. Collins hit a homer while DePratto, King and Booth each touched Radnor's slants for singles.

Glen Roy: Barclay lf; Goyer ss; Carr 3b; Batchelor 2b; Peter Green c; Bob Green 1b;; Soule cf; Dave Jones rf; Radnor p.

Peddlars: DePratto 2b; Collins cf; King lf; Booth c; Piomtek 3b; Tutek ss, rf in seventh; Thompson rf, ss in 7th; Courtney 1b; Jones p.

Score by innings:		R	H	E
Glen Roy	010 120 100	5	9	0
Peddlars	100 000 010	2	6	2

Kitchener Makes Second Place In Intercounty

By THE CANADIAN PRESS

Second place in the Senior Intercounty Baseball League standing was all but clinched by Kitchener Panthers during the week-end as they edged the last-place St. Thomas Elgins 5-4.

The victory meant that any combination of a Kitchener win or a Brantford loss in the three games left to each club would settle the issue.

In other games Galt Terriers turned in their smartest fielding game of the year on home grounds to shut out London Majors 5-0, and Hank Biasatti called on three pitchers as his Waterloo Tigers defeated Brantford Red Sox 4-2.

Kitchener came from behind for their victory over St. Thomas. The luckless Elgins moved into a 3-0 lead in the top of the second when they picked up three of the nine hits they got off Chuck Fedoris, one of them a two-run homer by Fred Wasiluk.

Then Kitchener started to move. with single runs in the third and fourth-and a pair off Wally Beggs in the sixth. Elgins tied it up 4-4 int he ninth but Kitchener loaded the bases in the finale. Ross Dogherty punched one to right to score Hugh McGillivray with the winner.

At Galt big Jeep Jessup's victory marked his 14th triumph of the season and his third shutout. He allowed five hits and boosted his strikeout record to 129 for the season.

Andy Turowski, with a homer to left-centre field in the third, marked up a record of 61 home runs for the Terriers for the season. The Majors got a player to third base only once, thanks to three Galt double plays.

Waterloo scored four runs in the first inning in beating Brantford, and starter Al Gavey was replaced by Al Gerringer later in the game. The Tigers checked all Red Sox rallies by leaving 12 Sox' runners stranded.

GAVILAN TO DEFEND TITLE

SYRACUSE, N.Y. (AP)—World welterweight champion Kid Gavilan of Cuba agreed Saturday to place his title on the line in a 15-round bout here Sept. 18 with Carmen Basilio of Syracuse. The winner, terms of the contract stipulated, is to meet Johnny Bratton of Chicago within 60 days at a city and date to be decided later.

Marlene Stewart Training Well For U.S. Amateur

PROVIDENCE, R. I. (AP)—The 1954 United States Curtis Cup golf team will be chosen largely on the basis of performances in the 1953 woman's amateur championship starting today. And there are indications that it may be an almost entirely new team.

All seven members of the 1952 cup team, the first ever to lose to Britain in the international competition, are in this tournament. And they received the benefit of preferential placings in the draws, along with the four former champions and a few others. But they're just a few among 20 or more girls rated good enough to win the title.

The nearest thing to a standout in the well-balanced field of 149 golfers, chubby little Marlene Stewart, isn't eligible for the team because she is a Canadian.

But the tiny girl from Fonthill, Ont., is big enough to give the U. S. contenders fits. She broke the American monopoly on the Canadian championship two years ago and won the British women's title a few weeks ago.

What's more, Marlene, who says she'd rather practise golf than play the game, has shown a distinct liking for the seaside course of the Country Club of Rhode Island. She hasn't kept score in her practice rounds on the 6,371-yard, par 38-36—74 layout, but she has been playing it very well.

A quick rundown of the draw-sheet of eligibles shows such names as Pat Lesser of Seattle, Judy Bell of Wichita, Kan., Barbara Romack of Sacramento, Calif. (current Canadian titleholder) and Edean Anderson of Helena, Mont. They weren't picked for the last international team, but they've shown enough to indicate they could do well enough here to qualify for the next one.

The course itself, and the wind that occasionally blows off Narragansett Bay, will be important factors in the tournament. It's a real seaside layout, with trees and marshes, a deep, winding creek and a big lagoon beside the eighth fairway.

Today's schedule called for all 21 first-round matches and 53 second-round matches to be completed.

Orphans Tie With Ottawa In Exhibition

OTTAWA (CP)—Peterboro Orfuns and Ottawa Seconds Saturday fought to a 9-9 tie in an exhibition football game here. Seconds tied the score in the final play of the game.

Orfuns, Eastern Canada intermediate football champions last season, led 9-8 when they fumbled in their own territory with only seconds to play. Matt Robillard kicked deep into the end zone and a swarm of tacklers rouged Bus Jenson for the tying point.

Robillard, a newcomer to the Quebec Rugby Football Union intermediate club, was a big factor in the Seconds' offensive. He kicked three singles in the first quarter, set up a touchdown pass with a 43-yard march on three successive runs in the last quarter and punted on the final play.

Orfuns capitalized on the Seconds' miscues in the second quarter to score eight points—on a safety, a single and a touchdown. Ron Hodgson kicked a single in the first quarter and another in the second.

Bill Stapleton tossed a 30-yard pass to Mel Featherstone in the end zone for Seconds' touchdown after Robillard's ground-gaining runs. Orfuns recovered a Seconds fumble on the Ottawa 25-yard line and bucked over in six plays, Blair Thompson carrying the ball on the final play from one yard out.

MARKING FISH IS ADDED FUN. GET A PUNCHER, SUCH AS A STREET CAR CONDUCTOR USES AND PUNCH A HOLE IN THE TAIL OR FIN OF THE UNDERSIZED FISH YOU CATCH BEFORE THROWING THEM BACK. THE BIG ONE YOU BOAT SEVERAL YEARS HENCE MAY BE A LITTLE ONE YOU MARKED
UNLESS YOU ARE CERTAIN WHAT TYPE MINNOWS YOU ARE USING —
— DON'T DUMP YOUR SURPLUS IN FISHING WATERS. MANY BAIT DEALERS CATCH SMALL CARP FRY. THESE AND OTHER UNDESIRABLE SPECIES HAVE BEEN TRANSFERRED TO NEW WATERS UNKNOWINGLY BY FISHERMEN
WOULD YOU GO FISHING WITHOUT YOUR TACKLE BOX ? NO, KEEP YOUR LICENSE IN THE BOX AND YOU CAN ALWAYS PRODUCE IT IF ASKED
WHEN FISHING WITH MINNOWS AND YOUR LUCK IS BAD PAINT YOUR BAIT WITH MERCUROCHROME. IT OFTEN GETS RESULTS

Ti-Cats Romp To Easy Win Over Sarnia

HAMILTON (CP)—Hamilton Tigers romped to an easy 36-5 win over Sarnia Imperials and the All-Stars here Saturday night, but stars from Toronto, Ottawa and Montreal saw little action.

The game was staged to provide a fund for Bobby McDonald, Tiger-Cat back who was stricken with polio. Some 15,000 fans turned out.

Joe Krol, who was used at quarter and to kick, stumbled while about to throw a pass and had to be assisted from the field in the second quarter. Billy Bass, Hank Cicia, and Royal Copeland saw less than five minutes action as did Al Dekdebrun, while the much-touted John Kissell sat on the bench all night.

Against the Imperials the Ti-Cats looked like all-stars. Chuck Niven, Royal Bailey, Billy Grimes, Lou Kusserow and Merle Hapes got through for big gains and only twice during the game did the Imps have the ball in scoring position.

Tigers led 6-0 at the quarter, 24-0 at the half and 30-0 when the teams changed ends for the final 15 minutes.

Ed Chorostecki was best ball carrier for the Imps, picking up several first downs on off tackle plays, while Bruce Mattingly was strong defensively.

Tom Winnell got the lone Sarnia try late in the last quarter when Andy Sokol gave him a lateral 10 yards out.

Remember When

By THE CANADIAN PRESS

Helen Wills Moody won her sixth United States women's tennis championship 24 years ago today at Forest Hills, defeating Mrs. Phoebe Watson of England 6-4, 6-2 She won the title again in 1931 but in 1933, facing apparent defeat and near collapse, she conceded victory to Helen Jacobs.

KERRY ENTERS FINAL

DUBLIN (AP)—Kerry defeated Louth 15-10 in the All-Ireland football semi-final at Croke Park Sunday and qualified to meet Armagh in the final Sept. 27

Sports Roundup

By GAYLE TALBOT

NEW YORK (AP)—There has come to this desk a rather remarkable documentary, the annual brochure of the Massillon (Ohio) high school football team. We feel it deserves wider distribution than it might otherwise receive.

Massillon is a city of some 29,000 population whose name has become known to virtually every football fan in the country through the amazing exploits of its high school Tigers. The capacity of its high school stadium is 22,000.

The present Massillon coach, Charles Mather, has a record of 47 victories and three defeats in the last five seasons.

The current brochure lists 84 players expected to report to Mather and his five assistant coaches next month when the Tigers start looking for their sixth straight state title. Their 10 opponens will include every other team which has won the state crown since '34.

Mather is known as the 'mechanical coach," and with some reason. For instance, he employs an electric tabulator to catalogue the good, bad and indifferent qualities of his players. Before him on the bench during a game he has a television screen in which he can see what is going on from a vantage point high above the field. A set is being installed for the visiting coach this year, too.

The Tiger booster club of 2,000 members meets each Monday night during the season to whack over the previous week's game and look forward to the glorious future. These are happy and festive occasions as a rule, Massillon's winning average over the last 32 years having been .814.

The Tigers play annually before crowds totalling, roughly, 160,000. The receipts support all other forms of athletics and numerous other activities. In the last year for which figures are given, 1951, the Tigers earned more than $87,000 and gave more than $40,000 to their dependents.

BOY, 12, STEALS TRUCK

LONDON, Ont. (CP)—A 12-year-old boy, charged with stealing a dump truck from an East London lot, told police that driving the vehicle was "no trouble." The lad, who was picked up by police outside Aylmer Thursday, admitted the theft in juvenile court Friday and was placed on probation.

Kingston Pair Win Provincial Doubles Title

HAMILTON (CP) —Competitors from Grimsby, London, Elmwood, Kingston and Agincourt carried off honors here Saturday in the Ontario lawn bowling championships.

George Warner's Grimsby quartet won two games in the three-round matches, plus 21 points, to edge out the Ottawa rink skipped by M. T. Atkinson. In the doubles, W. D. Duncan and R. W. Edney of Kingston swept to three wins and 19 points, defeating teams from Waterloo, London and West Toronto.

George Hillson of Agincourt had little difficulty in the singles play. He successively defeated J. Beacon of Kew Beach, L. Smith of Dundas and E. Ostrander of Tillsonburg. London Elmwood's junior pair, Don Robinson and Dave Smith, swept their three games for the junior title.

SIGN McLENAHAN

CINCINNATI (AP)—Roland McLenahan, 36, high-scoring defenceman, Saturday was named player-coach of Cincinnati Mohawks of the International Hockey League. Tom Grace, president of the Cincinnati club, said McLenahan will replace Herb (Buddy) O'Connor who resigned to go into business. McLenahan played and coached at Sudbury, Ont., last season. He scored 27 goals in 36 games.

Ontario Wins Willingdon Cup

MONTREAL (CP) — With two championships already decided, cloce to 200 golfers start out today over the Kanawaki course in the week-long struggle that leads to the Canadian amateur golf championship.

The match play tournament promises to be a wide-open affair, with the whole 10-man array of Britain's Walker Cup team in action against Canada's best and half a dozen strong entrants from the United States.

From a Canadian viewpoint, a hint of what might be expected came Saturday when Ontario's four-man team overhauled Quebec to win the interprovincial team championship and the Willingdon Cup. Ontario finished with a three-stroke victory, 590 to Quebec's 593.

The juniors had their fling too and 17-year-old Gordon MacKenzie of Vancouver won the Canadian junior championship by a margin of two strokes.

WINNER DEAD AT FINISH

SYRACUSE, N.Y. (AP)—A motorboat pilot sped to victor yand death Sunday at the international inboard meet on Onondaga lake. Alfred E. Endres, 28, of Grand Island, near Buffalo, apparently was overcome by methanol fumes from the motor of his boat, said Dr. Stanley Groman who pronounced him dead. Endres slumped over in the cockpit of his boat after winning the class- Erace.

Seixas, Trabert Defeated By Aussie Pair

BROOKLINE, Mass. (AP)—Mervyn Rose and Rex Hartwig brightened Australia's recently-tarnished tennis prestige by defeating America's best, Vic Seixas and Tony Trabert, 4-6, 6-4, 6-1, 8-6 in a men's U.S. doubles semi-finals match Saturday.

The Aussie second - stringers, rated below 18-year-old oldsters Lewis Hoad and Ken Rosewall, needed only 1½ hours to avenge the U.S. Davis Cup aces for the five-set setback suffered at the Newport Casino last week.

Rose, who shared the national titles with Seixas here last year, and Hartwig gained their decisive victory by blasting Trabert's service.

A U.S. team has not won the team title outright since Gardnar Mulloy and Bill Talbert prevailed here in 1948. Now those oldsters—Mulloy, almost 39 and Talbert crowding 35—are finalists again.

Passed over as U.S. Davis Cup possibilities, Mulloy and Talbert displayed their oldtime court wiles to defeat Straight Clark of Pasadena, Calif., and Hal Burrows of Charlottesville. Va., 4-6, 6-3, 6-2, 6-4, in the other semi-final.

Sport in Brief

STRATFORD (CP) — The nine Senior A Ontario Hockey Association clubs decided Sunday on Oct. 23 as a tentative opening date for the league.

The meeting also voted to use the same icing rule they have operated under for the last two seasons. M. L. (Tory) Gregg, OHA president, told the meeting the Canadian Amateur Hockey Association has ruled the same icing rule must apply to all games played under its jurisdiction.

Gregg also said the CAHA has agreed to revise its division of playdown receipts so that competing teams may receive a larger percentage.

The meeting went on record as opposed unanimously to paying $500 for any player graduating to senior ranks, as has been recommended to the OHA by the junior A clubs. This will be made known to the OHA.

In connection with provincial taxation at hockey games, the the meeting decided that any club intentionally violating taxing provisions will be suspended until such time as any other club affected can be indemnified.

Considerable criticism was voiced over the manner in which the OHA had admitted the Windsor club into the group without consulting the group as a whole. It was agreed that a clause be included in the franchise agreement so that future applications can be dealt with by clubs, and no new entry will be accepted unless 75 per cent of clubs are agreeable.

It was decided the first six teams will enter the playoffs. Each team will play 48 games and in addition home-and-home games played by the following three divisions: Windsor, Sarnia and Chatham; Brantford, Hamilton and Niagara Falls; Kitchener, Owen Sound and Stratford.

It was also decided that a trophy, to be known as the Dave Pinkney Trophy, will be purchased and presented annually to the player voted most gentlemanly.

DYTE SUSPENDED

TORONTO (CP) — The Ontario Hockey Association announced Saturday that Jack Dyte, coach of last year's Simcoe OHA intermediate A champions, has been suspended until Aug. 20, 1954. An OHA sub-committee meeting last Thursday suspended Dyte when they discovered that he signed players' certificates of the Tillsonburg and Simcoe intermediate A teams for the 1953-54 season.

FIRE GUTS HOUSE, GARAGE

NIAGARA FALLS, Ont. (CP)—Fire of undetermined origin gutted a two-storey frame dwelling and garage here Friday, causing damage estimated at $15,000. Mrs. Fred Reece, only occupant of the house at the time, suffered minor burns on her hands while escaping from a second-floor ceranda by ladder.

There'll always be a
BUICK
in our family!

Illustrated—Roadmaster 4-door Riviera Sedan

You know, there are thousands of people who have never driven any car but a Buick. Their Buick is more than the family car, it's a part of the family—a tradition passed on from generation to generation. There's a reason behind this loyalty of Buick owners. It's the satisfaction of owning the best. It's Buick's individuality . . . the trigger-quick responsiveness of its Fireball power—the matchless beauty of its styling—the famous reputation for craftsmanship. That's why once a Buick family, always a Buick family. And this year, The Greatest Buicks in Fifty Great Years are surprising even old friends of Buick with their dazzling new peaks of performance. There's the superb Roadmaster, the brilliant Super and the spirited Custom, each one a new triumph for the Buick name.

Whether you're headed for your first Buick or your twenty-first, we promise you the driving thrill of a lifetime, so visit your Buick Dealer soon.

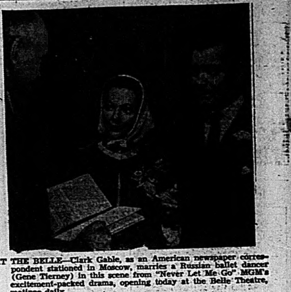
AT THE CAPITOL—John Wayne stars with Henry Fonda and Shirley Temple in John Ford's "Fort Apache" opening tonight at the Capitol Theatre. On the same program "Blood on the Moon" starring Robert Mitchum.

AT THE CAPITOL—Robert Mitchum stars with Barbara Bel Geddes and Walter Brennan in "Blood on the Moon". On the same program John Wayne in John Ford's "Fort Apache" Both attractions open tonight at the Capitol Theatre.

AT THE McCARTHY—Dynamic Helmut Dantine and the sultry new star, Marianna, share a forbidden love in the United Artists dramatic bombshell "Guerrilla Girl" playing today and Tuesday at the Odeon McCarthy Theatre along with the Technicolor hit "24 Hours of a Woman's Life" with Merle Oberon and Richard Todd.



AT THE BELLE—Clark Gable, as an American newspaper correspondent stationed in Moscow, marries a Russian ballet dancer (Gene Tierney) in this scene from "Never Let Me Go" MGM's excitement-packed drama, opening today at the Belle Theatre, matinee daily.

Trades and Labor Congress Ousts Last Red Union

OTTAWA (CP)—The Trades and Labor Congress of Canada has eased out the last stronghold of communism in that largest of Canada's central labor bodies.

It has suspended the United Fishermen and Allied Workers' Union of British Columbia, a 4,000-member organization led by leftists, until the union takes steps to rid itself of "Communist leadership and leanings."

Latest move in a three-year house cleaning of Reds in the congress, the action leaves the TLC with only a few minor and scattend pockets of Red influence among its 580,000 membership. These are in local groups.

Was Major Bloc

Until the fishermen's suspension was announced Friday, that union constituted the major bloc of Red power in the TLC. Its membership among B. C. fishermen and fish-plant workers is basically non-Communist, but it has been run for years by a small group of left-wingers.

Homer Stevens, its youthful secretary-treasurer, was a Labor-Progressive (Communist) party candidate in the Aug. 10 federal election, a factor which may have influenced the TLC executive in its suspension action.

Immediate reason for the suspension, officials said, was an unsatisfactory explanation by Stevens of certain pro-Communist statements made by union officials in recent months. However, it was known that TLC officers have been waiting for a chance to push out the union and later pick up its non-Red membership if it can.

In his suspension letter to Stevens—dropping the union from the TLC as of Aug. 24—president Percy Bengough said there is "an accumulation of incidents tending to show a very definite leaning towards communism and its front organizations."

Third Union Expelled

The fishermen are the third left-led organization to get bounced from the TLC since the big congress put on a drive against Reds three years ago. Others were the United Textile Workers of America and the Canadian Seamen's Union.

Despite its relatively small size, the B. C. fishermen's group has had a fairly loud voice in congress doings during the last several years. Alex Gordon, its young president, slipped into one of the five congress vice-presidencies in 1947—a year when leftists were strong in the TLC. He dropped out next year.

EXHIBITION OPENS

OTTAWA (CP)—Ottawa's Central Canada exhibition opened under a hot sun Saturday and will continue until next Saturday.

A monster parade got the big show under way as huge floats, commercial trucks, displays, elephants, clowns and old-model cars wound through neighboring Hull, Que., and Ottawa streets to the exhibition grounds.

THEATRE FEATURE TIMES

AT THE BELLE—"Never Let Me Go"—Clark Gable, Gene Tierney, Richard Hadyn — 2.15; 7.35; 9.50.

ODEON THEATRE, TRENTON—"Cloudburst" — Robert Preston — 2-7-9.45— "Made in Heaven" — in Technicolor —3.20-8.20.

HORSE SENSE BRIDGE

By SAM GORDON

The Kibitzer

What a skillful bridge player never lacks is boldness. He may have only one chance in a million. But if that one chance is there he will take it unless something better comes along.

There was the deal shown here:

NORTH
♠9 7 5 2
♥A 3
♦A 10 2
♣K J 9 3

WEST
♠Q J 10 8 6 3
♥10 9
♦8 7 5
♣4 2

EAST
♥K 4
♠J 8 7 6 5
♦K Q J 6 4
♣5

SOUTH
♥A
♠K Q 4 2
♦9 3
♣A Q 10 8 7 6

South became the declarer at a grand slam contract of seven in clubs. Overlook the fact that it was an optimistic goal. Concentrate on what south is up against in trying to take all 13 tricks.

The opening lead from west was the queen of spades. Comparing his own cards with that of dummy it looks as if declarer must lose a diamond trick. Only a squeeze may save the day.

To set the stage for it, all hands must be reduced to as few cards as possible before the squeeze starts. Finding it the only chance that presented itself, south made a stab at it.

The plan involved reversing the trump mastery to dummy hand. South took trick one with his spade ace, of course. Dummy got in by overtaking a trump and a spade was ruffed high in south.

Dummy overtook another trump and another dummy spade was led and ruffed in south. Another trump was led from south and dummy overtook it. The last dummy spade was ruffed in south.

A small heart went to dummy ace. Diamond ace was cashed for a Vienna coup. This leaves dummy in the lead when holding small heart, ten and small diamond, and the only unplayed trump.

East clung to diamond king and his three best hearts. South had three hearts and diamond nine. Right here is where dummy led the final trump and east was squeezed out of a heart or diamond.

If east fires a heart, south throws the diamond and all his hearts are good. If east chucks diamond king, south sheds small heart. Diamond nine and top hearts win. Keeno.

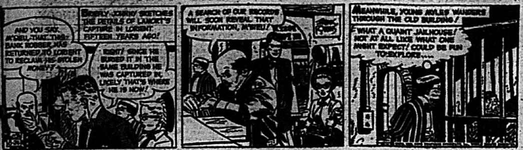
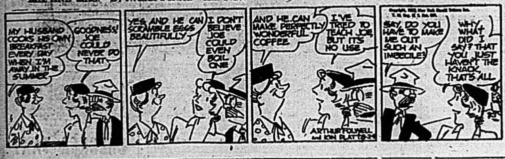
JOHNNY HAZARD — By Frank Robbins



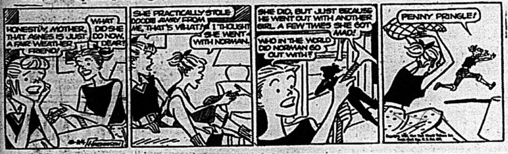
AND YOU SAY, M'SIEU, THAT THIS BANK ROBBER HAS RETURNED TO LORIENT TO RECLAIM HIS STOLEN MONEY?
BRIEFLY JOHNNY SKETCHES THE DETAILS OF LAMORT'S CAPTURE IN LORIENT FIFTEEN YEARS AGO!
RIGHT! SINCE HE BURIED IT IN THE SAME BUILDING HE WAS CAPTURED IN, LIKELY THAT'S WHERE HE IS NOW!
A SEARCH OF OUR RECORDS WILL SOON REVEAL THAT INFORMATION, M'SIEU!
MEANWHILE, YOUNG MYLES WANDERS THROUGH THE OLD BUILDING!
WHAT A QUAINT JAILHOUSE! NOT AT ALL LIKE WHAT ONE MIGHT EXPECT! COULD BE FUN TO EXPLORE....

MR. AND MRS.—By Arthur Folwell - Kin Platt



MY HUSBAND COOKS HIS OWN BREAKFAST EVERY DAY WHEN I'M AWAY IN THE SUMMER
GOODNESS! JOE COULD NEVER DO THAT
YES, AND HE CAN SCRAMBLE EGGS BEAUTIFULLY
I DON'T BELIEVE JOE COULD EVEN BOIL ONE
AND HE CAN MAKE PERFECTLY WONDERFUL COFFEE
I'VE TRIED TO TEACH JOE, BUT IT'S NO USE
SAY, DO YOU HAVE TO MAKE ME OUT SUCH AN IMBECILE!
WHY, WHAT DID I SAY? THAT YOU JUST HAVEN'T THE KNACK, THAT'S ALL
ARTHUR FOLWELL and KIN PLATT 8-24

PENNY — By Harry Haenigsen



HONESTLY, MOTHER, THAT AGNES IS JUST A FAIR WEATHER FRIEND!
WHAT DID SHE DO NOW, DEAR?
SHE PRACTICALLY STOLE DOODIE AWAY FROM ME, THAT'S WHAT!
I THOUGHT SHE WENT WITH NORMAN.
SHE DID, BUT JUST BECAUSE HE WENT OUT WITH ANOTHER GIRL A FEW TIMES SHE GOT MAD!
WHO IN THE WORLD DID NORMAN GO OUT WITH?
PENNY PRINGLE!

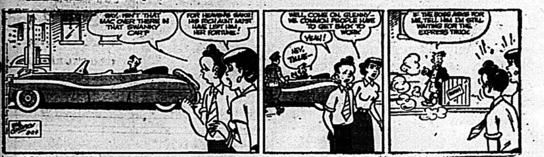
NOW THEN WHAT'S THE GAME
?
WONDERFUL VALUE
!

TILLIE THE TOILER—By Bob Gustafson



SAY, ISN'T THAT MAC OVER THERE IN THAT SWANKY CAR?
FOR HEAVEN'S SAKE! HIS RICH AUNT MUST HAVE LEFT HIM HER FORTUNE!
WELL, COME ON, GLENNY—WE COMMON PEOPLE HAVE TO GET BACK TO WORK
YEAH!
HEY, TILLIE—
IF THE BOSS ASKS FOR ME, TELL HIM I'M STILL WAITING FOR THE EXPRESS TRUCK

Your Individual Horoscope

By FRANCES DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR TUESDAY, AUGUST 25, 1953

March 21 to April 20 (Aries)—Misplaced courage can lead to circumstances that could be harmful to you, your progress, associates. Stay at ease; don't become irritated because others disagree. Diplomacy!

April 21 to May 20 (Taurus) — More than ordinary effort will be needed to carry you through this day if you would avoid disappointment. Make plans very carefully; be alert, ready to make changes on quick notice.

May 21 to June 21 (Gemini) — Avoid engaging in unknown propositions, haphazard chances with collaterals; care better for personal property. Do some earnest figuring, study before acting on financial, business ventures.

June 22 to July 23 (Cancer) — With calmness and astuteness you can get the plums today. Clear your mind of petty matters, forget self you will have a greater chance for peak achievement. Your kindliness will bless.

July 24 to August 22 (Leo) — Speed may be your motto, but you could get ahead of your objective or schedule, in which case reverses would result. All practical matters and worthy undertakings fine if sensibly handled.

August 23 to September 23 (Virgo)—Romance, attaining personal desires will have to wait today, play second fiddle to important business, and other matters coming up. Your individual services are important to certain issues now.

September 24 to October 23 (Libra)—Respond quickly, keenly to openings, most likely about noon. You may not find things as harmonious as you'd like, particularly where private affairs are concerned. Be careful, amenable.

October 24 to November 22 (Scorpio)—Success won't be accidental but will come through patient and intelligent effort, plus tact with friends and those who help you. Do some thinking for tomorrow today.

November 23 to December 22 (Sagittarius)—You'll no doubt find best avenues for accomplishment through expansive organizations and industries. That is, unselfish service for the good of all will further personal interests.

December 23 to January 21 (Capricorn)—Don't put off important work, engagements, duties, for non-essentials. Handle your endeavors as expertly as possible, and with a smile, no matter how hard or unpleasant. Cheers!

January 22 to February 20 (Aquarius)—Fairly good day on the whole. Of course, it will mean little to you unless you make something out of it. Let's make it the exception, the big day. Start early and well and you will achive.

February 21 to March 20 (Pisces)—Most personal desires and acivities take second place after important issues, business undertakings. A splendid period for the willing, hard thinking person. Romance also favored.

YOU BORN TODAY have sterling qualities: usually an even, pleasant disposition plenty of good common sense. You have professional and business assets and your natural intuition and sane self, control, plus a knack of knowing right from wrong, indicate success in any field you should care to enter. These same qualities also make you an ideal partner, associate. Literary and musical talent likely. Especially fitted for career before the public, including stage or politics. You absorb knowledge quickly. Don't be too critical.

Birthdate of: Bret Harte, author; Jane L. Stanford (Leland-Stanford University.)

TWEED

TWEED.— Mr. and Mrs. Fred LaPalm and Ronnie, of Detroit, and Mr. and Mrs. Stan Hotts and Miss G. LaChappelle, also of Detroit, are visiting relatives in Tweed and district.

At the regular monthly meeting of the Ladies' Auxiliary of the Canadian Legion, Mrs. C. Jeffs of Belleville, installed the first president, Mrs. A. G. Allan, and the second vice-president, Mrs. Jack Rashotte, who were unable to attend the official installation night. Five new members were also initiated into the association.

Mr. Louis H. Bayler of Los Angeles, Calif., was a recent visitor at the home of his cousin, Mrs. R. J. Campbell and Mr. Campbell.

Miss Mary Joan Quinn has returned after visiting her aunt, Mrs. Kay McGurn at Marysville.

Mrs. Nell Woodcox and daughter Ana, of Frankford, spent a few days recently with Mr. and Mrs. R. J. Campbell.

Mrs. William Laird and family of Trenton, spent the week-end with her sister, Mrs. Kilburn and Mr. Kilburn.

Mr. and Mrs. James Golan and family of Brantford, Mr. and Mrs. P. K. McGrath and Mrs. Bert McIvor, of Toronto, were recent visitors at the Golan farm.

Mr. and Mrs. Ken Asten, Jimmie and Billie, of Montreal, have been spending two weeks holidaying with Mr. and Mrs. Harry Austin and Mr. and Mrs. Oscar Thurston.

Mr. and Mrs. A. W. Leman, attended the presentation of Richard III, last Tuesday, one of the two plays being presented at the Shakespearean Festival in Stratford.

Miss Doreen Sommerville, of Hamilton, was a recent guest of her cousin, Miss Edna Jones.

Mr. and Mrs. Edward LaBerge and family, of Ottawa, were holidaying last week at the LeBerge summer home at Otter Creek.

Mrs. J. R. Runney has returned to her home in Toronto, after spending the past week with her sister, Mrs. Russel E. Green.

Mrs. Jack Ford and family, of Toronto, are visiting her mother, Mrs. Jos. Brioux, for two weeks.

Mr. John Bennett and Miss Marjorie Moore, of Chicago, and Mr. Alex. Clarke, of Belleville, were recent visitors at the home of Mr. and Mrs. Ibra Henderson.

Mr. Bruce Brown who was recently discharged from the Canadian Navy, at Halifax, is visiting his sister, Mrs. Bill MaDonald, Mr. McDonald and family en route to his home in Victoria, B.C.

Mr. and Mrs. John Campbell, Karen and Teddy returned to their home in Toronto after spending a two weeks' vacation with Mrs. Campbell's parents, Mr. and Mrs. J. M. Wilkinson.

Mr. and Mrs. George McCutcheon, of Toronto, have been holidaying for a few days at the home of the latter's parents, Mr. and Mrs. W. L. Ketcheson.

Russell Card, who has been a patient in Civic Hospital, Peterborough, has returned to his home here, where he will convalesce for some time.

Mr. and Mrs. Bert Wallace and family, of Merritton, are visiting Mr. and Mrs. Jack Wallace and family in Sulphide, this week.

Mr. and Mrs. Robert King, Jimmy and Maureen, of Bowmanville, visited Mr. and Mrs. E. L. Jardine, recently.

Mrs. Arthur Jones and Shirley of Cobourg, and Mrs. Charles McConnachie and Wayne were holidaying in Tonawanda, N.Y., last week with their sisters, Mrs. Frank Pearl, and Mrs. Al Fox.

Friends of Miss Grace Moran will be happy to learn she was able to leave Belleville General Hospital last week, where she has been a patient for some time. Miss Moran is convalescing at the home of her sister, Mrs. Hubert Goodmurphy, in Picton.

Mr. and Mrs. Clarence Mouch left last Saturday on a motor trip through the New England States and the Maritimes.

Mr. and Mrs. J. E. Backus, of Winnipeg, Man., are visiting the latter's father, Mr. Neil Benny, of Ivanhoe, and also renewing acquaintances in Tweed.

Mr. and Mrs. Bill Dobson, of Ethel, Ontario, have been visiting Mr. and Mrs. Les Jardine.

Mrs. Ted Courneyea and Richard, spent a few days last week at her home in Copper Cliff.

Mr. and Mrs. Jerry Austin and family, of Palgrave, Ontario, were visitors at the home of Mr. and Mrs. Harry Austin, and Mr. and Mrs. Oscar Thurston.

Mr. and Mrs. George See, of Toronto, are spending a vacation at the home of Mr. and Mrs. Oscar Thurston and Paul.

Mr. and Mrs. James Wylie, of Toronto, called on Mr. and Mrs. Fred Foster on Wednesday, en route to Quebec City, on a holiday.

Dr. F. W. Arber, of Vancouver, spent the week-end with his parents, Mr. and Mrs. F. C. Arber, before going to Toronto where he will remain for the next two weeks.

Mrs. Hector Wood, of Stirling, was a recent guest of her sister, Mrs. A. Jones.

Moreen and Bruce Zeron, Anne Moore, and Michael Normile, of Napanee, are spending the week at the Zeron cottage.

Miss Kathryn Coulter, of Tweed, is spending the week with Mrs. J. Lawrenson.

Mr. and Mrs. W. L. Shorey and Carol, of Belleville, are holidaying at one of Mulrooney's cottages.

Mr. and Mrs. D. A. Rupert and family are spending two weeks at Gerry Quinn's cottage.

Guests of Mrs. D. A. Y. Colquhoun during the week were, Mr. and Mrs. John Hines and daughter, Jeanne, of Newmarket.

Jack Fleming, Rochester, and sisters, Mrs. Stella McGrath, of Detroit, Mich., and Miss Agnes Fleming, of Kingston, are holidaying for two weeks at the former's cottage.

Vacationing for a week in a cottage of Mulrooney's are, Mr. and Mrs. Bernard Causineau and family, of Kingston.

Mr. Lloyd Percival, well-known Canadian sports figure and organizer of Sports College, CBC program heard every Saturday, coast to coast network, was the speaker at the weekly meeting of Tweed Kiwanis Club, at Hotel Tweedsmuir, on Thursday evening.

Dean J. J. Shannon and his mother were guests at the wedding of Theresa Walsh of Read to Dr. Philip John Leahy, of Teeswater, which took place in St. Charles Church, Read.

Mr. and Mrs. Jack Wallace, Barry and Betty, of Sulphide, spent last week with Mr. and Mrs. Bill Wallace in Valleyfield, Que.

Mr. and Mrs. E. L. Jardine spent a few days in town last week.

Miss Martha Elliott is visiting with Mr. and Mrs. Stewart Alger at their cottage in Algonquin Park.

Mr. and Mrs. John Brennan and Nancy, spent a few days last week in Syracuse, N.Y.

Dr. Margaret Elliott, daughter of Mr. and Mrs. Lincoln Elliott, Tweed, has joined the staff of the Manitoba Clinic, in Winnipeg, as an assistant in internal medicine. Dr. Elliott has been engaged in post-graduate work in St. Louis, Missouri, for the past year.

Rev. L. E. Hawkes and Mrs. Hawkes returned home last Wednesday after an enjoyable motor trip to Sussex, N.B.

Mr. and Mrs. Arthur Sheffield celebrated their 50th wedding anniversary. The community presented them with a lovely gift.

Briefs From Britain

GUILDFORD England (CP)—"Don't ever tread on asbestos roofs—they're too dangerous," was Frederick Bedord's advice to his son Duncan, a novice steeplejack. But the elder Bedford, 63, later was killed in a fall from an asbestos roof.

LONDON (CP) — A well-known store in Sloane Square which specializes in women's accessories has added a department selling men's socks. The idea is that women who go on a shopping spree may buy a pair of socks to lessen hubby's wrath at the bills.

LAVENHAM, England (CP)—The Tudor House, an English ancestral home in this Suffolk town, is to be turned into a public house. Lord Oxford lived there when he led Henry VII's troops to victory at Bosworth Field, 1485.

SOUTHEND, England (CP)—A trolley bus hit a parked automobile, went into a spin, clipped a truck, cut a telegraph pole in two and smashed a small tree before coming to rest. Only the driver was hurt.

WESTERHAM, England (CP)—The parish church in this Kent community, baptismal spot of Gen. James Wolfe who captured Quebec for Britain, is infested with the destructive death watch beetle. Officials said treatment and repairs may be long and costly.

LONDON (CP)—Dr. H. Franks, health ministry official, told a health conference that London's only hope of eradicating its fog problem lies in shutting all its factories, dousing its open fires and diverting fuel from nearby heavy factories. The black fogs of last winter were blamed for 1,000 deaths.

LONDON (CP) — London county council wants someone to complete the task of a detailed history for each of its 28 boroughs, a job half completed and now going begging at a salary of £1,750 a year. Wanted is a fast worker who can finish the job before the turn of the century.

ST. OSYTH, England (CP)—Fred Fry lost his line overboard during an Essex fishing contest and Fred Charlton pulled it out. Charlton was named the winner with the fish that was hooked on Fry's line.

BUDE, England (CP) — Allan Kennedy, one of Australia's leading lifeguards, is visiting this Cornwall seaside resort to give instruction in his country's latest surfboard life-saving techniques.

Rust and Frost Hazards Facing West's Wheat

REGINA (CP)—Saskatchewan's wheat crop, racing towards another bounteous harvest during the current warm spell, still has two hurdles to clear before it will be safely in storage—rust and early frost.

By the middle of next week the vast bulk of Saskatchewan's 365,000,000-bushel what crop — second only to last year's record harvest of 435,000,000 bushels—will be beyond destruction by frost. But it won't be past the point where it could suffer damage and even serious loss of grades and yields.

Crops are later maturing this year because of a wet spring which delayed seeding.

In most areas, except for durum wheats and very late bread wheat crops, rust damage is not regarded as serious, although crop experts here figure there will be some.

The greatest danger from rust may be indirect even where it does nothing direct of serious consequence. It may slow development of wheat kernels, pushing the maturity date further into the early frost period.

No Immediate Threat

The latest five-day weather forecast indicates, however, that no immediate frost threat is in the offing. The outlook is for above-normal temperatures. The greatest frost danger is expected Sunday after cooler air hits the Prairies today, but the possibility is regarded as remote.

On the average, the maturity of wheat is believed a week to 10 days away. Harvesting is not expected to be general until towards the end of August.

In the normal course of events this would not be unduly alarming. The normal date of the first Saskatchewan frost runs from Aug. 28 in the southwest to Sept. 9 in the northeast. The first killing frost usually is later. It has occurred as early as the first week of August and as late as October.

Rust In Evidence

Over a large area wheat crops are laden with stem rust postules. The early wheat is beyond damage. Much of the later wheat also is regarded safe from serious damage.

Crops thought to be in the greatest danger from rust are the very late wheat on the Regina plains and along the main line of the Canadian Pacific Railway east of Regina.

Given continued warm weather and frost no earlier than normal, the farmers' main problems this year probably will be storage and markets.

STORM FLATTENS CROPS

ALLISTON (CP)—A brief electrical and hail storm swept this district Friday, causing an estimated $75,000 to $100,000 damage to flue-cured tobacco crops. Hail and wind flattened tobacco plants on six district farms, Mackenzie Beattie, a grower, reported. He said some 120 acres were wiped out. Lightning struck and killed a team of horses.

Sky-Scooter Lands on Purpose on Busy Highway

When a light plane lands on a highway, it's usually because the pilot has to come to land in a hurry. But this tiny sky scooter came to roost on purpose on the busy thoroughfare at Willowdale, Ont., to publicize a new super-market. Nine hours before arrival at Willowdale it was in Texas and it made the long hop on $13 worth of fuel, according to the manufacturers. It travelled at 140 m.p.h. —Central Press Canadian.

GORE

GORE— Mr. and Mrs. Wilbert Green have taken up residence in their own home.

MERCURY MONTEREY CUSTOM COUPE
Whitewall tires, rear fender shields, and bumper grille guards optional at extra cost
MERCURY ...a smooth performer steps ahead with great new POWER FEATURES!
Beautiful Mercury—so sleek and lithe—so completely powered. Drive Mercury. As each relaxing mile flows by Mercury's livelier performance, easier handling, smoother riding and safer stopping will stir your enthusiasm. You'll revel in the eager response of its smooth easy-going engine—V-8 of course!
You'll admire Mercury POWER STEERING*. It frees you from the "work" yet leaves all the feel-of-the-road. Mercury POWER BRAKES* will arouse new joy with *twice-as-easy* straight-line stopping. You'll marvel at Mercury's 4-WAY POWER SEAT*. It adjusts at a touch, to your most comfortable driving position.
After your Road Test, you'll agree, the new Mercury is the greatest yet—a smooth performer, so 'way ahead with all-new Power Features. If you haven't already enjoyed a Mercury Road Test, see your Mercury Dealer soon.
3-WAY CHOICE IN TRANSMISSIONS: Merc-O-Matic Drive, greatest of all automatic transmissions; or thrifty Touch-O-Matic Overdrive (both optional on all models); or Silent-Ease Synchronized Standard Transmission.
* Optional at extra cost.
V-8 as always!

MERCURY'S great new POWER FEATURES bring new driving pleasure and safety
POWER STEERING*
POWER BRAKES*
4-WAY POWER SEAT*
MERC-O-MATIC DRIVE*

Mercury POWER STEERING now available on all models keeps the feel-of-the-road—you know you're safe—in full command of the car, regardless of road conditions. When more than fingertip pressure is needed, hydraulic "muscles" make steering 3 times easier. Lets you park in the tight spots with ease.
All-new optional POWER BRAKES require little more than accelerator pressure. The weight of your foot holds car on a hill. Straight-line stopping is up to 50% easier—faster, too, because lower, closer pedal permits quick changing from gas pedal to brake—cuts reaction time.
Mercury POWER SEAT, now optional on all models. It adjusts four ways to provide your "just right" position. Simply press a button to move seat up or down, forward or back for the position from which you can see the best and drive the easiest with most relaxation.
There's no clutch—no gear shifting—Merc-O-Matic is fully automatic. To go, set lever and step on gas. It gives instant, smooth power response. There's automatic down-shift for hill climbing. There's positive, safe control on curves. Merc-O-Matic Drive is available on all models.

South Koreans To Boycott Parley If India Present

Bitter Attack on India Voiced In UN Political Committee

By A. I. GOLDBERG

UNITED NATIONS, N.Y. (AP)—A South Korean boycott of the Korean peace conference threatened the United Nations today. Syngman Rhee's representatives said they couldn't attend a parley with India present unless the Indians sat on the Communist side of the table.

Foreign Minister K. T. Pyun and Col. Ben. C. Limb, South Korea's permanent observer at the UN, said Monday night: "The Republic of Korea finds it impossible to collaborate with India on the same side."

"If India wants to sit on the Communist side, all right," added Pyun. "We are not vetoing who will be at the peace conference. But we certainly can say whether we will be there, and we certainly may walk out or boycott the conference if the UN goes ahead and votes to sit India on our side."

India Called Appeaser

Pyun earlier Monday had bitterly attacked India before the UN assembly's political committee as an appeaser of the Communists, "not only trafficking with the Communists but intriguing with them to make the free world look contemptible."

His violent blast visibly rocked India's chief delegate, V. K. Krishna Menon.

The Indian may reply late today or Wednesday. The committee scheduled two sessions of debate today, but 11 speakers, including Britain's Minister of State Selwyn Lloyd and Russia's Andrei Y. Vishinsky, were ahead of Menon.

Canada Backs India

India's candidacy for the conference is backed by Britain, Canada and two other Commonwealth countries. Russia and most of the Arab-Asian bloc. The United States opposes India at the peace table, arguing that to admit her would discriminate against such other neutrals interested in Korea as Japan and Nationalist China.

(Continued on Page 13)

Quebec Forest Fire Situation Unchanged

FORESTVILLE, Que. (CP)—A cool, calm night left the forest fire situation unchanged early today—still not under control.

The situation is unchanged from what it was 24 hours ago, an official said.

"Things are looking up but we'll need rain before we can take it easy."

ASKS POPE'S HELP

MEXICO CITY (AP)—Prisoners in Mexico's national penitentiary have asked the Pope to intercede with the Mexican government in support of a plea for general pardons. The 4,500 prisoners started a campaign several weeks ago for pardons for all prisoners with less than three years to serve. They asked the pardons be given Sept. 16, Mexico's independence day.

Mrs. Perle Mesta Shocked by Tour Of Soviet Union

LONDON (AP) — Mrs. Perle Mesta, former U. S. minister to Luxembourg and famous hostess, said Monday she was "shocked" by what she saw of Communist life during her two-month tour of Russia.

When the Russians eased travel bans for foreigners inside the Soviet Union earlier this year, Mrs. Mesta took advantage of the relaxation.

The few interviews which Mrs. Mesta was able to work in during her 12,000-mile trip stressed the free movement which she said the Soviet authorities had permitted her. In Moscow Aug. 11, when she had already covered nearly 10,000 miles, she observed that the Russians had let her travel "probably more than any other American. They let me go anywhere I wanted, and I feel it was a very worthwhile trip."

She re-emphasized Monday that she had been permitted to travel more extensively in the U. S. S. R. than any other non-official American visitor. But she added she was more impressed than ever with her belief that "the western world must stick together."

"The free world is the only place to live," she said, "the only place where you can say what you want to."

She said that the fact Russia "has been sealed off from normal avenues of news, commerce and association with the outside world for a long time" has "bred fear among its people."

Half of Early Harvesting Now Completed

TORONTO (CP)—The warm and sunny weather of the last few weeks has allowed farmers arcoss Ontario to complete as much as half of their early harvesting.

The weekly farm report issued today by the Ontario department of agriculture says threshing is progressing satisfactorily in most counties and yields have been far better than anticipated. Many farmers are second-cutting hay already.

Huron county reports approximately 75 per cent of the harvest complete while 90 per cent of the grain crop is cut in Brant. Grain weevils have taken their toll in Northumberland and Timiskaming, but both counties report excellent yields.

Golden jubilee peaches are being picked throughout the Niagara fruit belt and processing plants are in operation. Fresh peaches are selling at about 60 cents a basket retail. Pear picking has begun in most sections of the district.

Pigs are selling well in Northumberland, and Stormont reports many sales of dairy cattle to United States interests. Cattle sales continue good in Muskoka and Parry Sound.

Pastures throughout Northern Ontario are reported to be dry with a resultant drop in milk production. Many farmers are hauling water for their stock and feeding cattle grain.

A fair volume of potatoes are being dug in the Sudbury district with prices ranging from $1.10 to $1.25 a box.

THE WEATHER

TORONTO. (CP) — Synopsis: Sunny and very warm weather prevailed throughout most of Ontario on Monday. Much cooler air covering Quebec and the Maritime Provinces entered extreme southeastern Ontario during the late afternoon causing scattered thunderstorms.

A disturbance moving eastward from the Prairies is causing thunderstorms over northwestern Ontario. Scattered showers and thunderstorms are expected in Northern Ontario tonight and Wednesday but sunny and hot weather will continue over the remainder of the province.

Child's Bullet-Filled Body Found, Hunt Brother's Former Girl Friend

SOMERVILLE, Mass. (AP)—A 25-year-old "very pretty" stenographer was sought today for questioning in the slaying of 14-year-old Mary di Rocco, whose bullet-punctured, slashed and partially burned body was found in the cellar of her home Monday.

Police identified the girl they are seeking as Miss Mildred McDonald, an employee of the state unemployment compensation division.

They said she kept company with Joseph di Rocco, 25, the victim's brother, for about three years until he married another girl last April.

Medical examiner Andrew D. Guthrie said five slugs from a .22 calibre target pistol entered the di Rocco girl's body—in the heart, the head, jaw, abdomen and left wrist.

In addition, he said, there was a slash on the girl's throat as if made by a razor or a sharp knife.

Heavy motor oil had been poured over the girl's body and newspapers and a magazine placed around it had been set ablaze.

Police said the motor oil did not catch fire because it burns only under extremely high temperature.

Robert di Rocco, 17, another brother of the victim, was attracted to the cellar by the smell of smoke when he arrived home.

Robert said he passed Miss McDonald on his front steps and chatted a few minutes before he entered.

He said she appeared calm as she strode away from the house.

Angelo di Rocco, the slain girl's father, said he went home to lunch and found Miss McDonald there with his daughter.

The father said he advised her to leave and that she answered: "I'll go after I have another cigaret."

He returned to his job. His wife was out shopping at the time.

A police check showed Miss McDonald left her job two hours before she was seen in the di Rocco home after telling her superior she was not feeling well.

REDS SAY 400 CAPTIVES CHOOSE NOT TO RETURN

Say They Want to Stay Under Communist Rule

PANMUNJOM (CP) — Today's Korean prisoner exchange brought eight more Canadians back to freedom along with 136 Americans and 264 other Allied troops as Operation Big Switch entered its 21st day.

The Reds threw a disquieting note into today's exchange by announcing that 400 of the UN PoWs still in their stockades may not come back because they have chosen to live under Communist rule. Allied sources confirmed that the Red statement was handed over at a meeting of the prisoner repatriation committee here Monday night and said there was no word on the nationalities of the men in question.

Nine Officers Freed

Nine officers—all of low rank in the infantry or field artillery—were among the Americans freed today. There was no indication when the Reds would hand over top Allied officers held captive.

Today's announcement by the Reds that some Allied prisoners had decided to stay with them recalled stories told earlier in the exchange by many Americans of fellow captives who had elected to remain behind, either because they had turned informer and feared retaliation or had swallowed Communist propaganda.

In sharp contrast to Communist prisoners moving northward, today's liberated Allies came back quietly. A few shouted jubiliantly, but most were silent, simply happy to return from bleak North Korean camps. All appeared healthy.

Reds Demonstrate

Communist prisoners delivered by the UN command continued their violent demonstrations. Their return was interrupted three times when North Koreans spat in the faces of two Allied officers.

Beside the Canadians and Americans, the Reds Tuesday handed over 250 South Koreans, three Australians, two Dutch and one Greek.

The return of the Dutch soldiers was a surprise. The Reds had claimed they didn't hold any prisoners of that nationality.

With 10 days of the massive swap remaining, the Reds have returned 1,995 of the 3,313 Americans they said they held.

The Reds promised to deliver Wednesday another 400 prisoners —133 Americans, 17 British and 250 South Koreans.

1,651 Prisoners Died

Peiping radio said the Reds had notified the UN command of the burial places of 1,651 Allied soldiers who died while prisoners.

The Reds recently turned over a list of men they said died in captivity, but it fell far short of the thousands of UN troops still unaccounted for.

Peiping also said the Communists had asked at a meeting of the war prisoner repatriation commission what the UN commander intended to do about 250 Chinese it claimed were being held back.

The U. S. army recently said the UN command was holding back the 250 until it finds out whether the Reds intend to release all Allied PoWs.

Pakistan, India Confer on Kashmir

The stormy Kashmir dispute appears closer to a peaceful solution as Prime Minister Mohammed Ali of Pakistan (left) gets together in New Delhi with Premier Jawaharlal Nehru. By next May, a plebiscite administrator from a neutral country will be named. He will call an election next May in which the 4,000,000 inhabitants of Jammu and Kashmir would decide whether they wish to accede to Pakistan or India. The trouble began six years ago, when Pakistan was created out of India. Both countries claimed Kashmir. — Central Press Canadian.

Manitoba Most Seriously Hit By Polio Epidemic

By THE CANADIAN PRESS

Polio, striking in near-record proportions in many parts of Canada, has taken 88 lives so far this year.

Most seriously hit is Manitoba where 24 deaths in 1,024 cases have been reported, a Canadian Press survey showed today. The number of cases is a record, 13 more than the previous peak in 1941.

Although Quebec and the Maritimes have been comparatively untouched in comparison to Western Canada, doctors in Newfoundland are fighting the worst epidemic of the disease in the island's history. Two persons are dead and 88 cases are reported, while authorities fear lung paralysis may increase to such an extent they will not be able to cope with it.

Health officials throughout Canada have warned parents to keep children away from crowds and swimming pools.

Gamma globulin, a serum made from whole blood, is being used to counteract paralysis resulting from polio, but medical authorities at Connaught Laboratories in Toronto say its benefits are uncertain.

Some 628 cases of polio have been reported in Ontario this year with 21 deaths. Saskatchewan has had 21 deaths in only 275 cases reported. Alberta's 226 cases have resulted in 12 deaths and British Columbia's 257 with seven fatalities.

Calgary health authorities say polio in the immediate district has reached epidemic proportions for the second straight year. There have been six deaths to date in 39 cases there. They are carrying out inoculations of small children.

In Quebec and the Maritimes other than Newfoundland, the incidence of the disease has been small. Quebec reports only one death in 30 cases.

Calf Conceived By Frozen Semen At the OAC

GUELPH (CP)—A calf conceived from frozen semen was born at the Ontario Veterinary College here during the week-end, it was announced Monday. It was the first to be born in Canada by the new method.

Tentatively named OAC Frosty, the calf was born perfectly formed. The semen was produced by a Jersey bull imported from Jersey Island in 1952. The semen was frozen for 22 days.

Frosty is the result of several experiments being conducted by the college's department of medicine and surgery. More than 200 cows have been serviced with frozen semen, which in some cases has been frozen for ast long as five months.

VOTE FOR CIO UNION

WINDSOR, Ont. (CP)—In a vote supervised by the Ontario industrial relations board, workers at Maple Leaf Metal Products, Windsor, voted 48 to one for representation by the UAW-CIO instead of the AFL International Boiler Makers Union, Frank Burke, international representative for the CIO union, announced Monday.

New Disaster Threatens Greek Quake Victims

ARGOSTOLION, Greece (AP)—Impending autumn rains threaten new disaster to 130,000 earthquake victims on Greece's three devastated Ionian islands, British and U. S. rescue officers said today.

They warned that only speedy completion of the Greek government's temporary housing program on the islands of Kefallinia, Zakinthos and Ithaca could stave off further widespread suffering when the rains begin in mid-September.

The Athens government announced last week it was prepared to spend "about 25 to 30 million dollars in the islands," laid waste by a series of destructive quakes that began two weeks ago.

The warnings of the possible new crisis came as Gen. Dimitrios Iatrides, chief of Greek rescue operations, announced that an estimated 130,000 persons were homeless after the quake disaster.

The death toll has not been officially determined but the most reliable estimates place it around 1,000. Hundreds of other persons were injured.

Minor earth tremors have continued daily since the initial shocks. Although not strong, the tremors add to the islanders' fears that big quakes will come again.

Iatrides reported that 60 per cent of the survivors, or 78,000 persons, now were housed in 4,175 tents. He declared that "another 5,000 tents will take care of all needs."

Search for Plane Now in Third Day Without Results

CHURCHILL, Man. (CP) — The search for a missing RCAF Lancaster bomber lost over Manitoba's rugged northland continued into its third day today without uncovering any signs of the plane or its eight-man crew.

First slim clue to the whereabouts of the bomber came Monday when an Indian near York Factory, 140 miles southeast of here, said that a heavy plane flew over late Saturday heading southwest. An RCAF Otter seaplane was immediately dispatched to investigate but no findings have yet been reported.

Adverse weather conditions have hampered search planes combing the area.

The missing bomber was on a routine navigation flight from Rockcliffe, Ont., to Churchill when last heard from. It reported flying through a severe electrical storm about 25 minutes flying time north of Churchill.

PRISONERS NOT HOME

VIENNA (AP) — The Kremlin has failed so far to return to their homeland more than 600 Austrian prisoners of war whose amnesty was announced by the Soviet government eight weeks ago. The Soviet foreign ministry handed Austrian ambassador Norbert Bischoff on June 28 a list of names of 605 war prisoners in Russia, together with a diplomatic note saying they had been granted amnesty and would be returned to Austria starting July 1.

NORANDA STRIKE MAY CONTINUE FOR SIX MONTHS

Steelworkers' Leader Predicts Long Strike

NORANDA, Que. (CP)—A union official says the strike of 1,600 workers at the Noranda mine may last six months.

William Sefton of the United Steelworkers of America (CIO-CCL) made the prediction in Toronto Monday night. His union called the strike Saturday.

Sefton said at a meeting of the Toronto and Lakeshore Labor Council:

"The situation may get desperate and go on for six months. J. Y. Murdoch (president of Noranda Mines) has said: 'If you want to strike, we'll meet you in three months and see if you still want to strike; and then we'll see you in six months.'"

Plan Collection

Council president David Archer said he expects the national offices of the CCL soon will start a Canada-wide collection for the striking miners in Northern Ontario and Quebec. The steel union called a strike of about 750 Timmins area miners, who are demanding higher wages and shorter working hours.

At Noranda, the union seeks a reduction in working hours from 48 to 44 a week with no loss in take-home pay, plus an across-the-board increase of 30 cents an hour and the check-off for union dues.

A union boat Monday headed off another small craft trying to take food and clothing across Lake Osisko to shift bosses inside the Noranda mine.

Bid Official 'Bon Voyage' To 3 Squadrons

OTTAWA (CP)—The RCAF bade an official "bon voyage" Monday to the last three of its 12 jet fighter squadrons assigned to the defence of Western Europe.

Well ahead of schedule, Operation Leap Frog Four began at the RCAF's Uplands station. It was the last phase of a program which has placed between 200 and 300 Canadian-made Sabre-jets at the disposal of North Atlantic treaty commanders.

Under a hot sun, the three squadrons were inspected by the chief of the air staff, Air Marshal C. R. Slemon, who wished the pilots and ground crews godspeed. Then squadrons 414 and 444, based at Bagotville and St. Hubert, Que., respectively, flew past in formation.

This was the beginning of a flight which will take them and squadron 422, based here at Uplands and scheduled to leave later, to their new base at Baden-Soellingen, Germany. The three squadrons will rendezvous at Goose Bay, Labrador, Aug. 27 for their transatlantic hop.

From Goose Bay, the speedy jets will proceed to Germany via Greenland, Iceland and Scotland. The operation is expected to take a week or 10 days.

SIGN TRADE PACT

BUENOS AIRES (Reuters)—A three-year trade and financial treaty between Argentina and Communist Hungary was signed here today by Hungarian Minister Imre Szabo and the Argentine Foreign Minister Jeronomo Remorino. The text contains no figures but Remorino said last week overall trade worth $30,000,000 each way was expected during the first year.

Young German Is Really a Genius For He Makes Journalism Profitable

ESSEN, Germany (Reuters) — Hans Everings, 24, is an ambitious fellow and he learned plenty from a book called "How to Become a Journalist."

He went on trial here today because the prosecution says he bamboozled a lot of people into thinking he was running three news agencies—netting him some badly-needed cash.

After he read the journalistic primer this is what the young man proceeded to do, the court was told.

1—Bought 34 rubber stamps, rented a typewriter and set up an office in a windowless attic in Essen.

2—Persuaded 30 big West German newspapers and magazines was the chief of three news agencies—which he gave important-sounding names.

3—Promised 500 people, many of them scientists, jurists and writers, that he would get them into print—and collected financial contributions in advance.

4—Accepted their manuscripts and photographs—and used them to keep the stove in his attic going.

5—Issued "press passes" to various parties for which he collected about $500.

Hans is charged with defrauding at least 10 persons through the three "news agencies." He has eight previous convictions on various charges from falsifying documents to embezzlement.

Canadian Told He Would be Shot If Comrades Fled

8 Trim-Looking Canucks Released by Communists

By BILL BOSS

FREEDOM VILLAGE, Korea (CP)—Chinese soldiers who captured Cpl. Ernest Taylor of Preston, Ont., during bitter fighting in Korea last May 2 told Taylor he would be shot if other Canadians taken prisoner at the same time tried to escape.

Taylor, 27, one of eight Canadian prisoners released by the Communists today, told his story of the capture shortly after reaching Freedom Village.

The eight trim-looking Canadians released in the continuing exchange of prisoners brought to 24 the number the Chinese have returned to United Nations' hands. A bare month ago the enemy promised to return only 14 Canadians, although it was known then that at least 25 or 27 Canadians were in captivity.

(At Freedom Village, a reliable Canadian source said two Canadian corporals held by the Chinese were taken from their prison camp huts about the time of the armistice. He added "these men were reactionaries and the Chinese may try to hold them back.")

Five More Held

Today's freed prisoners said that at least three more Canadian infantrymen, possibly one army flier and one RCAF jet pilot are still in enemy hands. They had never seen the fliers but said they had received word of both of them in their camp.

Five of today's batch were veterans of the sharp engagement in which the 3rd battalion of the Royal Canadian Regiment was involved last May 2. A Chinese battalion swept onto the battalion's forward platoons from behind after first bumping into a fighting patrol the battalion had sent into no man's land.

Many Foes Wounded

They spoke of a terrific gunnery barrage the 81st Field Regiment of the Royal Canadian Artillery used to box off the battle and said that next day they saw "an army of stretcher-bearers evacuating enemy wounded."

The other three Canadians were from the 3rd battalion of the Royal 22nd Regiment. Two were survivors of a patrol on May 20 which until today was not thought to have accomplished much. A third was a survivor of a two-man outpost which the enemy nipped off a month later.

Actually, the 10-man Canadian patrol of May 20, although it suffered heavily, reduced a Chinese force estimated at between 60 and 70 to 20.

There now are 19 Canadians in Korea awaiting repatriation. Eleven of the 13 who were released last Saturday fly to Tokyo Friday to catch next Saturday's Canadian Pacific Airlines' flight to Vancouver.

Although all those exchanged today were in good shape, two of them reported extended periods of grilling for military information about the positions of Canadian mortars and machine-guns which had been giving the enemy much trouble.

STUDY PLAYERS' DEMANDS

TREES FROM SKY

NEW DELHI (CP)—The Indian Air Force is planting trees from the air over a long stretch of the Rajputana desert. Aircraft are dropping about 12,000 pounds of a type of seed which can defy drought and sandy soil and thrive under abnormal conditions.

Canada May Have An Ambassador At Soviet Capital

OTTAWA (CP)—The Canadian government is considering appointing a new ambassador to Moscow, a spokesman for the external affairs department said today.

This country has had no ambassador there since Dana Wilgress was moved to another post in 1946.

Moscow announced Monday appointment as new ambassador to Canada of D. S. Chuvakhin, former Soviet minister to Albania and charge d'affaires in Washington. He will be the first Russian ambassador here since George Zaroubin was recalled in 1945 when the Russian spy ring was unearthed.

Canada's senior representative in Moscow is Robert Ford, 38, charge d'affaires. He has served there 2½ years though a normal Moscow posting is for two years. Canada might take the occasion of his new posting to establish an ambassador's post in the Russian capital.

Eases Tension

Mr. Chuvakhin's appointment was seen here by well-informed persons as an easing of cold war tension, at least insofar as Canada and Russia are directly concerned.

One source said the move could be construed as another indication of an apparent relaxed Russian attitude toward the West since Stalin's death.

Even the first secretary of the Russian embassy here had something to say about the appointment, though normally Russian embassy officials have nothing to say to reporters about anything.

Vladimir P. Bourdine said the new appointment is "sign of better relations" between the U. S. S. R. and this country.

Russia Moved First

Russia made the first move for re-establishment of its ambassadorship here.

An official spokesman for the external affairs department said:

"The Canadian government was recently asked by the government of the U. S. S. R. through the Canadian embassy in Moscow for its agreement to the appointment of Mr. D. S. Chuvakhin as Soviet ambassador to Canada. It will be recalled that the Soviet Union has been represented in Ottawa for the past seven years by a charge d'affaires

"The Canadian government has conveyed to the Soviet government its agreement to the appointment of Mr. Chuvakhin."

There has been no speculation here about who might fill an ambassador's post in Moscow.

AID STRIKING TRUCKERS

WINDSOR, Ont. (CP) — Local 200, UAW-CIO has approved a donation of $500 to aid striking truck drivers in the Windsor area. The motion declaring the sum approved said that the demands of the truckers for $1.50 an hour were justified in the opinion of the local's membership.

COMING EVENTS

HORSE RACES AT PICTON FAIR tomorrow (Wednesday) afternoon. Marvellous grandstand show from United States tonight and Wednesday night. Drive over for a great time. A25

THE ANNUAL UNITED CHURCH Pilgrimage to the Old Hay Bay Church will be held on Sunday, August 30th, 1953. The service will begin at 3 p.m. E.D.T. The speaker will be the Rev. W. Harold Young, D.D., Toronto, Ont A25

SOCIAL EVENING EVERY WEDNESday, Orange Hall, Church Street, 8.30 p.m. Sponsored by Juvenile Orange Lodge. Large prizes. Jackpot. Admission 25c. Everyone welcome. J6-em-w-tf

City and District News

REAR-END CRASH CAUSES DAMAGE OF NEARLY $400

A rear-end collision caused, when one vehicle —stopped to allow another car out from a parking space caused damage amounting to approximately $400, near the Bank of Montreal building early this morning.

Chas. Bristol, 306 Front street, was northbound on Front, when he stopped to allow another vehicle out of a parking space. The following car driven by William Walker, 15 Third street, failed to stop in time and crashed into the rear of the Bristol vehicle.

POLICE DEPARTMENT WANTS OWNERS TO CLAIM BICYCLES

The city police department is looking for bicycle owners! For bicycle owners, that is, who have become separated from their property.

The desk sergeant at the local police station noted today that a large number of bicycles had been found abandoned by police officers during the summer and had been brought to the police station. However, in only a few instances have the owners reported the theft or disappearance of their bicycles.

Bicycle owners whose steeds have disappeared in recent months are invited to call around at the police station and identify their property.

MAYOR TO OPEN PLAYGROUND MEET

The Recreational Director announced today that the scheduled field day to be held at the East Hill playground on Friday will be officially opened by His Worship, Mayor McLean Haig at 10:00 a.m. Distribution of prizes will be held in the evening.

Obituary

MRS. ELLEN JANE CONBOY
(Mountain Grove)

Death came suddenly to Mrs. Ellen Jane Conboy, after an illness of only a week in the Belleville General Hospital, on Tuesday, August 18th, 1953. Mrs. Conboy had a wide circle of friends and had lived all her life at Mountain Grove except for the last year and a half which she spent with her sons. She was the elder daughter of the late Mr. and Mrs. Alex Drew of Mountain Grove.

The funeral took place from the Goodfellow Funeral Home, Parham, on Friday at 2 p.m. Service was in the United Church at Mountain Grove.

Mrs. Conboy will be sadly missed by her five sons, Gordon of Belleville, George of Napanee, Fred of Belleville, James of Willowdale and Herbert of Fernleigh, also several grandchildren and six great grandchildren. A brother, Mr. John Drew, lives at Mountain Grove. Her husband, the late John Conboy, predeceased her a year and a half ago.

The bearers were Russell Drew of Mountain Grove, Alex Drew of Mountain Grove, David Drew of Parham, Morgan Heliwell of Oshawa, Virgil Barker and Herbert Lewis of Mountain Grove.

The floral tributes were many and beautiful.

Interment was in the Mountain Grove cemetery.

MRS. ETTA NOKES
(Trenton)

TRENTON (Special) — Burial services were held this Tuesday afternoon for Mrs. Etta Nokes, wife of G. Austin Nokes of Trenton, who died at the family residence Sunday following an illness of eight months. Mrs. Nokes was 48.

With birthplace at Smiths Falls Mrs. Nokes spent the early part of her life in Smiths Falls. She was the daughter of Mr. and Mrs. William Fowlie. She lived in Trenton 22 years.

Mrs. Nokes raised a family of five daughters and four sons, all living in Trenton except one son Lorne who resides in Toronto.

Mourning her loss are her husband and nine children, Doris, Joyce, Mildred, Shirley, John, Lorne (Toronto), Kenneth and Charles.

Mrs. Nokes rested at the Weaver Funeral Home for service at the home and graveside, with the Rev. J. Styles and the Rev. G. J. Minielly officiating. Interment was in Mount Evergreen Cemetery.

The bearers were: Charles Mountenay, Roland Faul, Rae Spencer, George Davenport, Lorne Mallory, Michael Kekanovitch.

MRS. EFFIE PORTER
(Trenton)

TRENTON —(Special) — The funeral was held from the Weaver Funeral Home Monday afternoon for Effie Porter, who died at her home on Elgin Street on Friday in her 82nd year. Mrs. Porter had been ill for six months.

The daughter of Mr. and Mrs. Joseph Sharpe, she was born in Frankford of United Empire Loyalist stock. She had resided in the locality all her life. Her husband John Porter, pre-deceased her some years ago.

Mrs. Porter is survived by one daughter Eva and a son Alfred, both of Trenton. A sister, Mrs. William Held, of Omaha, Nebraska, and five nieces also survive.

A devout member of St. Andrew's Presbyterian Church, Mrs. Porter was active in social and church work.

The service was conducted by the Rev. G. A. Puttenham and interment was made in St. George's Cemetery.

The bearers were Mark Tripp, Harold Campbell, Claude Graham, Frank Sherbert, Dave MacDonald and Bill Adams.

WILLIAM G. SMITH

The funeral of William George Smith took place from the Belleville Burial Company Funeral Home on Monday afternoon. Service in the chapel was conducted by the Rev. S. E. Larman and he also said the last prayers at the graveside in Belleville cemetery.

The bearers were Carson, Harry and Arthur Handson, James Chalmers and Leslie Groves.

MRS. JAMES JOHNSON

Mrs. James Johnson, a well-known and highly esteemed resident of Belleville for over four decades, died on Monday at her home, 110 East Moira St. The late Mrs. Johnson, who was in her 75th year, had been in poor health for the past two years.

The late Mrs. Johnson, whose maiden name was Sarah Matilda Dainton, was born in London, England, a daughter of the late Mr. and Mrs. Thomas Dainton. She came to Belleville from England 41 years ago. She was a member of St. Thomas' Anglican Church here and while her health permitted had been a very active worker in the organizations of that church.

Surviving to mourn her passing Mrs. Johnson leaves her husband, one brother, Stanley F. A. Dainton of Toronto, and one sister, Mrs. May Cole of London, Eng.

Assessment Equalization, Hospital Grant Request, On County Council Agenda

Equalization of assessment for the municipalities within the county, and a request for a capital grant for an extension to Belleville hospital will be two of the main matters of business to be considered by Hastings county councillors at their summer session, it was stated this morning by Warden Jack Kincaid, of Madoc.

Addressing councillors at the opening of the session, Warden Kincaid welcomed members back to council and noted that conditions throughout the county were very favorable. "On the whole crops were good and industry within the county was flourishing," he said.

Commenting on the fact that the question of the Madoc-Foxboro road being taken over by the province was to have come up for discussion at the session, Warden Kincaid noted it had been expected Hon. George Doucett, Highways Minister, would attend the session. However, Mr. Doucett had been unable to come to Belleville at this time and instead would meet members of the county roads and bridges committee some time during September.

The Warden said that it was his understanding that Mr. Doucett would personally check on the three north and south road arteries in the county.

The matter of the Madoc road had been discussed by council at a special session earlier in the year, the proposal being to have the Madoc road taken over as a highway by the province in return for maintenance on No. 14 highway from Foxboro to Marmora being assumed by the county. No decision was reached at that time and the matter was laid over until this session.

Motion Laid Over

This morning councillors laid over a resolution from another county asking that the 50 per cent provincial subsidy for county road maintenance be increased.

Reeve Charles Buskard of Deloro said that councillors should give considerable thought to any resolution asking for more financial assistance for roads.

The money has to be raised by some one and part of it would come out of our pockets," he said. "In any event we are asking for another highway and we want to get it."

Reeve Irwin McCoy of Marmora township noted there was another point to the matter. Traffic on county road systems was increasing he said. The province was getting more money from licences and gasoline tax, yet the municipalities had no other way to raise their share of road maintenance than by direct taxation on property.

Brief Discussion

Another matter that saw brief discussion at the morning session was the unconditional per capita grants offered to municipalities by the province.

Reeve Earl Sager of Madoc township said he had not changed his opinion, claiming that per capita grants of $4 for large cities down to $1.50 for the rural municipalities was discriminatory.

"In my opinion the burden of taxation is greater on the smaller municipalities than on the larger centres," he said.

A prepared statement by Premier Leslie Frost which outlined the reasons for giving the municipalities unconditional per capita grants and dropping the one mill subsidy to municipalities and special grants to fire and police departments, was read to council. The statement indicated that after thorough investigation it was considered the per capita grant system was fairer.

The statement indicated that the new grant system would pay rural municipalities an average of 10.41 per cent of their tax levy.

This figure was questioned by Reeve Sager who claimed that all figures could not have been taken into consideration by the committee making the report to Mr. Frost. He said that the new system of grants, although an improvement over the old one mill subsidy system, would give his township only between three and four percent of the tax levy.

"Either they have the wrong set of figures or else we are taxing our people away out of reason," he said. He thought the grant percentage which would be received by his municipality would be general across the province.

Bancroft Better Off

Reeve Theodore Tryon of Bancroft said his village would be better off under the new system of grants and Reeve Tracey Adams of Dungannon said the same was true of his municipality.

Reeve Anderson of Faraday thought the new system was fair and said it was only natural that welfare and other costs in the larger municipalities would be greater.

Reeve Buskard urged that the new system at least be given a "reasonable trial." "If it does not work there will be a big enough cry," he said.

Deputy Reeve T. Cooney of Rawdon felt the provincial committee had given the matter ample consideration before it was brought into effect. He said it was an improvement over the old one mill subsidy system.

Col. Wm. Effer, Salvation Army, Guest Speaker

Colonel Will Effer of the Salvation Army, was guest speaker at the Rotary club meeting in the Hotel Quinte on Monday. Col. Effer who has spent many years in South America as the Salvation Army representative, spoke on Brazil.

The speaker described the people, the government, religious concepts of the natives and the climate. He described the people as being fatalistic in their approach to living, noting, nothing was too important, that it could not be done tomorrow. He said they believe what is to be, will be and tomorrow will solve all problems.

Colonel Effer stated the country was predominately Roman Catholic in its religion, and he added, "although certain privileges are granted to those of this faith, there definitely is religious freedom throughout the country."

The Colonel said that in his opinion, the country of Brazil, almost as large as Canada, is the richest country in the world today. All Brazil lacks is men of vision to develop the country's natural resources.

He said that in the 16 years Brazil was ruled by dictatorship, much was done to promote the country's growth and development. The dictator, Getulio Vargas, was later overthrown and went into retirement for a year. After that, Vargas was voted back as the president of the United States of Brazil.

Col. Effer was introduced by Perc McGuire and thanked by the club president, Harold Mott.

Veteran Engineers Make Final Runs With Railway

Two Canadian National Railways engineers with a total of 89 years service between them, made their final runs over the week-end as big crowds were on hand at the north station to greet them. Shown waving to his friends from the cab of his locomotive is Charles J. Doran, Station Street, who has 47 years' service. Bert Robinson retired after 42 years with the railway.

Charles J. Doran Completes 47 Years as C.N.R. Engineer

Oldest engineer in point of service running out of the Belleville division, Charles J. Doran, 127 Station Street, has pulled his last locomotive throttle and will devote his time to helping the missus with the housework.

Greeted at the Belleville station on Sunday as he stepped down from the cab of his locomotive for the last time, Mr. Doran said he was now going to stay home with his wife and help with the dishes.

"I've been away from Mrs. Doran for over 40 years," he said. "So I am going to stay home for awhile."

At least two hundred friends and well-wishers were on hand to greet "Charlie" on his last run before going into retirement as an engineer.

It was 47 years ago that Mr. Doran, then a young lad of 18 years, started to work with the old G.T.R. as a fireman. Three years later—before he was 21—Mr. Doran was classed an engineer and he has been "driving" ever since.

Made Up Lost Time

Rated among the top as an engineer Mr. Doran proved his ability yesterday, when half an hour late in leaving Toronto, he brought his train into Belleville exactly on time. Riding in the cab with him on his last trip were his brother, Arthur, of Oshawa, who gave up a career as railroader to work for General Motors, and Len Gallaway, superintendent of the motive power and car department.

In all his 47 years as a railroader, Mr. Doran never had an accident.

In that time he had pulled throttles on every type of engine used on the Canadian National Railways system, from the smallest hand fired engines to the big diesels and mammoth passenger locomotives.

He admits that the diesels are fine, comfortable and will haul tremendous trains. "But it doesn't seem like railroading with a diesel," he says.

Born in Percy township in Northumberland county, son of a railway section foreman, Mr. Doran moved with his parents to Wellington and then came on to Belleville where he started his railroading career with the brother who Sunday accompanied him on his final run.

Presented With Fez

Yesterday before the start of his final run he was given a big send-off by the motive power department in Toronto and was presented with a fez by the Order of Alhambra in the Queen City.

Mr. and Mrs. Doran have four children, three sons, William J., and Charles "Duke", and John H. Doran, all of this city, and one daughter, Mrs. Daniel White of Barrie, whose husband is also an engineer. There are eight grandchildren.

Now with his railroading over Mr. Doran is going to stay home. "I am going to work in my garden, do a bit of fishing and visit friends" he says.

Bert Robinson Served 45 Years With the C.N.R.

A long awaited trip back to England to see the sister, whom he left 45 years ago to come to Canada is on the retirement program for Bert Robinson, 331 Bleecker Avenue, who Sunday retired as a railway engineer after 42 years' service with the C.N.R.

Mr. Robinson, who started as fireman at Belleville back in 1911, left England 45 years ago. He has not seen his sister, Mrs. Gertrude Wayne, since then.

There was a big turnout of friends and relatives on hand at the north station Saturday as Mr. Robinson pulled the "local" in from Toronto. Members of the family showered him with hugs and kisses, and long time friends were on hand to shake his hand.

Although his last years as a railroader were served in pulling the local to and from Toronto, Mr. Robinson had been on them all, ranging from the slow way freight to the fast passenger trains. All his railroading was done out of Belleville with the exception of two years that he was on the Trenton-Maynooth run.

Realizing that time may fall heavy on his hands, the family presented Mr. Robinson with a handsome new electric power saw as a retirement gift. He says that the new tool will assist him in his role as handyman about the house. Woodworking is one of his hobbies but he also does a spot of fishing.

The Robinsons have two children, one son, Roy, in New York, a freight office employee with the Grand Trunk Western, the U.S. subsidiary of the Canadian National, and a daughter, Mrs. Ernest (Thelma) Smith, of this city.

Heavy Damage

TILLSONBURG (CP)—Adjusters of eight tobacco insurance companies headed home from hail-drummed fields Monday night, and a conservative estimate placed total damage done by Saturday's storm at $1,125,000.

Hail hit sporadically in the Bothwell area, then carved a V-shaped swath from Tillsonburg north and south of Simcoe, missing Simcoe entirely.

E. O. Sheich, of the Anglo Canadian Underwriters, Ltd., estimated that between 125 and 150 farms had been hit, averaging about 23 acres to a farm.

To Erect Cairn in Memory Of Trenton Cancer Victim

TRENTON (Special) — A cairn in the shape of a folding message card will stand on the Trenton Memorial Hospital grounds as a memorial to Juliette Burton, who died from cancer and willed her body for cancer research to the department of anatomy at Queen's University.

Henry Burton, the 78-year-old widower, promised his wife as she lay dying, that he would continue her fight against the dread disease. Mrs. Burton, Middle St., Trenton, made a death bed pact with her husband to do something to aid other victims.

Mrs. Burton, who suffered through five years of pain, left behind her, after her death, one of the most selfless wills ever written in Ontario and a husband who was dedicated to keeping his word to his wife. Showing that forthrightness, which had marked her lifelong career as a nurse, in wartime and civilian hospitals in several countries she asked that her body be used for research and stipulated that after research had ended, her body was not to be buried. She made this request because she said: "I've had enough dirt thrown in my face while I was alive."

Mr. Burton appealed to council and told members how he wanted to erect a little monument, bearing a plaque "telling people what she did". Council through former Mayor Kenneth J. Couch and a member of the hospital board arranged for the aged widower to build the cairn on hospital property. At the time Mr. Couch said: "I would be happy to give Mr. Burton any assistance he might need. And I agreed with Mr. Burton, that the hospital grounds would be a suitable location. Mrs. Burton's life was devoted to the work of healing in hospitals. It is right that the monument to that work should be at our hospital."

Mr. Burton hopes that such a monument will persuade others to follow his wife's example to aid cancer research. "You can't work in the dark," he says, "and maybe the doctors have not discovered anything about the cancer my wife had from the research they have done on her body, but perhaps with the next one, they would."

The monument built of colored stones collected by designer and builder measures eight feet six inches long and four feet high. The centre section with the wings tapering down from it will be graced by a concrete replica of an open book fashioned by Mr. Burton. A bronze plaque 16 inches by 20 inches will be fastened to the cairn bearing the story of Mrs. Burton's contribution to medical research.

FUNERAL SERVICE

Members of Quintena Rebekah Lodge No. 133 are requested to assemble at the Belleville Burial Company Funeral Home, on Wednesday afternoon, August 26th at 2.00 p.m. to attend Funeral Service for our late beloved sister, Aleta May Conners.

By order of our acting Noble Grand Verna Oliphant.

MRS. R. E. AMAN, Secretary.

A25

DEATHS

JOHNSON, Sarah Matilda—On Monday, August 24, at her home, 110 East Moira Street, Sarah Matilda Dainton, beloved wife of James Johnson, in her 75th year.

Resting at the Grant Funeral Home 68 North Front Street. Service at St. Thomas' Anglican Church, Wednesday at 2.30 p.m.

Interment Belleville Cemetery.

A25

CONNERS, Aleta May. — Suddenly as the result of an accident on Sunday, August 23rd, Aleta May Hayes, widow of George E. Conners, in her 69th year.

Resting at the Belleville Burial Company Funeral Home. Service in the chapel on Wednesday, August 26th at 2.00 p.m.

Interment Belleville Cemetery.

TORONTO STOCKS

TORONTO (CP)—Prices broke harply lower for the second raight day in active forenoon ading today. Base metals and estern oils were hardest hit.

Noranda led base metals lower hile industrials continued to re- ect the weaker tone of Wall reet. Aside from a decline of ore than $1 for McIntyre, losses golds were moderate.

Volume for the first hour reached 5,000 shares.

Gunnar slipped 10 cents while . Nesbitt Labine, Chimo and acon lost pennies. New Larder traded actively for a small de- ine. Marbenor rose to a new high 21¾ cents in a first-hour vol- ne of more than 100,000 shares. Page Hersey slipped more than in light turnover. Dominion eel. Ford A, Aluminium New d Gatineau preferred gave up ge fractions. Bell and Brazilian action showed small advances. Western oils' index figure sagged points as Pacific, Canada thern, Banff and New British orbed declines running to 50 ts. Base metals' losses included 00 for Smelters, Falconbridge, anada and Sherritt-Gordon.

Down in golds were Preston East Dome. McIntyre, Giant Yellowknife and MacLeod. Losses ran as high as $1.25.

PRODUCE MARKET

TORONTO (CP) — Churning cream and butter print prices were unchanged here today.

Quotations for graded eggs in fibre cases were: A large 71; A medium 61; A small 40; B 47; C 35. Wholesale to retail: A large 76; A medium 66; A small 45; B 52; C 40.

Butter solids: 1st grade tenderable 58; non-tenderable 57¼-57½; Western 58¼.

TORONTO LIVESTOCK

TORONTO (CP) — Trade was slow with the few offerings of good quality slaughter cattle selling at steady prices at the Ontario stockyards today. There was no demand for plain quality killers. Receipts: Cattle 675; calves 190; hogs 150; sheep and lambs 140; holdover 2,300 cattle.

Good weighty steers 20; a few good bulls 12-13; common light bulls downward to 10.50; medium stockers 16.

Calves continued strong at 21-23 for good to choice vealers; common to medium ranging from 12-20.

Grade A hogs 35; dressed sows 22.

Lambs were steady at 26 for good ewes and wethers; bucks $1 discount.

Guided Missiles Will Protect Key Centres

WASHINGTON (AP) — Guided missiles will protect key centres of population and industrial areas in the United States as part of the army's defence system.

Although it was announced last March that work was starting on the setting up of guided missile anti-aircraft units, no details have been divulged on how far along the work has progressed, or in what areas it has been undertaken.

It has become known that the army will require an average of 96 acres for a battalion using the Nike guided missile to protect cities against any swift, high-flying enemy bombers.

The 1,000-mile-an-hour missile is generally supposed to have these features:

An overall length of about 20 feet, a body diameter of approximately 18 inches. Fins which control its flight, similar to those of an airplane, are about three feet in span. The total weight is about 10,000 pounds.

Driven By Thrust

The missile presumably is driven by the thrust generated from the burning of two types of liquid fuel.

Without indicating it was referring to the Nike, the army said nearly a year ago that "enemy planes can dive, climb, bank, sideslip or turn tail, but the army's new weapons still will knock them out of the skies."

Some of the launchers for the missiles will be in underground installations.

The army has said the Nike can be fired day or night in any kind of weather and can successfully attack enemy aircraft and missiles travelling at supersonic speeds.

"Thus," the army said" the missile provides a valuable supplement to the army's skysweeper anti-aircraft guns which are primarily for defence against low altitude air attacks."

'Real Problems' Lie in Future Says Montgomery

By JACK MACBETH
Canadian Press Staff Writer

OTTAWA (CP)—Field Marshal Viscount Montgomery, deputy Allied commander in Europe, said today he thinks the world's "real problems" lie in the future.

The field marshal, dressed neatly in a grey flannel suit and blue and white polka-dot die, spoke to newspaper men shortly after arrival from the United Kingdom on a private visit.

Noting the end of active fighting in Korea, the British war-time commander in Western Europe, said that the political conference on the Korean question will be a "most difficult problem."

"I feel that a lot of people think all our troubles are behind us. The Korean war is over and we have had eight years of peace since World War Two, but, now, our real troubles are ahead of us."

He called upon the Western world's political leaders to reach agreement on global strategy, asserting "we fighting men can't do anything unless we get proper guidance from our political chiefs."

Asked if he thought his war-time boss. General Eisenhower was accomplishing much toward this objective as president of the United States, the field marshal commented:

"I think he is doing all he can. I think he is a jolly good guy to have there."

The field marshal was interviewed at the residence of the United Kingdom high commissioner, Sir Archibald Nye.

Questioned about North Atlantic treaty defence forces, he said:

"Four years ago it would have been a walkover for anyone attacking us. What would be the outcome now is hard to say. Today, he (any attacker) would not have it entirely his own way. We could make it very unpleasant for him."

The field marshal, stating that Canadians made "very good fighting chaps," added that this country's 27th brigade is "very fine."

CAMPBELLFORD

Many Dignitaries Attend Memorial Hospital Opening

CAMPBELLFORD. —A crowd of about 1,500 people watched the official opening ceremonies at the Campbellford Memorial Hospital on Sunday afternoon.

The opening of the building climaxed almost eight years of planning and those who worked so hard toward seeing the hospital finally opened, had their fingers crossed, hoping the weather man would favor them with a good day for the impressive ceremony that was planned. The weatherman overdid it a little, and sent a blazing sun to beat down on the crowd, which packed the grounds around the building.

Most Modernly Equipped

Chairman for the day was W. F. Scott, president of the board of directors. H. N. Carr introduced a number of guests, after which the Hon. McKinnon Phillips addressed the audience. He commended the hospital board on their 'pay-as-you-go' policy in building the institution, saying that the cost of the hospital per bed, was among the lowest, and that the hospital was the finest and most modernly equipped institution of its type in the province.

Father J. C. Moloney of St. Mary's Roman Catholic Church, gave a short address, and outlined the place the hospital would play in the community.

Campbellford's mayor, R. J. Locke, vice-president of the board of directors, gave a report on the hospital, outlining the trials and tribulations the board had to contend with during the construction period. Mr. Locke praised the efforts of a citizens' committee, comprised of local citizens under Mayor J. E. Ayrhart back in 1946. He said the chief obstacle in the building of the hospital had been the lack of money. "Due to the generous grants from both governments and the untiring efforts of the Legion, I.O.D.E., the Business and Professional Women, Women's Institutes, Rotary and Kinsmen Clubs and fraternal organizations, the town council, surrounding townships, and other organizations, as well as many private donations, what was at first thought to be an impossibility, had become a reality," said the mayor.

Asks Citizens' Support

Mr. Locke said he thought the hospital would become one of the town's great industries. When it is operating fully, it will employ a staff of 40 to 50. He asked the citizens for their support in maintaining the hospital, and implored them not to relax their efforts.

Mr. Locke presented the chairman of the building committee, A. J. Meyers, with an engraved key to the building, on behalf of the board of directors. Mr. Meyers, who is looked on as the 'father' of the hospital, will retain the key as a permanent souvenir of the opening ceremonies, in recognition of the great part he played in helping to bring the hospital about. Mr. Meyers in turn, handed the key to the Hon. W. A. Goodfellow, who used it to unlock the main door of the building, and declared the hospital officially open.

The Campbellford Citizens' band was in attendance, and supplied music for the occasion.

Hospital Dedicated

Following the official opening, the Rev. John McKibbin, of Christ Church, made a formal dedication address, followed by a prayer of dedication by the Rev. Gordon Whitehorne.

Mrs. F. DeF. Free gave a vocal solo, "Bless This House", and Thomas Smith, president of Branch 103 of the Canadian Legion, read the names of those of the district who gave their lives in World War II. The hospital is a memorial to these men, and their names will appear on a bronze plaque in the lobby of the new building.

Following the ceremony, the public was invited to inspect the hospital, and the staff of nurses was kept busy showing off the new building and its equipment. It is estimated that nearly 2,000 persons saw through the building during the afternoon.

Kiwanis Will Present World Travel Series

Featuring the work of famous world travellers and photographers, the Kiwanis Club will stage a series of world travel and adventure travelogues at the Collegiate this coming fall and winter, it has been announced by club officials.

The series will open on October 8th when Murl Duesing, chief photographer for Walt Disney's "Nature's Half Acre," academy award winner for 1952, will present "Safari in Africa," a story of a great expedition into the heart of Africa. Locale for most of the picture is in Kenya, Belgian Congo and French Equatorial Africa.

The picture in color covers the wild beasts which roam this area in large numbers, the people and the unusual scenery. There are pygmies and proud Nasai warriors, the fabulous "Mountains of the Moon," and other strange scenery.

This should prove to be a most interesting travelogue. Series of this type have met with great popularity in London, Hamilton, Peterborough and Ottawa during recent years.

Six travelogues all by world famous travellers and photographers, will be given in the series starting October 8th and ending March 18th.

WELLINGTON

Woman Suffers Fractured Pelvis In Fall in Home

WELLINGTON (Special)—Mrs. A. A. Morden, nonagenarian of this village, is in Trenton hospital suffering with a fractured pelvis.

Mrs. Morden, who lives alone, apparently fell on Wednesday evening while going about her household duties sustaining the injury.

She was not found until early Thursday evening, when Mrs. Ralph Morden, wife of Mrs. Morden's grandson, who had not seen her during the daytime investigated and found the aged lady lying on the floor.

She was rushed to hospital where the fracture was reduced. Latest reports state Mrs. Morden is progressing favorably.

Wheels, Tires, Radio Stolen Off Wrecked Car

WELLINGTON (Special) — Four motor car wheels, tires, a radio and a telephone receiver were added to the loot of the light-fingered fraternity here over the week-end.

Park Superintendent William Thompson noticed a large rock decorating the phone in the park's public telephone booth early Sunday morning. Investigation revealed that sneak thieves had neatly clipped the wires connecting the receiver to the phone proper, and had taken the receiver with them. A stone was placed in the receiver cradle to hold the hook down in the proper position.

A motor car that turned turtle three miles east of this village on the Wellington-Picton highway Saturday night was cleanly stripped by nocturnal thieves. When the unidentified owners of the car returned to the scene of the accident Sunday morning they saw that thieves had taken the wheels, tires and the radio out of the automobile.

Award Winners at Belleville Fair

Over 130 Junior Farmers from four counties had a big day at Belleville Fair last week when they took part in judging competitions and demonstrated projects at Achievement Day. Radios were presented to the top boy and girl while a silver tray was given to the top boy in livestock judging. Left to right are Arthur Gannon of Picton, Dorothy Petty of Warkworth and Alfred Gooding of Hilton.

Stockdale Wins First Game From Cataraqui

FRANKFORD.— Stockdale Combines, local entry in the O.A.S.A. juvenile 'C' playdowns, edged Cataraqui juveniles 15-13 here Saturday night in a wide-open game, the first in a two out-of-three series. The next game is set for Cataraqui, Monday night.

Local fans saw their boys ram home seven runs in the first on three hits and five miscues by the visitors. The Cataraqui boys settled down after the first inning, keeping the locals pretty well in hand. The visitors came through with five runs in the sixth frame on two free passes, two errors and two homers, and chased the Combines right to the wire. The fans thought perhaps the lights bothered the youngsters and led to most of the errors.

The winners were paced by Guy Austin, who connected for two singles. Tomack followed with a home run and Allan Baker got a double. The rest of the team collected singles apiece.

Cataraqui collected the same number of hits as the Combines but they were monopolized by Jackson, the pitcher, who belted the ball for a homer, a triple and two singles. Sinclair went for a double and a single, while J. Pretty homered, Hannah doubled with singles by Potter and G. Pretty.

Ron Wannamaker went the distance for the Combines getting six strike outs and giving up eight walks.

Jackson toiled on the hill for Cataraqui getting the same number of strike-outs and walks as Wannamaker.

Score by Innings		R.	H.	E.
Cataraqui	013 005 121—	13	10	11
Combines	712 110 12x—	15	10	7

U.S. Will Oppose Security Council Probe of Morocco

UNITED NATIONS, N. Y. (AP) —The United States will oppose an Asian-Arab demand for consideration of the Moroccan situation by the UN security council, a spokesman said today.

This virtually dooms the proposal to defeat. Britain and France already are known to be against consideration of the question and one or two other members are expected to vote in the negative or abstain. Seven affirmative votes are required to put the question on the 11-nation council's agenda.

The council meets Wednesday afternoon.

The Asian-Arab bloc sought unsuccessfully in 1951 to bring the issue before the security council. On that occasion, the United States abstained and the question failed to get the required seven votes.

The Asians and arabs blamed the United States for their failure. They later brought the issue to the 60-nation general assembly.

The U. S. delegation gave no explanation as to why a negative vote would be cast this time instead of the abstention.

Australia Enjoys Big Advantage In Selling Wheat

By SYDNEY GAMPELL

LONDON (Reuters) — Australia, currently caught up in the world wheat glut, is in a favorable position to find customers among countries which want to buy wheat without spending dollars.

In the new international wheat season which started Aug. 1, her sales on the export market have been lower than those of North America.

Up to mid-August, Australia had sold only 78,000 metric tons under the international wheat agreement. Up to the corresponding date last year, she had sold 327,000 tons excluding Britain, or 657,000 including Britain.

This is an even poorer showing than Canada, which up to mid-August this year had sold 280,000 tons compared with 719,000 or 776,000 including Britain in the same period last year. The Australian figures are also poorer than those of the United States, which are 237,300 tons up to mid-August this year, compared with 839,000 or 870,000 a year ago.

But these are early days for Australia, whose own wheat year does not start until December.

Pattern Favors Aussies

The general pattern of world wheat prices favors Australia. As long as United States export prices are linked—even if only elastically—to the high internal support price, Canada can keep her share of the market by underselling the United States by a few cents a bushel.

Australia and the other non-dollar sellers do not have to undercut the United States export price. Countries that want to save dollars have generally been willing to pay slightly more for non-dollar wheat.

The other card in Australia's hand is that her carryover of old crop wheat shows no such spectacular increase as in the other three major exporting countries, the United States, Canada and Argentina.

Total supply this season in the United States and Canada is much larger than last season. In Australia it may be smaller than last season.

Solar stove

In India, scientists have worked out a way to cook food by sun-power. A polished aluminum bowl suspended above a cooking pot directs the sun's rays to a mirror, which reflects the heat to the bottom of the pot. It sounds a bit complicated to us — but the fact is that the solar cooker turns out a meal as fast as a 300-watt electric stove.

It's just one more indication that food and aluminum go together — in containers, utensils, foil and in the equipment used by the dairying and food processing industries. Aluminum Company of Canada, Ltd. (Alcan)

Alberta Will Store Wheat In Bedrooms, Chicken Coops, Old Houses and 'Pre-Fabs'

By GRAHAM TROTTER
Canadian Press Staff Writer

EDMONTON (CP) — Prefabricated housing is popular on Alberta farms this year not for families but for an indicated bumper wheat crop, much of which they expect to have to store themselves.

With the big crop coming on the heels of last fall's record Canadian harvest, and terminals and country elevators still bulging with old grain, farmers also are giving last-minute water-proofing to a lot of dilapidated, weather - beaten buildings they never expected to use again.

Old horse barns, chicken coops, machinery sheds and abandoned houses are being readied for storage. Lofts originally built over barns for storing hay will take in wheat. The golden kernels also will occupy spare bedrooms. In some cases, they'll fill empty town buildings and even hangars that housed wartime training planes.

Prefab Trade Brisk

Government officials report several lumber companies are doing a good trade in prefabs, roofed veneer and plywood structures costing an average $300. They house about 1,500 bushels of grain.

Where there are no make-shift buildings to take the grain and where elevator space is at a premium the wheat, oats and barley will be piled on the ground at the mercy of the weather.

Farmers will be allowed at the outset to deliver to elevators a quota of three bushels an acre once the harvest begins. But these days, with high-powered machinery replacing slow horse-power, yields ranging from 15 to 40 bushels an acre are harvested in a rush of about two weeks or so.

Just Drop In Bin

Thus, the three-bushel delivery quota is just a drop in the bin compared with the total crop. It won't be able to accommodate even that from all the farms in their areas.

In the southern Alberta districts of Lethbridge and Medicine Hat, where the first trickle of harvesting has begun, elevator agents and farmers agree that much of the 1953 crop will just have to be piled on the ground. That was the case last year with more than 10,000,000 bushels of wheat in the rich Lethbridge grain belt.

Farmers haven't provided themselves with anywhere near enough storage space, because in the past they regularly counted on line elevators taking all their grain and moving it to markets within five or six months of the harvest.

Fall Fair Dates

List of Fall Fair dates:

Campbellford	Sept. 29, 30
Coe Hill	Sept. 8 and 9
Deseronto	Sept. 26
Kingston	Sept. 29-Oct. 3
Marmora	Sept. 5 and 7
Napanee	Sept. 7-9
Norwood	Oct. 9, 10 and 12
Peterborough	Sept. 15-19
Picton	Aug. 22-26
Roseneath	Oct. 2 and 3
Shannonville	Sept. 11-12
Stirling	Sept. 15, 16
Tweed	Sept. 22, 23
Bobcaygeon	Oct. 2 and 3
Durham	Sept. 8 and 9
Denbigh	Sept. 11
Lindsay	Sept. 22-26
Lakefield	Sept. 11-12
Toronto (Royal W.F.)	Nov. 13-21
Warkworth	Sept. 24, 25

AN ENCOURAGING ATTITUDE

Officials of the Department of Trade and Commerce at Ottawa were reported Monday to have exhibited "pleased surprise" at a report released by President Eisenhower of the United States, in which the need for liberalization of U.S. foreign trade policies was forcibly expressed.

Protectionist policies have long been followed by both of the two political parties in the U.S., but the Republican party is generally considered to be more firmly wedded to such measures than the Democrats. This led to misgivings, not only in Canada but in other major trading nations, when Eisenhower, the Republican nominee, won last fall's presidential election. There now appears reason to hope that these fears may prove groundless, in the long run.

At the same time Canadians should not overlook one fact. It is one thing for the President to release a report from an adviser to the administration advocating a certain course. It is quite another thing for the administration to be successful in getting this course approved by Congress. In countries such as Canada and Britain, where rejection of an administration policy means the fall of a government, such rejection seldom occurs. But the administration in the U.S. frequently finds its recommendations rejected by Congress. Such rejection does not mean the fall of the government nor does it force a general election.

There is little doubt that protectionist policies served the United States well in the early days of its industrial growth. That they have been as useful to the nation in recent years is open to debate. That a continuance of such policies is today dangerous to the economic health of many of the nations of the world is self-evident to even the most casual student of international affairs.

It is this fact which led Lewis W. Douglas to declare that the United States, as the world's greatest creditor nation, can "no longer pursue the protectionist policies of a debtor nation." Such protectionist policies, he said, would bring discrimination against U.S. products in markets abroad, but even more important, to the world as a whole, is the effect which such policies would have, and indeed, already have had, in preventing the "re-establishment of international economic and financial health and equilibrium."

The difficulty which will probably face the administration is in convincing Congress that the U.S. has a vital stake in the re-establishment of such economic equilibrium and that a world which is not in sound financial health is not equipped to present a firm front against threats to freedom.

The danger is that, even if the administration eventually wins Congress over to a recognition of the implications of the present world trade situation, a change in policy will come too late to prevent a deterioration of the economies of allied nations. For, as Douglas observes, "time is of the essence" in moving toward freer trade.

President Eisenhower, while he made public the report, did not commit himself on the issues raised. He merely turned the report over to a study commission on U.S. foreign economic policy. Perhaps that is the best which he could do, in the present political atmosphere of the U.S., but this fact serves to underline the danger of a lengthy delay occurring before Congress even considers possible revisions in present policies.

CHANGE IN FARM OUTLOOK

The outlook for hog and poultry producers in Ontario is generally favorable. That is the opinion of economic authorities of the Ontario Department of Agriculture and of the department of agricultural economics at the O.A.C. at Guelph, as expressed in the summer issue of "Ontario Farm Business." At the same time, prospects for beef and dairy cattle industries are not so bright.

There is an element of poetic justice in this situation, for it is not so long ago that farmers who obtained the major portion of their incomes from hogs or from poultry were facing a black outlook, while cattlemen, or at least those engaged in the production of beef, were enjoying a veritable bonanza. Here in the Belleville area, traditionally a dairy-farming area, many farmers acquired Shorthorns, Herefords and Aberdeen Angus. In areas where beef cattle were always the main source of farm revenue, some of the bigger and more aggressive farmers reaped large profits, at least on paper.

Now that situation appears to be changing. Nor should this fact prove too surprising. Whenever the outlook looks poor for some particular division of agriculture, the more pessimistic and less experienced farmers rush to get out of it and into some other specialty, where prospects appear better. This tends to create a shortage where formerly a surplus was in existence and a correction in prices occurs. Whereupon, of course, some farmers hurry back into the fields they left earlier and, after a while, the upward trend is reversed.

The wiser farmer, however, recognizing that agriculture is a truly basic industry, is not overly depressed when the outlook is poor nor unduly elated when it is bright and refrains from upsetting the smooth operation of his farm because of short-term trends. He is the backbone of the rural communities, and indeed of the province and the nation at large.

BUZZING THE FISH

Latest gimmick for fishermen is the 'Buzzing Bee' developed by Jaromir Gryar, a Czech who went to Britain before the war and served in the R.A.F. His device consists of a plastic jar containing a battery-operated mechanism producing a buzzing sound. He got the idea from his grandfather, a keen fisherman — he used a jar of bees whose buzzing, when lowered into the water, apparently attracted the fish. — Charlottetown Guardian.)

JUST FOLKS

LINES FOR PITCHER NEWHOUSER

That's how it is! A few brief years
Of topmost skill,
And then a younger man appears
Your place to fill.

Some brilliant pitcher, famous when
You first began,
Gave you the ball, for you were then
The younger man.

When lost the speed that once you had,
Filled every base,
Out of the bull pen comes a lad
To take your place.

With you the saddened coaches stand.
One takes the ball,
Heeding the manager's command,
Saying: "That's all."

LOOKING BACKWARDS

GLEANINGS FROM OUR FYLES OF BYGONE DAYS

20 YEARS AGO

August 25., 1933.

Mrs. W. A. White of Gananoque is visiting friends here.

Mrs. B. Gaffney and Miss Lorraine Gaffney of Deloro, are the guests of Mrs. M. Cannon, Alexander street.

Miss Helen Skinner has returned to her home at Gossville, N.H., after visiting her uncle, Mr. Charles W. Cook, and Mrs. Cook, Bridge street west.

Mrs. Mary J. Ostrom of Halloway —observed the 84th. anniversary of her birth at her home on August 23rd and a family gathering was held at which her daughters with their families were present. Guests of honor were Mrs. Ada Terry and Mrs. Rodbourn. The event was most enjoyable and Mrs. Ostrom received gifts, hearty congratulations and expressions of good wishes from many friends.

Mrs. W. Peterson has returned to her home in Minneapolis, Miss., after vsiting her aunt Mrs. E. Roach in this city.

Miss Myrtle Rrchibald of this city is visiting friends in St. Catharines.

30 YEARS AGO

August 25., 1923.

Here is an item about the footbridge taken from our file copy at this time in 1873: "The electors will be asked to vote on a by-law to provide the sum of $2,000 for the construction of a footbridge."

Coal is selling here at the following prices: American anthracite $16.50 per ton; ordinary bituminous $13.50 per ton; Pocahontas $15.50; furnace coal $16 per ton. The best Alberta domestic coal is being sold in Ontario at $14 per ton.

Mayor George Bennett and Mrs. Bennett are guests of the directors of the Canadan National Exhibition at the opening today.

Mr. John Bell is erecting two houses on South John street and will be completed soon.

Mr. and Mrs. Leonard Wood have returned home after visiting friends in Toronto and Oshawa.

Mrs. A. Ashley of Toronto is visiting her sister, Mrs. E. Boothe, Foster Avenue.

Mayor Roeignick of Trenton was in town today.

40 YEARS AGO

August 25., 1913.

Miss Annie Quinn of Bay City, Mich., is visiting friends here.

Mr. Isaac Frost of Edmonton, Alberta, an old Belleville boy, is home on a visit.

Mr. and Mrs. E. G. Street of Buffalo, N.Y., are visting friends here.

Mr. and Mrs. Arthur McGie have returned home from Crowe Lake, near Marmora, where they spent ten days.

Messrs. Albert and William Wonnacott are visiting their brother, Mr. Harry Wonnacott, Toronto.

Dr. W. W. Boyce will attend the International Congress of School Hygiene at Buffalo, N.Y., next week.

Mr. and Mrs. B. McMurray left today to visit friends in Cleveland, Ohio.

50 YEARS AGO

August 25., 1903.

Mr. Charles McKeown is home from the College of Pharmacy, Toronto.

Dr. Geo. C. Mathison has left for his home in Winnipeg after visiting his parents, Mr. and Mrs. Robert Mathison at the D. & D. Institute.

Mr. W. A. Cornelius has left for Toronto where he has obtained a good position with the C.P.R.

Mr. and Mrs. Geo. H. Grills are spending some time in St. Catharines.

Mr. John Campbell left yesterday for his home in New York City after visiting his parents here.

Capt. Clarence Dickenson, formerly of this city, now of Winnipeg, is spending a few days in town.

The members of Mizpah Lodge I.O.O.F. will decorate the graves of their deceased brethren in the Belleville cemetery tomorrow afternoon.

THE PACKSACK

By GREGORY CLARK

A neighbor noticed that a shingle was loose on his fairly new asphalt shingled roof. Now, he was the average man amongst us, the descendant of hundreds of generations of men who have been sticking shingles back on their roofs for the past two or three thousand years. To wit, he was as helpless as a cook. So he went in and studied the telephone book, called up three or four roofers who were too busy to come for the next few weeks or months, and at last got a cheerful character who said he would come the next day.

He came in a truck, with an extension ladder and a variety of tools and a wide selection of colored asphalt shingles, from which he selected the right one to substitute for the one aloft which was torn.

He erected the ladder, climbed to the roof, fitted the shingle, came down, repacked his ladder, wrote out a small chit like a policeman and said:

"That'll be $4.50 please."

"What!" wailed my neighbor. "You mean $4.50 for one shingle?"

The roofer was a cheery man.

"You could have done it yourself," he admitted. "But you would have had to buy an extension ladder, which would come to around $32, or maybe you can get a cheap one for around $18. Or maybe a second hand one."

"I could have borrowed one," agreed my neighbor.

"Then," sized up the roofer, "you would have to have some tools. Maybe you got them already? And the right nails, and a tube of this good cement we use on a job like this. Suppose we say two bucks. Next, you would have to drive all over town looking for one shingle the right color to match up with your roof. Let us suppose you could find some dealer who would open up a package for you, just to let you have one single. Let's be crazy and say he would give it to you for nothing. Your gas and oil might come to 70 cents or even a dollar and a half. Okay. Now, you would have to check your insurance policy before you went up on that roof, to make sure you were covered in case you fell off. I bet you aren't covered. Let us say: insurance. $12. in round numbers . . ."

"Okay, okay," said my neighbor, forking over the $4.50.

"Besides," said the cheery roofer, "I got to maintain a truck, and a shed . . ." "Okay, okay, okay," said my neighbor.

MODERN FURNITURE

(Stratford Beacon-Herald)

Modern furniture takes so many strange shapes that when you bark your shin against a piece you have to identify it before you can cuss it.

PAID OR NOT?

(Toronto Star)

A statistical report claims that North America at last count owned North America at last count o 52 percent of the world's radio sets. But it didn't say whether the final instalment had been paid on most of them.

Hot Dog History

(New York Times)

Consider the plight of the hot dog. Here is an American institution that has quietly and modestly served the nation for more than half a century with far too little recognition. Why has this gross injustice been perpetrated in a country so proud of its record for fairness and equality? Because the hot dog has no known birthday. The telephone for example was first put into use on March 10, 1876, and that date has been duly recorded in history so that future generations can pay tribute to this wonderful invention. But the hot dog has surely brought as much satisfaction to the nation and yet no one can point a finger to any specific day and say: "This was the start of the hot dog and shall be celebrated forevermore." Historians admit that the hot dog was born on a cold day in the Eighteen Nineties, but even the exact year remains obscure.

The scene of this momentous event was the Polo Grounds. Cold winds whipped in off Coogan's Bluff and the baseball fans shivered in the stands. A young English-born concessionaire named Harry M. Stevens was purveying his peanuts and scorecards, but the weather spurred him to history-making action. He recalled that a near-by butcher shop had an assortment of sausages hanging in the window, and he sent a boy to buy ten dozens of them. Mr. Stevens dispatched another lad to purchase rolls from a bakery. He tossed the wieners into a huge pot half-filled with water and boiled them on the clubhouse stove. He sliced the rolls and inserted the hot wieners in them, then told his vendors: "Those people are frozen. Go out there and yell 'red hots, red hots.' The people will buy these red hots if you yell loud enough." Within ten minutes the red hots were sold, and Mr. Stevens, who went on to become a famous caterer, had a new item for his concession.

But the saga of the hot dog was not without its moments of tribulation. T. A. (Tad) Dorgan, the cartoonist, began to characterize the "red hot" in his sketches as a dachshund between an elongated bun, and he called it the "hot dog." This quite naturally started some persons wondering what went into the manufacture of the tasty product, and the hot dog business suffered a severe recession about 1910. The hot dog had an indomitable spirit, though, and fought its way back to popularity, until now it reigns as uncrowned king of the lunch wagons from Coney Island to Malibu Beach. And Texas, which always tries to do things on a bigger scale than they are done anywhere else, boasts twelve-inch wieners.

In construction the hot dog always has been far ahead of its time. Consider the graceful, flowing lines of the bun and the space-saving manner in which the wiener fits therein. The wind resistance is virtually nil except when the sauerkraut is heaped atop the hot dog and changes its basic appearance. And, though not glorified with a birthday in history, the hot dog has received the homage of the nation's chefs, although their recipes use the more elegant name of frankfurter. From a humble beginning in a bun the hot dog has risen to top billing in casseroles and other more elaborate dishes.

So powerful has the hot dog become that its production figures are shrouded in secrecy that would put our atomic security forces to shame. A shocked representative of the Stevens company explained: "We cannot divulge figures. This is so highly competitive a business that Nedick's and Nathan's must not know how many hot dogs we sell." However, it was learned from reliable sources that on a good "sports" day on a summer week-end about a million hot dogs are consumed in the nation. So, all hail the hot dog; and, though Mr. Shakespeare never was so fortunate as to have tasted one, his words from "King Lear" must serve as the postscript to this tribute: "The little dogs and all see...they bark at me."

Every Citizen Peace Officer

(Port Arthur News-Chronicle)

A Port Arthur man a few days ago was relating an incident which he observed and in which he was to some extent involved on one of the highways a short disance from the city. He saw a man, obviously in a state of intoxication, about to enter a small truck for the drive into the ciy.

Said citizen advised the apparently impaired driver that he had better not do it. The latter had some comments to make about the "nerve" of one who would thus interfere. The argument proceeded until finally Citizen Number One warned the other that if he drove to the city in that condition he would follow him in and report to the Provincial Police. Under this threat the man left his truck where it was standing and returned later, when sober, to pick it up.

The question arises as to what the citizen could have done had the truck owner insisted further on getting into the truck to drive it away. Fact is he was entitled to make more than verbal protest. He could have taken the possession of the keys or he could have arrested the man just as a police officer might have done.

In cases where there is evidence of crime or offence or danger to the public safety the citizen is clothed with exactly the same authority as a police officer. He may take all necessary steps to prevent violation of the law, escape of an offender or to protect the public safety as one would be doing in preventing a drunken driver going on the highway. At the same time he must be prepared to justify his action in the same way that a police officer must do.

The point is that every citizen is himself a peace officer, privileged, or even required under certain circumstances, to act for the peace and good order or society. In so doing he has the protection of the law as given to police—also he takes the same risk in being called on to justify his action. Where the offence or probability of offence is obvious, as in the case of a drunken man driving or preparing to drive a car, there is little, if any, risk.

Mother Goose Bad Influence?

(Hamilton Spectator)

The child's passion for blood and thunder is a source of constant wonder and some worry to its parents. Surely, they think, the little dear will sprout a virulent psychosis and a whole gaggle of nasty complexes from its steady diet of slaughter-filled (and magnificently misnamed) comic books, murderous TV programs and gunfire-packed western movies.

And yet the child survives and one day grows into a tolerable adult. And this has been going on for a long long time.

These perils to which the young have been exposed for uncounted generations have been the subject recently of a mock-serious correspondence in the columns of The Times of London.

One correspondent has pointed out that the time-honoured Punch and Judy show "offers for the delight of the children a hanging, an attempted hanging, an undertaker (complete with coffin), hand-smashing by sledge-hammer (with small-hammer variations), ghost-walking, manhandling of a uniformed police officer, threats of imprisonment and an invariable boxing match where the negro opponent is beaten to the ground."

Another writer has reported that Punch and Judy show "barely touches the fringe of the evils daily put to our children. To consider only a few of the nursery rhymes, there are Goosey Goosey Gander (violent intolerance), Little Miss Muffet (unreasoning hysteria), Little Boy Blue and Little Bo Peep (dereliction of duty), Humpty Dumpty (slighting the National Health Service), Little Jack Horner (greed and complacence) and Georgie Porgie (promiscuity and cowardice) . . . .

"It is obviously impossible that any children brought up with these anti-social verses can grow into respectable adults."

But, in spite of the alarm of their parents, they do.

In fact we sometimes suspect that the sinfulness of the comics, TV's murders, the westerns' gunplay, Punch and Judy's sadism and even the violent intolerance of Goosie Goosie Gander may really do good in negative sort of way—that they permit the little darlings to work off by proxy their inborn instinct for violence, instead of beaning Father with a vase or impaling Sister on an ice pick.

Titanothere Still Here?

(Ottawa Evening Journal)

Out in the Cypress Hills area of Saskatchewan, a couple of scientists have extracted from the rock the fossilized skull of an adult titanothere.

The titanothere, we are told, flourished on the Prairies during the Oligocene period. The adult was about eight feet tall, had columnar legs, and so small a brain capacity as to indicate that it was a stupid animal. The scientists say it became extinct some 27,000,000 years ago.

The rolling prairies, if they were rolling and prairies in those distant days, must have been something to see, with great hosts of these ponderous beasts moving ponderously down the road to extinction.

But some will wonder whether in fact the species has been dead and gone these millions of years. That small brain capacity, those columnar legs, we seem to have encountered in this present incarnation.

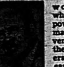
There is a report we cannot confirm at the moment that an adult titanothere was seen at the wheel of a motor vehicle on an Ottawa street no later than this morning.

Personal Health Talks

By DR. WM. BRADY

SAVE YOUR TEETH AND LIVE LONG

A trustee of the American Dental Association was recently quoted as saying:



Dr. Brady

"No green wonder or white miracle powder will magically prevent decay of the teeth and eradicate disease of the gums. No such dentrifice will do anything that a suitable toothbrush properly used won't accomplish alone."

Just what a toothbrush properly used will do for decay of the teeth and/or disease of the gums, the dental association trustee does not tell us.

Americans, who are the greatest tooth-brushing and dentifrice-using people in the world with the possible exception of Britons) have the worst teeth in the world (again with the probable exception of Britons).

Where do the dentists get the notion that the use of a toothbrush does anything for teeth and/or gums? From the oracle that gave them, with a generous supply of samples, the slogan "A clean tooth never decays"?

The people of Tristan da Cunha —young and old—have, or anyway had up to 1950, the finest teeth in the world, and they have never used tooth brushes or dentrifices of any kind. Tristan people have subsisted on plain (unrefined, not denaturized) food. I'm only a plodding old practitioner of the horse-and-buggy type, so I wouldn't know about such things, but somehow I believe diet has a good deal to do with the condition of the teeth.

Please understand, children, it is not my contention that the teeth of Britons and Americans are worst in the world becaus they brush their teeth so muc Indeed brushing with or without plain soap or glorified soap flavored and colored in the very latest style, does the teeth no harm at all, I believe, except in a negative way. That is, ignorant or misinformed customers in England and the United States, might not neglect their teeth so deplorably if they did not believe brushing prevents decay of the teeth.

My stay in England in 1950 was not long enough to warrant judgment, but I have lived in the United States long enough to observe that preservation of the teeth depends on three factors, namely,

(1) Diet and general nutritional condition

(2) Wisdom in respect to need of dentist

(3) Periodic inspection and whatever treatment the dentist finds necessary. This applies whether you brush your teeth or not.

The American Dental Association trustee spoke out courageously, but he panicked as soon as he realized he was out there alone and assuaged the temper of his 19th century colleagues by putting in a good word for the toothbrush.

TODAY'S TALK

By GEORGE MATTHEW ADAMS

TO BE MISSED

When a person has contributed something to our happiness, and is suddenly lost to us through death, something of us goes with him. I once came across a statement that when a visitor leaves Hawaii he himself dies a little. I think that there is some truth in this statement for I have experienced it. Likewise, it applies to people.

The very structure of our personality is the result of many contributions by our friends, and by those whose love and sacrifices have left an influence that never leaves us, so that we sorely miss them when they no longer are ours in the flesh. Something in us all dies a little with the loss of our beloved ones.

I recall when the news was flashed to my summer Lodge in Nova Scotia, that Will Rogers had been killed in a plane accident. It seemed unbelievable. A quiet sadness settled upon thousands who had never even seen him, many knowing of him only through his radi and newspaper talks and his part in the movies. But his characte was so genuine that it had take hold upon millions. No matter ho fast the years go by Will Rogers i missed.

Those near and dear to us in li are most missed in death, but the is a natural kinship that we neve lose that has been ours with friend. That one is missed. Befo leaving for my summer vacatio at the last luncheon given by wh is known as the Dutch Treat Clu in New York City, I looked over t dining room and six names friends came to my mind—all r cently gone from life in early ma hood. I could not help but feel th something of this delightful cl had died with them.

There is something finely pr ious about being missed, thou the missed ones may never kno We scent its meaning, howev And we are nourished spiritua by the fact.

Strength for the Day

DR. EARL DOUGLASS

FASCINATION OF ERROR

It is hard for those of us who hate communism to realize that some people love it so dearly that they are willing to die for it. In the midst of a world which they believe to be disintegrating they see communism as a great program for unifying men and making their efforts productive. Standing on the outside and viewing the movement objectively, we can see that at best communism is mistaken and at worst it is a conspiracy against everything that dignifies the soul of man and makes human life significant.

It seems to us utterly insane that anyone could see in the violence, cruelty and false econom schemes of communism any ho for the betterment of mankind. Y there are people who are so s that modern civilization is fo doomed that they grasp the dra program offered by communi and do so with the actual c viction that it will bring peace a order out of a world made we with war anxiety and chaos.

To say this is not to intim that communist leaders are s ply mistaken men. They are most without exception cruel, c rupt, cynical and utterly dishon The horrible thing about comm ism is that it has fascinated m lions of people who might—if t only believed the Truth—be serv their fellow men effectively.

COMPLEXES

(Owen Sound Sun-Times)

Complexes are among the few things which can be created merely by talking about them.

GOOD-NATURED

(Kingston Whig-Standard)

Fat people are good-natured cause they eat enough to keep f being hungry. Being hungry make anybody ill-natured.

Athletes Winding Up Active Season in All Lines of Sport

On playing fields in and around Middleton Park this week athletes are winding up an active season in softball, fastball, sailing, swimming, and track and field events.

Highlight of the week which started on Sunday with the annual Afraquatic Club Regatta is RCAF Sports Day, Wednesday, August 26 on the RCAF Trenton Sports Field.

Jack Sills, of Belleville sailed off with the Commodore's Bell when he brought his Class I sloop "Windrift II" around the course in one hour twenty-four minutes and twenty-nine seconds. The trophy went to Sills as a result of Sunday's meet and a first race held on Saturday, August 15.

Grant Rathbun in his ketch "Southwind II" completed the breezy course in one hour twenty minutes and forty-eight seconds, Sunday, to take first place on corrected time and to win the Senator Fraser trophy. Runners-up on corrected time were Sills in "Windrift II" and Group Captain H. Hawtery sailing in the "Astra."

Boat for boat winner was Skipper James sailing his sloop "Cassawappy" around the course in one hour twenty minutes and nine seconds. Eleven seconds later the "Astra" crossed the line with "Southwind II" on her heels.

"Southwind II" took second place honors to "Windrift II" in the overall race while Freeman Burrows' ketch "Viking" placed third.

The G/C R. E. M. Burney "Hell Diver —Trophy" for the top skipper in the Class II and Class III meet went to W/C P. Wilkinson who brought his dinghy around the six leg course in one hour forty minutes and 15 seconds.

Awarded Top Honors

Skipper Wilkinson and S/L. C. C. Lee were awarded top honors for Class II boats with their easy victory over the Dickens' family of Belleville, sailing in their dinghy which completed the course in two hours ten minutes and thirty seconds.

The Class III award went to WO I W. J. Smith and W/C W. Dever who brought their snipe home in the heavy going in two hours, seven minutes and thirteen seconds.

F/C L. R. Ward and F/C J. Clarke failed to complete the course when the rudder on the Comet came adrift on the fourth leg.

Prizes were awarded to successful participants by Commodore Hawtery at a reception which followed in the RCAF Station Social Centre.

6 Repair Depot
Fastball Semi-Finals

Senior NCO's will meet Tel S. and Ferry Flight will meet Mobile Equipment this week in the first games of a best two out of three semi-final series to determine the winner of the No. 6 Repair Depot Fastball League.

Final standings are as follows:

Team	P.	W.	L.	Pts.
Senior NCO's	16	13	2x	27
Ferry Flight	16	10	3xxx	23
Tel S	16	11	5	22
Mobile Equipment	16	10	5x	21
Airframe Repair	16	7	9	14
Supply	16	7	9	14
Armament	16	4	11x	9
Officers	16	2	14	4

(x—Denotes tie games.)

Annual Sports Meet

RCAF Trenton's Annual Sports Meet will open Wednesday at 1:30 p.m., with a grand parade and march past in front of the grandstand on the Sports Field at RCAF Station, Trenton.

Track and Field Events

A program of swimming and track and field events is included in program open to both male and female athletes from in and around Middleton Park.

At 2 o'clock the day will get off to a start for competitors with a men's 100-yard dash, a men's mile relay, women's standing broad jump, pole vaulting and shot-put on the field. In the outdoor swimming pool at the same time swimmers are invited to participate in a 75-yard medley relay, men's 50-yard freestyle, women's 25-yard backstroke, men's 25-yard backstroke and children's (under 12 years) 25-yard freestyle.

Other events will be run off at the following times: 2.15 p.m.: Women's 75-yard dash. 2.30 p.m.: 220-yard dash, men's running broad jump and discus. 2.45 p.m.: Women's 100-yard dash. 3 p.m.: 440-yard dash, men's high jump, women's softball throw. 3.15 p.m.: 880-yard run, inter-station tug-of-war championships, women's high jump. 3.40 p.m.: Women's 300-yard shuttle relay, 440-yard relay men, javelin throw, mile run.

Swimming events are as follows: 2.40 p.m. diving, women's one meter board, diving, men's three meter board, women's 25-yard breaststroke, children's 25-yard freestyle. 3.20 p.m. Aquatic display. 3.30 p.m.: Children's under ten years tub race, underwater swim, and women's 25-yard freestyle. 3.45 p.m.: Men's 200-yard relay.

First, second and third prizes will be awarded in each sports' day event and will be presented on the field to successful participants at 4.15 p.m.

TO LIFT MARTIAL LAW

SEOUL (AP) — Authoritative sources said today the government soon will lift martial law in this shell-shattered Republic of Korea capital. Also to be lifted are restrictions against Korean civilians entering Seoul.

PORT REVIVAL

TRONDHEIM, Norway (CP)—In an effort to recapture Trondheim's position as a major seaport, modern facilities have been provided to reduce loading times to one half. The cold storage capacity fc frozen fish is being doubled.

BANCROFT

Postmaster Pleads Guilty to Two Charges of Theft

BANCROFT — Discrepancies brought to light during a routine post office inspection resulted in the appearance in court of Postmaster Reginald M. Flynn of Maynooth. Flynn admitted two charges of converting public money to his own use and of making false entries. He was fined $25 and costs on each account. Evidence was given that full restitution had been made.

Convicted of driving —whilst his ability was impaired, Ambrose Craftchick of Princes Lake was fined $50 and costs.

Mrs. Emily Vallier and Frank Thompson, both of Toronto, charged with careless driving were each ordered to pay fines of $20 and costs.

Convicted of being drunk, Jack Cooney of Bancroft was fined $50 and costs. This was Cooney's second offence.

Similar charges resulted in fines of $10 and costs against William Wheeler and Bernard Crawford of Detlor and Edward Green of L'Amable.

Speeding cost Withrow Goodale of Oakville $15 and costs and Freemond Spence of Bancroft paid $10 and costs for driving without a licence. Six residents of Dungannon township, Roy Martin, Alice Redmond, Robert Cooney, Howard Redmond, J. E. Anderson and Mrs. E. McCormick paid fines ranging from $2 to $6 for failure to pay dog tax. Several similar cases were enlarged for personal service of summons, when defendants failed to appear in court.

21 Canadians Still in Hands Of Communists

OTTAWA (CP)—Release of eight Canadians today by the Chinese Reds still leaves 21 Canadians unaccounted for in Korea.

All eight had been listed by the army here as missing, believed captured. It raised to 24 the total number of Canadian prisoners-of-war returned by the Reds.

Before the prisoner exchange began, the army listed 18 Canadians as prisoners and 27 as missing, believed prisoners. The Chinese now have returned 12 prisoners, leaving six to turn up, and 12 missing, leaving 15 unaccounted for.

The Chinese have returned 10 more Canadians than they said they held when the exchange started.

Still Prisoners

Still listed as prisoners are: Capt. Joseph Liston of Aylmer, Que., Pte. T. J. P. Allan of Montreal, L. Cpl. William Bell of Toronto, Pte. Robert Eakins of Toronto, L. Cpl. Frederick Jollymore of Toronto and L. Cpl. Gerald McKinney of Melita, Man.

Still listed as missing are: Pte. Marcel Bear of Leask, Sask., Pte. John Burak of Calgary, Pte. Florian Cusson of Sutton, Que., L. Cpl. John Fairman of Hastings, Ont., Pte. Robert Gendron of Donaconna, Que., Pte Hermel Girard of Kenogami, Que., Cpl. Donald Hastings of Calgary, L. Cpl. William Johnstone of Calgary, Pte. John Keating of Toronto, Pte. Edward Kilpatrick of Montreal, Cpl. Joseph Ladouceur of Montreal. Pte. Jean Monette of Gracefield, Que., Pte. William Stone of Stewiacke, N. S., Cpl. John Toole of Hamilton and Sgt Gordon Walker of Montreal.

STARTED FOREST FIRE

QUEBEC (CP—Gerard Lessard, 20, was sentenced Monday to a month in jail after pleading guilty to setting a forest fire north of St. Ferreol, about 35 miles northeast of here.

"I just wanted to see what would happen," the lumberjack told judge Achille Pettigrew. The fire occurred Aug. 21 on land owned by the St. Anne Power Co., Lessard's employers.

Swimmer Only Five Miles From Objective

CEDAR POINT, O. (AP)—A 53-year-old grandfather, just five miles from success, failed Monday night in his third attempt to swim across Lake Erie from Ontario.

William Sadlo, Jr., 51, gave up after 18 hours in the water, his muscles unable to obey his will any longer. His manager, Pat Roach of Toronto, said he did not know whether Sadlo will try the 32-mile trip again.

The swimmer was brought here in a boat, sat down to a good-sized meal and planned to go to bed. He left Point Pelee, Ont., shortly after midnight Sunday night.

Sadlo, a physical education instructor in Brooklyn, made two previous attempts this month to cross the lake—a feat known to have been accomplished only once before. Carbis Walker swam from Point Pelee to Lorain in August, 1923, covering 33 miles in 21 hours and 15 minutes.

Aug. 3 Sadlo gave up after six hours in the water and Aug. 14 he quit 15 miles from his goal.

Mystery Shrouds Whereabouts Of Stalin's Son

By DON DALLAS

LONDON (Reuters)—The mystery of the whereabouts and duties of Stalin's son, Lt.-Gen. Vassili Stalin, has deepened with the annual Moscow air parade.

Until his father's death last March, Vassili, 34, held a high post as one of the leaders of the Soviet Air Force. As air force commander of the Moscow military district, he had regularly led the fly-past at the big Red Square parades in May and November, personally piloting a bomber.

He was also much in evidence at the air display held each summer at Tuschino airport, Moscow, to mark Soviet Air Force Day. For many years he directed the military part of the air parade.

At Sunday's parade in Moscow, Lt.-Gen. S. U. Rubanov replaced Vassili as commander of the military side of the show.

This news came as no surprise to close observers of Soviet affairs.

The last time Vassili is known to have been mentioned by the Soviet press or radio was when he attended his father's funeral as a mourner in March. He did not take part in this year's fly-past at the May Day parade.

There is at the moment no hard evidence that Vassili Stalin is in disgrace.

Manitoba Farmers Ask Flood Areas Get Federal Aid

WINNIPEG (CP—The Manitoba Farmers' Union Monday asked the provincial government to declare the flooded condition of areas of central and northern Manitoba a national emergency.

A 10-page submission by the union said Agriculture Minister Gardiner told union representatives a recommendation from the provincial government would be necessary before federal aid could be offered.

The union asked provincial support for an amendment to the Prairie Farm Assistance Act allowing assistance on an individual basis covering crop damage from all natural causes.

The brief asked aid at the rate of $8 an acre for a minimum of 160 acres, which would mean $1,280 minimum to each farmer. Many crops in the Riding and Duck Mountain areas were not sown because of rain and others were washed out after seeding.

MARMORA

Fair Grounds Being Improved With New Fence

MARMORA. — It came rather as a surprise to residents recently that the list of 18 fairs published as being held in Central Ontario omitted that of Marmora. For the past two years, Marmora Agricultural Society has held the annual fair on Labor Day and the preceding Saturday, the big day of course being Labor Day. They resorted to the same course ths resorted to the same course this year having dates of Sept. 5-7 officially approved.

With increased attendances at the fair in 1951 and 1952, and the industrial advance in the village this year a further large increase is looked for in the attendance on Sept. 7 of this year.

Improvements to the grounds include the erection of a new fence around the west side of the race track making it safer for spectators and better for those competing in the races.

In addition to these races and it is hoped increased entries in exhibits a fine program of entertainment is being arranged.

Mr. and Mrs. Allan Lester and daughter, Joan, of Peterborough, visited Mrs. Lester's mother, Mrs. W. McInroy on Thursday.

Mr. and Mrs. Cecil Pack, of Roslin, visited Mr. and Mrs. Victor Neal on Thursday evening.

Mr. and Mrs. Borden Bell have moved into apartments at Mrs. J. Nash's residence.

Mr. and Mrs. Metford Howe, of Trenton, have been visiting relatives and friends here for the past few days.

Family Delighted Son Released By Communists

WINDSOR, Ont. (CP)—"This is the best news this family has ever received. Mother will be so relieved."

So said Mrs. Stan Wilson, 25, Monday night shortly after she received word her brother, Pte. Victor Owen Percy, 21, has been freed by the Communists in Korea.

Pte. Percy went to Korea last October with the 3rd battalion of the Royal Canadian Regiment, was captured in a big battle May 2 and only last week was reported a prisoner of war.

His parents, Mr. and Mrs. Victor Percy, delayed leaving on their vacation until they received word he was alive and a prisoner. Then they set out for the Thousand Islands.

Fish Derbies Frowned On By Federation

PETERBOROUGH (CP) — Fish derbies and catching fish by other means than angling drew criticism from delegates attending an executive meeting of the Ontario Federation of Anglers and Hunters here Sunday.

Representing more than 1,500 sportsmen in the group's Zone 5, the delegates were unanimous in denouncing two and three-day fish derbies arranged by merchants or groups for gain at the expense of the fish population.

A mottion asking that such derbies be outlawed will be forwarded to the department of lands and forests.

Eight More Canadians Come Out of Red Korea

PANMUNJOM (CP)—Eight more Canadians, all of them officially listed as missing in action, came out of Communist Korea today as the massive exchange of war prisoners under the Korean armistice entered the last 10 days.

Five were members of the 3rd battalion of the Royal Canadian Regiment which fought Chinese hordes in the Little Gibraltar sector, one of the great battlegrounds of the Korean war.

They were:

Pte. Donald James Gunn, son of Daniel Gunn, Toronto.

L. Cpl. Stanley Badowich, son of Mrs. Lillian Badowich, North Brandon, Man.

Pte. Jean-Paul Dufour, son of Joseph Dufour, Rimouski, Que.

Pte. Barry Gushue, son of Mrs. Ethel Gushue, Sydney, N.S.

Pte. Victor Percy, son of Mrs. Kathleen Percy, Windsor, Ont.

Pte. Georges St. Germain, whose wife, Mrs. Rejeanne St. Germain, lives in Montreal.

Cpl. Ernest Taylor, son of Mrs. Elsie Taylor, Preston, Ont.

Pte. Joseph Henri Binnette, son of Mrs. Henri Binnette, Ville Jacques Cartier, Que.

Pella Is Given Confidence Vote By Italian House

ROME (AP)—Premier Giuseppe Pella has won a vote of confidence from both houses of the Italian Parliament, thereby temporarily ending Italy's lengthy political crisis.

The Chamber of Deputies—lower house—voted confidence Monday, 315-215. Forty-four deputies abstained.

The Senate backed the new government Saturday 140-86.

A confidence vote from both chambers is automatically required when a new cabinet takes office. It is taken as a measure of opinion on the cabinet as a whole rather than on a specific issue.

Pella, 51-year-old financial expert, is a pro-Western middle-of-the-roader. He took over from Premier Alcide de Gasperi and made up a cabinet consisting entirely of members of the Christian Democratic party.

SENTENCE 171 MOROCCANS

RABAT (Reuters)—A court here Monday sentenced 171 Moroccans to prison terms ranging from two months to one year for taking part in demonstrations against the deposition of the sultan.

Starting with the thawing of a bit of a glacier way in the Swiss Alps you follow the little stream until it becomes the huge Rhine River. Then you are carried down this historic stream through Germany and Holland until it meets the North Sea. No devastation, war or politics — just scenic loveliness and travelore, replete with human interest and native life. Mr. Nagel is an expert photographer, and for many years he made professional films for Hollywood producers. He is also one of the platform's outstanding speakers. In addition he incorporates a symphonic musical background — some of the music he uses was recorded on the spot while the pictures were being taken. Altogether, this trip down the Rhine will be a delightful experience for all who are fortunate enough to take it with Mr. Nagel.

Mr. and Mrs. Ed. Reesor, and daughter Shirley, of Vineland Experimental Station, were recent week-end visitors of Mr. and Mrs. Harold Hancock, and family, Centenary.

Weddings

DIXON—GILLESPIE

On Saturday, August 8, Hopeville United Church was the scene of a pretty wedding, when Catharine Joy Gillespie, eldest daughter of Mr. and Mrs. John Gillespie, of R. 1 Holstein, and Ernest Harry Dixon, son of Mr. and Mrs. Wilfred Dixon, of Warren, were united in marriage. The double-ring ceremony was conducted by Rev. S. Littlewood, of Dundalk. He was assisted by Dr. S. H. Greenslade, Trinity United Church, Toronto. The church was beautifully decorated with ferns and summer flowers.

Given in marriage by her father, the bride was attractively attired in a floor-length gown, fashioned in white nylon tulle with nylon inserts over satin. She wore a lace jacket with Peter Pan collar and a fingertip veil held by a bandeau of pearls. The ensemble was completed by a shower bouquet of Dream roses and stephanotis and a double string of pearls, the groom's gift to the bride.

Attendants to the bride were her two sisters, Betty and Janet. As maid of honor, Miss Betty Gillespie was dressed in a gown of surf green nylon net over taffeta. She carried a Colonial bouquet of yellow roses. The junior bridesmaid was Miss Janet Gillespie. She wore a dress of yellow taffeta with overskirt and trimmings of coral nylon net. She carried a Colonial bouquet of Talisman roses.

Acting as groomsman was Lynden McEwen, of Metcalfe. The ushers were Carman Griggs, of Belleville, and Jack Stuckey, of Grand Valley.

Miss Anne Nickle, of Madoc, sang two solos, "The Lord's Prayer" and "A Wedding Prayer." She was accompanied by Mrs. A. D. McAllister, of Dundalk, who played the wedding music.

The mother of the bride, Mrs. John Gillespie, received the 60 guests at a lawn reception held at her home. She wore a navy sheer nylon dress over rose taffeta. This was accented by a corsage of roses. She was assisted by the groom's mother, Mrs. Wilfred Dixon, who wore a navy sheer nylon dress with a corsage of roses.

Following the reception the bride and groom left on a trip through the States and Northern Ontario. For travelling the bride chose a rose-toned suit with accessories of navy and white. On their return Mr. and Mrs. Dixon will reside in Lyndhurst, where Mr. Dixon will resume his duties this fall as principal of the High School there.

The bride was on the staff of Madoc High School.

WILLIAMS—COURNYEA

At St. Andrew's United Church parsonage, Marmora, the marriage took place on Saturday afternoon, August 22, of Priscilla Marie Cournyea, daughter of the late Mr. and Mrs. Paul H. Cournyea, of Tweed, and Herbert William Lloyd Williams, son of Mr. and Mrs. Lloyd Williams, of Marmora. Rev. K. J. Crawford, B.A., B.D., was the officiating minister.

The bride was attired in a light navy suit with white accessories and wore a corsage of red roses.

Her sister, Miss Regina Cournyea, also of Tweed, was her bridesmaid. She wore a navy blue suit with red accessories and a corsage of pink roses.

The best man was Mr. John Thuillard, of Belleville.

A reception was held at the home of the bridegroom's parents where the groom's mother received in a gown of navy sheer with white accessories, and corsage of pink roses.

Mr. and Mrs. Williams left on a trip to points in the Eastern States. On their return, they will reside in Marmora.

FLEMING—KELLER

The wedding took place in St. Andrew's United Church parsonage, Marmora, on Saturday afternoon of Phoebe Joyce Keller, daughter of Mr. and Mrs. Percy Frederick Keller, of Crookston, and Donald Alexander Fleming, son of Mr. and Mrs. Arthur Andrew Fleming, of Hungerford township. Rev. K. J. Crawford, B.A., B.D., officiated.

The attendants were Mr. Jack Nicholas Fleming, of Madoc, and Miss Donna Margaret Bronson, of Tweed.

Epilogue to Stratford

By ROBERT TANNER

With a standing ovation from a packed house and a speech from the star, the first Canadian Stratford Shakespearean Festival swept to a triumphant climax last Saturday evening. Stepping out of character for the first time during the whole six weeks' run, Alec Guinness in a short, modest, and witty speech expressed the thanks of the cast and all those behind the scenes to the audiences who had given this venture their enthusiastic support, in many cases coming back to see the plays time and again.

He paid tribute to the inventive brilliance of Dr. Tyrone Guthrie, already back in Britain "whipping into shape a new Festival, at Edinburgh or somewhere," and to that shy genius at present heading for home on the high seas, designer Tanya Moiseiwitsch. In expressing thanks to all those others who had helped in great ways and in small, to make the festival possible, Mr. Guinness said that he could do no more than single out one name, a name so great that it was too often overlooked, a man of deep humility, yet one withal of whom his best friend once said "not of this age alone, but for all time." "I ask you," concluded Mr. Guinness, "to give your applause, not to us actors, but to our beloved author, Mr. William Shakespeare."

Rewarding Experience

It was a rewarding experience, returning to Stratford on this final day, to notice how the productions and performances had developed and broadened during the past weeks. In "All's Well," new stage business and the rearrangement of certain scenes produced a more tightly knit, whole, a process aided by the greater experience and confidence of the cast. Only one performance showed little change; Miss Irene Worth's Helen, so near perfection from the start that little could be done to better it. Again, only one performance was disappointing, but with the blame so hard to apportion between actor, director and (dare it be said) author, that it would be unfair to name it.

The modern dress presentation of "All's Well" points up the timelessness of Shakespeare's genius, and the unchanging nature of Man (and Woman). The medieval trappings of "Richard III" unfortunately obscure these same two truths. It is all too easy to sit back in one's seat, watching villainy heaped on villainy, with the comfortable feeling that after all, it cannot happen nowadays; yet one has only to think of Mussolini, Hitler, Beria and perhaps of others even nearer home, to realize that it can and does.

Mr. Guinness' Richard displayed new undertones of evil which served to underline the jesting hypocrisy of his early scenes. Even in the opening soliloquy, there was a fire which was lacking on the opening nights. Many other members of the cast, including the two young princes, showed marked improvement, though in some cases signs of fatigue and vocal strain were understandably evident.

$200,000 Grossed

"The king's a beggar, now the play is done"; not so the Festival treasury. Final financial results are not yet available, but it does not require very great mathematical powers to figure out that seven shows a week for six weeks to almost filled houses, will have produced a gross amount in the neighborhood of $200,000, more than the original capital investment of the festival supporters. This result is both unexpected and immensely gratifying to all those who have the welfare of the theatre, particularly the Canadian theatre, at heart. Nothing kills any artistic endeavor more quickly or more surely than financial instability. It is to be hoped that, building on this foundation, festival finances will be and will remain solid and secure.

It is not only the festival coffers that have profited, but virtually the whole of Stratford. Two particular ventures are worthy of comment, firstly, the refreshment booth at the theatre, so ably organized by the local branch of Kiwanis, and staffed by Kiwanians and their very attractive wives; secondly, the churches which have taken upon themselves, week by week, the task of providing inexpensive meals for visitors to the festival. Both of these are worthy endeavors which fully deserve the success they have enjoyed.

So far, the future of the festival is still rather obscure, all that is known for certain is that Dr. Guthrie and stage manager Cecil Clarke have promised to return next year. The choice of plays and of star performers must wait until nearer the time.

And so, work is now in progress to prepare this strange new theatre to withstand the rigors of a Canadian winter. The stage and dressing rooms will be dismantled, the chairs and fittings stored, and the three layers of tenting taken down and put away, until only the bare amphitheatre will be left, like some great Grecian ruin, until next summer brings it back to life again for the opening night of Stratford's second festival.

Airline Stewardess

Former secretary in the administrator's office of the Board of Education in Belleville, Miss Gwen Shore is now a stewardess with the American Airlines working out of Dallas, Texas. Her regular flights take her to Los Angeles, San Francisco, New York, Boston and Chicago.

As a young girl Gwen attended Queen Victoria Public School and later Belleville Collegiate. On graduation she worked in the office of L. A. Kells, schools administration. She left Belleville about four years ago to work in Toronto. Gwen graduated from the American Airlines Stewardess School in Chicago in May of this year and commenced her flying duties out of Dallas.

GOOD MANNERS

By Mrs. BEECKMAN

Replying To Formal Invitation To Wedding Reception

Dear Mrs. Beeckman:

Please tell me the proper way to acknowledge wedding invitations. Is it still the formal way—"Mr. and Mrs.—accept with pleasure," or "regret that they will be unable to accept," and then copy the invitation word for word? So many other details of etiquette are so changed now that perhaps this custom may have too.

E.A.

It is still true that when your receive a formal invitation to a wedding reception you should send a formal reply . . .acceptance or regret. (A formal invitation to a church wedding does not require a reply, but the reception-invitation does.)

The reply should be hand-written . . . on your "very best" notepaper) . . . in black or dark-blue ink . . . with the lines carefully spaced. The form is extremely simple . . . five lines are enough. The acceptance like this:

Mr. and Mrs. George Allen
accept with pleasure
the kind invitation of
Mr. and Mrs. Hall
for Tuesday, the sixth of October

The regret like this:

Mr. and Mrs. George Allen
regret that they are unable to
accept the very kind invitation of
Mr. and Mrs. Hall
for Tuesday, the sixth of October

Note-1: If you wish, you may add a sixth line to the acceptance, mentioning the hour. But this is not necessary.

Note 2: "The kind invitation of Mr. and Mrs. Hall" is better form than "Mr. and Mrs. Hall's kind invitation." Nicely avoids the apostrophe.

Note 3: Obviously it is not necessary to include the first name of the hosts . . . "Mr. and Mrs. Hall" is enough.

Note 4: In the regret it adds a gracious note to write "the very kind invitation of."

Note 5: If you wish (though this is not necessary, and is not customary today) you may follow the more detailed form, and repeat the full details of the invitation:

Inviting The Husbands To The Shower-Dinner

Dear Mrs. Beeckman:

I am giving a shower for my grandnephew's fiancee. She lives in a distant city, and the wedding will take place there. However, she will come here to our city for the shower, and I thought of inviting about 30 of our close friends. My plan is to make this occasion somewhat like a little wedding supper here for those who can't go to the wedding. The dinner (7 courses) will be at a hotel, with decorations by the hotel. Now my question is: Should I invite the ladies only, or would it be proper to invite the husbands also?

E.

Since this occasion will be a dinner, presumably in the evening, by all means invite the husbands as well as the wives. As a matter of fact, today in quite a few communities the custom —of giving evening showers, inviting both men and women, is growing.

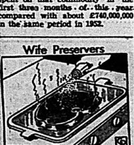
GIANT PLANT

PORT ADELAIDE, Australia (CP)—A new sulphuric acid plant being built here will be one of the largest in the world. The plant, to cost $5,000,000, will use British and Australian machinery.

SMOKING LESS

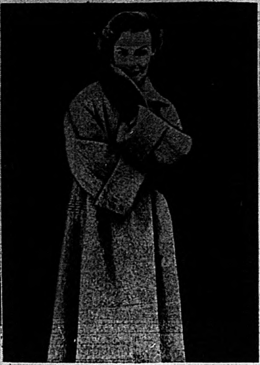
LONDON (CP) — Britons are smoking less and cutting down on entertainment, says the central statistical office. The difference is going into food, with £848,000,000 spent on that commodity in the first three months of this year compared with about £740,000,000 in the same period in 1952.

Wife Preservers



Season steaks and chops after they have browned. This is recommended because it has been found that meats brown better if allowed to do so before salting.

Casual and Correct



By TRACY ADRIAN

The shaggy surface interest of this slender, beautifully tailored coat will make it a favorite with women who go in for chic casualness. It is a grand travelling companion and also a good choice for both country or city wear.

The fabric is a superb blend of virgin wool and kid mohair that is soft, lightweight and warm. Though the lines give a slender silhouette there is plenty of material for action in the cut. Wide cuffed sleeves, a wide pointed collar and stitching detail at the hipline are other important details.

Corn Country

By Mary Moore

In Missouri corn on the cob is "roastin' ears." And while in Iowa the corn grows so fast and so tall that Iowans claim a man has to stand on a ladder with a hatchet to chop it off as it shoots up, in Missouri two men have to stand on each side of the stalks, each with two hatchets to chop off the ears as they grow up to the sky. Baron Munchausen never had it that good.

Big Missourians certainly know that corn has to be gathered at the last moment and cooked as short time as possible—not more than 3 minutes when boiled. Then they can lay to and eat a dozen "roastin' ears" at one sitting or as long as the butter holds out.

A Missouri corn roast is an experience never-to-be-forgotten. They dip the unhusked ears in water and then bury them in hot coals and gingerly turn them over until the husk is dry and crisp and golden brown. With bare fingers they strip off the browned husk, twirl the cob of corn in a dish of butter the shape of the cob and then demolish it.

Canadians ought to get closer to Nature and enjoy their bountiful produce oftener.

You don't have to have expensive steaks or chops to have good campfire meals. Last Sunday after church Marianne and Arthur invited me to go on a canoeing trip with them. Art doesn't let the fact that he is a city-dweller stop him. He hoists his canoe into brackets on top of his car, chooses whatever lake or river he'd like to paddle on, drives there, lifts down the canoe into the water, transfers freight and passengers to it and paddles off.

I must say Marianne makes an ideal substitute for an Indian maiden with her paddle in the bow. I sat in the middle with the picnic basket, trailed my fingers in the water and just purred.

We had Squaw Corn, which over an open fire, is a good substitute for turkey at a dining-table.

Squaw Corn

Six slices bacon diced, 1 small onion chopped, 6 medium cobs fresh bantam corn (or 1 No. 2 can cream-style corn), 6 eggs, salt, pepper. Fry bacon in long-handled pan when you have the fire under control and add the onion and cook until bacon is crisp and onion slightly browned. Tip off the excess fat into the grass. Add the corn cut from the cobs, and stir until heated through—about 2 minutes over a proper fire. Add the unbeaten eggs. Stir until mixture thickens and is barely "set". Season with salt and pepper. This should serve four, but the three of us ate all of it plus tomatoes, cucumbers, carrots, celery, bananas, cookies, cheese, coffee and milk.

Corn Fritters

(Remember you are on your own with these—for it rhymes with "undertaker titters".)

Two cups raw corn, 1 well-beaten egg, 1 1-2 teaspoons sugar, 1-3 teaspoon salt, 1-8 teaspoon pepper, 1 tablespoon melted butter, 1-4 cup flour, 1-2 teaspoon baking powder. Combine, corn, egg, sugar, salt, pepper and butter. Mix and sift flour, and baking powder. Add to first mixture. Mix well. Drop batter from greased spoon into a little fat in hot frying pan and brown on both sides. They do not require more than about 2 or 3 minutes in the pan if it is hot enough.

ADVICE to the LOVELORN

By BEATRICE FAIRFAX

She's Engaged — Can She Go Out With Others When Fiance Is Away?

Dear Miss Fairfax:

I am 20 years old, and engaged to a young man the same age. We have been going together for two years. We have not yet announced our engagement, as we wanted to wait until we had definite plans for a marriage date, which we cannot have until he finishes his education, in two more years.

What I want to know is this. My boy friend will be going back to college in a few weeks, and I am wondering if it would be wrong for me to go out to movies or other places with some of the boys I know, just for companionship while he is away. I love my boy friend very much and want to do what is right by him, but I'm afraid it is going to be very hard on me if I have to stay home all winter.

C.W.

Dear C.W.:

I certanly think you would be wrong to go out with any boy anywhere, if you were keeping everybody ignorant of the fact that you are engaged. That wouldn't be fair to either to your fiance or the other boy.

If you make your engagement known, however, I can't see any harm in going out occasionally with friends who thoroughly understand the situation and will behave accordingly. I think, though, it would be wiser to make your social engagements with a group of young people, rather than with just one young man alone.

In any event, you should discuss the whole thing with your fiance and arrive at some agreement between you. It definitely wouldn't be right, of course to do anything without his knowledge and approval. But it hardly seems likely that he would object to your having good times with the crowd during the time he can't be around.

Her Husband Is Stingy

Dear Miss Fairfax:

My husband has a good job, but is very stingy about money. He thinks I should be able to keep the food bills to twelve dollars a week, but I'm always having to ask for more and he gets angry.

Do you think two people can be fed on twelve dollars a week?

Mrs. M.R.

Dear Mrs. M.R.:

Of course I don't think twelve dollars is enough to feed two people for a week. Not unless they lived on a farm, had cows to milk, hens to give them eggs, the frozen food locker full of meat they had slaughtered and vegetables and fruits they had raised, and the pantry shelves full of things they had canned. Since you live in a city, you're not in that fortunate position.

I suggest that you very good humoredly ask your husband to take over the marketing and meal planning for a week and show you how twelve dollars can be made to do the job. That ought to cure him.

Beauty

By HELEN JAMESON

FASHIONS IN HANDS

Fashions in dress change and feminine figures change with them. Hairdos are ever in a state of revolution, one mode flowing into another. In the same way beauty ideals are revised with the years. Time was when the ideal hand was small, soft and dimpled. Now, to be considered beautiful, feminne hands should have stronger characteristics. They should look capable as becomes the woman of this period—no longer the poor, weak sheltered creature of the past but up and coming, doing things, interested in all that is going on in this mad world.

The hand should be in proportion to the lines and wight of the body. It should be expressive, move with grace and display a skin surface that indicates fastidious daily attention.

Hands have their seasonal beauty ailments. During the winter they become rough, red and chapped, so need plenty of soothing lubricants. In the good old summer time they may be spotted with freckles. It is not only an all-year-round job keeping them pretty, but a life long duty.

Household tasks, especially heavy ones, take their toll of hand loveliness. The fingers should not be used if some substitute offers. Brushes may take the place of hands for many household duties. Soaps are of better quality than they were when our grandmothers bossed the domestic works. Though prices may be a bit higher, the appearance of the hands are a more important consideration. Buy the very best for toilet use; be fussy about the kind you use for washing dishes.

Rubber gloves should be worn to protect the hands from dirty water. You will find them thinner than they used to be, which permits freer movement of the fingers. For polishing silver and furniture, wear loose cotton gloves. Prevention is the sensible policy, of course. Once the hands get rough, the skin surface grey and dingy, they will look old.

Use a lotion daily, those semi-fluid preparations are soothing, dry quickly, do not interfere with ones' activities. Once a week have a creamy massage.

MADOC

MADOC — Madoc W.I. members attending the Canada Day Pageant held in Maple Leaf Gardens on Friday were Mrs. D. Kernahan, Mrs. Ida Johnston, Mrs. Ken Nicol, Mrs. G. Hill, Mrs. W. Parks, Mrs. Bob Woods and Mrs. Albert Empey. Some 60 ladies of surrounding branches boarded the buses at Madoc.

Rev. J. Poynter, Mrs. Poynter and family are spending the week-end in Syracuse, N.Y.; where they plan to hear the noted young evangelist, Billy Graham.

Archdeacon N. Stout and Mrs. Stout of Gananoque, spent a few days with their daughter, Mrs. Good and Rev. T. H. Good at "The Rectory," Madoc.

Miss Jennie Aylesworth of Wellington, Prince Edward Co., spent a few days with friends in Madoc.

Mr. I. Smith of Belleville spent a few days in Madoc visiting relatives.

Mrs. Holland accompanied her sister, Mrs. F. E. Jenkins, to Ottawa during the week. Mrs. Jenkins will spend the winter with her son, William and family.

Rev. Gatley Reynolds and Mrs. Reynolds of Lombardy are spending a few days with Mrs. C. F. Aylesworth.

Madoc W.I.

Madoc Branch of the Women's Institute held its August meeting on Friday afternoon, at the summer cottage of Mrs. E. T. Nayler, Moira Lake. Mrs. Kernahan was in charge of the meeting.

The main business was on preparations for entertaining some of the delegates who have been attending the A.C.C.W. convention in Toronto, and who will be returning from a conducted tour through Eastern Ontario. A luncheon will be held in Trinity United Church school rooms on Tuesday at noon, where the branches of North Hastings District will act as hostesses. A most interesting program was outlined on the activities of the A.C.C.W. with papers on "Canada's Story in Pageant; Netherland's Delegates to the Conference; an address by the retiring president, Mrs. Raymond Sayre, and the Tours for the A.C.C.W. delegates. These papers were capably handled by Mrs. Jas. Aylesworth, Mrs. Robert Woods, Mrs. Hulin and Mrs. E. T. Nayler and proved interesting to all.

An enjoyable pot luck supper was served and a boat ride concluded a pleasant afternoon spent at Moira Lake.

Mrs. Albert Empey thanked the hostess for a happy afternoon.

Trinity W.A.

Trinity United W.A. members were entertained at the summer home of Mrs. Arthur Parks on Wednesday afternoon it being their annual picnic. The ladies spent most of their time in piecing quilts in preparation for their annual bazaar.

A pot luck supper concluded a most enjoyable afternoon.

AT A CORNER
ON MAIN STREET

A community springs up and, as it grows, a branch bank opens its doors. This pattern, basic in Canada's development, has been repeated again and again in pioneer areas, villages, towns and cities. Through local branches, the chartered banks bring to small communities, as well as large, the same broad range of banking service.

There are now 3,800 branches of Canada's chartered banks serving the banking needs of Canadians, 700 opened in the past ten years.

Ted Kennedy Awarded Bickell Trophy As Outstanding Leaf Player

Led Toronto to Five Stanley Cup Championships in Ten Years He Has Been with Team

TORONTO (CP)—Ted Kennedy, captain of Toronto Maple Leafs of the National Hockey League, has been awarded the J. P. Bickell Memorial Cup as the outstanding player on the Leaf team.

The award was announced today by the board of directors of Maple Leaf Gardens. The cup was donated to commemorate industrialist J. P. Bickell, former board chairman, who died two years ago. It was given this year for the first time.

The 27-year-old Kennedy, who joined the Leafs 10 years ago, has led Toronto to five Stanley Cup championships. He scored his 200th goal in NHL competition last March before the Leafs were shunted out of a playoff berth.

The trophy is one of the most valuable in Canadian sports. It is awarded to a player for one great feat, for a season of spectacular play or for remarkable service over a period of years.

The cup sits on solid quartz, taken from the McIntyre-Porcupine Gold Mines, which Bickell developed into one of Canada's most productive mines.

The player will receive a miniature of the cup. Of 14-karat gold, it is valued at $500.

Name Players Take Over In Canadian Open

By JACK SULLIVAN
Canadian Press Staff Writer

MONTREAL (CP) — The Canadian amateur golf championship got down to serious business today with the name players of Canada, the United States and Britain taking over after a so-so first round.

From here in it is strictly chips-down competition. Any one of a dozen golfers is capable of taking the Buckingham Trophy, won last year by Larry Bouchey of Inglewood, Calif., who isn't competing this time. And there could be a few surprises before the week-long, match-play tournament ends.

Monday's opening-day round was devoted to thinning out the big field of nearly 200 entrants, many of whom competed only for the experience.

Lounge On Sidelines

The first class amateur shotsmiths, including Canada's Willingdon Cup teams and the British Walker Cup team, lounged around the sidelines most of the day as a mixture of fuzzy-chinned youngsters and gray-haired oldtimers toured this 6,645-yard par-70 course in the suburban Caughnawaga Indian reserve.

After the final tee-off, late in the day, Jerry Kesselring of Kitchener, Ont., started the gallery humming with a practice-round 66.

The big field was cut to 128 after Monday's play. There were 12 scratches and 57 byes and no eye-lifting surprises.

Little Ted Homeniuk, 17-year-old Saskatchewan provincial champion from Yorkton, squeezed by with a one-up win over M. Taylor of Toronto, winning on the 18th with a par four.

Takes Bad Lacing

Paul Tregunno, Nova Scotia's junior champion from Halifax, took a 7 and 6 lacing from Gordon Bail of Kitchener, Ont., who was to take on the redoubtable Nick Weslock of Windsor, Ont., today.

Today's feature match brings together Joe Carr of Dublin, British amateur champion, and Tommy Hunter of Montreal, who got past the first round with an easy 5 and 4 victory over Bob Neal of Montreal. Carr is odds-on favorite to take this one, but the Montrealer, one of the top amateurs in Quebec, could give him a stiff fight.

In other matches, Norman Drew of Northern Ireland meets Bob Spence of the host club, and Arthur Perowne of England meets Bob Staniforth, another Kanawaki Club member. The Britons should take these easily.

Suspended for Life

WINDSOR, Ont. (CP) — Branco Sekulick, forward with the White Eagles, Monday night was suspended from playing soccer in this area for life by the Essex County Football Association.

The suspension followed a melee at an Essex County Soccer League game between the White Eagles and Teutonics Saturday night during which referee Al McDermott charges he was struck by the forward.

The game was called off with the score tied 4-4 after police were called to quell outbreaks between the fans and players. The association Monday night awarded the game to the Teutonics.

U of T Football Team Starts Training Grind

TORONTO (CP)—The University of Toronto football team is to leave for fall training camp at Lake Couchiching today and head coach Bob Masterson said he expects about 50 players to turn out for the first practice.

Masterson said his intercollegiate squad will be on the offensive more this year, although the traditionally strong defence will not be neglected.

The team will be stronger, he said.

"Our line is still a question mark. We need tackles and guards but our backfield appears to be set."

Masterson predicted that Western Mustangs, another Senior Intercollegiate squad, will be the team to beat this year.

Dodgers Should Win National Loop by 12 Games

By BEN PHLEGAR
Associated Press Sports Writer

Unless Milwaukee Braves and Chicago White Sox can find a way to repeal the law of averages, Brooklyn should win the National League by 12 games and New York should win the American by nine.

A survey today of the remaining games of the top two clubs in each of the leagues shows:

1. The Dodgers should win 21 and lose 11 the rest of the season, giving them a final total of 105 victories and 49 defeats;

2. The Braves should have a 17-13 record the rest of the way and an over-all standing of 93-61;

3. The Yankees can be expected to win 20 and lose 12, giving them 103-51 for the year;

4. The White Sox figure to win 19 and lose 12, which would leave them with 94-60 at the end.

This law of averages has been evaded in the past, but not often.

After a day off Monday the National League goes back to work with a vengeance—four twilight-night doubleheaders. Brooklyn entertains Chicago, Milwaukee is at Philadelphia, St. Louis at New York and Cincinnati at Pittsburgh.

Only six of the eight American League teams see action. St. Louis and Boston continue to rest, but Philadelphia is at Chicago and Washington at Cleveland for night games and the Yankees at Detroit for the sole day engagement.

Six Yearlings Bring Nearly $60,000 at Sale

TORONTO (CP)—Six yearlings from breeder Frank Conklin's Midaway farm brought a record $95,400 at the 10th annual sales of the Canadian Thoroughbred Horse Society at Woodbine Park Monday night.

Prices for the 65 horses auctioned ranged up to $18,000 for a light bay filly, sired by Count Fleet, and bought by the Blue Hills Farm.

Sixty-three yearlings were knocked down for a record total of $158,200, an average of $2,661 a head. This bettered last year's sale when 46 yearlings went for $97,200, an average of $2,113 each.

Conklin saw last year's record price of $11,000 for one of his horses exceeded and equalled by two of his yearlings. Another Count Fleet filly was bought for $13,000 by Jack Begen of Calgary and John Stewart of Toronto paid $11,000 for a colt by Bimelech out of Aloof.

Most active buyer was Dr. Carlos Otto of Venezuela who paid $24,300 for 17 yearlings.

Dies of Polio

TORONTO (CP)—Kenneth Tulley 26, former Canadian junior and intercollegiate diving champion, died in hospital Monday of polio.

He was on the physical and health education staff of the Central Technical School. A graduate of the University of Toronto, Tulley became a teacher after a year at the Ontario College of Education.

From 1948 to 1950 he held the intercollegiate diving title. He won the Canadian junior diving championship at 16.

Edmonton Eskimos, Defending Champs, Strong in All Depts.

By GRAHAM TROTTER
Canadian Press Staff Writer

EDMONTON (CP)—Give a new coach a seasoned nucleus of Canadian home-brews, add a decided Oklahoma flavor, mix with a new split-T attack and you have the 1953 Edmonton Eskimos, defending champions of the Western Interprovincial Football Union.

From 29-year-old Darrell Royal, new head coach, down to ageless inside-middle Bill Zock, now in his 18th year of professional football, Eskimos will give it the "old college try" this season.

All but three of Edmonton's 15 American imports have never had anything but college action. Royal, a perfectionist and disciplinarian whose approach to coaching is along American college lines, never even saw a pro game until this month.

That was when Esks whipped Toronto Argonauts 28-16 and Ottawa Rough Ridgers 12-9 in pre-season exhibitions. The triumph over Argos was sweet revenge for Esks, drubbed 21-11 by the Torontians in last fall's Grey Cup classic.

Pushes Team Hard

Royal, all-American quarterback at Oklahoma and backfield coach the last three years at North Carolina, Tulsa and Mississippi State, pushes Eskimos hard. Les Lear, former Calgary coach, calls this year's Esks the best-drilled Canadian team he has ever seen.

Royal is optimistic about his club's chances with the new split-T but says Winnipeg, with its exceptional Canadian depth, "should be the class of a tough league."

The split-T is a running or run-and-pass formation operating behind a spread-out line, which forces the opposition to leave big gaps in its front wall. Lightning-fast with lots of backfield deception, it was used last year by Detroit Lions, U.S. pro champs, but is mostly employed by American colleges.

Vessels Biggest Name

Biggest name in the Edmonton line-up is Billy Vessels, the Oklahoma Sooner voted No. 1 U.S. college player last season. Baltimore Colts made him their first draft choice but an oil career helped lure him here. a great all-round player, he scored three of Edmonton's four touchdowns in their victory over Argos.

The other new imports are outside Tom Stolhandske, University of Texas, first draft choice of San Francisco 49ers; line coach and middle Charlie Shira, coach with Royal at Mississippi after starring at West Point; Oklahoma quarterbacks Ed Crowder and Bob Ewbank; middle Willie Manley, Sooner graduate who was inactive last year after two seasons with Green Bay Packers; halfback Billy Rowekamp, Missouri; middle Charlie Genthner, Texas.

Hold-over Americans are quarter Claude Arnold and outside Frank Anderson, who bring the Oklahoma alumni total to seven; outside Rollin Prather; Negro scatback Rollie Miles; and middles Chuck Quilter, Wilbur Snyder and Joe Blanchard.

Sure bets to stick when Royal prunes his imports to the required eight Oct. 1 are Vessels, Prather and Miles. If Royal decides to go with only one import quarter, the choice likely will be between Arnold Crowder, first-stringer at Oklahoma last season. Canadian quarters Ray Willsey, with University of California in 1952, and hold-over Glen McWhinney give Edmonton five signal-callers, most in the WIFU.

Strong With Canadians

Esks are strong in Canadians with backfielders Normie Kwong, Jim Chambers, Rod Pantages, Ray Enright and Steve Mendryk; linemen Frankie Morris, Jim Quondamatteo, Zock, Ted Tully, Don Lord, Bill Briggs, Gene Kiniski and linebacker Mike King. Big Kentuckian snap Eagle Keys is classed as a Canadian now.

Gone this year are outside Joe Aguirre, kicking specialist who led Edmonton scorers in 1952 and followed former coach Frank Filchock to Regina; all-star inside Mario DeMarco, released to Saskatchewan for the $200 waiver price after Royal decided he couldn't use an out-and-out import inside; halves Bob Paffrath and George Festeryga.

Open August 29th

Eskimos open their schedule Aug. 29 at Winnipeg against Blue Bombers. Their home field, Clarke Stadium, has had its seating capacity boosted to 15,250, selling at $1.65 to $3.25. More than 10,250 of those seats have been sold out for the season.

Although they started from scratch when they returned to the conference in 1949, Eskimos have never had a losing year at the gate. They carry a $66,000 surplus into this campaign, when their operating budget will top $300,000.

Star Import

Edmonton Eskimos of the Western Interprovincial Football Union are looking for big things from import 21-year-old Billy Vessels of Oklahoma. He was voted the No. 1 college player in the United States in 1952 and won the Heisman trophy. He was the draft choice of Baltimore Colts but was lured to Edmonton. A solid 185 pounds on his five foot, 11-inch frame, Vessels is a blockbuster on running offence and a powerhouse on defence. He scored three touchdowns in a pre-season exhibition game for Edmonton, against Toronto Argonauts. — (CP Photo.)

Buffalo Bisons Increase Lead To Two Games

By THE CANADIAN PRESS

Buffalo Bisons increased the International Baseball League lead to two games Monday night over the idle Rochester Red Wings, walloping Baltimore Orioles 9-3.

This dropped the fourth-place Orioles to 9½ games behind the Herd, and only a half-game ahead of Toronto Maple Leafs, striving for a playoff berth.

Montreal Royals downed Springfield Cubs 4-1. The Royals are third, 4½ games back of Buffalo.

Eddie Kazak's three-run homer in the fourth, plus three Baltimore errors and 10 walks, spelled the Orioles' downfall.

Rocky Nelson's three-run homer in the third—his 26th round-tripper of the campaign—gave Montreal the victory over the Cubs.

Ottawa Athletics handed Syracuse Chiefs a 7-5 setback on Skeeter Kell's two-run, inside-the-park homer in the eighth. This was the Chiefs' 15th straight loss—the longest losing streak for a Syracuse club in International League history.

Marlene Loses First-Round Match in US Women's Open

By HUGH FULLERTON, Jr.

PROVIDENCE, R.I. (AP)—Joyce Ziske may be a one-day sensation in a golf tournament that has had hundreds of surprises in its previous 52 years of competition. But she made it a good one while it lasted.

Joyce, a husky, long-hitting 19-year-old who lives in Milwaukee and plays from a club in nearby Waterford, Wis., couldn't do anything Monday but beat another 19-year-old kid in a 19-hole match. The big news about it was that the loser was little Marlene Stewart of Fonthill, Ont., the 1953 British women's champion and about the brightest prospect North American women's golf has produced in years.

That was by far the biggest upset of Monday's play, which saw 21 first-round and 53 second-round matches run off in the all-match-play tournament. And it produced about as dramatic a finish as the women's amateur has seen in a long time.

But Miss Ziske may not go beyond today's third round. She runs right into rangy Grace Lenczyk of Newington, Conn., the 1948 U.S. women's champion.

Came Out Even

Miss Lenczyk disposed of Mrs. Charles F. Spalding of Greenwich, Conn., 5 and 4. They were among 107 players who drew first-round byes. The survivors finally will come out even today when the rest of the second round and all of the third is run off, cutting the original field of 149 down to 32.

Miss Ziske, virtually unknown to the eastern gallery until she caught the little Canadian star in a bad moment, was Wisconsin women's champion in 1952 and low woman amateur in the Tam O'Shanter all-America tournament.

The payoff came on the extra hole. After Marlene had put her second shot on the green, Joyce started to use a six iron for her second, changed to a seven and put the ball a little closer than her rival's. She rolled her first putt within 18 inches of the cup and after Miss Stewart had missed two putts, she conceded that short one.

In a real sporting gesture, Marlene explained:

"I decided if she had to miss an 18 inch putt for me to win, it wasn't worth it. She deserved to win."

Sports Roundup

By GAYLE TALBOT

NEW YORK (AP)—There will be no attempt here to picture the big league ball player as a downtrodden slave to a band of greedy masters, but it might be possible to explain from personal observation some of the irritations which have driven the diamond heroes to hire themselves a lawyer.

In the main, the grievances of the athletes are minor ones when taken individually. None of them is of a nature to create a great deal of sympathy for what is generally considered to be a highly-privileged group of young men. When they are lumped, though, they add up to quite a pile of discontent.

They burn about the rigors of the twi-night doubleheader and about the late night game from which they rush to catch the last train to their next stop, where they must show up at the park again by noon, still only half awake. They complain that their insides are chronically upset while they are on the road.

Players who, through no fault of their own, are attached to the less wealthy clubs, are jealous of the more considerate treatment given their opponents with the rich and successful outfits. One of their goals will be to obtain uniform handling when away from home.

To illustrate the present disparity, reporters with New York Yankees were astonished upon boarding a post-midnight train out of Philadelphia the other morning to see members of Philadelphia A's, including manager Jimmy Dykes, munching sandwiches and downing bottled beer on the platform. The Yankee party entered its own private dining car and ordered steaks.

Another common gripe is that salary has not kept pace with the cost of living. We have heard players doubt seriously that they were smart in staying with the game. We might add that the average big leaguer of today is bright enough and sufficiently educated to have tackled the business world with some chance of success.

"All you fellows write about are the stars who make the real big money," we were informed recently by an ex-player who got out while still young. "I was in the big leagues for four years and I was making exactly $9,000 a year when I quit. I didn't think that was anything to look forward to."

At that, he was doing better than many of them. The minimum pay at present is $5,000, and occasionally we hear an amazing story of the puny salary being paid some fairly well-known player. This does not happen too often, for such a player is reluctant to admit his lowly financial status. He would rather contribute to the legend of whopping big league pay.

Letter To Sports Editor

WANTS SENIOR HOCKEY

To Sports Editor:

Dear Sir:

As a hockey fan and supporter of senior hockey for a number of years, I am taking the liberty of writing to you with a suggestion.

I have discussed the idea with a number of fans and have received a favorable reply from them all.

Briefly the idea is to place petitions in stores, in the Arena or at your premises and have those petitions signed by hockey supporters who wish to see Don McNevin sponsor the senior hockey team this coming season.

Undoubtedly Don did a splendid job last season and this would be a means of testing the fans of Belleville and finding out if they sincerely want a senior team and also if McNevin is the man to sponsor it.

I understand that the players were well treated last season, that the Arena made money, and that the sponsor also made money. This money I believe was to be turned back into the club this year to give local fans a better team by importing badly needed defencemen.

Let all senior hockey fans inform Don McNevin of their feelings by signing said petitions and let us have the same good brand of senior hockey this year as last.

"Ardent Hockey Fan."

Playoff Spot In Intercounty Still in Doubt

By THE CANADIAN PRESS

Fourth place and a playoff spot in the Senior Intercounty Baseball League are still in doubt today.

Oshawa Merchants edged Brantford Red Sox 4-3 Monday night to keep alive Oshawa's chances of making the place. London Majors, downed 8-7 by Guelph Maple Leafs, were left uncertain of the position, but Leafs still have slim hopes.

In other league games, St. Thomas Elgins defeated Waterloo Tigers 3-1 behind the four-hit pitching of southpaw Don Sommers and Kitchener Panthers marked up a 3-2 victory over Galt Terriers.

Butch Lawing's grand-slam home run over the rightfield wall in the first inning was enough for Oshawa. George Copeland pitched masterful ball for Brantford and although he allowed several walks he gave up only two more hits.

Brantford's Stan Lipka got two bases in the second on a costly right field error and he scored on Luther Clifford's single. Pitcher Hanrahan went along well until the seventh when he lost control and issued three straight walks. Johnny Walter relieved.

Leafs spotted London five runs, came back to tie the score in the ninth and went on to knock out London's ace Bob Penny. Lew Fauth took his fourth win, relieving starter Marty Philp in the third. Jack Brumm was the loser. Gene Bilo homered and George D'Addario doubled to lead the Leafs at the plate. Gord McMackon and Gerry Wilson collected three hits apiece for London.

Guelph hurler Fauth struck out nine during his stint and allowed only five hits. An error by Smolinski over first base with Eudie Napier on third tallied the winning run.

Pitcher Sommers helped the Elgin cause with two hits and a run batted in. It was his fifth win against five losses. Bobbie Schnurr who started for Waterloo, was charged with the loss. He has won four and lost five.

St. Thomas took a two-run lead in the first inning and scored the third in the sixth on two doubles. Waterloo's run was scored in the sixth on two walks and a double by Billy Flick.

Galt scored both runs in the top of the first off righthander Mel Duncan, who came up with his 12th win of the season against four losses. After that, he allowed only three hits.

Kitchener's Chuck Fedoris started the Panthers off with a single. Welker's triple scored Gallinger for the tying run and later Welker stole home with the winner.

In the only game tonight, Oshawa plays at Galt.

FERGUSON GOES TO FALLS

STRATFORD (CP)—Lloyd Ferguson, a forward with Stratford Indians of the Ontario Hockey Association Senior A circuit last season, has been sold to the new Niagara Falls entry. Ferguson finished third in the league scoring race last year with 59 points.

STAMPS SIGN COBURN

CALGARY (CP)—Signing of 27-year-old defenceman Pat Coburn has been announced by Calgary Stampeders of the Western Hockey League. Coburn won a league all-star berth with Edmonton Flyers in 1951-52 and was traded to New Westminster Royals last season.

Deserved to Lose To Joyce Ziske Says Marlene

PROVIDENCE, R.I. (AP)—"I couldn't sink a putt—it was horrible."

That was Marlene Stewart's lament Monday after she was beaten in the second round of the U.S. women's amateur golf tournament by Joyce Ziske of Laterford, Wis.

Miss Stewart, British women's champion from Fonthill, Ont., lost on the 19th hole after three-putting. She missed a four-footer needed to stay alive in the match.

"I missed short putts on the second and fourth holes and I was having trouble with my putting all day," the little Canadian said. "I deserved to lose."

Asked why she conceded an 18-inch putt to her opponent on the extra hole for a winning par, Marlene said:

"Gee, if she had to miss an 18-inch putt for me to win I didn't want it. It wouldn't be worth it."

It was a weird match in which neither played up to her capabilities. Miss Ziske was the low amateur in the All-America women's tournament recently at Tam O'Shanter in Chicago.

Once Two Up

Miss Ziske had a one-hole lead after nine holes although she went out in 44 to 42 for Miss Stewart. Marlene won three of the next four holes to go two-up with five to play.

Then the Canadian's game seemed to collapse.

She banged into traps on the 14th and 15th, and missed a short putt at the 16th to lose three straight holes to par 4s.

On the par three 17th, Miss Ziske, 1 up, hit the green with her tee shot while Miss Stewart drove into a fronting trap. But Miss Ziske three-putted from 25 feet, missing a three-footer, to halve the hole in 4s.

On the 18th, Miss Stewart was on with two perfect shots while Miss Ziske pulled her second to the left and lost the hole to a par 4.

Both were down the middle on the extra hole and both hit the green, each about 40 feet away. Miss Ziske putted up to within 18 inches. Miss Stewart was about four feet past. Miss Stewart missed her try, and then conceded.

Scores Unpopular Split Decison

NEW ORLEANS, La. (AP)—Ralph Dupas, 18-year-old New Orleans lightweight, scored an unpopular eight-round split decision Monday night over Brian Kelly of Niagara Falls, Ont., before a crowd of 6,782.

The speedy Dupas, encountering one of his toughest opponents since turning professional, used hit-and-run tactics by jabbing and retreating.

Kelly, who scored a split decision over Dupas in Miami, Fla., six weeks ago, was the plodding aggressor throughout and gave Dupas' midsection a thorough pounding.

Referee Eddie Wolfe called the bout a draw, while judges Pete Giaruso and Phil Gaffney gave the nod to Dupas. Giaruso scored four rounds for Dupas, three for Kelly and one even. Gaffney had five for Dupas, two for Kelly and one even. Wolfe saw it 3-3-2.

Dupas weighed 137½, Kelly 136¼.

Sport in Brief

NEW YORK (AP)—The recently-appointed lawyer for the major league players met with baseball's top brass Monday and outlined a series of demands on the big league club owners.

Emerging from a two-hour session with commissioner Ford Frick and league presidents Will Harridge of the American and Warren Giles of the National, lawyer J. Norman Lewis expressed satisfaction with the way his proposals were received.

Lewis was accompanied by player representatives Allie Reynolds of New York Yankees and Ralph Kiner of Chicago Cubs.

The lawyer said he was not at liberty to disclose the players' demands but it was believed that they contained:

1. An increase in the minimum wage;
2. Elimination of night games on getaway days, and
3. Banning of all night games in spring training.

"Mr. Frick assured us that careful consideration will be given to all our proposals, which will be recommended to the club owners by the executive council at their meeting during the world series. We expect the club owners to act upon them then," Lewis said.

Lewis was not permitted to attend the executive council meeting. He waited in another room while Reynolds and Kiner conferred with the officials and was not called into the room until the council had recessed.

Frick said the discussions were amicable but declined to specify the points of discussion.

"All I will say right now," he said, "is that we have the players' proposals before us and we will give them very serious consideration."

Harness Racing Heading Toward Biggest Season

NEW YORK (AP) — Harness racing, growing by leaps and bounds, is heading toward the biggest season in its history, a mid-season survey of the night tracks in the United States disclosed today.

Unofficial and incomplete figures show that for the tracks which operated last year, attendance is up 13.41 per cent, while the mutuel turnover has boomed 19.30 per cent over 1952.

Three new tracks in operation this year actually make the figures higher, or plus 22.38 per cent in attendance and plus 27.5 per cent in wagering. These tracks are Ponce de Leon Raceway, Bayard, Fla.; Hazel Park, Detroit, and Vernon Downs, N.Y.

The figures are for racing through Aug. 8, and are confirmed by the United States Trotting Association, ruling body of the sulky sport.

It was estimated that revenue to the states involved will reach a record of more than $25,000,000. For 1952, the states received from taxation $20,231,427, a boost of 23.5 per cent over 1951. The 1952 revenue, in turn, was 138.58 per cent over 1948.

Trailerman Take Second Game From St. Kitts

ST. CATHARINES (CP)—Peterborough Trailermen Monday night beat St. Catharines Athletics 10-8 to take a 2-0 lead in their best-of-seven Eastern Canada final senior lacrosse series.

Trailermen led 2-0 after the first quarter. The game was tied 3-3 at halftime. Then Timbermen went into the final quarter with a 7-5 edge.

Harry Whipper led the Peterborough scorers with two goals and singles went to Gerry Fitzgerald, Jack Mason, Bob Thorpe, Don O'Hearn, Don Ashbee, Lou Nichol Roger Smith and Russ Slater.

Ted Howe scored three of the St. Catharines goals and Doug Smith got two. Al Frick, Jim Brandshaw and Max Woolley each scored one.

RECORD BALL THROW

CHATTANOOGA, Tenn. (AP)—Don Grate, Chattanooga Lookout centrefielder, threw a baseball 443 feet, 3½ inches here Sunday to better his own world's distance record. His previous record of 434 feet, 1 inch was officially recognized and the ball is in Cooperstown, N.Y., Baseball museum.

Horse Destroyed After Spill At Long Branch

TORONTO (CP)—A spill at the head of the stretch during Monday's second race at Long Branch sent one jockey to hospital, forced officials to destroy one thoroughbred and delayed the program for almost an hour.

Apprentice jockey George Gubbins on A. J. Halliwell's Safford was taken to hospital unconscious after a collision with Sir Howard, owned by C. Papa and ridden by Frolian Cruz. Both jockeys were bumped from their mounts. Cruz was unhurt.

Sir Howard ran without a jockey but Safford limped to the finish line with a broken leg and was destroyed.

FRANKFORD

Bowling Loop Will Open On Sept. 7th

FRANKFORD — The Frankford mixed bowling league gets under way this year on Thursday evening September 4th at 7 o'clock for Division "A" and on Friday the 5th at 9 o'clock for Division "B."

Division "A" made up of eight teams, has a maximum difference of 5 pins in the average of the teams, the high being 1280 and the low 1275.

Division "B" increasing from four teams last year to eight this year has a difference of only three pins in average, high being 1178 and low 1175. If these team averages hold through bowling season, there looms in the future a terrific battle in both Division A"" and "B" for divisional supremacy; let's hope it doesn't lead to bloodshed!

Division "A" made up of veterans of the league have stuck together with only 4 or 5 new faces in 64 bowlers, the teams being numbered since names are not chosen until the first bowling night, captains and sub captains also are chosen on the first night.

KEENAN SEEKS TITLE

LONDON (AP)—Britain's Peter Keenan will meet bantamweight champion Jimmy Carruthers of Australia in a title bout in Sydney, Nov. 13, Keenan's manager, Tommy Gilmour, said Monday.

Keenan is the European and British 118-pound champion. He will defend both of his titles against Ireland's John Kelly at Belfast, Oct. 3.

Sarnia Imperials Drilled Hard for Coming Campaign

By FRED WHEELER

Canadian Press Correspondent

SARNIA (CP)—Like any down-to-earth football coach, Red Douglas isn't calling any pre-season shots—even if he has a crack club.

Sarnia Imperials, the team that all but annihilated the Ontario Rugby Football Union opposition under Red's command last year, are being drilled, and hard. Last year's championship was the second consecutive for the Imperials.

Douglas promises to have a team as strong as, if not stronger than, the crew that won the title last year by romping through the regular 14-game schedule with only one defeat. They were beaten in the last game by Toronto Balmy Beach.

In the playoffs against the Beaches, Imperials rolled up 41-12 and 24-7 scores to run away with the two-game, total-point final.

Only five players have left the team since last year but Douglas is still cautious. He says the competition in the ORFU this fall will be more keen and thinks the representative of the league in the first Grey Cup semi-final out West Nov. 21 will be in doubt until the final game.

Missing from the roster when the Imperials play their curtain-raiser against Balmy Beach Aug. 29 will be quarterbacks George Curtis and Ken Foster, tackles Bruce Wilson and Bob Graham and halfback Bill Weiss. Curtis and Weiss have retired and Wilson has returned to Ottawa.

Many Local Boys

Douglas expects much from local boys he has picked up. He and assistant coach Vincent (Trip) Trepanier, former Imperial line star, are working with 18-year-old halfback Tom Dwinnell, up from Sarnia Collegiate, Ross Dowsell, also from the Collegiate, and halfback Don Perry.

The Sarnia pilot has lined up several new plays and has made some position changes in the line and backfield which, he hopes, will strengthen the Imperials' air attack. Last year, Sarnia showed most power on ground plays.

Douglas is confident this club will be a well-balanced crew because it is young in age and old in experience.

The statistics back him up. Veteran all-star tackle Lloyd (Dutch) Davey is the oldest player at 29. He is also one of the heaviest at 235 pounds. Dwinnell is the youngest.

Other young veterans are halfback Al Farris, 21, in his third season; Jack Hunt, 21, in his fifth year; 20-year-old Glen Murray, a defensive guard in his second season; and 280-pound, 21-year-old Don Mattingly, who played with Winnipeg Blue Bombers of the Western Interprovincial Football Union.

Dorocke Back

Maurrie Dorocke of Chicago, former star lineman at the University of Idaho, will be back. Before Dorocke arrived at the Sarnia camp in 1952 the Imperials were strictly Canadian.

The nine players who made the ORFU all-star squad last year are all signed for this season. Besides Dorocke, Davey and Mattingly, they are Jack (Red) McKelvie, Corky Duchene, Jon (correct) Florence, Jack Glendenning, Wally McIntosh and Archie McAffer.

Mattingly, a veteran of six year, was voted the league's most valuable player two seasons ago. Duchene, sought by several big four and Western clubs during the winter, led the ORFU scoring parade last year with 14 touchdowns.

Douglas' backfield is completed by Johnny Sells, Johnny Chorostecki, scoring champ three years ago, Don Knowles, a native of Sarnia formerly with Winnipe Murray (Perk) Johnston and E McKeever. McKelvie, first-strin quarter, will be spelled off by Do Spradbrow and Dowsell.

Chances are that the fans a Athletic Park won't be disap pointed when they get a glimpse of the Imperials, who play thei first home game against Balmy Beach Sept. 7.

Sarnia Lineman

Maurrie Dorocke, 242-pound former line star at the University of Idaho, is back with the Sarnia Imperials, defending champions of the Senior Ontario Rugby Football Union. A native of Chicago, Dorocke played three seasons at Idaho before coming to the Imps early in 1952, and helped them to their second straight title. — (CP Photo.)

Peewee Baseball

Blaind's peewee softballer evened the series with Boyce's a one game apiec when they defeate Boyce's 16-8 Friday evening.

Hull did the hurling job fo Blaind's striking out one, walkin two and giving up 13 hits. McDon ald sweated the losing route fo Boyce's, striking out two, walkin eight and giving up 16 hits.

Latchford led Blaind's at th plate with a double and thre singles while Till hit safely thric

Moore got two homers and single for Boyce's while Gre homered.

Bobby Hunter's Two-Hitter Leads Pointers to Victory

By PETER UPPER

Point Anne's ace right hander, Bobby Hunter, turned in a two-hitter in Cobourg Monday night, to lead his team to a 4-0 shutout over the T. P. Transports of Peterborough. Hunter pitched a one hitter at the Ox Point last Saturday and in 22 innings against the T.P.T.'s he gave up three hits. It was the third and deciding game of the first round of the O.A.S.A. playdowns.

From reports the Ox Pointers will take on Arnprior at Point Anne on Wednesday.

The Stone Crushers got all their runs in the first frame. Mulholland led off with a walk. Mallory bunted and made it to first before the fielder could make a play. Dougie Hull walked to load the sacks. Then Paddy Gilmour got to Eakins slants for a single and pushed across the first two runs.

Green grounded out to the first baseman. Jackie Wardhaugh sacrificed to get Hull across and Buchanan singled to get the credit for the fourth RBI.

West All The Way

Hunter went all the way on the hill for the Cement Mixers getting two on strikes and walking three. There were only seven balls hit out of the infield, which is a credit to his pitching. "Haddie" Eakins sweated the losing route for the T.P.T.'s. He struck out four and walked three.

Sam Mulholland led Whalen's crew with a double. Mallory, Gilmour, Wardhaugh, Buchanan and Bill Strahan each claimed singles. Greenlaw got a double and Floyd got a single for the T.P.T.'s.

Paddy Gilmour picked Leonard's line drive out of the dirt and threw to Buchanan at first to complete a double play, Point Anne's only twin killing. Mackness did the same thing for the Transporters, when he robbed Hull of a single and threw to Leonard at first to get two.

Jack Wardhaugh and Paddy Gilmour played outstanding ball for the winners while Leonard did the same for the Transporters.

Lineups:

T.P.T.'s: Floyd cf; Collins 3b; Castle c; Greenlaw lf; Mackness ss; Leonard 1b; LeGrow rf; Crowe 2b, Eakins p.

Point Anne: Mulholland cf; Mallory rf; Hull ss; Gilmour 3b; Green c; Wardhaugh 2b; Buchanan 1b; Bill Strahan lf; Hunter p.

Score by innings		R	H	E
Point Anne	400 000 00x—	4	6	1
R.P.T.'s	000 000 000—	0	2	3

Umpires: Plate, Campbell; bases, Harmer.

Scorer: P. Upper. Time 1.10.

Batting Races In Both Loops Still Wide Open

NEW YORK (AP)—Both major league batting races still are wide open affairs today as the 1953 season swings into its last five weeks of play.

In the American League scramble Al Rosen of Cleveland Indians leads the hitting list with a .326 average, but Washington's Mickey Vernon is on his heels at .325. Minnie Minoso of Chicago White Sox is in third place with .318.

Monte Irvin of New York Giants tops the National League batsmen with a .338 mark with St. Louis' Red Schoendienst in close pursuit at .337. Third-ranking Jackie Robinson of Brooklyn Dodgers trails with .332.

Rosen gained momentum during the week to sweep past Vernon. He went 13-for-33. Rosen also leads the league in home runs with 33 and runs batted in with 116.

With Irvin on the shelf with an injured ankle, Schoendienst bolted right back into the thick of the National League chase. The switch-hitting second baseman hiked his average six points on 11 hits in 23 at bats.

Eddie Mathews of Milwaukee retains his home run supremacy with 39 and Brooklyn's Roy Campanella has driven in the most runs, 115.

Pitcher Ed Lopat of the Yanks tops the American League with a 13-2, .867 mark, while Lew Burdette of Milwaukee is National League pace-setter with a 12-2 won-lost record for a .857 percentage.

RAILWAY VETERAN DIES

ST. THOMAS (CP)—William McCallum, 94, retired locomotive engineer and roundhouse supervisor with the Wabash Railroad here, died Monday. He was born in Simcoe and lived in Tillsonburg before coming here 55 years ago.

Movie Column

By BOB THOMAS

HOLLYWOOD (AP) — The long and fabulous association of Jane Russell and Howard Hughes is due to end in December and the chances are it won't be renewed.

"We've been talking," said the brunette beauty. "So far they made an offer, which we thought was fantastic. Then we made an offer, which they thought was fantastic. Now we're both simmering and nothing's happening."

Jane has spent 13 years under exclusive contract to the Texas millionaire. She's now of a mind not to sign all her services away to him.

"I'd like a one picture a year deal," she said. "That would be enough to give me security. But I could also do some of the exciting things that have been offered me."

Even though she can draw $200,000 per picture on loanouts now, she is concerned about how she will fare on her own.

If Jane does decide to go her own way, she couldn't have picked a better time for it. She has her biggest hit in the current film purporting to show that gents prefer blondes.

"Paleface" was the first picture to get Jane's career off the ground. Until then, her fame rested mostly on the cheesecake photos emanating from her first film, "The Outlaw." I asked her if she wished her career had moved more swiftly.

"Certainly," she replied. "I should have done in my first seven years what I have done in my last six. Then the last six years should have been what I hope to do in the next six. But that's the way Hughes operates—slowly and by degrees.

"No, I have no regrets about having been under contract to him this long. You can't beat the old man when it comes to publicity. He can take somebody and keep them alive for five years, even though they never make a picture. I know, because it happened to me."

Jane is finishing up "The French Line," which she likes as much as any picture she has made for Hughes. Her next picture is supposed to be "The Silver Horde" with John Wayne, but she isn't saying yes or no until she sees the script.

That's the new, independent Jane Russell.

Cornwall Colts Accepted In Quebec League

MONTREAL (CP) — Cornwall Colts, who have played for the last six years in the now-defunct Eastern Canada Hockey League, were accepted Monday night as a fifth team in the Quebec Provincial League.

Other teams in the loop are Ste. Therese, St. Hyacinthe, St. Jerome and Lachine.

It was reported that Smiths Falls may apply for membership in the senior loop at a meeting of the executive next Monday.

Ray Miron of the Colts presented the Cornwall request and it was unanimously accepted.

Bowling Notes

On Thursday afternoon women bowlers were favored with sunny weather and good greens.

Eighteen bowled two ten end games with first prize being captured by Mrs. C. Hermon, Mrs. O. Patterson and Mrs. W. Gilbert (skip). Runners up were Mrs. W. Frederick, Mrs. N. Kyle, and Mrs. G. Vince (skip).

Friday afternoon three members of the local club journeyed to Kingston to bowl in a triples tournament and came home with the prizes for three high wins, Mrs. B. Humphreys, Mrs. R. Lloyd and Mrs. E. Jackman (skip).

LOSES LEG UNDER TRUCK

CHATHAM, Ont. (CP) — Danny Bechard, 6, son of Mr. and Mrs. Lionel Bechard of Chatham, lost a leg when struck by a truck Monday. Police said the boy stepped into the side of a truck. His leg was crushed under the dual wheels of the trailer and was amputated below the knee.

AT THE CAPITOL—Henry Fonda stars with John Wayne and Shirley Temple in the action packed historical western "Fort Apache" showing today and Wednesday at the Capitol Theatre. On the same program Robert Mitchum stars in "Blood On the Moon."

CAT-SIZED RATS

OSHAWA (CP)—Alderman Clifford Harman said Monday night Oshawa has "rats as big as cats"—and snakes, too. He said at a council meeting he visited a junk yard in the city during his holidays and saw the rats and snakes. Fourteen residents have petitioned city council to have the yard cleaned up. The board of health will be asked to investigate.

HORSE SENSE BRIDGE

By SAM GORDON

The Kibitzer

Akoolsp Oxpert has a lot of explaining to do. This is because each pet bid of his usually backfires for one reason or another. As is the case with his opening three bids.

A bid is correct only when the hand contains all the ingredients promised and does not contain any item it denies. That is what decides which bid to use when the hand looks as if there is a choice.

An opening bid of one shows these basic minimums: Five tricks, of which four are high cards, among which are two sures. It denies as many as nine tricks for which an opening bid of two is used.

The basic showing of an opening of three in a minor suit is this: A seven card solid suit with no high card outside. It denies as many as four high cards which would make it eligible for an opening of one.

Basically wrong are those who have other uses for an opening bid of three in a minor. These variations may be good tactical manoeuvres under certain conditions. But they are not basically sound.

West held the hand shown here:

♥10 6
♠J
♦A 8 4
♣A K Q 7 5 4 2

This deal was in a duplicate tournament where all tables play the same hands. Some of the west players opened this hand with a bid of three clubs. Regardless of results it was not correct.

Nor would an opening of three clubs be truly correct if there was no diamond ace with it. Because it lacks the solidity expected. Skilled players could then justify it only as a maneuver.

This hand contains an outside high card which an opening bid of three clubs is known to deny. This hand lacks the solidity that such an opening is known to admit. It is wrong in two items.

On the other hand, it contains all the values an opening bid of one club would promise. Why go out of his way to tell a lie to a partner when the truth is best? Is he crazy or somethin'.

Upsets Occur In Invitation Tennis Tourney

GLEN COVE, N.Y. (AP)—Australia's Ian Ayre and Denmark's Torben Ulrich were upset in second-round competition Monday at the Nassau Bowl invitation tennis tournament.

Ayr, ranked fifth in Australia and third on the foreign list, was eliminated by unseeded Gene Garrett, a philosophy student from San Diego, Calif., 6-4, 6-3. Ulrich, a Danish Davis Cupper who was fifth on the foreign seeded list, was defeated by Cliff Mayne, university of California player, 6-3, 9-7.

Herb Flam of Beverly Hills, Herb Flam of Beverly Hills, Calif., defeated Don Fontana of Toronto 6-4, 6-3 in the first round and went on to eliminate Lorne Main of Toronto 8-6, 6-2 in the second.

Paul Willey of Vancouver advanced into the second round when he defeated Bill Quillian of Seattle, 6-3, 6-4.

Jockey Injured

PAWTUCKET, R. I. (AP) — Jockey Ted Johnson of Brantford, Ont., was taken to hospital with a slight spinal fracture Monday night after being thrown in a spill at Narragansett Park.

Jockey Evan Jenkins of Pawtucket also was hurt in the same race in an unrelated mishap Monday.

Johnson's mount Poparadis went down as he broke from the outside after the gate opened. The Canadian rider was tossed to the ground. He is expected to be sidelined several weeks.

Jenkins' mount Sudu Gal stumbled after swerving into another horse as they left the gate and the jockey was thrown. He was released after treatment in hospital for back bruises.

Your Individual Horoscope

By FRANCES DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR WEDNESDAY, AUGUST 26, 1953.

March 21 to April 20 (Aries)—Splendid Mercury, Jupiter and other aspects encourage brain work, analysis, sound investments and finances generally. Also favored: artistic and personal matters. Forward!

April 21 to May 20 (Taurus) — Your Venus in fine array. It should not be too difficult now to make personal advancement, gain through application, smart management. Tops for authors, journalists, secretarial and confidential workers.

May 21 to June 21 (Gemini) — Don't dally with unessentials when your important activities demand close concentration, clever management. This is one of your best periods and you can really go places if serene and consistent.

June 22 to July 23 (Cancer) — The Moon, among well aspected planets, indicates that you should feel enthused, ambitious. Whether at work or on vacation you should accomplish something worthwhile. Perhaps the unusual (if sound).

July 24 to August 22 (Leo) — All work and activities to which you can and do give that extra touch of skill and finesse should begin to show fine results now. A day for talents, excellent execution in workmanship, thought.

August 23 to September 23 (Virgo)—Outlook stimulating for both private and general interests. Inventive genius, new and unusual ideas and methods have fresh advantages. It should be a satisfying productive day on whole.

September 24 to Octobed 23 (Libra) — Promising period for heady thinking, wholesome interests. Fine for study, research, playwriting, journalism, artistic work.

October 24 to November 22 (Scorpio)—Saturn's aspect stresses sensible care in all hazardous endeavors and play, also calmness for better judgment. Day has benefits, advantages and new leads that could prove beneficial. Observe.

November 23 to December 22 (Sagittarius)—Jupiter now sponsors investment (wise ones), making honest money in various lines, especially —those catering to the public; also all manufacturing, building, general construction.

December 23 to January 21 (Capricorn)—If sensibly careful in travel, handling tools, machinery, in sports and, if you don't undertake more than you can honestly manage, you can have a progressive, fruitful day. Be happy.

January 22 to February 20 (Aquarius)—Still favorable rays from yesterday's grand Uranus aspect. This does not mean that you should be reckless or go overboard in pleasures or work. Day can be reasonably gainful for business, duties.

February 21 to March 20 (Pisces)—Your personal interests, gains through your own efforts, charitable interests you help can profit today. Venture some to gain and advance; have faith in your ability, judgment.

YOU BORN TODAY have splendid mechanical ability; keen mentality. Usually diplomatic —but can also be wily; quietly shrewd. Quick of thought, broadminded, not egoistical or petty. Important you keep cheerful and hopeful. Worry can be harmful, cause unnecessary nervous —strain, tension with others. Mingle with bright, engaging, people. You can be entertaining, much sought after if you show your true self. Don't keep too much to yourself. Trade or profession is open to your achievement. God has blessed you with ability galore. Birthdate of: Sir Robt. Walpole, Earl of Oxford, Eng. statesman.

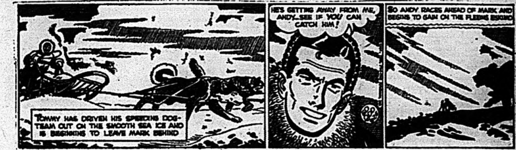
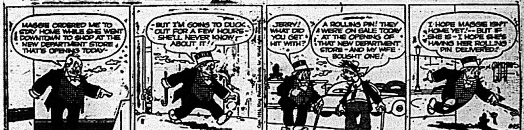
MARK TRAIL—By Ed Dodd



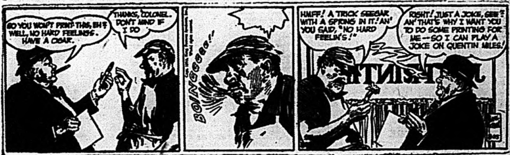
TOMMY HAS DRIVEN HIS SPEEDING DOG-TEAM OUT ON THE SMOOTH SEA ICE AND IS BEGINNING TO LEAVE MARK BEHIND
HE'S GETTING AWAY FROM ME, ANDY...SEE IF YOU CAN CATCH HIM!
SO ANDY RACES AHEAD OF MARK AND BEGINS TO GAIN ON THE FLEEING ESKIMO

BRINGING UP FATHER — By George McManus



MAGGIE ORDERED ME TO STAY HOME WHILE SHE WENT DOWNTOWN TO SHOP AT THE NEW DEPARTMENT STORE THAT'S OPENING TODAY—
BUT I'M GOING TO DUCK OUT FOR A FEW HOURS—SHE'LL NEVER KNOW ABOUT IT!!
JERRY! WHAT DID YOU GET HIT WITH?
A ROLLING PIN! THEY WERE ON SALE TODAY AT THE OPENING OF THAT NEW DEPARTMENT STORE—AND MY WIFE BOUGHT ONE!
I HOPE MAGGIE ISN'T HOME YET!—BUT IF SHE IS—I HOPE SHE'S HAVING HER ROLLING PIN DELIVERED!

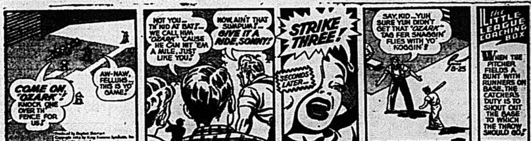
RUSTY RILEY — By Frank Godwin



SO YOU WON'T PRINT THIS, EH? WELL, NO HARD FEELIN'S. HAVE A CIGAR.
THANKS, COLONEL. DON'T MIND IF I DO
BOINGGGG!!
HMFF! A TRICK SEEGAR WITH A SPRING IN IT! AN' YOU SAID, "NO HARD FEELIN'S!"
RIGHT! JUST A JOKE, SEE? AN' THAT'S WHY I WANT YOU TO DO SOME PRINTING FOR ME—SO I CAN PLAY A JOKE ON QUENTIN MILES!

OZARK IKE — By Ray Gotto

Wanted! Newspaper Carriers. — Apply Ontario Intelligencer Office.



COME ON, "OZARK"! KNOCK ONE OVER TH' FENCE FOR US!
AW-NAW, FELLUHS... THIS IS YO' GAME!
NOT YOU... TH' KID AT BAT!... WE CALL HIM "OZARK" 'CAUSE HE CAN HIT 'EM A MILE, JUST LIKE YOU!
NOW AIN'T THAT SUMPUM!— GIVE IT A RIDE, SONNY!
STRIKE THREE!
SECONDS LATER...
SAY, KID—YUH SURE YUH DIDN'T GET THAT "OZARK" TAG FER SNAGGIN' FLIES WITH YO' NOGGIN'?

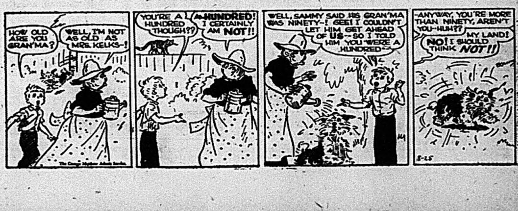
THE LITTLE LEAGUE COACHING BOX
WHEN THE PITCHER FIELDS A BUNT WITH RUNNERS ON BASE, THE CATCHER'S DUTY IS TO SHOUT OUT THE BASE TO WHICH THE THROW SHOULD GO!

TIPPIE and "CAP" STUBBS—By Edwina



HOW OLD ARE YOU GRAN'MA?
WELL, I'M NOT AS OLD AS MRS. KELKS—!
YOU'RE A HUNDRED THOUGH??
A HUNDRED! I CERTAINLY AM NOT!!
WELL, SAMMY SAID HIS GRAN'MA WAS NINETY—! GEE! I COULDN'T LET HIM GET AHEAD OF US—SO I TOLD HIM YOU WERE A HUNDRED—
—ANYWAY, YOU'RE MORE THAN NINETY, AREN'T YOU—HUH??
MY LAND! NO! I SHOULD THINK NOT!!
